ACADEMIC

2019-2020 Academic Calendar

(Dates subject to change)

April, 2019

4/8 Monday	Graduate Registration Begins for Fall 2019
4/22 Monday	Undergraduate Registration Begins for Fall 2019

August, 2019

8/1 Thursday	Deadline to Submit Proof of MMR and Meningitis Immunization Compliance for Fall 2019 Entrance
8/1 Thursday	Fall 2019 Tuition and Fees Payment Due
8/24 Saturday	All "I" Grades for Summer I 2019 become "F" grades.

September, 2019

9/2 Monday	Labor Day - University Closed
9/4 Wednesday	Fall 2019 Begins - Late Registration Begins
9/10 Tuesday	Last Day to Add Course Without Faculty Approval
9/17 Tuesday	Last Day of Late Registration for Fall 2019
9/17 Tuesday	Deadline for Undergraduate to File Pass/Fail or the Audit Option for a Fall 2019 Class
9/18 Wednesday	Withdrawal Period Begins - All Classes Receive a "W" Grade for Fall 2019
9/22 Sunday	International Student Deadline to Submit Mandatory Health Insurance Waiver Form for Fall 2019
9/22 Sunday	Domestic Student Deadline to Submit Mandatory Health Insurance Waiver Form for Fall 2019
9/29 Sunday	Rosh Hashanah (Evening) - No evening classes scheduled
9/30 Monday	First Day of Rosh Hashanah - No classes scheduled

October, 2019

10/1 Tuesday	Deadline for Graduate/Doctoral Students to Submit Maintaining Matriculation Form (Fall 2019)
10/5 Saturday	All "I" Grades for Summer II 2019 become "F" grades.
10/8 Tuesday	Yom Kippur (Evening) - No Evening Classes Scheduled
10/9 Wednesday	Yom Kippur - No Classes Scheduled
10/14 Monday	Columbus Day - Classes scheduled
10/21 Monday	January 2020 Intersession Registration Begins
10/27 Sunday	Diwali - No Classes Scheduled
10/29 Tuesday	Last Day to Withdraw Without Permission for Fall 2019 Classes
Conflict/Deferred Midterm Exams	Please refer to the Conflict & Deferred Exam Application Deadline/Test Schedule (http://www.pace.edu/osa/academic-scheduling/final-exam-schedules)

November, 2019

11/4 Monday	Graduate Registration Begins for Spring 2020
11/5 Tuesday	Election Day - Classes scheduled
11/11 Monday	Veteran's Day - No classes scheduled
11/12 Tuesday	Last Day to Withdraw With Permission - Fall 2019 Classes
11/15 Friday	Conversion Day - Follows a Monday schedule, no Friday classes
11/18 Monday	Undergraduate Registration Begins for Spring 2020
11/27 Wednesday - 12/1 Sunday	Thanksgiving Break - No classes scheduled

December, 2019

12/1 Sunday	Deadline to submit Proof of MMR and Meningitis Immunization Compliance for Spring 2020 Entrance
12/10 Tuesday	Undergraduate Study Day - No Undergraduate Day classes scheduled
12/12 Thursday	Undergraduate Study Day - No Undergraduate Day classes scheduled
12/20 Friday	Fall 2019 Ends
12/21 Saturday- 1/1/19 Wednesday	Holiday and New Year Break - University Closed
Final Exams	Please refer to the Final Exam Schedule (http://www.pace.edu/osa/academic-scheduling/final-exam-schedules)
Conflict/Deferred Final Exams	Please refer to the Conflict & Deferred Exam Application Deadline/Test Schedule (http://www.pace.edu/osa/academic-scheduling/final-exam-schedules)

January, 2020

1/2 Thursday	January Intersession 2020 Tuition & Fees Due
1/2 Thursday	Spring 2020 Tuition & Fees Due
1/2 Thursday	January Intersession 2020 Begins
1/20 Monday	Martin Luther King, Jr. Day (University Closed - No classes scheduled)
1/26 Sunday	Last Day of January Intersession 2020 Classes (Online/In-Class Combination Courses)
1/27 Monday	Spring 2020 Semester Begins - Late Registration Begins
1/31 Friday	Last Day of January Intersession 2020 Online-Only Courses
1/31 Friday	Fall 2019 "I" Grades Become F "Grades"
Conflict/Deferred Exams	Please refer to the Conflict & Deferred Exam Application Deadline/Test Schedule (http://www.pace.edu/osa/academic-scheduling/final-exam-schedules)

February, 2020

2/2 Sunday	Last Day to Add Classes Without Faculty Approval (Spring 2020)
2/3 Monday	Graduate and Undergraduate Registration Begins for Early Summer 2020, Summer I 2020, Summer II 2020, and Late Summer 2020 Semesters
2/9 Sunday	Last Day of Late Registration for Spring 2020
2/9 Sunday	Deadline for Undergraduates to File Pass/Fail or the Audit Option for a Spring 2020 class
2/10 Monday	Withdrawal Period Begins - All Classes Dropped Receive a "W" Grade Spring 2020
2/11 Tuesday	Domestic Student Deadline to Submit Mandatory Health Insurance Waiver Form for Spring 2020
2/11 Tuesday	International Student Deadline to Submit Mandatory Health Insurance Waiver Form for Spring 2020
2/17 Monday	President's Day (University Closed - No classes scheduled)

2/23 Sunday	Deadline for Graduate/Doctoral Students to Submit Maintaining Matriculation Form (Spring 2020)
March, 2020	
3/8 Sunday	January 2020 Intersession "I" On Campus - "I" Grades Become F "Grades"
3/13 Friday	January 2020 Intersession Online Classes - "I" Grades Become F "Grades"
3/15 Sunday - 3/22 Sunday	Spring Break (No classes scheduled)
3/22 Sunday	Last Day to Withdraw Classes Without Permission (Spring 2020)
Conflict/Deferred Midterm Exams	Please refer to the Conflict & Deferred Exam Application Deadline/Test Schedule (http://www.pace.edu/osa/academic-scheduling/final-exam-schedules)
April, 2020	
4/1 Wednesday	Deadline to submit Proof of MMR and Meningitis Immunization Compliance for Summer 2020 Entrance
4/6 Monday	Last Day to Withdraw Classes With Permission (Spring 2020)
4/8 Wednesday	Passover begins (No evening classes scheduled)
4/9 Thursday	First Day of Passover (No classes scheduled)
4/10 Friday - 4/12 Sunday	Good Friday Through Easter (No classes scheduled)
4/13 Monday	Graduate Fall 2020 Registration Begins
4/20 Monday	Undergraduate Fall 2020 Registration Begins
May, 2020	
5/1 Friday	Tuition & Fees for Early Summer I and Summer I 2020 Semesters Due
5/5 Tuesday - 5/6 Wednesday	Undergraduate Study Day - No Undergraduate Day classes scheduled
5/16 Saturday	Spring 2020 Semester Ends
5/17 Sunday	Last day of Late Registration for Early Summer I 2020 Semester
5/18 Monday	Early Summer I 2020 Semester Begins
5/20 Wednesday	Early Summer I 2020 Semester Withdrawal Period Begins - All Classes Dropped Receive a "W" Grade
5/24 Sunday	Eid Al-Adha Holiday (No Classes Scheduled)
5/24 Sunday	Last Day to Withdraw Without Permission for Early Summer I 2020 Semester
5/25 Monday	Last Day to Withdraw With Permission for Early Summer I 2020 Semester
5/25 Monday	Memorial Day (University Closed)
5/26 Tuesday	Summer I 2020 Semester Begins
5/30 Saturday	Early Summer I 2020 Semester Ends
Final Exams	Please refer to the Final Exam Schedule (http://www.pace.edu/osa/academic-scheduling/final-exam-schedules)
Conflict/Deferred Final Exams	Please refer to the Conflict & Deferred Exam Application Deadline/Test Schedule (http://www.pace.edu/osa/academic-scheduling/final-exam-schedules)

June, 2020		
6/1 Monday		Last Day of Late Registration for Summer I 2020
6/1 Monday		Deadline for Undergraduates to File Pass/Fail or the Audit Option for a Summer I 2020 Class
6/2 Tuesday		Summer 1 2020 Withdrawal Period Begins - All Classes Dropped Receive a "W" Grade
6/10 Wednesday		Domestic Student Deadline to Submit Mandatory Health Insurance Waiver Form for Summer I 2020
6/15 Monday		Summer I 2020 Last Day to Withdraw Without Permission
6/22 Monday		Summer I 2020 Last Day to Withdraw With Permission
6/27 Saturday		Spring 2020 "I" grades Become "F" Grades
July, 2020		
7/1 Wednesday		Tuition & Fees for Summer II and Late Summer II 2020 Semesters Due
7/3 Friday - 7/4 Saturday		Independence Day (No Classes Scheduled)
7/11 Saturday		Early Summer I 2020 Semester "I" Grades Become "F" Grades
7/11 Saturday		Summer I 2020 Semester Ends
7/13 Monday		Summer II 2020 Semester Begins
7/19 Sunday		Last Day of Late Registration for Summer II 2020
7/19 Sunday		Deadline for Undergraduates to File Pass/Fail or the Audit Option for a Summer II 2020 Class
7/20 Monday		Withdrawal Period Begins - All Classes Dropped Receive a "W" Grade Summer II 2020
7/28 Tuesday		Domestic Student Deadline to Submit Mandatory Health Insurance Waiver Form for Summer II 2020
August, 2020		
8/1 Saturday		Late Summer II 2020 Begins
8/1 Saturday		Deadline to submit Proof of MMR and Meningitis Immunization Compliance for Fall 2020 Entrance
8/2 Sunday		Summer II 2020 Last Day to Withdraw Without Permission
8/7 Friday		Last Day of Late Registration for Late Summer II 2020
8/8 Saturday		Late Summer II 2020 Withdrawal Period Begins - All Classes Dropped Receive a "W" Grade
8/9 Sunday		Summer II 2020 Last Day to Withdraw With Permission
8/14 Friday		Late Summer II 2020 Last Day to Withdraw Without Permission
8/21 Friday		Late Summer II 2020 Last Day to Withdraw With Permission
8/22 Saturday		Summer II 2020 Semester Ends
8/22 Saturday		Summer I 2020 "I" Grades Become "F" Grades
8/29 Saturday		Late Summer II 2020 Semester Ends

Academic Policies and General Regulations

Degree Requirements

The academic regulations at Pace University are designed to ensure adherence to standards of academic excellence while affording the latitude and flexibility necessary to accommodate the needs of and conditions faced by a diverse student body.

Requirements for a Bachelor's or Associate Degree are:

- Successful completion of the requirements for a major program as specified in the catalog current at the time of a student's matriculation or as subsequently amended. A bachelor's degree normally requires completion of 120 or 128 credits, although some majors may exceed this requirement. An associate degree requires successful completion of 60–66 credits, and a minor requires completion of 12–18 credits. Students should consult the curricula described in the sections for the academic schools within this catalog for the exact number of credits and courses required for their major program.
- Completion of at least 30 (for 120 credit programs) 32 (for 128 credit programs) credits in residence at Pace University for all bachelor's degrees, and the associate in science degree in early childhood development and for all associate in applied science degrees. Associate in arts and associate in science degrees require that 30 credits of the 60-credit programs be completed at Pace.
- Completion of at least one-half of the major program and one-half of a minor program, if the student elects one, in residence at Pace University. Students pursuing a bachelor of business administration degree must also complete at least one-half or 50 percent of the business credits required for the BBA, including business core, major and auxiliary requirements, in residence at Pace University.
- A minimum cumulative QPA of 2.0 (unless indicated differently by a school, college, or specific major)
- A minimum QPA of 2.0 in the student's major (unless indicated differently by a school, college, or specific major)
- All financial obligations and academic requirements to the University must be met before the student's diploma is released.

Transfer Credit Policy for Undergraduate Students

Responsible Executive: Provost and Executive Vice President for Academic Affairs

Responsible Office: Office of Student Assistance/University Registrar

Effective Term: Fall 2014

Revision Date: August 21, 2014

I. Types of Transfer Credit Accepted by Pace University

The following statements describe the sources of acceptable transfer credit:

1. Pace University will accept transfer credit from institutions accredited by a regional affiliate of the Commission on Higher Education. Prior coursework should be completed at institutions that are fully accredited by regional accrediting agencies or are recognized candidates for accreditation. These regional accrediting agencies include:
 - Middle States Association of Colleges and Schools
 - New England Association of Schools and Colleges
 - North Central Association of Colleges and Schools
 - Northwest Association of Schools and Colleges
 - Southern Association of Colleges and Schools
 - Western Association of Schools and Colleges
2. Pace University will accept transfer credit from non-regionally accredited institutions upon review of course descriptions and/or syllabi. These institutions must be approved by the U.S. Department of Education and hold either professional or national accreditation, as verified by the Council for Higher Education Accreditation (CHEA). The Council for Higher Education Accreditation provides a searchable database of colleges and universities and their accreditations.
3. Pace University will accept transfer credit from post-secondary level international institutions that are formally recognized by their country's ministry of education or its equivalent.
4. Pace University will accept transfer credit from institutions that have entered into transfer credit articulation agreements with the University.
5. Pace University recognizes the achievements of students as represented by their successful completion of exams through the College Board's Advanced Placement (AP), College Level Examination Program (CLEP), the International

Baccalaureate (IB) program, the French Baccalaureate Program, and General Certificate of Education Advanced Level Exams (GCE). Depending on the exam and the score achieved, students may earn credit applicable towards the Core Curriculum, major requirements, or elective requirements of their chosen major.

6. Pace University offers assessment of prior learning, including credit by examination, experiential learning assessment, acceptance of American Council on Education recommended credit, and acceptance of National College Credit Recommendation Service recommended credit.
7. Pace University will accept results of acceptable performance on standardized proficiency examinations. Where a standardized proficiency examination is not available, a Pace University departmental Challenge Proficiency Examination may be administered. The non-refundable cost of each examination is equal to one credit of tuition for each course challenged.

II. Maximum Transfer Credit

1. A maximum of 68 credits may be transferred from accredited two-year institutions toward a baccalaureate degree program. Credit will be granted only for equivalent lower-division and some upper-level courses offered at Pace University as determined by a designated transfer credit evaluator
2. Specific credits are awarded dependent on the specific program the student enrolls in. A maximum of 96 credits may be transferred to a baccalaureate 128 credit degree program from accredited four-year institutions. A maximum of 90 credits may be transferred to a baccalaureate 120 credit degree program from accredited four-year institutions.
3. Up to 30 credits will be accepted for credit earned by completion of standardized examinations (i.e., AP, CLEP, and IB). Credits earned from these examinations are considered lower-division and are counted in the limits listed above.
4. Up to 36 credits may be applied from prior learning assessment portfolios to the following degrees: Bachelor of Science in Professional Studies, Bachelor of Arts in Liberal Studies, Bachelor of Science in Professional Computer Studies, and Bachelor of Business Administration in Business Studies. Students may also apply up to 15 portfolio credits to the other bachelor degrees with permission of the advisers of the school in which the degree is offered.

III. Grade Requirements

Undergraduate transfer credit may be received only for courses taken at regionally accredited institutions in which a grade of C or better was earned (C– grades are not transferable). The grades received at other institutions will not be used in the calculation of the Pace University cumulative grade point average. Credit will also be granted for courses in which a grade of P has been earned as long as the other institution's grading scale clearly indicates the P grade as being equivalent to at least a grade of C (2.0).

IV. Transfer Credit Conversion

Pace University's academic calendar is based on the semester system. College credit is accumulated based on semester hours. If the previous institution attended was not on a semester system, a credit conversion will be required and completed as follows:

- Quarter hour system - A conversion of hours must be completed to reflect the proper number of credits for each course. To convert credit hours to the semester system from the quarter system, multiply by 0.667. The table below reflects the number of semester credits granted for quarter-hour credits.

Quarter Hours	Semester Hours
6	4
5	3
4	2
3	2
2	1
1	No Credit

- Pace University does not offer "half" credit courses. If courses from the previous institution attended did not have whole semester hours, the credit hours of those courses will be rounded down (example: 2.5 credits are rounded down to 2). The contact hours of a half -credit course does not meet the contact hour requirement for a one-credit course at the University. Whenever possible, courses containing half credits will be grouped together to grant the most credit possible to the student.

V. Evaluation of Academic Records and Credit Limitations

Course Equivalency - Courses transferred must be applicable and comparable to corresponding courses in the academic program in which the student is, or will be enrolled in, at Pace University. In cases where the student's program at Pace University provides for electives, the student may receive elective credit toward the degree requirement for courses taken at another institution that are not offered at Pace University.

It is important to note that Pace University awards transfer credits for those courses that are liberal arts in nature, or are applicable to a non-liberal arts program offered at the University (i.e. business, education, social work, etc.). Pace does not award credit for

those courses that are highly specialized or technical such as secretarial courses, automotive repair, or construction technology. The University does not award transfer credit for courses that are designed to give students the necessary background for college-level work. Remedial courses such as basic writing skills, pre-algebra, and English as a Second Language (ESL) are not transferable.

Review of Coursework - Transfer credit evaluations are based upon academic department approval of courses. This process has been automated so that the preliminary transfer credit evaluation can be completed and sent to the student soon after he or she is admitted to the University. Since the process is automated, most of the courses that are transferred to Pace have previously been evaluated by departmental chairpersons and are tracked on the Banner system. The University has a historic record of courses taken at other institutions that have been certified by each of the academic departments as equivalent to Pace University courses. The list of equivalencies can be accessed on the Transfer Credit Equivalencies webpage at <https://appsrv.pace.edu/TCEweb/>. Personnel in the Office of Undergraduate Admission and the Office of Student Assistance may grant transfer credit for introductory courses that can be applied to the University Core Curriculum before academic departmental equivalencies are determined.

Students who have attended non-regionally accredited institutions of higher education may request that their coursework be evaluated for transfer credit. Credit will be evaluated on a case-by-case basis and the student will be expected to provide course descriptions and/or syllabi to assist in evaluating the coursework.

Courses that have not been previously evaluated are sent to the appropriate academic department for credit determination and then added to the Banner system. If the departmental chairperson cannot determine an equivalency after a review of the course description and/or syllabus, the course may be applied as General/Open elective credit depending on the program in which the student is enrolled. Any arts and sciences course that does not have an equivalency may be applied towards the Areas of Knowledge component of the University Core Curriculum or as General/Open electives.

Note: Courses that are repeated at Pace University after transfer credit is applied will result in the removal of the transfer credit from the academic record at Pace University. The only exception will be for students admitted into the Challenge to Achievement at Pace (CAP) program who must complete placement examinations in English and Mathematics (see Transfer Credit for CAP Students statement).

In cases where the same Pace University equivalency has been determined for two courses at different institutions, only one of the courses will be applied to the degree program. Transfer credit will not be given for the second course.

VI. Advanced Placement

Incoming undergraduate students may receive credit through the Advanced Placement program. These tests are administered as early as the sophomore year in high school. Incoming freshman and transfer students who took an AP course in high school must submit their official score reports to be eligible for transfer credit. A list of acceptable scores is available on the Dyson College of Arts and Sciences' webpage under Core Curriculum/Policies.

VII. College Level Examination Program

The College Level Examination Program (CLEP) may be taken by students prior to enrollment or concurrently while at Pace University. CLEP exams are offered in a variety of subjects and represent knowledge gained through coursework as well as through life or work experience. Current students must consult their academic advisor before taking any CLEP exam to ensure the exam will fulfill requirements of their major program. The CLEP score reports should be sent with the application for admission or immediately following completion of the exam. A score of at least 50 is needed to receive credit.

VIII. Residency Requirement

The number of transferable credits is limited by the degree program to which the credits will be applied. All students are required to complete a minimum of 25% of the total number of credits required for their degree "in residency". Therefore if your program requires a total of 120 credits, the residency requirement is 30 credits. For programs that require a total of 128 credits or more, the residency requirement is 32 credits. Students are also required to complete 50% of their major and 50% of their minor requirements at Pace University. A major program is defined as those courses directly related to the student's primary course of study (e.g., accounting, marketing, history, mathematics, computer science, etc.). For students in the Lubin School of Business, the business core requirement in the major field is considered part of the undergraduate major program. In addition, 50% of all business credits required for the BBA degree is to be completed at the University.

IX. Time Limits on Transfer Credit

Normally there is no time limit on the transfer of courses. However, in some subject areas and for some programs, courses taken over ten (10) years previously will not automatically be awarded transfer credit. The appropriateness of the subject matter will be taken into account.

X. Transfer from International College/University

Academic records (transcripts) issued in a language other than English are required to be translated and attested by the institution of origin or an approved evaluation/translation agency accepted by Pace University. Transfer applicants should also submit an official catalog or syllabus of course work from each post-secondary institution attended to receive transfer credit. Course descriptions and syllabi must be translated for review by the appropriate academic department.

Pace University will accept translations and evaluations from World Education Services (WES), Inc., University Language Services, Inc., or a translator/interpreter associated with the American Translator Association (ATA). It is important to ensure that translations and evaluations reflect US equivalency credits and grades to expedite the review of your previous academic records.

International Examinations – Official grade reports should be submitted if French Baccalaureate (higher level only), International Baccalaureate (higher level only), or General Certificate of Education Advanced Level (GCE) examinations have been completed. Credit is awarded based on the subject and the score received.

XI. Transfer Credit for Challenge to Achievement at Pace (CAP) Program Students

Students admitted to Pace University through the CAP program will be placed into required English classes based solely on the results of their performance on Pace University's Writing Placement Exam. Any previously earned credit for college-level English courses, or successful completion of exams through the College Board's Advanced Placement (AP), the College Level Examination Program (CLEP), or the International Baccalaureate (IB) program, will be accepted only as credits towards the General/Open Electives component of the chosen degree program.

XII. Transfer Students with Fewer than 13 Credits

Full-time day students that transfer to Pace University with fewer than 13 credits are required to enroll in a University 101 class in their first semester unless they have received transfer credit for the equivalent of Pace University's UNV 101 course. University 101 is not offered as an evening course.

All exceptions to this policy must be approved in writing by the Office of the Provost. Exceptions will be maintained in the permanent student academic record.

Credit by Examination and Assessment

Prior Learning Assessment

Adult students are likely to have acquired college-level learning outside of the academic classroom. In addition to evaluating transfer credit from prior college work, Pace University offers assessment of prior learning, including credit by examination and experiential learning assessment, and accepts ACE/PONSI-recommended credit.

Experiential Learning Assessment (ELA)

Pace University recognizes that adults often come to school with a great deal of experience and knowledge gained outside of a formal academic setting. Students interested in exploring the possibility of earning college credit for that knowledge should meet with an Adult and Continuing Education adviser to explore the options available. When an adviser determines that a student may be eligible for experiential credit, the student will be encouraged to enroll in a prior learning assessment course (INT 196B). This course will guide the student through the process of writing a portfolio that will be submitted for evaluation to the appropriate academic department. A faculty evaluator reviews the portfolio and, if college-level learning is demonstrated, approves the granting of credits. Credit earned through portfolio assessment is entered on a student's transcript as transfer credit. Students must be enrolled in a degree program; up to 36 portfolio credits* may be applied to the following degrees: bachelor of science in professional studies, bachelor of arts in liberal studies, bachelor of science in professional computer studies, and bachelor of business administration in business studies. Students may also apply up to 15 portfolio credits* to the other bachelor degrees with permission of the advisers of the school in which the degree is offered. The portfolio process may not be completed once the student has obtained 96 credits towards a degree.

*Note there is no guarantee of earning 36 or 15 portfolio credits. The number of portfolio credits earned depends on the individual student's experience and the extent to which that experience is deemed to be equivalent to comparable learning achieved in Pace University coursework.

Challenge Examinations - Undergraduate

Students who believe they have knowledge comparable to what would be gained by successful completion of a particular course at the University may in some cases obtain credit for that course by passing a "challenge examination." Normally such examinations are standardized examinations available through such testing centers as the Education Testing Service (Pace is a participant in both the New York State College Proficiency Examination Program and the College-Level Examination Program). In the absence of a standardized examination, a department may arrange for a special examination. Not every course may be "challenged," but many can be. Please consult the appropriate academic department for details and further information.

Students who receive credit through a Pace University "Challenge Examination" will be charged one credit of tuition for administration of the examination, whether or not credit is earned. Credit earned through a "Challenge Examination" does not satisfy the residency requirement for graduation or apply to enrollment status verification.

CLEP Exams

With CLEP a student can earn college credit for what he or she already knows by passing a 90-minute examination. CLEP examinations measure knowledge of the material usually covered in various classes during the first two years of college. Visit the CLEP website to find an open test center near you.

Click to view a list of Pace University's Required CLEP scores and the course credits awarded for each CLEP exam.

Other Prior Learning Assessment Options

- Pace University may accept or waive credit earned through additional exams, which include: DANTES (DSST- DANTES Subject Standardized Tests), Pace University challenge exams, and Pace University proficiency exams.
- Pace accepts credit recommended by PONSI (Program on Non-collegiate Sponsored Instruction) and ACE (American Council on Education). ACE and PONSI evaluate courses and in-service training sponsored by corporations, unions, and other non-collegiate organizations, and they issue program guides which recommend credit for training deemed equivalent to college courses. Pace also accepts military training program evaluations as listed in the National Guide to Educational Credits, Directory of the National Program on Non-collegiate Sponsored Instruction (PONSI), and Guide to the Evaluation of Educational Experiences in the Armed Services.
- Specific professional licenses or certificates may be accepted as *prima facie* or conventional credit.

Credit Load Policy

Matriculated students who have a cumulative grade point average of at least 2.0 may carry up to six courses, not to exceed 18 credits. Matriculated students who are on academic probation or with a cumulative GPA of less than 2.0 may carry up to four courses, not to exceed 13 credits, including any workshop referrals. Non-matriculated students may carry up to three courses, not to exceed 10 credits, provided they maintain a cumulative GPA of at least 2.0. Non-matriculated students on academic probation are limited to two courses, not to exceed eight credits. A maximum of two courses, not to exceed eight credits, is permitted in each Summer Session. A maximum of four credits in any single intersession term is permitted.

Students are advised to assume credit and course loads that consider the time and energy demands imposed by employment and other outside responsibilities, and should limit their program of study to four courses, not to exceed 13 credit hours, provided they maintain a cumulative GPA of at least 2.0. Those on scholastic probation who have substantial outside responsibilities should limit their course load to two courses, not to exceed eight credits, including any workshop referrals. Any exception to the above credit load policy must be approved by the dean of the school in which the student is enrolled.

Note: A required remedial workshop has the demands and responsibilities equivalent to a two to three credit course, and should be considered as such when determining how many credit hours to register for, and how much time outside of the classroom will be needed to handle your academic responsibilities.

Double Major/Dual Degree

Students with a strong academic record, generally a 3.00 or higher cumulative GPA, may elect to take a second major with the approval of the department chair of the second major and the dean of the school of the first major. If the two majors have the same degree (BA, BS or BBA), regardless of college/school, then the requirements for both majors need to be fulfilled. Depending upon the two majors selected, students may be able to fulfill the requirements for both majors without exceeding 128 credits.

If the two majors are different degrees (i.e. dual degrees e.g., BBA marketing and BA speech communication), then in addition to fulfilling all course requirements for both majors and degrees, a minimum of 32 credits is required to be completed beyond the requirements for the first degree or a minimum total of at least 160 credits for both degrees.

Minors

Many bachelor degree programs allow students to select a minor as part of their academic preparation. Minors are offered in a variety of academic areas. At least one-half of the credits in the minor must be completed at Pace. Interested students should refer to the appropriate college/school sections of this catalog for specific requirements.

Placement and Registration

Academic Advisement

Prior to each registration period, faculty advisers, academic advisers, and Adult and Continuing Education advisers are available to help students plan their programs.

Although advisers will lend assistance, the responsibility for academic planning rests primarily with the student. A student should become familiar with the requirements for the program in which he or she are registered and initiate conferences with the appropriate adviser. Before registering, however, students must submit their course selections to their advisers for approval.

Placement Testing

The University is committed to helping each student achieve academic success. Through careful advisement and review of prior academic record, a student may take placement tests in subjects such as writing, mathematics, and possibly a second language.

The purpose of placement testing is to ensure new students enroll in coursework for which they are prepared. Pace uses several factors, including AP credit, transfer credit, and placement tests administered prior to Orientation to make sure you take appropriate classes.

All placement testing is online and can be accessed via computer through the Pace website

(<https://www.pace.edu/placementtesting>). Read carefully below to see which of our online placement tests you should take. Consult with an advisor if you have questions about which tests you need to take.

ENGLISH

Incoming first-year students must take the online English placement test. This test requires students to write an essay.

Transfer students who have been notified should take the English Placement Test.

- **New York City Transfer Students:** If you are required to take a placement test, you will be notified by the Office of Undergraduate Admission. The placement test should be taken at least two days prior to the Transfer Orientation date for which you have registered.
- **Westchester Transfer Students:** If you are not receiving Pace credit for an English class from another institution, you will need to take the English placement test. If you don't know if you need to take the English placement test, consult with your Academic Advisor.

All students will be evaluated on their ability to organize and develop ideas, to sustain an argument, and to use correct spelling and grammar. Students may place out of ENG 110, which starts the core course of study, after evaluation of appropriate transfer credit or AP credit, writing sample, and verbal SAT scores by the English department on each campus.

Please note: Students admitted to Pace through the Challenge to Achievement at Pace (CAP) Program will be placed into required English classes solely on the results of their performance on Pace University's English Placement Exam. Any previously earned credit for college-level English courses, or successful completion of exams through the College Board's Advanced Placement (AP), the College Level Examination Program (CLEP), or the International Baccalaureate (IB) Program, will be accepted only as credits toward the General/Open Electives component of the chosen degree program.

English as a Second Language (ESL) Placement

The English Placement Test determines where an ESL student begins in the sequence of ENG 099A (noncredit), ENG 100A, (4 elective credits), ENG 110A (3 credits) and ENG 120A (4 credits). The test results will also suggest which other courses and how many credit hours the student may attempt. These courses are intended primarily for students who have attended secondary school in countries where English is not the first language.

MATHEMATICS

Incoming first-year students will take the online mathematics placement test to determine the appropriate mathematics course to take in their first semester. Questions range from word problems to trigonometry and pre-calculus. Students may use calculators.

Even if a student has pending AP credit or college transfer credits, they should take the mathematics placement test. Mathematics placement will be reevaluated upon receipt of official AP scores or appropriate college transcripts.

Transfer students who have been notified should take the Mathematics placement test.

- **New York City Transfer Students:** If you are required to take a placement test, you will be notified by the Office of Undergraduate Admission. The placement test should be taken at least two days prior to the Transfer Orientation date for which you have registered.
- **Westchester Transfer Students:** Please contact your Advisor for information. If your Advisor has told you to take the Mathematics placement test, please take the test.

MODERN LANGUAGES

All students with two or more years of high school study in Chinese, French, Italian, Russian, or Spanish **who plan to continue their study of the same language** in their first semester must take the online placement test prior to Orientation to determine the appropriate level of college study. **The test may only be taken once.** Test scores remain valid for one year.

Students with less than two years of high school study in a language will automatically be placed in the 101-level course in their chosen language and don't need to take the placement test.

Students who demonstrate proficiency in a second language by taking the SAT II exam prior to enrollment will be exempt from having to take a foreign language course as part of their Core Curriculum requirement. Students who qualify for this exemption will not be granted college credit.

International students who have graduated from a high school where English is not the language of instruction are exempt from the second language requirement.

If you have questions please contact the Center for Academic Excellence at (212) 346-1386 for the NYC campus or (914) 773-3510 for the Pleasantville campus.

ACCOMMODATED PLACEMENT TESTING

If you have a disability that requires accommodations, please contact the Student Accessibility Services (SAS) on the campus you will be attending prior to your Orientation. SAS recommends contacting the office as soon as you register for Orientation.

- New York City Campus Student Accessibility Services: (212) 346-1526
- Pleasantville Campus Student Accessibility Services: (914) 773-3710

COLLEGE CREDIT AND ADVANCED PLACEMENT (AP) COURSE EQUIVALENCY

If you have taken college courses for credit or have participated in a dual enrollment or Bridge program, **please be sure to have all official college transcripts forwarded to the Office of Undergraduate Admission** for evaluation. Prior credit will only be evaluated once your official transcript has been received. A minimum score of 4 is required on all AP exams with the exception of the Computer Science A and Computer Science AB exams: a score of 3 or above is acceptable for these.

Speech Clinic Referrals

Students who do not achieve minimum departmental standards in SPE 100, 101, SPE 102 or SPE 102A may be referred to the Speech and Hearing Center for a speech evaluation. Referred students may be assigned to Speech Clinic (SPE 050, 052) for individual or group remedial speech services. An assigned student must register for Speech Clinic in the semester following the referral. A grade of Incomplete-Referral (IR) with a provisional letter grade is given to students in the course from which they were referred. The I-R grade is removed when the student registers for the Speech Clinic. However, they may be required to take more than one semester of the Speech Clinic.

Immunization Compliance

Measles, Mumps, and Rubella

Students born after December 31, 1956, who are registered in a degree or certificate program and enrolled for six credits or more in one semester, are required by New York State Public Health Law § 2165 to provide Pace University with proof of immunity to measles, mumps, and rubella within thirty days of the first scheduled day of classes in the first semester in which they are enrolled:

Proof of Immunity. There are several forms of acceptable proof of immunity, but only one form of proof of immunity for each disease is required.

Measles. Proof of immunity to measles may be established by one of the following forms of immunity:

- The student must submit proof of two doses of live measles vaccine: the first dose given no more than four days prior to the student's first birthday and the second at least twenty-eight days after the first dose; or
- The student must submit serological proof of immunity to measles. This means the demonstration of measles antibodies through a blood test performed by an approved medical laboratory; or
- The student must submit a statement from the diagnosing physician, physician assistant or nurse practitioner that the student has had measles disease; or
- The student must submit proof of honorable discharge from the armed services within ten years from the date of application to the University. The proof of honorable discharge shall qualify as a certificate enabling a student to attend the institution pending actual receipt of immunization records from the armed services; or
- If a student is unable to access his/her immunization record from a health care provider or previous school, documentation that proves the student attended primary or secondary school in the United States after 1980 will be sufficient proof that the

student received one dose of live measles vaccine. If this option is used, the second dose of measles vaccine must have been administered within one year of attendance at the University.

Mumps. Proof of immunity to mumps may be established by one of the following forms of proof of immunity;

- The student must submit proof of one dose of live mumps vaccine given no more than four days prior to the student's first birthday; or
- The student must submit serological proof of immunity to mumps. This means the demonstration of mumps antibodies through a blood test performed by an approved medical laboratory; or
- The student must submit a statement from the diagnosing physician, physician assistant, or nurse practitioner that the student has had mumps disease; or
- The student must submit proof of honorable discharge from the armed services within ten years from the date of application to the University. The proof of honorable discharge shall qualify as a certificate enabling a student to attend the University pending actual receipt of immunization records from the armed services.

Rubella. Proof of immunity to rubella may be established by one of the following forms of proof of immunity:

- The student must submit proof of one dose of live rubella vaccine given no more than four days prior to the student's first birthday; or
- The student must submit serological proof of immunity to rubella. This means the demonstration of rubella antibodies through a blood test performed by an approved medical laboratory; or
- The student must submit proof of honorable discharge from the armed services within ten years from the date of application to the University. The proof of honorable discharge shall qualify as a certificate enabling a student to attend the University pending actual receipt of immunization records from the armed services.

Beginning on the thirty-first day after classes begin, students who failed to provide one form of proof of immunity as described above for each disease will not be permitted to continue their attendance at the University and will be administratively withdrawn from the University. Attendance means the physical presence of the student at the University. Thus, students who fail to provide one form of proof of immunity for each disease by the thirty-day deadline will not be permitted, for example, to be on campus, or attend classes or any other curricular or extracurricular events, or be present in University housing. The time period may be extended to forty-five days if a student is from out of state or from another country and can show a good faith effort to comply with the requirements above of New York State Public Health Law § 2165, or when a disease outbreak occurs. If an extension is granted by the University, students who have not complied with New York State Public Health Law § 2165 by the forty-fifth day will not be permitted to continue their attendance at the University beginning on the forty-sixth day after classes began.

Students who are administratively withdrawn are responsible for all charges incurred during the semester up to the date they are administratively withdrawn. In addition, students will receive a withdrawal grade ("W") for each course in which they are enrolled on the date they are administratively withdrawn.

Students who do not provide one form of immunity for each disease as identified above within thirty days but are enrolled only in online courses, will not be administratively withdrawn from the University. Such students will be permitted to continue their online courses but will not be permitted for any reason to be on campus, or attend classes or any other curricular or extracurricular events, or be present in University housing.

Exemptions from Immunization Requirements

There are circumstances under which a student may be exempt from immunization requirements.

Medical Exemption

If a licensed physician, physician assistant, or nurse practitioner, or licensed midwife caring for a pregnant student, certifies in writing that the student has a health condition which is a valid contraindication to receiving a specific vaccine, then a permanent or temporary (for resolvable conditions such as pregnancy) exemption from the immunization requirements may be granted by the University. The certification must specify those immunizations which may be detrimental and the length of time they may be detrimental. In the event of an outbreak of measles, mumps or rubella, medically exempt individuals may be excluded from classes and other curricular and extracurricular events, University housing, and/or campus in order to protect them from exposure.

Religious Exemption

A student may be exempt from vaccination if, in the opinion of the University, the student or the parent or guardian of a student less than eighteen years old holds genuine and sincere religious beliefs which are contrary to the practice of immunization. The student requesting exemption from the immunization requirements may or may not be a member of an established religious organization. Requests for exemptions must be in writing and signed by the student if eighteen years of age or older, or the student's parent or guardian if the student is under eighteen. The University may, in its sole discretion, require documents that support the request for a religious exemption. In the event of an outbreak of measles, mumps or rubella, religiously exempt individuals may be excluded from classes and other curricular and extracurricular events, University housing, and/or campus in order to protect them from exposure.

Meningococcal Meningitis Disease

Students of any age who are registered to attend classes and are enrolled for six credits or more in one semester are required by New York State Public Health Law § 2167 to satisfy one of the following two options within thirty days of the first scheduled day of classes in the first semester in which they are enrolled:

- Certificate of immunization for meningococcal meningitis disease; or
- A response to receipt of meningococcal meningitis disease and vaccine information provided by Pace University and signed by the student or, if the student is under eighteen years of age, by the student's parent or guardian; **and one of the following two options:**
 1. Self-reported or parent recall of meningococcal meningitis immunization within the past ten years; or
 2. An acknowledgement of meningococcal meningitis disease risks and refusal of meningococcal meningitis immunization signed by the student or, if the student is under eighteen years of age, by the student's parent or guardian.

Beginning on the thirty-first day after classes began, students who failed to satisfy one of the two options described above will not be permitted to continue their attendance at the University and will be administratively withdrawn. Attendance means the physical presence of the student at the University. Thus, students who fail to satisfy one of the two options by the thirty-day deadline will not be permitted, for example, to be on campus, or attend classes or any other curricular or extracurricular events, or be present in University housing. The time period may be extended to sixty days if a student can show a good faith effort to comply with the requirements above of New York State Public Health Law § 2167. If an extension is granted by the University, students who have not satisfied one of the two options above within sixty days will not be permitted to continue their attendance at the University beginning on the sixty-first day after classes began.

Students who are administratively withdrawn are responsible for all charges incurred during the semester up to the date they are administratively withdrawn. In addition, students will receive a withdrawal grade ("W") for each course in which they are enrolled on the date they are administratively withdrawn.

Students who do not satisfy one of the two options described above within thirty days but are enrolled only in online courses, will not be administratively withdrawn from the University. Such students will be permitted to continue their online courses but will not be permitted for any reason to be on campus, or attend classes or any other curricular or extracurricular events, or be present in University housing.

Registration Policies

Registration instructions are included in the Schedule Book, which is available online at www.pace.edu/osa.

Registration Appointment Time

The first day in which a student may register for a given semester, whether in person or via their MyPace Portal account. The registration appointment time is determined by a student's classification (see: Student Classification (p. 16)).

Holds

Students who have registration holds cannot register for courses; they can only drop courses in person. Holds are placed on students' files by various departments. In the event that a hold is indicated, the student should contact the appropriate department for instructions on how to clear it. Students should refer to their MyPace Portal account for a current listing of holds.

Closed Classes

Up through the first seven calendar days of a typical Fall, Spring, or Summer term, students may enter a closed class that has not reached room capacity only with permission of one of the following: the department chair, the assistant/associate dean, or the advising office of the school/college in which the course is offered. After this time, the student needs the permission of the instructor and one of the following: the department chair, the assistant/associate dean, or the academic advising office* of the school/college in which the course is offered. Permission from the instructor and the assistant/associate dean is not guaranteed, and the Office of Student Assistance may reserve the right to decline any attempts at registration after the late registration period has ended for any given semester.

*For non-matriculated students, your adviser may be found in the Office of Undergraduate Admission.

Late Registration Fee

The time period starting on the first day of classes for the Fall, Spring, or Summer session term, where any initial registrations by continuing students **will result in a late registration fee**. New students will not incur a late registration fee.

Maximum Credit Hours (Undergraduates)

A student who wishes to register for credits that exceed maximum credit hours allowed must request approval from the dean of his/her school and register in person with permission, after their appointment time, with the Office of Student Assistance on their home campus.

Open Classes

Up through the first seven calendar days of a typical Fall, Spring, or Summer term, students may register in the normal manner, either in person or via their MyPace Portal. During the eighth through fourteenth day of a typical Fall or Spring term, the student needs permission of the instructor, chairperson, and academic advisor, and must register in person at the Office of Student Assistance. After the fourteenth day, or the seventh day of a typical Summer term, the student needs permission of the instructor and the assistant/associate dean or the academic advising office of the school or college in which the student is enrolled, provided there is ample seating capacity remaining in the course. Permission from the instructor and the assistant/associate dean is not guaranteed, and the Office of Student Assistance may reserve the right to decline any attempts at registration after the late registration period has ended for any given term.

Student Classification

A student's classification is determined by how many credits the student has earned:

Freshman:	0 – 31 credits
Sophomore:	32 – 63 credits
Junior:	64 – 95 credits
Senior:	96+ credits

Student Enrollment Status (per semester)

An undergraduate student who is taking anywhere from 1 to 11 credits is considered a part-time student, whereby an undergraduate student who is taking 12 or more credits is considered a full-time student. A graduate student who is taking anywhere from 1 to 8 credits is considered a part-time student, whereby a graduate student who is taking 9 or more credits is considered a full-time student.

Time Conflict

A student may request permission to register for a course that overlaps in time with another course. The signatures of both the instructor of the new desired course and the Assistant/Associate Dean of the school/college of the student's major are required. The student may register in person, with approval, after their registration appointment time with the Office of Student Assistance on their home campus.

Withdrawal Policy

Students receive no credit for courses they discontinue. Withdrawal after the second week of class in a 14- or 15-week semester or its equivalent will result in a grade of “W” which will not affect the student's GPA. Withdrawals are permitted prior to the dates indicated:

Term Length:	Withdrawal Without Permission End of:	Withdrawal With Permission During the:
Regular 14/15/16 semester	8th week of class	9 th and 10 th week of class
Two-track (7 Weeks)	2nd week of class	3 rd week of class
One-week term	4 th day of class	5 th day of class
Two-week term	1 st week of class	8 th - 9 th day of class
Three-week term	12 th day of class	13 th - 16 th day of class
Four-week term	2nd week of class	15 th – 19 th day of class
Five-week term	19 th day of class	20 th – 26 th day of class
Six-week term	3rd week of class	4 th week of class
Six-weekend modules	2nd week of class	15 th – 19 th day of class
Intensive weekend	1st day of class	2 nd day of class
Seven-week class	26 th day of class	27 th – 33 rd day of class
Eight-week class	4 th week of class	5 th week of class
Nine-week term	33 rd day of class	34 th – 40 th day of class
Ten-week term	5 th week of class	6 th week of class
Eleven-week term	40 th day of class	41 ^h – 47 th day of class
Twelve-week term	6 th week of class	7 th week of class
Thirteen-week term	47 th day of class	48 th – 54 th day of class

A “Withdraw With Permission”, requires the permission of the instructor of the course and the Assistant/Associate Dean of the school in which the student is matriculated. Students who do not withdraw online or file for withdrawal with the Office of Student Assistance within these times will continue to be registered for the course(s) and will be assigned an “F” in the course(s) affected if they have not completed the requirements of the course(s). Under exceptional circumstances, a student may withdraw without academic penalty from a class after the established time limit, but only with permission from the school that administers the student’s academic major, in consultation with the school from which the course originates. Withdrawals are not permitted after a degree has been awarded. Please consult the most current undergraduate/graduate catalog for complete information regarding University policies and regulations.

Note: It is the student’s responsibility to withdraw from courses he or she has registered for. Failure to officially withdraw will result in tuition liability. Students may withdraw online through the MyPace Portal or by filing with the Office of Student Assistance. Non-attendance of classes, informing the instructor of withdrawal, or stopping payment on a check does not constitute official withdrawal and does not relieve the student of his or her financial obligation, or entitle the student to a refund. A student who registers and does not attend class remains fully responsible for all financial obligations.

Courses

Auditors (Students)

A student may enroll in a class as an auditor; however full tuition is paid to audit, while no grade or credit for the course is received. The student’s transcript will be annotated with a grade of AUD. Students applying for an audit elective must complete the appropriate form(s) at www.pace.edu/paperless within the first two weeks of a regular semester and within the first week of a summer session.

Auditors (Alumni)

Alumni of Pace University programs are eligible to audit certain undergraduate and graduate classes, subject to the approval of the instructor and to space limitations. Alumni may take one course per term on an audit basis. Tuition and the general institution fee are waived. The graduate is responsible for any course fees; such as, lab fees, clinical fees or special course fees. Students must have the necessary background of prerequisites for admission to courses. Interested alumni should file an Alumni Auditor

Application at www.pace.edu/paperless beginning the first day of classes of the desired semester. The University reserves the right to restrict particular courses at any and all campuses.

Undergraduate alumni must have earned a Pace University bachelor's degree and may audit undergraduate courses only. Undergraduate associate degree and certificate recipients do not qualify for the Alumni Audit Program. Graduate alumni, master degree, doctoral degree, and post-master certificate recipients of Pace University may audit selected graduate and undergraduate courses.

Courses taken through the Alumni Audit Program will be recorded on a student's transcript with a grade of AUD and will carry no grade points towards a GPA calculation of any kind.

Canceled Courses

Courses and/or sections of courses may be cancelled by the University at its discretion.

Class Attendance Policy

Classroom instruction provides an educational experience that allows students to benefit from the guidance and abilities of the instructor, as well as the exchange of values and ideas among others in the class. For that reason, class attendance is important. Each instructor is authorized to establish a class attendance policy for his or her course in a manner that recognizes the occasional circumstance preventing a student from attending class while also ensuring the maintenance of educational standards and the likelihood that the student will meet course requirements.

Class Admission

Admittance to courses listed in the semester class schedule shall be subject to the current admission policy of Pace University. Receipt of the semester class schedule or University catalog does not imply acceptance of new or former students who do not meet current academic standards. A student may not enter a class unless proper registration procedures have been followed. Students may register without special permission through the Late Registration period. After this date, registration is not guaranteed, and will require appropriate signatures and in person registration, to be considered.

Class Examinations

Students who have two (2) scheduled final exams at the same time or more than two (2) exams on the same day may apply to take one of these exams on a separate date. The student must file an application with the department for the course they wish to take as a conflict exam.

Conflict Examinations

Students who have two (2) scheduled final exams at the same time or more than two (2) exams on the same day may apply to take one of these exams on a different date. The student must file an application with the departmental secretary (PLV) or OSA (NYC) for the course they wish to take as a conflict exam. The required form is downloadable from the Final Examination website.

Course Numbers

Each course has a subject, a course number and a title. The numeric value represents the academic level of the course, namely undergraduate, graduate, doctoral or Law. The University's course numbering system is as follows:

000-099	Adult and Continuing Education and Zero Credits
100-499	Undergraduate courses
500-999	Graduate/Doctoral/Law

Course Restrictions

Independent Study, Unscheduled Tutorials and other courses are restricted from Web registration as noted in the class schedule. Students may request entry to these courses, and, if approved, register after their registration appointment time with the appropriate departmental signatures in person at the Office of Student Assistance on their home campus. Approval is not guaranteed.

Course Waivers

A student unable to take courses required by his or her major because he or she is ineligible to participate may resolve the difficulty in one of the following ways:

- The student may seek a waiver to substitute another course for the one that presents the difficulty.
- The student may seek a waiver to fulfill these requirements with equivalent work done independently. He or she must obtain a waiver of the requirement(s) from the department in which the course is offered, and should then proceed to register as described above for independent study. The 3.00 QPA requirement also applies to students taking an independent study under these circumstances, and a waiver should only be considered on an exception basis. The student's transcript will show credit received for independent study, not for the required course. The "Application for Waiver or Substitution" must be approved by the Assistant/Associate Dean of the school in which the student is matriculated and by the Chairperson of the department of the waived course. If the course to be waived is part of the University Core Curriculum, it must also be approved by the Office of the Dean of the Dyson College of Arts and Sciences.

Deferred Examinations

(Absence from a Final Exam)

Students are permitted to take a deferred examination with the approval of their instructor for compelling reasons only, such as illness, emergencies, or other exceptional circumstances. Students who have sufficient reason to request a deferred examination are required to complete a deferred examination application form and have it approved by their instructor. The student must file an application through the departmental secretary (PLV) or OSA (NYC) for the course they wish to take as a deferred exam. The required form is downloadable from the Final Exam website. If the instructor is not available, students should contact the appropriate academic department for assistance. After obtaining the necessary signature(s), students must then submit the approved form to the Office of Student Assistance and pay the required fee of \$35.00 for one exam or \$50.00 for two or more exams.

Dates for all Deferred Examinations for both New York City and Westchester campuses are to be determined.

Designated Lecture Section

A designated lecture is a class with 60 or more enrolled students.

Independent Study

Independent study is intended to encourage qualified students to undertake research and study beyond normal course offerings. It is open to juniors and seniors with a QPA of 3.0 or better. A student may register for a maximum of 6 credit hours of independent study in a given semester. In each case, a research paper or project will be required. Independent study may not be used to receive credit for a course listed in the Undergraduate Catalog. The independent scholar will work under the direct supervision of a faculty member specifically qualified in the area of the student's interest. The area proposed for independent study need not be drawn from fields already offered in the curriculum, provided it constitutes a reasonable supplement to work already undertaken.

A student considering registering for independent study should consult with the appropriate department chair and/ or the faculty member with whom he or she is interested in working. The "Independent Study Application" may be obtained from the Office of Student Assistance's Paperless Form website. It should be completed by the student in consultation with the proposed supervising instructor. The student and instructor should agree on the description of the project and on the method of appraisal and grading, number of contact hours, due date, etc. The completed application should then be submitted for approval to the Department Chairperson and Assistant/Associate Dean of the school in which the independent study is undertaken.

After the application has been approved, the student submits the application to the Office of Student Assistance to process the course registration. Students must complete registration for independent study by the second week of the semester.

Intersession Courses

Courses are offered during the month of January, Early Summer I, and Late Summer II on a limited basis. Intersession courses run anywhere from two weeks to four weeks long, and a student may take a maximum of four credits in any single intersession term.

Lab/Lecture Courses

Some lecture courses require a lab component, which will be listed as a separate class with its own CRN number in the semester class schedule. The CRN numbers for both the lecture class and the lab component must be used during registration in order to be registered for the class.

Out-of Division Courses

Students who wish to register for Out-of Division courses will be required to register in person at the Office of Student Assistance on their home campus. Graduate students may register for undergraduate courses without approval. An undergraduate student must request written permission from Assistant/Associate Dean and the Dean for the graduate course in order to register.

Out-of Major Courses

Certain courses are offered for specific majors only. A student may request written permission to register for an Out-of Major course from the Chairperson of the department offering the course. If approved, the student may register in person at the Office of Student Assistance on their home campus.

Pass-Fail (Undergraduate)

Students with 60 credits and a cumulative QPA of at least 2.5 may take one elective course per semester pass-fail. Core courses and major courses are excluded. Not more than four courses toward the degree may be taken on a pass-fail basis. Only a grade of "F" will be computed into the QPA. Students must notify the Office of Student Assistance of their intent to take a course pass-fail within the first two weeks of a fourteen- or fifteen-week term, or the first week of a four-, six-, or seven-week session.

Permission to Enroll in a Course at Another Institution

Undergraduate degree students who are in good academic and financial standing at Pace University may apply to take a maximum of 12 credits of approved course work at other accredited colleges and universities subject to the following conditions:

1. Students are required to obtain permission using the form "Permission to Enroll in a Course at Another Institution" Students are to obtain approval first from the school or college at Pace which offers their major. They are then required to have each course that they plan to take approved in advance by the appropriate Pace academic department. Students are to provide a copy of the course description for each course that they plan to take. Courses that have been pre-approved by Pace academic departments for transfer purposes may be approved by the college or school that offers the student's major without additional departmental review.
2. Students must have the form "Permission to Enroll in a Course at Another Institution." approved as indicated in step one above and then submitted to the Office of Student Assistance prior to taking the course at another institution. Courses will not be approved retroactively.
3. Students who have completed 68 or more credits toward their degree (including Pace and transfer credits) may not take courses at a two-year institution.
4. Study abroad and other Pace-approved internship programs and off-campus programs are not subject to this policy. Students planning to study abroad are advised to contact the Office of International Programs and Services on their home campus for detailed information related to course approvals and how the courses will be annotated on their Pace University academic record.
5. Students may not study at another institution during a term in which they are enrolled at Pace University. Exceptions are permitted by the student's college or school, if a required course is not being offered at Pace University.
6. Only courses in which a grade of "C" or better is earned will be accepted in transfer. Courses completed at another institution may not be used for re-computation of Pace grades. Upon completion of each course, students are required to have an official transcript sent from the other institution to the Pace University Office of Student Assistance. All other policies related to transfer credits, as they appear in the University catalog, remain in effect.
7. Students may request and receive permission to take a course at another institution, which they have previously taken at Pace without attaining a passing grade. The course will be considered for transfer credit only (provided the student attains a grade of "C" or better) and may not be used to recompute the failing grade at Pace.

Prerequisite Policy

Before registering for a course, students should verify that they satisfy all prerequisites. Students who do not satisfy the prerequisites for a course will generally not be allowed to continue in the course. Waivers of prerequisites may be granted by the appropriate academic department for substantive reasons. Students who have taken courses at another college or university should have these courses evaluated before registering for courses in the same discipline at Pace.

Religious Beliefs and Attendance

Pace University offers reasonable accommodation of students' religious beliefs. No person shall be expelled from or be refused admission as a student to Pace University for the reason that he or she is unable, because of his or her genuine and sincere religious beliefs, to register for or attend classes or to participate in any examination, course or work requirements on a particular day or days. Any student at Pace University who is unable, because of his or her religious beliefs, to attend classes on a particular day or days shall, because of such absence on the particular day or days, be excused from any examination or any course or work requirements. It shall be the responsibility of the student who must be absent to provide reasonable advance notice to the faculty member teaching the course or the appropriate administrative official. It shall be the responsibility of the faculty and of the

administrative officials of Pace University to make available to each student who is absent from school with appropriate advance notice because of his or her religious beliefs, a reasonable equivalent opportunity to register for classes or make up any examination, course or work requirements which he or she missed because of such absence on any particular day or days. No fees of any kind shall be charged by Pace University for making available to the said student such equivalent opportunity.

If registration, classes, examinations, course or work requirements are held on Friday after 4:00 p.m. or on Saturday, similar or makeup classes, examinations, course or work requirements or opportunity to register shall be made available on other days, where it is reasonable and practicable to do so. No special fees shall be charged to the student for these classes, examinations, course or work requirements or registration held on other days.

In effectuating the provisions of this section, it shall be the duty of the faculty and the administrative officials of Pace University to exercise the fullest measure of good faith. However, a reasonable make-up opportunity need not necessarily be the one preferred by or most convenient for the student. No adverse or prejudicial effects shall result to any student because of his or her availing himself or herself of the provisions of this section.

Speech Clinic Referrals

Students who do not achieve minimum departmental standards in SPE 100, 101, SPE 102 or SPE 102A may be referred to the Speech and Hearing Center for a speech evaluation. Referred students may be assigned to Speech Clinic (SPE 050, 052) for individual or group remedial speech services. An assigned student must register for Speech Clinic in the semester following the referral. A grade of Incomplete-Referral (IR) with a provisional letter grade is given to students in the course from which they were referred. The I-R grade is removed when the student registers for the Speech Clinic. However, they may be required to take more than one semester of the Speech Clinic.

Textbook Information

To view textbook information, logon to Blackboard through the MyPace Portal at <https://portal.pace.edu>.

Tutorials

Tutorials are regularly scheduled courses that are under-enrolled by normal standards, but which, at the discretion of the dean and with the consent of the instructor, are retained on a tutorial basis. In these circumstances, New York State regulations require that the objectives and usual conduct of the course remain unchanged. Students' academic transcripts will record the course name and number as listed in the Undergraduate Catalog and class schedule. Students must complete registration for tutorials by the second week of the semester.

Undergraduates in Graduate Courses

Pace undergraduate students in their junior and senior years who have a minimum cumulative quality point average of 3.00/3.25 (depending on the college/school in which the course is to be taken) may petition to register for a graduate course for which they have the prerequisites. Students must receive written permission from the chair or dean (depending on the program) of the department offering the graduate course. A maximum of two courses (6–8 credits) may be counted toward both the undergraduate and a graduate degree. However, the quality points earned in the course(s) will be calculated only in the student's undergraduate QPA.

Video Conference Courses

Pace University's Video Conference Network allows simultaneous instruction at different sites. The technology used by the faculty includes video cameras, TV monitors, sound equipment, and electronic presentation technology.

Disruption of Normal Academic Progress

Double Line Policy

The University is aware that students may experience academic difficulty early in their studies. Former undergraduate matriculated students not enrolled at Pace University for a period of three years, with a cumulative QPA below a 2.0, and who have not attempted more than a total of 60 credit hours who seek reinstatement can apply for a "**Double Line**". With Advisor or Dean(s) approval a Double Line will be drawn across the student's academic record marking this change. All credits earned prior to the approval of the double line, for which passing grades are earned, will remain applicable towards the degree requirements, but will no longer be computed in the cumulative GPA. A minimum of 30 -32 credits (depending upon academic program) **beyond** the double line must be completed at Pace. This policy does not apply to non-matriculated students or those in the Challenge to Achievement Program.

Leave of Absence

For various reasons, students sometimes find it necessary or desirable to interrupt their enrollment at Pace University. The reasons for a leave of absence include, but are not limited to, the following: ¹

- To pursue academic endeavors elsewhere such as studying or conducting research at another institution
- Financial hardship
- An internship
- A serious medical condition of the student's spouse, domestic partner, sibling, parent, child or step-child ²
- Employment obligations

A leave of absence pursuant to this Leave of Absence Policy may commence during a semester or prior to the beginning of a semester and is limited to two consecutive semesters, excluding summer semesters. A student, who is unable to complete the semester and applies for a leave of absence, must also withdraw from the courses in which he or she currently is enrolled and will receive a "W" for each course from which the student withdrew. Although the "W" grades will appear on the student's transcript, they will not affect the student's cumulative quality grade point average. In addition, the student will be subject to the Tuition Cancellation Policy and certain financial aid rules and procedures. (Further information about the impact of a leave of absence on a student's financial aid may be found below under Financial Aid.)

Students who are contemplating a leave of absence are encouraged to speak with their academic advisor prior to submitting a Leave of Absence Application. Academic advisors can provide information about the effect of a leave of absence on such issues as course sequencing and graduation date. After meeting with an academic advisor, in order to apply for a leave of absence, a student must:

- Complete a Leave of Absence Application.
- Submit the completed Leave of Absence Application for approval to the chair of the department in which the student's major is housed, or the assistant or associate dean of the school or college in which the student is enrolled, or the student's academic advisor.
- Submit the completed Leave of Absence Application with the signature of approval to the Office of Student Assistance.
- Provide whatever additional documentation the University may require concerning the student's request for a leave of absence.

Upon returning from a leave of absence, the student must complete a Resumption of Study Application. Information about resuming studies may be found in the Resumption of Study Policy.

Length of a Leave of Absence - Ordinarily, a leave of absence pursuant to this Leave of Absence Policy is limited to two consecutive semesters excluding the summer semesters and may be commenced at any time. For purposes of counting the two consecutive semesters, a leave of absence shall commence at the beginning of the first Fall or Spring semester after the student applies for and approval is granted for a leave of absence. A leave of absence due to non-medical reasons will not be approved for more than two consecutive semesters (excluding summer semesters).

Under certain circumstances, however, a leave of absence due to a serious medical condition of the student's spouse, domestic partner, sibling, parent, child or step-child may be extended for a total of four consecutive semesters (excluding summer semesters). For example, when a student applied for a leave of absence due to the serious medical condition of a parent, the expected time required for the parent to recover from an automobile accident was unknown. Subsequently, due to the prolonged recovery period, the student was unable to resume his or her studies on the date previously approved by the University. Under such circumstances, and following the same procedure set forth above, the student may request an extension of the leave of absence. In order to be eligible for an extension, the student must provide whatever documentation the University may require concerning the reason for the extension. A leave of absence due to a serious medical condition of the student's spouse, domestic partner, sibling, parent, child or step-child will not be approved for more than a total of four consecutive semesters (excluding summer semesters).

Degree Requirements and Graduation Date - Ordinarily, the degree requirements applicable to the student's declared major will not change due to the student's leave of absence. Nevertheless, there are circumstances when the degree requirements or program offerings will change while the student is on a leave of absence, e.g., requirements of the New York State Education Department, accrediting agencies or applicable law.

The time within which a student is required to complete the degree requirements ordinarily will not change because of a leave of absence, although the graduation date may change. For example, a student who is required to complete the degree requirements within eight semesters is scheduled to graduate in May 2016 takes a leave of absence in the Spring 2015 semester. Because of the one-semester absence, the student's graduation date may be postponed one semester until December 2016 at which time he or she will have been enrolled for eight semesters. However, a student's graduation date may be postponed in excess of the number of semesters he or she was on a leave of absence if the student is enrolled in a program with required course sequences and the prerequisite courses are not offered every semester.

Students should check with their academic advisor before submitting a Leave of Absence Application, and again when resuming their studies, about the consequences, if any, of their leave of absence on degree requirements and graduation date.

Transfer Credits Earned During Leave of Absence - Students contemplating taking courses at another college or university during their leave of absence and transferring those course credits to Pace University upon their resumption of studies should consult with their academic advisor before enrolling in courses elsewhere. Transfer credits for such courses must be approved in advance by Pace University; otherwise, they may not be accepted by the University.

Financial Aid - Students on a leave of absence pursuant to this Leave of Absence Policy are considered to be withdrawn from the University for purposes of financial aid. Consequently, loan repayment obligations may be triggered. Students should speak to a representative of the Financial Aid Office for more detailed information about the status of their financial aid during a leave of absence prior to submitting a Leave of Absence Application.

Ordinarily, Pace-funded merit awards will be restored upon a student's resumption of studies after a leave of absence in accordance with this Leave of Absence Policy provided (i) all other requirements for such merit aid are satisfied, and (ii) the student resumes his or her studies by the date identified and approved in the Leave of Absence Application. If a student does not resume his or her studies on or before the date identified and approved in the Leave of Absence Application or obtain an extension of the leave of absence if the student is eligible for one, Pace-funded merit awards may be excluded from future financial aid awards. (Related information about the reinstatement of Pace-funded merit awards may be found in Reinstatement of Pace-funded Merit Award Following a Medical Leave of Absence Policy.)

International Students - The University is legally obligated to report a leave of absence for any reason by a student with an F-1 or J-1 visa to the Department of Homeland Security. Students with an F-1 or J-1 visa who take a leave of absence may not remain in the United States during the leave unless the reason for the leave is an illness that prevents the student from returning to his or her home country and appropriate documentation from a hospital in the United States has been provided.

Students with an F-1 or J-1 visa who are contemplating a leave of absence must first consult with an advisor in the International Students and Scholars Office, and again when they resume their studies after a leave of absence.

1 Information about a leave of absence due to military service may be found in the Military Leave of Absence Policy.

2 Students considering a leave of absence due to their own serious medical condition should consult the Medical Leave of Absence Policy.

Military Leave of Absence

Pace University is required by federal law to readmit students who left the University or did not accept an offer of admission from the University in order to perform military service. The general requirements for readmission after military service are described below.

This Military Leave of Absence Policy (the "Policy") applies only to United States military veterans seeking readmission to the same program in which they were enrolled when they last attended the University. Veterans seeking admission to a different program are not eligible for readmission under this Policy, nor are veterans eligible who began their military leave of absence prior to August 14, 2008.

A student is eligible for readmission if during his or her leave of absence the student performed voluntary or involuntary active duty service in the United States Armed Forces, including service by a member of the National Guard or Reserve on active duty, active duty for training, or full-time National Guard duty under federal authority, for a period of more than thirty consecutive days. In order to be eligible for readmission under this Policy, the cumulative length of the absence and all previous absences from the University for military service cannot exceed five years, including only the time the student spent actually performing military service. Veterans who received a dishonorable or bad conduct discharge are not eligible for readmission under this Policy.

Ordinarily, unless notice is precluded by military necessity, a student (or an appropriate officer of the Armed Forces or official of the Department of Defense) must give written notice to the University Registrar, Office of Student Assistance, of the student's leave for military service as far in advance as is reasonable under the circumstances. To be readmitted students must give written notice to the University Registrar, Office of Student Assistance, of their intent to resume their studies no later than three years after completion of the military service, or two years after recovering from a service-related injury or illness. Students who do not submit a notification of intent to resume their studies within the required time periods may not be eligible for readmission under this Policy, but may be eligible for readmission under the University's Leave of Absence and Resumption of Studies Policies.

After the student provides notice of intent to re-enroll, ordinarily the University must readmit the student into the next class or classes in the same program, with the same enrollment status, number of credits, and academic standing as when he or she was last in attendance at or admitted to the University. The student may also request a later admission date or, if unusual circumstances require it, the University may admit the student at a later date. If the University determines that the student is not prepared to reenter the program with the same academic status where he or she left off, or will not be able to complete the program, the University must make reasonable efforts at no extra cost to the student to enable him or her to resume or complete the program. Reasonable efforts include, but are not limited to, providing a refresher course and allowing the student to retake a pretest as long as they do not place an undue hardship on the University. If, after reasonable efforts by the University, the University determines that the student is not prepared to resume the program where he or she left off, or the University determines that the student is unable to complete the program, or the University determines there are no reasonable efforts the University can take to prepare the student to resume the program or to enable the student to complete the program, the University is not required to readmit the student.

If the program in which the student was previously enrolled is no longer offered, he or she must be admitted to the program that is most similar, unless the student requests or agrees to admission to a different program.

If the student is readmitted to the same program, for the first academic year in which the student returns, unless there are sufficient veterans or other service member education benefits to pay the increased amount of tuition and fees, the student will be charged

the same tuition and fees the student was or would have been assessed for the academic year the student left on a military leave of absence. For subsequent academic years, veterans admitted to the same or a different program may be charged the same tuition and fees as are other students in the program.

For additional information about readmission under this Policy, please contact the Office of Student Assistance, at VeteranAffairs@Pace.edu or 877-672-1830 (option 8).

Medical Leave of Absence

Students sometimes find it necessary or desirable to interrupt their enrollment at Pace University due to their own serious medical condition. A leave of absence pursuant to this Medical Leave of Absence Policy may commence during a semester or prior to the beginning of a semester and ordinarily is limited to two consecutive semesters, excluding summer semesters. A student, who is unable to complete the semester and applies for a leave of absence, must also withdraw from the courses in which he or she currently is enrolled and will receive a "W" for each course from which the student withdrew. Although the "W" grades will appear on the student's transcript, they will not affect the student's cumulative quality grade point average. In addition, the student will be subject to the Tuition Cancellation Policy and certain financial aid rules and procedures. (Further information about the impact of a medical leave of absence on a student's financial aid may be found below under Financial Aid.)

Procedure - Students contemplating a medical leave of absence due to their own serious medical condition should contact the Office of Student Assistance to discuss the procedure and obtain the necessary forms. Students are encouraged to speak with their academic advisor prior to submitting a Medical Leave of Absence Application. Academic advisors can provide information about the effect of a medical leave of absence on such issues as course sequencing and graduation date.

In order to apply for a medical leave of absence, a student must complete a Medical Leave of Absence Application, a Consent for Communication Regarding Request for a Medical Leave of Absence and/or Resumption of Studies after a Medical Leave of Absence, and an Authorization for Information Release. The completed Application, Consent and Authorization must be submitted to the University Registrar, Office of Student Assistance, One Pace Plaza, New York, NY 10038. Upon receipt of these documents, the University Registrar will send a copy of the Authorization and a Treating Healthcare Provider's form to the student's treating healthcare provider in order to obtain information about the condition necessitating a medical leave of absence.

The completed Treating Healthcare Provider's form is to be returned by the treating healthcare provider to the Counseling Center or University Health Care, as the case may be, for review. If the Counseling Center or University Health Care approves the application for a medical leave of absence, the University Registrar will assist in obtaining the other necessary approvals.

Students are required to provide whatever additional information and/or documentation the University may require concerning the student's request for a medical leave of absence.

Upon returning from a medical leave of absence, the student must complete a Resumption of Study after a Medical Leave of Absence Application. Information about resuming studies may be found in the letter granting approval of the medical leave of absence and the Resumption of Study Policy, and from the University Registrar.

On occasion, a student who has a Pace-funded merit award may be incapable of complying with the Leave of Absence Policy in order to obtain an approved leave of absence at the time he or she leaves the University due to medical reasons and, consequently, is ineligible for the reinstatement of the Pace-funded merit award when the student resumes his or her studies. Under such circumstances, and provided the student has been approved to resume his or her studies in accordance with the Resumption of Studies Policy, if the student is denied reinstatement of his or her Pace-funded merit award because of the student's failure to timely comply with the Leave of Absence Policy, the student may appeal the denial to the Reinstatement of Pace-funded Merit Award Committee (the "Committee").

Only if the student demonstrates to the satisfaction of the Committee and the Provost that he or she satisfied each of the following three criteria will the appeal be granted:

- The student was absent for no more than four consecutive semesters (excluding summer semesters), beginning with the first fall or spring semester in which the student did not enroll at the University for medical reasons; and
- Once the student was capable of notifying the University of the reason for failing to comply with the Leave of Absence Policy, he or she followed the requisite procedure of the Leave of Absence Policy and was granted a retroactive leave of absence; and
- An extraordinary medical condition of the student or his or her spouse, domestic partner, sibling, parent, child or step-child reasonably prevented the student from complying with the Leave of Absence Policy in order to obtain an approved leave of absence at the time the student temporarily left the University.

Only upon receipt of sufficient evidence that the student satisfied each of the three criteria above, shall the Committee recommend to the Provost that the appeal be granted and the student's Pace-funded merit award be reinstated on the same terms and conditions as were in effect when the student stopped attending classes. The Provost shall accept the recommendation of the Committee provided he or she determines there is sufficient evidence that the student satisfied each of the three criteria above.

Length of a Leave of Absence - Ordinarily, a leave of absence pursuant to this Medical Leave of Absence Policy is limited to two consecutive semesters excluding the summer semesters and may be commenced at any time. For purposes of counting the two consecutive semesters, a leave of absence shall commence at the beginning of the first Fall or Spring semester after the student applies for and approval is granted for a leave of absence.

Under certain circumstances, however, a leave of absence due to a student's serious medical condition may be extended for a total of four consecutive semesters (excluding Summer semesters). For example, a student may have experienced post-operative complications that resulted in a recovery period longer than was anticipated at the time the student applied for a medical leave of absence. Under such circumstances, and following the same procedure set forth above, the student may request an extension of the medical leave of absence. In order to be eligible for an extension, the student must provide whatever documentation the University may require concerning the reason for the extension. A leave of absence due to a student's serious medical condition will not be approved for more than a total of four consecutive semesters (excluding Summer semesters).

Degree Requirements and Graduation Date - Ordinarily, the degree requirements applicable to the student's declared major will not change due to the student's medical leave of absence. Nevertheless, there are circumstances when the degree requirements or program offerings will change while the student is on a medical leave of absence, e.g., requirements of the New York State Education Department, accrediting agencies or applicable law.

The time within which a student is required to complete the degree requirements ordinarily will not change because of a medical leave of absence, although the graduation date may change. For example, a student who is required to complete the degree requirements within eight semesters is scheduled to graduate in May 2016 takes a medical leave of absence in the Spring 2015 semester. Because of the one-semester absence, the student's graduation date may be postponed one semester until December 2016 at which time he or she will have been enrolled for eight semesters. However, a student's graduation date may be postponed in excess of the number of semesters he or she was on a medical leave of absence if the student is enrolled in a program with required course sequences and the prerequisite courses are not offered every semester.

Students should check with their academic advisor before applying for a Medical Leave of Absence and again when resuming their studies about the consequences, if any, of their leave of absence on degree requirements and graduation date.

Transfer Credits Earned During Medical Leave of Absence - Students contemplating taking courses at another college or university during their medical leave of absence and transferring those course credits to Pace University upon their resumption of studies should consult with their academic advisor before enrolling in courses elsewhere. Transfer credits for such courses must be approved in advance by Pace University; otherwise, they may not be accepted by the University.

Financial Aid - Students on a leave of absence pursuant to this Medical Leave of Absence Policy are considered to be withdrawn from the University for purposes of financial aid. Consequently, loan repayment obligations may be triggered. Students should speak to a representative of the Financial Aid Office for more detailed information about the status of their financial aid during a leave of absence prior to submitting a Medical Leave of Absence Application.

Ordinarily, Pace-funded merit awards will be restored upon a student's resumption of studies after a leave of absence in accordance with this Medical Leave of Absence Policy provided (i) all other requirements for such merit aid are satisfied, and (ii) the student resumes his or her studies by the date identified and approved in the Medical Leave of Absence Application. If a student does not resume his or her studies on or before the date identified and approved in the Medical Leave of Absence Application or obtain an extension of the leave of absence if the student is eligible for one, Pace-funded merit awards may be excluded from future financial aid awards. (Related information about the reinstatement of Pace-funded merit awards may be found in Reinstatement of Pace-funded Merit Award Following a Medical Leave of Absence Policy.)

International Students - The University is legally obligated to report a leave of absence for any reason by a student with an F-1 or J-1 visa to the Department of Homeland Security. Students with an F-1 or J-1 visa who take a leave of absence may not remain in the United States during the leave unless the reason for the leave is an illness that prevents the student from returning to his or her home country and appropriate documentation from a hospital in the United States has been provided.

Students with an F-1 or J-1 visa who are contemplating a leave of absence must first consult with an advisor in the International Students and Scholars Office, and again when they resume their studies after a leave of absence.

Probation and Academic Dismissal

Pace University students are expected to maintain good academic standing. The University considers a cumulative quality point average (CQPA) of 2.0 (undergraduate students only) to be evidence of good academic standing, but specific college/schools or programs may have higher requirements. Please contact school or program administrator for specific program definition of satisfactory progress. Any student who is not making satisfactory academic progress toward the degree is automatically put on academic probation and is reviewed by the academic standards committee of the appropriate college/school. Students are generally allowed one semester on probation to improve their academic performance and to raise their CQPA. However, students with serious or continuing deficiencies will be academically dismissed from the University. If a student is academically dismissed from the University, the dismissal is effective on all Pace campuses.

Students who are academically dismissed from the University are allowed one appeal. Student appeals are made directly to the respective college/school. Students may be reinstated only once through the appeals process. Students who are dismissed for poor academic performance may not register for classes at any of the Pace campuses for at least one full academic year. After this time, a student may apply for reinstatement to his or her college/school on his or her home campus. Please contact school or program administrator for the appropriate reinstatement procedure.

Resumption of Studies

In order to resume their enrollment at Pace University after an interruption due to, among other reasons, a leave of absence pursuant to the Leave of Absence Policy or Medical Leave of Absence Policy, dismissals due to unsatisfactory academic performance, dismissals or suspensions due to disciplinary issues and, in certain circumstances, withdrawals, students must file a Resumption of Studies Application with the Office of Student Assistance.^{1 2}

Procedure - In order to resume their studies at the University, at least three weeks prior to the commencement of the semester in which they wish to resume their studies, subject to the exceptions identified below, students must:³

- Apply to resume their studies on their home campus.
- Complete a Resumption of Studies Application.
- Submit the completed Resumption of Studies Application for approval to the chair of the department in which the student's major is housed, or the assistant or associate dean of the school or college in which the student is enrolled, or the student's academic advisor. Approval given to resume studies may be subject to certain conditions.
- Arrange for official transcripts from any university or college attended since the student's last enrollment at Pace University to be sent to the Office of Student Assistance at the University. (As stated in the Leave of Absence Policy and Medical Leave of Absence Policy, transfer credits for courses taken elsewhere during the leave of absence must be approved in advance by Pace University; otherwise, they may not be accepted by the University.)
- Submit the completed Resumption of Studies Application with the signature of approval to the Office of Student Assistance.
- Clear all "holds" on the student's account, including, without limitation, payment of all past due balances.
- Provide whatever additional documentation or approvals the University may request.
- Students are required to confer with an academic advisor before registering for any courses.

Exceptions to Procedure - In addition to any exceptions in the letter granting a medical leave of absence applicable to students applying to resume their studies after the medical leave, the procedure described directly above is subject to the following exceptions:

- One semester prior to the semester in which they wish to resume their studies, students in the School of Education, the Lienhard School of Nursing and the Physician Assistant Program must submit their completed Resumption of Studies Application to the Dean of the School of Education and Dean of the College of Health Professions, respectively, prior to submitting it to the Office of Student Assistance.
- International students who intend to resume their studies must first confer with a representative of the International Students and Scholars Office at least one semester prior to the semester in which they wish to resume their studies.

Degree Requirements and Graduation Date - Ordinarily, the degree requirements applicable to the student's declared major will not change due to the interruption of the student's studies. Nevertheless, there are circumstances when the degree requirements or program offerings will change while the student is on a leave of absence, e.g., requirements of the New York State Education Department, accrediting agencies or applicable law.

The time within which a student is required to complete the degree requirements ordinarily will not change because of a leave of absence, although the graduation date may change. For example, a student who is required to complete the degree requirements within eight semesters is scheduled to graduate in May 2016 takes a leave of absence in the Spring 2015 semester. Because of the one-semester absence, the student's graduation date may be postponed one semester until December 2016 at which time he or she will have been enrolled for eight semesters. However, a student's graduation date may be postponed in excess of the number of semesters he or she was on a leave of absence if the student is enrolled in a program with required course sequences and the prerequisite courses are not offered every semester.

Students should check with their academic advisor when resuming their studies about the consequences, if any, of the interruption of their studies on degree requirements and graduation date.

Financial Aid - Students interested in financial aid should speak to a representative in the Financial Aid Office about whether they are eligible for financial aid upon their resumption of studies.

Ordinarily, Pace-funded merit awards will be restored upon a student's resumption of studies after a leave of absence in accordance with the Leave of Absence Policy or Medical Leave of Absence Policy provided (i) all other requirements for such merit aid are satisfied, and (ii) the student resumes his or her studies by the date identified and approved in the Leave of Absence Application or Medical Leave of Absence Application. If a student does not resume his or her studies on or before the date identified and approved in the Leave of Absence Application or Medical Leave of Absence Application or obtain an extension of the leave of absence if the student is eligible for one, Pace-funded merit awards may be excluded from future financial aid awards. Pace-funded merit awards are not restored for students resuming their studies after a leave of absence due to a dismissal for academic reasons or a dismissal or suspension for disciplinary reasons. (Related information about the reinstatement of Pace-funded merit awards may be found in the *Reinstatement of Pace-funded Merit Award Following a Medical Leave of Absence Policy*.)

¹ Information about a leave of absence due to military service and resumption of studies may be found in the Military Leave of Absence Policy.

² This Resumption of Studies Policy is not applicable to students who interrupted their enrollment at Pace University, whether or not pursuant to the Leave of Absence Policy or Medical Leave of Absence Policy, and now wish to enroll in the iPace program. For information about the iPace program, including eligibility criteria, please contact iPace@pace.edu.

³ Students resuming their studies after a medical leave of absence must consult and comply with the terms and conditions for resuming their studies set forth in the letter granting them a medical leave of absence. If there is a conflict between this Resumption of Studies Policy and the terms and conditions in the letter, the letter supersedes the conflicting portions of this Policy. Students should contact the University Registrar for clarification about any conflicts as well as for complete information about the procedure for resuming their studies after a medical leave of absence.

Academic Integrity Code

Students are required to be honest and ethical in satisfying their academic assignments and requirements. Academic integrity requires that, except as may be authorized by the instructor, a student must demonstrate independent intellectual and academic achievements. Therefore, when a student uses or relies upon an idea or material obtained from another source, proper credit or attribution must be given. A failure to give credit or attribution to ideas or material obtained from an outside source is plagiarism. Plagiarism is strictly forbidden. Every student is responsible for giving the proper credit or attribution for any quotation, idea, data, or other material obtained from another source that is presented (whether orally or in writing) in the student's papers, reports, submissions, examinations, presentations and the like.

Individual schools and programs may have adopted additional standards of academic integrity. Therefore, students are responsible for familiarizing themselves with the academic integrity policies of the University as well as of the individual schools and programs in which they are enrolled. A student who fails to comply with the standards of academic integrity is subject to disciplinary actions such as, but not limited to, a reduction in the grade for the assignment or the course, a failing grade in the assignment or the course, suspension and/or dismissal from the University. A PDF of the Pace University Academic Integrity Code (www.pace.edu/sites/default/files/files/student-handbook/pace-university-academic-integrity-code.pdf) can be found online through the Student Handbook (www.pace.edu/student-handbook) under the *Policies and Procedures* section.

Grades and Academic Standing

Grading System

A letter grade is awarded as a measure of student performance only by the faculty member assigned to teach a particular course and section. The spectrum of letter grades ranges from A through F, including plus and minus refinements to the letter grades, which are available to allow faculty greater flexibility in the measurement of student performance. The following describes the letter grading system and its descriptive and quantitative (percentage) equivalents. These equivalents are shown only as guidelines for faculty. Specific grading policies should be announced by the instructor in a given course.

Grade	Description	Quantitative
A, A-	Excellent	90-100%
B+, B, B-	Good	80-89%
C+, C	Satisfactory	70-79%
C-, D+, D	Passing	60-69%
F	Failing	0-59%
K	Grade Pending*	None
P	Pass (Pass/Fail Course)	None
W	Authorized Withdrawal	None
I	Work Incomplete <i>becomes F - if not made up within six weeks</i>	None
I-F	Unauthorized withdrawal - <i>not eligible to make up work</i>	0-59%
I-R	Remedial work required	None
SAT	Satisfactory	None
UNS	Unsatisfactory	None
AUD	Auditor - <i>No credit granted for course</i>	None

*In specific courses (usually courses that continue the following semester) or in special circumstances, with the permission of the dean, a grade of K (pending) may be assigned. This extension may not exceed one year from the end of the semester in which the K grade is assigned.

Quality Point System

Each letter grade translates into a numerical equivalent as cited below. The quality point average (QPA) is obtained by dividing the total number of quality points by the number of credits attempted at Pace, including a grade of "F", but not grades of "W", "I-R", "K", "P", "SAT", "UNS", "AUD". A QPA of 2.00 is necessary for graduation.

Grade	Quality Points
A	4.0
A-	3.7
B+	3.3
B	3.0
B-	2.7
C+	2.3
C	2.0
C-	1.7
D+	1.3
D	1.0
F	0.0
I-R	0.0
K	0.0
P	0.0
W	0.0

Incomplete Work

Inability to complete required course work or to take an examination may, at the discretion of the instructor, result in a grade of "I." A maximum of six weeks will be provided to allow the student to complete the required course work or examination. If the course requirements are not completed within the six-week period, the grade of "I" will automatically become an "F" failing grade.

The "I-R" Grade and Referrals

A student in any course in the University who is found to be deficient in basic skills in English or, on the New York City campus, oral communication can be referred for remedial work. In such an instance, the student will receive the grade of "Incomplete-Referral" (I-R) with a provisional letter grade. The I-R grade is for those students who have mastered course content to the level of C or better but who have limited writing or oral deficiencies that can be remediated.

Referral at the end of a semester from any course offered by the University may also be made if a student demonstrated inadequate writing skills in prepared assignments or examinations. A referred student must complete the required remediation in the semester following the referral and may not take any other English course at the same time. A student who is referred at the end of the semester will receive a grade of Incomplete-Referral (I-R) for the course from which he or she was referred, with a provisional letter grade; the letter grade becomes official when the student has completed the remedial course.

English as a Second Language (ESL) Course Referrals (New York City Campus Only) - Students normally take each ESL course only once and in sequence, but a student who is unready for the next level, or whose writing skills are judged deficient by a teacher in any course in the university, may be required to repeat ENG 052, ENG 099A, or ENG 100A. In such cases, only the grade received on the second attempt appears on the student's permanent record. (no additional credit is given for repeating ENG 100A.)

If the student was referred for remediation at the end of a course, he or she receives a grade of Incomplete-Referral (I-R), with a provisional letter grade for that course. When the referred student has successfully completed the remediation, the provisional grade becomes official. Students referred to ENG 052, ENG 099A, or ENG 100A from a 100-level course are normally expected to complete the remediation in the following semester and may not take any other English course at the same time.

Speech Clinic Referrals (New York City Campus) - Students who do not achieve minimum departmental standards in COM 200 or COM 200A may be referred to the Speech and Hearing Center for a speech evaluation. Referred students may be assigned to speech clinic (SPE 050, SPE 052) for individual or group remedial speech services when appropriate. An assigned student must register for speech clinic in the semester following the referral. A grade of incomplete-referral (IR) with a provisional letter grade is given to students in the course from which they were referred. The I-R grade is removed when the student registers for the speech clinic. However, she or he may be required to take more than one semester of the speech clinic.

Pass-Fail - Undergraduate

Students with 60 credits and a cumulative QPA of at least 2.5 may take one elective course per semester pass-fail. Core courses and major courses are excluded. Not more than four courses toward the degree may be taken on a pass-fail basis. Only a grade of "F" will be computed into the QPA. Students must notify the Office of Student Assistance of their intent to take a course pass-fail within the first two weeks of a fourteen- or fifteen-week term, or the first week of a four-, six-, or seven-week session.

Change of Grade

No grade will be changed beyond six months after the end of the semester in which the course was taken. No grade will be changed or recomputed nor will withdrawals be permitted after a degree has been awarded.

Grade Appeal Process

As a general principle, the instructor has sole authority to establish standards of performance and to exercise judgments on the quality of student performance, but in a manner that reflects reasonable and generally acceptable academic requirements. Grades assigned in this fashion are final except as the instructor may wish to review them. No faculty member, administrator, or other individual may substitute his or her judgment of the student's performance for the reasonable judgment of the instructor.

Students who believe that a final grade received in a course was not determined in a manner consistent with the principle described above may challenge that grade by first arranging, within a reasonable period of time (approximately 10 school days from the time that the student knew or should have known of the final course grade), to meet informally with the instructor to establish a clear understanding of the method by which the grade was determined. Every effort should be made to resolve the matter at the level of the instructor and the student. Students who have difficulty arranging a meeting with the instructor should consult the department chairperson.

If after meeting with the instructor, the student wishes to continue the grade challenge, the student may appeal in writing (with copies to the instructor and the dean of the school) within a reasonable period of time to the chairperson of the department that offers the course in question. The statement should clearly state the basis for questioning the grade received in the course. It should be noted that if the chairperson is the instructor, the appeal is to the dean of the school.

The chairperson's decision to have a grade reviewed or not is final. If the chairperson decides that the method by which the student's grade was determined was not proper, the chairperson will apprise the instructor of the basis for questioning the grade and request that the instructor review the grade. If the instructor, for any reason, does not review the grade, the chairperson will request that at least one other faculty member qualified to teach the course in question review the grade. In the process of such a review, the faculty member(s) is (are) authorized to assign a grade change and may, if necessary, require additional examination of the student's performance as a basis for the grade change.

Students may, at any point in this appeal process, solicit the advice and assistance of an individual faculty or staff member. This individual's authority in these matters is limited to mediating the relationship between the student and the instructor and/or chairperson.

Re-computation (Repeated Course) - Undergraduate

If an undergraduate student repeats a course, only the grade and credits earned the last time the course was taken will be computed in the cumulative QPA. The QPA average will be recomputed only for the semester in which the student repeats the course; the average of the semester in which the course(s) was first taken will not be changed. The QPA will be recomputed automatically upon receipt of the final grade. If a student withdraws from the course during the semester in which it is being repeated, the cumulative QPA will reflect the original grade. Re-computation is not permitted after a degree has been awarded. Students who receive permission to take a course at another institution for which they failed to attain a passing grade at Pace will have the credit earned at the other institution treated as transfer credit at Pace (provided they attain a grade of "C" or better). The course may not be used to recompute the failing grade at Pace.

Records

Transcripts of Records Policy

In accordance with the Federal Family Educational Rights & Privacy Act (FERPA) of 1974 and subsequent amendments, official academic transcripts cannot be released without the written consent of a student or alumnus. The University will not provide copies

of academic transcripts to or on behalf of any student or alumnus with a delinquent outstanding balance. Pace University has contracted with the **National Student Clearinghouse** to handle all official transcript requests for current students, former students and alumni. Students may submit their request online via the Clearinghouse website at www.getmytranscript.com or through the MyPace Portal at www.pace.edu/MyPace. There is no fee assessed for unofficial academic transcripts which can be obtained via MyPace Portal. Official Academic Transcripts are assessed a fee of \$7.25 per copy. All newly graduated students awarded after August 2016, will automatically be provided one official academic transcript free of charge which will be sent as hard copy via standard mail. Alumni with degrees awarded prior to August 2016 are entitled to one free official academic transcript, which will also be provided as hard copy via standard mail. Alumni requesting their first free copy must complete and return the **transcript request form** to the Office of Student Assistance.

Official academic transcripts are sent directly via mail as hard copy or electronic delivery to the entity identified on their request. Please note, official academic transcripts sent via hard copy mail to students are marked "Official Transcript Given to Student in a Sealed Envelope". The University accepts no responsibility for the accuracy of an unofficial academic transcript after it has been printed.

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act ("FERPA") is a federal law designed to protect the privacy of a student's education records, establish a student's right to access and review his or her education records, provide guidelines for the correction of inaccurate and misleading information that may be contained in those education records, and create a right to file complaints about alleged FERPA violations with the Department of Education.

Once a student reaches 18 years of age or attends a postsecondary institution, the rights created by FERPA transfer from the student's parents to the student. These rights include:

- The right to have access to and review his or her education records maintained by the postsecondary institution.
- The right to seek amendment of his or her education records that contain inaccurate and misleading information.
- The right to limit the disclosure of personally identifiable information in his or her education record.
- The right to file a complaint about alleged FERPA violations with the Family Policy Compliance Office of the Department of Education.

FERPA protects personally identifiable information in a student's education records. Education records are defined under FERPA as those records, files, data, video and audio tapes, handwritten notes and other material that contain information that is directly related to a student and maintained by Pace University or a party acting for the University. There are exceptions, however, to the definition of education records. For example, the term education record does not include:

- Records kept in the sole possession of the maker, used only as a personal memory aid, and are not accessible or revealed to any other person except a temporary substitute for the maker of the records.
- Records of the Safety and Security Department of the University.
- Records relating to a student's employment with the University.
- Records maintained by a physician, psychiatrist, psychologist, and other health care professionals in connection with treatment of a student.
- Records created or received by the University after a student is no longer in attendance and that are not directly related to the student's attendance at the University.
- Grades on peer-graded papers before they are collected and recorded by the instructor.

Personally identifiable information includes, but is not limited to:

- The student's name.
- The name of the student's parents or other family members.
- The address of the student or the student's family.
- The student's social security number or student identification number.
- Other indirect identifiers, such as the student's date of birth, place of birth, and mother's maiden name.
- Any information that alone, or in combination with other information, is linkable to a specific student that would allow a reasonable person who does not have knowledge of the relevant circumstances to identify the student with reasonable certainty.

Access to and Review of Education Records

Under FERPA, a student has the right to have access to and review his or her education records with the exception of the following records: (i) information contained in an education record concerning students other than the student whose education record is being accessed; (ii) financial records, including any information those records contain, of the student's parents; and (iii) confidential letters and statements of recommendation placed in the student's education records after January 1, 1975 provided the student has waived his or her right to review those letters, and confidential letters and statements of recommendation placed in the student's education records before January 1, 1975 and used only for the purpose for which they were specifically intended. (In order to waive the right to review confidential letters and statements of recommendation in a student's education record, the student must submit a completed and signed Waiver of Right to Review Confidential Letters and Statements of Recommendation form to the Office of Student Assistance.)

Any student who wishes to access and review his or her education records must submit a dated written request to the custodian of the record, e.g., the Office of Student Assistance, a department chair, a program director, a faculty member. No later than 45 days after receiving the student's request, the custodian will make arrangements for the student to review his or her education records. A representative of the University may be present during the inspection, and the student may be required to present valid photo identification before accessing the records.

Amendment of Education Records

Under FERPA, a student who believes information in his or her education records is inaccurate, misleading, or in violation of the student's privacy rights recognized by FERPA, has the right to request that the records be amended. The right to seek amendment of an education record does not include changes to a grade unless the grade assigned was inaccurately recorded, an opinion, or a substantive decision made by the University about the student.

To request an amendment, the student must submit a written request to the custodian of the record. The request should clearly identify the portion of the record the student seeks to have amended and specify the reasons for the requested amendment. If the custodian of the record determines the information contained in the record is inaccurate, misleading, or in violation of the student's privacy rights recognized by FERPA, the custodian will amend the record and notify the student of the amendment in writing.

If the custodian determines an amendment of the student's education record is not warranted because it is not inaccurate, misleading or in violation of the student's privacy rights recognized by FERPA, the custodian will inform the student in writing of the decision not to amend and will also inform the student of his or her right to a hearing on the matter. The student's written request for a hearing must be received by the dean for students of the student's home campus within 30 calendar days of the date of the custodian's decision denying an amendment, and the hearing shall be held within a reasonable time thereafter. Within 5 business days after receiving the student's written request for a hearing, the dean for students or his or her designee will appoint a hearing officer to review the matter. The hearing officer must be a University representative with no direct interest in the outcome of the matter.

The hearing officer shall, in his or her sole discretion, determine whether, under the circumstances, the hearing should be conducted in-person or by telephone. The hearing officer shall provide the student and the custodian of the education record at issue with reasonable notice of the date, time, and place of the hearing if it is to be in-person and the date and time if it is to be conducted by telephone. The student and the custodian shall each have the opportunity to present evidence at the hearing in support of their respective positions. The student may, at his or her own expense, be assisted or represented by one or more individuals, including an attorney, of the student's choice.

Within a reasonable time after the hearing, the hearing officer will notify the student and the custodian of the record in writing of the hearing officer's decision. The hearing officer's decision must be based solely on the evidence presented at the hearing and must include a summary of the evidence and the reasons for the decision. If the hearing officer determines the information contained in the record is inaccurate, misleading, or in violation of the student's privacy rights recognized by FERPA, the record will be amended. However, if the hearing officer determines the information is not inaccurate, misleading, or otherwise in violation of the student's privacy rights recognized by FERPA, the education record will not be amended and the student has the right to place a statement in his or her record commenting on the contested information and explaining why he or she disagrees with the hearing officer's decision.

Disclosure of Education Records to Third Parties

Absent an exception under FERPA, the University must obtain a student's prior written consent before it discloses personally identifiable information from a student's education records to a third party. In order to authorize the disclosure of personally identifiable information from his or her education records to a third party, a student must complete, sign and date the Authorization to Disclose Information from Education Records form and submit it to the custodian of the record from which the disclosure is to be made.

FERPA provides a number of exceptions, however, that allow the University to disclose information from a student's education record without the student's consent. Circumstances under which the University may disclose personally identifiable information from a student's education records without obtaining the student's consent, include, but are not limited to, the following:

- To University officials with a legitimate educational interest in the personally identifiable information to be disclosed. A University official includes, without limitation, faculty; officers; administrators; administrative assistants and clerical staff; safety and security staff; trustees; attorneys; auditors; health care providers; members (including student members) of University-sponsored committees and disciplinary boards; student employees assisting other University officials in performing their duties and responsibilities for the University; and a contractor, volunteer or other party to whom the University has outsourced University services or functions. A University official has a legitimate educational interest in the personally identifiable information to be disclosed if the official needs to review the education record in order to fulfill his or her professional duties and responsibilities for the University.
- To officials of another school in which the student seeks or intends to enroll.
- To the parents of a tax-dependent student as defined in section 152 of the Internal Revenue Code of 1986.
- In connection with the student's request for or receipt of financial aid if the information is necessary to determine the eligibility, amount or conditions of the aid, or to enforce the terms and conditions of the aid.
- In connection with a health or safety emergency if knowledge of the personally identifiable information is necessary to protect the health or safety of the student or other individuals.

- To the parents of a student under the age of 21 at the time of disclosure, and the disclosure concerns the student's violation of a federal, state or local law or University policy regarding the use or possession of alcohol or a controlled substance, provided the University has determined the student has committed a disciplinary violation with respect to the use or possession, and the disclosure does not conflict with any state law that prohibits such disclosure.
- Directory information (see discussion below of directory information).
- To comply with a judicial order or lawfully issued subpoena.
- To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense concerning the final results of a disciplinary hearing with respect to the alleged crime.
- The final results of a disciplinary proceeding related to a crime of violence or non-forcible sex offense may be released to any third party if the student who is the alleged perpetrator is found to have violated the University's policies. Disclosure under this exception is limited to the name of the student perpetrator, the violation committed, and any sanction imposed. The disclosure shall not include the name of any other student, including the victim or a witness, without the prior written consent of the other student.
- To authorized representatives of the Comptroller General of the United States, the Attorney General of the United States, the U.S. Secretary of Education, and state and local educational authorities for audit or evaluation of federal or state supported education programs, or for the enforcement of or compliance with federal legal requirements that relate to those programs.
- To organizations conducting studies for or on behalf of the University for the purposes of administering predictive tests or student aid programs, or improving instruction.
- To accrediting organizations to carry out their accrediting functions.

Directory Information

FERPA permits the University to disclose directory information to the public without obtaining the student's prior written consent. Directory information is defined by FERPA as information contained in a student's education record that would not generally be considered harmful or an invasion of privacy if disclosed. The University has defined directory information more specifically as:

- Student's name
- Campus telephone number
- Campus address
- University e-mail address
- Date of birth
- College or school in which the student is enrolled
- Program and/or field of study
- Enrollment status, e.g., undergraduate or graduate student, full-time, part-time, not enrolled, graduated
- School attended immediately prior to enrolling at the University
- Dates of attendance
- Degrees and honors
- Awards received
- The weight and height of members of athletic teams

Students may "opt out" of directory information and request that directory information, as defined above, be withheld, in whole or in part, and released only with the student's prior written authorization. Students who wish to opt-out of some or all of the directory information must complete and sign a Request to Opt-out of Directory Information form and submit it to the Office of Student Assistance on or before September 30 of each year. (Students who transfer to the University in the spring semester or return to the University in the spring semester after a leave of absence must submit a completed and signed Request to Opt-out of Directory Information form to the Office of Student Assistance on or before February 15.) Students who wish to revoke their previous request to opt-out of some or all of the directory information must submit a completed and signed Request for Revocation of Opt-out of Directory Information form to the Office of Student Assistance.

Complaints of Alleged Failures to Comply with FERPA

A student who believes his or her FERPA rights have been violated or that the University has failed to comply with the requirements of FERPA has the right to file a complaint with the federal office that administers FERPA. Complaints should be addressed to:

Family Policy Compliance Office
 US Department of Education
 400 Maryland Ave, SW
 Washington, DC 20202-5901
 Phone: 202-260-3887

Additional Information about FERPA

The following U.S. Department of Education publications provide additional information for students and parents about FERPA: Frequently Asked Questions About FERPA, Disclosure of Information from Education Records to Parents of Students Attending Postsecondary Institutions, and FERPA General Guidance for Students.

Forms

The following forms can be found at: www.pace.edu/osa/forms:

- Authorization to Disclose Information from Education Records
- Request to Opt-out of Directory Information
- Request for Revocation of Opt-out of Directory Information
- Waiver of Right to Review Confidential Letters and Statements of Recommendation Revocation of Waiver of Right to Review Confidential Letters and Statements of Recommendation

Scholastic Honors

Dean's List

Matriculated students ("degree seeking students") who achieve a high standard of scholarship in a semester are named to the dean's list, published at the end of each fall and spring semester.

Honors are awarded as follows:

First Honors	3.85–4.00
Second Honors	3.65–3.84
Third Honors	3.50–3.64

To be eligible for honors, students must complete nine credits, excluding grades of P. Students who receive a D or F are ineligible for honors that semester. Students who attain a qualifying average through the removal of an incomplete grade after the six-week extension may not be included on the dean's list. Eligible students are sent a dean's list certificate by the dean of their college/school.

National Honor Societies at Pace University

An invitation to all pace undergraduate students.

In keeping with its motto *Opportunitas*, the mission of Pace University is to provide its students with the opportunity to discover and fulfill their potential. At Pace University, supportive and challenging programs prepare graduates for meaningful lives and successful careers in a rapidly changing world. The university's commitments combine respect for traditional academic values with readiness to meet the challenges of the future with energy and innovation.

Pace University strives to foster intellectual growth, ethical maturity, civic responsibility, and professionalism in specific disciplines. National honor societies at Pace University play a vital role in advancing these goals. All national honor societies recognize academic excellence, promote scholarship, and enrich the undergraduate educational experience. Members benefit from fellowship among students, faculty, and active professionals. Honor societies are keys that open doors to graduate school, career opportunities, and professional development. Membership in an honor society bestows honor, recognition, and lifetime distinction. Honor societies keep their members informed of changing developments in their respective fields through meetings and publications. Finally, members may be eligible for scholarships offered by national honor societies that support undergraduate education, graduate education, and special activities. Students are encouraged to strive to meet the eligibility requirements of the appropriate honor societies listed below.

Alpha Chi

The National College Honor Scholarship Society

Alpha Chi is a general honor society that admits students from all academic disciplines. The purpose of this honor society is to promote academic excellence and exemplary character among college and university students and to honor those who achieve such distinction. Membership in Alpha Chi recognizes previous accomplishments and provides opportunity for continued growth and service. Some 300 chapters, located in almost every state and in Puerto Rico, induct more than 11,000 members annually. Alpha Chi is distinctive in that it involves members in all aspects of its operation: chapter officer leadership, student representation on the National Council, local chapter event planning, and presenting scholarly programs at regional and national conventions.

Alpha Delta Sigma

The National Marketing Honor Society

Alpha Delta Sigma is the national honor society sponsored by the American Advertising Federation.

Alpha Iota Delta

The National Honor Society in the Decision Sciences

Alpha Iota Delta is dedicated to the ideal of solving the problems of mankind with humanity and rationality. Humanity is recognized in the decision sciences by understanding that there is a human component to every decision. Rationality is recognized by understanding that there is a need in every decision for order, sensitivity, and relativity. Alpha Iota Delta was formed to foster the growth of these ideals within future generations of the decision sciences by conferring distinction upon a very select group of current students who have distinguished themselves in decision science curricula and who hold high promise in their careers.

Alpha Lambda Delta

The Alpha Lambda Delta chapter at Pace University began in the spring on 2012. Alpha Lambda Delta (ALD) is a national honor society for first year students. Students that earn a cumulative grade point ranking them in the top 20% of their class after the first semester are invited to join ALD. Alpha Lambda Delta offers students the opportunity to participate in community service and a variety of campus activities with other high achieving Pace University students. Lastly, ALD members are eligible to apply for exclusive for scholarships at the undergraduate and graduate level, and for studying abroad.

Alpha Phi Sigma

The National Criminal Justice Honor Society

Alpha Phi Sigma is the nationally recognized honor society for students in the Criminal Justice Sciences. The society recognizes academic excellence by undergraduates as well as graduate students of criminal justice.

Alpha Sigma Lambda

The National Honor Society for Nontraditional Adult Students, Mu Alpha Chapter

The Mu Alpha Chapter of Alpha Sigma Lambda recognizes the special achievements of adult students who accomplish academic excellence while facing competing interests at home and at work. This honor society is dedicated to the advancement of scholarship and recognizes high scholastic achievement in an adult student's career.

Beta Alpha Psi

The National Honor Society for Accounting, Finance, and Information Systems

Beta Alpha Psi is the national honorary and professional fraternity for students of accounting, finance, and information systems. As the premier professional accounting and business information fraternity, Beta Alpha Psi recognizes academic excellence and complements members' formal education by providing interaction between students, faculty, and professionals, and by encouraging ethical conduct, and public service. Beta Alpha Psi brings excellent students and business professionals together and fosters professional and social development by sponsoring activities that enhance the educational experience and broaden the perspective of each member. The Pace chapter has earned "Superior Chapter" status nationally each year since its inception.

Beta Beta Beta

The National Biology Honor Society

Beta Beta Beta (TriBeta) is a society for students dedicated to improving the understanding and appreciation of biological study and extending boundaries of human knowledge through scientific research. Since its founding in 1922, more than 175,000 persons have been accepted into lifetime membership, and more than 430 chapters have been established throughout the United States and Puerto Rico.

Beta Gamma Sigma

The National Honor Society in Business

Beta Gamma Sigma is the preeminent national honor society in business. Membership in Beta Gamma Sigma is the highest national scholastic recognition that a student in business can receive in an undergraduate or graduate program at a school accredited by the AACSB International — The Association to Advance Collegiate Schools of Business. The first national honor society in business, Beta Gamma Sigma was the result of a merger of three separate societies established to honor academic achievement in business at the University of Wisconsin, University of Illinois, and the University of California.

Gamma Kappa Alpha

The National Italian Honor Society

The Gamma Kappa Alpha National Italian Honor Society is a society formed to acknowledge superior scholastic performance in the field of Italian language, literature, and culture, and is open to membership at institutions of higher learning in the United States and Canada. The Society encourages college students to acquire a great interest in, and a deeper understanding of, Italian culture, art and history. The organization recognizes outstanding undergraduate scholarship in the field of Italian by awarding annually the Gamma Kappa Alpha Award for Scholarship.

Golden Key International Honour Society

Golden Key International Honour Society

Golden Key International Honour Society recognizes and encourages scholastic achievement and excellence in all undergraduate fields of study, unites with faculty and administrators in developing and maintaining high standards of education, provides economic assistance to outstanding members by means of both undergraduate and graduate scholarships, and promotes altruistic conduct through voluntary service.

Kappa Delta Pi

The International Honor Society in Education

Kappa Delta Pi is dedicated to scholarship and excellence in education. The Society is a community of scholars pledged to recognize scholarship and excellence in education, promote the development and dissemination of worthy educational ideas and practices, enhance the continuous growth and leadership of its diverse membership, foster inquiry and reflection on significant educational issues, and maintain a high degree of professional fellowship. Those students interested in the International Honor Society in Education for the Pleasantville campus, please refer to Pi Lambda Theta.

Kappa Mu Epsilon

The National Mathematics Honor Society

Kappa Mu Epsilon is a specialized honor society in mathematics, founded in 1931 to promote interest in mathematics among undergraduate students. The chapters' members are selected from students of mathematics and other closely related fields who have maintained high standards of scholarship, have professional merit, and have attained academic distinction.

Lambda Pi Eta

The National Communications Honor Society

Lambda Pi Eta is an honor society that seeks to recognize, foster, and reward outstanding scholastic achievement, to stimulate interest in the field of communication, to provide an opportunity to discuss and exchange ideas in the field of communication, and to establish and maintain close relationships and understanding between faculty and students.

Lambda Sigma

The National Honor Society for Second-Year Students

Lambda Sigma Sophomore Honor Society: This national sophomore honor society, with chapters on both campuses, provides leadership and engagement opportunities for its members. Each year a maximum of 50 sophomores are inducted. These students have earned a minimum GPA of 3.5 and have demonstrated they are committed to the society's focus on leadership, scholarship, fellowship and service.

Omicron Delta Epsilon

The International Honor Society in Economics

Omicron Delta Epsilon is one of the world's largest academic honor societies. The objectives of Omicron Delta Epsilon are to recognize scholastic attainment and to honor of outstanding achievements in economics, as well as to establish closer ties between students and faculty in economics within colleges and universities, and among colleges and universities.

Phi Alpha Theta

The National History Honor Society

Phi Alpha Theta is a professional society whose mission is to promote the study of history through the encouragement of research, good teaching, publication, and the exchange of learning and ideas among historians. This honor society seeks to bring students, teachers, and writers of history together for intellectual and social exchanges.

Phi Sigma Iota

The International Foreign Language Honor Society

Phi Sigma Iota recognizes outstanding ability and high standards of students and faculty of foreign languages, literatures and cultures (including classics, linguistics, philology, comparative literature, ESL, bilingual education, and second language acquisition). It is the highest academic honor in the field of foreign languages. Phi Sigma Iota has initiated over 50,000 members since its foundation in 1917, and has created and supported numerous scholarship programs.

Pi Delta Phi

The National French Honor Society

Pi Delta Phi recognizes outstanding scholarship in the French language and its literatures, increases the knowledge and appreciation of Americans for the cultural contributions of the French-speaking world, and stimulates and encourages French and francophone cultural activities.

Pi Gamma Mu

The International Honor Society in Social Sciences

Pi Gamma Mu recognizes undergraduate and graduate students who have distinguished themselves as scholars of the social sciences. Academic disciplines concerned principally with human behavior. Pi Gamma Mu considers the following fields to be included among the social sciences: anthropology, criminal justice, economics, geography, history, international relations, political science, psychology, and sociology.

Pi Lambda Theta

The International Education Honor Society

Pi Lambda Theta is an international honor society and professional association in education that honors excellence and fosters leadership skills and intellectual values. Membership is open to students and professionals who have met specific academic requirements or who have achieved certification by the National Board for Professional Teaching Standards. Members can draw on a network of colleagues for professional support and friendship – before graduation, throughout a career, and after retirement. Those students interested in the International Honor Society in Education for the New York City campus, please refer to Kappa Delta Pi.

Psi Chi

The National Honor Society in Psychology

Psi Chi is the National Honor Society in Psychology, founded in 1929 for the purposes of encouraging, stimulating, and maintaining excellence in scholarship and advancing the science of psychology.

Sigma Iota Epsilon

The National Management Honor Society

Sigma Iota Epsilon is the premier honorary and professional fraternity organization in management. Sigma Iota Epsilon recognizes superior scholarship and offers members opportunities to engage in professional programs and other activities intended to bridge the gap between management theory and management practices.

Sigma Tau Delta

The International English Honor Society

Sigma Tau Delta's central purpose is to confer distinction upon students of the English language and literature in undergraduate, graduate, and professional studies. Sigma Tau Delta also recognizes the accomplishments of professional writers who have

contributed to the fields of language and literature. One of the largest members of the Association of College Honor Societies, Sigma Tau Delta has more than 600 active chapters, more than 900 faculty sponsors, and inducts approximately 7,000 members annually.

Sigma Theta Tau

The International Honor Society of Nursing

Sigma Theta Tau International honors those who demonstrate a personal commitment to nursing excellence. Sigma Theta Tau is committed to fostering excellence, scholarship, and leadership in nursing to improve health care worldwide. The Society promotes the use of nursing research in health care delivery and makes its resources available to all people and institutions interested in the latest knowledge in nursing care. Members are committed to providing the latest research, information, and technology in nursing science, and are instrumental in the profession's scientific journey toward improved patient care.

Sigma Xi

The International Honor Society of Science and Engineering

Sigma Xi is a scientific research society. One of the oldest and largest scientific organizations, Sigma Xi has promoted a variety of science-oriented programs since its founding in 1886. Its goals are to foster worldwide interactions involving science, technology, and society; to encourage appreciation and support of original work in science and technology; and to honor scientific achievements. Sigma Xi is a society of more than 80,000 scientists throughout the world. Throughout its history, there have been 195 Nobel laureates in Sigma Xi.

Upsilon Pi Epsilon

The International Honor Society for the Computing Sciences

Upsilon Pi Epsilon is the first and only international honor society for the Computing Sciences. It was founded in 1967 to recognize scholarship and professionalism. Membership in Upsilon Pi Epsilon is limited to candidates who can effectively achieve the goals of recognizing outstanding talent in the computing sciences, promoting high scholarship in the computing sciences, establishing and maintaining high standards, representing the computing sciences in interdisciplinary communications, and encouraging individual contributions to society through the computing sciences.

Graduation Policies, Honors, and Awards

Commencement - Commencement exercises are scheduled once a year, every May. Degree recipients in December, or students who are expected to complete their degree requirements in May or August of the same year, are eligible to participate in commencement exercises in May.

Latin Honors - Bachelor's Degree students are awarded honors for high scholastic achievement on the following basis:

Summa cum laude	Final QPA of 3.85–4.00
Magna cum laude	Final QPA of 3.65–3.84
Cum laude	Final QPA of 3.50–3.64

Graduation With Distinction - Students who have completed 32–59 credits at Pace University, and are therefore not eligible for Latin Honors, and who have earned a bachelor's degree with a final QPA of 3.50 are eligible to receive their degrees with distinction. Graduates of the associate degree programs who have earned a final QPA of 3.50 and have completed at least 30 credits at Pace are also eligible to receive their degrees with distinction.

Commencement Awards

Trustees' Award - This award is presented to the graduating student whose positive contributions to university life and whose academic accomplishments exemplify the highest level of achievement attainable for an undergraduate. The student receiving the award must have completed a minimum of 60 credits at pace.

Community Service Award - This award is presented to the graduating student whose active contributions to the life of the university community and to the endeavors of our neighbors in the surrounding community most admirably embody an appreciation for social responsibility. The student receiving the award must have completed a minimum of 60 credits at Pace with a cumulative QPA of 2.75 or better.

The Henry Birnbaum Endowed Scholastic Achievement Award - This award is presented to a graduating full-time graduate or undergraduate student who has earned all of his/her degree credits at Pace University on the New York City Civic Center Campus,

who has shown outstanding scholarly aptitude during his/her tenure at Pace, and who has earned a quality point average of at least 3.8 upon graduation.

The Charles H. Dyson Award - This award is presented to the outstanding member of the Dyson College Society of Fellows.

Scholastic Achievement Award - This award is presented to the graduating students in the Dyson College of Arts and Sciences, Lubin School of Business, School of Education, College of Health Professions, and Seidenberg School of Computer Science and Information Systems excelling in scholarship, effectiveness in class discussions, research, and general performance in a bachelor's degree program. The students receiving the award must have completed a minimum of 60 credits at Pace and be qualified at least for graduation cum laude.

Academic Leadership Award - This award is presented to the graduating students who best exemplified academic citizenship through integrating academic achievement and leadership skills to serve as a role model for other students. Students receiving this award must have a cumulative QPA of 3.3 or higher.

Other Policies

Affirmative Action Policy Statement

The Affirmative Action Policy of Pace University is adopted pursuant to its commitment to the principles of equal opportunity for all minorities and women, which specifically pledges the university to a policy of nondiscrimination toward any person in employment or in any of its programs because of race, color, religion, disability, national or ethnic origin, sexual orientation, veteran status, age, sex, or marital status. Pace University admits, and will continue to admit, qualified students of any race, color, religion, disability, national or ethnic origin, sexual orientation, veteran status, age, sex, or marital status, to all rights, privileges, programs and activities generally accorded or made available to students at the school. It does not and will not discriminate on the basis of race, color, religion, disability, national or ethnic origin, sexual orientation, veteran status, age, sex, or marital status in employment, in administration of its educational policies, admissions policies, scholarship and loan programs, athletic, and other school-administered programs.

Information for Students with Disabilities

The same rigorous standards for admission apply to students with and without a disability. In order to support the continued success of students with disabilities, the University prohibits discrimination on the basis of disability and is committed to ensuring equal access for students with disabilities to its facilities, programs, and activities. The University's commitment to equal educational opportunities for students with disabilities includes providing reasonable accommodations for the needs of students with disabilities.

Please visit the Office of Disability Services: <http://www.pace.edu/counseling/office-of-disability-services>

Disabilities and Accommodations

Federal law, including the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, as well as state and local laws prohibit institutions of higher education from discriminating against students with disabilities. The Americans with Disabilities Act defines an individual with a disability as a person who has a physical or mental impairment which substantially limits one or more major life activities of the individual, has a record of such an impairment, or is regarded as having an impairment.

Students with, among others, visual, hearing and mobility impairments, psychological disorders (including, but not limited to, specific learning disabilities, organic brain syndrome, attention deficient disorder, emotional or mental illness), and chronic health disorders such as diabetes, heart disease, and HIV infection (whether asymptomatic or symptomatic) may be disabled and therefore eligible for a reasonable accommodation. Each student diagnosed with a particular disability will have a different level of functioning even within the same disability category. Further, compensation skills will also vary from one student to another and in the same student over time. Therefore, accommodations are determined on a case-by-case basis according to a student's documented needs, guidelines suggested by federal and state law, and criteria developed by the University.

Identifying and implementing a reasonable accommodation for a student with a disability is an interactive process that includes shared responsibility between the University and the student. Accommodations include adjustments to make the campus, residential housing, transportation and parking accessible, academic adjustments or modifications, and auxiliary aids and services. Examples of academic adjustments that may be made available to eligible students include priority registration, substitution of one course for another, a leave of absence, and extended time to complete an assignment or test. Auxiliary aids and services that may be provided to eligible students include, for example, note takers, recording devices, sign language interpreters, and computers equipped with voice recognition or other adaptive software.

The University is required to provide a reasonable accommodation; it is not required to provide the specific accommodation requested by the student. In providing accommodations, the University is not required to lower or effect substantial modifications to essential requirements or to make modifications that would fundamentally alter the nature of the service, program or activity. Thus, for example, although the University may be required to provide extended time within which to complete a test, it is not required to change the substantive content of the test. Personal attendants, individually prescribed devices, readers for personal

use or study, wheelchairs, hearing aids, and other devices or services of a personal nature are the responsibility of the student, not the University. Finally, the University is not required to make modifications or provide auxiliary aids or services that would result in an undue burden on the University.

Funding for auxiliary aids and services may be available from certain state agencies such as, for example, the New York State Office of Vocational and Educational Services for Individuals with Disability. For those auxiliary aids and services that are likely to be funded by a state agency, the University may require the student to apply to the agency for funding. The University may provide assistance with the application for funding.

Request for an Accommodation

To request an accommodation for a qualifying disability, a student must self-identify and register with the Office of Disability Services for his or her campus. The Office of Disability Services is housed in the Counseling Center on both the New York City and Pleasantville campuses. The Office of Disability Services for the New York City campus may be contacted at 212-346-1526 or 156 William Street, 8th Floor. The Office of Disability Services for the Westchester campuses may be contacted at 914-773-3710 or the Administration Center, 861 Bedford Road, Pleasantville. Notifying other University offices, faculty or staff does not constitute giving notice to the University of a request for an accommodation. No one, including faculty, is authorized to evaluate the need and arrange for an accommodation except the Office of Disability Services staff. Moreover, no one, including faculty, is authorized to contact the Office of Disability Services on behalf of a student.

It is the student's responsibility to request an accommodation. Because some accommodations may take considerable time to arrange, students are urged to contact the Office of Disability Services in order to request an accommodation as soon as possible after receiving notice of admission to the University. Untimely requests may result in delay, substitution, or an inability to provide an accommodation. If a request for an accommodation is submitted late, the Office of Disability Services will, nevertheless, make every reasonable effort to process the request for an accommodation.

Before an accommodation will be provided, the student may be required to submit medical and/or other diagnostic information concerning the student's impairments and limitations. If the information provided is unclear or incomplete, the student may be required to provide additional information or participate in further evaluations. The Office of Disability Services will, in conjunction with others as may be appropriate, evaluate the information provided by the student and health care providers; refer the student for additional testing and evaluation as may be necessary; make recommendations for the accommodations to be provided to the student; and, assist in arranging for the implementation of the accommodation to be provided.

If a student experiences difficulties with the implementation of the accommodation or, if after it has been implemented, a student has concerns that the expected results of the accommodation are not being met, the student must promptly notify the Office of Disability Services. The Office of Disability Services will, as may be appropriate, endeavor to remedy the situation. If a student disagrees with the accommodation recommended by the Office of Disability Services, he or she should promptly appeal the recommendation to the Assistant Dean for Community Standards and Compliance at 914-773-3168.

Faculty members who have concerns about a reasonable accommodation recommended by the Office of Disability Services for his or her class, should contact the Office of Disability Services on the appropriate campus.

Depending on the nature of the disability and the accommodation provided, a student may be required periodically to submit medical and/or diagnostic information demonstrating the current status of the disability and/or to renew the request for an accommodation.

Any questions about the services offered by the University to students with disabilities or the procedures for requesting an accommodation should be directed to the Office of Disability Services for the New York City campus at 212-346-1526 or for the Westchester campuses at 914-773-3710.

Confidentiality

The information and documents provided to the University in support of a student's request for an accommodation shall be maintained as confidential. Individually identifiable information will not be disclosed except as may be required or permitted by law or pursuant to a release signed by the student.

Complaints of Disability Discrimination

If a student has concerns that he or she has been discriminated against because of a disability, he or she should contact the University's Affirmative Action Officer at 212-346-1310 or 914-773-3856.

Additional Services Offered by the Counseling Center

The University's Counseling Center offers psychological services to all students. To make an appointment, call the Counseling Center at 212-346-1526 or 914-773-3710.

Emergency Closings and Other Changes in Class Schedules

Occasionally, the University is confronted by the need to close because of inclement weather or other reasons beyond the University's control. Such closings are normally announced through the major radio stations in New York City and Westchester County and often appear on their Web sites. In addition, students can also check the Pace University home page, and/or call the Pace Events Phone (PEP) for school closing information.

- **New York City - (212) 346-1953**
- **Pleasantville/White Plains - (914) 773-3398**

Closings are also posted on the University's website at www.pace.edu and are sent via text message and email for those who sign up for Emergency Notifications at <http://alert.pace.edu>.

Although classes are planned to commence and conclude on the dates indicated in the academic calendar, unforeseen circumstances may necessitate adjustment to class schedules and extension of time for completion of class assignments. Examples of such circumstances may include faculty illness, malfunction of University equipment (including computers), unavailability of particular University facilities occasioned by damage to the premises, repairs or other causes, and school closings because of inclement weather. The University shall not be responsible for the refund of any tuition or fees in the event of any such occurrence or for failure of a class to conclude on the date originally scheduled. Nor shall the University be liable for any consequential damages as a result of such a change in schedule.

University Core Curriculum

Core Curriculum Overview

Pace University offers an innovative, cutting-edge Core Curriculum of liberal arts and sciences courses central to all undergraduate degrees and required of all Pace undergraduate majors.

Effective with the entering class of Fall 2013, this curriculum requires a minimum of 44 credits in the Liberal Arts and Sciences that are grouped into two distinct sections: Foundational Requirements and Areas of Knowledge. Foundational Requirements include courses in Writing, Mathematics, Science, Computer Science, and Language. Areas of Knowledge requirements provide students flexibility and choice in selecting courses, including the option of developing an in-depth sequence in a specific arts and science discipline.

Core Curriculum courses, regardless of a student's major, address fundamental problems and issues in the Arts and Sciences from diverse perspectives and approaches and ensure that Pace graduates will develop abilities essential to success in college study and in careers and also achieve competency in a variety of skills that are sought by employers and are needed for graduate level work. Moreover, core courses are enriching intellectually and personally and serve to prepare students to become lifelong learners, better able to respond to the inevitable changes and challenges of their professional and personal lives.

Objectives of Foundational Requirements:

Section I of the Core Curriculum ensures that you will achieve competency in a variety of communication and quantitative skills. You may be eligible to place out of some foundational requirements by taking proficiency or placement exams in English, language, or computing. If you require additional work and support in these vital skill areas, you will find the help you need through this series of courses.

Completion of Foundation Requirements:

New students entering as freshmen are required to complete Foundational Requirements within 66 credits.

Objectives of Areas of Knowledge Requirements:

Section II of the Core Curriculum offers broad exposure to a variety of approaches and perspectives in the Humanities, Social Sciences and Sciences, and to different modes of analysis and understanding. These courses are intended to develop a sense of social, civic, and global awareness and responsibility. There are hundreds of courses to choose from. Moreover, this section offers students the opportunity to develop an in-depth sequence or concentration.

12 Learning Outcomes of the Core Curriculum are:

- Communication
- Analysis
- Intellectual depth, breadth, integration and application
- Effective citizenship
- Social Interaction
- Global, National, and International Perspectives

- Valuing
- Problem-solving
- Aesthetic response
- Information Literacy and Research
- Scientific and quantitative reasoning
- Technological Fluency

Features of the Pace University Core Curriculum are:

- Community Building
- Focus on Student Learning Outcomes
- Social responsibility and civic engagement
- Choice and Flexibility
- Ability to complete a minor in the Core

Other University Core requirements that fit into one of the two sections include:

- One Learning Community (LC): Should be taken within the first two years of study
- Two Writing-Enhanced Courses (WE): In addition to Foundation writing courses
- One Civic Engagement and Public Values Course: [CE and formerly AOK 1]

Note that the above Other Core requirements may be satisfied by Foundational courses, Area of Knowledge courses, major courses, and Open Elective credits. Moreover, school advisors are available to provide students with assistance in choosing these and other Core courses.

OUTLINE of FALL 2012 UNIVERSITY CORE CURRICULUM: (44-55 minimum credits)

Foundational Requirements:

ENG	Composition (<i>can test out</i>)
ENG	Critical Writing
ENG	Writing in the Disciplines **
COM	Public Speaking
MAT	Mathematics
SCI	Science
CIS	Computer Science
	Second Language Proficiency (<i>can test out</i>)
	and

Areas of Knowledge Requirements:

WH	Western Heritage course(s)
WCT	World Cultures and Traditions course(s)
HCE	Humanistic and Creative Expressions course(s)
HSN	Analysis of Human, Social, & Natural Phenomena course(s)

** New students entering as freshmen are required to complete this course by the time they attain 30 credits and, in addition, must complete the remainder of the Foundational Requirements within 66 credits.

University 101:

University 101 is a Required First Year Learning Experience. Full-time day students that transfer to Pace University with fewer than 17 credits are required to enroll in a UNV 101 class in their first semester unless they have received transfer credit for the equivalent of Pace University's UNV 101 course. University 101 is not offered as an evening course.

Transfer Students

Transfer students must complete 44 credits in the Arts and Sciences. They must fulfill the Foundation Requirements and the Civic Engagement course, with flexibility for the remaining credits.

For purposes of determining the appropriate University Core Curriculum requirements for students who come to Pace with transfer credits, a transfer student is defined as one who successfully completes (grade of "C" or better) a minimum of 25 college-level credits prior to the student's attendance at Pace University. Students with fewer than 25 transfer credits (freshmen) will be required to take the entire new core.

Second Language Proficiency Policy

1. **Placement based on AP scores** – For students who have taken an AP exam in French, German, or Spanish Language or Literature, the placement is as follows:

- **Score of 4 or 5** – Students receive six (6) Pace credits and are exempt from taking language courses for core, but are encouraged to continue language studies to develop proficiency. Students who elect to continue may select any 300-level course. They might also consider completing a minor or major (or second major) in a language.
- **Score of 3** – Placed in a three-credit (3) 200-level course. Course No. 280, "Intensive Review," is the recommended course in Spanish or French, but other options are also possible. Must complete one (3 credit) language course to satisfy the language core requirement.

2. **Placement based on SAT II Exam Scores**

Students may take the SAT II language exam, as high school or college students. The placement is as follows:

- **Score of 550 or above** – Exempt from taking language courses for core, but are encouraged to continue language studies to develop proficiency. Such students may select any 300-level course. They should also consider completing a minor or major (or second major) in a language.
- **Score of 450-549** – Placed in a three-credit (3) 200-level course. [No. 280, "Intensive Review," is the recommended course in Spanish, French, and Italian, but other options are also possible.] Must complete that one language course to satisfy the language core requirement.
- **Score of 300-449** – Placed in course number 102. Must complete 102 plus a 200-level course to satisfy the language core requirement.
- **Score below 300** – Placed in course number 101. Must complete 101 and 102 to satisfy the language core requirement
- For further information on registering for the SAT II exam, go to:
- http://www.collegeboard.com/student/testing/sat/lc_two.html

3. **Placement based on high school record**

If a student has studied a language for the following length of time in high school, he/she will be placed at the following level of the same language:

- **Four years – No. 280** or other 3-credit 200-level course selected by the student. Must complete that one language course to satisfy the language core requirement.
- **Three years – No. 280** (Intensive review) is the best option in French, Spanish, or Italian. In Japanese and Chinese, the intensive review course is No. 281 in PLV and No. 271 in NYC. Must complete that one language course to satisfy the language core requirement.
- **Two years or one year (during any high school years) – No. 101.** Must complete 101 and 102 to satisfy the language core requirement. (Note: Students with a facility for language may elect to accelerate their language study by enrolling in intensive language study 101A and 102B, offered consecutively for seven weeks each during a single 14-week semester.)

4. **Placement for those starting a new language**

All students starting a new language at Pace will be placed at the beginning (101) level. Those students must complete 101 and 102 in that language to satisfy the language core requirement.

Notes on Language Core Requirements:

- Students who have completed their secondary schooling at an institution where English is not the language of instruction are exempt from the core language requirement. However, they are invited to learn a new language at Pace.
- American Sign Language (ASL) may be used to fulfill the core language requirement. Transfer students with two semesters of college-level study of ASL (grade "C" or better) will receive transfer credit and will be exempt from further study of any language at Pace.
- Transfer students in the professional schools, with the exception of the School of Education, may take a culture course to fulfill the entire language core requirement. The remaining three (3) credits are to be made up in Inquiry and Exploration.

In-Depth Sequence

In completing their core requirements, an alternative for qualified students is to explore a subject area in the arts and sciences in some depth. Pace students are afforded the option of concentrating in a subject area by pursuing an "in-depth sequence."

An in-depth sequence consists of at least nine (9) credits in a subject area within the core, beyond core requirements in that area, and is in a field of study outside the student's major. Students build an in-depth sequence of courses (no more than one course from each Area of Knowledge). Students may apply the in-depth sequence toward a minor or second major in the Arts and Sciences. Courses in the sequence may not substitute for requirements in the student's school or first major program.

A student wishing to pursue an In-Depth Sequence should consult the Office of the Dean of the Dyson College of Arts and Sciences in order to file an approved program for courses with the Office of Student Assistance in advance of study.

GENERAL UNIVERSITY

Profile

Vision

We educate those who aspire to excellence and leadership in their professions, their lives, and their communities. Through teaching, scholarship, and creative pursuits, our faculty foster a vibrant environment of knowledge creation and application. Faculty engage students in shared discovery and are committed to guiding students in their education, providing them with a strong foundation for leading meaningful and productive lives.

We embrace a culture of quality improvement and shared values to ensure an informed, responsive, caring, and effective community empowered to build and sustain a great University. Together, faculty, administrators, and staff pursue innovation in academic programs and administrative services. We operate with integrity, following through on our commitments to students and each other, holding ourselves accountable for our decisions and actions. We embody an ethos of respect for, and celebration of, our diversity, creating an inclusive and welcoming environment where every person is encouraged to freely and respectfully contribute to the life of the University.

Mission

Our mission is *Opportunitas*. Pace University provides to its undergraduates a powerful combination of knowledge in the professions, real-world experience, and a rigorous liberal arts curriculum, giving them the skills and habits of mind to realize their full potential. We impart to our graduate students a deep knowledge of their discipline and connection to its community. This unique approach has been firmly rooted since our founding and is essential to preparing our graduates to be innovative thinkers who will make positive contributions to the world of the future.

About Pace University

Ranked the #1 private, four-year college in the nation for upward economic mobility by Harvard University's Opportunity Insights, Pace University provides a transformative education for its diverse students - academically, professionally, and socioeconomically.

Pace prepares students to become leaders in their fields by providing an education that combines exceptional academics with real-world experiences including internships, research, clinicals, civic engagement, and study abroad.

Founded as a one-room accounting school in 1906, Pace has grown to three campuses in New York City and Westchester County, New York, and enrolls more than 13,000 students in bachelor's, master's, and doctoral programs in more than 150 majors and programs. Its six schools and colleges—the College of Health Professions, Dyson College of Arts and Sciences, Elisabeth Haub School of Law, Lubin School of Business, School of Education, and Seidenberg School of Computer Science and Information Systems—offer a variety of courses in business, health care, computer science, humanities, education, science, law, the arts, and more.

At the core of a Pace education is a strong foundation in the liberal arts and sciences with an emphasis on the combination of theory and practice. More than 50 cutting-edge centers, institutes, labs, and clinics, including the NYC Design Factory, Entrepreneurship Lab, Environmental Policy Clinic, Cybersecurity Education and Research Lab, Immigration Justice Clinic, and Health Care Simulation Labs serve as a training ground for future leaders. One of the fastest-growing and most competitive programs at the University is the performing arts, with the Pace School of Performing Arts for undergraduates ranked among the top programs in the country and The Actors Studio Drama School for graduates recognized by many as the home of the Emmy Award-winning television show *Inside the Actors Studio*. The University's environmental law program has long been recognized as a leading program and was ranked #1 by U.S. News & World Report in 2019.

Pace combines the benefits and resources of a large university with the personalized attention and focus associated with a small college, with an average class size of only 20 students and a 14:1 student to faculty ratio. Academic experiences at Pace emphasize teaching from both a practical and theoretical perspective, drawing on the expertise of full-time and adjunct faculty members who balance academic preparation with professional experience to bring a unique dynamic to the classroom. Research is a cornerstone of the Pace educational experience and in FY2018, Pace received more than \$8.9 million in research grant funding. Our faculty's commitment to intellectual discourse and research is surpassed only by their desire to help students realize their dreams.

The University's signature program, the Pace Path is an individualized plan for each student that leverages Pace's emphasis on experiential learning to support strong academics while incorporating customized goal-setting and dedicated mentoring and advising. Pace University has one of the largest internship programs of any college in the New York metropolitan area. Last year, Pace students engaged in more than 7,000 internships, co-ops, field experiences, and clinicals with more than 1,000 different

employers. Over the years, more than 3,000 alumni have reached top executive positions at their companies. PayScale.com ranks Pace among the top 10% of private US colleges that provide the best return on tuition investment.

With three campuses located in and around New York City, Pace offers students a diverse selection of living and learning experiences. The New York City Campus in Lower Manhattan, recently renovated with ultramodern facilities, collaborative learning spaces, and residence halls, is within walking distance to Wall Street, South Street Seaport, and the Brooklyn Bridge, and a subway ride from all that the city has to offer. The Pleasantville Campus in Westchester County, only an hour by train from New York City, offers students the traditional suburban collegiate setting with state-of-the-art renovations on a 200-acre bucolic campus and 14 NCAA Division II teams. The White Plains Campus, home to the Elisabeth Haub School of Law, is situated in the heart of White Plains' buzzing suburban sprawl. These three strategic locations are regularly cited as a top reason why students choose to attend Pace University.

Pace is a university whose resources have played an essential role in the realization of individual dreams of achievement, and whose mission is voiced in the motto: *Opportunitas*.

Accreditation and Membership

Pace University is chartered by the Regents of the State of New York and is accredited by the Middle States Commission on Higher Education, 3624 Market Street, Philadelphia, PA 19104. (267-284-5000) The Middle States Commission on Higher Education is an institutional accrediting agency recognized by the U.S. Secretary of Education and the Council for Higher Education Accreditation. All Pace University degree programs are registered with the New York State Education Department.

The Bachelor's Degree Program in Chemistry is certified by the American Chemical Society. The Doctor of Psychology in School – Clinical Child Psychology Degree (Psy.D.) is accredited by the American Psychological Association. The Clinical Mental Health Counseling, MS (PLV) and the Counselor Education and Supervision, PhD (PLV) are accredited by the Council for Accreditation of Counseling and Related Educational Programs (CA-CREP). The Bachelor of Science in computer science is accredited by the Computing Accreditation Commission (CAC) of ABET, Inc. The baccalaureate degree in nursing, master's degree in nursing, and Doctor of Nursing Practice are accredited by the Commission on Collegiate Nursing Education (CCNE). The Physician Assistant Program is accredited by the Accreditation Review Commission on Education for the Physician Assistant (ARC-PA). The Graduate Program in Communication Sciences and Disorders is has been granted candidacy status by the Council on Academic Accreditation (CAA) of American Speech-Language-Hearing Association (ASHA). The Master of Science in Nutrition and Dietetics has been granted candidacy status by the Accreditation Council for Education in Nutrition and Dietetics (ACEND). The Lubin School of Business is accredited for both business and accounting by the Association to Advance Collegiate Schools of Business (AACSB International). The School of Education is accredited by the Council for the Accreditation of Educator Preparation (CAEP). The School of Law is accredited by the American Bar Association through its Council of the Section of Legal Education and Admissions to the Bar Association.

Pace University is an institutional member of the following organizations:

- The American Council on Education (ACE)
- Association of American Colleges and Universities (AAC&U)
- Association of Governing Boards (AGB)
- Campus Compact New York
- Coalition of Urban and Metropolitan Universities (CUMU)
- College Board
- Commission on Independent Colleges and Universities in New York (CICU)
- Council for Higher Education Accreditation (CHEA)
- Council of Independent Colleges (CIC)
- Council for Opportunity in Education (COE)
- Council on Undergraduate Research (CUR)
- National Association of Independent Colleges and Universities (NAICU)
- National Center for Faculty Development and Diversity (NCFDD)
- Project Pericles
- Reacting Consortium
- The Science Coalition
- University Professional and Continuing Education Association (UPCEA)

Following is a list of accrediting agencies with whom individuals may address complaints:

New York State Education Department

Address complaints to:

New York State Education Department

Office of College and University Evaluation

EBA Room 969

89 Washington Avenue

Albany, New York 12234

Phone: (518) 474-1551

Fax: (518) 486-2779

Supervisor, Higher Education Programs

New York State Education Department

89 Washington Avenue

Albany, NY 12234

Phone: (518) 474-1551

Email: IHEauthorize@nysed.gov

Marketing Arrangements and Partnerships

Pace partners with several third-party organizations which provide marketing, recruitment and some educational services:

AllCampus. Pace Online partners with AllCampus to provide marketing, student recruitment, and lead generation for several s online master degrees and, degree completion programs. AllCampus refers prospective students to Pace. All admissions, and academic program decisions are made by Pace.

Kaplan International Pathways provides marketing and student recruitment services to prospective students outside the United States. Kaplan refers prospective students to Pace. Kaplan may assist students in ensuring their application is complete, and may advise students on non-academic matters (i.e., travel, finding living arrangements, adapting to life as a student in the U.S.). Pace makes all admissions decisions, and determines the criteria under which students are admitted. Pace provides all academic programming. Kaplan and Pace together set the curriculum for the Pathways Program.

International Agents. Pace University uses a network of independent recruiters to augment its pipeline of prospective international students. The University selects, evaluates and trains independent recruiters in a variety of countries so they can present Pace as one of the options available to their clients who want to travel abroad to earn a degree. Recruiters help Pace build brand awareness and provide access to markets that are often remote and unfamiliar. Recruiters help prospective students by providing information about the application process to colleges and universities outside their home countries. They may also provide services such as pre-departure briefings, English language classes, standardized test prep, flight and accommodation bookings, and career guidance and job placement services upon the student's return home. Independent recruiters wishing to represent Pace must apply and sign an agreement (see attached application and agreement). Recruiters do not admit or deny students who have applied to Pace and they do not prepare any Visa related materials. Pace University began the practice of

working with independent recruiters in the Spring of 2011 and has since added 60+ other agencies marketing in over 50+ countries.

Gilder Lehrman Institute of America and Pace University have partnered to offer a Master of Arts in American History to middle- and high-school teachers in the Gilder Lehrman Affiliate School network. The program is designed enhance expertise in American History, as well as in Social Studies, Civics, and Government.

- **Program.** The MA in American History is a 30-credit fully online degree offered by Pace University. It has been approved by the State of New York Education Department. Pace University manages the admissions process and makes all decisions regarding admissions, transfer credit evaluation and articulation, and on-boarding of students. Pace provides the curriculum, guides the assessment processes, provides student support through the Pace libraries, Writing Centers, Tutoring Centers, Health Centers, Office of Student Accessibility, Advising, etc. Pace University confers the degree.
- **Curriculum.** The curriculum was originally developed by GLI. Pace faculty have reviewed all course syllabi and materials, and have approved the program curriculum. All courses are taught by Pace faculty, using Pace's online course platform. GLI provides access to a unique collection of primary sources and educational materials, access to subject-matter experts as master teachers, and extensive research on related topics and events.
- **Marketing.** The program is jointly marketed by both GLI and by Pace University.
- **Tuition.** Pace is offering this program at a discounted rate to members of the GLI Affiliate School Network. Students must present a letter of affiliation to receive the discounted tuition.
- **Transfer Students.** GLI had previously partnered with Adams State University to offer this program. The relationship with Adams State was terminated in spring 2018. As of fall 2018, Pace is providing students the opportunity to conclude their degree at Pace and for new students to enroll.

Harlem Village Academics/Progressive Educational Institute (HVA) and Pace University have partnered to offer the Master of Science for Teachers (MST) in Childhood and Special Education, for teachers in the HVA charter school network. This 38-credit master degree Transitional B certification program leads to dual initial certification in childhood and special education, and an MST degree from Pace University. This program enables HVA faculty to earn an MST while also teaching; blending theoretical knowledge with practical classroom applications.

- **Curriculum.** The curriculum for the program is designed collaboratively by the faculty who have expertise in the field of education. Pace School of Education programs are accredited by the Council for the Accreditation of Educator Preparation (CAEP) and adheres to CAEP standards.
- **Faculty.** Faculty are from both Pace University and Harlem Village Academies.
- **Location.** The program is taught at PEI/HVA (35 West 124th Street, New York, NY 10027) and online.
- **Tuition.** PEI offers subsidized tuition, as established by a special arrangement between Pace and Harlem Village Academies. For more information on program costs, contact info@peiharlem.org

Degree Offerings

- Associate in Arts (AA)
- Associate in Science (AS)
- Bachelor of Arts (BA)
- Bachelor of Business Administration (BBA)
- Bachelor of Fine Arts (BFA)
- Bachelor of Science (BS)
- Bachelor of Science in Nursing (BSN)
- Master of Arts (MA)
- Master of Arts in Nursing Education (MA)
- Master of Business Administration (MBA)
- Master of Fine Arts (MFA)
- Master of Laws in Comparative Law (LLM)

- Master of Laws in Environmental Law (LLM)
- Master of Public Administration (MPA)
- Master of Science (MS)
- Master of Science in Education (MSEd)
- Master of Science in Nursing/Family Nurse Practitioner (FNP)
- Master of Science in Physician Assistant Studies (MSPAS)
- Master of Science for Teachers (MST)
- Juris Doctor (JD)
- Doctor of Juridical Science (SJD)
- Doctor of Professional Studies (DPS)
- Doctor of Nursing Practice (DNP)
- Doctor of Psychology (PsyD)
- Doctor of Nursing Practice (DNP)

Admission

Applicants for admission to Pace University are considered in terms of past achievement and future promise. The Admission Committee considers the record of each applicant individually.

Procedures for Admission (Degree Students)

Ready to apply? Please visit www.pace.edu/apply.

First-Year and Transfer degree students may apply to Pace University for either the fall or spring semester and as a full-time or part-time student. International degree students must apply as a full-time student for either the fall or spring semester.

Effective for Fall 2020 applicants:

We now offer three admission decision plans- Early Decision, Early Action, and Regular Decision. Learn more about our Early Action and Early Decision Plans.

Key Dates and Deadlines:

Fall Early Decision (Binding) ** deadline	November 1
Fall Early Action1 (Non-Binding)** deadline	December 1
Fall Performing Arts deadline	January 15
Fall regular decision deadline	February 15 (Pace uses a rolling admission plan after February 15 based on space availability.)
Fall Nursing deadline	February 15
Fall FAFSA priority filing deadline	November 15
Fall Tuition and Housing Deposit deadline	May 1
Spring application deadline	December 1 (Pace uses a rolling admission plan after December 1 based on space availability.)
Spring Tuition and Housing Deposit deadline	December 15

****Applicants who are not accepted under Early Decision or Early Action will be reviewed, without bias, under the Regular Decision process. Early Decision applicants in this pool will be released from the binding Early Decision Agreement.**

Required Documents:

First-Year Applicants (domestic) - The following information must be submitted in order for a student to be considered for admission:

- An application for admission and a nonrefundable application fee of \$50.00
- An official high school transcript or High School equivalency diploma and scores (photocopies are not accepted)
- Optional SAT or ACT official score reports. To learn more, visit www.pace.edu/TestOptional
- 2 recommendations from a teacher and/or counselor that knows you well
- A personal statement or essay

Transfer Applicants – The following information must be submitted in order for a student to be considered for admission:

- An application for admission and a nonrefundable application fee of \$50.00
- An official transcript(s) from all previous colleges, universities, and/or proprietary schools attended

Transfer Applicants with less than 32 earned credits must also submit:

- Official, final high school transcript or High School equivalency diploma and scores (photocopies are not accepted)
- Optional SAT or ACT official score reports. To learn more, visit www.pace.edu/TestOptional

Please note that although the University does not require a Personal Statement/Essay or Letters of Recommendation for transfer applicants, these documents may be requested by the Office of Undergraduate Admission to complete the review process.

Transcripts from all previously attended colleges and universities must be submitted even if transfer credit will not be requested. Submission of false records or omission of previous college, university and/or proprietary school attendance may result in denial of admission, reversal of admission decision, and/or denial of transfer credit.

In order to complete the evaluation of credits and registration, all credentials should be received by the Office of Undergraduate Admission at least six weeks prior to the date of enrollment. Courses with grades of C or better are considered for transfer credit. Grades of C- or lower are not transferable.

Lienhard School of Nursing Applicants

The four-year BS in Nursing program is offered only on the Westchester Campus. The priority application deadline for first-year and transfer applicants is February 15. Admission to the program is competitive and is offered for the fall semesters.

For transfer applicants interested in the Lienhard School of Nursing, please note that there are additional requirements, which include prerequisite coursework and an admission exam. For more information, please visit www.pace.edu/transfer/nursing.

Lienhard School of Nursing students must be certified in Professional Providers CPR and submit a satisfactory medical certification, including physical examination, chest x-ray, and required immunization prior to their first clinical experience.

Freshmen / First Year

Candidates for admission to the freshman class should have a minimum of 16 academic units including four years of English, three to four years of history/social science, three to four years of college preparatory mathematics, two years of lab science, two years of a foreign language, and two to three academic electives. Prior to enrolling, students must complete the high school program or GED and graduate.

High School Equivalency Diploma – Candidates for admission who hold a recognized high school equivalency diploma (GED) must have a minimum total score of at least 3,000, with a minimum score of 410 on each individual part of the test. An applicant who has taken the GED scoring less than 3,000 may be eligible for admission as a non-degree student. Applicants must submit official test scores and a diploma (photocopies are not accepted) to the Office of Undergraduate Admission.

Note: Pace does not offer preparation courses for the GED.

Placement Examinations – Freshmen are required to take placement examinations to determine first-year programming. Details will be sent beginning in May after acceptance to the University. Upon review of Placement Exam results, an advisor will create schedule of classes based on the results of the placement test. Most students are assigned a standard course load of 12–16 credits per semester for the first year. Students who are admitted to a reduced program are advised to enroll in a program of 12–13 credits for their first year if the academic record and placement test results indicate the need for a gradual adjustment to the rigors of college-level work.

Students are bound by the degree requirements specified in the current catalog at the time of matriculation.

Transfer

A transfer student is defined as anyone who has earned college-level coursework after graduation from a secondary school or high school. Transfer applicants must submit high school records and college transcripts from all schools attended with their application.

Submission of false records or omission of previous college, university, and/or proprietary school attendance may result in denial of admission, reversal of admission decision, and/or denial of transfer credit.

Transfer Credit Policy - First-Year / Transfer Students

Undergraduate transfer credits are evaluated according to the following policy:

Grade Requirements – Transfer credit may be received only for courses taken at other institutions in which a grade of C or better was earned (C– grades are not transferable).

Major Program – Fifty (50) percent of the student's major program must be completed at Pace University. A major program is defined as those courses directly related to the student's primary course of study (e.g., accounting, marketing, history, mathematics, computer science, etc.). For students in the Lubin School of Business, the business core requirement is considered part of the major program.

Degree Program – The number of transferable credits is determined by the degree program to which the credits will be applied.

Bachelor's Degree – A maximum of 90 -96 credits (See below for Residency requirement limitations) may be transferred to a bachelor's degree program from accredited four-year institutions (see below for limitations on transfer from two-year colleges). Specific credits are awarded dependent upon the program in which the student registers.

Residency Requirement - The number of transferable credits is limited by the degree program to which the credits will be applied. All students are required to complete a minimum of 25% of the total number of credits required for their degree "in residency". Therefore if your program requires a total of 120 credits, the residency requirement is 30 credits. For programs that require a total of 128 credits or more, the residency requirement is 32 credits. Students are also required to complete 50% of their major and 50% of their minor requirements at Pace University. A major program is defined as those courses directly related to the student's primary course of study (e.g., accounting, marketing, history, mathematics, computer science, etc.). For students in the Lubin School of Business, the business core requirement in the major field is considered part of the undergraduate major program. In addition, 50% of all business credits required for the BBA degree is to be completed at the University.

Transfer Credit Conversion - Pace University's academic calendar is based on the semester system. College credit is accumulated based on semester hours. If the previous institution attended was not on a semester system, a credit conversion will be required and completed as follows:

Quarter Hour System – A conversion of hours must be completed to reflect the proper number of credits for each course. To convert credit hours to the semester system from the quarter system, multiply by 0.667. The table below reflects the number of semester credits granted for quarter-hour credits.

Quarter Hours	Semester Hours
6	4
5	3
4	2
3	2
2	1
1	No credit granted

Pace University does not offer “half” credit courses. If courses from the previous institution attended did not have whole semester hours, the credit hours of those courses will be rounded down (example: 2.5 credits are rounded down to 2). The contact hours of a half-credit course does not meet the contact hour requirement for a one-credit course at the University. Whenever possible, courses containing half credits will be grouped together to grant the most credit possible to the student.

Transfer from Two-Year Colleges – A maximum of 68 credits may be transferred from accredited two-year institutions toward a bachelor's degree program. Credit will be granted only for equivalent lower-division and some upper-level courses offered at Pace as determined by the appropriate academic department.

Course Equivalency – Courses transferred must be applicable and comparable to corresponding courses in which the student is, or will be, enrolled at Pace University. In cases where the student's program at Pace provides for electives, the student may receive elective credit toward the degree requirement for those courses taken at another institution that are not offered at Pace.

Sources of Transfer Credit:

- Institutions accredited by a regional affiliate of the Commission on Higher Education (e.g., The Middle States Association of Colleges and Schools);
- Institutions that have entered into transfer credit articulation agreements with Pace University (click here for more information);
- Other institutions, with the approval of the appropriate chairpersons and dean;
- Results of acceptable performance on standardized proficiency examinations.

Where a standardized proficiency examination is not available, a Pace departmental Challenge Proficiency Examination may be administered. The cost of each examination is one credit of tuition for each course challenged.

International Student Applicants

Would you like to apply? Please visit www.pace.edu/apply.

An international student is defined by Pace as any student who enters the U.S. on a nonimmigrant visa, including a student, exchange student, diplomatic, or dependent visa, to study at the University.

Application Procedures

International students are required to complete the Application for Admission for Undergraduate International Students.

Would you like to apply? Please visit www.pace.edu/apply.

Key Dates and Deadlines:

Fall Early Decision (Binding) ** deadline	November 1
Fall Early Action1 (Non-Binding)** deadline	December 1
Fall Performing Arts deadline	January 15
Fall regular decision deadline	February 15 (Pace uses a rolling admission plan after February 15 based on space availability.)
Fall Nursing deadline	February 15
Fall FAFSA priority filing deadline	February 15
Fall Tuition and Housing Deposit deadline	May 1
Spring application deadline	December 1 (Pace uses a rolling admission plan after December 1 based on space availability.)
Spring Tuition and Housing Deposit deadline	December 15

In support of the application for admission, the following information is required by the Office of Undergraduate Admission before a final admission decision can be made:

- Academic records (transcripts), diplomas, and final examination scores from all secondary (high school) and post-secondary (college, university) institutions (in English). Photocopies, facsimiles, and notarized copies of academic records (transcripts) are not considered official and will be accepted for review purposes only. Official documents must be submitted by point of enrollment.
- Academic records (transcripts) issued in a language other than English are required to be translated and attested by the institution of origin or an approved evaluation/translation agency accepted by Pace University.
- Transfer applicants should also submit an official catalog or syllabus of course work from each post-secondary institution attended to receive transfer credit.
- Applicants whose native language is not English must submit the results of the Test of English as a Foreign Language (TOEFL), or Pearson PTE academic, or the International English Language Testing System (IELTS). Official test scores must be sent directly to Pace University. Photocopies or notarized copies of TOEFL, PTE or IELTS scores are not accepted. Scores must be within 2 years of application.
- Two letters of recommendation from a teacher, academic counselor, or individual who knows the applicant well and can describe her or his academic potential and personal characteristics (first-year applicants only).
- A personal statement or essay on a topic of their choice.

Student and Exchange Student Visas

To receive an entry visa for study in the U.S., an international student must demonstrate that he or she has sufficient funds available to pay for tuition, room and board, and all living expenses for his or her studies at Pace University for a minimum of one year.

Proof of funding is submitted via Pace University financial affidavit and corresponding bank statement. Please visit the international student applicant page (<https://www.pace.edu/admissions-aid/undergraduate-admissions/international/welcome-international-undergraduates>) for more info about the application/TOEFL/Visa requirements.

Enrollment and Registration – After a student has been notified of her or his acceptance, a \$100 nonrefundable tuition deposit is required for those choosing to enroll. For students planning to live in university-sponsored housing, a nonrefundable \$500 tuition and housing deposit will be required. Specific information will be sent by the International Director of Admission at the time of admission regarding the deposit deadline.

All new international students are required to complete the University's placement examination prior to arrival on campus and course registration. Students having limited English skills may be required to enroll in intensive noncredit English classes prior to their enrollment in academic courses. Noncredit intensive English courses will entail additional expense and extend the time normally required to complete the student's degree.

Advanced Placement Credit and International Baccalaureate Diploma Program – Pace University recognizes the demanding course of study involved with the Advanced Placement exams and the International Baccalaureate Diploma Program (IB). This coursework is viewed as a strong indicator of academic promise and achievement.

At Pace University, credit or advanced standing may be awarded for International Baccalaureate higher level (HL) examinations with scores of 4, 5, 6, or 7. Credit and advanced standing is determined on a course-by-course basis.

Credit for Advanced Placement exams will be granted to those students that score a 4 or a 5 on their submitted exams. Credit and advanced standing is determined on a course-by-course basis.

For more detailed information, please contact the Office of International Admission. Additional information regarding the International Baccalaureate can be obtained from your guidance counselor or the IB North America Regional Office in New York:

Email:	ibna@ibo.org
Telephone:	(212) 696-4464
Fax:	(212) 889-9242

Non-Degree Students

Non-degree students, (students enrolled in credit bearing courses who have not been admitted into a degree program), are admitted, registered, and advised by the Office of Undergraduate Admission. Admission as a non-degree student requires completion of high school or a GED, and/or proof of good academic standing at previously attended colleges or universities.

Submission of false records or omission of previous college, university, and/or proprietary school attendance may result in denial of admission, reversal of admission decision, and/or denial of transfer credit.

Non-degree students may enroll in classes for the fall, spring or summer semesters and attend on a part-time basis, registering for a maximum of 11 credits per term, up to a maximum of 25 credits in total. Students may apply for matriculation into a degree program after meeting the following requirements:

Application for Matriculation - Students who wish to pursue a degree may be asked to take specific courses in order to demonstrate academic ability before being accepted into a degree program. Because many students come to Pace University with previous college credit, a meeting with an adviser is required for all course selection. Prior credits earned will be applied to degree requirements upon the student's acceptance into a degree program. In general, the requirements for matriculation are:

Requirements For Matriculation Completion of twelve (12) University Core credits at Pace University, including ENG 110 and/or 120*, MAT 103 or higher*, and a minimum 2.50 grade point average. Students matriculating into the Lienhard School of Nursing and the School of Education must attain a 3.0 grade point average. (Note: All I-R and F grades must be cleared before matriculation).

Placement Examinations – Non-degree students seeking matriculation may be asked to take placement examinations to determine English and Math ability. Upon review of Placement Exam results, an adviser will create schedule of classes based on the results of the placement test.

**Unless these writing or math courses transfer in from another institution. Other courses may be substituted.*

Visiting Student Status

A Visiting Student is a non-degree student who takes classes at Pace for the purpose of transferring the credits back to another university or college. Visiting students are admitted and registered by the Undergraduate Admission Office. Requirements for admission may include any or all of the following: official copy of college transcript(s), letter of permission from the applicant's resident academic institution including a statement of good academic standing, HS transcript or GED or proof of HS graduation.

Advanced Placement

College Board Advanced Placement Program – Pace University is a participant in the Advanced Placement Program of the College Board. Students who achieve satisfactory scores on the Advanced Placement Tests must send official test results and may receive credit and/or advanced placement.

For more detailed information, please contact the Office of Undergraduate Admission.

Educational Testing Service	-or-	Educational Testing Service
Box 592		Box 1025
Princeton, NJ 08540		Berkeley, CA 94701

International Baccalaureate

Pace University may accept International Baccalaureate (IB) credit, provided a certain score is attained. Credit is granted for higher level (HL) courses only.

CLEP and CPEP Examinations

Credit may be awarded for results obtained through the College Level Examination Program (CLEP) and the New York State College Proficiency Exam Program (CPEP) provided that the courses are applicable to the degree program chosen and a satisfactory score has been achieved.

CLEP General Examinations – Students must attain at least a minimum score of 50 to receive credit from the general examination.

CLEP Subject Examinations – The standard score required for credit must be equivalent to a C grade (based on the most recent college board norming data). The number of credits awarded is based upon the recommendations of the College Level Examination Program.

American Council on Education (ACE) Credit

Transfer credit may be granted for credit earned or standardized exams taken that are approved by the American Council on Education. Evaluation and approval of credit is subject to review by Pace chairpersons or dean.

iPace and Continuing Education

Online Bachelor's Degree Completion Programs can be completed part time. You may go to: www.pace.edu/iPace. You can also contact the Admission office at 212-346-1324 or via email at iPace@pace.edu.

Matriculation

In order to receive a degree, students must become matriculated; that is, officially accepted into a degree program.

Students who wish to pursue a degree may be asked to take specific courses in order to demonstrate academic ability before being accepted into a degree program. Because many students come to Pace University with previous college credit, a meeting with an adviser is recommended for course selection. Prior credits earned will be applied to degree requirements upon the student's acceptance into a degree program. In general, the recommended requirements for matriculation are:

Requirements For Matriculation

Completion of twelve (12) University Core credits at Pace University, including ENG 110 and/or 120* and a minimum 2.0 grade point average. In addition, students matriculating into the Lubin School of Business must complete MAT103 or higher* within the 12 University Core credits. Students[WU2] matriculating into the Lienhard School of Nursing and the School of Education must attain a 2.75 and 3.0 grade point average respectively. (Note: All I-R and F grades must be cleared before matriculation).

**Unless these writing or math courses transfer in from another institution. Other courses may be substituted.*

Earning Credits Towards Your Degree

Prior Learning Assessment

Adult/non-traditional students are likely to have acquired college-level learning outside of the academic classroom. In addition to evaluating transfer credit from prior college work, Pace University offers assessment of prior learning, including credit by examination, experiential learning assessment, and acceptance of ACE/NCCRS-recommended credit.

Experiential Learning Assessment

Pace University recognizes that adults often come to school with a great deal of experience and knowledge gained outside of a formal academic setting. Students interested in exploring the possibility of earning college credit for that knowledge should meet with an advisor to explore the options available. When an advisor determines that a student may be eligible for experiential credit, the student will be encouraged to enroll in a prior learning assessment course (INT 196B). This course will guide the student through the process of writing a portfolio that will be submitted for evaluation to the appropriate academic department. A faculty

evaluator reviews the portfolio and, if college-level learning is demonstrated, approves the granting of credits. Credit earned through portfolio assessment is entered on a student's transcript as institutional transfer credit. Students must be enrolled in one of the on-campus adult degree programs to earn up to 36 portfolio credits (BS in Professional Studies, BBA in General Business and BS in Professional Computer Studies)*. Students may also apply up to 15 portfolio credits* to traditional bachelor degrees with permission of the chairperson of the department in which the major is offered. The portfolio process may not be completed once the student has obtained 96 transfer credits towards a degree.

*There is no guarantee of earning 36 or 15 portfolio credits. The number of portfolio credits earned depends on the individual student's experience and the extent to which that experience is deemed to be equivalent to comparable learning achieved in Pace University coursework.

College Level Examination Program (CLEP)

Accelerate completion of your degree by taking the CLEP exams. The College Level Examination Program, created by the College Board and Educational Testing Services, offers standardized tests at Pace that allow you to obtain college credit in general and subject areas.

Noncredit and Non-Degree Programs

Pace University's Continuing and Professional Education offers a variety of noncredit courses, seminars, certificates, and training opportunities. For a list of courses, please visit: <http://www.pace.edu/CPE>.

Tuition and Fees

Tentative Tuition and Fees

(subject to change)

Tentative Undergraduate Tuition Rates for Fall/Spring 2019-2020

Full-time Tuition Rate **Per Semester** (12-18 credits)* \$22,357.00

**Credits above 18 are assessed at the Part-time Per Credit Rate*

Part-time Per Credit Hour Rate (1-11 credits) \$1,282.00

Tentative Graduate Tuition Rates for Fall/Spring 2019-2020

Graduate Tuition Per Credit by School/College:

School/College	Tuition Per Credit
Actors Studio MFA	\$44,528.00 per year
College of Health Professions 2-year Combined Degree	\$1,167.00 per credit
College of Health Professions Nursing Combined Degree-Day	\$20,500.00 per semester
College of Health Professions Nursing (DNP Only)	\$9,650.00 total program
College of Health Professions Nursing (excluding DNP) Graduate Rate	\$1,305.00 per credit
College of Health Professions - PA Program	\$105,000.00 total program
Dyson Arts and Sciences Graduate Rate	\$1,285.00 per credit

University Health Care Fee	\$75.00

** Tuition and Fees subject to change*

Summer 2020 Tuition

Undergraduate	\$995.00 per credit
Graduate	Varies per college/program

Special Course Fees

Special course fees are listed in the Course Schedule (<http://www.pace.edu/osa/academic-scheduling/class-schedule>), with the specific course, if applicable.

General Institution Fee (GIF)

Pace University assesses a General Institutional Fee (GIF) to cover costs associated with ancillary services provided to students which are not covered by tuition: advisement, registration, tutoring and writing centers, library services, co-op and career services, inter-campus transportation, safety and security, parking, and athletic activities. Many institutions charge similar fees or assess separate fees for the aforementioned services. Pace University has consolidated the cost of these services into one concise fee.

University Health Care Fee

The Health Care fee supports the existence of the University Health Care Unit that are located on the New York City and Pleasantville Campuses. These on-campus facilities are staffed by nurse practitioners - registered nurses who have received training in diagnosing and treating illness, and prescribing medications and other treatments. The UHCU is available to all Pace students, regardless of their ability to pay or health insurance coverage or whether or not the student chooses to make use of these facilities. This fee also supports some of the services offered by our Counseling and Personal Development Centers on both campuses.

Technology Fee

Pace University assesses a Technology Fee to ensure students have access to the latest instructional technology resources available. All revenue generated from the technology fee goes directly towards funding instructional technology initiatives that are focused on enhancing the student learning experience. A committee comprised of students and faculty will vote to determine which discretionary initiatives receive funding each year, with annual reports to be provided to the Pace Community.

Graduate Courses Taken by Undergraduates

Students who are enrolled in a combined degree program are treated as undergraduate students through the end of the semester (Fall, Spring, or Summer) in which they earn 120-128 credits toward their degree, and then are treated as graduate students beginning with the first semester after the semester in which they achieve 128 credits toward the degree. They are assessed the prevailing undergraduate or graduate tuition rate where appropriate. Undergraduate students who are not enrolled in a combined degree program and who are advised to enroll in a graduate course (resulting in a 12-18 credit load) will be charged the prevailing undergraduate flat-rate tuition. Please be reminded that non-combined-degree undergraduate students may only have a maximum of six (6) graduate credits applied to their undergraduate degree.

Important Notes

- Students in arrears to the University may not be permitted to register for either credit bearing or non-credit bearing continuing education courses until their prior balance is paid in full. Payments received for new enrollments will be applied to any outstanding balance due Pace University.
- In all cases students must contact their campus Office of Student Assistance via mail, telephone, or in person to communicate their intention to attend whether or not a payment is due or a bill has been received.
- **PERSONAL CHECKS:** Personal checks are accepted in payment of tuition and fees. A charge of \$20.00 is assessed for each check returned unpaid by the bank. The Office of Student Assistance reserves the right to exclude students from using personal checks, and may require a student to pay by certified check or money order if an account is more than 90 days in arrears.
- **CREDIT CARDS AND WEBCHECKS:** Credit cards (Visa, MasterCard, American Express, and Discover/Novus) are accepted for payment. Credit cards may be used to pay in full the semester charges, less validated Financial Aid. Credit card payments can only be made online at www.pace.edu/pay and are subject to a 2.85% service fee through TouchNet. If late fees apply, they will be charged to the student's account. The Office of Student Assistance reserves the right to exclude students from paying by credit card and may require a student to pay by certified check or money order. Students may also pay via WebCheck through their MyPace Portal. A personal checking or savings account from a U.S. financial institution is required. A student will need the account number and the routing number of the financial institution in order to process a WebCheck payment.
- **DELINQUENCY OF OUTSTANDING BALANCES:** Delinquent outstanding balances, including those from installment payment plans, are subject to collection by the University or, at the University's option, its designated agent. Late charges and interest may be added to a delinquent outstanding balance. In addition, the actual collection expenses, including attorneys' fees, if any, incurred by the University will be added to the delinquent outstanding balance. **The amount of the**

actual collection expenses and fees may exceed 50 percent of the delinquent outstanding balance (including any late charges and interest).

- Any student who has a delinquent outstanding balance is not eligible to enroll at the University. The University will not provide copies of transcripts to or on behalf of any student with a delinquent outstanding balance. A delinquent outstanding balance will be reported to all national credit bureaus and may significantly and adversely affect the student's credit history. The University may pursue legal action to recover the amount of the delinquent outstanding balance plus any late charges, interest, actual collection expenses, court costs, and attorneys' fees.

How to Make a Payment

Pace University no longer accepts debit/credit cards in-person, by mail, fax, or over the phone for payment of Tuition, Housing, Meal Plan and fees. However, debit/credit cards can be used to pay online through TouchNet/PayPath via www.Pace.edu/Pay.

TouchNet is an independent third party contractor who accepts payments to the student account and charges a non-refundable convenience fee based on the amount charged. Credit/Debit card payments will incur a fee of 2.85% which is assessed by TouchNet and not Pace. The convenience fee is paid in full to and retained by TouchNet. The University does not receive any of this fee. The charge for the convenience fee will appear separately from the payment on your card statement. There will be no charge for online payments using your checking or savings account.

To make a debit/credit card payment, visit www.Pace.edu/Pay or login to My Pace Portal using your Pace credentials, click on the Student Tab, and click on Registration, Grades and Tuition Schedule. Then, click on Pay Your Bill / Payment Plans and follow the steps to make payment.

1. Online

In MyPace Portal, students can make payment under "Registration and Grades", "Pay Bill / Payment Plans". You will have the option of paying by webcheck or credit card. Pace accepts Visa, MasterCard, American Express, and Discover/Novus through PayPath, a service provided through TouchNet™. Parents and other authorized users can make payment by web check or credit card via the Payment Portal. If you wish to pay in monthly installments, you must enroll through the Payment Portal.

For a tutorial on how to pay your bill online, please click here or visit <http://www.pace.edu/osa/pay>.

2. By Mail

Payment may be made via check or money order. Please include your Student ID number and make your check or money order payable to Pace University and send to Payment Processing Center, 861 Bedford Road, Pleasantville, New York 10570.

3. In Person

Check/Cash payment may be made directly at one of the OSA/Student Solution Centers during office hours:

NYC Campus

Pace University
157 William Street, 5th Floor
OSA/Student Solutions Center
New York, NY 10038-1598

Pace University

White Plains, NY 10603-3796

Westchester (Pleasantville) Campus

White Plains Campus (Law School)

4. International Payments

Pace University has partnered with Flywire for international payments. This services provides students and their families a cost effective and convenient method of making payments to Pace in foreign currencies.

Flywire allows you to:

- Pay from any country and any bank
- Save money on bank fees and ensure your payment is received in full
- Obtain excellent foreign exchange rates with a best rate guarantee
- Receive piece of mind with 24x7 multilingual customer support
- Track your payment from start to finish

To make your payment, please visit: www.pace.flywire.com. For questions about making a payment with Flywire, you can email support@flywire.com.

Payment Options

Payment Options

Please Note: All students are bound by the payment due date, whether or not a University bill is received. Semester charges and payment information are available through your MyPace Portal account.

Full Payment for Fall 2019 Semester

- Payment is due on the officially designated payment date shown below or at the time of registration:

Graduate: August 1 or day of registration if after August 1

Undergraduate: August 1 or day of registration if after August 1

Full Payment for Spring 2020 Semester

- Payment is due on the officially designated payment date shown below or at the time of registration:

Graduate: January 2 or day of registration if after January 2

Undergraduate: January 2 or day of registration if after January 2

Monthly Payment Plan

- Pace University offers Payment Plans for each semester (Fall, Spring, and Summer.) Students may enroll in the payment plan through My Pace Portal (<https://portal.pace.edu>) or follow the path from the Office of Student Assistance's Billing and Payment webpage.

Financial Aid/Loan Recipients

- Validated Financial Aid Awards or approved Loans may appear on your invoice. If there is a discrepancy or aid is missing, call or visit the Financial Aid Office as soon as possible: (877) 672-1830, option 1.

Student Refunds

Students may be eligible to receive a refund, in accordance with Title IV regulations, when payments posted to their student account exceeds the cost of tuition, fees, dorm, meal charges and any other allowable ancillary charges, as authorized by the student and/or parent. Payments may include disbursed financial aid (including scholarships and loans), check payments, and other payments resulting in a credit balance. **The refunding process starts immediately following the official opening date of a semester and refunds are generated once per week. Student refunds will be processed more than once per week to BankMobile when the volume warrants. Please consult your campus Office of Student Assistance (OSA) for specific disbursement dates. Refund checks prepared by the University will continue to be issued once per week.** Students may review the status of their account by viewing the Account Summary section of their portal.

Refund Selection

Students will receive a BankMobile envelope in the mail that contains a Refund Selection Kit, including a personal code. Students should log onto www.refundselection.com or www.bankmobilevibe.com and choose a preferred method for receiving excess funds. There are two methods available through BankMobile: 1) **BankMobile Vibe Account** - This means that within minutes of your refund being released by the university you can have use of your money; or 2) **ACH Transfer** - Have your money directly deposited into any bank account you designate (Students are required to fill out a form). To learn more about setting up your refund preference and the features and benefits of the BankMobile Vibe checking account, student should visit their website at www.bankmobilevibe.com.

Student refunds will be generated:

- When a credit balance is created as a result of **the posting of Title IV financial aid** (including Federal Pell Grant, Federal SEOG, Federal loans), a refund will be sent to BankMobile for distribution to the student, in accordance with the student's indicated preference. If the aid is disbursed before the semester starts, the credit will be sent to BankMobile no later than 14 days after the official opening date of the semester. Thereafter, refunds are typically mailed within ten days of disbursement, but assuredly within 14 days from the date the credit balance is created.
- If an account is paid, in part or in full, by a **Parent PLUS loan**, and a credit balance exists, a Pace University check will be drawn, payable to the borrower, to the extent of the existing credit balance, but not exceeding the amount of the PLUS loan. If the loan is disbursed before the semester starts, the check will be mailed no later than 14 days after the official start date of the opening of the semester. Thereafter, refunds are typically mailed within ten days of disbursement, but assuredly within 14 days from the date the credit balance is created. Parents may waive their right to receive the excess funds by completing the authorization on the PLUS application, thereby releasing any excess PLUS funds to the student. Requests will be valid for the specified academic year only.

- When a credit balance is created as a result of an overpayment or class withdrawal and a check or cash payment only is used, a refund will be sent to BankMobile for distribution to the student, in accordance with the student's indicated preference.
- **Credit Card Refunds:** The Office of Student Assistance refunds in kind, i.e., to the credit card used to pay for the semester's charges. If financial aid is disbursed after the application of the credit card payment, any resultant credit will be refunded to the credit card, up to the amount paid by credit card. The amount refunded to the credit card will never exceed the amount of the original credit card payment. Any excess credit above the original credit card payment will be refunded according to the guidelines stated earlier. **NOTE: The convenience fee of 2.85% charged by TouchNet is a non-refundable fee.**
- If a student withdraws from a course or all courses, the level of aid eligibility may be recalculated based on the date of the withdrawal and the amount of tuition cancellation, if any. (The Tuition Cancellation Policy may be found within the on-line Class Schedule, under "Tuition and Fees.") **When a recipient of federal funds withdraws or stops attending classes during the first 60% of the semester** (payment period), a recalculation in compliance with the federal Return to Title IV Funds policy will be done. Return to Title IV Funds calculations (R2T4) are completed by the Financial Aid Office, in accordance with Federal regulations. Institutional and New York State funds will also be recalculated according to the policies in place for those funds if a recipient withdraws and receives a full or partial tuition cancellation. Any unearned aid will be returned to the source (e.g. U.S. Department of Education, New York State, etc.) After review, if a student is deemed ineligible for any or all financial aid, any balance due resulting from recalculation of aid becomes the responsibility of the student.

This policy is subject to change without prior notification. Please consult your campus Office of Student Assistance if additional assistance is necessary.

<https://www.vibeaccount.com/swc/doc/landing/18011umha1zeom0r4taq>.

Tuition Cancellation Policy

Undergraduate and Graduate Students

Tuition and special course fees are cancelled only in the following situations: [1] when a student is separated from the University for academic reasons prior to the end of a semester; [2] officially withdraws from any course or courses, regardless of the method of instruction, by filing a written notice to the Office of Student Assistance; or [3] officially withdraws using the MyPace Portal at www.pace.edu/MyPace. **Please note: Application, technology, general institution, and university health care fees are not refundable.** Tuition cancellation will be made according to the schedule associated with the term of enrollment. Please see the Tuition Cancellation Schedule for more information.

Note: It is the student's responsibility to withdraw from courses for which the student has registered. Failure to officially withdraw will result in tuition liability. Students may withdraw online through the MyPace Portal or by filing with the Office of Student Assistance. Non-attendance of classes, informing the instructor of withdrawal, or stopping payment on a check does not constitute official withdrawal and does not relieve the student of his or her financial obligation, or entitle the student to a refund. A student who registers for class and does not attend class remains fully responsible for all financial obligations. In addition, federal financial aid recipients who cease attending classes for a term, but do not officially withdraw, will be deemed to have unofficially withdrawn and will have a portion of their federal aid cancelled after the close of the term when their failure to complete their courses is recorded.

It is important to note that all charges and cancellations are based upon tuition commitments for the full semester. The effective date of withdrawal and cancellation, if any, will be the date when formal application is filed with the Office of Student Assistance (notification to the instructor is not sufficient) or withdrawal via the MyPace Portal at www.pace.edu/MyPace. In the case of withdrawal by mail, the official postmarked date of the correspondence will be the effective date of withdrawal.

Students registered for a monthly payment plan are responsible for completing all payments if a balance exists after cancellation of tuition. **Application, technology, general institution, university health care, student activity fee, and non-course fees are not refundable.**

Tuition Cancellation Schedule

Time of Withdrawal:

Note: Weeks are counted as seven calendar days and count from the first day of the semester or term. **THE APPLICATION, TECHNOLOGY, GENERAL INSTITUTION, STUDENT ACTIVITY, AND UNIVERSITY HEALTH CARE FEES ARE NON-REFUNDABLE.**

Fourteen-, Fifteen-, or Sixteen Week Term

(most Fall and Spring courses)

	% Cancellation
Prior to and during 1st and 2nd week of term	100%
During 3rd week of term	70%
During 4th week of term	25%

Prior to and during 1st week of term	100%
During 2nd week of term	70%
During 3rd week of term	20%
After 3rd week of term	0%

Cancellation Because of Serious Illness

If a student withdraws from all his or her classes during the first half of the semester due to serious illness, a prorated cancellation of tuition and special course fees may be permitted, if a tuition appeal is submitted in accordance with policy. The policy is applicable to the student's personal illness only, and must be documented with an original copy of a physician's diagnosis and recommendation **and, if working, disability papers**. Any resulting credit balance may be refunded to the student. If the withdrawal takes place during the first 20 percent of the semester, a 100 percent tuition cancellation will be allowed, provided the resulting credit remains on account, to be used within a one-year period. If withdrawal takes place after the midpoint of the semester, a prorated cancellation will be permitted but any resulting credit must be held on account to be used within a one-year period.

Note: Students who are financial aid recipients and receive a cancellation due to medical reasons are subject to financial aid review and possible aid adjustment.

Cancellation Because of Business Transfer

Students leaving the area during the first eight weeks of class because of a **permanent** business transfer may receive a prorated refund of all the semester's tuition and special course fees, provided they submit a tuition appeal in accordance with policy. Written substantiation from the employer must accompany the request for a refund. **A change of employer, work responsibility, hours, or required business travel does not qualify as a business transfer.**

Note: Students who are financial aid recipients and receive a cancellation due to a business transfer are subject to financial aid review and possible aid adjustment.

Cancellation Because of Military Service

To comply with the new Department of Defense policy, Pace University will return any unearned TA funds on a prorate basis through at least the 60% portion of the period for which the funds were provided. TA funds are earned proportionally during an enrollment period, with unearned funds returned based upon when a student stops attending. These funds are returned to the military Service branch.

Cancellation because of Military Service: Any student required to discontinue attending classes because of induction into or activation in the U.S. military service (i.e. National Guard or Reserve activation or periods of Active Duty for Training) may be eligible for a complete refund of all tuition and fees, if orders to report for active duty are received within the first two weeks of class. Thereafter students may choose either a prorated refund or an application of full credit of tuition and fees to future

enrollment. Once Student receives notice of call-up, they need to immediately inform their Professors, Advisors and Pace University's Veteran Services Office.

Financial Aid Refund and Repayment Policy

When a student who is receiving financial aid withdraws from or drops classes for any reason, the resulting refund, credit, or cancellation of tuition, fees, dormitory charges, or meal plan charges must be credited first to the financial aid programs from which the student was receiving funds for that semester. The amount credited to each financial aid program is determined by the type of aid received, the number of credits the student had before and after the drop or withdrawal, the length of time the student was enrolled, and the amount of any adjustment to charges.

Please note that to officially withdraw from classes, a student must withdraw online at www.pace.edu/MyPace, or file for withdrawal with the Office of Student Assistance.

Federal Financial Aid Recipients Who Withdraw From All Classes

Federal Title IV financial aid includes: Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (SEOG), Federal Perkins Loan, Federal Direct Stafford Loans, and Federal Direct PLUS Loans (Parent Loans for Undergraduate Students or Graduate PLUS loans). For students who withdraw from all classes for a semester, federal regulations require that the Financial Aid Office perform the Return to Title IV Funds calculation.

If the student has withdrawn within the first 60 percent of the semester, the student is considered to have "earned" the portion of disburseable Title IV funds equal to the ratio of the number of days the student was enrolled to the number of days in the semester. The calculation will require the return of all federal aid that exceeds the "earned" portion. The amount of aid returned to each program is dictated by the federal calculation.

The Return to Title IV Funds calculation also determines the amount of awarded but not yet disbursed aid, if any, that can be credited to the student's account. Students may not apply for additional federal aid after withdrawing from all classes.

If a return of funds is required, it must be distributed to the various financial aid programs in the following order prescribed by law:

1. Federal Unsubsidized Direct Stafford Loan
2. Federal Subsidized Direct Stafford Loan
3. Federal Perkins Loan
4. Federal Direct PLUS Loan (for parents or graduate students)
5. Federal Pell Grant
6. SEOG (Federal Supplemental Educational Opportunity Grant)

Note: In certain circumstances a student may be required to repay a portion of a refund back to the federal government.

Federal Financial Aid Recipients Who Withdraw Below Six Credits (Note: The procedure varies by program.)

Federal Work Study (FWS) – A student working under the FWS program who drops or withdraws below six credits must stop working immediately because he/she no longer meets the federal guidelines for FWS.

Pell Grant – A Pell Grant Award is determined by the student's Effective Family Contribution and enrollment status. Pell awards may be adjusted for changes in enrollment that occur during the first 4 weeks of a semester.

Federal Supplemental Educational Opportunity Grant (SEOG) – If a student receives a refund, credit, or cancellation of any institutional charges and SEOG has been disbursed to the student's account, an adjustment may be required as a result of the change in Cost of Attendance. If the grant has yet to be disbursed, eligibility may change.

Federal Perkins Loans, Direct Stafford Loans, and Plus Loans – If a student receives a refund, credit, or cancellation of any institutional charges and a loan has been disbursed to the student's account, an adjustment may be required. If a loan has yet to be disbursed, loan eligibility may change. In addition, any undisbursed second disbursement of a Direct Stafford Loan or Direct PLUS Loan must be cancelled.

All Federal Aid – Students may not apply for or be awarded additional federal aid after withdrawing below six credits.

Recipients of Pace University Scholarships and Grants Who Withdraw From Any Classes

If a student withdraws from any classes and receives a refund, credit, or cancellation of tuition, fees, dormitory charges, or meal plan charges, any University aid the student has received that is applicable to the reduced charges will be adjusted if the withdrawal resulted in the student being enrolled in fewer than the minimum required number of credits for the type(s) of aid received. Most University scholarships and awards are applicable to tuition; other types of University aid are applicable to other combinations of charges. The amount of each type of aid reduced will equal the ratio of the reduced charges to the original charges.

Recipients of New York State TAP and Other State Grant Programs Who Withdraw

New York State regulations govern the reduction or cancellation of TAP in cases where students withdraw or drop classes. New York State TAP and most other state grant programs are applicable only to tuition. If a student withdraws and receives a refund, credit, or cancellation of tuition and/or fees, New York State awards must be reduced to ensure that the award amount does not exceed the remaining applicable charges. In addition, other adjustments may be necessary. The student should contact the University TAP coordinator regarding TAP and other New York State grant program refund requirements.

In all cases, students who are considering withdrawing from classes may call or visit the Financial Aid Office for further details or to discuss their particular situation.

Athletics and Recreation

Pace University views athletics and recreation as an integral part of the educational experience. The athletics program is designed to bring students together through participation in a variety of varsity, intramural, club, and recreational sports while serving as a focal point for all students, faculty, staff, and alumni.

As with other non-academic activities, athletic activities add another dimension to university life. Intercollegiate and intramural sports give students of Pace University a chance to compete at many levels of ability and interest. There are currently 14 varsity teams, a spirit squad made up of cheerleading, dance, and pep band, club men's soccer, and a wide variety of intramural sports.

The 75,000 square-foot, \$17 million Ann and Alfred Goldstein Health, Fitness and Recreation Center has been a recognizable landmark of the Pace community since its opening in 2002. The multipurpose, state-of-the-art facility, located on the Pleasantville campus, includes a 2,400 seat arena, an eight lane natatorium, a walking/jogging track, a weight room, an aerobics room, an athletic training facility, locker rooms, and a health care center.

Also, in collaboration with the university, the athletics department recently completed construction of four new facilities. Pace Stadium, a new multipurpose field with lights, Field Turf and 1,100 seats for football, women's soccer, men's lacrosse, and women's lacrosse opened in the fall of 2015. Peter X. Finnerty Field, home of our baseball and field hockey teams, now has Field Turf and lights and a new softball field was also built on the Pleasantville campus. In the spring of 2016, the 14,010 square foot, multi-million dollar Joseph R. Ianniello Field House officially opened, providing Pace student-athletes with a state of the art facility that includes a new strength and conditioning center, locker rooms and a sports medicine component.

Pace University maintains a successful intercollegiate program for students who qualify under the rules of the university, NCAA, and Northeast-10 Conference. Men's intercollegiate varsity sports include basketball, baseball, cross country, lacrosse, football, and swimming and diving. Women participate in basketball, cross country, field hockey, lacrosse, soccer, softball, swimming and diving, and volleyball. The co-ed spirit-squad also provides opportunities with the cheer and dance teams. Pace University competes at the NCAA Division II level, with membership in the Northeast-10 Conference (NE10).

In the fall, football kicks off the season for the Setters, competing in the 10-team NE10 and had four student-athletes earn NE10 All-Conference honors last season. The women's volleyball team has won the NE10 Championship twice since joining the conference and has competed in the NCAA Division II Championship eight times overall. The women's soccer program was started in 1997 and put together its most successful season in program history by setting the record for winning percentage in a season and making their first appearance in the NE10 Championship game in 2016. They have had more than two dozen All-Conference players, as well as 17 All-Region selections along with an All-American selection in 2014. Men's and women's cross country compete against some of the most talented Division I and II programs in the East Region at various meets. Field Hockey is the newest program at Pace. In only their third year in 2017, the Setters finished No. 10 in the nation and won a program record 15 games.

During the winter season, the men's and women's basketball teams play their home games at the Goldstein Health, Fitness, and Recreation Center on the Pleasantville campus. The women's team advanced to the NCAA Division II Elite Eight in 2001 and the Sweet 16 in 2011. The men's squad won the first NCAA tournament game in program history in 2002 and was an NCAA Tournament participant in 2007. The swimming and diving teams compete in the competitive NE10, and have had six divers and a women's swimmer earn berths in the NCAA Division II national qualifiers in recent years.

The baseball team has won four of the past seven NE10 Southwest Division titles, and earned a bid to the NCAA Division II Tournament in 2013. In addition, the baseball program has had a number of its players selected in the Major League Baseball Draft and go on to play professionally. The men's lacrosse completed one of their most successful seasons in program history in 2017, qualifying for the NCAA tournament for the first time and finishing the season ranked No. 5 in the country. In addition, the men's lacrosse team plays in one of the top Division II conferences in the country, which has featured three National Champions in the last decade, and qualified for the NE10 Championship Tournament last season for the fourth consecutive year. In only its fourth season, the women's lacrosse team qualified for their third consecutive NE10 Tournament and finished with a program-record 15 wins and a No. 14 national ranking. Finally, the softball team has become one of the top programs in the NE10 qualifying for the NCAA Tournament in three of the last four years, and winning a share of the division title in two of the last three years, and winning the NE10 Championship in 2016.

The Athletic Department embraces its role in the area of recreation and wellness and its impact on student life. The Pleasantville campus has more than 52,000 student visits and the New York City campus has 42,000 visits for fitness and wellness per year, with approximately 1,980 participants in intramurals in Pleasantville and more than 350 in New York City. Health and Wellness credit and noncredit courses are offered on both campuses. The addition of turf athletic facilities with lighting will provide growth in participation of students in intramurals on the Pleasantville campus. Co-ed leagues are currently offered for: Outdoor soccer, outdoor flag football, indoor soccer, softball, ultimate frisbee, handball, futsal, dodgeball, whiffle ball, volleyball, basketball and badminton.

For all information regarding Pace University Athletics log on to www.PaceUAthletics.com and follow @PaceUAthletics on Twitter.

Campus Services

Campus Dining Services

Pace University Dining Services offers a variety of locations, programs, and services to make students' dining experience exceptional. Whether on the New York City or the Westchester campuses, students have the flexibility to choose where, when, and what they would like to purchase.

There are great locations on the New York City and Pleasantville campuses - each serving a different purpose. For those grabbing something to go on the New York City Campus, there is a licensed Starbucks store serving baked goods, bottled beverages, and their famous coffee. All campuses offer full-service fare as students may try one of the cafés or eateries, which offer a large variety of salad bars; made-to-order Boar's Head deli sandwiches; hot off the grill burgers, chicken breasts, veggie burgers, and more as well as grab-and-go items, cook-to-order stations; pizza and pastas, made to order sushi, Latin cuisine, smoothie station, and other traditional entrees.

Monthly fun promotions spice up the menu. More details are available on the Pace Dining Services Web site for each campus at: <https://www.pace.edu/auxiliary-services/campus-dining>. All full-time undergraduate students at the Westchester and New York City campuses are required to participate in a level of the University's mandatory Dining Plan. Please refer to the Housing Occupancy Agreement and Campus Dining brochure for resident and full-time commuters or visit the Meal Plan Information web page on <http://www.pace.edu/auxiliary-services/campus-dining-meal-plans> for various buy-in levels and requirements.

All part-time students are invited to choose a dining plan of interest. Take a look at our Campus Dining website and choose the plan that best suits your needs. To sign up visit the meal plan office on either the Pleasantville or New York City campus or visit <http://www.pace.edu/auxiliary-services/campus-dining-meal-plans>. For more information call:

- Briarcliff, Dow Hall, (914) 923-2612
- New York City, One Pace Plaza, 1st floor, (212) 346-1283
- Pleasantville, Kessel Campus Center, (914) 773-3763

Cultural Programming

Schimmel Center is proud to present the 2019-2020 season celebrating high-caliber talent in the areas of dance, cabaret, music, comedy, world music and dance as well as family programming. Student tickets available by visiting the Schimmel Center box office at 3 Spruce Street, on the NYC campus. For a full listing of the season, visit our website at: [SchimmelCenter.org](http://www.SchimmelCenter.org) (<http://www.SchimmelCenter.org>)

Dyson College Nature Center

The Dyson College Nature Center is a focal point on Pace University's Pleasantville campus and serves as a component of the Dyson College Institute for Sustainability and the Environment (DCISE) and resource for the overall university community, and the general public. For more information, please visit the Dyson College Nature Center's website.

Identification Cards

University policy requires that a valid Pace University identification card be worn on the outermost garments on all campuses. (Visitors will be issued temporary passes.) At the New York campus, ID cards must be displayed to enter campus. ID cards must be presented for access to the Pleasantville and Briarcliff campuses between 11:00 PM and 7:00 AM, Monday through Friday, and throughout the weekend. This card is also required for admission to the Academic Computing labs, Library Services, and on-campus events. Administrative ID Offices are located at:

New York City

One Pace Plaza, B-Level,
(212) 346-1812

White Plains

Aloysia Hall,
(914) 422-4138

Pleasantville

Kessel Student Center, (914) 773-3830

For operation hours, please visit the Auxiliary Services webpage at: <https://www.pace.edu/auxiliary-services>.

A student will keep the same ID card for his or her entire Pace career. The Office of Student Accounts and Registrar Services will issue a new validation sticker each semester upon receipt of payment for tuition. A \$25.00 fee is charged for replacement cards. The Office of Students Assistance will accept payment for this fee by Cash, check, or money order (payable to Pace University.)

BankMobile Refund Cards

Pace has partnered with BankMobile to deliver refunds and offer you smarter ways to manage that money. You will receive a debit card from BankMobile, you must activate the card and choose your refund preference. The refund preference choices are to 1) have a refund check mailed to your residence; 2) have your refund deposited into your checking account; or 3) have your refund put into a debit account through BankMobile to use the card as a debit card. If you did not choose to use the card as a debit card, you can put the card away and not worry about it again. All instructions will accompany the BankMobile Refund Card.

Library

The Pace University Library is comprised of the Birnbaum Library on the NYC campus, the Mortola Library in Pleasantville, and the Law School Library in White Plains, New York.

The library offers users a wide array of resources and services including access to over 120 research databases (from on or off campus,) print and ebooks, resource sharing partnerships with local area libraries and consortia, and comprehensive interlibrary loan services for materials not owned by the Pace Library.

For a complete description of library resources and services, please visit the Pace University Library home page (<http://www.pace.edu/library>) or contact one of the Pace Library locations directly for hours of operation and for any questions that you might have.

Security

PACE SAFETY AND SECURITY

The primary responsibility of the Safety and Security Department is to ensure the safety and security of the students, faculty, staff and visitors of the University.

Pace University provides a 24 hours a day, 365 day per year security presence on each campus. There is a supervisor on duty at all times in addition to fixed and patrol assignments. All uniformed security personnel receive mandatory pre-employment training in accordance with state laws. They also receive additional in-service training as needed. Security officers respond to an array of situations during their tour of duty. These may include, but are not limited to, medical emergencies, fire or intrusion alarms and service calls. Security officers also prepare incident reports and refer matters to other Pace departments or outside agencies, as necessary.

YOUR RESPONSIBILITY

While Pace University safety and security personnel strive to create and maintain a safe campus environment, we need your help. All students, faculty, staff and visitors must assume primary responsibility for their personal safety and the security of their personal belongings. Precautionary measures are the key. Students walking at night are encouraged to travel in groups and on lighted walkways. If this is not possible, security will provide an escort upon request between any two points on campus. Residence hall room doors should be locked at all times when the room is unoccupied. All access doors to the residence halls should not be propped open, and unknown persons should never be allowed into the residence halls unannounced. Any individuals who do not appear to belong in the residence hall, parking lots or any campus location should be reported to campus security immediately.

ID CARDS

In order to better protect the University community, upon entering the building on the New York campus and White Plains Graduate Center, the Pace University ID card must be displayed to the security officer. Temporary ID's will be issued to those individuals who do not have their ID cards or persons exhibiting a valid reason to enter the building. Please the the Identification Card office.

UNIVERSITY PARKING

All students who register will receive a parking and traffic guide. This guide will inform you of all the parking regulations which you must follow while your vehicle is on campus.

Open 24 hours a day

Lost and Found

Pace assumes no responsibility for personal property missing or lost from University premises. Students should exercise care for all personal property including apparel, purses, wallets, briefcases, office articles, books, pictures, and equipment. Missing property should be reported to the Security Office, which makes every reasonable effort to recover it. Anyone finding unidentified property should bring it to the Security Office immediately.

Parking

Pleasantville, Briarcliffs and White Plains Campuses

All vehicles brought on campus must be registered with the Safety and Security Department. Students must register their vehicles at the beginning of each academic year and will be issued a Parking and Traffic Guide at the time of registration. The Safety and Security Department will also issue temporary parking permits. Special permits are available for students with unique needs or disabilities.

Parking is permitted in designated areas only and prohibited in crosswalks, fire lanes, bus stops, unpaved areas, spaces reserved for the disabled, and any other areas designated as "restricted parking." Vehicles parked in violation will be given a ticket and in some cases towed at the owner's expense. Chronic violators will be referred to the Dean for Students or to the department head for appropriate disciplinary action.

With the exception of some designated parking spaces, all parking is on a first-come, first-served basis. Possession of a parking permit or pass authorizes parking but does not guarantee a parking space.

Pace University assumes no responsibility for the theft or damage to any vehicle. Complete parking and traffic regulations are available in campus security offices.

Parking is not available on the New York City campus. Limited meter parking and private parking lots are located nearby for a fee.

University Health Care

University Health Care offers a full range of primary health care services to Pace University students, faculty, staff, alumni, and their families. UHC is staffed by advanced practice nurses. UHC provides a needed service to the Pace community while also providing nursing and physician assistant students excellent real world experiences.

The University Health Service Fee in conjunction with your health insurance will cover UHC office visits for sickness and accidents. UHC is able to bill your insurance directly. Diagnostic tests and procedures may incur additional charges.

Services available for students, faculty, staff, alumni, and their families include:

- Health education
- Diagnosis and treatment of illnesses such as sore throat, cough or other infections
- Health assessment with complete physical examinations
- Women's health care, contraception, GYN
- PrEP, PEP, STI/HIV testing and treatment
- First aid for minor injuries
- Travel Medicine –Authorized Yellow Fever Vaccination Center

Student Affairs

Centers For Student Development And Campus Activities

While much of the college experience takes place inside the classroom, the Centers for Student Development and Campus Activities promote the integral part that occurs outside the classroom through co-curricular activities. Students are encouraged to define their campus experience by creating new organizations, participating in programs, creating new events, and reflecting on their experience. Known as SDCA on the Pleasantville campus and SDACA on the NYC campus, the SD(A)CA team strives to support students by providing opportunities for the enhancement of academic, cultural, social, and recreational aspects of student life. Every student has the opportunity to become involved on campus. From student organizations to events, social justice programs to leadership opportunities and programs, we are always searching for new ways to support our students as they define their campus and community. The Annual Leadership Conference and other workshops and programs provide opportunities for students to hone their skills and learn with peers. SD(A)CA also plans Orientation and Welcome Event programs for new students.

As advocates of student empowerment, SD(A)CA provides resources, guidance, and support to enhance student achievement and personal development. Opportunities to participate in student governance, leadership training, cultural events, and a wide array of diverse student organizations abound for all interested Pace University students. The Centers also collaborate with other offices and departments in hosting many University traditions and events including Student Orientation, Convocation, Homecoming and Family Weekend, Senior Celebrations and much more.

All clubs and organizations, including Fraternity/Sorority Life, are advised by the Centers. Home to more than 100 student organizations between the two campuses, the Centers assist student leaders with club advisement, new club development and resource assistance and serve as a conduit for all the clubs' programming needs. Through the Centers for Student Development and Campus Activities, students can connect with student government representatives, and leaders of the student newspaper, yearbook, and other club officers. Students may turn to the Centers for event planning consultation, leadership workshops, involvement opportunities, campus posting services, and student event promotions.

Counseling Services

The mission of Counseling Services complements the University's mission. Counseling aims to help students cope more effectively with developmental, vocational, familial, emotional, and relational aspects of their lives. The intention is to support students in directing energies toward fulfillment of their academic, professional, and personal goals. In order to achieve these goals, the Counseling Center provides the following services:

- Individual and group counseling
- Community wellness consultation and outreach
- Prevention programming
- Crisis intervention
- Services for students with disabilities
- Educational programming
- Workshops and outreach programming
- Diversity consultation and outreach
- Organizational consultation to student organizations
- Consultation and referral services All Counseling Center services are confidential and free of charge for Pace University students.

Dean for Students Office

The Dean for Students has a key role in developing the personality and environment of the University by engaging the full academic community whenever possible in collaborative activities. In addition, the office plays an important role in communicating the interests and concerns of the students to the academic and administrative leadership. The Office of the Dean for Students is responsible for many areas of student life including residential life, multicultural affairs, student development, campus activities, wellness programs, and counseling services (including services for students with disabilities). The Office also oversees implementation of University rules and regulations that have been established for the well-being of all, including the Office of Community Standards & Compliance. Students may arrange to meet with the Dean when they wish to discuss personal, emotional, or academic issues.

Marijo Russell-O'Grady

Dean for Students,
New York City
(212) 346-1306
mrussellogrady@pace.edu

Want to reserve a Space in The Kessel Student Center?

Please go to our Request tab on our Online Events Calendar! (<http://events.pace.edu>)

Building Hours of Operation

Monday - Thursday: 8:00 AM - 11:00 PM

Saturday - Sunday: 11:00 AM - 11:00 PM

Pleasantville

More than any other building on the Pleasantville campus, the Kessel Student Center is the core of student life and, as we like to see it, the hearthstone of the campus. The multi-level structure, supervised and managed in the area of policy and operations by Student Development and Campus Activities, offers the dining hall, lounges, **campus wide printer**, and the student government association. Here, also, are the bookstore, ATM machine, the AVP/Dean for Students, Community Standards & Compliance, ID Office, Multicultural Affairs/Diversity Programs, LGBTQIA Center, Honors College, and International Programs and Services.

The Setters' Overlook is a popular spot for a variety of entertainment, dining, and student conference rooms. The Gottesman Room on the ground floor level, the Butcher Suite and Multipurpose on the upper level, are multiuse rooms for dining, lectures, and special events. A wide terrace with a lawn sloping to the Choate Pond is the setting for barbecues, rallies, receptions, and other special events.

Office of Multicultural Affairs (OMA)**New York City Campus**

The **Office of Multicultural Affairs (OMA)** views multiculturalism in the broadest sense. Our lens goes beyond race/ethnicity/nationality, to include the cultures of gender, gender identity, poverty, violence, differing abilities and aging.

At the core of the Office of Multicultural Affairs (OMA) mission is the commitment to provide opportunities and venues for Pace University and external communities to examine, discuss, debate, collaborate and develop partnerships around themes that perpetuate (un)checked power, privilege, marginalization and social injustices.

To that end, **OMA** sponsors programs and initiatives that include, but are not limited to:

- **Social Justice**
 - Annual Dr. Martin Luther King Lecture & Reception Series
 - Annual Social Justice-in-Action Lecture Series
- **Civic Engagement**
 - Volunteer or intern at the New Roots Community Farm in the South Bronx and learn of the importance of community farms in underserved neighborhoods.
- **Community Building and Empowerment**
 - Quarterly Community Forums on Diversity-Related Issue/Concerns
- **Mentoring**
 - OMA Mentor Program: Open to all students regardless of social identity
 - Urban Male Initiative: Open to historically underrepresented Black and Latino Males
 - Shades: Wo/men of Color Collective
- **Scholarly Endeavors**
 - The DiverCity Urban Food Project encourages research and scholarship at both the undergraduate level. The program examines food, consumption and it's availability throughout New York City, but more particularly, in underserved communities.

- **Beyond the Skyline: Domestic Travel Program**
 - A one week civic engagement and travel program that examines cross-cultural social justice and diversity concerns throughout different geographic locales that include: South Carolina, Puerto Rico, Louisiana, New Mexico and Hawaii.

Pleasantville Campus

Pleasantville Campus

The Pace University - Pleasantville Office of Multicultural Affairs & Diversity Programs (MADP) aims to promote a productive and educational work environment that fosters and values equality, respect, education and fairness. To this end, the Office of MADP seeks to provide services and programs that will instill university-wide appreciation for diverse perspectives and backgrounds regardless of race, gender, class, culture, sexual orientation, religion, age, or ability.

The Office of Multicultural Affairs & Diversity Programs supports various university diversity initiatives on diversity and provides training and educational opportunities for students, faculty, and staff.

AALANA Mentorship Program

The mission of the AALANA Program is to assist first-year students in getting acclimated to a new environment while providing leadership, guidance, and support that present opportunities for our student's social and academic development. First-generation college students are a primary focus of the AALANA program. The opportunity to participate in AALANA is extended to all first-year students and we encourage returning students who can provide a good example to become mentors as both mentees and mentors have found this opportunity rewarding.

Dr. Martin Luther King, Jr. Commemoration

The MADP also hosts an annual Dr. Martin Luther King, Jr. Commemoration Brunch program on the Pleasantville campus. This event often invites guest keynote speakers to present on themes of social justice and diversity.

Urban Male Initiative

The Urban Male Initiative (UMI) is designed to provide a community of academic and career success for male students of color and first-generation students. Meetings and events are scheduled throughout the year to facilitate topical discussions as well as explore resources and opportunities within the university and beyond for career, academic, financial, and personal support.

LGBTIQ Center

- Creates a clear and visible space for university support of the LGBTIQ and ally community.
- Advocacy, activism and community building with a focus on diversity, multicultural issues and social justice
- Education and outreach on the isolating impact of gender and sexuality norming.
- Help students, staff and faculty to build conscientious communities of care, inclusion, support, and trust.
- Celebrates how differences in the LGBTIQ and ally, student, staff and faculty population can enrich campus and local communities.
- Celebrates how the differences in campus cultural communities can enrich campus and local communities.

Residential Life

The Offices of Housing and Residential Life are committed to providing facilities, programs, and services that complement your academic development and promote your personal and social development. Each member of the Housing and Residential Life staff is trained in areas of student development and crisis management, as well as the daily management of their facility. As adults, students are expected to accept the responsibilities of community membership while enjoying its privileges.

Living on campus, whether in New York City or suburban Westchester county, can be the most exciting experience of a young person's life -- and having a place to call "home" adds a sense of safety and belonging. Our residential facilities give Pace students that satisfaction. All rooms are furnished with a standard twin bed, desk, chair, dresser, wardrobe or closet, and window blinds. Suites (in Pleasantville) have living room furniture and townhouses will have dining room furniture as well as a variety of appliances. Residence halls are equipped with cable TV, and high-speed wired and limited wireless Internet access, at no additional cost.

General Facts:

- At Pace University, approximately 2,500 students live on campus in New York City, with another 1,300 residing on campus in Pleasantville.
- Most first-year undergraduate students will be placed in 182 Broadway or Maria's Tower on the city campus, although some first year students may reside in other halls. In Pleasantville most first year students will be placed in Alumni Hall. In Alumni hall some students will be placed in temporary doubles as triples to start off the year.
- Students who apply for the Fall semester by the priority deadline (May 1st) are asked to complete an online request process to indicate their preferred building and to request each other as roommates (building requests cannot be guaranteed, but reciprocal roommate requests among students who are guaranteed housing will be honored).

- In Westchester all first year students will be a part of a living learning community in their residence hall. New York City students can opt into the living learning communities.
- To apply for housing, student need to complete and submit a Housing Application along with a \$400 housing deposit and a \$100 security deposit to the Office of Student Assistance.
- We offer housing for graduate students on both campuses. Our graduate population will be placed with our returning and transfer students.

The Office of Housing and Residential Life Staff

Community living is a valuable experience that provides opportunities and rewards that will last a lifetime. Exposure to new people, ideas, cultures and ways of thinking create an environment ripe for growth and learning. At Pace, our residential life program is centered in the belief that community living is an integral part of the total educational experience. The staff is committed to providing facilities, programs, and services that complement your academic development and promote your personal and social development.

Students are viewed as whole individuals working toward integration with others and enjoying the privileges of community membership, while accepting its inherent responsibilities. Our program, policies, expectations, and guidelines are designed with your safety and welfare in mind. Your involvement in the community as self-regulating adults is the key to making the residence halls places where you:

- Meet other students and establish relationships that will enhance your Pace experience
 - Successfully live together through peer interaction and learning, complementing your academic program
 - Assume responsibility and accountability for your own lives and living environments
 - Develop friendships and relationships that are respectful, civil and mutually satisfying
 - Participate in educational, social, and cultural programs
 - Develop skills through participation that will enhance your Pace experience and prepare you to contribute as members of outside communities
- The Office of Housing & Residential Life is led by a team of dedicated individuals whose commitment is to support the academic endeavors of each of our residents while offering meaningful challenges that encourage their personal growth. Please visit your RA or your Residence Director should you need any assistance during your stay in Housing.

Information Technology Services (ITS)

Information Technology Services (ITS) supports Pace University's core academic mission through the effective use of information technology for Teaching & Learning, Research, and to enhance the student experience. ITS provides students, faculty, and staff with resources and access to University-wide computing, mobility, data, video, and voice network services; wired and wireless access (residence halls, classrooms and common spaces); as well as access to a suite of online services. Students can find current information on the ITS website (<http://www.pace.edu/its>).

IT services such as the Pace University Mobile App, MyPace Portal (the self-service portal for students), Blackboard Learning Management System, ePortfolios and student email are available. Each residence hall room is equipped with wired and wireless connections to allow students high-speed access to the data network, cable television, and voice services.

Although Pace University does not require its students to own a personal computer or laptop to facilitate studies, all students are strongly encouraged to do so. Information about purchasing recommendations and discounts are available on the ITS web site. ITS provides limited support of student-owned computers for supported hardware and software on both the Westchester and New York City campuses.

Computer Resource Centers (CRC computer labs) are located on the New York City (NYC) and Pleasantville (PLV) campuses, are general-use computing facilities equipped with state-of-the-art PCs, Macs, self-service printing and peripherals such as scanners. The CRC labs provide common software applications that students need to succeed at Pace.

Help & Support: ITS Help Desk details and hours of operation can be found: (<http://www.pace.edu/information-technology-services/services/its-help-desk>).

ITS Help Desk contact information:

Phone: 914-773-3333

Email: pacehelpdesk@pace.edu

Office of Development and Alumni Relations

The Office of Development and Alumni Relations provides information, volunteer opportunities, programs, and support for more than 144,000 alumni worldwide. This includes overseeing fundraising efforts to support key initiatives, like scholarships and capital improvements, at the University, as well as developing events and programs that help our alumni reconnect with each other and their alma mater.

Many alumni participate in student programs as guest speakers or mentors, and are actively involved in career networking. Our graduates often assist Pace students in obtaining internships at their companies, and help recruit the next generation of students by acting as key ambassadors for the University within their network.

Pace's Annual Fund helps provide resources for financial aid, scholarships, enhanced technology, and facility upgrades. The University depends on alumni financial and volunteer support to help meet the University's critical needs and to shape its future. Our office begins this engagement by encouraging current students to volunteer as ambassadors and make their Class Gift in order to leave their class legacy upon graduation. Current students who are interested in assisting with the Class Gift campaign, donor thank-a-thons, or bringing alumni to campus should contact our office at (212) 346-1232. Anyone can make a gift to Pace by visiting www.pace.edu/givetopace.

The Pace Network, a free, secure alumni service available via the alumni home page, helps keep these connections strong after graduation and enables alumni to share information with each other. It offers a searchable online alumni directory, alumni events calendar, online Class Notes, and more.

For more information about our programs and services, please email pacealum@pace.edu or call 1-877-825-8664.

Academic and Co-Curricular Services

Division for Student Success

The Division for Student Success (DSS), comprised of The Office for Student Success and The Center for Academic Excellence, oversees services related to first-year and transfer pre-registration/Orientation, academic advising (including for those who are undecided about a major), academic alerts, tutoring, academic coaching, leadership/mentoring, UNV 101 and the first year experience, undergraduate research, prestigious fellowships and awards, student engagement/retention, and commencement. DSS collaborates with a multitude of divisions throughout the University to promote student success, retention, and persistence to graduation, leveraging technology to support these goals.

The Office for Student Success

The Office for Student Success (OSS) collaborates with faculty and staff across the University to promote student success and retention; connects students to resources and services that help them succeed and promote engagement on their Pace Path; and supports students in navigating the more challenging academic, social and financial points of their Pace experience, including University policies and procedures. Special programs include the Student-Faculty Undergraduate Research Program; the Pace Undergraduate Student Academic Conference Travel Fund for joint presentations with faculty mentors; prestigious fellowships and awards; leadership and mentoring programs; and commencement coordination. Additionally, the Office for Student Success coordinates the Summer Scholars Institute, a summer program for ambitious high school junior and senior students seeking an early college experience.

The Center for Academic Excellence (CAE)

The Center for Academic Excellence (CAE) provides student-centered programs that encourage and enable new and continuing Pace students to become active members of the university community and realize their full academic potential. Through orientation, advisement, academic support, tutoring, and college transition programs, such as CAP and the First Year experience, the CAE helps all students to prepare for their continuous academic success at Pace. The Center also fosters overall student development by offering leadership opportunities that encourage Pace students to become leaders in campus organizations and activities. In addition, the CAE coordinates placement testing and pre-registration for all incoming students and sponsors several national honor societies: Alpha Lambda Delta (ALD) for first year students, Lambda Sigma for sophomores, Alpha Chi, for juniors and seniors and Tau Sigma for transfer students.

For additional information contact the Center for Academic Excellence:

- New York City, 163 William Street, 17th Floor, (212) 346-1386
- Pleasantville, Mortola Library, Mezzanine Level, (914) 773-3510

Specific programs and services included within the Center are described below.

Advising Center for Exploring Majors (ACEM)

ACEM provides individual academic advising for students who are exploring options for majors, double majors, minors, or combined degree programs as well as for students who seek guidance on changing a major. It is also a place where all Pace students can find information about University requirements, majors and minors, and offers programs to enhance academic exploration. Through the INT 197H, "Exploring Majors and Careers," course it offers, students can learn about issues related to academic planning, goal setting and career orientation. Among its many services, ACEM:

- Provides opportunities for academic exploration, decision making, and planning
- Assists students in charting paths to major selection and graduation
- Directs students to the appropriate academic support
- Connects students to academic advisers within the appropriate college or school
- Monitors and assists students in academic difficulty return to good academic standing
- Sponsors Lambda Sigma, the national Sophomore Honor Society
- Conducts dedicated UNV 101 sections for Exploring first-year students that launch students on their Pace Path, introduces them to Degree Works and transitions them to school-based advising once they choose a major
- Advises transfer students entering as Exploring/Undecided

First Year Experience

The Office of First Year Experience assists all newly enrolled first-year students to make a successful transition to university life and coordinates advisement for all students in their first year of college. The Office of First Year Experience also:

- Coordinates UNV 101, the required first semester seminar for all first-year students
- Oversees the Comprehensive Freshman Advising Program (CFAP)
- Collaborates with Student Development and Campus Activities to help students become more deeply engaged in university life to make a successful transition to college
- Provides leadership and development opportunities for students to excel as peer leaders in UNV 101 classes
- Sponsors Alpha Lambda Delta, the national honor society for first-year students
- Manages the OnTrack Academic Progress Reports to provide academic monitoring of all first-year students
- Launches all first-year students on their Pace Path, introduces them to Degree Works and transitions them to school-based advising for their sophomore year
- Advises advanced first-year students entering as transfer students

Challenge to Achievement at Pace (CAP)

The Challenge to Achievement at Pace (CAP) program is an intensive first-year academic support program designed to assist students who may not meet admission criteria but who show academic potential. Students newly enrolled in the CAP program are assigned full-time academic advisers who provide academic, personal, and career-related support and also instruct them in dedicated CAP UNV 101 sections. The CAP program:

- Provides small CAP-dedicated core classes that allow students to develop a close working relationship with their professors
- Works closely with faculty to ensure that students receive academic support and personal guidance to meet all academic expectations
- Provides support through workshops, seminars, individual coaching and tutoring
- Provides leadership opportunities to students qualified to become peer leaders
- Launches all first-year students on their Pace Path, introduces them to Degree Works and transitions them to school-based advising for their sophomore year

In order to complete the CAP program and continue at the University, students must achieve a 2.0 CQPA (cumulative average), complete 24 credits, earn a grade of "C" or better in ENG120, and complete UNV 101. In addition, students must satisfy specific matriculation requirements for their intended majors.

Learning Center

The Learning Center provides Pace students with walk-in and appointment-based tutoring; academic assistance in a wide variety of subjects; study skills sessions and academic coaching; and aids students in identifying and mastering the skills needed to be an independent thinker. They coordinate the Peer-Led Team Learning (PLTL) program; peer-led discussion groups for specific science and math courses; provide supplemental course resources; conduct course/topic reviews in critical subject areas; and offer additional support during finals.

To learn more about services provided on each campus, visit the website at <https://www.pace.edu/center-academic-excellence/learning-assistance-center>

Pforzheimer Honors College

The Pforzheimer Honors College maximizes opportunities for Pace's best undergraduate students. By fostering the development of outstanding students, by enabling them to exercise greater responsibility and initiative in their academic work, and by providing them with exceptional opportunities for growth - both inside and outside of the classroom - Honors makes college transformative. The Honors College sees its students as equal partners in a scholarly community of students, staff, and professors. The Honors College is open to all qualifying Pace students, regardless of major.

Eligibility for membership is competitive and is based on a student's prior academic achievements. Students selected for membership receive Honors scholarships. Honors courses, taught by the top professors at Pace, are taken throughout all four undergraduate years. In the junior or senior year, all students complete a thesis in which a student collaborates with a faculty mentor on a major project. The results of this research are presented at the annual Undergraduate Research Showcase in May or during thesis presentation conferences, and may then be published in Pace University's scholarly journal and on the Honors College website. Honors students are eligible to apply for up to \$1,000 grant towards their Honors Thesis and/or \$1,000 for travel courses or a study abroad semester.

Honors students benefit from a variety of special activities and events on campus as well as trips that provide access to the New York City area's museums and theaters. Additionally, Honors students have Honors College advisers, receive the Honors College newsletter, may use the Honors lounge and student work spaces, may choose to live in all-Honors residences (in Pleasantville all first-year students residing on campus live in the Honors FIG), are paired with an upper-class Honors mentor, enjoy early registration, and much more. Honors courses are noted on the student's transcript, and an Honors certificate and medallion are awarded at graduation.

Students should contact the specific campus office for the Pforzheimer Honors College they are interested in attending to learn more about the unique academic requirements, programming, and benefits of the Honors College. More information is available on our web site at www.pace.edu/honors-college.

For additional information contact the Pforzheimer Honors College:

- Pleasantville Campus, Kessel Center, Suite 200 (914) 773-3848
- New York Campus, One Pace Plaza, Room W207-209, (212) 346-1697

Pace International

Pace University recognizes the importance of comprehensive internationalization and strives to promote global awareness and cross-cultural competence. The three units within Pace International - Education Abroad, International Students & Scholars, and Global Pathways - support students, faculty, and staff by providing interdisciplinary educational programs and international student/scholar services that will enhance global competencies, foster a stronger cultural connection, and prepare the Pace community for an interconnected global experience.

For additional information, contact Pace International:

- New York City, 163 William Street, 16th Floor, T (212) 346-1368, F (212) 346-1948
- Pleasantville*, Kessel Student Center, T 212 (914) 773-3425, F (914) 773-3399
- Website: www.pace.edu/international

**The Pleasantville office provides service to all Westchester international students, including Pleasantville and the Law School and all students interested in study abroad.*

International Students and Scholars

International Students & Scholars (ISS) supports the internationalization efforts of Pace University by serving as the primary resource center for international students, scholars, their dependents and the University community. The Office promotes international and cross-cultural communication and understanding.

ISS assists with matters of special concerns of the international population. ISS strives to educate and inform each international student and scholar through providing information prior to their arrival, conducting orientation programs, advising on visa and employment matters, legal rights and responsibilities, health insurance, adjustment issues and personal concerns, and coordinating a variety of programs and activities on campus. ISS is responsible for institutional compliance with the U.S. Department of Homeland Security (DHS) and Department of State (DOS) regulations. For detailed information, please visit the following website: www.pace.edu/iss.

Education Abroad

Pace University values an international experience as integral to the student curriculum and Education Abroad supports this endeavor by offering numerous opportunities for study abroad in long, mid, and short-term programs.

For semester/year study abroad, students take a normal course load as defined and approved by their academic advisor while enrolled in an international institution for a semester or year. Students pay Pace tuition and are eligible to retain part of their Pace scholarship dependent on the program. Credits transfer back to Pace.

Short-term programs include faculty-led programs taught by Pace faculty as well as a variety of courses offered by Pace Global Partners and study abroad providers. These courses are typically offered during January or summer. Pace Education Abroad also assists faculty members interested in organizing faculty-led courses.

Education Abroad offers pre-departure orientations, re-entry orientations, as well as advising for all students studying abroad.

For more information on study abroad destinations, programs and options please visit: www.pace.edu/studyabroad.

Global Pathways

Global Pathways Office supports all new and continuing students academically, culturally, and socially, who are enrolled in Pace's Global Pathways Program.

The Global Pathways Program is designed for international students who meet all of the academic criteria for admission to an undergraduate or graduate degree program at Pace, but do not meet the English language requirement. While in Pathways, students have a chance to improve their English proficiency by taking English courses delivered by Pace's English Language Institute (ELI) and earn academic credits that will be counted towards their future degree if they complete Pathways successfully and matriculate into their degree program at Pace.

Global Pathways provides academic, cultural, and immigration pre-arrival advising to all newly admitted students; post-arrival orientation programs for new students; assistance with registration for courses every semester; academic, immigration, and socio-cultural advising to continuing students; assistance with housing and health insurance matters; monthly socio-cultural programming; free English tutoring service and peer advising program.

The English Language Institute

The English Language Institute (ELI) of Pace University offers English Language instruction for non-native speakers at the New York City and Westchester campuses. The Institute is dedicated to helping international students, visiting professionals, tourists and recent immigrants to improve their English skills for academic study, career advancement, or personal enrichment. ELI students receive Pace University ID cards and have access to facilities and services on all Pace campuses including the libraries, computer labs, recreational and sports facilities, theaters, cafeterias, and health clinics.

ELI courses are offered year round with seven entry dates: September, November, January, February, March, June, and July. There are two seven-week terms in the spring and fall, and a three-week winter term in January. In the summer there are two six-week terms. U.S. residents may choose to enroll full-time or part-time, but foreign visitors must enroll part-time (4 to 16 hours per week). Students holding F-1 visas must enroll full-time (at least 18 hours per week).

Courses

Noncredit courses are offered at elementary to advanced proficiency levels. All students are tested and placed in the appropriate level. Students select courses according to their goals and interests. At the lower levels, students take the Intensive English Courses in grammar, writing, reading, speaking, and listening. Grammar and vocabulary are taught in context in all courses, and class discussion is strongly encouraged. Students can choose from a wide selection of elective courses to complete a schedule.

At the advanced level, students may choose between three tracks: the Intensive English Program, the Pre-Undergraduate Program, or the Pre-Graduate Program. The Intensive English Program is for students who are studying English for general purposes. It emphasizes American culture and uses materials from a wide variety of sources including the popular media. The Pre-Undergraduate Program and the Pre-Graduate Program are designed for students who plan to apply to degree programs at Pace or another American university. The curriculum is content-based, emphasizing the language and skills needed to succeed in an American university and using primarily academic materials. Students increase their fluency in English by studying various academic topics using authentic reading material (textbook chapters, essays, and literature) and videotaped lectures. They learn research skills, write academic papers, practice note-taking, learn test-taking strategies, and make oral presentations. TOEFL and GMAT preparation courses (for non-native speakers) are also offered.

Advanced-level students may be allowed to take one or two undergraduate courses in addition to their ELI courses if they are academically qualified. These credits can be applied to a degree program if the student becomes matriculated.

ELI course sections are letter graded. Grades are recorded in the University's student records, and official transcripts can be obtained online via the National Student Clearinghouse website or www.pace.edu/MyPace. Certificates of completion are available upon request.

Admission

The English Language Institute courses are open to any student who is at least 16 years old and who has completed secondary school. TOEFL scores are not required. The English Language Institute is authorized to issue the I-20 document for full-time, intensive English study (18 or more hours per week).

Admission to the English Language Institute does not constitute admission to Pace University. Each undergraduate and graduate degree program has its own admission requirements. However, academically qualified students who successfully complete the English Language Institute Pre-Undergraduate Program or Pre-Graduate Programs* are eligible for a TOEFL waiver for admission to undergraduate and graduate degree programs at Pace University. Other tests like GMAT and GRE may be required depending on School admissions requirements. For more information, contact the Admission Offices.

**Two levels of pre-graduate programming required for students applying to Lubin and Dyson.*

Special Programs

The English Language Institute also designs special programs for high school students and other visiting groups who do not wish to enroll in the regularly scheduled classes. Short-term programs for foreign visitors can be designed to include on-campus housing and cultural activities. In addition, English for Professionals classes can be taught on-site or on campus. For applications and more information, contact the English Language Institute at (212) 346-1562 or eli@pace.edu, or visit www.pace.edu/eli. For information about the English for Professionals Program, call (212) 346-1841, send an e-mail to engpro@pace.edu, or visit the Web site at www.pace.edu/efp.

Writing Center

Writing Centers are available for all current undergraduate and graduate students, and for faculty on both the Pleasantville and New York campuses. Both Writing Centers provide face-to-face, online, and small-group tutoring for students. In addition to tutorial services in writing, the Writing Center provides instructors of Writing Enhanced courses (and teachers of all courses that require any amount of writing) with assistance and resources on using writing to foster students' communication and critical thinking skills. For more information about the writing centers on each campus, please follow the corresponding link:

- New York City Writing Center
- Pleasantville Writing Center

Career Services

Overview

Career Counseling - Our professional counselors are available to meet with you to discuss your academic and career plans. We'll help you identify career paths related to your major, define your career goals, create/update your resume, develop your job search strategy and everything in between!

Career Assessment - Online career assessment tools and inventories are available to help students make informed career decisions.

Career Panels/Seminars - During the academic year, successful alumni and industry professionals come to campus to discuss career paths in a wide variety of fields. Panelists describe their careers, current trends, and offer suggestions in preparation for the competitive job market.

Workshops - In just a few sessions, you can learn how to ace your interview, write a resume that stands out, job search and branding strategies and more.

Job & Internship Fairs - Don't miss our amazing Job & Internship Fairs! Many held throughout the year, specialized to meet your needs.

On-Campus Recruiting Program - Each year, various employers recruit interns and graduating students from Pace for professional positions through the campus interview program. Students may interview for a variety of full-time positions with corporations, banks, accounting firms, insurance companies, retail stores, brokerage houses, nonprofit organizations, and government agencies in the fall and spring semesters.

Practice Interviews - Need help interviewing? We'll practice with you! Make an appointment with a Career Counselor. It's a great way to practice before the real thing. Check with the Career Services Office for our workshops related to interviewing.

Job & Internship Postings - Handshake is your destination for jobs, internships, career fair information, and much more! To get started, log into Handshake at pace.joinhandshake.com with your MyPace credentials and set up a profile. Remember to:

- Add your work experience
- Add your education
- Add your projects and extracurricular activities
- Follow your favorite employers
- Contact Career Services to get your resume approved!

Explore Majors and Careers Online - No matter what you choose to study, you have many career paths in front of you—and Career Services has information on the web to help you explore the options that fit your personality and ambitions. Visit <https://www.pace.edu/career-services/explore-careers/explore-majors> to check out these terrific resources.

Online Workshops – Get started learning about Resumes, Job Search, Interviewing and much more with our online content in your Career Services Blackboard Community. Get started by visiting <https://blackboard.pace.edu/> and log in with you Pace Credentials. Check out your Career Services community today!

Student On-Campus Employment - Need to apply for an on-campus job? Visit Pace's Human Resources career's website at: <https://careers.pace.edu>.

Internship Program

The Internship Program enables students to combine academic study with paid and unpaid internships that directly relate to career interests while they pursue their degrees. Students in all majors can explore careers through hands-on experience in a variety of settings from government and nonprofit organizations to Fortune 500 companies. Positions are available part-time during the school year and full-time or part-time during the summer.

Benefits of an Internship Experience:

- Integrate classroom learning with on-the-job experience
- Potentially earn a salary to help defray education expenses
- Acquire pre-professional work experience and skills
- Develop confidence and professionalism
- Test interests and goals
- Improve opportunities for post-graduate employment
- Build a competitive resume

Check out the Career Services website at <https://www.pace.edu/career-services>

Veterans Information

The Office of Student Assistance Veteran Services Team remains committed to providing Veterans, Service Members, and their eligible dependents, a seamless transition in all facets of their assimilation to Pace University, specifically in ensuring their GI Bill®/VA educational benefits are processed, through the U.S. Department of Veteran Affairs, in a prompt and proper manner.

Office of Student Assistance, Veteran Services processes multiple GI Bill® educational benefits including but not limited to CH 33 Post 9/11, CH 31 Vocational Rehabilitation, CH 35 Dependents, CH 30 Montgomery, and CH's 1606 and 1607 Selected Reserves. In addition Pace accepts and processes Tuition Assistance Vouchers for Active/Reserve Duty Servicemembers. For those individuals who have CH 33 benefits at their disposal it is strongly advised that one applies 4-6- weeks in advance of the start of their first semester by visiting the GI BILL's® (<http://www.benefits.va.gov/gibill/>) website and accessing the VONAPP (<http://www.vabenefits.vba.va.gov/vonapp/default.asp>) system. Please record the "confirmation number" that will be issued at the conclusion of the application for future reference. Student Veteran beneficiaries interested in applying to Pace University, who would like to know how their specific benefit will be utilized beforehand, are encouraged to email veteranaffairs@pace.edu.

Pace is a proud participating institution of the Yellow Ribbon Program. Under this program's agreement CH 33 Post 9/11 recipients who meet the 100% level of coverage as determined by the Department of Veteran Affairs, having aggregated at least thirty-six months of active duty service post-the-year 2001 and veterans who are not on active duty/title 10 status, will automatically qualify and receive funds that may cover one's tuition/fees charges in full. For those student veterans who are not 100% covered or no longer have the GI BILL® at their disposal, should they qualify, Pace offers a Veterans 50% Tuition Scholarship. Please visit our

website for information on Pace's 50% Veterans Tuition Scholarship (<https://pace.edu/admissions-aid/veterans/veterans-tuition-scholarship-program>) and Yellow Ribbon Program (<https://pace.edu/admissions-aid/veterans/yellow-ribbon-program>).

It is the sole responsibility of the student veteran GI BILL® / VA educational benefit recipient to notify OSA Veteran Services EACH semester they wish to utilize their GI BILL / VA educational benefits. As soon as the Student Veteran beneficiary is officially registered for courses and has finalized their upcoming semester's course schedule, they must submit their request (<https://www.pace.edu/osa/forms>) to use their benefits by logging in and completing the electronic "Veterans Request for Enrollment Certification" form. First term students must also upload and submit a copy of the first page of their designated GI BILL® Certificate of Eligibility and when applicable a copy of their member-4 DD-214 in the form's designated section. All students regardless of veteran benefit status are encouraged to complete a FAFSA (<https://fafsa.ed.gov/>).

Please Note: making any change(s) to one's enrollment status in the form of adding/dropping course(s) after the start of a term/semester, especially after each term's add/drop deadline may result in the student veteran GI BILL® / VA educational benefit recipient incurring financial liability. Should a student make a change after they have already requested the use of their benefits, they must re-complete the paperless "Veterans Request for Enrollment Certification" form (<http://osapaperless.pace.edu/>) as a "Re-cert/Amended Certification" request type.

Pace gladly accepts military Joint Service Transcripts (JST). Students are encouraged to have their JST sent electronically delivered (<https://jst.doded.mil/smart/welcome.do>) to Pace for a transfer credit evaluation.

Financial Aid and Scholarship Programs

Introduction and General Eligibility

Introduction

Pace University's Financial Aid mission is to provide the maximum financial aid available to qualified students to help make their attendance at Pace University a reality.

The University administers a wide range of scholarship and financial aid programs designed to enable the student to pursue his/her studies to graduation. There are four types of financial aid available at Pace: scholarships, grants, on-campus employment, and loans. Our financial aid administrators will develop a financial aid award package that meets your specific needs. Your package may combine two or more types of aid as well as alternative financing opportunities.

Pace University helps students and families with their college expenses by awarding merit, and need based aid in the form of Pace funded scholarships, grants and awards. Scholarships and grants are gift funds and do not need to be repaid. In addition to these Institutional resources, grants and scholarships are available through the state and federal government. Financial Aid, in the form of loans, which must be repaid, is available through the federal government and private lenders.

In order to be considered for maximum funding, students should file the Free Application for Federal Student Aid (FAFSA), which is available at www.fafsa.ed.gov. In order for Pace to receive the results from the FAFSA, students must list Pace University as one of the colleges of choice. Pace University's FAFSA codes are:

- New York City campus: 002791
- Pleasantville campus: 002792
- White Plains: 002727

Pace University has a strong commitment to academic excellence. Its scholarship and grant programs are designed to award students who have demonstrated superior academic development. University-sponsored scholarships, awards and grants are offered to students on the basis of academic merit and promise, service to the community, and financial need. Each year, students at Pace receive more than 280 million in aid overall, with over \$110 million funded by Pace University. In addition, 95% of freshmen receive some type of financial aid.

It is important to recognize that many scholarship opportunities (such as Pace Endowment funds) are overlooked by students who are unaware of their availability or who do not file the FAFSA. Students should be sure to put in an application on our Pace Endowed Scholarship site located on their Pace Portal; as well as pursue outside scholarship opportunities. Exploring financial aid opportunities requires time, effort, and advance planning. Many of these opportunities are highly competitive so early application to several sources tends to yield the best results. Endowed scholarships require a QPA of 3.0 or above.

It is also important to be aware that each type of financial aid award has criteria that must be met for the student to receive the award and/or to have the award renewed for subsequent years. Please read all communications received from the Financial Aid Office and information available on the Portal. Finally, feel free to speak with a Financial Aid representative if you have any questions.

General Eligibility

To be eligible for most financial aid programs a student must: be matriculated (accepted for and enrolled in a degree program, or certain certificate programs), be enrolled in at least six credits per semester, be making satisfactory academic progress, demonstrate financial need (for need-based aid), and file the Free Application for Federal Student Aid (FAFSA) by November 15 (for priority consideration). There are very few exceptions to these basic eligibility criteria, and many financial aid programs have additional eligibility criteria.

The basis of selection for most awards is ability and/or financial need. Financial need determines your eligibility for many types of aid. Financial need is the difference between the Cost of Attendance at a university or college and the Expected Family Contribution (EFC) as calculated according to the federal Need Analysis Formula. The Cost of Attendance includes estimates for tuition, fees, room, board (meals), transportation, books, and personal expenses. After filing your FAFSA you will receive an Electronic Student Aid Report (E-SAR) from the Federal Department of Education that will include your Expected Family Contribution (EFC). You can determine your financial need by subtracting your EFC from the total cost of the college you wish to attend.

The Financial Need formula is: Cost of Attendance – EFC = Financial Need

Most Financial Aid is renewable on a yearly basis provided there is adequate funding, and the student remains eligible. "Remaining eligible" refers to continuing to meet the criteria for receiving the award and maintaining Satisfactory Academic Progress for federal and Institutional funds ("Good Academic Standing" for New York State funds). Please make sure you review the details of the Satisfactory Academic Progress and Good Academic Standing policies at <http://www.pace.edu/financial-aid/policies>.

Financial Aid Timeline

Financial Aid Forms and Application Link: <http://www.pace.edu/financial-aid/forms-and-applications>

January

- Spring semester bills are due.
- Earliest date to submit general application for Endowed Scholarships.

Early February

- Financial Aid office begins notifying students and new admits of documentation and/or actions required to complete the verification process and to finalize financial aid.

February 15

- Undergraduate Application for Admission must be on file, completed and accepted to receive priority consideration to maximize the awards of students entering in the Fall.

Late March

- Summer Financial Aid application priority deadline. **April 1**
- Deadline for submitting all verification documentation and any other documentation requested by the Financial Aid Office in order to have aid available for Fall Payment due date. Students submitting documents after this date will still have their aid processed but may be reflected on the bill after the payment due date.

May 1

- Deadline for tuition and housing deposits from students admitted for the Fall semester.

Late May

- Award notices are sent to Continuing students and on a rolling basis thereafter.

May and June

- Parents interested in borrowing the Federal Parent (PLUS) Loans to help pay the Fall bill should complete the Pace University PLUS Loan application and submit it to the Financial Aid office.
- Students interested in borrowing Alternative (Private) Loans should apply on their Lender's web site.

Mid-June

- Invoices for the Fall semester are sent.

Early August

- Payment due for the Fall semester.

Early September

- Fall semester begins.

October

- FAFSA for the upcoming academic year is available at: www.fafsa.ed.gov.

November 15

- File the FAFSA by this date for priority consideration to maximize your award for the following academic year. **Mid-November**
- Award notices are sent to Freshmen and Transfer students admitted for the Spring semester and on a rolling basis thereafter.

Late November

- Award notices are sent to Freshman and Transfers for the Fall semester and on a rolling basis thereafter.

December 1

- Deadline for submitting all verification documentation and any other documentation requested by the Financial Aid Office in order to have aid available for Spring Payment due date. Students submitting documents after this date will still have their aid processed, but may be reflected on the bill, after the payment due date.
- Invoices for the Spring semester are sent.

Application Process and Filing Dates for Financial Aid Programs

All students should apply annually for financial aid.

To apply for financial aid from the federal government, New York State or Pace University, you must file the Free Application for Federal Student Aid (FAFSA). You can apply online at www.fafsa.ed.gov.

You, and your parents or spouse, (if applicable) can electronically sign the FAFSA online using your Federal Student Aid (FSA) user name and password.

For priority consideration you should file the FAFSA no later than November 15th, as some awards are made to qualifying applicants on a first come first served basis. Students admitted to Pace University for the Spring semester should file the FAFSA no later than December 1st for priority consideration.

When you complete the FAFSA you will need the following Pace campus codes:

- New York City campus: 002791
- Pleasantville campus: 002792
- White Plains campus: 002727

Shortly after filing the FAFSA, the Federal Department of Education will send a Student Aid Report (SAR). It is essential you read the comments, check the data, and follow all instructions.

Other Application Requirements:

- To complete your application for New York State aid (New York residents only), complete the Express TAP Application (ETA) online at this URL: <https://www.pace.edu/osa/billing-payment/complete-online-tap-application>. (You will be provided with a link to the ETA from the FAFSA website after you finish filing your FAFSA.)
- To apply for the Federal Parent (PLUS) Loan, have your parents return the PLUS Application included in "Your Guide to Securing Financial Aid Awards" mailed with your Award Notice or under "Forms" on the Pace Financial Aid website at <https://www.pace.edu/financial-aid/forms-and-applications>.
- To apply for Endowed Scholarships from Pace University (Continuing students only), complete the application on-line located on your student Pace portal homepage
- To apply for Alternative Loans, complete the application on your lender's website and provide your lender with any requested documentation. (See Alternative Loans.)
- To apply for aid for the summer, please refer to the "Summer Financial Aid Application Procedures" section below.

The U.S. Department of Education strongly suggests that families use the IRS Data Retrieval tool when filing FAFSA forms. The federal government randomly selects financial aid applications to go through a process called Verification each year. In addition, the Financial Aid Office is required to resolve all conflicting information and obtain documentation and explanations for all unusual circumstances. If you are selected for Verification, have conflicting information or unusual circumstances, the Financial Aid Office will request additional documentation or information to support your application, such as your federal tax returns and W2 form, proof of citizenship, child support paid, etc. If documentation or information is requested you must provide it as quickly as possible. The deadline for completing verification and resolving all issues with your application is April 1st for the Fall semester and December 1st for the Spring semester. Students who submit requested documentation or information after those dates may not have their aid available in time to pay their bills for those semesters.

When to Expect your Award Notice:

- Students admitted for the Fall semester will begin receiving Award Notices two to three weeks after the FAFSA is processed by the federal processor, beginning late November.
- Students admitted for the Spring semester will begin receiving Award Notices two to three weeks after the FAFSA is processed by the federal processor, beginning in mid-November-check this timeframe.
- Continuing and Resuming students will begin receiving email notifications to view their Award eligibility on their MyPace Portal, beginning mid-June. Please note: Award eligibility provided to Continuing and Resuming students in June are subject to change after Academic Progress is reviewed at the end of June (see Satisfactory Academic Progress).

Note: All awards are subject to change as a result of:

- Changes in your resident status (commuter/resident).
- Changes in your expected enrollment status.
- Receiving financial aid not listed on the Award Notice.
- Changes in your Need
- Completion of the Verification process

In addition, if you drop or withdraw from some or all of your classes your financial aid may be reduced or cancelled. Please refer to the Financial Aid Refund and Repayment policy.

Accelerated Bachelor's of Nursing (ABSN): Accelerated Bachelor's of Nursing (ABSN) students interested in applying for financial aid should complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.ed.gov. This application must be completed to determine eligibility for all need-based awards, including federal loans.

Because ABSN students are pursuing second bachelor's degrees, the federal programs available are limited to the Federal Direct Loan and if they are New York residents, the Tuition Assistance Program (TAP) Grant, if eligibility was not exhausted in pursuit of the first bachelor's degree. There are also limited Federal Nursing Loan funds available.

All students are strongly encouraged to seek alternative, external financial resources. An extensive list is available in the ALPS office in Lienhard Hall on the Pleasantville campus. Your campus Financial Aid Office also has listings of outside scholarship resources, as do most public libraries.

Summer Financial Aid Application Procedures

Limited types and amounts of financial aid are available for the summer terms. Students should be aware that using financial aid during the summers may impact their eligibility for aid during the following academic year or at the end of their degree program.

Students interested in receiving financial aid for the summer terms should make sure they have filed the FAFSA for the academic year prior to the summer (i.e. 2019-2020 for Summer 2020). In most cases a student should also have a FAFSA on file for the following academic year. In addition, summer aid applicants must also file a Pace University Application for Summer Financial Aid which is available in your campus Financial Aid Office and on the Financial Aid website under "Forms" beginning in March.

Types of Financial Aid and Scholarships Available

Types of financial aid and scholarships available include:

I. Pace University Financial Aid Programs

- President's and Deans' Scholarship Awards
- Honors Scholarships
- Trustee Recognition and Pace Incentive Awards
- Transfer Incentive Award
- Community College Scholarships
- Veteran's Tuition Scholarship
- Pace Grant
- Endowed Scholarships

II. Federal Financial Aid Programs

- Federal Pell Grant
- Federal Iraq and Afghanistan Service Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- Federal Work-Study
- Federal Subsidized Direct Stafford Loans
- Federal Unsubsidized Direct Stafford Loans
- Federal Direct Parent Loan for Undergraduate Students (PLUS)

III. State Financial Aid Programs (New York State Residents only):

- New York State Tuition Assistance Program (TAP)
- Aid for Part-Time Study (APTS)
- Enhanced Tuition Award
- Other New York State Scholarship and Grant programs.

IV. Alternative Financing Options:

- Alternative Loans

V. Other Ways to Pay:

- Tuition Payment Plan

General Rules covering all Financial Aid

General Rules covering all Financial Aid:

- Any combination of tuition-specific Pace-funded scholarships, grants or awards and New York State or other tuition-specific funding cannot exceed your actual tuition charges.
- All financial aid combined may not exceed your Cost of Attendance.
- You must be matriculated in a degree program at Pace University in order to receive any financial aid other than Alternative Loans. (Some certificate program students also qualify). Matriculated means that you are admitted to and enrolled in a degree or certificate program.
- Generally, students must be enrolled at least half-time (6 credits per semester) to qualify for aid. Exceptions are federal Pell Grants and Alternative Loans.

Note: Program guidelines and funding levels, especially for New York State and Federal aid, are subject to change without enough advance notice to be corrected in this publication. The University must reserve the right to modify the amount of an award at any time on the basis of outside awards or eligibility factors not known when an award is originally offered. In addition, Pace University reserves the right to cancel or adjust any award, grant, loan or work study offer in view of a change in your financial need or if we receive information indicating that you have provided incorrect or incomplete information on the financial aid application forms or due to your failure to comply with University regulations relating to conduct and/or academic integrity.

Pace University Financial Aid Programs

Honors College Scholarship

Students are invited to join Pace Pforzheimer's Honors College on the basis of their academic achievement, as measured by high school average, rank in class, SAT I or ACT scores and extracurricular activities. To be eligible for the Honors College, incoming Freshman students must have a high school average of 90 or higher, an SAT Critical Reading score of 550 or higher, an SAT Math score of 550 or higher and a cumulative SAT score of 1200 between those two sections (minimum ACT score of 27). Upperclass students may also be invited to join the Honors College based on exemplary academic achievement.

To be considered for admission into Pace Pforzheimer's Honors College and the scholarship, students must be admitted as matriculated students in a degree program. Students must enroll full-time (at least 12 credits) in each Fall and Spring term until completing the Bachelor's degree program. Priority is given to those students who have completed the admissions application process by February 1.

Scholarships are available for a maximum of four years from the term the student entered the University or until the first bachelor's degree is completed, whichever occurs first. (The exception is for students in an approved 5 year combined degree program or the 5-year CPA program who may receive the award for up to five years). Summer sessions are not included. This scholarship is applicable ONLY towards tuition charges at Pace and may not, in combination with other tuition specific financial aid, exceed the student's actual tuition. Renewal is automatic provided the student continues to participate in the Honors College, maintains a 3.30 cumulative QPA, maintains Satisfactory Academic Progress, and continuously enrolls full-time in each Fall and Spring term until completing the bachelor's degree. Students not meeting the required cumulative QPA requirement at the end of each Spring term may appeal directly to the Honors College Director for an academic progress waiver. Students receiving an Honor's Scholarship may not receive any of the following awards: President's Scholarship, Deans' Scholarship, Trustee Recognition Award, Pace Incentive Award, Transfer Incentive Award, or Part Time Student Scholarship or Incentive Award. Students must sign an Award Agreement Form, which will be available on their Pace Portal.

President's Scholarship

These prestigious scholarships are awarded to entering Freshmen students who are admitted as matriculated students in a degree program. Students must enroll full-time (at least 12 credits) in each Fall and Spring term until completing the Bachelor's degree program. Selection is based on academic excellence. Priority is given to those students who have completed the admissions application process by February 1st.

Scholarships are available for a maximum of four years or until the first bachelor's degree is completed, whichever occurs first. (The exception is for students in an approved 5 year combined degree program or the 5-year CPA program who may receive the award for up to five years). Summer sessions are not included. This scholarship is applicable ONLY towards tuition charges at Pace and may not, in combination with other tuition specific financial aid, exceed the student's actual tuition. Renewal is automatic, provided the student maintains a 3.0 cumulative QPA, maintains Satisfactory Academic Progress, and continuously enrolls full-time in each Fall and Spring term until completing the bachelor's degree. If this award is not renewed due to low QPA or unsatisfactory academic progress, it may be reinstated if the student achieves the required QPA or academic progress within one year.

Students receiving a President's Scholarship may not receive any of the following awards: Honors Scholarship, Deans' Scholarship, Trustee Recognition Award, Pace Incentive Award, Transfer Incentive Award, Pace Opportunity Scholarship. Students must sign an Award Agreement Form, which will be available on their Pace Portal.

Dean's Scholarship

These prestigious scholarships are awarded to entering Transfer students who are admitted as matriculated students in a degree program. Students must enroll full-time (at least 12 credits) in each Fall and Spring term until completing the Bachelor's degree program. Selection is based on academic excellence. Priority is given to those students who have completed the admissions application process by February 1st.

Scholarships are available for a maximum of four years or until the first bachelor's degree is completed, whichever occurs first. (The exception is for students in an approved 5 year combined degree program or the 5-year CPA program who may receive the award for up to five years). Summer sessions are not included. This scholarship is applicable ONLY towards tuition charges at Pace and may not, in combination with other tuition specific financial aid, exceed the student's actual tuition. Renewal is automatic, provided the student maintains a 3.0 cumulative QPA, maintains Satisfactory Academic Progress, and continuously enrolls full-time in each Fall and Spring term until completing the bachelor's degree. If this award is not renewed due to low QPA or unsatisfactory academic progress, it may be reinstated if the student achieves the required QPA or academic progress within one year.

Students receiving a Dean's Scholarship may not receive any of the following awards: Honors Scholarship, President's Scholarship, Trustee Recognition Award, Pace Incentive Award, Transfer Incentive Award, Pace Opportunity Scholarship. Students must sign an Award Agreement Form, which will be available on their Pace Portal.

Trustee Recognition Award

These merit awards are offered to entering Freshman students who show academic promise. To be eligible, students must be admitted as matriculated students in a degree program and must enroll full-time (at least 12 credits) in each Fall and Spring term until completing the Bachelor's degree program. Selection is based on academic excellence. Priority is given to those students who have completed the admissions application process by February 1st.

Merit Awards are available for a maximum of four years or until the first bachelor's degree is completed, whichever occurs first. (The exception is for students in an approved 5 year combined degree program or the 5-year CPA program who may receive the award for up to five years). Summer sessions are not included. This scholarship is applicable ONLY towards tuition charges at Pace and may not, in combination with other tuition specific financial aid, exceed the student's actual tuition. Renewal is automatic, provided the student maintains a 2.00 cumulative QPA, maintains Satisfactory Academic Progress, and continuously enrolls full-time in each Fall and Spring term until completing the bachelor's degree. If this award is not renewed due to low QPA or unsatisfactory academic progress, it may be reinstated if the student achieves the required QPA or academic progress within one year.

Students receiving a Trustee Recognition Award may not receive any of the following awards: Honors Scholarship, President's Scholarship, Deans' Scholarship, Pace Incentive Award, Transfer Incentive Award, Pace Opportunity Scholarship, or Part Time Student Scholarship or Incentive Award. Students must sign an Award Agreement Form, which will be available on their Pace Portal.

Transfer Incentive Awards

These merit awards are offered to entering Transfer students who show academic promise. To be eligible, students must be admitted as matriculated students in a degree program and must enroll full-time (at least 12 credits) in each Fall and Spring term until completing the Bachelor's degree program. Selection is based on academic excellence. Priority is given to those students who have completed the admissions application process by February 1st.

Merit Awards are available for a maximum of four years or until the first bachelor's degree is completed, whichever occurs first. (The exception is for students in an approved 5 year combined degree program or the 5-year CPA program who may receive the award for up to five years). Summer sessions are not included. This scholarship is applicable ONLY towards tuition charges at Pace and may not, in combination with other tuition specific financial aid, exceed the student's actual tuition. Renewal is automatic, provided the student maintains a 2.0 cumulative QPA, maintains Satisfactory Academic Progress, and continuously enrolls full-time in each Fall and Spring term until completing the bachelor's degree. If this award is not renewed due to low QPA or unsatisfactory academic progress, it may be reinstated if the student achieves the required QPA or academic progress within one year.

Students receiving a Transfer Incentive Award may not receive any of the following awards: Honors Scholarship, President's Scholarship, Dean's Scholarship, Trustee Recognition Award, Pace Incentive Award, Pace Opportunity Scholarship. Students must sign an Award Agreement Form, which will be available on their Pace Portal.

Pace Incentive Award

These merit awards are offered to entering Freshmen students who show academic promise. To be eligible, students must be admitted as matriculated students in a degree program and must enroll full-time (at least 12 credits) in each Fall and Spring term until completing the Bachelor's degree program. Selection is based on academic excellence. Priority is given to those students who have completed the admissions application process by February 1st.

Merit Awards are available for a maximum of four years or until the first bachelor's degree is completed, whichever occurs first. (The exception is for students in an approved 5 year combined degree program or the 5-year CPA program who may receive the

award for up to five years). Summer sessions are not included. This scholarship is applicable ONLY towards tuition charges at Pace and may not, in combination with other tuition specific financial aid, exceed the student's actual tuition. Renewal is automatic, provided the student maintains a 2.0 cumulative QPA, and continuously enrolls full-time in each Fall and Spring term until completing the bachelor's degree. If this award is not renewed due to low QPA or unsatisfactory academic progress, it may be reinstated if the student achieves the required QPA or academic progress within one year.

Students receiving a Pace Incentive Award may not receive any of the following awards: Honors Scholarship, President's Scholarship, Deans' Scholarship, Trustee Recognition Award, Transfer Incentive Award, Pace Opportunity Scholarship. Students must sign an Award Agreement Form, which will be available on their Pace Portal.

Honors Opportunity Scholarship

These scholarships are awarded to entering Freshmen or Transfer students who show academic promise. To be eligible, students must be admitted as matriculated students in a degree program and must enroll full-time (at least 12 credits per term) in each Fall and Spring term until completing the Bachelor's degree program. Selection is based on academic excellence. Priority is given to those students who have completed the admissions application process by February 1st.

Merit Awards are available for a maximum of four years or until the first bachelor's degree is completed, whichever occurs first. (The exception is for students in the 5-year CPA program who may receive the award for up to five years). Summer sessions are not included. This scholarship is applicable ONLY to tuition charges at Pace and may not, in combination with other tuition specific financial aid, exceed the student's actual tuition. Renewal is automatic, provided the student maintains a 2.00 cumulative QPA, maintains Satisfactory Academic Progress, and continuously enrolls full-time in each Fall and Spring term until completing the bachelor's degree. If this award is not renewed due to low QPA or unsatisfactory academic progress, it may be reinstated if the student achieves the required QPA or academic progress within one year.

Students receiving an Honors Opportunity Scholarship may not also receive any of the following awards: President's Scholarship, Deans' Scholarship, Trustee Recognition Award, Transfer Incentive Award, Pace Incentive Award. Students must sign an Award Agreement Form, which will be available on your Pace Portal.

Other Renewable Merit awards

Pace University offers a number of other renewable merit awards to students who show academic promise and who meet various specific eligibility criteria. The types of Other Merit awards available change over time. Other Renewable Merit Awards include, but are not limited to:

- **Alpha Beta Gamma Scholarship** - \$1,000 per year offered to incoming Transfer students who are members of Alpha Beta Gamma. To qualify, the student's Chapter Advisor must provide a letter of recommendation to the Undergraduate Admissions Office. A cumulative 3.00 QPA is required for renewal.
- **Phi Theta Kappa Award** - \$1,000 per year offered to incoming Transfer students who are members of Phi Theta Kappa. To qualify, the student's Chapter Advisor must provide a letter of recommendation to the Undergraduate Admissions Office. A cumulative 3.00 QPA is required for renewal.
- **Legacy Scholarship** - \$1,000 per year offered to Freshmen or Transfer students who are admitted for Fall 2012 and beyond whose mother and/or father graduated from Pace University. To qualify, applicants for admission must indicate on their Admission Application that one or both of their parents are Pace graduates. A cumulative 2.00 QPA is required for renewal.

To be eligible for any of these awards, students must be admitted as matriculated students in a degree program and must enroll full-time (at least 12 credits per term) in each Fall and Spring term until completing the Bachelor's degree program. Merit Awards are available for a maximum of four years or until the first bachelor's degree is completed, whichever occurs first. (The exception is for students in the 5-year CPA program who may receive the award for up to five years). Summer sessions are not included. These scholarships are applicable ONLY to tuition charges at Pace and may not, in combination with other tuition specific financial aid, exceed the student's actual tuition. Renewal is automatic, provided the student maintains the required cumulative QPA for their specific award, maintains Satisfactory Academic Progress, and continuously enrolls full-time in each Fall and Spring term until completing the bachelor's degree. If these awards are not renewed due to low QPA or unsatisfactory academic progress, they may be reinstated if the student achieves the required QPA or academic progress within one year.

Veteran Tuition Scholarship

Pace University offers a scholarship program to veterans from all branches of the United States Armed Forces who served in Afghanistan and/or Iraq since September 11, 2001. The Pace Veterans Scholarship grants eligible veterans a 50 percent tuition scholarship. The scholarship is open to all admitted veterans who provide a copy of their DD-214 form with one of the following designations:

- Global War on Terrorism Expeditionary Medal
- Afghanistan Campaign Medal

- Iraqi Campaign Medal

To apply for this scholarship as an incoming student, students must file an application for admission for full and/or part-time undergraduate study and provide a copy of their DD-214 with their application. All Veterans will have their application fee waived, regardless of whether they apply or are eligible for this scholarship. The fee waiver form should be printed out and submitted along with the application and/or DD-214. Continuing students who have not already received the Veterans scholarship may apply for it by submitting a copy of their DD-214 to the Office of Student Assistance, Veteran Affairs Team via email (veteranaffairs@pace.edu) or fax (914-989-8789).

To be eligible, a student must be admitted as a matriculated student in a degree program. There is not a minimum enrollment required for receiving the Pace Veterans Scholarship. Those students who are 100% covered under any form of tuition assistance (this includes federal GI BILL®/VA educational benefit are NOT eligible to receive the 50% Tuition Veterans Scholarship). This scholarship is only available for the Fall and Spring semesters respectively until the completion of the first Bachelor's degree program. This scholarship is applicable ONLY to tuition charges at Pace and may not, in combination with other tuition specific financial aid, exceed the student's actual tuition. Renewal is automatic, provided the student maintains Satisfactory Academic Progress and a cumulative 2.00 QPA. If this award is not renewed due to low QPA or unsatisfactory academic progress, it may be reinstated if the student achieves the required QPA or academic progress within one year. To remain eligible for the scholarship student must enroll continuously in the fall/spring semester. Should they need to take off a semester they must complete a "Leave of Absence Form" and file it with the Office of Student Assistance prior to their leave to be eligible to receive this scholarship upon their return. Students in the iPace or Nactel programs are not eligible for this award.

Students receiving a Pace Veterans Scholarship may not also receive any of the following awards: Honor's Scholarship, President's Scholarship, Deans' Scholarship, Trustee Recognition Award, Transfer Incentive Award, Pace Incentive Award. Students must sign an Award Agreement Form, which will be available on your Pace Portal. For more information please visit: Veterans Tuition Scholarship Program.

Pace Grant

These Need Based awards are available to full-time students matriculated in a degree program. Awards are based on academic promise and financial Need. This award is limited to U.S. citizens and permanent residents. Students must complete the Free Application for Federal Student Aid (FAFSA) annually, and list Pace University as a school to be attended on the form. Priority is given to students who file the FAFSA by November 15. Recipients must enroll for at least 12 credits per Fall and Spring term, maintain satisfactory academic progress and a cumulative QPA of at least a 2.00. Summer sessions are not included. Pace Grant is applicable ONLY towards tuition charges at Pace and may not, in combination with other tuition specific financial aid, exceed the student's actual tuition. This award is available for the number of semesters necessary to complete a degree, however renewal is not guaranteed. Students must reapply each year. Renewal is based on continued financial need, maintaining academic progress, a cumulative 2.00 QPA, and the FAFSA filing date each year.

Trustee Tuition Grant (TTG)

Undergraduate students who have completed at least 24 credits at Pace (not including transfer credits) and who have a 3.50 cumulative QPA are eligible for a TTG. These awards of \$500 per year are restricted to students taking at least 12 credits per Fall and Spring term. This grant is not available for summer terms. TTG is applicable ONLY towards tuition charges at Pace and may not, in combination with other tuition specific financial aid, exceed the student's actual tuition. The grant is not available to recipients of the Honors, President's or Dean's Scholarships.

Athletic Scholarships

Full and partial scholarships are available to students with exceptional athletic ability. Such scholarships encourage participation in men's and women's basketball, men's baseball, women's soccer, women's volleyball, women's softball, women's field hockey, men's and women's cross country, men's and women's lacrosse, men's and women's swimming and diving, and spirit squad. Applicants should contact the Athletics Department for further information.

Free Courses For Parents

Parents of full-time matriculated undergraduate students are eligible to take one free course each fall and spring semester on a space-available basis. Registration for tuition-free courses may only take place during the first week of class. Adult education, nursing, study abroad/travel courses, and graduate level courses are excluded from this offer. Parents will be charged for registration and laboratory fees. An application for the free course may be obtained from the Office of Student Assistance. The benefit of this program will not be honored for any course that is filled before the first day of class or for any course that the parent's child is also taking during that semester.

Endowed Scholarship Funds

Endowed Scholarships are made possible through the generosity of Pace alumni and friends, as well as corporations and foundations. These benefactors have a strong belief in the importance of a Pace education for a student's future success. There are over 250 endowed and restricted scholarships available.

To be eligible to apply, students must be matriculated (admitted to a degree or certificate program) and be enrolled for at least 6 credits per semester. Students must also be maintaining Satisfactory Academic Progress and have a QPA of 3.0 or above. Most awards are financial need based. Students must have filed a Free Application for Federal Student Aid (FAFSA). Continuing and Resuming students must also complete our Application for Pace Endowed/Restricted Scholarships **located on their Student Pace portal homepage**. It is very important to provide as much information as possible to improve the chances of being matched with an award. The priority filing date for Endowed Scholarships is **after January 1st, every year**. Applications are reviewed on a first come first served basis and awards are made according to availability of funding.

Federal Financial Aid

General Eligibility for Federal Financial Aid programs:

- File a Free Application for Federal Student Aid (FAFSA) each year.
- Be admitted as a matriculated student in a degree or certificate program at Pace University.
- Enroll in at least 6 credits per semester (except for Pell Grants).
- Maintain Satisfactory Academic Progress toward degree.
- Be U.S. citizen or eligible non-citizen (permanent residents, certain refugees).
- Register for Selective Service (only applicable to males ages 18 and older).
- Not be in default of a federal student loan.
- Not owe a repayment on a federal student grant.
- Have and provide a valid Social Security Number.

Federal Pell Grant Program

Matriculated students who have not previously received a bachelor's degree may be eligible to apply for this federal grant. Eligibility is based on financial Need as determined by the Federal Need Analysis Formula. Applicants must be accepted to an undergraduate degree or certificate program and be enrolled for at least one credit per semester. Students must maintain Satisfactory Academic Progress (p. 7). Awards for the 2019-2020 academic year range from \$328 to \$6,195. Students must complete the Free Application for Federal Student Aid (FAFSA) annually, and list Pace University as a school to be attended on the form. Students may receive Pell Grants for a maximum of 12 full-time semesters or the equivalent.

Federal Supplemental Opportunity Grants (FSEOG)

Federal funds are available for a limited number of undergraduate students with exceptional financial need who are matriculated (accepted to a degree or certificate program) and who are enrolled for at least six credits per semester. Students must maintain Satisfactory Academic Progress to receive FSEOG. The amount of the grant typically ranges from \$100 to \$2,400 per academic year at Pace University based on the level of our federal funding. The Financial Aid Office determines who will receive FSEOG and the amount of the grant. A student must be a Pell Grant recipient to receive FSEOG. Students must complete the Free Application for Federal Student Aid (FAFSA) annually, and list Pace University as a school to be attended on the form. FSEOG funds are extremely limited; generally only students who file the FAFSA by the November 15th priority deadline each year will be considered for FSEOG .

Federal Work-Study Program (FWS)

Federally subsidized employment opportunities are available to students with financial need who are matriculated (accepted to a degree or certificate program) and who are enrolled for at least six credits per semester. Students must maintain Satisfactory Academic Progress to receive FWS. Students must complete the Free Application for Federal Student Aid (FAFSA) annually, and list Pace University as a school to be attended on the form.

Students receiving Federal Work Study awards may be employed on campus by Pace University. Most of the students approved for Federal Work Study can be placed in jobs, but it is the student's responsibility to research job openings and to successfully obtain a position. Students interested in on-campus employment should visit Pace University's Human Resources Department's Careers at Pace site (<http://www.pace.edu/human-resources/careers-pace>) on the web for links to the application system and instructions.

Numerous off-campus positions are also available through the America Reads/Counts/JumpStart program which allows Pace students the opportunity to tutor young children to help improve their reading and math skills. Applications and eligibility criteria for this program are available through the New York City Campus Dyson College offices.

It is important to understand that any Federal Work Study award included on a Financial Aid Award Notice only represents the student's eligibility to earn FWS funds. These funds will not be available at the start of the academic year to pay the Fall semester bill. Federal Work Study paychecks are issued twice each month based on the number of hours worked and the hourly wage rate. Paychecks are issued on a half-month delay which means that students will be paid on September 30th for hours worked from September 1st through 15th. Employment under the program will normally average 10–15 hours per week while classes are in session. During vacation periods, students may work up to 40 hours per week. Total earnings under Federal Work Study are limited to the award amount authorized by the Financial Aid Office.

Students who have not been awarded Federal Work Study who have filed the FAFSA and who have financial Need, may ask the Financial Aid Office to review their eligibility. In addition, non-FWS recipients may also apply for most on-campus jobs.

Federal Direct Stafford Loans

Undergraduate students who have been accepted to a degree or certificate program may apply for loans of up to \$3,500 for the freshman year (up to 31 credits earned), \$4,500 for the sophomore year (32 to 63 credits earned), and \$5,500 for junior and senior years (64 or more credits earned).

Students who demonstrate financial need, qualify for the Subsidized Direct Stafford Loan. Subsidized loan recipients pay no interest during the period of enrollment and for a six-month grace period after the last day of their final semester or termination of half-time study. Students who do not demonstrate financial need may receive an Unsubsidized Direct Stafford Loan for the same amounts. Interest accrues on the Unsubsidized loan as soon as the loan is disbursed.

Dependent undergraduates may borrow an additional Unsubsidized Direct Stafford Loan of \$2,000 per year. Independent undergraduates or Dependent undergraduates whose parents have been denied a Federal Direct Parent Loan (see below) may borrow an additional Unsubsidized Direct Stafford Loan of \$4,000 per year as a freshman or sophomore and \$5,000 per year as a junior or senior.

Interest begins accruing on Unsubsidized Stafford loans as soon as the loan is disbursed. We strongly recommend that the student try to make interest payments on these loans while in school to avoid having the interest added to the principle of the loan after leaving school.

All applicants, regardless of income level, are required to file the Free Application for Federal Student Aid (FAFSA). The Financial Aid Office will calculate the student's eligibility for Federal Direct Stafford Loans and include them on the Financial Aid Award Notice. Once the student accepts a Federal Direct Stafford Loan, the Financial Aid Office will originate the loan with the federal government's Common Origination and Disbursement Center beginning approximately June 1st and on a daily basis thereafter. The student will then need to sign the Master Promissory Note (MPN) for the Direct Stafford Loan at www.studentloans.gov (if the student has not previously borrowed a Direct Loan and signed an MPN). First time borrowers must also complete Loan Entrance Counseling before the loan funds can be disbursed to their college accounts. This requirement is also satisfied online at www.studentloans.gov.

To qualify for a Federal Direct Stafford Loan, students must be matriculated in a degree or certificate program and enrolled for at least six credits per semester. Students must maintain Satisfactory Academic Progress to receive Direct loans. Only U.S. citizens or eligible non-citizens are eligible.

Students are currently charged a 1.062% loan origination fee that is assessed on the face value of each loan borrowed. This fee is deducted prior to disbursement of funds. Repayment of the principal on these loans begins six months after graduation or after the student ceases to be enrolled for at least 6 credits per semester. The minimum monthly installment is generally \$50 including interest. The interest rate for new Subsidized and Unsubsidized Direct Stafford loans first disbursed on or after July 1, 2019, is a fixed rate. The maximum rate for loans first disbursed on or after July 1, 2019 is 4.529%. The standard repayment period is 10 years, but students may extend repayment under the Consolidation Loan Program or by selecting the Graduated, Extended, Income-Based, Pay as you Earn, or Income-Contingent repayment plan. The aggregate borrowing limit for undergraduate study is \$31,000 for Dependent students and \$57,500 for Independent students. Of those aggregate amounts, up to \$23,000 may be borrowed in the form of a Subsidized Stafford Loan.

Repayment of the whole or part of the loan may be made in advance at any time without an interest penalty. Borrowers may defer repayment for up to three years while the student serves in the Armed Forces, Peace Corps, or as a full-time volunteer in VISTA.

For additional information on the Direct Stafford Loan program, please visit: <https://studentaid.ed.gov/sa/types/loans>.

Federal Direct Parent Loan for Undergraduate Students (PLUS)

The parents of a dependent student may borrow up to the full Cost of Attendance minus other financial aid, for each academic year for a child matriculated into a degree or certificate program. Parent loans have a fixed interest rate of 7.079%. Loan repayment begins within 60 days after disbursement. However, parents may request a deferment (from the federal Loan Origination Center) until six months after the student graduates or ceases to be enrolled in at least 6 credits. The standard repayment period is 10 years, however alternate repayment options are available. All borrowers are required to pay an origination fee. Currently the loan origination fee is 4.248% and is deducted from the face value of each loan borrowed.

Parents (biological or adoptive) or step-parents (currently married to the parent) of dependent matriculated students may borrow through this program. The student must be enrolled at least half time (6 credits per semester) and must maintain Satisfactory Academic Progress. The parent/ step-parent must have a positive credit history. Both the parent/step-parent and the student must be U.S. citizens or eligible non-citizens. Neither the parent/step-parent nor the student may be in default of a federal student loan or owe a repayment on a federal grant. The student must have filed a Free Application for Federal Student Aid (FAFSA) for the parent to be eligible for a PLUS loan.

The Financial Aid Office includes its "Parent Loans For Students (Plus) - Request For Federal Direct Plus Loan And Consent To Obtain Credit Report" form with Award Letters and has them available in the offices or on the Financial Aid website, under "Forms". Parents who wish to borrow a PLUS loan must complete this form and submit it to the Financial Aid Office. Upon receipt of this form, the Financial Aid Office will originate the loan with the federal government's Common Origination and Disbursement Center beginning approximately June 1st and on a daily basis thereafter. If credit-approved, the parent must sign a Master Promissory Note (MPN) if not previously completed. The MPN can be signed online at www.studentloans.gov. There is no "Need" requirement for this loan. The parent/step-parent may borrow up to the cost of attendance per student minus financial aid available to the student. Funds are disbursed twice during the loan period. However, PLUS loans cannot be used to replace the student's eligibility for the Stafford Loan, so it is generally to the family's advantage to have the student borrow the lower interest rate Stafford Loan. Parents must reapply each year if they want a PLUS loan.

As with all student loans, Parent Loans for Undergraduate Students are to be used exclusively for educational expenses.

Nursing Student Loan (NSL)

Up to \$2,500 per academic year may be borrowed by students matriculated in a program leading to a degree in nursing. Eligibility is limited to students with exceptional financial need. Repayment begins nine months after the borrower ceases at least half-time study in a school of nursing and may extend over a 10-year period. During the repayment period interest will be charged at the rate of 5% on the unpaid balance of the loan. The minimum monthly installment will be \$40 plus interest. Repayment of the whole or part of the loan may be made in advance at any time without penalty.

Borrowers must arrange for an exit interview with the Collection's Office during their final semester at Pace University.

New York State Financial Aid

These Scholarship and Grant programs are for New York State residents only. You must be admitted to and enrolled in a degree granting program at Pace University to receive awards.

Special Application Procedures for New York State Awards

Students who wish to apply for TAP should file the Free Application for Federal Student Aid (FAFSA). When you apply using FAFSA-on-the-Web, you will be prompted to complete your online TAP application at the end of the FAFSA session. When your FAFSA is complete you will be asked to do the following:

- Establish a HESC PIN (Personal Identification Number) for TAP.
- You MUST establish your PIN in order to apply, keep track of your application information, or make changes.
- Information from your FAFSA and your family's calculated NYS net taxable income will be pre-filled on your application for TAP-on-the-Web.

If you choose not to apply online, HESC will mail you an Express TAP Application (ETA). Information from your FAFSA and your family's calculated NYS net taxable income will be preprinted on your ETA. Review the information, change any incorrect items, complete any missing items, then sign and mail the form using the return envelope.

Applications for NYS TAP and scholarships should be made through the New York State Higher Education Services Corporation (NYS HESC). Contact them at 1-(888)-NYS-HESC or get more info on the Web at <http://www.hesc.ny.gov/>.

The TAP application deadline is June 30th of the academic year for which aid is sought.

Tuition Assistance Program (TAP)

Direct grants currently of up to \$5,165 per year are made to full-time (12 new credits a semester) matriculated students who have resided in New York State for at least one year and are making satisfactory academic progress toward their degree. Maximum usage is for eight semesters.

The amount of the grant is determined by the amount of net taxable income reported on the New York State income tax return for the student and parents. Net taxable income equals gross income minus all exemptions and deductions. If more than one member of the student's family is attending a college or other approved school on a full-time basis, the net taxable income is reduced by \$3,000 for the second family member and by \$2,000 for each additional family member.

The maximum net taxable income cut-off for first-time dependent and independent (married or with dependents) undergraduate recipients as of 2019-2020 is \$80,000. The maximum net taxable income cut-off for independent undergraduate students who are unmarried or have no tax dependents as of 2019-2020 is \$10,000.

NYS reserves the right to change their laws each year when they vote on the state budget.

Regents Awards for Children of Deceased and Disabled Veterans

New York State residents who are children of certain deceased and disabled veterans will receive \$450 per year for attendance at institutions in New York State. Application should be made through the New York State Higher Education Services Corporation (NYS HESC). Contact them at 1-(888)-NYS-HESC or get more info on the Web at <http://www.hesc.ny.gov/>.

Regents Awards for Children of Deceased Police Officers, Firefighters, and Corrections Officers

Awards for full-time study are available to New York State residents who are children of deceased police officers, firefighters, or correction officers of New York State, or any of its municipalities, who died as a result of an injury sustained in the line of duty. Application may be made through the New York State Higher Education Services Corporation (NYS HESC). Contact them at 1-(888)-NYS-HESC or get more info on the Web at www.hesc.com.

New York State Aid for Part-Time Study (APTS)

Grants of up to \$1,000 per semester are available to matriculated undergraduate students enrolled in 3 to 11 credits per semester. A 2.0 QPA is required, and eligibility is restricted to New York State residents. To qualify, the New York State Net Taxable Income must be less than \$34,250 for independent students and \$50,550 for dependent students and independent students with dependent children or other qualified dependents. Students must have financial need. NYS reserves the right to change their laws each year when they vote on the state budget.

Application forms may be obtained online at www.pace.edu, under Financial Aid Forms. Students who file in the Fall will automatically be renewed for the Spring semester, if they continue to meet program requirements. (See additional guidelines with application).

New York State Assistance for Native Americans

Enrolled members of New York State nations or tribes and their children who are New York State residents may obtain grants up to \$1,750 a year for up to five years of attendance in an accredited college or university located in New York State.

Application forms may be obtained from the Native American Indian Education Unit, New York State Education Department, Room 478 EBA, Albany, NY 12234.

Veterans Tuition Award

This program provides financial assistance to help Vietnam Veterans, Persian Gulf Veterans, and Afghanistan Veterans studying on either a full-time or part-time basis, meet tuition charges. For full-time study, veterans are eligible for an award equal to the amount of undergraduate tuition for New York State residents charged by the State University of New York, or actual tuition charged, whichever is less. For part-time study, awards are prorated by credit hour. Part-time study for Veterans Tuition Awards is defined as at least three but fewer than twelve semester hours (or the equivalent) at degree-granting institutions. To apply for the New York State Veterans Tuition Award you must complete a FASFA. For more information please visit: Veterans Tuition Award.

Regents Professional Opportunity Scholarships

New York State offers 220 Regents Professional Opportunity Scholarships for students enrolled in an approved program leading to a degree in one of the following areas at Pace University: accountancy (CPA), nurse practitioner, physical therapy, physician assistant, psychology (doctorate), law (JD) or social work (master's). Awards are restricted to full-time, matriculated New York State residents. Selection is limited to those who are economically disadvantaged and/or who are members of a minority group that is historically underrepresented in the chosen profession.

The scholarship provides up to \$5,000 annually based on gross income and cost of education. The total of the scholarship and any TAP award received may not exceed the cost of education. Scholarships may cover up to four years of study for a standard baccalaureate degree. Scholarship recipients must enter into an approved practice within New York State in the field of study for which the scholarship was granted. The service requirement is one year for each annual scholarship payment received. For additional information and application forms, write or call:

NYS Education Department

Bureau of HEOP/VATEA/Scholarships
Education Building Addition
Room 1071
Albany, NY 12234
Phone: (518) 486-1319

Financial Aid from Outside Sources

GI Bill®

Veterans who have served in the Armed Forces on active duty for more than 90 days are eligible for tuition/fees as well as monthly living stipend payments through the Veterans Administration. Pace University is fully approved to conduct college-level education programs for veterans. The Office of Veterans' Affairs is located in the Registrar's Office (Office of Student Assistance) on each campus. Assistance in completing applications for veteran's educational benefit assistance, are all available through this office. Students who are veterans are urged to use these services and are encouraged to check at least once a semester on the status of their enrollment certification. To contact the Office of student Assistance please email veteranaffairs@pace.edu. It is the sole responsibility of each student veteran beneficiary to inform the OSA VA Team each and every semester that they would like to utilize their GI BILL® educational benefits once they have officially registered for courses.

Outside Scholarship Resources

Students are encouraged to search for external scholarships and financial resources. Each year thousands of scholarship dollars remain unclaimed by students who are unaware of these external scholarships.

Applying for scholarships requires some time and effort, and in some cases, a financial statement component from a financial aid counselor. We strongly advise that students start early when investigating and applying for outside scholarships. Be careful about selecting scholarships to apply for. We advise students never to pay an application fee, purchase a product, or subscribe to a service when applying for outside awards. Scholarships should not cost anything but time and the effort involved in meeting the qualifications.

Please be aware of the following:

- Most outside scholarships require confirmation of actual enrollment.
- Most outside scholarship programs will send the scholarship check directly to Pace University to be deposited in the student's Account at Pace.
- The Financial Aid Office will need documentation of any outside scholarships received and what types of charges the scholarship(s) can be applied toward (if the scholarship program has any restrictions).
- Receipt of outside scholarships may reduce eligibility for other types of financial aid.

Helpful Tips:

- Confirm application dates with each scholarship program as these may change with time.
- Review the program description and submit any necessary documentation for consideration.
- If a financial statement is required from the Financial Aid Office, please allow adequate time for completion.
- Plan ahead for next year if the application date was missed this year.

R.O.T.C. Scholarships (New York City campus)

In conjunction with Fordham University and St. John's, the Department of the Army offers scholarships that cover full tuition, fees, and books to men and women who are full-time juniors and seniors and who wish to join the Army Reserve after graduation. To be eligible to apply, students must be in either their freshman or sophomore year, possess U.S. citizenship, and be graduating from the University before their 25th birthday. For more information please visit: Office of Student Assistance - Army ROTC

Alternative Loans

An Alternative loan is a private loan in the student, parent or sponsor's name which, depending on the creditworthiness of the applicant, may require a cosigner. Some lenders do not require students to be in a degree or certificate program to receive these loans. Most lenders will also require students to be enrolled at least half time.

Payment and interest on Alternative loans can be deferred until six months after graduation, or as long as the student is enrolled at least halftime. **INTEREST WILL ACCRUE DURING THIS DEFERMENT PERIOD AND IS ADDED TO THE PRINCIPAL.** It is strongly recommended that students try to make the interest payments while they are in school to avoid an increase of the principal amount of the loan during the deferment period. Students are permitted to finance up to their Cost of Attendance minus other aid. The student's credit score determines the interest rate and fees for Alternative loans. We advise students to obtain their credit

report to verify that the information being used to determine their rate is accurate and up to date. It is always important to ensure that information reported to credit bureaus is correct. The three major credit bureaus are:

- www.equifax.com
- www.experian.com
- www.transunion.com

Applications for Alternative Loans can be done on-line or through a paper process directly with the student's chosen lender. It is the student's responsibility to follow-up with the lending institution to ensure that they have received all requested documents needed to finalize the loan.

Loans must be certified by a Financial Aid Counselor at Pace University in order to complete the loan process. Funds are deposited into the student's Account at Pace by a specified disbursement date determined by the Financial Aid Office and the Lender.

Summer Financial Aid

Students may be eligible for Federal Pell grants, Federal Direct Loans, NYS TAP and Federal Work Study during the Summer sessions. With very few exceptions, Pace University scholarships, grants and awards are not available for Summer sessions. In general, financial aid for the Summer sessions is based on a student's eligibility from the previous year. Therefore students interested in receiving financial aid for Summer 2020, must have filed the 2019-2020 FAFSA form.

However, we recommend that you file the next year's FAFSA form as well. If you have not completed the FAFSA form, you can file it online at www.fafsa.ed.gov. Pace University's FAFSA school codes are:

- New York - 002791
- Pleasantville - 002792
- White Plains - 002727

Students interested in aid for the summer must file an additional Pace University Summer Application, available on the Financial Aid webpage or in the Financial Aid Office. We advise you to submit all required documents, and register before mid-April to guarantee financial aid availability for Summer payment dates.

Please be sure to read the application thoroughly, as receiving financial aid for the Summer will have an impact on your financial aid for the following year.

Important Policy Information

Enrollment Status

The Pace University Financial Aid Office defines an Academic Year to be 24 semester credit hours and 30 weeks of instructional time.

For Financial Aid and enrollment reporting purposes, enrollment status is defined as follows for Pace University students:

Students	Full-time	¾ time	Half-time/Part-time
Undergraduate	12 credits / Semester	9 credits / Semester	6 credits / Semester

Pace University offers classes in seven different academic Terms throughout a calendar year (Fall, January, Spring, May, Summer 1, Summer 2 and August). The Financial Aid Offices combines these terms into three Enrollment Periods for which financial aid is awarded.

- The Fall Enrollment Period includes only the Fall Term.
- The Spring Enrollment Period includes the January and Spring Terms.
- The Summer Enrollment Period includes the May, Summer 1, Summer 2 and August Terms.

For Federal financial aid purposes, a student's enrollment status is based on the entire Enrollment Period. Therefore, for example, an undergraduate student taking 3 credits in the January term and 9 credits in the Spring term, is considered to be a full-time student for federal aid for the Spring Enrollment Period. Or, as another example, a student taking 3 credits in Summer 1 and 3 credits in Summer 2 is considered to be a half-time student for federal aid for the Summer Enrollment Period.

For Pace Institutional financial aid purposes, a student's eligibility for Fall or Spring scholarships, grants and awards funded by Pace University can only be based on his/her enrollment in the Fall or Spring Term. Therefore, for example, an undergraduate student taking 3 credits in the January term and 9 credits in the Spring term, would not be considered a full-time student for Pace Institutional aid for the Spring Enrollment Period and would not qualify for Pace University scholarships, grants or awards requiring full-time enrollment. That student would have to be taking 12 credits in the Spring term to qualify. Most Pace Institutional financial aid is not available for the summer.

For New York State financial aid purposes, a student's eligibility for Fall or Spring aid can only be based on his/her enrollment in the Fall or Spring Term. However, New York State does allow the May, Summer 1, Summer 2 and August terms, together, to be treated as one Summer Enrollment Period. Therefore, for example, an undergraduate student taking 3 credits in the January term and 9 credits in the Spring term, would not be considered a full-time student for NYS aid for the Spring Enrollment Period and would not qualify for TAP or other full-time awards. That student would have to be taking 12 credits in the Spring term to qualify. However, if the student were otherwise eligible for Accelerated TAP in the Summer, his/her enrollment in all 4 summer terms combined would be used to determine his/her enrollment status.

For Alternative Loan processing purposes, a student's enrollment status is based on the entire Enrollment Period.

Repeating Coursework

Students should be aware that, for federal financial aid purposes, an institution can pay a student for only one retake of a previously passed course or its equivalent. This means that once a student has passed a particular course, Financial Aid can count that student as being enrolled in that course only one more time for federal aid purposes.

For example: Say a student passed BIO 101 in Fall 2018 with a D. If that student takes BIO 101 again in Fall 2019, the Financial Aid Office can count that course in the student's Fall 2017 enrollment. So if the student is taking BIO 101 for 3 credits and 9 other credits in Fall 2019, the student would be considered to be in 12 credits (full-time) for Fall 2019. However, if the student then took BIO 101 again in Spring 2020, it cannot be counted (regardless of whether it was passed or failed in Fall 2018). So, if the student is taking BIO 101 for the 3rd time in Spring 2020 and 9 other credits, the Financial Aid Office would have to consider the student to be enrolled in only 9 credits for Spring 2020.

Please note that this restriction does not apply to Pace University funded aid or to outside resources such as Alternative Loans.

Satisfactory Academic Progress Requirements for Federal and Pace Funded Financial Aid

A student's academic progress is reviewed at the end of each Spring semester and they must meet the following Satisfactory Academic Progress requirements to receive financial aid for any subsequent semester from any of the following Federal or institutional aid programs:

FEDERAL

- Federal Work Study (FWS)
- Federal Direct Loan (both Subsidized and Unsubsidized)
- Federal Direct PLUS loan
- PLUS loan for graduate or professional students

INSTITUTIONAL

- Pace Scholarships*
- Pace Grants
- Tuition Remission programs

*Recipients of Pace University's grants, scholarships and tuition programs must also meet the stricter requirements of these programs regarding the cumulative QPA and other criteria required to maintain continued eligibility for these academic-based programs. Students should refer to the Award Agreement Form that they signed when they first received with the award or speak with a Financial Aid Counselor if there are any questions about continued eligibility for any institutional award.

Satisfactory Academic Progress is subject to a two-fold criterion:

- **Qualitative Measure - Quality Point Average:**
Students must maintain a minimum of a 2.0 cumulative quality point average (QPA) or higher for specific academic programs (SEE CHARTS). Graduate students must maintain a 3.0 cumulative QPA.
- **Quantitative Measure – Pace of Completion:**
Percentage of attempted cumulative hours completed. Completion rate is determined by dividing the total number of credit hours earned by the total number of credit hours attempted. Students must maintain a cumulative pace of completion of at least 67%. Transfer credits accepted toward the current degree program are considered as credits attempted.

Maximum Time Frame (MTF)

Federal regulations require that a student complete his program of study within 150% (length of program x 1.5) of the time allotted for the program. For example, if an undergraduate degree is 120 credit hours in length, a student with this major must complete the program within 180 (120 x 1.5) credit hours. Credit hours attempted includes all grades as well as transfer credits and “W” (withdrawal grades). A student becomes ineligible at the evaluation point when it is determined they will exceed maximum time frame, not just at the point when they actually reach the maximum time frame.

A student is considered to be making satisfactory academic progress if the student meets the criteria on the charts below specific to their program:

Undergraduate Students		
Cumulative Credits Attempted	Required Percentage Passed	Minimum Cumulative QPA
1 - 23	50%	2.00
24 - 47	55%	2.00
48 - 71	55%	2.00
72 - 95	60%	2.00
96 -180	70%	2.00

* A student who has attempted more than 180 credits no longer qualifies for financial aid.

Review Policies

- i. The cumulative QPA (Quality Point Average) is the average of all quality points achieved for all courses taken during all semesters at Pace toward the current degree program.
- ii. The following will be considered as credits attempted and passed:
 1. “A” through “D” grades
 2. “P” passing with credit
 3. Transfer credits accepted toward the current degree program.
- iii. The following will be considered as credits attempted but not passed:
 1. “F” grades
 2. “W” withdrawal
 3. “I-F” incomplete – failure due to unofficial withdrawal
 4. “I” incomplete
 5. “I-R” – referral (if the grade of I-R remains for more than one major semester after the semester in which the course was taken)
 6. Credits from courses that have been repeated
- iv. The following will not be considered as credits attempted or passed:
 1. “AUD” audit no credit
 2. “K” pending
- v. In the event that a student fails to meet any of the criteria as indicated in the Table above, the student will be considered to be making unsatisfactory academic progress. All Federal and Pace aid for future semesters is canceled.

Special Note regarding Repeated Courses – All courses taken at Pace are counted as attempted credits even if they have been taken again. If a student fails a course and then repeats it in a subsequent semester and receives a passing grade, the credits for the first time the course was taken are counted as attempted but not passed and the credits for the second time the course was taken are counted as attempted and passed.

Special Note regarding Withdrawals – All courses that a student has started at Pace are counted as attempted. Courses from which a student has withdrawn count as attempted but not passed, even though they do not figure into the calculation of the QPA.

Special Note for Resuming Students – All course work toward a particular degree program at Pace University is counted when determining whether a student is making satisfactory academic progress, even if the student has taken some time off from attending the University.

Special Note for Bachelor’s degree candidates who previously received an Associate’s degree from Pace- If the student is currently working toward a Bachelor’s degree and previously received an Associate’s degree from Pace, the cumulative QPA and the credits attempted and passed or not passed during the Associates degree program are included in the determination of the student’s academic progress toward the Bachelor’s degree program.

Academic Progress Appeal Provisions

A student who is not making satisfactory academic progress may submit an Appeal to be placed on Academic Progress Probation. Appeals are approved only in cases where the student has demonstrated that the academic progress criteria were not met due to extraordinary circumstances occurring in the student's life, generally beyond his/her control.

Extraordinary circumstances might include:

1. Severe and long term illness or injury to the student making the successful completion of courses that had been started a physical impossibility or hardship.
2. Death of an immediate family member that creates serious emotional stress or, in some cases, serious financial stress or uncertainty.
3. Serious emotional distress as a result of mistreatment (i.e. rape, physical abuse).

Circumstances that, generally, do not warrant an academic progress waiver include:

1. Not liking the course or professor.
2. Being too busy at work, particularly if it is the same job the student had before the semester started and nothing out of the ordinary has occurred in the company.
3. Deciding after the semester starts to take some time off to work.

An Academic Progress Appeal is usually only granted once, so its use should be carefully considered and timed. During the Probation period, the student must make up any academic progress deficiency. If the Appeal is approved, the student must meet the terms of an Academic Plan developed with the Financial Aid counselor by the end of the next semester and each subsequent semester.

A waiver may be granted ONLY when the following conditions are met:

1. Detailed documentation must be provided to verify the extraordinary circumstances that warrant the waiver.
2. An explanation of how these circumstances resulted in the loss of satisfactory academic progress.
3. An explanation of how the student's situation has changed so that these circumstances are not expected to cause further problems that would prevent the students from demonstrating Satisfactory Academic Progress in the future.
4. Based on the documentation and the student's academic record, there must be a reasonable expectation that all future academic progress requirements will be met.

(Please note: Successful appeals of academic standing with the dean of the student's school or division at Pace and waivers of the good academic standing requirements for New York State aid granted by the TAP Coordinator's office do not constitute an appeal of academic progress for federal or institutional financial aid. In addition, documentation submitted to either the office of the academic dean or the TAP Coordinator's office to support an appeal of academic standing is not shared with the Financial Aid Office. Students must submit such documentation separately to the Financial Aid Office when submitting an academic progress appeal for federal or institutional financial aid.)

A student who believes he/she has grounds for an academic progress appeal should send the documentation outlined above to the Financial Aid Director on his/her home campus.

Good Academic Standing Requirements for Full-Time Undergraduate Students Receiving New York State Aid

Full-time undergraduate students receiving TAP, Child of Veteran Awards, Veteran Tuition Awards, or any other New York State grant or scholarship, must meet the State Education Department's requirements for both satisfactory academic progress and program pursuit. For purposes of continued state aid eligibility, students are reviewed at the end of every semester for eligibility for the following term.

Satisfactory Academic Progress means that the student must pass a certain cumulative number of credits with a certain cumulative QPA prior to receiving each semester's award. A student may receive state aid for a maximum of eight (in some cases 10) semesters. The following chart outlines the number of credits passed and cumulative QPA a student must achieve in order to be eligible for each semester's state aid award.

Baccalaureate Degree

This chart applies to students first receiving aid in 2006-07 through and including 2009-10:

Before Being Certified for This Payment	1st	2nd	3rd	4th	5th	6th	7th	8th	9 th *	10 th *
You Must Have Accrued at Least This Many Credits	0	6	18	30	45	57	69	84	96	108
With At Least This Cum Grade Point Average	0.00	1.10	1.30	1.40	2.00	2.00	2.00	2.00	2.00	2.00

This chart applies to students first receiving aid in 2010-11 and thereafter:

Before Being Certified for This Payment	1st	2nd	3rd	4th	5th	6th	7th	8th	9 th *	10 th *
You Must Have Accrued at Least This Many Credits	0	6	18	30	45	57	69	84	96	111
With At Least This Cum Grade Point Average	0.00	1.50	1.80	1.80	2.00	2.00	2.00	2.00	2.00	2.00

*Note: Only students in five-year programs, approved pursuant to Section 145–2.7 of the State Regulations, are eligible for more than eight semesters of undergraduate awards.

Associate Degree

This chart applies to students first receiving aid in 2006-07 through and including 2009-10:

Before Being Certified for This Payment	1st	2nd	3rd	4th	5th	6th
You Must Have Accrued at Least This Many Credits	0	6	18	30	42	54
With At Least This Cum Grade Point Average	0.00	1.10	1.30	1.40	2.00	2.00

This chart applies to students first receiving aid in 2010-11 and thereafter:

Before Being Certified for This Payment	1st	2nd	3rd	4th	5th	6th
You Must Have Accrued at Least This Many Credits	0	6	18	30	42	54
With At Least This Cum Grade Point Average	0.00	1.30	1.50	1.80	2.00	2.00

In addition to these Satisfactory Academic Progress requirements, the student must also meet requirements of Program Pursuit.

Program Pursuit means that the student must receive passing or failing grades in a certain number of credits during each semester that he/she receives a state award. ("W" grades (withdrawals) do not meet this requirement.) The following chart outlines the number of passing or failing credits the student must receive in each semester that a state award is received in order to continue to qualify for the award.

During the semester you receive this TAP payment	1st	2nd	3rd	4th	5th	6th	7th	8th
You must pass or fail at least this number of credits	6	6	9	9	12	12	12	12

A recipient of New York State aid who fails to meet the Program Pursuit or Satisfactory Academic Progress requirements in a particular semester, may wish to make up the necessary credits or achieve the required cumulative QPA by pursuing credits at his/her own expense in a given semester. By so doing, he/she may be able to make up the deficiency and be eligible to receive his/her New York State aid in the following semester.

Repeated Courses - If the student repeats a course in which an acceptable passing grade has already been received, such a course cannot be considered in determining whether the academic progress or program pursuit requirements have been met. There are two exceptions to this rule:

1. If the passing grade received for a course is unacceptable in a particular curriculum (e.g., a student enrolled in the nursing program who receives less than a "C+" grade in a nursing course).
2. If the course can be taken more than once and credits earned each time toward the completion of a student's degree program (e.g., NYC 290).

Undecided Majors - In addition to the academic progress and program pursuit requirements, students must have an *approved* major prior to the midpoint of their academic program. Students in a baccalaureate degree program must have an *approved* major prior to the first day of their junior year. Students in an associate degree program must have an *approved* major prior to the first day of their sophomore year.

CAP Students - CAP students must *officially* exit the CAP program and have an *approved* major by the aforementioned deadlines.

Special Notes for Transfer and Readmitted Students - Transfer students and students readmitted after an absence of at least one year from college are reviewed for satisfactory academic progress for New York State assistance on a somewhat different basis. While the student must meet the Program Pursuit Requirements based on the number of New York State award payments he/she has received, the Satisfactory Academic Progress requirements the student will have to meet may be based on either the number of state aid payment he/she has received or the number of transfer or readmit credits awarded upon admission to the University. Pace will place the student on the chart for satisfactory academic progress based on whichever placement is of greater benefit to the student.

Accelerated Study TAP - To qualify for Accelerated Study TAP, students must be enrolled in at least six credits and have completed 24 credits (at least 12 credits in each term) in the prior two semesters (fall and spring) to receive payment for accelerated study during a summer term at Pace. This requirement does not apply if the student is enrolled full-time in the summer.

Waiver Provision - Exceptional Cases a TAP recipient who does not make academic progress or program pursuit in a particular semester due to extraordinary circumstances (serious illness, death in the family, etc.) may request a one-time waiver of these requirements. A waiver can be used only once as an undergraduate student so its use must be carefully considered and timed. During the waiver semester, the student must make up any academic progress or program pursuit deficiency. A waiver may be granted only when the following conditions are met:

- Detailed documentation must be provided to verify the extraordinary circumstances.
- The documentation must include an explanation of how these circumstances resulted in the loss of good academic standing.
- Based on the documentation and the student's academic record, there must be a reasonable expectation that all future academic progress requirements will be met.

Please Note: Successful appeals of academic standing with the dean of the student's school or division at Pace and academic progress waivers granted by the Office of Student Financial Services for federal and/or institutional aid programs do not constitute a waiver of the good academic standing requirements of the New York State aid programs. In addition, documentation submitted to either the office of the academic dean or the Office of Student Financial Services to support an appeal of academic standing or academic progress is not shared with the TAP coordinator's office. Students must submit such documentation separately when requesting a waiver of the good academic standing requirements of the New York State aid programs. A student who believes he/she has grounds for a waiver of the good academic standing requirements of the New York State aid programs or who has any questions concerning his/her eligibility for New York State aid should contact the University TAP Certifying Officer or his/her assistants, at (877) OSA-1830.

Financial Aid Refund and Repayment Policy

When a student who is receiving financial aid withdraws from or drops classes for any reason, the resulting refund, credit, or cancellation of tuition, fees, dormitory charges, or meal plan charges must be credited first to the financial aid programs from which the student was receiving funds for that semester. The amount credited to each financial aid program is determined by the type of aid received, the number of credits the student had before and after the drop or withdrawal, the length of time the student was enrolled, and the amount of any adjustment to charges.

Please note that to officially withdraw from classes, a student must withdraw via the Web (www.pace.edu), or file for withdrawal with the Office of Student Assistance.

Federal Financial Aid Recipients Who Withdraw From All Classes:

Federal Title IV financial aid includes: Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), Federal Direct Stafford Loans, and Federal Direct PLUS Loans (Parent Loans for Undergraduate Students or Graduate PLUS loans). For students who withdraw from all classes for a semester, federal regulations require that the Financial Aid Office perform the Return to Title IV Funds calculation.

If the student has withdrawn within the first 60 percent of the semester, the student is considered to have “earned” the portion of dispersible Title IV funds equal to the ratio of the number of days the student was enrolled to the number of days in the semester. The calculation will require the return of all federal aid that exceeds the “earned” portion. The amount of aid returned to each program is dictated by the federal calculation.

The Return to Title IV Funds calculation also determines the amount of awarded but not yet disbursed aid, if any, that can be credited to the student’s account. Students may not apply for additional federal aid after withdrawing from all classes. If a return of funds is required, it must be distributed to the various financial aid programs in the following order prescribed by law:

1. Federal Unsubsidized Direct Stafford Loan
2. Federal Subsidized Direct Stafford Loan
3. Federal Direct PLUS Loan (for parents or graduate students)
4. Federal Pell Grant
5. FSEOG (Federal Supplemental Educational Opportunity Grant)

Note that in certain circumstances a student may be required to repay a portion of a refund back to the federal government.

Federal Financial Aid Recipients Who Withdraw Below Six Credits – The procedure varies by program:

Federal Work Study - A student working under the FWS program, who drops or withdraws below six credits, must stop working immediately because he/she no longer meets the federal guidelines for FWS.

Pell Grant - A Pell Grant Award is determined by the student’s Effective Family Contribution and enrollment status. Pell awards may be adjusted for changes in enrollment that occur during the first 4 weeks of a semester.

Federal Supplemental Educational Opportunity Grant (FSEOG) - If a student receives a refund, credit, or cancellation of any institutional charges and FSEOG has been disbursed to the student’s account, an adjustment may be required as a result of the change in Cost of Attendance. If the grant has yet to be disbursed, eligibility may change.

Federal, Direct Stafford Loans, and Plus Loans - If a student receives a refund, credit, or cancellation of any institutional charges and a loan has been disbursed to the student’s account, an adjustment may be required. If a loan has yet to be disbursed, loan eligibility may change. In addition, any undisbursed second disbursement of a Direct Stafford Loan or Direct PLUS Loan must be cancelled.

All Federal Aid - Students may not apply for or be awarded additional federal aid after withdrawing below six credits.

Federal financial aid recipients who drop below the level of enrollment for which the aid was originally awarded, but who remain enrolled for at least six credits - the procedure varies by program:

Pell Grant - A Pell Grant Award is determined by the student’s Effective Family Contribution and enrollment status. Pell awards may be adjusted for changes in enrollment that occur during the first 4 weeks of a semester.

Federal Supplemental Educational Opportunity Grant (FSEOG), Federal Direct Stafford Loans, and Direct Plus Loans - If a student receives a refund, credit, or cancellation of any institutional charges an adjustment to these programs may be required to eliminate an over award.

Recipients of Pace University Scholarships and Grants Who Withdraw From Any Classes

If a student withdraws from any classes and receives a refund, credit, or cancellation of tuition, fees, dormitory charges or meal plan charges, any university aid the student has received that is applicable to the reduced charges will be adjusted if the withdrawal resulted in the student being enrolled in fewer than the minimum required number of credits for the type(s) of aid received. Most University scholarships and awards are applicable to tuition; other types of University aid are applicable to other combinations of charges. The amount of each type of aid reduced will equal the ratio of the reduced charges to the original charges.

Recipients of New York State TAP and Other State Grant Programs Who Withdraw

New York State regulations govern the reduction or cancellation of TAP in cases where students withdraw or drop classes. New York State TAP and most other state grant programs are applicable only to tuition. If a student withdraws and receives a refund, credit, or cancellation of tuition and/or fees, New York State awards must be reduced to ensure that the award amount does not exceed the remaining applicable charges. In addition, other adjustments may be necessary. The student should contact the University TAP coordinator regarding TAP and other New York State grant program refund requirements.

In all cases, students who are considering withdrawing from classes may call or visit the Financial Aid Office for further details or to discuss their particular situation.

Exit Counseling Guide for Federal Student Loan Borrowers

If you borrowed federal loans while attending Pace, Exit Counseling is required before you withdraw, graduate, or drop below part-time attendance. Exit counseling helps you understand your rights and responsibilities as a student loan borrower. Please view the Exit Counseling Guide for Federal Student Loan Borrowers for detailed information. Exit counseling is completed on line at www.studentloans.gov.

Frequently Asked Questions

Who is eligible to receive financial aid?

Financial aid is available to undergraduate and graduate students who have been accepted and enrolled as matriculated students in a degree program at Pace University. Students must also be enrolled for at least 6 credits, making satisfactory academic progress, and file a Free Application for Federal Student Aid (FAFSA) to receive most types of financial aid.

International students are not eligible for federal financial aid, and are not required to file a FAFSA. Non-degree seeking students are not eligible for federal, state or institutional aid, however they may apply for alternative loans.

When should I apply for financial aid?

All students who wish to be considered for University administered loans, work study, and grants must file the Free Application for Federal Student Aid (FAFSA) with the federal processor. The priority deadline for filing the FAFSA is November 15th. Some types of aid will be unavailable to students who file after the priority deadline.

How do I apply for financial aid?

For institutional and federal aid, you must file the FAFSA. For more information, visit the FAFSA website at www.fafsa.ed.gov. If you are a New York State resident, you must file the FAFSA and also complete the Express TAP application. For more information, visit www.HESC.ny.gov.

What is Pace University's Federal School Code?

In order to have your FAFSA information forwarded to Pace University for financial aid consideration, you will need to provide our school code. Our codes are: New York City Campus - 002791; Pleasantville Campus - 002792; White Plains Campus - 002727.

Do I have to reapply for financial aid each year?

Yes, a FAFSA must be completed each year. Remember to file by November 15th for consideration for all types of aid.

Is my financial aid guaranteed for four years?

If your family circumstances remain unchanged, you maintain Satisfactory Academic Progress and all paperwork is completed in a timely manner, your financial aid package should be comparable for your four years here at Pace University. However, many factors affect your eligibility and the availability of aid. Please read the entire Financial Aid section of this catalog for more detailed information.

What Pace University Scholarships are available to me?

Eligibility for Pace University Scholarships is determined and awarded, based on your academic achievements, during the admissions process.

In addition, Pace University has limited endowed funds which have specific criteria associated with the awarding of funds. Please visit the Endowed Scholarship section under Scholarships and Grants on our Web site at www.pace.edu for more information.

How do outside scholarships change my financial aid?

The terms of the outside scholarship will determine if your financial aid needs to be adjusted. Please provide the Financial Aid Office with a copy of your outside scholarship award letter so that your financial aid package can be reviewed.

Am I eligible for loans?

All students, who file a FAFSA, are entitled to Federal Direct Stafford Loans IF they:

- Are matriculated in a degree program at Pace University
- Are enrolled for at least 6 credits per semester.
- Are U.S. Citizens or eligible non-citizens.
- Are making Satisfactory Academic Progress.
- Have not exceeded their aggregate limits.
- Have not defaulted on any prior student loans and do not owe a repayment on any federal grants.

How much can I borrow in loans?

Your loan amounts are determined by your grade level/number of credits completed each year.

The loan amounts that Dependent students borrow are:

Freshman (0-31 credits earned)	\$5,500/year	(up to \$3,500/year may be in Subsidized loans)
Sophomore (32-63 credits earned)	\$6,500/year	(up to \$4,500/year may be in Subsidized loans)
Junior (64-95 credits earned)	\$7,500/year	(up to \$5,500/year may be in Subsidized loans)
Senior or 5th year (96 or more credits earned)	\$7,500/year	(up to \$5,500/year may be in Subsidized loans)

Aggregate loan limit for dependent undergraduate students is \$31,000 (maximum of \$23,000 from Subsidized loans)

The loan amounts that Independent students may borrow are:

Freshman (0-31 credits earned)	\$9,500/year	(up to \$3,500/year may be in Subsidized loans)
Sophomore (32-63 credits earned)	\$10,500/year	(up to \$4,500/year may be in Subsidized loans)
Junior (64-95 credits earned)	\$12,500/year	(up to \$5,500/year may be in Subsidized loans)
Senior or 5th year (96 or more credits earned)	\$12,500/year	(up to \$5,500/year may be in Subsidized loans)

Aggregate loan limit for independent undergraduate students is \$57,500 (maximum of \$23,000 from Subsidized loans)

What is a Parent PLUS loan?

Parents of dependent undergraduate students are eligible to assist in financing their children's education by obtaining a federal parent loan. This is a low interest educational loan where repayment begins 60 days after the second disbursement of the loan, or the loan repayment may be deferred based on a student's half-time enrollment. Parents are eligible to borrow the difference between the cost of attendance and the student's other financial aid.

How do I sign the promissory note for a Federal Direct Stafford loan?

A Master Promissory Note can be completed electronically at www.studentloans.gov.

Where can I complete my entrance/exit counseling session?

You may complete this federal requirement online at www.studentloans.gov.

Financial Aid Office Contact Information

At Pace, our financial aid administrators are available to help you through the financial aid process. If you have any questions, please contact or visit one of the Financial Aid Offices listed below or open a Financial Aid Help Desk ticket.

SCHOOLS

College of Health Professions

College of Health Professions Overview

Welcome

Established in 2010, the College of Health Professions (CHP) at Pace University offers a broad range of programs at the bachelor, master, and doctoral levels. It is the College's goal to create innovative and complex programs that reflect the changing landscape of the health care system.

These programs are designed to prepare graduates for impactful careers in health care practice, health-related research, or as educators, and equip graduates to work in health policy and global health fields. Students in clinical programs receive hands-on training in the College's Interprofessional Center for Health Care Simulation and have the opportunity to apply their developing skills in real-world settings at many of the regions' leading clinical facilities.

The College is currently comprised of several growing and important areas of study, which include Nursing, Physician Assistant, Speech Language Pathology & Audiology, Health Science Nutrition and Dietetics, and Occupational Therapy. Connect with us on Facebook/Twitter/Instagram at @chpatpace.

Vision, Mission, and Philosophy: College of Health Professions and School of Nursing

Vision, Mission, and Philosophies

Vision of the College of Health Professions

The College is recognized for its innovative leadership in education, practice, scholarship, and service to improve health and the health professions.

Mission of the College of Health Professions

The College's mission is to educate and challenge diverse students for the health professions to be leaders, innovators and lifelong learners who will positively impact local, national, and global health.

Core Values of the College of Health Professions

The Core Values of the College of Health Professions are:

- Commitment to quality care
- Cultural competence
- Innovation
- Integrity
- Interprofessional Collaboration
- Scholarship

Vision of Lienhard School of Nursing

The Lienhard School of Nursing will be a leader in innovation and excellence in education, research, and practice in primary health care.

Mission of Lienhard School of Nursing

LSN prepares diverse nursing leaders in primary health care by supporting innovative pedagogy with technology, integrating scholarship with practice, and fostering partnerships among professionals and communities.

Philosophy of Lienhard School of Nursing

Nursing, informed by its rich legacy, facilitates health and access to healthcare for individuals, families, groups, populations, and communities, locally, nationally, internationally, and globally. We prepare nurses who provide safe, quality, holistic, patient-centered care within an evidence-based framework of primary health care in an evolving information age.

LSN mission, vision and Philosophy accepted by the LSN Faculty Association, May, 2014.

Goals of the Lienhard School of Nursing

1. To produce competent practitioners who meet professional standards and fulfill the missions, values and philosophies of the Lienhard School of Nursing, the College of Health Professions, and Pace University.
2. To provide a quality education within urban and suburban settings to serve diverse communities.
3. To foster teaching, learning, scholarship, and service within a community of integrity.
4. To prepare nurses to be global citizens.
5. To educate baccalaureate students in curricula that are process-oriented, providing a broad foundational base for professional nursing practice.
6. To educate master's and doctoral students with a depth and breadth of advanced knowledge, skills, and philosophy necessary for advanced nursing leaders to practice in a variety of settings with a primary health care worldview.

Accepted by the LSN Faculty Association, May, 2014.

Expected Student Learning Outcomes of the Baccalaureate Nursing Programs

Students are expected to achieve the following characteristics and attributes by the completion of their program:

Within the framework of primary health care and consistent with professional standards, the student will be able to:

1. Demonstrate critical thinking and clinical reasoning to arrive at sound and effective clinical judgments.
2. Provide culturally competent patient-centered care to individuals, families, groups and communities.
3. Provide safe, comprehensive, high quality, and technologically competent care for diverse populations.
4. Integrate concepts of inter and intra-professional communication, holism, health promotion, and disease prevention in the delivery of primary health care.
5. Establish community partnerships promoting health from a local through global perspective.
6. Integrate nursing theory and research in an evidence-based approach to nursing practice.
7. Demonstrate accountability for the legal and ethical principles of professional nursing practice in a socially responsible manner.
8. Utilize leadership skills and strategies to promote quality patient care.

Revised 2014

Accreditation

The baccalaureate degree in nursing, master's degree in nursing, certificate of advanced graduate studies, and Doctor of Nursing Practice at Pace University are accredited by the Commission on Collegiate Nursing Education, 665 K Street, NW, Suite 750, Washington, DC 20001, 202-887-6791.

History of the Lienhard School of Nursing

The Lienhard School of Nursing is named for the late Gustav O. Lienhard, Pace alumnus and honorary trustee of the University. Nursing was first established at Pace in 1966 with the introduction of a pre-professional program at the Pleasantville campus. By 1971, nursing was offered at the New York City campus and the Undergraduate School of Nursing was founded. Responding to community needs, the first professional Bachelor of Science nursing program was established in 1973. At the same time, the Graduate School of Nursing, formerly associated with the New York Medical College, became an official school of the University. In keeping with the current organizational structure of the various schools within the University, the Graduate and Undergraduate Schools of Nursing were unified in 1979 into the Lienhard School of Nursing.

Administration and Faculty, College of Health Professions

Office of the Dean

Harriet R. Feldman, PhD, RN, FAAN
Dean

Geraldine C. Colombraro, PhD, RN

Nursing Technical Standards

These technical standards apply to applicants to the undergraduate nursing programs and matriculated undergraduate nursing students.

Pace University complies with the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, as well as state and local laws which prohibit institutions of higher education from discriminating against students with disabilities. Although all applicants and students are held to the same technical and academic standards, reasonable accommodations are provided to qualified individuals with a disability. In order to request a reasonable accommodation, applicants and students should read Information for Students with Disabilities and then contact the Coordinator of Disability Services for their campus.

The ability to meet the technical standards and educational objectives established by the program is essential for the fulfillment of the requirements for the Bachelor of Science in Nursing degree. The academic and technical standards established by the faculty require that all students accepted by the Pace University Undergraduate Nursing Programs possess the physical, cognitive, and behavioral abilities that insure that they will be able to complete all aspects of the curriculum. Students admitted to the nursing programs must have the intellectual, emotional and physical abilities to acquire the knowledge, behaviors, and clinical skills needed to successfully complete the entire curriculum and practice nursing as a registered professional nurse. The technical standards outlined below ("Technical Standards"), in conjunction with established academic standards, are followed by undergraduate nursing faculty to select applicants and retain students who possess the intelligence, integrity, physical, and personal as well as emotional characteristics that are necessary to become an effective professional nurse. The faculty must maintain the integrity of the curriculum and preserve those elements deemed essential to the education of a baccalaureate prepared professional nurse. The faculty and program cannot compromise the health and safety of others and reserve the right not to admit and progress in the nursing curriculum, any applicant who cannot meet the technical standards or who would constitute a direct threat to the

health and safety of others, e.g., those individuals who are impaired by alcohol or substance abuse cannot meet the Technical Standards.

Communication Skills: Nursing students must be able to communicate effectively with members of the health care team, including patients and family members verbally and in writing, and be able to record information accurately and clearly. Nursing students must be able to accurately interpret a patient's verbal and non-verbal expressions. Nursing students must be able to critically analyze and convey information on the patient's status to members of the healthcare team in oral, written, and electronic form in a timely manner.

Observation Skills: In both clinical and laboratory settings, students must be able to observe demonstrations of nursing skills and the implementation of patient care utilizing illustrations, models, medical equipment as well as standardized patients, patient simulators and actual human patients. The student must be able to directly and accurately confirm a patient's identity, observe a patient's physical condition and demeanor, obtain a medical history, and perform a complete physical examination. They must then integrate the information obtained through these holistic observations to implement the nursing process. These skills require the functional use of the senses of vision, hearing, smell, and touch.

Motor Skills: Possess and use motor skills in conjunction with the senses of sight, hearing, smell and touch to accurately collect, interpret and utilize data. Examples include:

- use a stethoscope and sphygmomanometer to assess vital signs.
- possess the gross motor skills to provide safe patient care e.g., perform CPR, apply pressure, position and transfer patients.
- possess the fine motor skills to provide safe patient care e.g., prepare & administer medications, manipulate emergency medical equipment, change a dressing.
- maintain balance and coordination while responding quickly to and in emergency situations.
- have the endurance to complete all required tasks during the assigned period of clinical practice in order to carry out the nursing process during the delivery of general nursing care or in emergency situations.

Interpretative, Conceptual and Quantitative Skills: Candidates for the degree should possess capabilities that enable them to function effectively and efficiently in the domains of interpretative, cognitive, and quantitative reasoning. Undergraduate nursing students are expected to be capable of developing and seeking out appropriate learning techniques and study habits that allow for an evolving understanding of the baccalaureate curricular content. Students must be able to learn through a variety of teaching-learning modalities, including, but not limited to, classroom instruction, small group activities, individual study, preparation and presentation of assignments, validation of accurate medication administration and calculation of medication dosage, and use of computer technology. They must be able to progressively memorize, measure, calculate, reason, analyze, and synthesize the essential concepts of nursing, including person, health, nursing, and environment. They must also be able to apply these concepts in their clinical student nursing practice through the use of clinical reasoning and clinical judgment. To achieve the goals of clinical competency and patient safety, nursing students are expected to acquire the strategies of problem-solving and critical thinking in order to prioritize patient needs, recognizing urgent or emergent situations as well as demonstrating conscientious detail to the needs of the whole patient and family.

Behavioral and Social Skills: Candidates and students must understand the legal and ethical aspects of the practice of nursing and function within the guidelines established by the law and consistent with the professions (ANA) Scope & Standards of Practice and Code of Ethics for Nurses and NSNA Code of Academic and Clinical Conduct and Code of Academic and Clinical Conduct Interpretive statements for Nursing Students. They must be able to relate to patients and their families, colleagues, faculty, and other members of the health care team with courtesy, maturity, and respect for the dignity and cultural diversity of individuals. This requires that they place the welfare of their patients foremost, and demonstrate honesty, integrity, dedication, compassion, and nondiscrimination in the care of their patients. They must demonstrate honesty and integrity in their school work and in their relationships with faculty, staff, administrators, and classmates. They must at all times demonstrate the emotional stability to be able to exercise good judgment, and carry out prompt completion of all the responsibilities attendant to the diagnosis and care of their patients, and in their course work, in a sensitive and effective manner in the role as nursing student. This sensitivity includes self-examination of personal attitudes, perceptions, and stereotypes in order to avoid potential negative impact on relationships and patient care. Applicants and students must be able to adapt to changing environments, display flexibility and professional responsibility to their patients, peers, faculty, staff and administrators, and to learn to function in an environment of uncertainty, in which changes may occur rapidly and without warning. A candidate and student must be able to accept and integrate evaluative feedback and respond by a positive modification of behavior. A candidate and student must use conflict resolution strategies effectively in university settings, and in on and off campus clinical learning settings.

College of Health Professions Centers

The College of Health Professions has many important centers that support the academic mission of the College:

- **ALPS** (Advancing Leadership, Partnerships, and Scholarship), the College of Health Professions' **Center of Excellence**, is dedicated to supporting the academic mission of the College of Health Professions through external funding, facilitation of faculty scholarship, student opportunities, partnerships, and leadership development. The Center provides opportunities for faculty to develop their scholarship in education, research and practice through a variety of partnerships at the local, national

and international levels, and access to internal and external funding. To learn more about research CHP has facilitated, please visit www.pace.edu/college-health-professions/research.

The Center facilitates student-centered learning experiences that further enhance the high quality professional education of College of Health Professions students to prepare them to embrace the professional challenges in health care in the 21st Century. The Center promotes leadership development in nursing and health care. For more information about ALPS, please visit www.pace.edu/alps.

- The **Interprofessional Centers for Healthcare Simulation** offer state-of-the-art resources on both Pleasantville (PLV) and New York City (NYC) campuses. The CEL offers a variety of clinical focused learning opportunities ranging from fundamental skills to high fidelity simulation. This is accomplished through the utilization of a wide array of methodologies including task trainers, Human Patient Simulators (manikins that look human and mimic a variety of physiological functions) and Standardized Patients (actors who play the role of patients). Hospital-like settings and clinic simulated environments provide students an opportunity to practice skills at basic and advanced levels across the curriculum. The CEL's equipment and design replicate various healthcare settings including pediatrics, maternity, medical-surgical and critical care units. Human patient simulators (HPS) including METIman, SimMan Essential, SimMom, SimJunior, and SimBaby allow students to practice skills, develop critical thinking, and improve performance in a safe and nurturing environment through scenario-based educational experiences. The CEL is equipped with video capture and play-back capabilities which encourage student self-reflection and opportunities to identify areas for improvement in small group debriefing sessions.
- The mission of the **Center for Research in Primary Health Care** is to improve population health by conducting and disseminating research in primary health care.
- **University Health Care (UHC)** has been providing accessible, high-quality health care since the 1970s. Services are available for students, faculty, staff, alumni, and their families. Part of the Lienhard School of Nursing, UHC was one of the first nurse-run and nurse-managed university healthcare centers in the nation.
- **The Speech & Hearing Center** has served the needs of the University and its surrounding community for more than 30 years. The newly renovated Center is home to state-of-the-art equipment and technology for the diagnosis and treatment of a variety of communication disorders. The Center serves as an integral part of the education and training of undergraduate and potential graduate students enrolled in the Communication Sciences and Disorders Program. Licensed and certified speech-language pathologists supervise and work hand-in-hand with undergraduate students to provide hands-on training and education.

Advancing Leadership, Partnerships, and Scholarship (ALPS)

Center's Mission

ALPS (Advancing Leadership, Partnerships, and Scholarship), the College of Health Professions' Center of Excellence, is dedicated to supporting the academic mission of the College of Health Professions through external funding, facilitation of faculty scholarship, student opportunities, partnerships, and leadership development.

The Center provides opportunities for faculty to develop their scholarship in education, research and practice through a variety of partnerships at the local, national and international levels, and access to internal and external funding. To learn more about the research CHP has facilitated, please click here.

The Center facilitates student-centered learning experiences that further enhance the high quality professional education of College of Health Professions students to prepare them to embrace the professional challenges in health care in the 21st Century. The Center promotes leadership development in nursing and health care. For more information about ALPS, please visit www.pace.edu/alps.

Center of Excellence in Healthcare Simulation

The **Center of Excellence in Healthcare Simulation** offer state-of-the-art resources on both Pleasantville (PLV) and New York City (NYC) campuses. The simulation lab offers a variety of clinical focused learning opportunities ranging from fundamental skills to high fidelity simulation. This is accomplished through the utilization of a wide array of methodologies including task trainers, Human Patient Simulators (manikins that look human and mimic a variety of physiological functions) and Standardized Patients (actors who play the role of patients). Hospital-like settings and clinic simulated environments provide students an opportunity to practice skills at basic and advanced levels across the curriculum. The lab's equipment and design replicate various healthcare settings including pediatrics, maternity, medical-surgical and critical care units. Human patient simulators (HPS) including METIman, SimMan Essential, SimMom, SimJunior, and SimBaby allow students to practice skills, develop critical thinking and improve performance in a safe and nurturing environment through scenario-based educational experiences. The lab is equipped

with video capture and play-back capabilities which encourage student self-reflection and opportunities to identify areas for improvement in small group debriefing sessions.

Mission

The Center of Excellence in Healthcare Simulation at the College of Health Professions create an active interprofessional learning environment which promotes intellectual curiosity and integration of clinical and didactic health care knowledge utilizing current effective technology in full collaboration with Pace University, the College of Health Professions, students, faculty, staff, alumni, and community partners.

University Health Care

University Health Care offers a full range of primary health care services to Pace University students, faculty, staff, alumni, and their families. UHC is staffed by advanced practice nurses. UHC provides a needed service to the Pace community while also providing nursing and physician assistant students excellent real world experiences.

The University Health Service Fee in conjunction with your health insurance will cover UHC office visits for sickness and accidents. UHC is able to bill your insurance directly. Diagnostic tests and procedures may incur additional charges.

Services available for students, faculty, staff, alumni, and their families include:

- Health education
- Diagnosis and treatment of illnesses such as sore throat, cough or other infections
- Health assessment with complete physical examinations
- Women's health care, contraception, GYN
- PrEP, PEP, STI/HIV testing and treatment
- First aid for minor injuries
- Travel Medicine –Authorized Yellow Fever Vaccination Center

Nursing Honor Society

Delta Omega is the Pace University chapter of Sigma Theta Tau International Honor Society of Nursing. The purposes of Sigma Theta Tau are to recognize the development of leadership qualities, foster high professional standards, encourage creative work, and strengthen commitment on the part of individuals to the ideas and purposes of the profession of nursing.

Candidates for membership are selected on the basis of superior scholastic achievement. Undergraduates halfway through the program, in the upper 35% of their class, or graduate students a quarter of the way through the Master's program with a 3.5 CQPA or higher are eligible. Outstanding community leaders in nursing are also eligible. Student standing is reviewed by the individual school's chapter Faculty Counselor and eligible students are invited in writing to consider membership.

For further information, contact Dr. Stephanie Allen.

For further information on Sigma Theta Tau International, go to their web page at www.nursingsociety.org.

For more information about other honor societies open to nursing students, please visit: www.pace.edu/college-health-professions/nursing-honor-society.

Admission Requirements

Four-Year Bachelor of Science Program (RN-4)

Admission to the four-year Bachelor of Science program is competitive. Applicants must be graduates of an approved secondary school with a minimum of 16 academic units including four years of English, three to four years of history/social science, three to four years of college preparatory mathematics, Lab sciences Biology and Chemistry, and two years of foreign language. In addition, students must maintain a high school GPA of 85 or above. A High School Equivalency Diploma, with satisfactory scores, may also be accepted. Applicants must submit satisfactory scores from the Scholastic Aptitude Tests of the College Entrance Examination Board, a recommendation from a high school counselor and/or teacher, and a personal statement or essay. All

regular admits (without previous experience) must meet the following criteria in order to be admitted to sophomore level nursing courses:

1. Minimum CQPA of 2.75 is needed to continue in the nursing major; and
2. Successful completion of the following: Critical writing, Biology 152 and Biology 153 (a grade of C+ or higher is required), Chemistry 113, University 101, Nursing 110, Introduction to Psychology, and any remedial work that is required based on performance on placement exams.

All transfer students and Pace University students wishing to change their major to nursing must meet the following criteria in order to be admitted to the nursing major: a minimum CQPA of 3.0, satisfactory scores on the standardized nursing entrance exam and successful completion of prerequisite courses needed to enroll in sophomore level nursing courses. Transfer applicants who have been academically successful in their nursing studies at another institution and wish to transfer to Pace LSN must provide letters of reference from a nursing faculty member and the dean/director of the schools they attended and these must be reviewed by the Department of Undergraduate Studies chairperson prior to acceptance of the student. Transfer applicants who have failed a nursing course at another institution will not be eligible for admission.

Placement Examinations

All new and transfer students and students changing their major to the RN4 track must adhere to the University Placement Examinations policy. Students who need remedial courses must take the remedial courses as either pre- or co-requisite with the first nursing course. All remedial work must be completed successfully before beginning the first clinical nursing course.

Accelerated Bachelor of Science Degree, Nursing Major (ABS)

Admission to this degree program (for non-nurse college graduates) is through the Graduate Admission Office. Applicants must show satisfactory achievement in previous undergraduate work. Students must meet all entrance requirements of the Department of Graduate Studies (see College of Health Professions Graduate Catalog for admission requirements and course sequence). This degree program is an accelerated curriculum. Students must maintain a CQPA of 2.75 for progression in and graduation from the program.* Following the completion of the baccalaureate (BS), students are eligible to take the NCLEX-RN to become registered nurses.

Admission to the this program is highly competitive.

- The application deadline for January entry is September 15. The application deadline for September entry is February 1.
- Class size is limited to a maximum of 80 students per class. Admission to the program is competitive, and class size is limited to a maximum of 80 students per class. Applications will be processed on a space available basis until the 80 seats are filled.
- Students who previously failed a nursing course or who were academically dismissed from a nursing program are not eligible for admission to the degree program.
- Admission of students who have attended other nursing programs (without failing a class or being academically dismissed) will be considered on a case by case basis. These students may be required to provide additional application materials e.g., letter(s) of reference from didactic and clinical faculty.
- This is an intensive, rigorous program, so students must plan to consistently study to be successful. The full-time program requires students to dedicate as many as 36 hours of weekly class and clinical hours not including study hours. We encourage students to think about personal and professional commitments and the significant amount of time necessary to devote to the program on a daily basis. Students will be taking 15 to 18 credits each semester and therefore should not work.
- All applications are not reviewed until all pre-requisites have been completed. Applications will not be considered for admission until all required documents have been submitted to the Admission Office.
- A personal interview is required before a candidate is admitted to matriculated status.

For more information and updates, please click [here](#).

RN to BS Degree in Nursing Online Program (RN-BS)

Admission to the RN to BS in Nursing Online Program is competitive. Minimum requirements include scholastic achievement as evidenced by prior academic performance, graduation from an associate degree or diploma nursing program – unless applying for provisional admission (as described below) and licensure (or near licensure).

- Students should have a completed Associates in Nursing (unless applying for provisional admission - see below), diploma in nursing, or RN license (which is equivalent to 30 nursing credits).
- Students should have a minimum GPA of 2.75 for admission to the BS in Nursing.
 - Students with less than the preferred minimum GPA may be asked to interview or provide a writing sample.
- Applicants for the RN-BS Program are required to provide a resume and RN license and proof licensure of Registered Nursing on the application.
- Applicants are also required to provide their high school transcripts and a copy of their diplomas before admission.
- Graduates of foreign nursing programs must have TOEFEL and transcript evaluation.

- Students should have the following pre-requisite courses and/or competency in the subject matter: ENG 110 OR ENG 120 Composition; BIO 152 Anatomy and Physiology I; BIO 153 Anatomy & Physiology II; Introduction to Psychology; and Math/Psychology Statistics (Statistics must be completed prior to NURS 498 which can be prior to entry or before starting the nursing courses). Competency is demonstrated by a grade of C+ or better. Competency may also be demonstrated through CLEP or Pace Experiential Learning.

Provisional Admission to RN to BS in Nursing Online Program

Students who are completing their associates degree can enroll in the RN to BS in Nursing Online Program if they meet the following requirements.

- Students should hold a bachelor's non-nursing degree from another college/university and be enrolled in the last semester of your AAS/AD nursing program and/or have completed 90 credits of liberal arts and sciences courses in accordance with the University's transfer credit policy
- Students must have a math/psychology statistics as a pre-requisite;
- Students must have a minimum cumulative GPA of at least a 2.75
- Students may enroll for a maximum of two (2) courses or six (6) credits during their first semester (fall, spring and summer semesters apply)
- Students will be restricted to core nursing courses;
- Students will be required to meet with the Nursing Advisor to discuss the status of their coursework;
- Students must attain a minimum cumulative Pace QPA of 2.75 by the end of the first semester to matriculate
- You must complete your AAS in Nursing by the end of the first semester to matriculate

Once the above requirements are satisfied, students may register for classes beyond the first semester. If students do not satisfy these requirements, they will not be permitted to register for future semesters at Pace University.

The Nursing Advisor will review each students eligibility for matriculation upon successful completion of their Associate degree and first term in the program as an pre-matriculated student.

Students will be required to submit their final undergraduate transcript showing degree completion, resumption of studies form, and change of major form to the Nursing Advisor.

Resumption of Studies for RN-BS

Any RN to BS in Nursing Online Program applicant who previously took **any** course at Pace University, regardless of major, should file a resumption of studies form and a change of major form, not an application for admission. Forms should be filed with Christie Wisecarver at cwisecarver@pace.edu. There is no fee. Applicants will still need to provide their resume, references, and transcripts.

Transfer Credits (RN 4 Program and RN-BS Degree in Nursing Online Program)

Students may transfer up to 90 credits from a four-year college (or 68 from a two-year college) into the baccalaureate nursing program. At least one half of the nursing credits must be completed at Pace. Transfer credits may be awarded for approved courses taken at other universities in which a grade of C+ or better was earned or for successful completion of external examinations. The list of external examinations and equivalent courses may be obtained from the Office of Admission.

Curriculum Information

Bachelor of Science in Health Science

Pace University's College of Health Professions Bachelor of Science in Health Science degree offers students a flexible and interdisciplinary approach to learning about health sciences and our health care system. The program offers courses that introduce students to essential health science topics, including courses in health promotion, health policy, health care ethics, health care for diverse populations, global health systems, epidemiology, health care innovation, and management in health care.

Please Note:

- The Health Science curriculum is a full-time day program; a variety of teaching platforms exist including a range of in-class, online, and some evening courses.
- Students from other majors will be able to take health science courses as electives

These basic science and foundation courses will prepare students for a variety of careers in the healthcare field. This 120-credit program includes courses in the natural sciences, 30 credits in core courses, including a 6-credit research capstone project, and up to two 15-credit concentrations.

Step 1: Choose a Track

Students choose one of three tracks upon declaring a BS in Health Science major.

- Generalist
- Pre-Nursing Preparation
- Pre-Physician Assistant Preparation

Step 2: Choose Concentration(s)

Students choose concentration(s) by the end of freshman year. (Generalist and Pre-nursing Preparation track students select two concentrations; Pre-physician Assistant Preparation students select one concentration).

- Global Health
- Health Policy and Advocacy

Our Health Science Major provides a pathway to exciting careers in the growing health field, including (but not limited to): Public Health Official, Health Care Administrator, Health Agency Technical Officer, Health Policy Analyst, Patient Navigator, Health Educator/Promoter, Community Health Worker, and Health Advocate. It can also serve as pre-professional preparation for application into professional educational programs including: Accelerated Bachelors of Science in Nursing (ABS), Master of Science in Physician Assistant Studies (MSPAS), and graduate-level work in public health.

Note: Completing the health science program does not guarantee admission to a PA or nursing program. Graduates of the BS in Health Science must apply to those programs, meet specific requirements, and compete with all other applicants.

To learn more about this program, visit www.pace.edu/healthscience.

HSC 305	Introduction to Epidemiology and Evidence-Based Practice	3
HSC 310	History of Health Care Systems	3
HSC 315	Global Health IT and Innovations	3
HSC 320	Global Primary Health Care: An Introduction	3
HSC 324	Government, Politics and Policy	3
HSC 325	Patient Education and Advocacy	3
HSC 330	Global Environmental Health	3
HSC 335	Health Policy: The Current State of Affairs	3
HSC 400	Leadership and Management in Health Care	3
HSC 405	Global Health: A Field Experience (Capstone)	3
HSC 410	Global Health Care Systems	3
HSC 420	Current Issues in Healthcare Delivery (Capstone)	3
HSC 480	Capstone Project 1	3
HSC 481	Capstone Project II	3

Concentration Program

Global Health	15
Health Policy and Advocacy	15

Note: Completing the health science program does not guarantee admission to a PA or nursing program. Graduates of the BS in Health Science must apply to those programs, meet specific requirements, and compete with all other applicants.

Total Credit Hours: 120

RN-4, BS**(PLV)*****Year One****RN-4 First Semester Fall**

UNV 101	First-Year Seminar: Introduction to University Community	1
PSY 112	Introduction to Psychology	4
CHE 113	Principles of Chemistry for the Health Professions	4
BIO 152	Anatomy and Physiology I	4
ENG 110	Composition	3

University 101 does not count toward the 60 credit University core requirement.

RN-4 Second Semester Spring

NUR 110	Essentials of Professional Nursing	2
BIO 153	Anatomy and Physiology II	4
ENG 120	Critical Writing	4
MAT 134	Introduction to Probability and Statistics	3
	Core	3

All students are encouraged to take the required learning community courses in the freshman year.

Year Two**RN-4 First Semester Fall**

NURS 202	Fundamentals of Nursing Practice	4
NURS 212	Professional and Therapeutic Communication	3
NURS 280	Pathophysiology and Pharmacology I	3
	CORE (2)	6

RN-4 Second Semester Spring

BIO 254	Basic Microbiology	4
NURS 282	Pathophysiology and Pharmacology 11	3
NURS 360	Medical Surgical Nursing: Foundations	5
	CORE (1)	3

Year Three**RN-4 First Semester Fall**

NURS 298	Evidence-Based Practice and Nursing Research	3
	OR	
	Core	3
NURS 340	Women's Health, Maternal and Newborn Nursing	5

NURS 480	and Transition into Professional Nursing Practice	4
	CORE (1)	3

Nursing Elective: Nursing electives can be taken at any time during the program.

To meet graduation requirements of 123 credits, it is suggested that students take the recommended 15 or 16 credits per semester.

MINIMUM PASSING GRADE FOR ALL NURSING CLASSES: C+

PASSING GRADE FOR CHE 113, BIO 152, BIO 153 AND BIO 254: C+

PASSING GRADE FOR PSY 112: D

Total Credit Hours: 123

Accelerated Baccalaureate of Science, Nursing Major

(PLV) and (NYC)

Prerequisites

ABS Prerequisite Courses

PSY 112	Introduction to Psychology	4
MAT 134	Introduction to Probability and Statistics	3
	OR	
MAT 141	Introductory Statistics for the Life Sciences	4
BIO 152	Anatomy and Physiology I	4
BIO 153	Anatomy and Physiology II	4
BIO 254	Basic Microbiology	4
CHE 113	Principles of Chemistry for the Health Professions	4

The prerequisite requirements may be completed at Pace or transferred in. For transfer credit to be granted, a grade of C+ or better must be earned.

PREREQUISITES FOR ALL COURSES: MAT 134 OR 141 AND PSY 112 AND CHE 113 AND BIO 152 AND BIO 153 AND BIO 254.

Accelerated Bachelor's of Science, Nursing Major (ABS)

Semester 1:

NURS 402	Fundamentals of Nursing Practice	4
NURS 404	Communication for Professional Nursing	2
NURS 406	Clinical Management in Psychiatric Mental Health Nursing	3
NURS 403	Pathophysiology/Pharmacology I	3
NURS 409	Concepts of Evidence Based Practice for Practice Improvement	3

Semester 2:

NURS 428	Evolution of Professional Nursing	6
NURS 434	Gerontological Nursing - Care of the Older Adult	3
NURS xxx	Nursing Elective	3

Total Credit Hours: 50

BS Degree in Nursing Online Program

Our 100% online Bachelor of Science with a Nursing Major program offers licensed RNs (with an associate degree or diploma) like you the opportunity to finish your bachelor's in a format that is flexible enough to accommodate your busy life – and at an affordable rate. Employers are seeking BS-qualified nurses, and today's patients need them. In this program, you can prepare yourself to meet this demand.

Minimum requirements include scholastic achievement as evidenced by prior academic performance, graduation from an associate degree or diploma nursing program (unless applying for provisional admission) and licensure (or near licensure).

Curriculum Information

BS Degree in Nursing Online Program

UNIVERSITY CORE CURRICULUM - ARTS & SCIENCE COURSES (60 Credits)

30 Credits from the University Core Curriculum are usually transfer in; may be lower or higher depending on prior courses taken

22-30 Credits from the University Core Curriculum are typically taken at Pace: may be lower or higher depending upon credits transferred in. Various course options are available to fulfill these requirements.

Total liberal arts at Pace depends on credits accepted during transfer credit evaluation process

Students with an associate's degree may transfer up to 68 credits, which includes 38 credits of prerequisite/liberal arts courses and 30 credits of nursing courses. Those with a non-nursing bachelor's degree may transfer up to 90 credits.

Nursing Major (60 Credits)

30 nursing credits from Associate degree or Diploma Program transfer into Pace- may be lower or higher depending on courses taken and individual evaluation of transcript.

21-30 Credits of Online Nursing Courses Are Taken through Pace

NURS 481	Core Competencies for Multidimensional Care	3
NURS 482	Healthy Aging	3
NURS 484	Nursing and Health Policy	3
NURS 485	Leadership and Management	3
NURS 486	Community and Public Health	3
NURS 487	Health Assessment and Clinical Reasoning	3
NURS 498	Spirit of Inquiry: Nursing Research and Evidence-based Practice	3

Student must be licensed as an RN prior to the 3rd semester NURS 486.

Prerequisites to NURS 498 are MAT or PSY Statistics - MAT 134, MAT 141, PSY 205 are acceptable

Nursing Electives (6-9 credits)

In addition, you will take up to 26 credits of arts and sciences courses and 9 credits of nursing electives. The electives available to you vary by semester, and the total number of credits you will take varies depending on the amount of previous credit you transfer to the program.

If you are an RN with a cumulative grade point average (CGPA) of at least 3.0, you can take up to 9 credits at the graduate level. We will double-count these credits towards both your BS and a master's program.

Total Credit Hours: 120

Speech-Language Pathology and Audiology, BA

(NYC)

Speech-Language Pathology and Audiology

The Speech-Language Pathology and Audiology program on Pace University's New York City Campus provides a strong foundation in the fields of speech-language pathology and audiology, and prepares students for a variety of career opportunities in hospitals, schools, community agencies, private practice, and research. This program offers a **Bachelor of Arts degree in Speech-Language Pathology and Audiology**.

Speech-language pathologists are concerned with evaluation, treatment, and research in human communication disorders. They treat such disorders as stuttering, voice and articulation disorders, and delayed language development. Audiologists specialize in hearing conservation, identification, assessment, and habilitation of hearing disorders.

The speech-language pathology and audiology major introduces students to the fields of speech-language pathology and audiology. This program provides a strong foundation for graduate study in either of these fields and prepares students for a variety of career opportunities in hospitals, schools, community agencies, private practice, or research.

Three tracks are offered - all within the required 120-credit minimum:

SLP non-teaching track: introduction to the two fields and preparation for graduate study, this track allows students to minor in another area of study (e.g. psychology, health studies);

SLP with teaching minor track: An additional 14 credits of coursework is required to qualify for the Initial Certificate in Teaching Students with Speech and Language Disabilities. Students interested in applying for initial certification must apply via the individual transcript review pathway through the NYS Department of Education upon graduation.

SLP with bilingual teaching extension track: An additional 20 credits of coursework is required to qualify for the Bilingual Extension of the Initial Certificate. Students interested in applying for initial certification must apply via the individual transcript review pathway through the NYS Department of Education upon graduation.

Requirements

Curriculum

University Core (44-55)

All Pace undergraduates must include the following courses: UNV 101; 1-Learning Community (LC); 2-writing enhanced courses (WEC); 1-Civic Engagement/Public Values course (formerly AOK I); 1-Western Heritage (WH; formerly AOK 2); 1-World Cultures and Traditions (WCT; formerly AOK 3); 1-Humanistic & Creative Expressions (HCE; formerly AOK 4) 1-Analysis of Human, Social & Natural Phenomenon ((HSN; formerly AOK 5); TWO additional courses from WH, WCT, HCE, or HSN; PSY 112 (HSN); PSY 375; and ONE of the following - PSY 311, PSY 315, or PSY 323; in addition to PSY 205 which is required in the major.

Recommended: BIO 123, and one additional physical science course.

Required CSD Courses

CSD 050A Professional Communication Seminar (0 Credits)

CSD 050B Professional Communication Seminar (0 Credits)

CSD 223 Psycholinguistics (3 credits)

CSD 240 Introduction to Communication Disorders (3 credits)

CSD 241 Diagnostic and Therapeutic Procedures (3 credits)

CSD 251 Early Language Development (3 credits)

CSD 253 Anatomy and Physiology of Speech and Hearing Mechanisms (3 credits)

CSD 256 Phonetics (3 credits)

CSD 270 Introduction to Audiology (3 credits)

CSD 342 Advanced Communication Disorders (3 credits)

CSD 352 Language Development and Disorders in School-Aged Children (3 credits)

CSD 353 School Programs in Speech (3 credits)

CSD 355 Bilingual Speech-Language Development and Disorders (3 credits)

CSD 356 Hearing Science (3 credits)

CSD 357 Speech Science (3 credits)

- CSD 371 Introduction to Audiologic Rehabilitation (3 credits)
- CSD 372 Counseling the Communicatively Disabled and Families (3 credits)
- CSD 380 Seminar in Speech Pathology (1-3 credits)
- CSD 393 Internship in Communication Disorders (1-3 credits)
- CSD 460 Clinical Practicum in Speech Pathology (0-4 credits)
- CSD 461 Clinical Practicum in Speech Pathology II (0-4 credits)
- CSD 480 Applied Research Methods for Communication Sciences and Disorder Majors (3 credits)

*Minimum coursework is 120 credits. Additional coursework is required for students pursuing initial teaching certifications.

Three Track Options

SLP Non-Teaching Track Option: 53 credits in the CSD major. This track allows students to double major or minor in another discipline and allows for many electives. Open Electives: 12-23 credits.

SLP and Initial Teaching Certificate Option: 67 credits in the SLP major. Open Electives: min. 9 credits. Students interested in applying for initial certification must apply via the individual transcript review pathway through the NYS Department of Education upon graduation.

Combined SLP with the Initial Teaching Cert./Bilingual Extension Option: 73 credits in the SLP major. Open Electives: min. 3 credits. Students interested in applying for initial certification must apply via the individual transcript review pathway through the NYS Department of Education upon graduation.

Total Credit Hours: 120

Nursing Degrees

Program	Degree
Nursing (4-year program)	BS
Accelerated Bachelor's, Nursing Major	BS
BS	BS

Students in the Nursing (4-Year program), Accelerated Bachelor's Degree program, and the BS in Nursing Online Program graduate with a Bachelor of Science Degree with a major in Nursing.

University Core Curriculum for Undergraduate RN-4 Students in the Lienhard School of Nursing

All Lienhard School of Nursing undergraduate RN-4 students are required to complete the University core curriculum according to the framework outlined in the curriculum worksheet.

Academic Policies (Nursing)

Students in the Bachelor of Science Program (RN4) must obtain a C+ or better in Anatomy and Physiology, Chemistry, and Microbiology and a C+ or better in all nursing courses in order to progress in the program.

Students in the Accelerated Bachelor of Science Degree, Nursing Major (ABS) program must obtain a C+ or better in Anatomy and Physiology, Chemistry, and Microbiology, and maintain a 2.75 CQPA in order to progress in and graduate from the program.

*Students in the RN4, ABS, and RN-BS Degree in Nursing Online Program who fail two courses, whether the same or different nursing courses, will be dismissed automatically from the program.

Students in all undergraduate nursing courses must achieve a C+ (77%) grade in the didactic and clinical portions of a course in order to pass a nursing course and progress in the nursing program. Students in the RN4 program and the ABS must pass a clinical calculation examination for each nursing course with a clinical component. Failure in any portion of the clinical component of the course results in a failure in the entire course.

Education regarding Child Abuse is provided to RN4 and ABS students during the pediatric course. All students are referred to the LSN Student Handbook for all other academic policies including education about Child Abuse, Barrier Precaution, and Infection Control.

Academic Advisement (Nursing)

An academic advisor is assigned to each student upon matriculation into the nursing program. Students should consult the list of advisors posted on the LSN Undergraduate Community site of Blackboard for the name of their advisor.

It is the student's responsibility to seek an academic advisor and guidance throughout the program and to plan for meeting the prerequisites of the nursing courses. Students must meet with their advisors each semester prior to course registration. A "hold" will be placed on the registration status of RN4 students and they will not be permitted to register until they meet with their advisor.

Health Requirements (Nursing)

Applicants to and students in the Lienhard School of Nursing should be aware that health clearance, including a physical examination, is required approximately four weeks prior to beginning any clinical course, including those that meet in the Center of Excellence in Healthcare Simulation as well as those in the clinical setting.

Our Health Care Clearance process is handled online through Castle Branch. Students are required to open an account with Castle Branch and upload and input their forms there. Once the appropriate forms are submitted, Castle Branch will check them against the program's specifications and will deem the student compliant or not. Students may contact Castle Branch directly with questions regarding the health care clearance requirements, website, or forms.

Health clearance forms provided by the Lienhard School of Nursing must be uploaded to Castle Branch unless otherwise instructed prior to assignment to the first clinical experience and are valid for one year. It is the student's responsibility to obtain the health clearance forms from the Department of Undergraduate Studies. Additional requirements including but not limited to criminal background checks, health screening, drug testing and/or immunizations, may be required during the program in accordance with specific agency requirements. In order to participate in clinical practice, the student must be able to pass the health clearance requirement. He or she must be free from health impairment and/or habituation to alcohol or other drugs that may alter behavior and pose potential risk to patients or personnel or that may interfere with the performance of nursing responsibilities. Failure to submit a completed and approved Health Clearance Form and Illness and Immunization Record prevents the student from being admitted to the clinical laboratory experience. Registration in clinical laboratories will be automatically voided if the student's health clearance and/or supplemental agency requirements are not completed and uploaded to Castle Branch unless otherwise instructed four weeks prior to the first clinical laboratory each semester. If a health condition arises during the course of study that would in any way alter a student's ability to perform in the clinical setting, it is the student's responsibility to notify the faculty member immediately. All students must provide evidence of current Professional Provider CPR certification; this should be submitted to Castle Branch along with all other health forms. All students are referred to the LSN Student Handbook for further clarification of the Health Clearance policy.

Lienhard Student Handbook

To All Students and Faculty of the Lienhard School of Nursing:

Information concerning academic standards and the probation and dismissal policies (including the procedure for appealing a dismissal) may be found in Lienhard School of Nursing Student Handbooks, available online. To ensure that you have the most up-to-date information concerning these issues, please contact your academic advisor or the director of your program.

Full-Time/Part-Time Study

Students may progress through the programs on a full-time or part-time basis. Part-time students in the RN4 program may take up to six years to complete the program.

Clinical Laboratory

Nursing students must adhere to the attendance policy for clinical laboratory experiences. It is the student's responsibility to notify the clinical faculty member if he or she is absent. Absences are subject to the LSN Clinical Attendance Policy (see LSN Student Handbook). Transportation to all off-campus learning experiences is the responsibility of the student.

Dyson College of Arts and Sciences

www.pace.edu/dyson

One Pace Plaza, New York, NY 10038-1598
(212) 346-1518

861 Bedford Road, Pleasantville, NY 10570
(914) 773-3781

Administration: Dyson College of Arts and Sciences

Richard B. Schlesinger, BA, MA, PhD, Acting Dean
Bette Kirschstein, PhD, Associate Dean for Academic Affairs
Alfred Ward, PhD, Associate Dean for Academic Affairs

Mission Statement: Dyson College of Arts and Sciences

Through innovative teaching, a collaborative student-faculty learning environment, and an inclusive community of student and faculty scholars, Dyson College of Arts and Sciences fully engages students in learning in the liberal arts. Dyson College provides students majoring in the arts and sciences the depth and breadth they need to continue their studies at the graduate and professional levels or find employment in their field. Dyson offers all students a supportive environment in which to develop the liberal arts skills needed to succeed professionally and lead rewarding, intellectually and civically engaged lives.

These vital skills needed for success include written and oral communications; critical thinking; leadership; creative analytic thinking that perceives connections among broadly based ideas; and a deeper understanding of global issues and diverse national and international cultures.

Dyson College's learning philosophy results in graduates who can think analytically and creatively, understand ideas and issues contextually, communicate effectively, act responsibly in their community, and lead confidently in today's global workplace.

Undergraduate Degree Requirements and Standards: Dyson College of Arts and Sciences

Required Credits for Graduation

In order to graduate in four years most undergraduate students must complete an average of 16 credits per semester. The first-year program consists of required courses in the University Core Curriculum and the student's major field of study. Students are encouraged to take courses in the summer and winter sessions in order to reduce their credit load in the fall and spring semesters and/or potentially graduate in fewer than four years. Students are expected to meet each semester with their Dyson College Academic Advisor. Total degree requirements vary, depending on student's chosen major.

To be in good academic standing undergraduate students in Dyson College are required to maintain a 2.0 quality point average overall and a 2.0 average in their chosen major. Students who do not meet this requirement will be placed on Academic Probation and/or be dismissed from the University.

Undergraduate admission to Dyson College of Arts and Science is the same as admission to Pace University. Students who qualify for matriculation in a specific program may be admitted as freshman, transfer, or adult students. For details please refer to "ACADEMIC" section of the online Undergraduate Catalog Catalog.

Students wishing to complete a minor or declare a double major or dual degree should work closely with their advisor(s). In order to earn two degrees (for ex., a BS and a BA), the student must complete a minimum of 160 credits.

University Core Curriculum

The University Core Curriculum is a requirement for all Pace University undergraduate degree-seeking students regardless of the chosen major. Core courses address fundamental problems and issues in the liberal arts. They consider diverse perspectives and approaches and ensure that Pace graduates achieve competency in a variety of skills that are sought by employers and are needed for graduate level work. For Dyson College BA and BS degree programs the required number of Core course credits for Dyson College majors is a minimum of 44 credits.

The University Core Curriculum is divided into two areas: Foundation Requirements (19-31 credits) and Areas of Knowledge or AOKs (minimum of 24 credits). Foundation Requirements include courses in Writing, Mathematics, Science, Computer Science, and Language. To fulfill the 24-credit AOK requirement, two courses with the same disciplinary prefix may be taken. AOK area courses enable students to develop skills that are essential to success in college study and beyond through 12 learning outcomes: Communication; Analysis; Intellectual depth, breadth, integration and application; Effective Citizenship; Social Interaction; Global, National and International Perspectives; Valuing; Problem-solving; Aesthetic Response; Information Literacy and Research;

Scientific and Math/Quantitative Reasoning; and Technological Fluency. Also available is an In-Depth Sequence Option for students who wish to explore in some depth an academic subject in the Arts and Sciences. For more information about these areas, students should speak to their academic advisors.

In addition to the Foundation and Areas requirements mentioned above, students who enter Pace University with less than 25 accepted credits must complete the following Required Learning Experiences:

- One Civic Engagement and Public Values Course (CE)
- One Learning Community (LC)
- Two Writing Enhanced Courses (WEC)

Features of the Core Curriculum are Community Building, Focus on Student Learning Outcomes, Social Responsibility and Civic Engagement, Choice and Flexibility, and Ability to Complete a Minor in the Core.

Additionally University 101 is a Required First Year Learning Experience of the Core. Full-time day students that transfer to Pace University with fewer than 17 credits are required to enroll in a UNV 101 class in their first semester unless they have received transfer credit for its equivalent. UNV 101 is not offered as an evening class.

Undergraduate Degree Objectives: Dyson College of Arts and Sciences

Objectives of the Dyson College Bachelor and Associate Degrees:

Traditionally Bachelor of Arts degrees are focused on a well-rounded foundation which best prepares students for advanced degrees. Bachelor of Science degrees have a more technical focus. These majors expose students to both the theoretical and practical aspects of a field, thereby enabling them to enter the career field upon graduation.

Objectives of the Associate of Arts Degree:

Students enrolled in an associate of arts degree program will begin to explore the liberal arts and sciences through basic survey courses and to develop the skills necessary for higher learning.

University Core Curriculum

Policies

University Core Curriculum Policy for Transfer Students and Freshmen Students

At Pace University a transfer student is defined as one who prior to attendance enters the University with a minimum of 25 accepted college-level credits (grade of "C" or better) from one or more institutions.

For purposes of determining appropriate University Core Curriculum requirements, transfer students are required to complete Core Foundation requirements and one course in Civic Engagement and Public Values but with flexibility for the remaining Core requirements. However, students entering with fewer than 25 accepted transfer credits (classified as freshmen) are required to complete the entire Core Curriculum.

University Core Curriculum In-Depth Sequence Policy for Qualified Students

Qualified students are permitted to pursue an "in-depth sequence", i.e., an opportunity to explore a subject area in the arts and sciences in some depth and perhaps applicable towards an available academic minor.

An in-depth sequence consists of six credits in a subject area within the core, beyond core requirements in that area, and is in a subject area outside the student's major. Qualified students build their in-depth sequence by replacing one course from Areas of Knowledge (excluding Area One: Civic Engagement and Public Values). However, courses in the sequence may not substitute for requirements in the student's school or first major program. A student wishing to pursue an in-depth sequence should consult an advisor in the Office of the Dean of Dyson College of Arts and Sciences and in advance of study file with the Office of Student Assistance an approved sequence.

Core-Requirements

English

Each of the following three English Courses, unless tested or waived out of part of requirement.

- ENG 110 - Composition
- ENG 120 - Critical Writing
- ENG 201 - Writing in the Disciplines

Note: ENG 099A and ENG 100A are NOT Core course and count only as Free (Open) Electives.

Math

One Math Course*:

MAT 102	MAT 131	MAT 142
MAT 104	MAT 134	MAT 143
MAT 109A	MAT 137	
MAT 111	MAT 141	

*Notes: MAT 100, MAT 100C, MAT 103, MAT 103A, MAT 103C, MAT 130, are NOT Core course and count as a Free (Open) Electives. *Please note certain majors require a specific math course.*

Science

One lab science course*:

Chemistry	Physics	Science	Biology
CHE 101	PHY 109	SCI 101	BIO 110
CHE 102	PHY 111	SCI 110	BIO 111
CHE 103	PHY 112	ENV 222	BIO 101
CHE 104		SCI 145	BIO 102
CHE 105		SCI 150	BIO 123
CHE 106		SCI 160	BIO 124
CHE 107		SCI 170	BIO 152
CHE 110		SCI 230	BIO 153
CHE 111			BIO 220
CHE 112			ENV 221

*Please note certain majors require a specific lab science course.

Public Speaking

COM 200 - Public Speaking

Computing

CIS 101	CS 109 [^]	CIT 110 ^{**}
CIS 103	CS 121 ^{^^}	TS 105 ^{*^}

[^] Required for Chemistry majors

^{^^} Required for Computer Science majors and students with a minor

in Computer Science

*** Also a Writing-Enhanced course)*

**^ Recommended for Education majors*

Second Language Proficiency

Areas of Knowledge

AREA OF KNOWLEDGE: WESTERN HERITAGE (AOK 2)

The primary aim of these courses is to enrich students' knowledge and understanding of the Western Heritage in North America and Europe. Students will:

- become familiar with historical, philosophical, artistic, linguistic, religious, political, and literary traditions of North America and Europe
- read and discuss texts from North America and Europe

AREA OF KNOWLEDGE: WORLD TRADITIONS AND CULTURES (AOK 3)

The primary aim of these courses is to enrich students' knowledge, understanding, awareness, and appreciation of diverse world traditions and cultures. Students will:

- become familiar with historical, philosophical, artistic, linguistic, religious, political, and literary traditions and experiences that shape our world
- read and discuss texts from diverse world traditions and perspectives

AREA OF KNOWLEDGE: HUMANISTIC AND CREATIVE EXPRESSIONS (AOK 4)

The primary aim of these courses is to develop an informed understanding and appreciation of humanistic, literary and artistic creativity. Students will:

- study important works of the human imagination
- explore the interaction of the artist, writer, or thinker and society

AREA OF KNOWLEDGE: ANALYSIS OF HUMAN, SOCIAL AND NATURAL PHENOMENA (AOK 5)

The primary aim of these courses is to examine human, organizational, and scientific experiences. Students will:

- analyze human, social, and natural phenomena
- understand concepts and issues that affect the human, social, and natural realms

Second Language Proficiency Policy

All undergraduate students with two or more years of high school study in Chinese, French, Italian, Russian or Spanish, who plan to continue their study of the same language in either the fall, spring or summer semester must take a placement examination to determine the appropriate level of college study. Test scores remain valid for one year, so students who postpone language study beyond that year must retake the placement test. All students with less than two years of high school study in a language will automatically be placed in the 10-level course in their chosen language.

All students must begin their language study at the evaluated placement level and will not receive Core credit if they start at a lower level.

- Students placed at 101 must take 101 and 102 in the same language.
- Students placed at 102 must take 102 and 280 in the same language.
- Students placed at the 200 level or above must take one 3-credit course at the level of their placement.

Academic Centers and Institutes

Center for Applied Ethics: A forum where advances in professional work and science confront the values mirrored in the humanities and described in social science.

The Center for Community Action & Research (CCAR): A program of the Dyson College of Arts and Sciences that supports the development of community-based learning courses for the Core Curriculum and research on the pedagogy of community-based learning. The Center also sponsors educational forums and civic engagement opportunities on issues of social responsibility, democracy, and global citizenship.

Center for East Asian Studies: Sponsors curricula and faculty development in Far Eastern and other cross-cultural studies.

Center for Religious Studies: Offers scholarly lectures and discussions on world religious thought and practice.

Center for Undergraduate Research Experiences (CURES): Provides leadership, coordination and support to student-faculty research collaborations, grant-funded research projects and programs, and opportunities for service-based internships.

The Confucius Institute: This institute at Pace University (Pace CI) functions as a center for language instruction, cultural immersion, teacher training, scholarship, and testing. It works closely with Dyson College's Graduate Publishing program as well as undergraduate programs in English, Modern Languages and Cultures, and East Asia Studies.

The Dyson Children's Institute: Sponsors projects that focus on improving the lives of children, particularly in Westchester County.

The Dyson College Institute for Sustainability and the Environment (DCISE): Established to address major issues in sustainability, resilience, the growing urbanization of the 21st century and the impact of these changes on the global environment, through multidisciplinary programs encompassing research, policy-making, education and building greater community awareness and consensus on how to manage these issues. This institute serves as a home to the Academy for Applied Environmental Studies, the Environmental Consortium of Colleges & Universities, and the Nature Center (formerly known as the Environmental Center).

--Academy for Applied Environmental Studies: Its mission of this Academy is to advance the understanding of the mutually enhancing relationship between nature and society through interdisciplinary pedagogy, scholarship, policy development, and service

--Environmental Consortium of Colleges & Universities: Pace University is the founding and host institution for the Consortium, a model for ecosystem-based collaboration. The mission of the Consortium is to harness higher education's intellectual and physical resources to advance regional, ecosystem-based environmental research, teaching, and learning with a special emphasis on the greater Hudson-Mohawk River Watershed.

--Nature Center: An educational center dedicated to guiding people of all ages to a lifestyle which is in close harmony with our natural environment and serves as a resource to Pace and the outside community. This center emphasizes Pace's commitment to a philosophy of environmental education and provides students with opportunities for hands-on field studies.

--The Pace Institute for Environmental and Regional Studies (PIERS): Provides leadership in the study of the complex interrelationships between human culture and nature, with special emphasis on the Hudson River bioregion and its diverse ecological, social, and cultural values.

The Haskins Laboratories: A scientific research center dedicated to exchanging ideas, fostering collaborations and forging partnerships across the sciences. It produces ground-breaking research that enhances our understanding of parasitic disease and reveals new ways to improve human health across the world.

Institute of Latin American Service and Studies: Develops innovative Latin American curricula and organizes service learning trips.

Michaelian Institute for Public Policy and Management: Provides research and training in the public and nonprofit sectors.

The Straus Thinking and Learning Center: Serves as an integral component of the Dyson College of Arts and Sciences' mission to provide all Pace students with a general education that fosters a community of learners among faculty and students. The Center assists faculty in developing innovative educational experiences that incorporate interactive learning methodologies; focus on student learning outcomes; foster critical thinking skills; and link content, pedagogy, competencies, collaborative learning, and reflection.

The Thomas J. McShane Center for Psychological Services: Offers a broad range of psychological services to community residents and referred Pace students.

Web 2.0 Interdisciplinary Informatics Institute (WEB III): A virtual research institute to examine evolving rules and norms guiding Web 2.0 technologies in professional and civic contexts.

Faculty: Dyson College of Arts and Sciences

An up-to-date list of the Dyson faculty can be found here: <https://www.pace.edu/dyson/sections/meet-faculty>

Exploratory Program Option for Undecided First-Year Students

Pace University offers an exploratory program option for new students who are undecided about which major to declare. Deciding on a major is an enriching experience, and during this exploration new students will be fulfilling requirements for graduations.

Associate in Arts Degree Program

Dyson College has an Associate in Arts degree program of 60 credits in General Arts and Sciences that provides students with a college degree option. This program is appealing to students who do not choose to commit to the greater time requirements of a bachelor's degree program and are interested in pursuing a course of study designed according to personal interests and/or career goals.

Note: Because an associate degree does provide a platform from which to launch further study, students interested in transferring academic credits to a bachelor's degree program should choose courses in consultation with a faculty advisor or Dyson Dean's Office advisor.

Preparation for Post-Baccalaureate Studies, the Professions, and Allied Health Fields

The methods of acquiring knowledge that students develop in the baccalaureate program are as important as the specific knowledge and skills that may lead to a particular credential. Prospective students in the Dyson College of Arts and Sciences may wish to consider the following possibilities:

Dentistry, Medicine, Osteopathy, and Veterinary Science. Students who intend to pursue post-baccalaureate study in dentistry, medicine, osteopathy, or veterinary science often choose either biology (BS degree), biochemistry or chemistry as their undergraduate major. These majors provide the basic courses needed in preparation for entrance tests for post-baccalaureate study. A pre-professional advisory committee counsels students who wish to pursue one of these professional fields.

Graduate Study in Arts and Sciences. Completion of a program in a given discipline with a strong quality point average will generally satisfy the requirements for graduate study in that subject. Departments will give specific guidance in such matters. Ability to communicate in written and spoken English is particularly important. A reading knowledge of one or more foreign languages is often required for advanced degrees. Statistics and computer/information science are also increasingly important to the scholar in many areas. Advanced degrees include the master of arts (MA), the master of science (MS), the master of fine arts (MFA), and the doctorate (PhD).

Graduate Study in Business. While precise degree requirements depend on the program chosen, most students with three to eight credits in economics, statistics, marketing, accounting, business law, mathematics, and computer and information sciences will be able to complete an MBA with approximately one full year's work. Some of these subjects may be taken as part of the distribution of major requirements for the BA or BS, while those given in the Lubin School of Business may be taken as electives. Students interested in foreign languages should be particularly aware of expanding opportunities in international business.

Graduate Study in Law. Law schools generally do not prescribe any particular undergraduate major. However, undergraduates should acquire proficiency in written and spoken English, develop the ability to master large quantities of material, rapidly sharpen powers of logical analysis, and increase their capacity for independent work.

Undergraduate Degree Programs

A bachelor's degree in Dyson College of Arts and Sciences (BA, BS, BFA) normally requires the completion of 128 credits for graduation (although some degree programs may exceed this number) and includes a minimum of 44 credits in the Liberal Arts and Sciences under the subheading of "University Core Curriculum".

For Dyson College baccalaureate programs, each beginning with "University Core Curriculum" requirements, see the following list.

American Studies Major, BA

(NYC)

The curriculum of this interdisciplinary program is unique. In addition to 12 credits of specified coursework, it offers students the choice of a wide range of elective courses (24 credits) in one of five tracks of study.

University Core – (44-55)

Major Courses – (36)

Required Major Courses: (12 credits)

AMS 201	Introduction to American Studies	6
AMS 202	Introduction to American Studies	6
AMS 499	Senior Year Experience: American Studies Capstone	3
AMS 395	Independent Study in American Studies	3

Major Track Electives: (24 credits)

Students choose ONE of the following five tracks. For selection of courses that meet degree requirements, see program worksheet and also ask program director for list of newly added courses.

Track 2: The Law and American Studies

The University's many law-related courses allow students to build a very successful track in law.

Track 3: Civic Engagement and Public Values

Pace has positioned itself as one of the foremost civically engaged universities in the country. This track draws upon an extensive offering of courses.

Track 5: Individualized Studies

This track is an opportunity to develop a unique program of study. Students will consult with an American Studies faculty member for guidance in selecting courses which will meet the track's degree requirements.

Track 1: New York: Urban and Regional Studies

One of the unique qualities of Pace University is its connection to New York. Many academic disciplines offer courses specifically geared toward the city's cultural, historical, environmental, and political life.

Track 4: American Arts

An ever-growing Theater Department in NYC and the flourishing of the campus Schimmel Theater as the largest performing arts venue in lower Manhattan have positioned Pace as an academic leader in performing arts in the city.

Open Electives – (37-48)

Total Credit Hours: 128

Applied Psychology and Human Relations Major, BA

(NYC, PLV)

This program prepares students for graduate school in most applied psychology specialties (including counseling and clinical psychology) and for entry-level employment in many human services fields.

A prerequisite for this program is PSY 112 - Intro to Psychology (4 credits) which is taken as either a University Core Curriculum requirement or an Open Elective.

University Core – (44-55)

Major Courses – (NYC: 44 credits; PLV: 46 credits)

Required 300-level Major Courses

NYC students take all of the following 300-level major courses.

PLV students take either PSY 332 or PSY 337 and the other following 300-level major courses.

PSY 304	Social Psychology	4
PSY 306	Psychological Testing	4
PSY 313	Research Methodology	4
PSY 332	Group Relations and Interviewing Techniques	4
PSY 337	Introduction to Psychological Counseling	4
PSY 375	Lifespan Development Psychology	4
PSY 391	Practicum in Psychology I	4
PSY 392	Practicum in Psychology II	4

Required Major Electives

For PLV major: (18 credits): **Any** PSY 200/300-level courses not taken for Required Major credit.

For NYC major: (12 credits): **Any** PSY 200/300 level courses from the following list that were not taken for Required Major credit (12 credits):

To learn of other available electives, students should consult the department chairperson.

PSY 201	Psychology of Business and Industry	3 - 4
PSY 205	Statistics in Psychology and Allied Fields	4
PSY 209	Health Psychology	3
PSY 215	Psychology of Cultural Diversity	3
PSY 227	Psychology of Women	3
PSY 231	Psychology of Death and Dying	3
PSY 241	Psychology of Alcoholism and Substance Abuse	3
PSY 302	Child Psychology	3
PSY 303	Adolescent Psychology	3
PSY 307	Psychology of Personality	3
PSY 308	History of Psychology	4
PSY 311	Biological Psychology	4
PSY 315	Cognitive Psychology	4
PSY 320	Abnormal Psychology I	3
PSY 321	Abnormal Psychology II	3
PSY 323	Psychology of Learning	4
PSY 327	Mentored Lab Class Semester 1	3
PSY 328	Mentored Lab Class Semester 2	3
PSY 375	Lifespan Development Psychology	4
PSY 390	Honors Project in Psychology	3 - 6
PSY 395	Independent Study in Psychology	1 - 9
PSY 396	Special Topics in Psychology	3

Note: PSY 390 and PSY 395 may be used for up to 3 credits, each, towards major electives.

Open Electives – (32-55)

Includes UNV 101 - Freshman Seminar for first-year students and PSY 112 Intro to Psychology (4 credits) if not taken for University Core credit.

Total Credit Hours: 128

Art History Major, BA

(NYC)

This program provides students with a sound education in art history and prepares them for studies on the graduate level and careers in galleries, museums and art historical institutions. Students can have cross-disciplinary minors and participate in internships in their junior and senior years.

University Core – (44-55)

Major Courses – (36)

Required Courses: (12 credits)

ART 102	Art History: Ancient through Gothic Art	3
ART 103	Art History: Renaissance through Modern Art	3
ART 480	Art History Seminar I	3
ART 481	Art History Seminar II	3

ART 188	Art as a Vehicle of Social Commentary and Political Progress	3
	OR	
ART 188N	Art of Social and Political Protest - Learning Community	3
ART 196A	Art as a Vehicle of Social Commentary and Political Protest	3
ART 196C	Visual Thinking: Incorporating Art into Elementary Education Curriculum	3
ART 196D	Topic: Visual Studies: Hip Hop in Contemporary Art and Design	3
ART 196E	Picturing Art in Film and Video	3
ART 196F	Topic: Mixed Media	3
ART 196FA	Topic: Mixed Media - Learning Community	3
ART 196G	Topic: From Cereal Box to Camera Phone	3
ART 196H	Seminar: Re-Painting history: Lessons From Leonardi Da Vinci	3
ART 196K	Topic: Principles and Techniques of Digital Photography	3

SEVEN Major Elective Courses: (21 credits)

FIVE Intermediate or Advanced Practice-Based courses in the "media areas" of Film/Video Production, Painting, Drawing, Printmaking, Photography, Digital/Graphic Design, Interior Design, Sculpture, Ceramics (15 cred.)

ONE Studio Art Elective on any level of any practice-based art course, including internship course (3 cred.)

ONE Art History or Art Lecture course (3 cred.)

Please speak with department for assistance in selecting appropriate major elective options.

Open Electives – (48-59)

Total Credit Hours: 128

Art Major, BFA

(NYC)

This program offers an intensive curriculum in studio art that prepares students for a rewarding career in art or design, or advanced study in the field. Students receive a broad introduction to the studio arts through a sequence of introductory courses in different media, followed by elective courses (at least half of them intermediate/advanced practice-based ones).

Students also have the opportunity to select an available concentration (e.g., Film/Video Production; Painting/Drawing; Photography; Digital/Graphic Design; or Sculpture).

University Core Curriculum – (44-55)

Major Requirements – (72)

Required Studio Foundations Major Courses: (15 credits)

ART 140	Drawing I	3
ART 145	Painting I	3
ART 186	Digital Design I	3
ART 130	and Sculpture I	3
ART 133	OR Ceramics I	3
ART 153	and Introduction to Photography	3
ART 159	OR Photography I	3

Required Major Electives (42 credits)

Minimum of 21 credits must be in intermediate or advanced practice-based courses.

Remaining credits are chosen in consultation with department advisor.

Note: Concentrations are not required. However, with department approval a student may concentrate in an available area (e.g., Film/Video Production; Painting/Drawing; Photography; Digital/Graphic Design; or Sculpture). See department for lists of available course options.

Capstone Course (3 credit minimum)

Students may take a maximum of three capstone courses: Project Studio A/B/C (3-9 credits).

ART 306	Project Studio A	3
ART 307	Project Studio B	3

Required Art History Courses: (12 credits)

Students take four Art History Courses: 12 credits.

Both ART 102 and ART 103 (6 cred.).

One Modern or Contemporary Art course from following list (3 cred.).

ART 174, ART 205, ART 214, ART 215, ART 245, FSS 202, FSS 203

One Non-Western Art History course from following list (3 cred.).

ART 217, ART 218, ART 220

Open Electives – (1-12)

Total Credit Hours: 128

Behavioral-Neuroscience Major, BS

(NYC, PLV)

Prepares students for medical school, graduate school, or employment in the industry. This program is approved by the American Chemical Society (ACS).

University Core – (44-55)

Includes several of the major-required Math, Biology and Physics courses listed below:

Major-Required Math and Science Courses:

Specific courses required for the University Core:

Foundation Math: MAT 131 - Calculus 1

Lab Science: BIO 101 - General Biology 1

Areas of Knowledge / HSN: PSY 112 - Introduction to Psychology

In-Depth Sequence

- CHE 11 - General Chemistry 1
- CHE 112 - General Chemistry 2
- CHE 223 - Organic Chemistry 1

BIO 101	General Biology I	4
BIO 102	General Biology II	4
MAT 132	Calculus II	4
PHY 111	General Physics I	4
PHY 112	General Physics II	4

AND

BIO 231 - Genetics (4 credits)

or

BIO 264 - Microbiology (4 credits)

Major Requirements - (49-53 credits)

Required Major Courses (40 credits)

BIO 102	General Biology II	4
BIO 231	Genetics	4
BIO 251	Principles of Human Anatomy	4
BIO 325	Neurobiology	3
BIO 334	General Physiology	4
INT 299S	Systems Behavioral Neuroscience	4
PSY 209	Health Psychology	3
PSY 315	Cognitive Psychology	4
BIO 490	Introduction to Research in the Biological Sciences	3
BIO 480	Research in Biology	3
	and	
MAT 141	Introductory Statistics for the Life Sciences	4
	OR	
PSY 205	Statistics in Psychology and Allied Fields	4

Students may also take BIO 395 or BIO 491 as part of the Independent Research in Biology requirement.

Major Electives for the Biology Track (9-13 credits)

Two Psychology courses from the approved list below and one approved Biology course (BIO 335 is recommended.)

BIO 335	Molecular and Cellular Biology	4
	and	
PSY 206	Psychology and Law	3
PSY 227	Psychology of Women	3
PSY 241	Psychology of Alcoholism and Substance Abuse	3
PSY 243	Applied Social Psychology	3
PSY 277	Evolutionary Psychology	4

PSY 296	Topic in Psychology	3
PSY 302	Child Psychology	3
PSY 303	Adolescent Psychology	3
PSY 304	Social Psychology	4
PSY 307	Psychology of Personality	3
PSY 320	Abnormal Psychology I	3
PSY 321	Abnormal Psychology II	3
PSY 323	Psychology of Learning	4
PSY 337	Introduction to Psychological Counseling	4
PSY 375	Lifespan Development Psychology	4

**Pre-med students should consult with pre-med advisors.*

PSY 296L is the approved PSY 296 course.

Open Electives – (22-35)

Includes UNV 101 - Freshman Seminar (1 credit) - required of first-year freshman students.

Total Credit Hours: 128

Biochemistry Major, BS

(NYC, PLV)

Prepares students for medical school, graduate school, or employment in the industry. This program is approved by the American Chemical Society (ACS).

University Core – (44-55)

Includes several of the major-required Math, Biology and Physics courses listed below:

Major-Required Math and Science Courses:

The following University Core courses satisfy several Math and Science foundation requirements of the Biochemistry Major, BS:

BIO 101	General Biology I	4
BIO 102	General Biology II	4
MAT 132	Calculus II	4
PHY 111	General Physics I	4
PHY 112	General Physics II	4

AND

BIO 231 - Genetics (4 credits)

or

BIO 264 - Microbiology (4 credits)

Major Requirements - (65-66 credits)

Required Courses: (62-63 credits)

CHE 111	General Chemistry I	4
CHE 112	General Chemistry II	4
CHE 200	Mathematical Methods for Physical Chemistry	4
CHE 221	Analytical Methods and Techniques	4
CHE 223	Organic Chemistry I	5
CHE 224	Organic Chemistry II	5
CHE 301	Physical Chemistry I: Thermodynamics	4
CHE 302	Physical Chemistry II	4
CHE 326	Biochemistry	4
CHE 328	Advanced Biochemistry	3
CHE 329	Advanced Biochemistry Laboratory	0 - 2
CHE 330	Advanced Inorganic Chemistry	4
CHE 331	Instrumental Analysis	4
CHE 340	Polymer Chemistry	3
CHE 392	Chemistry Seminar I	1

CHE 480	Research in Chemistry	3
CHE 492	Chemistry Seminar II	1

AND

CHE 333 Advanced Organic Chemistry (NYC)

OR

CHE XXX Recommended Advanced CHE Course (PLV)

Required Science Course Not taken for UNIV CORE Credit (3 credits)

FOR 505 Molecular Biology (for NYC student)

OR

BIO 335 Molecular Biology (for PLV student)

Open Electives – (22-35)

Includes UNV 101 - Freshman Seminar (1 credit) - required of first-year freshman students

and

Major-required Biology, Math, and Physics courses not taken for University Core credit.

Total Credit Hours: 128

Biological Psychology Major, BA

(PLV)

Prepares students for graduate school in both research and applied psychology and biology areas and for entry-level employment in such fields.

Note for students interested in taking the MCAT and/or applying to medical school:

Please contact departmental advisor at (914) 773-3791 for necessary special advisement. Such students typically need the following courses: PHY 111 and 112 (General Physics I and II) and MAT 131 (Calculus I). Moreover, some medical schools also require applicants to have taken MAT 132 (Calculus II).

University Core – (44-55)

Includes following major-required courses (18 credits):

PSY 112	Introduction to Psychology	4
CHE 111	General Chemistry I	4
CHE 112	General Chemistry II	4
CHE 223	Organic Chemistry I	5
CHE 224	Organic Chemistry II	5
MAT 134	Introduction to Probability and Statistics	3
	OR	
MAT 142	Introductory Statistics for Psychology	4

Major Courses – (48)

Required Courses: (42 credits)

BIO 101	General Biology I	4
BIO 102	General Biology II	4
BIO 231	Genetics	4
BIO 251	Principles of Human Anatomy	4
BIO 334	General Physiology	4
PSY 320	Abnormal Psychology I	3
PSY 205	Statistics in Psychology and Allied Fields	4
PSY 277	Evolutionary Psychology	4
PSY 311	Biological Psychology	4
	OR	
BIO 325	Neurobiology	3
PSY 380	Experimental Psychology I	4
PSY 381	Experimental Psychology II	4

Major Electives: (6 Credits)

TWO Psychology courses

Open Electives – (25-36)

UNV 101 and major-specific required courses not taken for University Core credit and any Physics and MAT courses typically recommended for MCAT preparation and medical school applications.

Total Credit Hours: 128

Biology BS: Pre-Professional

Pace University offers qualified students an opportunity to earn a Pace undergraduate degree in Biology and a professional degree from another educational institution (*see list below*) in a shorter period of time than by pursuing these degrees separately. Pace students generally follow the standard BS in Biology General Biology track but with appropriate modifications, particularly in required electives. Undergraduates generally follow the standard Biology, BS track in General Biology track but with appropriate modifications, particularly in required electives.

Note: For acceptance into an available accelerated dual-degree undergraduate school/graduate school program, undergraduates must satisfy separate admission requirements for both the undergraduate and professional parts of the program. Admission to the undergraduate part of the program does not guarantee admission to the graduate part of the program.

Undergraduates interested in any of these programs should consult with the appropriate departmental advisor at their campus during their first year in residence.

Occupational Therapy

This Program consists of three years of undergraduate study at Pace (108 credits) and two additional years of study at the Columbia University College of Physicians and Surgeons. Students who complete the program receive a Bachelor of Science degree in Biology from Pace and a Master of Science degree in Occupational Therapy from Columbia.

Pre-Optometry

This Program consists of three years of undergraduate study at Pace (108 credits) and four additional years of study at the State University of New York College of Optometry. Students who complete the program receive a Bachelor of Science in Biology from Pace and a Doctor of Optometry (DO) degree from SUNY.

Podiatry

This Program consists of three years of undergraduate study at Pace (108 credits) and four additional years of study at the New York College of Podiatric Medicine.

University Core – (44-55)

Note: required math and science courses (37 credits) listed below fulfill various foundational and area of knowledge requirements for the major.

Major Courses – (45-51)

Major Biology Requirements: 26 credits

Major Pre-Professional Electives by Track: 19-25 credits

Occupational Therapy Track: (22 cred.)

Optometry Track: (25 cred.)

Podiatry Track: (19 cred.)

Major-Required Math & Science Courses (22-29 credits)

Major-required math and science courses not taken for University Core Curriculum credit will be taken as Open Elective courses:

CHE 111	General Chemistry I	4
CHE 112	General Chemistry II	4
CHE 223	Organic Chemistry I	5
CHE 224	Organic Chemistry II	5
PHY 111	General Physics I	4
PHY 112	General Physics II	4
MAT 131	Calculus I	4
MAT 132	Calculus II	4
MAT 134	Introduction to Probability and Statistics	3

Biology Core Courses: (26 credits)

BIO 101	General Biology I	4
BIO 102	General Biology II	4
BIO 231	Genetics	4
BIO 327	Cellular Biochemistry	4
BIO 335	Molecular and Cellular Biology	4
BIO 490	Introduction to Research in the Biological Sciences and	3

ONE Research Course (advisor-approved): BIO 395/480/491

Major Pre-Professional Electives by Track - (19–25 credits)

Occupational Therapy Track Electives (22 credits)

Required Major Track Electives for upper-level students accepted into accelerated joint degree program - Pace/Columbia University MS Occupational Therapy Program include the following:

Pace Courses: Biology 251 Human Anatomy (4 credits) and BIO 334 Physiology (4 credits)

AND

Columbia University Courses taken in undergraduate's 4th year (14 credits)

Podiatry Track Electives (19 credits)

Required Major Track Electives for upper-level students accepted into accelerated joint degree program - Pace/New York College of Podiatry program include the following:

Columbia University Courses taken in undergraduate's 4th year (19 credits)

Optometry Track Electives (25 credits)

Required Major Track Electives for upper-level students accepted into accelerated joint degree program - Pace/SUNY College of Optometry - include the following:

Pace Course: Biology 264 Microbiology (4 credits)

AND

SUNY College of Optometry Courses taken in undergraduate's 4th year (21 credits)

Open Electives – (22-39)

These include required Math and Science courses not taken for University Core Curriculum credit, UNV 101 (required of incoming freshmen students), and any remaining open elective courses.

Biology Major, BA

(NYC, PLV)

This B.A program prepares students for a career that may involve significant background in the biological sciences (e.g., scientific journalism and certain legal areas environmental and patent law) but does not require the extensive scientific coursework of the BS degree. Students must pass a comprehensive examination given as part of BIO 490 that assesses the ability to integrate and synthesize basic concepts in biology.

University Core – (44-55)

Required Foundational Chemistry and Math Courses (7-8 credits)

Includes as foundational courses the following major-required courses (7-8 credits):

CHE 111 General Chemistry I

MAT 134 (NYC students) or MAT 141 (PLV students)

Major Courses – (35)

Biology Core Courses: (31 credits)

BIO 101	General Biology I	4
BIO 102	General Biology II	4
BIO 210	Ecology	4
BIO 231	Genetics	4
BIO 327	Cellular Biochemistry	4
BIO 335	Molecular and Cellular Biology	4
BIO 335A	Molecular and Cellular Biology	1
BIO 395	Independent Study in Biology	3
	OR	
BIO 480	Research in Biology	3
	OR	
BIO 491	Internship in Biology	3
BIO 490	Introduction to Research in the Biological Sciences	3
BIO 490A	Major Field Test in Biology	

BIO 335A is only required for NYC students.

Major Electives: (9 credits)

BIO 205	Concepts of Environmental Science	3
BIO 215	Urban Ecology	3
BIO 221	Botany	4
BIO 233	Fundamentals of Histology and Histopathology	4
BIO 236	Comparative Vertebrate Anatomy	4
BIO 251	Principles of Human Anatomy	4
BIO 264	Microbiology	4
BIO 296C	The Neurobiology of Alzheimer's Disease	3
BIO 301A	Tropical Ecosystem Assessment I	3
BIO 301B	Tropical Ecosystem Assessment II	3
BIO 306	Advanced Microbiology	3
BIO 307	Microbial Ecology	4
BIO 322	Animal Behavior	4
BIO 326	Principles of Biochemistry	4
BIO 334	General Physiology	4
BIO 345	Introduction to Toxicology	3
BIO 359	Immunology	4
BIO 372	Introduction to Molecular Biotechnology	4
BIO 375	Advanced Cell Biology	3
BIO 399C	Topic: Cancer Cell Biology	3 - 4
BIO 399I	Fundamentals in Reproductive Biology	4
BIO 399W	Developmental Biology (Lecture)	3
BIO 399Z	Topics: Evolutionary Biology	3

Students may also select BIO 399O: Virology and/or BIO 399X: Genomics as major elective options.

Required Math and Science (Chemistry and Physics) courses (14 credits)

The following major-required Chemistry courses may be taken for University Core or Open Elective credit in consultation with academic advisor.

Major-Required Chemistry Courses

CHE 112	General Chemistry II	4
CHE 223	Organic Chemistry I	5
CHE 224	Organic Chemistry II	5

Open Electives – (24-49)

Includes major-required Chemistry courses not taken for core credit.

Total Credit Hours: 128

Biology Major, BS

(NYC, PLV)

This major prepares students for further education either in professional schools such as medical, dental, osteopathy, or veterinary medicine, or in scientific graduate school doctoral degree programs. The curriculum includes Biology Core courses, Math & Science courses, and Biology elective courses in several categories.

Students are required to pass a comprehensive examination given as part of BIO 490 that assesses the ability to integrate and synthesize basic concepts in Biology.

Note: Qualified students interested in occupational therapy, optometry, or podiatry also have an opportunity to participate in an accelerated dual-degree program with a professional school. For details see Biology, BS: Pre-Professional major.

University Core – (44-55)

Note: Various major-required math and science courses listed below may fulfill foundation, area of knowledge, and/or core requirements. Please consult with an academic advisor.

MAJOR-REQUIRED BIOLOGY COURSES (42-47 credits)

Biology Core Courses (30 cred. PLV; 31 cred. NYC)

BIO 101	General Biology I	4
BIO 102	General Biology II	4
BIO 210	Ecology	4
BIO 231	Genetics	4
BIO 327	Cellular Biochemistry	4
BIO 335	Molecular and Cellular Biology	4
BIO 335A	Molecular and Cellular Biology	1
BIO 490	Introduction to Research in the Biological Sciences	3
BIO 490A	Major Field Test in Biology	
BIO 395	Independent Study in Biology	3
	OR	
BIO 480	Research in Biology	3
	OR	
BIO 491	Internship in Biology	3

BIO 335A is only required for NYC students.

Biology Electives - (16–20 credits)

Students choose ONE 3-4 credit course from each of the following category groups (9-12 credits):

Molecular and Cellular Biology, Organismal Biology, Biological Systems and Ecology

AND

An additional TWO courses from the above groups, including at least one lecture/laboratory course of 4 credits (7-8 credits).

Molecular and Cellular Biology Category (3-4 credits)

ONE course from the following list:

BIO 264	Microbiology	4
BIO 306	Advanced Microbiology	3
BIO 325	Neurobiology	3
BIO 372	Introduction to Molecular Biotechnology	4
BIO 375	Advanced Cell Biology	3
BIO 399C	Topic: Cancer Cell Biology	3 - 4
BIO 399I	Fundamentals in Reproductive Biology	4

Within this category, or as an advanced major elective, students may also select BIO 399O: Virology, or BIO 399X: Genomics.

Organismal Biology Category (3-4 credits)

ONE course from the following list:

BIO 221	Botany	4
BIO 233	Fundamentals of Histology and Histopathology	4
BIO 236	Comparative Vertebrate Anatomy	4
BIO 251	Principles of Human Anatomy	4
BIO 264	Microbiology	4
BIO 301A	Tropical Ecosystem Assessment I	3
BIO 301B	Tropical Ecosystem Assessment II	3
BIO 326	Principles of Biochemistry	4
BIO 334	General Physiology	4
BIO 359	Immunology	4
BIO 399I	Fundamentals in Reproductive Biology	4
BIO 399W	Developmental Biology (Lecture)	3

Biological Systems and Ecology Category (3-4 credits)

One course from the following list:

BIO 205	Concepts of Environmental Science	3
BIO 215	Urban Ecology	3
BIO 221	Botany	4
BIO 301A	Tropical Ecosystem Assessment I	3
BIO 301B	Tropical Ecosystem Assessment II	3
BIO 307	Microbial Ecology	4
BIO 322	Animal Behavior	4
BIO 345	Introduction to Toxicology	3
BIO 399Z	Topics: Evolutionary Biology	3

Other Required Biology Electives (7-8 credits)

Any TWO additional courses chosen from the three preceding groups. At least one of the two courses must be a lecture/laboratory course of 4 credits.

Required Math and Science Courses

Students are required to complete the following courses. Students may fulfill some requirements within their core or open electives.

CHE 111	General Chemistry I	4
CHE 112	General Chemistry II	4
CHE 223	Organic Chemistry I	5
CHE 224	Organic Chemistry II	5
MAT 131	Calculus I	4
MAT 141	Introductory Statistics for the Life Sciences	4
PHY 101	College Physics I	4
	OR	
PHY 102	College Physics II	4
PHY 111	General Physics I	4
	OR	
PHY 112	General Physics II	4

Students should consult with faculty advisor on which physics sequence is most appropriate.

Open Electives – (17-31)

Open Elective credits MUST include required science and math courses not taken for University Core credit, UNV 101 (required of incoming freshmen students), and remaining open electives.

Total Credit Hours: 128

Business Economics Major, BS

(NYC, PLV)

University Core – (44-55)

Core must include

ECO 105	Principles of Economics: Macroeconomics	3
ECO 106	Principles of Economics: Microeconomics	3
MAT 104	Finite Mathematics	3
MAT 144	Introduction to Probability and Statistics for Economics	4

MAT 104 is required for Pleasantville students.

MAT 144 is required for New York City students.

Major Required Courses – (65 credits)

(Includes Economics and Business Courses)

Required Economic Courses: (39 credits)

Includes Core courses and Economic elective courses.

- ECO 105 and ECO 106 are taken in the Core, but count towards the Major GPA.

Economic Core Courses: (24 credits)

ECO 105	Principles of Economics: Macroeconomics	3
ECO 106	Principles of Economics: Microeconomics	3
ECO 230	Intermediate Macroeconomics	3
ECO 234	Intermediate Microeconomics	3
ECO 240	Quantitative Analysis and Forecasting	4
ECO 380	Mathematical Economics	4
ECO 400	Seminar in Economic Theory	1 - 3

Economic Elective Courses: (12 credits)

Four (4) ECO courses.

Required Business Courses: (26 credits)

Note: Total Business credits may not exceed 26 credits.

ACC 203	Financial Accounting	4
ACC 204	Managerial Accounting	4
LAW 101	Business Law I	3
MAR 201	Principles of Marketing	3
MGT 150	Managerial and Organizational Concepts	3
FIN 260	Financial Management	3
	In addition to:	
	New York City Students:	
	Two (2) Business electives (6 credits)	6
	OR	
	Pleasantville Students:	
MAT 117	Elementary Statistics	4
	and	
	Required Mathematics Course	3

MAT 117 may be taken in the core.

Open Electives – (7-19 credits)

Includes UNV 101 - Freshman Seminar (1 credit) - required of first-year freshman students.

and

Any required ECO and MATH courses not taken for University Core credit as follows:

ECO 105; MAT 104; MAT 144

NOTE: This 128-credit baccalaureate program has a maximum cap of 26 Business credits, already satisfied by Business Requirements. For further details students should consult department chair or Dyson College academic advisor.

Total Credit Hours: 128

Chemistry BS: Pre-Professional Major

Pace University offers Chemistry majors the option of earning two degrees, a B.S. in Chemistry at Pace University and a B.E. at either Manhattan College or Rensselaer Polytechnic Institute, School of Engineering. Both of these joint programs involve five years of education: three years of study at Pace and two years of study at the other institution, including summer coursework. Application for transfer is made by the student during the third year at Pace.

Note that Pace students generally follow the standard BS in Chemistry program for required University Core and major courses but with appropriate modifications in required major electives and for required engineering courses to be transferred from RPI or Manhattan College.

Students interested in any of these joint programs should meet with a Pace Chemistry Department advisor for full details.

University Core – (44-55)

See list below for major-required Math, Biology, and Physics courses that satisfy University Core requirements and/or some Open Elective requirements (28 credits).

Major-Required Math and Science Courses

Many of these seven major-required Math, Biology, and Physics courses satisfy University Core Foundation and Area requirements.

BIO 101	General Biology I	4
BIO 102	General Biology II	4
MAT 131	Calculus I	4
MAT 132	Calculus II	4
MAT 236	Multivariable Calculus	4
PHY 111	General Physics I	4
PHY 112	General Physics II	4

Major Courses – (50-54 credits)

Required Courses - All concentrations: (40 credits)

CHE 111	General Chemistry I	4
CHE 112	General Chemistry II	4
CHE 221	Analytical Methods and Techniques	4
CHE 223	Organic Chemistry I	5
CHE 224	Organic Chemistry II	5
CHE 301	Physical Chemistry I: Thermodynamics	4
CHE 302	Physical Chemistry II	4
CHE 326	Biochemistry	4
CHE 331	Instrumental Analysis	4
CHE 392	Chemistry Seminar I	1
CHE 492	Chemistry Seminar II	1

Required Concentration: (10-14 credits)

ONE of three following concentrations (A, B, or C) chosen in consultation with department advisor:

A. Preparation for medical or graduate school.

CHE 480	Research in Chemistry	3
MAT 238	Linear Algebra	4
	OR	
MAT 253	Differential Equations	4
CHE 330	Advanced Inorganic Chemistry	4
	OR2	
CHE 338	Spectroscopy	4
One advanced chemistry course		
CHE 305	Quantum Chemistry	3
CHE 322	Advanced Chemistry Course	3
CHE 328	Advanced Biochemistry	3
CHE 333	Advanced Organic Chemistry	3
B. Preparation for employment and leading to American Chemical Society certification.		
CHE 330	Advanced Inorganic Chemistry	4
CHE 480	Research in Chemistry	3
MAT 238	Linear Algebra	4
	OR	
MAT 253	Differential Equations	4
One advanced chemistry course		
Choose from:		
CHE 305	Quantum Chemistry	3
CHE 322	Advanced Chemistry Course	3
CHE 328	Advanced Biochemistry	3
CHE 333	Advanced Organic Chemistry	3
C. Environmental Chemistry		
SCI 345	Environmental Applications in Geology	4
ENS 610	Environmental Science I	3
CHE 480	Research in Chemistry	3

Open Electives – (19-34)

Includes the following Major required courses not taken for University Core curriculum credit:

BIO 102	General Biology II
MAT 236	Multivariable Calculus
PHY 111	General Physics I

Total Credit Hours: 128

Chemistry Major, BS

(NYC, PLV)

This major prepares students for graduate school, medical school, or employment in the chemical or pharmaceutical industry and is approved by the American Chemical Society. It includes required CHE courses and a group of required Math and Science courses. Students interested in Forensic Science are urged to view the requirements of that major's BS program.

University Core – (44-55)

Includes many of the major's required Math and Science courses if taken to satisfy Core Foundation and Area requirements.

Major Requirements – (68-70 credits)

Required Chemistry Courses: (60-61 credits)

CHE 111	General Chemistry I	4
CHE 112	General Chemistry II	4
CHE 200	Mathematical Methods for Physical Chemistry	4
CHE 221	Analytical Methods and Techniques	4
CHE 223	Organic Chemistry I	5
CHE 224	Organic Chemistry II	5
CHE 301	Physical Chemistry I: Thermodynamics	4
CHE 302	Physical Chemistry II	4
CHE 326	Biochemistry	4
CHE 330	Advanced Inorganic Chemistry	4
CHE 331	Instrumental Analysis	4
CHE 340	Polymer Chemistry	3
CHE 392	Chemistry Seminar I	1
CHE 480	Research in Chemistry	3
CHE 492	Chemistry Seminar II	1

AND

CHE 333 Advanced Organic Chemistry (NYC) - 3 credits

OR

CHE XXX: Recommended Advanced CHE course (PLV) - 3 or 4 credits

Required Math and Science Courses - (16 credits)

BIO 102	General Biology II	4
MAT 132	Calculus II	4
PHY 111	General Physics I	4
PHY 112	General Physics II	4

ONE Required Advanced CHE Elective (3-4 credits)

ONE Advanced Chemistry course from the following group: CHE 305, 310, 328, 338 or 370.

Open Electives – (10-16)

Includes various Math and Science courses not taken for University Core Credit.

Total Credit Hours: 128

Commercial Dance Major BFA

University Core Credits – (44 Minimum)

Major Courses Credits - (79 Credits)

Required Technique Courses: (73 credits)

PACD 100	Ballet I	3
PACD 105	Ballet II	3
PACD 200	Ballet III	3
PACD 205	Ballet IV	3
PACD 300	Ballet V	3
PACD 400	Ballet VI	3
PACD 102	Jazz I	3
PACD 107	Jazz II	3
PACD 202	Jazz III	3
PACD 207	Jazz IV	3
PACD 309	Jazz V	3
PAGE 281	Acting 1 for the Non-Performing Arts Major	3
PAGE 170	American Musical Theater	3
PACD 302	Contemporary I	3
PACD 407	Modern Dance	3
PACD 145	Vocal Music for Dancers I	3
PACD 116	Tap Dance 1	2
PACD 109	Theater Dance 1	2
PACD 209	Theater Dance 2	2
PACD 108	Hip Hop 1	2
PACD 325	Improvisation	1
PACD 425	Partnering	1
PACD 227	Choreography I	2
PACD 225	Anatomy for Dancers	3
PACD 435	Dance History	3
PACD 375	Ballet Pedagogy	2
PACD 379	Jazz Dance Pedagogy	2
PACD 475	Dance Seminar	1
PACD 499	Senior Project	2
PAGE 100	Fall Production Crew	
	OR	
PAGE 101	Spring Production Crew	

Please note that transfer students are exempt from fulfilling the production practicum requirement, PAGE 100 or PAGE 101.

One Required Dance Concentration: (6 Credits)

Students must select one concentration.

Choreography Concentration: PACD 420 and PACD 421

Performance Concentration: PACD 103, PAGE 159, and PAGE 408

For course titles and credits, see following list.

PACD 420	Advanced Choreography	3
	and	
PACD 421	Choreography for the Camera	3
	OR	
PACD 103	Aerial Arts I	1
	and	
PACD 408	Dance for the Camera	3
	and	
PAGE 159	Dance Styles I	2

Open Electives (2-13 credits)

Must include UNV 101 - Freshman Seminar - required of first-year freshman (1 credit).

Total Credit Hours: 128

*Effective as of **Spring 2013***

For more information, visit www.pace.edu/dyson/academic-departments-and-programs/performing-arts

Communication Studies Major, BA

(NYC)

Communication Studies majors choose one of two areas of concentration: public/professional studies or media studies. The Public and Professional Studies program is geared for those interested in careers in organizational communication, law, politics, government, labor unions, human relations, corporate-government relations, and fund raising. The Media Studies program emphasizes the fields of communication as they apply to mass media. The program qualifies graduates for entry-level positions in broadcasting, advertising, sales, marketing, politics, and public relations.

University Core – (44-55)

Includes major-required courses in contemporary global issues (3 credits) and either a Fine Arts, Performing Arts, or Religious Studies course (3 credits).

Required Major Courses – (42 credits)

Major Core Courses (9 credits)

COM 111	Introduction to Communication	3
COM 113	Media, Culture, and Society	3
COM 114	Introduction to Mass Media	3

Major Elective Courses: (33 credits)

Group ONE: (6 credits)

Choose two of the following courses:

COM 226	Writing for the Electronic Media	3
COM 228	Writing for Convergent Technologies	3
COM 280	Introduction to Journalism	3
	Approved Service Learning Course	3

Approved Service Learning Course is an additional AOK I.

Groups TWO and THREE: (27 credits)

Students must complete minimum of 12 credits in each group:

Group TWO: (12-15 credits)

COM 119	Organizational Communication	3
COM 205	Dynamics of Small Group Communication	3
COM 213	Intercultural Communication	3
COM 214	Interpersonal Communication	3
COM 239	Milestones in Communication Research	3
	Approved Topics Course	3

Approved Topic courses include COM 344, MAR 201, SPE 203, SPE 309

Group THREE: (12-15 credits)

COM 235	Advertising and Consumer Culture	3
COM 242	New Communication Technologies and Moral Panic	3
COM 244	Digital Cultures	3
COM 245	Communication and Popular Culture	3
COM 270	Political Communication	3
COM 311	Ethics, Morality, and the Media	3
COM 312	Introduction to Cultural Studies	3
COM 335	Media and Gender	3
COM 336	Propaganda	3
COM 338	Media Criticism	3
COM 481	Language and Power and	3

ONE additional Group 2 or Group 3 course (3 credits) but note that COM 280 can be taken only for Group 1 or 2.

Open Electives – (31-42)

Total Credit Hours: 128

Communications Major, BA

(PLV)

Prepares students for a variety of careers such as law, mass communications, video production, advertising, and public relations and also offers students a great deal of flexibility to design a course of study according to their interests.

University Core – (44-55 credits)

Major Courses – (42 credits)

Student who wish to complete a minor in Journalism or Public Relations must fulfill minor requirements under Open Electives. Students must complete MCA 393 as a major requirement. Majors may complete up to an additional 3 credits of MCA 393 as Open Electives.

Required Major Courses: (12 credits)

MCA 226	Writing for the Electronic Media	3
MCA 227	Writing for the Print Media	3
MCA 393	Intern Program I	3
JRN 499	Digital Storytelling	3
	OR	
MCA 497	Public Relations Campaigns	3
	OR	
MCA 499	Seminar	3

TWO Writing Courses: (6-7 credits)

Students must select two of the following courses to fulfill writing requirement.

JRN 203	Feature Writing	3
MCA 337	Writing Public Relations Copy	3
MCA 339	Creative Writing for Broadcast Media	3
MCA 340	Writing for Advertising	3
MCA 360	Screenwriting	4

Required Major Electives: (24 credits)

Student choose EIGHT courses in MCA and JRN (exclusions: MCA 112, MCA 160, and MCA 170).

Subtotal: 42

Open Electives – (31-42 credits)

With department chair's approval may include an additional 3 credits of internship

Total Credit Hours: 128

Criminal Justice Major, BS

(NYC, PLV)

Prepares students for employment in all areas related to the field of criminal justice and other government agencies, as well as for graduate school in related disciplines.

University Core – (44-55)

Major Courses – (36)

Required Courses (27 credits)

CRJ 121	Government Administration	3
CRJ 150	Introduction to Criminal Justice	3
CRJ 242	Crime and Public Policy	3
CRJ 250	Community Relations in the Criminal Justice System	3
CRJ 261	Introduction to Criminal Investigation	3
CRJ 305	Criminal Law	3
CRJ 346	Terrorism and Society	3

CRJ 251	Penology	3
CRJ 252	Probation and Parole	3
CRJ 255	Structure and Function of Police Organization	3
CRJ 275	Principals of Emergency Management	3
CRJ 296	Topics in Criminal Justice	3
CRJ 296A	Topic: Crime and Public Policy	3
CRJ 296C	Topic: Homeland Security Strategies	3
CRJ 296D	Topic: Law and Society	3
COM 296E	Domestic Violence and Child Abuse	3
CRJ 296H	Topic: Controversial Criminal Cases	3
CRJ 296K	Topic: Sociology of Violence	3
CRJ 296N	Topic: Creative Crime Control	3
CRJ 296P	Topic: Restorative Justice	3
CRJ 296Q	Topic: Crime and Public Policy	3
CRJ 296R	Topic: Juvenile Justice	3
CRJ 296T	Topic: The Criminal Justice System and the Victim	3
CRJ 296V	Topic: The Prisoner as Citizen: Civil Rights Behind Bars	3
CRJ 296W	Image-Making in the Age of Terror: Exploring First and Fourth Amendment Rights	3
CRJ 296X	Special Topic: Women and the Criminal Justice System	3
CRJ 297A	Topics: Criminal Justice Technology in the 21st Century	3
CRJ 300	Homeland Security Strategies	3
CRJ 311	Controversial Criminal Cases	3
CRJ 315	Research Perspectives in Criminal Justice	3
CRJ 331	Strategies in Corrections Administration	3
CRJ 350	Courts Administration	3
CRJ 351	Criminal Evidence and Procedure	3
CRJ 375	Criminal Justice System Responses to Domestic Violence and Child Abuse	3
CRJ 391	Internship in Criminal Justice I	4
CRJ 392	Internship in Criminal Justice II	4
CRJ 395	Independent Study in Criminal Justice	3

Major Specialization Requirements (9 credits)

Three courses in a single discipline (approved by department chair) in order to enhance Criminal Justice career options. If the discipline is arts or science one, these courses may be taken as an AOK in-depth sequence or as Inquiry & Exploration courses. Otherwise, they are to be taken as Open Elective courses.

Open Electives – (37-48)

Total Credit Hours: 128

Digital Cinema and Filmmaking, BS

The B.S. in Digital Cinema and Filmmaking prepares students to enter the world of cinema, television and internet drama production as professionals.

University Core Curriculum (44)

Major Courses (42-44 credits)

Required Major Courses (18 credits)

MCA 220	The Making of a Motion Picture	4
MCA 252	Media Production I	4
MCA 276	Story Idea Development	3
MCA 393	Intern Program I	3
MCA 498	Directing	4

Required Major Electives (25-27 credits)

Students choose eight courses (25-27 credits) which must include at least one 4-credit course.

ART 285	2D Animation I	3
JRN 297A	Audio Storytelling	3
JRN 499	Digital Storytelling	3
MCA 254	Producing the Documentary	4
MCA 257	Casting	3
MCA 270	Sports Broadcasting	3
MCA 280	Audio Storytelling	3
MCA 297Y	Topic: Sports Broadcasting	3
MCA 330	Film Noir- The Dark Side of American Cinema	3
MCA 331	Women in American Film	3
MCA 339	Creative Writing for Broadcast Media	3
MCA 354	Producing Corporate Video	3
MCA 356	Digital Editing Workshop I - Introduction	4
MCA 357	Careers in Television	3
MCA 358	Digital Editing Workshop II - Advanced	4
MCA 359	The Cutting Edge: What's New in the Media	3
MCA 360	Screenwriting	4
MCA 361	Cinematography One	3
MCA 362	Cinematography Two	3
MCA 363	The Art of the Moving Camera	3
MCA 371	Landmarks in American Film	3
MCA 372	British Film	3
MCA 376	Studies in Horror	3
MCA 397U	Topics: Multimedia Storytelling: Wildlife in Westchester	4
MCA 398F	Topic: Advanced Television and Online Media	3
MCA 398M	Topic: Making Media with Drones	3
MCA 490	Lighting: The Craft of Cinematic Artists	3

Open Electives (28-41 credits)

Total Credit Hours: 128

Digital Journalism, BS

University Core Curriculum (44)

Major Courses (42 credits)

Required Major Courses (21 credits)

JRN 101	Introduction to News Media	3
JRN 104	News Reporting	3
JRN 238	The Global Newsroom	3
JRN 300	The Digital Newsroom	3
MCA 311	Ethics, Morality, and the Media	3
MCA 393	Intern Program I	3
JRN 499	Digital Storytelling	3

Required Major Electives (21 credits)

Choose 8 courses from the following MCA options, or any JRN course.

MCA 252	Media Production I	4
MCA 254	Producing the Documentary	4
MCA 270	Sports Broadcasting	3
MCA 280	Audio Storytelling	3
MCA 309	Sports Media	3
MCA 336	Propaganda	3
MCA 338	Censorship and the Mass Media	3
MCA 356	Digital Editing Workshop I - Introduction	4
MCA 358	Digital Editing Workshop II - Advanced	4
MCA 398	Science Fiction and The Cold War	3

Students may not use MCA 160 towards major elective.

Open Electives (31-42 credits)

Total Credit Hours: 128

Directing Major, BA

(NYC)

University Core - (44-55)

Major Requirements (39 Credits)

Required Theater Courses (13 credits)

PAPE 110	Acting I	3
PAPE 111	Acting II	3
PAPE 120	Movement I	3
PAPE 150	Performance Ensemble I	2
PAPE 151	Performance Ensemble II	2
PAGE 100	Fall Production Crew	
	OR	
PAGE 101	Spring Production Crew	

Please note that transfer students are exempt from fulfilling the production practicum requirement, PAGE 100 or PAGE 101.

Required Directing Courses: (20 credits)

PAPE 270	Script Analysis for BA Actor and Director	3
PAPE 271	Directing 1 for BA Director	2
PAPE 272	Directing Lab 1 for BA Director	1
PAPE 273	Directing II for BA Director	2
PAPE 274	Directing Lab 2 for BA Director	1
PAPE 370	Directing III for the BA Director	3
PAPE 371	Directing IV	3

PAPE 410	Performance Workshop	2
PAPE 498	Senior Showcase for Directors	3

Required Theater History Courses: (6 credits)

PAGE 270	World Theater	3
PAPE 280	Theatre History 1 for BA Actor and Director	3

Open Electives - (34-46)

Open Elective requirements include UNV 101 (1 credit) and courses of the student's choice.

Note: Interested students may select one or more of the following recommended courses to fulfill open electives once eligibility is confirmed by department and academic advisor.

Department-Recommended Courses

PASM 121	Stage Management I	3
PASM 122	Stage Management II	3
PAPE 121	Movement II	3
PAPE 160	Explorations in Scenic Design	3
PAPE 350	Performance Ensemble III	2
PAPE 351	Performance Ensemble IV	2

Total Credit Hours: 128

Economics, BA

(NYC, PLV)

Prepares students for employment in a variety of business fields, particularly finance, banking, planning, management, government, and teaching, or for further education in graduate Economics, Business, or other professional schools.

University Core – (44-55)**Core must include**

ECO 105: Principles of Economics - Macroeconomics - 3 credits

NYC Students - MAT 144: Introduction to Probability and Statistics for Economics - 4 credits

PLV Students - MAT 104: Finite Mathematics - 3 credits

Major Courses (36-40 credits)**Required Core Courses: (24 credits)**

ECO 105	Principles of Economics: Macroeconomics	3
ECO 106	Principles of Economics: Microeconomics	3
ECO 230	Intermediate Macroeconomics	3
ECO 234	Intermediate Microeconomics	3
ECO 240	Quantitative Analysis and Forecasting	4
ECO 380	Mathematical Economics	4
ECO 400	Seminar in Economic Theory	1 - 3

ECO 105 is taken in the Core, but counts towards the Major GPA.

Required Electives: (12 credits)

Four (4) ECO courses, in addition to:

PLV Students - One (1) required Mathematics course

NYC Students - MAT 117: Statistics (may be taken in the core)

Open Electives – 35-44 credits

Total Credit Hours: 128

English and Communications Major, BA

(PLV)

This major offers students a great deal of flexibility thereby enabling them to design a course of study according to personal interests. It prepares students for a variety of careers such as law, mass communications, video production, and teaching.

University Core – (44-55)

May include the following two major-required courses in Literature: 211 and 212.

Major Courses – (36-42)

Required Courses: (21-27 Credits)

LIT 132	Introduction to Literary Studies	3
LIT 211	Literature I	3
LIT 212	Topics in Literature	3
LIT 362	Shakespeare	3
	OR	
LIT 369	Author Course	3
LIT	One Genre Course	3
	OR	
LIT 347	American Short Fiction	3
LIT 482	Seminar	3
	OR	
LIT 499	Senior Year Experience: Culture, Creativity, Communication	3
	OR	
MCA 499	Seminar	3
ENG 393	Internship	1 - 6
ENG 3xx	One Advanced or Creative Writing	3
MCA 200 or Higher	MCA - 200 Level or Higher	3-4

Students may take LIT 211 and 212 within areas of knowledge to fulfill core requirements. For guidance in choosing unspecified courses, please see department chair.

Major Electives: (15 credits)

To fulfill major electives, student may either select **FIVE** upper-level (200-level and higher) courses in one or more of the following areas: ENG, JRN, LIT, MCA. Or, select any **FIVE** courses in one concentration: ENG, JRN, LIT, or MCA (exclusions: MCA 112 and MCA 160).

Open Electives – (31-48)

Total Credit Hours: 128

English Language and Literature Major, BA

(NYC)

For this 36-credit major students choose one of three concentrations (Language and Linguistics; Literature, Culture, and Media; or Creative Writing) in preparation for a wide variety of careers as well as for graduate study.

University Core – (44-55)

Major Courses (36 credits for each available concentration)

Language and Linguistics Concentration

Major Requirements

Introductory Courses (6 credits)

ENG 205 (Intro. to Language & Literature, 3 credits)

and

One of following courses: LIT 205, ENG 223, ENG 223C, ENG 223E (3 credits)

Exploratory and Concentration Courses (30 credits)

*At least two courses must be pre-1800. See department/advisor for current course offerings.

Exploratory Courses (15 credits)

15 credits in LIT or ENG courses.

- Three (3) courses may be in either the 200 or 300-level.
- Two (2) courses must be in the 300-or-above level.
- Additional courses in other subject areas may be used to fulfill this requirement; see advisor for guidance.
*Up to two (2) courses may be in Creative Writing; see advisor for permission.

Concentration Courses (15 credits)

Five (5) approved 300-level ENG Language & Linguistics Courses (15 credits):

- ENG 300, ENG 301, ENG 302, ENG 303, ENG 313, 341, ENG 342, ENG 393, ENG 395, ENG 396G, LIT 338, LIT 393, LIT 395. Please see advisor/department for updated list of courses.

**Up to 6 credits of Graduate Publishing Program courses may be substituted with permission of English department advisor and if student already has completed 90 undergraduate credits and achieved a minimum of 3.0 GPA.*

CREATIVE WRITING CONCENTRATION (30 credits)

Introductory Courses (6 credits)

ENG 223, ENG 223C, or ENG 223E (3 credits)

ENG 205 or LIT 205 (3 credits)

Exploratory and Concentration Courses (30 credits)

*At least two courses must be pre-1800. See department/advisor for current course offerings.

Exploratory Courses (15 credits)

15 credits in LIT or ENG courses

- Three (3) courses may be in either the 200 or 300-level.
- Two (2) courses must be in the 300-or-above level.
- Additional courses in other subject areas may be used to fulfill this requirement; see advisor for guidance.
This concentration **does not allow Creative Writing courses to be used for this requirement; see advisor for guidance.*

Concentration Courses (15 credits)

Five (5) approved 300-level ENG Creative Writing courses (15 credits):

- ENG 307, ENG 308, ENG 309, ENG 311, ENG 312, ENG 313, ENG 315, ENG 316, ENG 317, ENG 322, ENG 322A, ENG 322B, ENG 322C, ENG 322D, ENG 323, ENG 324, ENG 326, ENG 326B, ENG 326C, ENG 326D, ENG 336, ENG 391, ENG 392, ENG 393, ENG 395, ENG 396A, ENG 396E, LIT 338, 393, 395. Please see advisor/department for updated list of courses.

**Up to 6 credits of Graduate Publishing Program courses may be substituted with permission of English department advisor and if student already has completed 90 undergraduate credits and achieved a minimum of 3.0 GPA.*

Literature, Culture, and Media Concentration

Introductory Courses (6 credits)

LIT 205 (Intro to Language & Literature, 3 credits)

and

One of following courses: ENG 205, ENG 223, ENG 223C, ENG 223E (3 credits)

Exploratory and Concentration Courses (30 credits)

*At least two courses must be pre-1800. See department/advisor for current course offerings.

Exploratory Courses (15 credits)

15 credits in LIT or ENG courses.

- Three (3) courses may be in either the 200 or 300-level.
- Two (2) courses must be in the 300-or-above level.
- Additional courses in other subject areas may be used to fulfill this requirement; see advisor for guidance.
**Up to two (2) courses may be in Creative Writing; see advisor for permission.*

Concentration Courses (15 credits)

Five (5) approved 300-level ENG Literature, Culture, and Media courses (15 credits):

- LIT 301, LIT 302, LIT 303, LIT 304, LIT 306, LIT 307, LIT 309, LIT 310, LIT 313A, LIT 315, LIT 315A, LIT 315B, LIT 320, LIT 322, LIT 326, LIT 329, LIT 331, LIT 334, LIT 337, LIT 338, LIT 339, LIT 340, LIT 341, LIT 342, LIT 343, LIT 345, LIT 347A, LIT 348, LIT 349, LIT 349A, LIT 350, LIT 351, LIT 352, LIT 353, LIT 354, LIT 355, LIT 358, LIT 375, LIT 376, LIT 360, LIT 361, LIT 379, LIT 396, LIT 363, LIT 364, LIT 369F, LIT 369R, LIT 373, LIT 374, LIT 374A, LIT 374B, LIT 375, LIT 387, LIT 387B, LIT 387D, LIT 387E, LIT 393, LIT 395, LIT 396, LIT 396G, LIT 396P, LIT 396T, LIT 396V, ENG 306, ENG 310, ENG 313, ENG 318, ENG 393, ENG 395, ENG 396E. Please see advisor/department for updated list of courses.

** One (1) course from approved list of subjects may be used. Please see advisor for guidance.*

** Up to 6 credits of Graduate Publishing Program courses may be substituted with permission of English department advisor and if student already has completed 90 undergraduate credits and achieved a minimum of 3.0 GPA.*

Open Electives – (37-48)

Total Credit Hours: 128

English Major, BA

(PLV)

This major prepares students for fields that require good communication and analytical skills, as well as for graduate study in fields such as publishing, communications, and teaching and professional schools such as law and business. For information about a combined major in education with this arts and sciences major, see the School of Education section of this catalog.

University Core – (44-55)

Major Courses – (36 credits)

Required LIT/ENG Courses: (24 credits)

LIT 205	Introduction to Literature, Culture and Media	3
LIT	200-Level Course	3
LIT	200-Level Course	3
ENG	200-Level Course	3
LIT	300-level Author Course	3
LIT	300-level Course	3
ENG 393	Internship	1 - 6
LIT 499	Senior Year Experience: Culture, Creativity, Communication	3

One Required Diversity/Cultural Pluralism LIT Courses: (3 credits)

Select one course from the following list.

LIT 303	Introduction to Cultural Studies	3
LIT 304	Postcolonial Literature	3
LIT 326	African American Literature	3
LIT 342C	Topics: Studies in Amer Lit: August Wilson	3
LIT 342H	Studies in American Literature: The Harlem Renaissance	3
LIT 342L	Studies in American Literature: Toni Morrison	3
LIT 343	Contemporary American Literature	3
LIT 345	Literatures of Diversity	3

LIT 349A	African American Drama	3
LIT 376	Slave Narratives	3
LIT 384	Images of Women in Literature	3

Required Track: Literature or Writing: (12 credits)

Literature Track:

ENG 393 (Internship courses)

AND

Three department-approved LIT 300-level courses that focus on a genre, period, or multicultural or world literature.

OR

Writing Track:

ENG 393 (Internship courses)

AND

Three department-approved ENG writing courses.

Open Electives - 37-48

Total Credit Hours: 128

Environmental Science Major, BS

(NYC, PLV)

This major offers students an interdisciplinary environmental science program within the context of a liberal arts education. Designed for students interested in a scientific perspective on environmental issues, it provides both basic and applied knowledge needed to understand the environment and associated problems. This degree will allow students to continue with advanced studies in a graduate degree program or to enter the job market for environmental science positions.

University Core – (44-55)

Includes MAT 141 as Foundation course. Also may include as Area of Knowledge courses three CHE Science courses (CHE 111, 112, 223). Note: Any of these *major-required MAT and SCI not taken for University Core credit must be taken for Open Elective credit.*

Major Requirements – (46-53 credits)

Biology, ENV and ENS Requirements: (24 credits)

BIO 101	General Biology I	4
BIO 102	General Biology II	4
BIO 205	Concepts of Environmental Science	3
BIO 210	Ecology	4
BIO 231	Genetics	4
ENS 496	Current Topics in Environmental Science	2

And

Either ENV 486 - Research **or** ENV 494 - Internship (3 credits)

Environmental Science Requirements: (9-13 Credits)

ENV 100	Water, Wildlife and Windmills - An Introduction to Environmental Studies and Sciences	3
ENV 380	Introduction to Research Methods	3
SCI 226	Geographical Information Systems	3

Major Electives: (12-15 credits)

Students choose courses from the following three Elective Lists:

Elective List 1

ONE course (3 credits) from the following ENV and PHI list:

ENV 211	Environmental Assessment	3
ENV 215	Foundations of Environmental Law for Non-Lawyers	3
ENV 310	Environmental Policy and Sustainable Governance	3
PHI 223	Environmental Ethics	3

Elective List 2

ONE course (3-4 credits) from the following BIO, CHE, MAT, ENS list:

BIO 264	Microbiology	4
BIO 281	Botany	0 - 4
BIO 307	Microbial Ecology	4
BIO 322	Animal Behavior	4
BIO 345	Introduction to Toxicology	3
BIO 399Z	Topics: Evolutionary Biology	3
CHE 221	Analytical Methods and Techniques	4
CHE 310	Green Chemistry	4
MAT 222	Applied Multivariable Statistical Methods and	3

ENS Research II course (ENS 487)

Elective List 3

TWO courses (6-8 credits) from the following list or from preceding Elective Lists 1 and 2:

CHE 326	Biochemistry	4
---------	--------------	---

ECO 310	Environmental Economics	3
ENV 105	Social Responsibility and the World of Nature	3
ENV 205	Globalization, Trade and the Environment	3
ENV 226	Environmental Anthropology	3
ENV 235	Sustainable Living in Our World	3

Other choices include ENV course 210 (Animals and Society). For possible available other choices see program director.

Open Electives – (24-27 credits)

Range of credits reflects variations in a student's University Core requirements.

Total Credit Hours: 128

Environmental Studies Major, BA

(NYC, PLV)

University Core – (44-55)

Students consult program director for assistance in choosing University Core courses.

Undergraduate Major Courses – (48)

Required Major Courses: (36 credits)

ENV 100	Water, Wildlife and Windmills - An Introduction to Environmental Studies and Sciences	3
ENV 112	Environmental Studies - Basic Issues	3
ENV 211	Environmental Assessment	3
ENV 221	Environmental Science: The Web of Life	3
ENV 222	Environmental Chemistry: Principles, Problems and Solutions	3
ENV 310	Environmental Policy and Sustainable Governance	3
ENV 380	Introduction to Research Methods	3
ENV 498	Mentoring Seminar	3
ENV 499	Senior Year Experience in Environmental Issues	3
ECO 310	Environmental Economics	3
PHI 223	Environmental Ethics	3
SCI 226	Geographical Information Systems	3

Required Major Elective Courses: (12 credits)

Students choose twelve credits, including at least 6 credits at 200 level or higher, from any of the ENV and other course options listed below. With permission from department chair other courses may be used to fulfill this requirement.

ENV 105	Social Responsibility and the World of Nature	3
ENV 110	Nature and Culture: A Study in Connections	3
ENV 111	Environmental Studies: Economic, Ethical and Political Perspectives	3
ENV 130	The Naturalists	3
ENV 140	Act Locally: Sustainable Design and You	3
ENV 170	Spaceship Earth: Issues of Sustainability	3
ENV 172	Introduction to World Regional Geography	3
ENV 201	Animals and Society	3
ENV 205	Globalization, Trade and the Environment	3
ENV 215	Foundations of Environmental Law for Non-Lawyers	3
ENV 220	Darwin on Ecology	3
ENV 226	Environmental Anthropology	3
ENV 230	Natural Beauty: An Introduction to Environmental Aesthetic	3
ENV 235	Sustainable Living in Our World	3
ENV 260	Climate Change	3
ENV 285	Food Revolutions: The Politics	3
ART 231	Environmental and Ecological Art	3
ENV 311	Introduction to Environmental Law: History & Development of Environmental Regulations	
ENV 395	Independent Study in Environmental Science	1 - 9
BIO 210	Ecology	4
BIO 281	Botany	0 - 4

CHE 310	Green Chemistry	4
HIS 297M	Topic: History of the American Environment	3
INT 299J	Environmental Clinic I	3
INT 396A	Ethical and Economic Challenges of Ecotourism	3
PHI 290	Philosophical Perspectives on Technology	3
RES 296	Topics in Religious Studies	3

NOTE: Other available "ENV" Environmental Major Elective choices include the following titled courses:

- "Healthy Living in a Sustainable World" (ENV 100-level course)
- "Environmental Clinic" or "Environmental Policy Clinic I" (ENV 297A or ENV 297D)
- Any ENV 297 topics course

Open Electives – (15-36)

Includes UNV 101 - Freshman Seminar (one credit) - for first-year freshmen

Total Credit Hours: 128

Film and Screen Studies Major, BA

(NYC)

In this program, film is seen as both an object of study and a methodological tool used in a variety of disciplines.

Close advisement is necessary if double majoring. Please consult with an academic advisor on rules and limitations when double-counting requirements.

University Core – (44-55)

Film and Screen Studies Major – (36)

Required FSS-Titled Major Courses: (12 credits)

FSS 202	History of Film I	3
FSS 203	The Art of Film	3
FSS 383	Theories of Film	3
FSS 386	Seminar on Film	3

Note that FSS 386 may be taken for credit more than once, because each semester the course topic differs (to include genres, movements, major figures or periods). See program director for registration assistance.

Required Major Electives: (24 credits)

Students must select department-approved elective courses from FSS and other academic programs with film themes.

Available Elective FSS and INT Courses

FSS 130	The Aesthetics and Technology of Motion Picture Production	4
FSS 204	16mm Film Production	4
FSS 205	Film and Screen Studies Practicum	1 - 4
FSS 206	History of Film II: World War II - Present	3
FSS 230	Digital Television Field Production	4
FSS 240	Film Genres	3
FSS 250	Cinema Auteurs	3
FSS 260	Major Film Movements	3
FSS 270	Cinematic Spaces	3
FSS 280Q	History of Writing for the Screen	3
FSS 296C	Topic: History of the Documentary	3
FSS 296H	Topic: Film Auteurs of NYC	3
FSS 301	Filmmaking: Image and Sound	4
FSS 393	Internship in Film and Screen Studies	0 - 4
FSS 395	Independent Study in Film & Screen Studies	2 - 3
FSS 405	Film and Screen Studies Advanced Production Practicum	1 - 4
INT 198H	Computers and the Surveillance Society	6

INT 298A	The Biology of Science Fiction Film	6
----------	-------------------------------------	---

AND when available:

FSS 196B, 220, 235, 268, 296S, 296T, 296U, 296V, 330, and 396A.

Available Electives from Other Disciplines

The following courses are additional major elective options: AMS 296C, ART 197G, GLA 213, and WS 196.

Please note the following courses (from list above) are only applicable to major when the 'film theme' version is the one completed: ANT 101, ENG 201, and WS 268.

List of Available Learning Communities

The following learning communities are additional major elective options: ART 186B/ART 145B, and ENG 120K/CIS 101K.

Open Electives – (37-48)

Total Credit Hours: 128

Forensic Science Major, BS

(NYC)

Prepares students for employment in forensic laboratories and criminal investigation units as well as in biological and chemical research and in the pharmaceutical industry. It also prepares students for graduate study in forensic science, biology, chemistry, and biochemistry and for applying to medical and dental schools.

Note: Forensic Science undergraduates interested in the M.S. program in forensic science must apply for acceptance during the first term of their senior year.

University Core – (44-55 credits)

Several core foundation and area requirements are satisfied by the following required Forensic Science major courses: MAT 131 Calculus I; BIO 101 General Biology I; PHY 112 General Physics II; and an in-depth area sequence of BIO 102 General Biology II; BIO 231 Genetics; and BIO 345 Intro to Toxicology.

Foundation Requirements:

MAT 131	Calculus I	4
BIO 101	General Biology I	4

Area of Knowledge Requirements:

PHY 112	General Physics II	4
BIO 102	General Biology II	4
BIO 231	Genetics	4
BIO 345	Introduction to Toxicology	3

Forensic Major Requirements – (67-85 credits)

Required Major Courses

The following is a list of all required Forensic Science major courses (85 credits), including courses that can satisfy University core and area requirements and Open Elective credit.

BIO 101	General Biology I	4
BIO 102	General Biology II	4
BIO 231	Genetics	4
BIO 345	Introduction to Toxicology	3
PHY 111	General Physics I	4
PHY 112	General Physics II	4
CHE 111	General Chemistry I	4
CHE 112	General Chemistry II	4
CHE 200	Mathematical Methods for Physical Chemistry	4
CHE 221	Analytical Methods and Techniques	4
CHE 223	Organic Chemistry I	5
CHE 224	Organic Chemistry II	5
CHE 301	Physical Chemistry I: Thermodynamics	4
CHE 302	Physical Chemistry II	4
CHE 326	Biochemistry	4
CHE 331	Instrumental Analysis	4
CRJ 261	Introduction to Criminal Investigation	3
FOR 251	Basic Criminalistics	3
FOR 252	Crime Scene Processing	3
FOR 492	Forensic Science Seminar	1
FOR 505	Molecular Biology	3
FOR 531	Forensic Microscopy	3
FOR 537	Forensic Biology	4
MAT 131	Calculus I	4
MAT 132	Calculus II	4
MAT 141	Introductory Statistics for the Life Sciences	4

Open Electives: (1-16 credits)

Includes UNV 101 - Freshman Seminar (1 credit); CRJ 261 Criminal Investigation (3 credits); and other required major courses if not taken for University core credit.

Total Credit Hours: 128

General Arts and Sciences, AA - 60 Credits

Dyson College has an Associate in Arts degree program of 60 credits in general arts and sciences that provides students with a college degree option. This program - available in Distance or Standard Delivery - is appealing to students who do not choose to commit to the greater time requirements of a bachelor's degree program and are interested in pursuing a course of study designed according to personal interests and/or career goals.

Note: Because an associate degree does provide a platform from which to launch further study, students interested in transferring academic credits to a bachelor's degree program should choose courses in consultation with a faculty advisor or Dyson College Dean's Office advisor.

University Core – (21-31)

University Core Requirements

Note: Student may be able to test out of ENG 110 and Second Language requirements.

CIS 101	Introduction to Computing	3
COM 200	Public Speaking	3
ENG 110	Composition	3
ENG 120	Critical Writing	4
ENG 201	Writing in the Disciplines and	3 - 4

The following courses: Second language proficiency (0-6 credits), laboratory science course (4 credits) and mathematics course (4 credits).

Major Requirements – (19)

Concentration (12)

Arts and Sciences Electives (7)

Open Electives – (10 -20)

Total Credit Hours: 60

Global Asia Studies BA

This 36-38 credit multidisciplinary major program advances a cross-cultural understanding of Asia and the world and develops bilingual area specialists and professionals for graduate schools, government and international organizations or for employment in a globalized economy.

Students follow one of two tracks: Asian Languages and Cultures or Comparative Asian Studies.

University Core Credits (44 Minimum Credits)

Major Requirements - (36-38 credits)

TRACK I: Asian Languages and Cultures requires completion of 36-38 credits as follows:

Asian Languages Courses	(18-20 credits)
Global Asia Topical Courses	(9 credits)
Senior Thesis	(3 credits)
Elective Course	(3 credits)
Research Seminar	(3 credits)

OR

TRACK II: Comparative Asian Studies requires completion of 36-38 credits as follows:

Asian Languages Courses	(9-11 credits)
Global Asia Topical Courses	(18 credits)

Senior Thesis	(3 credits)
Elective Course	(3 credits)
Research Seminar	(3 credits)

Comparative Asian Studies

TRACK I: Required Global Asia Topical Courses (9 credits) chosen from list below.

TRACK II: Required Global Asia Topical Courses (18 credits) chosen from list below.

ART 220	Art History: Aspects of Asian Art	3
COM 213	Intercultural Communication	3
ENG 201	Writing in the Disciplines	3 - 4
ECO 374	Rising Powers: China's Economic Growth and Development	3

JPN 101	Elementary Japanese I	3
JPN 102	Elementary Japanese II	3
JPN 280	Intensive Review of Japanese	3
JPN 283	Intermediate Japanese Conversation	3
JPN 380	Japanese Seminar: Japanese for Professions	3
JPN 395	Independent Study in Japanese	1 - 9

OR

Open Electives (35-48 credits)

Includes UNV 101 - Freshman Seminar (1 credit) required of first-year freshman students.

Global Studies Major, BA

(PLV)

This major is interdisciplinary, with requirements that include three groups of courses:

- Concentration in ECO, HIS or POL with cross-listed GS courses from other two concentrations
- Four all-concentration required courses approved by department advisor
- Business Course Requirements

Students interested in double-majoring must seek the guidance of a department program advisor and also Dyson College Dean's Office advisor.

University Core - (44-55)

Major Requirements (48-52 credits)

ONE Required Concentration (33 credits)

Students choose ONE CONCENTRATION: ECO, HIS, or POL:

ECO Concentration

ECO 106	Principles of Economics: Microeconomics	3
ECO 230	Intermediate Macroeconomics	3
ECO 234	Intermediate Microeconomics	3
ECO 238	Money and Banking	3
ECO 240	Quantitative Analysis and Forecasting	4
ECO 360	International Economics	3
	and	

TWO approved ECO courses (6 cr.)

AND

THREE approved HIS and POL cross-listed courses (9 cr.), and both HIS & POL courses must be represented.

HIS Concentration

HIS 104	History of Western Civilization 1815 to Present	3
HIS 108	World History After 1650	3
HIS 134	Modern Latin America	3
HIS 216	History of Human Rights	3
HIS 241	Modern China	3
HIS 119	The Middle East: An Historical Survey	3

HIS 220	OR Modern Islamic World: 1850-Present and	3
---------	---	---

TWO approved HIS courses (6 cr.)

AND

THREE approved ECO and POL cross-listed courses (9 cr.), and both ECO and POL courses must be represented.

POL Concentration

POL 114	Introduction to International Relations	3
POL 210	Comparative Political Systems	3
POL 247	International Law and Human Rights	3
POL 297I	Topic: Global Justice	3
POL 303A	Politics Workshop: International Organization	3
POL 108	Political Theory Comparative Introduction	3
	OR	
POL 243	Modern Political Theory and	3

TWO approved POL courses (6 cr.)

AND

THREE approved ECO and HIS cross-listed courses (9 cr.), and both ECO and HIS courses must be represented.

Four All-Concentration Required Courses - (12 cr.)

These GS major requirements include two department program-advisor approved courses from GS Elective List; one capstone course in the chosen concentration (ECO 400 or HIS 499 or POL 499); and either a travel course or an internship.

Business Course Requirements (3-7 credits)

ECO 105	Principles of Economics: Macroeconomics	3
---------	---	---

AND

ONE Business course approved by department advisor: ACC 204, BUS 150, FIN 260, MAR 250, MGT 230 (3-4 credits).

Open Electives - (3-23)

UNV 101

Total Credit Hours: 128

History Major, BA

(NYC, PLV)

Provides students with an excellent preparation for law school, graduate work, teaching, and a variety of private and public service positions.

University Core – (44-55)

May include two history courses. One each from two Area of Knowledge groups: Western Heritage American or European (choose from HIS 111-113, HIS 103, HIS 104, NYC 115) and World Traditions and Cultures Non-Western (choose from HIS 119, HIS 131, HIS 132, HIS 134).

Major Requirements – (42)

Required Major Courses: (6 credits)

HIS 380	Seminar on Historiography	3
HIS 499	Senior Year Experience in History	3

Required Major Electives: (36 credits)

TWO courses each from three historical fields:

Non-Western, Western Heritage American, and Western Heritage European, counting two courses if taken to satisfy University Core requirements (18 credits).

Non-Western History

HIS 107	World Civilization I	3
HIS 108	World History After 1650	3
HIS 119	The Middle East: An Historical Survey	3
HIS 131	The Asian World: A Historical Survey	3
HIS 132	Africa: An Historical Survey	3
HIS 133	Latin America: The Colonial Era	3
HIS 134	Modern Latin America	3
HIS 202	Modern Britain	3
HIS 216	History of Human Rights	3
HIS 217	Modern East Asia in Film	3
HIS 218	Nonviolent Activism in Modern Asia	3
HIS 220	Modern Islamic World: 1850-Present	3
HIS 223	Discrimination, Integration and Assimilation: Global Jewish Experience	3
HIS 231	Latin America: Century of Social Change and Revolution	3
HIS 239	Wars in the Asia-Pacific	3
HIS 241	Modern China	3
HIS 242	Modern Japan	3
HIS 243	Service and Study in Latin America	3
HIS 270	History of Modern South Africa	3
HIS 274	History of North Africa After 1800	3
HIS 275	Modern History of Afghanistan, Iraq and Iran and	3

Other Available choices include the following:

Topic courses in Non-Western History, e.g., HIS 196 and History 296 topic courses (3 credits)

and

Equivalent Learning Community (LC) courses (3-6 credits)

Western Heritage American History

HIS 111	American Civilization to 1877	3
HIS 112	American Civilization Since 1877	3
HIS 113 Series	Topic Course	
HIS 215	American Social and Cultural History	3
HIS 256	American Colonial History	3
HIS 259	The American Revolution	3
HIS 260	Constitutional History of the United States	3
HIS 264	History of the American Presidency 1900 - Present	3
HIS 265	American Urban History	3

HIS 267	Heroes, Villains and Just Plain Folks: A Biographical Perspective on American History	3 - 4
HIS 269	Recent United States History	3
HIS 271	Culture and History of Black America	3

HIS 225	The World of the Middle Ages: Byzantium	3
HIS 226	The World of the Middle Ages: The West	3
HIS 281	European Women and Social Change	3
HIS 330	Barbarian Europe: 300 - 1000 A.D.	3

or equivalent learning community or topics course.

ONE History course from any field based on race, gender, or class (3 credits)

HIS 113B	The American Experience: American Diversity, Immigration, Ethnicity and Race	3
HIS 133	Latin America: The Colonial Era	3
HIS 216	History of Human Rights	3
HIS 223	Discrimination, Integration and Assimilation: Global Jewish Experience	3
HIS 231	Latin America: Century of Social Change and Revolution	3
HIS 268	American Labor History	3
HIS 271	Culture and History of Black America	3
HIS 273	Ethnic and Racial History of the United States	3
HIS 280	History of American Women	3
HIS 281	European Women and Social Change	3
HIS 302	African-American History Since 1910	3

ONE 300-level History course but excluding 380 (3 credits)

FOUR History courses at 200 or 300-level: (12 credits)

Open Electives – (31-42)

Total Credit Hours: 128

Language, Culture and World Trade Major, BA

(NYC)

This interdisciplinary program blends theory and practice and features three major components: a major in a foreign language and culture (French, Italian, Russian, or Spanish); a professional concentration in one of four areas of international enterprise; and a required capstone course and an internship. It prepares students for graduate school in foreign languages or employment in international corporations including travel and tourism, media and entertainment, diplomacy, banking and transportation.

University Core – (44-55)

Must include ECO 105. For major-appropriate specific core requirements in history, social sciences and religious studies, students meet with Department of Modern Languages and Cultures advisor for approval.

Major Requirements – (42-43)

Required Courses: (9 credits)

DYS 499B	Senior Year Experience in Modern Languages and Cultures	3
ECO 106	Principles of Economics: Microeconomics and	3

ONE internship (3 credits)

Required Electives: (36-37 credits)

EIGHT Upper-Level Courses: (24 credits)

At least six of these courses must be 300-level and in French, Italian, Russian or Spanish.

ONE Required Professional Track: (12-13 credits)

Students choose one of the following tracks:

- World Trade Track:** MAR 351 and MGT 240 and 2 approved courses
- International Banking & Economic Policy Track:** ECO 238 and 362 and 2 approved courses
- Diplomacy Track:** LAW 325 and POL 114 and 2 approved courses
- International Travel Industry Track:** MGT 307 and 308 and 2 approved courses

Students choose one track, each with two specified courses and two department-approved ones:

- World Trade Track: MAR 351 and MGT 240
- International Banking & Economic Policy Track: ECO 238 and 362
- Diplomacy Track: LAW 325 and POL 114
- International Travel Industry Track: MGT 307 and 308

Open Electives – (30-42)

Includes following required Auxiliary Courses:

Note that these courses may be taken for core curriculum and/or open elective credit.

ECO 105	Principles of Economics: Macroeconomics	3
ECO 360	International Economics	3
MAR 250	Principles of Marketing	3
MAT 117	Elementary Statistics	4

Latin American Studies Major, BA

(NYC)

Latin American Studies (LAS) is an interdisciplinary program of course offerings from eight liberal arts and social science departments. Its purpose is the development of versatile bilingual professionals and area specialists who are equipped to meet the challenges of globalization, including a complex economy for which specialization in a single, technical field is insufficient. To complete this 36-credit major, students select courses from various subject areas: Language Proficiency, History, Literature, Culture, Economy, and Society.

Note: Students wishing to double major may share a maximum of credits in a second Dyson BA major as follows: Modern Languages & Cultures (21); Language, Culture & World Trade (21); History (15); Economics (6).

University Core – (44-55)

Latin American Studies Major – (36)

Required Major Courses: (6 credits)

LAS 101	The Other "America": Introduction to Latin American Studies	6
---------	---	---

Major Electives: (30 credits)

Language Proficiency (6 credits)

Prerequisite: SPA 101 and SPA 102 or equivalent.

Two 3-credit courses:

SPA 263	Spanish for Native Speakers	3
SPA 280	Intensive Review of Spanish	3
SPA 283	Intermediate Spanish Conversation	3
SPA 284	Intermediate Spanish Composition	3

History (6 credits)

Two 3-credit courses or one 6-credit course:

HIS 133	Latin America: The Colonial Era	3
HIS 134	Modern Latin America	3
HIS 231	Latin America: Century of Social Change and Revolution	3
HIS 234	South American Colossus: The History of Modern Brazil	3
HIS 243	Service and Study in Latin America	3
LAS 201	Latin America: The Caribbean and the World	6
LAS 210	Luz, Camara, Accion! : Film as Mirror of Social Change in Latin American History and Culture	6
LAS 230	"So Far from God; So Close to Uncle Sam:" Modern Mexico in History and Literature	6
LAS 250	History and Environmental Policy: The Case of the South American Rain Forest	3

Literature (6 credits)

Two 3-credit courses or one 6-credit course:

LAS 150	Modern Latin American Divas: Female Political, Social and Cultural Leadership in the Republican Era	6
LAS 220	Caribbean Transnational Cultures: The History, Literature and Film of the Spanish Caribbean	6
LIT 211J	American Voices	3
POR 154A	Topic: Contemporary Brazilian Literature and Culture	3
SPA 154R	Topic: Borders of Latino/a Identity: An Introduction to Latino/a Literature and Culture of the US	3
SPA 154S	Perspectives on America: The Experience of Latina Writers	3 - 4
SPA 319	Masterpieces of Spanish American Literature I	3
SPA 320	Masterpieces of Spanish American Literature II: Dictatorships	3
SPA 321	Literature and Culture of Puerto Rico and the Caribbean	3
SPA 323	Modern Latin American Prose	3
SPA 344	The Short Story and Essay in Spanish America	3
SPA 346	Hispanic Literature and Culture in the United States	3
SPA 480C	Seminar: Love and Repression in Modern Latin American and Caribbean Literature and Film	3
SPA 480D	Magical Realism in Latin American Literature and Cinema	3

SPA 480F	Topic: Latin American Literature and Film of the 21st Century: The Andean World	3
----------	---	---

Culture (3 credits)

One 3-credit course:

ANT 296H	Traditional and Modern Cultures of Latin America	3
ANT 296K	Topic: Latino Families in Cross Cultural Perspectives	3
ART 214	Art History: Modern Art	3
SPA 154N	Topic: Hispanic Cultural Experiences in New York City	3
SPA 154Q	Topic: Negotiating Border Lines - Latino Films of the United States	3
SPA 154V	Latin American Cinema	3
SPA 311	Introduction to Latin American Culture	3
SPA 345	Latin American Theatre	3
SPA 347	The Culture of Mexico	3

Society, the Economy, and Civic Engagement (6 credits)**Two 3-credit courses or one 6-credit course:**

ANT 296K	Topic: Latino Families in Cross Cultural Perspectives	3
ECO 359	Political Economy of Developing Nations	3
HIS 243	Service and Study in Latin America	3
LAS 201	Latin America: The Caribbean and the World	6
LAS 250	History and Environmental Policy: The Case of the South American Rain Forest	3
LAS 296A	Latin Immigration to the USA: Perspectives on the United States' Largest Ethnic Minority	3
PSY 296G	Topics: Under the Radar- Seldom-Talked-About Addictions	3

One Additional Elective (3)

Any 3-credit course not already taken from above groups.

Open Electives – (37-48)

May include one or two highly recommended Political Science courses: POL 101 and/or 102.

Total Credit Hours: 128

Latina-Latino Studies Major, BA (New York City Campus)

University Core Credits – (44-55)

Major Courses - (30 credits)

Major Electives - Humanities (6 credits)

Student selects two courses from the following list:

ANT 215, LIT 211U, LIT 221J, SPA 154N, 154Q, 154R, 154S, 321, 346.

Major Required Courses (12 credits)

LLS 100: Latina/o Communities

LSS 240: Research and Analysis

LSS 257 Latinx Politics in the United States

LSS 400 Fieldwork Seminar (may be repeated once as an open elective)

Major Electives - Social Sciences (6 credits)

Student selects two courses from the following list:

POL 296R, 302M

PSY 296A

SOC 112, 209, 227, 296S, 296V

Other Major Electives (6 credits minimum)

Student selects two advisor-approved courses from following list but only one "learning community" course: HIS 113B, 113S, 345, NYC 230, POL 301J, 302C, WS 266

INT 198M* (this "learning community" course can fulfill one major elective option but student must consult with academic advisor to determine credit distribution).

LAS 330* (this "learning community" course can fulfill one major elective option but student must consult with academic advisor to determine credit distribution).

Open Electives (30-40 credits)

Includes UNV 101 - Freshman Seminar - for first-year freshman students (3 credits).

Total Credit Hours: 128

Liberal Studies Major, BA

(NYC, PLV)

Liberal Studies is an interdisciplinary program of 120 credits in two-three arts and/or sciences academic disciplines as determined by student interest and advisement. It is appealing to upper-level transfer students and particularly to adult students interested in the possibility of applying Experiential Learning credits towards their degree*. Sample concentrations are Communications and Literature; Criminal Justice and Sociology; and General Liberal Studies. The latter concentration is particularly flexible because it can be built around a theme of the student's choosing, such as American studies; government; and philosophy and religious studies.

When choosing a concentration, the student works closely with advisers from the Dyson College of Arts and Sciences in order to construct a meaningful and coherent educational experience. Note that many courses applicable to the Liberal Studies major are offered online, though students are free to choose online or on-site ones.

*Note: Up to 36 Experiential Learning credits may be applied toward the degree. Students interested in applying such credits take INT 196B Portfolio Assessment (2 credits) as part of their Open Elective credits.

University Core – (44)

Foundation Courses: (9-12 Credits)

ONE Writing Course	3-4
ONE Math Course	3-4
ONE Capstone/senior year experience course in the major	3-4

Arts and Science Courses (32-35)

Interdisciplinary Major - (32-33)

TWO to THREE liberal arts and/or sciences disciplines:

At least half of these major interdisciplinary credits must be taken at Pace University, and courses must be at 200-level or higher (although up to three courses with faculty approval may be at a lower level).

Main Discipline (20 credits)

Second Discipline (6-12)

Third Discipline (0-6)

Open Electives – (27-28)

Includes INT 196B Portfolio Assessment (2 cred.) needed to determine acceptability of any Experiential Learning credits.

Total Credit Hours: 120

Mathematics Major, BA

(NYC, PLV)

A generalized program that enables students to develop a variety of skills. It allows students to double major or select up to two minors.

University Core – (44-55)

MAT 131 Calculus I (4 credits) may be used to satisfy Math core requirement; otherwise it must be taken for major credit.

Major Courses – (37 credits)

Required Major Courses:

MAT 131	Calculus I	4
MAT 132	Calculus II	4
MAT 234	Introduction to Probability and Statistical Analysis	4
MAT 236	Multivariable Calculus	4
MAT 238	Linear Algebra	4
MAT 253	Differential Equations	4
MAT 301	Algebraic Structures	3
MAT 305	Complex Variables	3
	OR	
MAT 311	Real Analysis	3

PLV STUDENTS ONLY:

MAT 137 (4 credits)

MAT 400 (3 credits)

NYC STUDENTS ONLY:

MAT 233 (4 credits)

MAT 490 (1 credit)

MAT 491 (2 credits)

Open Electives – (36-47)

Total Credit Hours: 128

Mathematics Major, BS

(PLV, NYC)

The BS program in Mathematics is a specialized program that helps prepare students for employment in quantitative or technical fields (such as actuarial science, computer science, finance, operations research, statistics, and science) or for graduate study.

University Core – (44-55)

MAT 131 Calculus I (4 credits) may be used to satisfy Math core requirement; otherwise it must be taken for major credit.

Major Courses – (46-48 credits)

Required Major Courses: (40 Credits)

MAT 131	Calculus I	4
MAT 132	Calculus II	4
MAT 234	Introduction to Probability and Statistical Analysis	4
MAT 236	Multivariable Calculus	4
MAT 238	Linear Algebra	4
MAT 253	Differential Equations	4
MAT 301	Algebraic Structures	3
MAT 305	Complex Variables	3
MAT 311	Real Analysis	3

AND

NYC students only:

MAT 233 (4 credits)

MAT 490 (1 credit)

MAT 491 (2 credits)

PLV students only:

MAT 137 (4 credits)

MAT 400 (3 credits)

Required Major Electives: (6-8)

TWO approved mathematics courses 200-level or higher.

Open Electives – (25-38)

Total Credit Hours: 128

Modern Languages and Cultures Major, BA

(NYC)

This program is designed for students who wish to acquire linguistic, cultural, and literary skills in one or two foreign languages. Instead of a second language, they may choose from among four interdisciplinary area studies tracks. This program prepares students for graduate school in foreign languages or for employment in the fields of travel and tourism, media and entertainment, diplomacy, teaching, and public service.

University Core – (44-55)

Major Courses – (39 credits)

EIGHT 300-level courses (24 credits)

Either in French, Italian, Russian, or Spanish:

FOUR courses in one of the following tracks (12 credits)

- A. Second Language Track (Arabic, Chinese, French, Italian, Japanese, Portuguese, Russian, or Spanish) on any level.
- B. Italian Studies Track.
- C. Francophone Studies Track.
- D. Hispanic Studies Track.
- E. Slavic Studies Track

Additional major course required (3 credits)

DYS 499B	Senior Year Experience in Modern Languages and Cultures	3
----------	---	---

Open Electives – (34-45)

Total Credit Hours: 128

Musical Theater Major, BFA

(NYC)

University Core Curriculum – (44 minimum)

May include In-Depth Sequence of required DANCE courses (13 credits).

Major Requirements – (79 Credits)

Required Theater & Technical Courses: (47 credits)

PAMT 111	Musical Theater Acting I	3
PAMT 112	Musical Theater Acting II	3
PAMT 211	Acting III for Musical Theatre	3
PAMT 212	Acting IV for Musical Theatre	3
PAMT 121	Fundamentals of Music I for Musical Theatre Majors	3
PAMT 122	Fundamentals of Music II	3
PAMT 221	Musical Theatre History and Repertoire I	2
PAMT 222	Musical Theatre History and Repertoire II	2
PAMT 223	Musical Theatre Technique I	3
PAMT 241	Script and Score Analysis for the Musical Theatre Performer	2
PAMT 311	Acting V for Musical Theatre	3
PAMT 312	Acting VI for Musical Theatre	2
PAMT 321	Musical Theatre Technique II	3
PAMT 322	Musical Theatre Scene Study	2
PAMT 411	Acting for Television and Film I	2
PAMT 412	Acting for Television and Film II	2
PAMT 421	Musical Theatre Audition Technique	2
PAMT 422	The Industry for BFA Musical Theatre	2
PAMT 499	Senior Showcase for Musical Theatre	2
PAGE 100	Fall Production Crew	

PAGE 101 OR
 Spring Production Crew

Please note that transfer students are exempt from fulfilling the production practicum requirement, PAGE 100 or PAGE 101.

Required Private Voice Lessons: 8 credits

PAMT 131	Individualized Voice Lessons I	1
PAMT 132	Individualized Voice Lessons II	1
PAMT 231	Individualized Voice Lesson III	1
PAMT 232	Individualized Voice Lessons IV	1
PAMT 331	Individualized Voice Lesson V	1
PAMT 332	Individualized Voice Lessons VI	1
PAMT 431	Individualized Voice Lessons VII	1
PAMT 432	Individualized Voice Lessons VIII	1

Required Dance Courses: (10 credits)

PAGE 151	Ballet II	3
PAGE 159	Dance Styles I	2
PAGE 154	Jazz 3	3
PAGE	Dance Course - 2 credits	

Required Seminar: (1 credit)

PAMT 199	Freshman Seminar	1
----------	------------------	---

Open Electives - (4-15 Credits)

Must include UNV 101 (1 credit).

Total Credit Hours: 128

Peace and Justice Studies, BA (NYC)

This program is an interdisciplinary major. It examines direct, structural, symbolic and environmental violence; social justice; theories and practice of nonviolence and conflict transformation; conflict resolution techniques including negotiation, mediation, and facilitation; and interdisciplinary perspectives on peace building and peace making. This program reflects Pace University's commitment to theory and practice in this interdisciplinary field and is consistent with the University's institutional mission of civic engagement and global citizenship. For identification of newly available courses not yet listed in the following pages and the necessary approval for POL 303 (Political Workshop course), students must meet with department advisor.

University Core – (44-55)

Major Courses (33 credits)

Required Courses (21 credits)

PJS 101	Introduction to Peace and Justice Studies	3
PJS 203	Nonviolence: Theory and Practice	3
PJS 250	Working Through Conflict: Mediation, Negotiation and Facilitation	3
PJS 350	Advanced Peace and Justice Studies	3
POL 247	International Law and Human Rights	3
POL 325	Conflict Analysis	3
POL 326	Reconciliation and Transitional Justice	3

Required Elective Courses (12 credits)

Any PJS 100-400 level course

Open Electives (1-9 Credits)

Total Credit Hours: 128

Professional Communication Studies, BS: (120 credit Program)

(NYC, PLV)

The BS in Professional Communication Studies is an accelerated online completion degree program designed to prepare students for successful professional careers in the field of communication. This interdisciplinary major includes courses in business, communication, and computer science. It is an innovative degree program for adult students who have experience in the workplace and have an associate AS or AA degree or the equivalent (60-64 credits).

The program is supported by Dyson College and Pace University's Office of Adult and Continuing Education, which has traditionally been responsible for assisting the undergraduate student, evaluating prior college-level credit and evaluating life experience for academic credit. For more information on this program, please visit our Web Site at <http://online.pace.edu>, call 212-346-1324 or email adultdegrees@pace.edu.

Transfer Credits – (60-64)

The total number of credits required to complete the degree is 120. The curriculum below contains 60 credits. Students transferring in less than 60 credits will need to take additional arts and sciences credits at Pace to fulfill the 120 credits.

Organizational Communication Concentration – (44)

Required Concentration Courses

Student meets with program coordinator for guidance in selecting appropriate Concentration electives.

AIT 103	Online Seminar	1
AIT 107	Computer Applications for Telecommunications	4
CIT 231	Web Authoring and Digital Media	4
COM 210	Introduction to Mass Media - Accelerated Bachelor's Degree Completion Program	4
COM 260	Pragmatic Communication	4
COM 300	Organizational Communication	4
COM 361	Interpersonal Communication Among Cultures	4
ENG 201	Writing in the Disciplines	3 - 4
MCA 221	Professional Communication	4
PAA 101	Public Administration and Its Environment	4

One approved MCA course in Public Relations (4)

AND

One Approved Elective (4)

Required Electives – (20)

Student meets with program coordinator for guidance in selecting appropriate courses to fulfill the program's required Liberal Arts and/or Science electives.

Recommended Liberal Arts and/or Science Electives

HIS 113	The American Experience: Changing Roles of Women	
PAA 102	Organizational Planning and Budget Process	4
PSY 260	Critical Thinking and Problem Solving	4
SCI 230	Environmental Science	4

AND

One additional Elective (4)

Total Credit Hours: 120

Professional Studies Major, BS (PLV)

Designed to meet the needs of adult students, this degree program provides flexibility in scheduling, including a number of online courses using Web-based instruction. Additionally, it offers students the opportunity to transfer in a large number of credits earned at other institutions and also to receive up to 36 Experiential credits for knowledge accumulated as a result of life experience that can be demonstrated, documented, evaluated, and deemed to be in accordance with the curriculum and standards of the University.

For further information on this program, please consult the academic advisor in the Office of the Dean, Dyson College of Arts and Sciences.

University Core Curriculum – (44-55)

Interdisciplinary Major – (36)

To fulfill this major, students choose TWO academic disciplines from the following groups:

ONE liberal arts or science discipline: (24 credits)

ONE other discipline either from a professional school or another liberal arts or science discipline (12 credits)

Open Elective Courses – (48-59)

Total Credit Hours: 128

Psychology Major, BA

(NYC, PLV)

This major prepares students for graduate school in both research and applied psychology and for entry-level employment in many fields of human services.

Note that a prerequisite for this program is PSY 112 - Intro to Psychology (4 credits) taken either as a University Core Curriculum requirement or an Open Elective.

University Core – (44-55)

Major Courses – NYC 44 credits; PLV 47 credits

Eight Required Major Courses: (32 credits)

NYC Major required courses do not include PSY 323 (Psy. of Learning)

PLV Major required courses include either PSY 323 (Psy. of Learning) **or** PSY 315 (Cognitive Psychology)

PSY 205	Statistics in Psychology and Allied Fields	4
PSY 304	Social Psychology	4
PSY 308	History of Psychology	4
PSY 311	Biological Psychology	4
PSY 315	Cognitive Psychology	4
PSY 375	Lifespan Development Psychology	4
PSY 323	Psychology of Learning	4
PSY 380	Experimental Psychology I	4
PSY 381	Experimental Psychology II	4

Required Major Electives: (NYC: 12 credits; PLV: 15 credits)

NYC student majors take 12 credits of any 200 level and/or 300 level PSY courses from the following lists:

--3 credit courses: PSY 215, 209, 227, 231, 241, 302, 303, 307, 318, 320, 321, 323, 390, 395, 396

--4 credit courses: PSY 306, 313, 327, 328, 332, 337, 391, 392

PLV student majors take 15 credits of any 200 level and/or 300 level PSY courses

Open Electives - (25-37 credits)

NYC majors: Take 25-37 Open Elective credits.

PLV majors: Take 25-37 Open Elective credits.

Among required Open Elective credits are UNV 101 - Freshman Seminar (required of all first-year freshman students) and PSY 112 if not taken for University Core credit.

Total Credit Hours: 128

Public Relations Major BS (PLV)

(PLV)

University Core – (42-43)

Major Requirements – (42-43)

Required Major Courses (12 credits)

MCA 180	Introduction to Public Relations	3
MCA 264	Public Relations Research	3
MCA 497	Public Relations Campaigns	3
MCA 393	Intern Program I	3

Students are required to take MCA 393 for 3 credits to fulfill major requirement. Majors have permission to take an additional 3 credits of MCA 393 towards open electives.

Major Electives (30-31 credits)

Students must select ten of the following approved MCA courses:

MCA 209	Understanding the Mass Media	3 - 4
MCA 226	Writing for the Electronic Media	3
MCA 227	Writing for the Print Media	3
MCA 252	Media Production I	4
MCA 263	Event Planning for Public Relations	3
MCA 276	Story Idea Development	3
MCA 310	Case Studies in Public Relations	3
MCA 311	Ethics, Morality, and the Media	3
MCA 312	Communicating with Social Media	3
MCA 336	Propaganda	3
MCA 337	Writing Public Relations Copy	3
MCA 340	Writing for Advertising	3
MCA 354	Producing Corporate Video	3
MCA 364	Media and Strategic Communication	3
MCA 380	Crisis Communication	3
MCA 382	Celebrity Public Relations	3
MCA 390	Strategic Communication and Leadership	3
MCA 397M	Topic: Social Media	3

Open Electives – (30-42)

UNV 101 is a required open elective.

Total Credit Hours: 128

PR majors may declare a minor, or pursue a double major, or dual degree in other programs offered through MCVA department; however, students must fulfill requirements separately (overlap of requirements is not permitted). Students should consult with academic advisor to learn more.

Sociology/Anthropology Major, BA (NYC)

Prepares students for exciting careers in law, teaching, business, social work, public management, urban planning, and human relations. While given an enhanced view of global and social issues including cultural diversity, race relations, gender issues, criminology, family and social problems, many students go on for advanced graduate work in the field or related areas.

University Core – (44-55 credits)

Major Requirements – (36 credits)

Required Major Courses: (12 credits)

ANT 101	Introduction to Anthropology	3
SOC 102	Introduction to Sociology	3
SOC 323	Social Theory	3
SOC 380	Social Research Methods	3

Required Major Electives: (24 credits)

TWO ANT courses from the following list (6 credits):

ANT 108	Global Culture and Local Identities	3
ANT 210	Urban Ethnography	3

Note that other available 3-credit course choices include ANT 115, ANT 120, and 200-level ANT courses. For assistance see Sociology/Anthropology program advisor.

SIX courses with the prefix of ANT and SOC (18 credits)

Open Electives – (37-48)

Total Credit Hours: 128

Spanish Major, BA

(NYC)

This program is designed for students who wish to acquire linguistic, cultural, and literary skills in Spanish. The program includes advanced courses in literature and culture from Spain, Mexico, the Caribbean, and Latin America. It prepares students for graduate school in foreign language or for employment in fields that require bilingual skills such as travel and tourism, media and entertainment, teaching, government agencies, and courts. Students are strongly encouraged to either double major or minor in a related field.

University Core – (44-55)

May include six to nine credits of appropriate major-required SPA language course work (elementary and intermediate level), thereby fulfilling some University Core foundation/area requirements and some major electives. See department advisor for assistance and approvals.

Major Courses – (39)

Required Major Courses: (27 credits)

Note: SPA 310 and 311 are required prerequisites for all advanced SPA literature courses.

DYS 499B	Senior Year Experience in Modern Languages and Cultures	3
	EIGHT 300-level courses in Spanish	24

Major Electives (12 credits)

May include a maximum of 12 credits of elementary and intermediate level SPA courses

Open Electives – (34-45)

Total Credit Hours: 128

Stage Management, BA

University Core - (44-55)

Stage Management Major

Stage Management Major, BA (39 credits)

Required Theater Courses (9 credits)

PAPE 270	Script Analysis for BA Actor and Director	3
PAPE 271	Directing 1 for BA Director	2
PAPE 272	Directing Lab 1 for BA Director	1
PAPD 271	Drafting I	3
PAGE 100	Fall Production Crew	
	OR	
PAGE 101	Spring Production Crew	

Please note that transfer students are exempt from fulfilling the production practicum requirement, PAGE 100 or PAGE 101.

Required Stage Management Courses: (24 credits)

PASM 121	Stage Management I	3
PASM 122	Stage Management II	3
PASM 223	Stage Management III	3
PASM 224	Stage Management IV	3
PAPD 130	Fundamentals of Stage Lighting	3
PAPD 140	Fundamentals: Sound and Story	3
PAPD 110	Fundamentals Scenery and Stagecraft	3
PAPD 472	Seminar and Portfolio	3

Required Communication Courses: (6 credits)

COM 205	Dynamics of Small Group Communication	3
COM 214	Interpersonal Communication	3

Open Electives - (35-46)

UNV 101

and

electives of the student's choice, particularly ones from the following list of "Recommended Courses".

Recommended Courses

Interested students may wish to take one or more of the following recommended Performing Arts courses to fulfill open electives. Students considering these courses must meet with program advisor to determine if eligible for any of these courses.

PASM 313	Production Management	3
PASM 324	Company and General Management	3
PASM 343	Stage Management Production Lab I	3
PASM 434	Industry of Stage Management	3
PASM 444	Stage Management Production Lab II	3
PAPD 101	Creativity Collaborative for Production and Design	3
PAPD 102	Fundamentals of Design	3
PAPD 120	Fundamentals of Costume	3
PAPD 453	History of Cinema for Designers	3
PAPE 273	Directing II for BA Director	2
PAPE 274	Directing Lab 2 for BA Director	1
PAPE 280	Theatre History 1 for BA Actor and Director	3
PAPE 350	Performance Ensemble III	2
PAGE 325	Theater Practicum for Third Year Performance Arts Majors	1 - 6
PAGE 390	Theatre Internship	3 - 6
PAGE 425	Theater Practicum for Fourth Year Performance Arts Majors	1 - 6

Total Credit Hours: 128

Women's and Gender Studies Major, BA

(NYC)

The WGS major is an interdisciplinary one completed in 36 credits. This major supports double-majoring in another Dyson B.A. program. Up to 18 credits in the WGS major (including approved courses from other academic disciplines) may be "double-counted" towards both the WGS major and the second Dyson major as long as both are BA degree majors. See the WGS Department Chair for details and approvals. To complete a second major, up to 3 courses can be double-counted as part of a Dyson In-Depth Sequence for both the the WGS major and the University Core.

University Core – (44-55)

Major Requirements – (36)

Required Major Courses: (24 credits)

Major Courses (15 credits)

WS 115	Intro to Women's & Gender Studies OR	3
WS 115C	Introduction to Women's and Gender Studies through Civic Engagement	4
WS 166	Gender, Race and Class	3

SPA 480A	Seminar: Women Writers of Spain and America	3

Open Electives – (37-48)

Total Credit Hours: 128

Accelerated Combined Undergraduate/Graduate BA and BS/Master's and Juris Doctor Programs

These accelerated baccalaureate and higher-level programs are intended for Dyson bachelor of arts and bachelor of science students with superior academic ability who wish to earn a bachelor's degree and a higher level degree (select MA, MS, or Juris Doctor) in less time than is normally required.

Because these accelerated programs require that graduate credits (12 - 24 depending on program) are taken in undergraduate senior year, undergraduate candidates must demonstrate that they can meet the requirements and rigors of both undergraduate and graduate study in a compressed time period. They also must satisfy separate admission requirements for both parts of the program, and admission to the undergraduate part of the program does not guarantee admission to the program's graduate part.

Note: Both Baccalaureate and higher-level degrees are awarded at completion of higher-level program requirements.

BA and BS Select Majors/JD

The field of law spans many disciplines and welcomes new perspectives. In this dual-degree program - Bachelor of Arts or Bachelor of Science in a major listed below/Juris Doctor, Pace offers qualified students an opportunity to focus their undergraduate study on an area of interest and then apply it to law. This is an accelerated six-year program.

For acceptance into the program interested students early in their sophomore year must apply separately to the School of Law and by the end of junior year must meet all established criteria for admission, including an appropriate score on the LSAT. Admission into the undergraduate portion of the program does not guarantee admission into Law School.

Available accelerated BA/JD Programs:

- Biology/Juris Doctor
- Communications/Juris Doctor
- English/Juris Doctor
- Environmental Studies/Juris Doctor
- History/Juris Doctor
- Philosophy and Religious Studies/Juris Doctor
- Political Science/Juris Doctor

Available Accelerated BS/JD Program:

Criminal Justice/Juris Doctor

For curriculum of an undergraduate major, please see undergraduate section of this catalog. For Juris Doctor curriculum, please see Law School Catalog.

Note: Biology BA students in this dual-degree program will have the opportunity to apply their scientific expertise to the University's Environmental Law program, which is internationally recognized. Environmental Litigation Clinic allows students to participate in litigation relating to the environment, such as the Hudson River System whose waters are protected by Riverkeeper Inc., a public interest group.

BA (Select Majors)/MS in Teaching Adolescents

Undergraduates who declare majors in certain arts and sciences subjects and are interested in developing a career teaching adolescents are encouraged to meet with their undergraduate department chairs for details about this accelerated program. It offers eligible students an opportunity to earn dual degrees: a Dyson College BA and a School of Education MS in Teaching Adolescents. The applicable undergraduate majors for this program are Biology, English, History/Social Science, Mathematics (NYC and PLV campuses) and Spanish at the NYC campus.

BA (Select Majors)/MPA Public Administration

This accelerated dual-degree undergraduate/graduate program prepares students for leadership and management positions in government, health care, and nonprofit organizations by integrating relevant theory with practice. Full-time students may complete this program in five years, thus saving one year of full-time study by taking 12 graduate credits in their undergraduate senior year.

Undergraduate BA majors that are applicable in this combined program are Economics, Environmental Studies, History, and Political Science.

For the undergraduate curriculum of this program, please see undergraduate degree section of this catalog.

For the graduate curriculum of this program, please consult the Graduate Viewbook of the Dyson College of Arts and Sciences.

- Economics, BA/MPA
 - Environmental Studies, BA/MPA
 - History, BA/MPA
 - Political Science, BA/MPA
-

Biology/Environmental Science BS/MS

(PLV)

This accelerated combined degree program consists of a total of 150 - 152 credits. However, students must have the necessary prerequisites for graduate courses. Full-time students may complete this program in five years, thus saving one year of full-time study by taking 12 graduate credits in senior year.

For undergraduate curriculum, please see undergraduate section of this catalog. For graduate curriculum, please see Graduate Viewbook of the Dyson College of Arts and Sciences.

Total Undergraduate Biology Major Credits (128)

Includes twelve graduate credits taken in senior year.

Additional Graduate Credits (21-23)

Includes following core courses, one track, and thesis requirement.

Note: Students who meet the admissions criteria of this program must file a formal application with the Office of Graduate Admissions during their junior year of study after receiving approval from their faculty undergraduate advisor.

Total BS and MS Credits: 149-151

Total Credit Hours: 150-152

Note: Students must file a formal application with the Office of Graduate Admissions during their junior year of undergraduate study after receiving approval from their faculty undergraduate adviser. The criteria for admission to the Graduate portion of the Program are as follows:

- Completion of at least 64 undergraduate credits and junior class standing with a cumulative GPA of at least 3.00.
- Completion of all required undergraduate Biology courses with a GPA of at least 3.00.
- GRE will not be required.
- Transfer students may be admitted into the Program if they have satisfied all course and admission requirements as noted above.

Communications and Media and Communication Arts, BA/MA

BA in Communications/MA in Media and Communication Arts (PLV)

This is an accelerated 5-year program of 151 credits, with 12 graduate credits taken in the undergraduate senior year. For undergraduate curriculum, please see undergraduate section of this catalog. For graduate curriculum, please see the Graduate Viewbook of the Dyson College of Arts and Sciences.

Total Undergraduate Major Credits: (128)

Includes 12 Publishing graduate credits taken in Undergraduate senior year.

Total Credit Hours: 128

Additional Graduate Credits (23)

Total BA and MA Credits: 151

Total Credit Hours: 151

English/Publishing, BA/MS

BA in English/MS in Publishing (PLV, NYC)

This is an accelerated 5-year program of 152 credits, with 12 graduate credits taken in the undergraduate senior year. For undergraduate curriculum, please see undergraduate section of this catalog. For graduate curriculum, please consult the Graduate Viewbook of the Dyson College of Arts and Sciences.

Total Undergraduate Major Credits: (128)

Includes 12 Publishing graduate credits taken in Undergraduate senior year.
Subtotal: 128

Additional Graduate Credits – (24)

Total BA and MS Credits: 152

Total Credit Hours: 152

Modern Languages and Cultures: Spanish/Publishing, BA/MS

BA/MS in Publishing (NYC)

This is an accelerated 5-year program. For undergraduate curriculum, please see undergraduate section of this catalog. For graduate curriculum, please see Graduate Viewbook of the Dyson College of Arts and Sciences.

Required Graduate Courses taken in Undergraduate Senior Year - (12 credits)

Total Undergraduate Credits - (128)

Includes 12 graduate Publishing credits taken in undergraduate senior year.

Additional Graduate Credits – (24)

Total BA and MS Credits - 152

Total Credit Hours: 152

Psychology/Psychology, BA/MA

BA in Psychology/MA in Psychology (NYC)

Full-time students may complete this accelerated dual-degree program in five years by taking 12 graduate credits in their undergraduate senior year.

Students interested in applying for this program are required to consult directors of the undergraduate and graduate programs for details and approvals.

Note that both BA and MA degrees are awarded at completion of MA program.

Required Graduate Courses taken in Undergraduate Senior Year - (12 credits)

Total Undergraduate Credits -(128)

Includes 12 graduate credits taken undergraduate senior year for Open Elective Credit.

For BA curriculum of this program, please see undergraduate section of this catalog.

Total Additional Graduate Credits - (24)

For graduate courses in MA Psychology program, please consult the Graduate Viewbook of the Dyson College of Arts and Sciences.

Total Required BA and MA Credits: 152

Total Credit Hours: 152

Psychology BA/Mental Health Counseling MS

BA in Psychology/MS in Mental Health Counseling (PLV)

In this accelerated program, four PSY 600-level graduate courses (12 credits) are taken in the undergraduate senior year. For the undergraduate curriculum, please see the undergraduate portion of this catalog. For the graduate curriculum, please see the Graduate Viewbook of the Dyson College of Arts and Sciences.

Note that both the BA and MS degrees are awarded at the completion of the MS program.

Required Graduate Courses taken in Undergraduate Senior Year - (12 credits)

Total Undergraduate Credits - (128)

Includes four graduate courses taken in undergraduate senior year.

Total Additional Graduate Credits - (48)

Total Required BA and MS Credits: 176

Total Credit Hours: 176

Joint Degree Science Programs With Other Institutions

Cooperative education agreements between Pace and other institutions of higher learning exist in the professional science areas indicated below. Candidates for admission to these joint degree programs must satisfy separate admission requirements of both schools. Note that admission to the undergraduate Pace University part of a joint program does not guarantee admission to the program of the other institution. Professional science areas include Chemical Engineering, Occupational Therapy, Optometry, and Podiatry.

Biology Joint Programs

Pace Biology Pre-Professional (NYC, PLV) and Columbia Univ. College of Physicians and Surgeons MS Occupational Therapy

This program consists of three years of study at Pace and two additional years of study in occupational therapy at Columbia University's College of Physicians and Surgeons. Students who complete the program receive a Bachelor of Science degree in Biology Pre-Professional from Pace and a Master of Science degree in occupational therapy from Columbia. To be eligible for the program, students must choose the Biology Pre-Professional B.S. major. For more information consult the academic pre-professional adviser in the department of Biology and Health Sciences.

Pace BS Biology Pre-Professional (NYC, PLV) and SUNY College of Optometry DO Optometry

This program consists of three years of study in biology at Pace and four additional years of study at the State University of New York's State College of Optometry in Manhattan. Students who complete the program receive a Bachelor of Science degree in Biology Pre-Professional from Pace and a Doctor of Optometry degree from SUNY. For more information, consult the pre-professional adviser in the Department of Biology and Health Sciences.

Pace BS Biology Pre-Professional (NYC, PLV) and New York College of Podiatric Medicine DPM Podiatric Medicine

This program consists of three years of study at Pace and four additional years of study at the New York College of Podiatric Medicine. Students who complete the program receive a Bachelor of Science degree in Biology Pre-Professional from Pace and a Doctor of Podiatric Medicine degree from the New York College of Podiatric Medicine. To be eligible for the program, Pace students must major in biology. For more information, consult the pre-professional adviser in the Department of Biology and Health Sciences.

Chemical Engineering Joint Programs

Pace BS Chemistry (NYC, PLV) and Manhattan College BE Chemical Engineering

Pace University and Manhattan College jointly offer a five-year program which leads to a bachelor of science in Chemistry from Pace and a bachelor of Chemical Engineering from Manhattan. The program requires three years of study at Pace, two years at Manhattan, and summer courses. Pace students generally follow the standard BS in Chemistry program for required major courses and auxiliary courses but with appropriate modifications in required major electives and required engineering courses transferred from Manhattan. For the general BS in Chemistry curriculum, please see the undergraduate degree section of this catalog.

Application for transfer is made by the student during the third year at Pace. For more information about this joint program, contact the department chair or academic advisor in the Department of Chemistry and Physical Sciences (PLV).

Pace BS Chemistry (NYC, PLV) and Rensselaer Polytechnic Institute BE Chemical Engineering

Pace University and Rensselaer Polytechnic Institute (RPI) jointly offer a five-year program which leads to a bachelor of science in Chemistry from Pace and a bachelor of Chemical Engineering from RPI. This program requires three years of study at Pace, two years at RPI, and summer courses. Application for transfer is made by the student during the third year at Pace. Pace students generally follow the standard BS in Chemistry program for required major courses and auxiliary courses but with appropriate modifications in required major electives and required engineering courses transferred from RPI. For the standard BS in Chemistry curriculum, please see the undergraduate degree section of this catalog.

For more information about this joint program, contact the department chair or academic advisor in the Department of Chemistry and Physical Sciences (PLV).

Certificate Programs in Arts and Sciences

The Dyson College of Arts and Sciences offers a number of Certificate Programs for students whose educational objectives can best be met by short-term concentrated study in the Arts and Sciences.

Applied Physics Certificate

(PLV)

This program is designed to give the student practical experience in fundamental laboratory and research procedures.

Requirements

Required Credits: (23-24)

PHY 109	Digital Electronics Systems	4
PHY 111	General Physics I	4
PHY 112	General Physics II	4
PHY 231	Electromagnetism I	4
PHY	Electives	7-8

Total Credit Hours: 23-24

French Certificate

(NYC)

Requirements

Required Credits: (18-24 credits)

Required Elementary French I and II courses may be waived: (6 credits)

FRE 101	Elementary College French I	3
FRE 102	Elementary College French II	3

Two 200-level courses: (6 credits)

Student chooses two of the following courses:

FRE 280	Intensive Review of French	3
FRE 281	Intermediate French I	3
FRE 283	Intermediate French Conversation	3
FRE 284	Intermediate French Composition	3

FOUR courses chosen from the following (12):

FRE 301	French Conversation, Diction, and Phonetics	3
FRE 302	Advanced French Composition	3
FRE 305	Advanced French for Industry and the Professions I	3
FRE 306	Advanced French for Industry and the Professions II	3
FRE 316	Masterpieces of French Literature I	3
FRE 317	Masterpieces of French Literature II	3

Total Credit Hours: 18-24

Gainful Employment Disclosure for students in an approved non-degree certificate program.

Italian Certificate

(NYC)

Requirements

Required Courses: (18-24 credits)

Required Elementary Italian I and II courses may be waived: (6 credits)

ITA 101	Elementary College Italian I	3
ITA 102	Elementary College Italian II	3

TWO 200-level courses: (6 credits)

Student choose two of the following courses:

ITA 280	Intensive Review of Italian	3
ITA 283	Intermediate Italian Conversation	3
ITA 284	Intermediate Italian Composition	3

FOUR of the following courses (12):

ITA 310	Italian Culture and Civilization I	3
ITA 311	Italian Culture and Civilization II	3
ITA 301	Advanced Italian Conversation	3
ITA 302	Advanced Italian Composition	3
ITA 305	Italian for Industry and the Professions	3
ITA 316	Introduction to Italian Literature I	3
ITA 317	Introduction to Italian Literature II	3

Note: Students may choose either ITA 316 or 317.

Total Credit Hours: 18-24

Gainful Employment Disclosure for students in an approved non-degree certificate program.

Latin American Studies Certificate

(NYC, PLV)

This certificate in Latin American Studies is a multidisciplinary program that includes courses in History, Economics, Modern Languages and Cultures, Anthropology, English, Psychology, Environmental Studies and Fine Arts, together with "LAS" interdisciplinary offerings. In 2002, the program's strong interdisciplinary learning, language proficiency and civic engagement aspects won a prestigious federal grant. LAS certificate holders possess superior preparation for those planning to specialize in the Latin American region or US Latino clientele. Examples are business and academic careers such as international management, finance, marketing and world trade; diplomacy and law; community nursing, speech therapy and clinical psychology. The certificate will also enhance liberal arts majors, such as history, political science, sociology, anthropology, languages, economics, and environmental science. It is a terminal credential which may be taken by both degree and non-degree students. Depending on course scheduling, it may be completed in one or two semesters.

Required Courses: (18 credits)

Three Foundation Courses (9 credits)

Must include at least one course each from Groups A and B:

Group A

SPA 263	Spanish for Native Speakers	3
SPA 280	Intensive Review of Spanish	3
SPA 283	Intermediate Spanish Conversation	3
SPA 284	Intermediate Spanish Composition	3

Group B

HIS 133	Latin America: The Colonial Era	3
HIS 134	Modern Latin America	3
HIS 231	Latin America: Century of Social Change and Revolution	3
ANT 296H	Traditional and Modern Cultures of Latin America	3
LAS 101	The Other "America": Introduction to Latin American Studies	6

LAS 296A	Latin Immigration to the USA: Perspectives on the United States' Largest Ethnic Minority	3
----------	--	---

Three Advanced Courses: (9 credits)

Must include at least one course each from Groups C and D:

Students are strongly encouraged to take LAS 201 Urban Internship as a capstone experience.

Group C

SPA 311	Introduction to Latin American Culture	3
SPA 319	Masterpieces of Spanish American Literature I OR	3
SPA 320	Masterpieces of Spanish American Literature II: Dictatorships	3
SPA 321	Literature and Culture of Puerto Rico and the Caribbean	3
SPA 323	Modern Latin American Prose	3
SPA 344	The Short Story and Essay in Spanish America	3
SPA 345	Latin American Theatre	3
SPA 347	The Culture of Mexico	3
SPA 154V	Latin American Cinema	3
SPA 154Q	Topic: Negotiating Border Lines - Latino Films of the United States	3
SPA 346	Hispanic Literature and Culture in the United States	3
LAS 150	Modern Latin American Divas: Female Political, Social and Cultural Leadership in the Republican Era	6
LAS 210	Luz, Camara, Accion! : Film as Mirror of Social Change in Latin American History and Culture	6
LAS 220	Caribbean Transnational Cultures: The History, Literature and Film of the Spanish Caribbean	6
LIT 211J	American Voices	3

Group D

HIS 234	South American Colossus: The History of Modern Brazil	3
HIS 243	Service and Study in Latin America	3
LAS 250	History and Environmental Policy: The Case of the South American Rain Forest	3
ART 296Q	Latin American Art	3
LAS 201	Latin America: The Caribbean and the World	6
LAS 230	"So Far from God; So Close to Uncle Sam:" Modern Mexico in History and Literature	6
ECO 359	Political Economy of Developing Nations	3
ANT 296K	Topic: Latino Families in Cross Cultural Perspectives	3
PSY 296A	Topic: Psychology of Ethnic Groups in the United States of America: The Latino Experience	3

Total Credit Hours: 18

Gainful Employment Disclosure for students in an approved non-degree certificate program.

Naturalist Certificate

(PLV)

Requirements

Required Courses: (22 credits)

BIO 123	Biology and Contemporary Society	4
ENV 221	Environmental Science: The Web of Life	3
ENV 222	Environmental Chemistry: Principles, Problems and Solutions	3
ENV 130	The Naturalists	3
SCI 101	The Planet Earth	3
SCI 145	Environmental Geology	3
ED 644	Secondary Methods: Making Science Meaningful 7-12	3

Total Credit Hours: 22

Photography Certificate

(NYC)

Requirements

Required Courses: (15 credits)

Required Courses (6 credits)

Student chooses two courses from the following:

ART 228	Photography II: Color and	3
ART 153	Introduction to Photography OR	3

Other introductory course to Photography approved by department chair (3) credits

Minor Elective Courses: (9 credits)

Three (3) of the following Courses:

Student chooses any three:

ART 186	Digital Design I	3
ART 245	Art History: History of Photography	3
ART 252	Photography II	
ART 253	Photography II: Black and White	3
ART 287	Digital Design II	3
ART 297B	Topic: Shooting the Word: The Photographer's Eye, The Novelist's Vision	3
ART 306	Project Studio A OR	3
ART 307	Project Studio B	3
ART 350A	Topics in Photography: Digital Photography	3
ART 356	Photography III: Experimental Photography	3
ART 390	Art Studio, Museum or Gallery Internship	3
ART 395	Independent Study in Art and Design	1 - 9

For other available electives in Photography, see department chair.

Subtotal: 15

Total Credit Hours: 15

Political Science Certificate

(NYC)

Requirements

Required Courses: (15 credits)

ONE of the following four courses: (3 credits)

POL 101	Politics: Comparative Introduction	3
POL 102	Public Myth and Ideologies	3
POL 213	Twenty-First Century Politics	3
POL 214	Revolution or Reform	3

ONE 300-level course (3 credits)

POL 301	Workshop: Community Politics and Environment	3
POL 302	Politics Workshop: Road to the White House	3
POL 303	Political Workshop	3

THREE department-approved politics courses: (9 credits)

See department chair for guidance and approvals.

Note: no more than six credits of Model UN coursework may count toward this certificate.

Total Credit Hours: 15

Spanish Certificate

(NYC)

Requirements

Required Courses: (18-24 credits)

Required Elementary Spanish I and II courses may be waived: (6 credits)

SPA 101	Elementary College Spanish I	3
SPA 102	Elementary College Spanish II	3

TWO 2-level courses: (6 credits)

Student chooses two of the following courses:

SPA 263	Spanish for Native Speakers	3
SPA 280	Intensive Review of Spanish	3
SPA 281	Intermediate Spanish I	3
SPA 282	Intermediate Spanish II	3
SPA 283	Intermediate Spanish Conversation	3
SPA 284	Intermediate Spanish Composition	3
SPA 285	Intermediate Spanish for Business	3

FOUR 300-level courses (12 credits):

SPA 310	Introduction to Spanish Culture	3
SPA 311	Introduction to Latin American Culture	3
SPA 347	The Culture of Mexico	3
SPA 301	Spanish Conversation, Diction, and Phonetics	3
SPA 302	Advanced Spanish Composition	3
SPA 304	Spanish Translation, Interpretation, and Conversation	3
SPA 305	Spanish for Professional Communication	3
SPA 306	Spanish for Professional Communication II	3
SPA 316	Masterpieces of Spanish Literature I	3
SPA 317	Masterpieces of Spanish Literature II	3
SPA 319	Masterpieces of Spanish American Literature I	3
SPA 320	Masterpieces of Spanish American Literature II: Dictatorships	3

Total Credit Hours: 18-24

Gainful Employment Disclosure for students in an approved non-degree certificate program.

Minors

Many degree programs allow students to select a minor as part of their academic preparation. Students are encouraged to enhance their education by selecting one of the minors listed below to complement their major field of study.

African and African-American Studies Minor

Requirements

Required Courses: (18 Credits)

Group A

Choose TWO courses: (6)

ART 218	Art History: African Art	3
HIS 132	Africa: An Historical Survey	3
HIS 197C	Ancient and Medieval African Studies	3
LIT 211	Literature I	3
LIT 212	Topics in Literature	3
MUS 110	Jazz	3 - 4
	Approved Topics courses	

Group B

Choose THREE courses from the following: (9)

FRE 154	Topics from French Literature and Culture in Translation	6
HIS 232	Caribbean America	3
HIS 234	South American Colossus: The History of Modern Brazil	3
HIS 270	History of Modern South Africa	3
HIS 271	Culture and History of Black America	3
HIS 274	History of North Africa After 1800	3
HIS 302	African-American History Since 1910	3
LIT 326	African American Literature	3
	Approved Topics courses	

Group C

Choose ONE from the following: (3)

ECO 354	Urban Economics	3
HIS 113	The American Experience: Changing Roles of Women	
INT 197Y	Comparative Racial and Gender Politics of South Africa and the U.S.	6
INT 297M	Southern Exposure: The World Role of the Southern Hemisphere	6
LIT 345	Literatures of Diversity	3
SOC 209	Race and Ethnicity	3
WS 266	Gender, Race and Class	3
	Approved topics and interdisciplinary courses	

Total Credit Hours: 18

American Studies Minor - NYC

Requirements

Required Course

AMS 102	Introduction to American Studies	3
---------	----------------------------------	---

Elective Courses

Choose any four courses with at least two different headings. Additional information can be found here:

Art Minor

Requirements

Total Required Credits: 18

Required Courses: (6 Credits)

ART 140	Drawing I	3
ART 164	Principles of Design	3

Elective Courses: (12 credits)

Choose ONE of Following Courses: (3 credits)

ART 102	Art History: Ancient through Gothic Art	3
ART 103	Art History: Renaissance through Modern Art	3
ART 205	Contemporary Art History	3
ART 214	Art History: Modern Art	3

THREE Approved Elective Courses in ART: (9 credits)

Students take any THREE Department-approved courses in studio art.

Total Credit Hours: 18

Art History Minor - NYC

Requirements

Total Required Credits: 18

Required: (6 Credits)

ART 102	Art History: Ancient through Gothic Art	3
ART 103	Art History: Renaissance through Modern Art	3

FOUR additional approved courses in ART History: (12 credits)

Total Credit Hours: 18

Biology Minor

Requirements

Total Required Credits: 14-16

Required Courses: (14-16 Credits)

BIO 101	General Biology I	4
BIO 102	General Biology II and	4

TWO additional approved 200-level BIO courses: (6-8 credits)

BIO 254 is excluded and may not be used as a minor elective.

Total Credit Hours: 14-16

Chemistry Minor

Requirements

Total Required Credits: 21-23

Organic Chemistry Concentration:

Required Courses: (23 Credits)

CHE 111	General Chemistry I	4
CHE 112	General Chemistry II	4
CHE 223	Organic Chemistry I	5
CHE 224	Organic Chemistry II	5
CHE 221	Analytical Methods and Techniques OR	4
CHE 326	Biochemistry	4

Physical Chemistry Concentration:

Required Courses: (21 Credits)

CHE 111	General Chemistry I	4
CHE 112	General Chemistry II	4
CHE 221	Analytical Methods and Techniques	4
CHE 301	Physical Chemistry I: Thermodynamics	4
CHE 302	Physical Chemistry II	4

(Please note: students must take MAT 132 before taking CHE 301 and MAT 236 before taking CHE 302.)

Classical and Medieval Studies Minor

Requirements

Required Courses: (18 Credits)

Because this minor is multidisciplinary, to satisfy requirements students must select courses in philosophy and at least three other disciplines. For further information about this minor, see Chair of Philosophy and Religious Studies.

Choose ONE of the following Philosophy courses: (3)

PHI 113	Ancient Philosophy	3
PHI 224	Medieval Philosophy	3

Choose TWO courses in either Art History, History, Literature, or Women's Studies: (6)

ART 102	Art History: Ancient through Gothic Art	3
ART 201	Art History: Ancient Greek Art	3
ART 203	Art History: Ancient Roman Art	3
ART 204	Art History: Medieval Art	3
HIS 114W	The European Experience: The Ancient World	3
HIS 114S	The European Experience: Church, State and Society in Medieval Europe	3
HIS 196C	History of Ancient and Medieval Africa	3
LIT 211	Literature I	3

WS 220	The Medieval Woman	3
--------	--------------------	---

Students may substitute a classical language course, GRK 101 Elementary Classical Greek or LAT 101 Elementary Classical Latin I, for a course in ART, HIS, LIT, or WS.

Choose THREE courses from the following: (9)

[may include ART 201, ART 203, or ART 204]

ENG 301	History of the English Language	3

Critical Race and Ethnicity Studies Minor - NYC

This minor is organized around the insight that race and ethnicity are major ideological and experiential frameworks that inform every aspect of human experience, from the formation of the individual to the organization of diverse societies. Among its learning outcomes is thinking critically about issues in political, social, scientific, economic, and cultural life stemming from the diversity of experiences related to race and ethnicity.

For details and advisement, students see Prof. Sarah Blackwood, program director of American Studies major, New York City campus.

 TRC 200 - Introduction to Translation Studies
 Subtotal: 15

Latin American Studies Minor Program

This is a multidisciplinary program that includes courses in History, Economics, Modern Languages and Cultures, Anthropology, Psychology, English, Environmental Studies, and Fine Arts. The program provides students with the awareness of and sensitivity to Latin American culture, economic development, and institutional structures necessary to be effective practitioners of a variety of disciplines: international management, marketing, accounting and world trade, law and diplomacy, nursing, speech therapy and clinical psychologists planning to work with a U.S. Latino clientele, and postgraduate work in Latin American History, Political Science, Sociology, Anthropology, Languages, Environmental Science and Economics.

Requirements - Required Courses: (18 Credits)

Foundation Courses

Required: Three courses (9)—must include at least one course from each of Groups A and B below: (9)

Group A

SPA 263	Spanish for Native Speakers	3
SPA 280	Intensive Review of Spanish	3
SPA 283	Intermediate Spanish Conversation	3
SPA 284	Intermediate Spanish Composition	3

Group B

HIS 133	Latin America: The Colonial Era	3
HIS 134	Modern Latin America	3
HIS 231	Latin America: Century of Social Change and Revolution	3
ANT 296H	Traditional and Modern Cultures of Latin America	3
LAS 101	The Other "America": Introduction to Latin American Studies	6

LAS 101: Counts as one Group BC and one Group C course.

Advanced Courses

Required: Three courses (9)—must include at least one course from each of Groups C and D below: (9)

Students are strongly encouraged to take either HIS 243 or LAS 201 Urban Internship as a capstone experience.

Group C

SPA 311	Introduction to Latin American Culture	3
SPA 319	Masterpieces of Spanish American Literature I	3
SPA 320	Masterpieces of Spanish American Literature II: Dictatorships	3
SPA 321	Literature and Culture of Puerto Rico and the Caribbean	3
SPA 323	Modern Latin American Prose	3
SPA 344	The Short Story and Essay in Spanish America	3
SPA 345	Latin American Theatre	3
SPA 347	The Culture of Mexico	3
SPA 313A	Field Study in Latin American Culture	3
SPA 154V	Latin American Cinema	3
SPA 154Q	Topic: Negotiating Border Lines - Latino Films of the United States	3
SPA 346	Hispanic Literature and Culture in the United States	3
LAS 150	Modern Latin American Divas: Female Political, Social and Cultural Leadership in the Republican Era	6

SPA 319: May be used to meet certificate requirement only if SPA 320 is not also used.

SPA 320: May be used to meet certificate requirement only if SPA 319 is not also used.

LAS 150: Counts as one GroupBC and one Group C course.

Group D

HIS 234	South American Colossus: The History of Modern Brazil	3
LAS 250	History and Environmental Policy: The Case of the South American Rain Forest	3
ART 296Q	Latin American Art	3
LAS 201	Latin America: The Caribbean and the World	6
LAS 230	"So Far from God; So Close to Uncle Sam:" Modern Mexico in History and Literature	6
ECO 359	Political Economy of Developing Nations	3
ANT 296K	Topic: Latino Families in Cross Cultural Perspectives	3
PSY 296A	Topic: Psychology of Ethnic Groups in the United States of America: The Latino Experience	3

LAS 250, LAS 201: Counts as two Group D courses.

LAS 230: Counts as one Group C and one Group D course.

Total Credit Hours: 18

Latina-Latino Studies Minor - NYC (15 credits)

Requirements

For advisement see Political Science Dept. Chair, NYC.

THREE Required Courses: (9 credits)

LLS 393: Internship in Latina/o Studies (3 credits)

Total Credit Hours: 15

Literature

Required Courses (15 credits)

FIVE Literature courses at 200 or 300 level, with at least two courses at the 300-level.p>

Subtotal: 15

Mathematics Minor

Requirements

Required Courses: (19-20 Credits)

TWO Required Courses (8 credits):

MAT 131	Calculus I	4
MAT 132	Calculus II	4

AND

Courses from the following choices (11 credits total);

NYC Students:

MAT 233 or 137 (4 credits)

TWO of the following: MAT 200, 300, or 400 level courses (3-4 credits each)

Note: Appropriate substitutions may be made with approval of Mathematics Department Chair or Asst. Chair.

PLV Students:

MAT 137 (4 credits)

TWO of the following: MAT 200, 300, or 400 level courses (3-4 credits each)

Note: Appropriate substitutions may be made with approval of Mathematics Department Chair or Asst. Chair.

Total Credit Hours: 19-20

Middle Eastern Studies Minor

Requirements

Optional Language Study

Language study is optional in this minor. Interested students may apply six credits of language study to this minor by a) completing Arabic 101 and 102 at Pace, b) bypassing the SAT II in Hebrew, or c) transferring college credits in Arabic, Farsi, Hebrew, or Turkish. Students beginning a language at the 101 level must complete a 102 level course in order to count language credits toward the minor. Native speakers of a Middle Eastern language may apply three credits to the minor by passing a proficiency test at Pace for Arabic and at New York University for other approved languages.

Required Courses: (18 credits)

Group A

SIX to NINE credits from the following group (6-9 credits)

ANT 120	People and Cultures of the Middle East	3
ARA 101	Elementary Arabic I	3
HIS 119	The Middle East: An Historical Survey	3
INT 296E	Topic: History and Religion of the Middle East: Holy Nationalism	6
INT 296S	Beyond the Veil: Women in Middle Eastern History and Literature	6

Group B

SIX to NINE credits from the following group (6-9 credits)

ANT 296	Topics in Anthropology	3
ARA 102	Elementary Arabic II	3
HIS 209	Israel and Palestine: The Heritage and the Challenge	3
HIS 220	Modern Islamic World: 1850-Present	3
HIS 225	The World of the Middle Ages: Byzantium	3
HIS 274	History of North Africa After 1800	3
HIS 297E	Topic: Islamic Social and Cultural History to 1850	3
HIS 297G	Topic: Afghanistan, Iraq and Iran	3
INT 298R	Middle Eastern Cities: Then and Now	6
RES 296S	Topic: Religion of Islam	3

NOTE: With chair or department advisor's approval, students may choose more than one ANT 296 Topic course in Anthropology.

Group C

Students may choose one of the following courses (3 credits)

ANT 296D	Topic: Anthropological Perspective of Women and Warfare	3
HIS 223	Discrimination, Integration and Assimilation: Global Jewish Experience	3
HIS 296E	Topic: Tolstoy, Turks and Taliban: Russia's "Orient"	3
HIS 297H	Topic: The Crusades	3
RES 106	Religions of the Globe	3

New York City Studies Minor

New York City Studies consists of a series of courses that explore the history and culture of New York. By studying literary, sociological, scientific and historical texts; by visiting and exploring the city's museums, performances, and neighborhoods; and by working in and serving the city's communities, students will attain a rich understanding of the complex and diverse heritage they inherit by participating in this program.

For more information about how you may major in whatever you like while also becoming a New York City insider contact:

Professor Barbara Blumberg
History Department
41 Park Row, Room 1109
(212) 346-1459 or
E-mail: bblumberg@pace.edu

WS 297G	Topic: Sexualities and the City in North and South America and	3

Other choices include ENV 296W: Mapping Urban Areas: Tools for Environmental Planning (GIS-based course) and ENV 297G: Nature and the City.

Discipline Requirements (6 Credits)

Students choose any two SOC and/or ANT courses from the following list:

SOC 106	Introduction to Social Work	3
SOC 111	Urban Sociology	3
SOC 112	Race and Ethnicity in Cities	3
SOC 226	Community Service in New York City	3
SOC 245	Urban Planning	3
SOC 318	Urbanism and Modernism	3
ANT 210	Urban Ethnography	3

ANT 390 or SOC 390, an internship course but only if interning in a city agency or urban-focused organization.

Other available SOC choices include a new course entitled "Urban Social Problems" and

SOC 228P, "Urban Ecology: Space & Place in Cities" (formerly SOC 228, "Sociology of Space & Place").

Total Credit Hours: 15

Women's and Gender Studies Minor

This is an interdisciplinary minor open to all students.

Requirements

Required Courses: (15 Credits)

One course from each of the following two groups:

Group 1:

ONE course from the following list (3 credits):

WS 115	Intro to Women's & Gender Studies	3
WS 115C	Introduction to Women's and Gender Studies through Civic Engagement	4

Group 2:

ONE course from the following list (3 credits):

WS 291	Global Activism and Transnational Feminist Theories	3
WS 369	Queer Theory	3
WS 380	Seminar in Feminist Theory	3

At least ONE additional course from the following:

WS 166	Gender, Race and Class	3
WS 169	Introduction to Queer Studies	3
WS 220	The Medieval Woman	3
WS 234	The Girl Child-A Global Perspective	3
WS 250	Queer Stories: LGBTQ People and Communities in Historical Context	3
WS 267	Meanings and Models of Motherhood in European History and Literature	6
WS 268	Men and Masculinities	3
WS 269	Lesbians in Literature and Film	3
WS 270	A Cultural History of Sexualities from Prehistory to the Present	3
WS 271	Women in Jeopardy	3
WS 275	Gay Male Experiences	3
WS 280	Internship in Women's and Gender Studies	1 - 6

 Academic Director, Masters in Finance for Professionals Program

Overview of the Lubin School of Business

A nationally ranked leader in business education, the Lubin School of Business offers an extensive array of programs at the bachelor's, master's, and doctoral degree levels. A hallmark of a Lubin undergraduate education is its focus on experiential-based learning that blends theory with practical applications and provides students with opportunities to gain real world professional business experience through our nationally recognized internship program, which is the largest in the New York Metropolitan area. Courses are offered during the day, evening, and online in order to meet the scheduling needs of our diverse student body. In addition to our BBA programs, qualified undergraduate students may pursue an accelerated combined BBA/ MBA or MS program for CPA Preparation. With its ideal campus locations in downtown Manhattan, in the heart of the world's financial center, and in suburban Westchester County, near the headquarters of major multinational corporations, the Lubin School of Business ensures that students at all stages of their careers receive a comprehensive and personalized educational experience that prepares them for success in a global business environment. The Lubin School is committed to continuous improvement and innovation and our graduates are prepared to become leaders in their chosen fields and ready to manage in a constantly changing global marketplace.

Accreditation and Affiliation: Lubin School of Business

The Lubin School's bachelor's, master's, and doctoral degree programs in business and bachelor's and master's degree programs in accounting are accredited by AACSB International - The Association to Advance Collegiate Schools of Business, the premier accrediting organization for business schools in the world. Fewer than two percent of the business schools internationally have both business and accounting accreditation from AACSB International. The Lubin School is also an active member in the European Foundation for Management Development (EFMD) and the Latin American Council of Schools of Business Administration (CLADEA). Please refer to <http://www.pace.edu/lubin/about-lubin/accreditation> for a complete listing of Pace University's accreditation, memberships, and affiliations.

Statement of Vision, Mission and Values: Lubin School of Business

Vision

The Lubin School of Business will be internationally recognized as a leading school for professional education that prepares a diverse student population for successful business careers through innovative experience-based learning programs in the most dynamic marketplace in the world—New York.

Mission

The mission of the Lubin School of Business is to develop our students' analytical, organizational and personal competencies in a comprehensive academic and experience-based learning environment dedicated to preparing students to successfully begin and advance in their chosen professional careers. In support of this mission, our faculty conducts and disseminates scholarship that contributes to professional practice, academic theory, and student learning.

Values

The Lubin School provides a distinctive and personalized educational experience that is energized by the following professional, personal, innovative, and collaborative values:

Professional

- Accentuate experience-based learning inside and outside the classroom
- Engage the New York metropolitan area business community
- Generate scholarship applicable to business and business education
- Integrate global perspectives and trends

Personal

- Enable and encourage students to grow toward their full potential
- Promote appropriate professional behavior among students
- Embrace the diversity in our population
- Promote integrity, ethics and social responsibility

Innovative

- Create distinctive, market-focused programs
- Teach and learn entrepreneurial approaches
- Encourage multidisciplinary analyses and perspectives
- Employ innovative pedagogies to enhance learning

Collaborative

- Teach with excellence in small classes
- Encourage close faculty and student interaction
- Enhance collegiality and respect among students, faculty, and staff
- Support student-centered advising systems

Academic Policies

Admission Requirements

Admission to the Lubin School of Business is the same as admission to Pace University. Students may be admitted to the Lubin School as freshmen, transfer students, or adult students qualifying for matriculation. Please refer to the Admission and Adult and Continuing Education (p. 384) sections of the catalog for more information. Continuing students enrolled in other college or schools within Pace University may also be admitted to the Lubin School by submitting for approval an "Application for Change or Declaration of Program" to the appropriate Lubin academic department. Students planning to declare or change their major to a business program are advised to discuss their plans with an academic adviser in the Lubin Office of Undergraduate Academic Advisement on their home campus. Admission to the Combined BBA/MBA or BBA/MS Programs is more selective than the general Lubin School admission requirement. Please refer to the Lubin School Degree Programs section under CPA Qualifying -Combined BBA/MBA and BBA/MS Degree Programs for more information.

Academic Standards

Every undergraduate student enrolled in the Lubin School of Business is required to maintain a cumulative grade point average (CGPA) of "C" (2.00) as well a minimum GPA of "C" in their major in order to be in good academic standing. Major courses (required and major electives) for each BBA program are listed in the Lubin School Degree Programs section. Students who fail to maintain these standards are placed on academic probation.

Academic Probation

Lubin students who fail to show satisfactory academic progress and have a cumulative GPA below a (2.00) "C" are automatically placed on academic probation. Lubin students are expected to achieve the following minimum standards of academic progress:

Lubin Standards of Academic Progress

Credits Attempted*	CGPA
16	1.30
32	1.60
48	1.80
64 and above	2.00

*Includes credits attempted at Pace and transfer credits applied to degree.

The seriousness of the academic deficiencies and the number of credits completed toward the BBA degree will determine the academic probation category (first, second, or final) that will be assigned and the number of semesters that a student will be allowed to continue on probation. Normally, freshmen and sophomores with less than 64 credits completed will be allowed a maximum of three semesters to raise their CGPA to a 2.00, and juniors and seniors with 65 credits or more will be allowed a maximum of two semesters. This assumes that a student's academic performance improves each semester while on academic probation with a minimum grade of "C" in each course.

Part-time students may be allowed additional semesters on probation depending upon the number of credits completed each semester and their overall academic progress. Students placed on academic probation are required to reduce their semester course load to a maximum of four courses and 13 credits for full-time students working 20 hours or less per week, and a maximum of two courses and eight credits for part-time students working 30 hours or more per week. Students placed on academic probation are also required to limit their participation in extracurricular activities.

Academic Probation in the Major

Students who have below a 2.00 GPA in their major courses are placed on academic probation in their major and given at most two semesters to raise their major GPA to a 2.00. Students can be placed on academic probation in their major, even though their cumulative GPA is a 2.00 or better. Students who fail to achieve a 2.00 in their major after two semesters will be required to change their major and will be given assistance with this process by academic advisers in the Lubin Office of Undergraduate Academic Advisement and the Advising Center for Exploring Majors in the Center for Academic Excellence.

Academic Review Process

The academic records of all undergraduate business majors are reviewed at the conclusion of the fall and spring semesters by the Lubin Office of Undergraduate Academic Advisement on each campus to determine the students whose cumulative GPA has fallen below a 2.00. The academic records of students who fail to meet the minimum conditions of their academic probation are also reviewed by the campus subcommittee of the Lubin Undergraduate Academic Standards Committee, which is a standing committee of the Lubin Faculty Council. At these academic review meetings, the committee considers each case individually and decides on an appropriate course of action, which could include extending academic probation, mandatory leave of absence, or academic dismissal.

Academic Dismissal

Failure to make satisfactory academic progress toward the BBA degree will eventually result in academic dismissal from the Lubin School of Business and Pace University. Students are allowed at least one semester on academic probation to improve their academic performance and to raise their CGPA to a 2.00. Students who fail to sufficiently improve their academic performance while on academic probation will be academically dismissed from the Lubin School and Pace University. Students may appeal their academic dismissal in writing to the Lubin Undergraduate Appeals Committee in care of the Lubin Office of Undergraduate Academic Advisement on their home campus.

Students who are dismissed for poor academic performance may not register for classes at any of the Pace campuses for at least one full academic year. After this time, students may apply for reinstatement to the Lubin School Associate Dean, Undergraduate Programs. Requests for reinstatement are to be made in writing and should include reasons for requesting reinstatement, action taken to address past problems, and a plan to correct past academic deficiencies and ensure satisfactory academic progress in the future. Students may be reinstated only once to Pace University after academic dismissal.

Residency and Transfer Credit Policies

Residency Requirement

To ensure that a degree from the Lubin School of Business truly reflects the school's curriculum standards and philosophy, Lubin students must fulfill a residency requirement. All business students must complete at least one-half, or 50 percent, of the business credits required for the BBA, including the Business Core, major, and auxiliary requirements, in residence at Pace University. In addition, business students must also comply with the University residency requirement that at least one-half of the major requirements and a minimum of 32 credits be completed in residence at Pace University. The capstone course, MGT 490 Business Strategy, as well as selected senior 400-level courses in each program, must also be completed at Pace University. The residency requirement may limit, in some cases, the number of business credits that can be accepted in transfer toward the major and the BBA degree. A student may also transfer credits that, while accepted by the University, cannot be applied to a specific business major. This generally occurs when a student is changing a field of study or enrolling in a business major with few open electives.

Transfer Credit Policy

The Lubin School welcomes and helps transfer students by awarding transfer credit under a variety of circumstances. Students wishing to transfer into the Lubin School of Business must have achieved a minimum overall average of 2.50 in their previous college work, and transfer credit is awarded only for courses completed at other schools with a grade of "C" or better. Transfer credit is generally awarded for courses completed at other institutions that are evaluated by the appropriate Lubin academic department to be equivalent to the following Lubin lower-division business courses: BUS 101, MGT 150, LAW 150, ACC 203, ACC 204, MAR 201, and FIN 260. Transfer credit may also be awarded on a limited basis for Pace upper division 300-level business courses provided that the transfer course is equivalent to the Pace business course as determined by the appropriate Lubin academic department and it is taught at an appropriate academic level.

Lubin iPace Transfer Credit Policy

The following new Lubin iPace Transfer Credit Policy applies to the acceptance of transfer credits to the Lubin iPace BBA Business Studies Program. It is effective for new students entering in Spring 2015 and thereafter.

1. A total of 75 transfer credits (no more than 68 credits from a two-year institution) will be accepted to the Lubin iPace BBA Business Studies program.
2. Up to 12 transfer credits (no more than 3 courses) completed at other institutions or through CLEP or other testing may be applied to the Business Core. MGT 490 Business Strategy must be completed at Pace.
3. A maximum of 6-8 credits earned in business subjects through Experiential Learning Assessment (ELA) may be accepted and applied as transfer credits toward 3 courses in the Business Core only. See point #2 above. Other credits earned through ELA in non-business subjects may be applied to the 75 credits permitted in transfer to Lubin iPace Business Studies program.

Students are required to take a minimum of 45 credits at Pace University to receive the Lubin iPace BBA degree. Students who have completed additional business courses prior to enrolling in the Lubin iPace Program and have received transfer credit for business courses beyond those covered in the Lubin iPace Transfer Policy above should contact the iPace adviser to see if they are eligible to receive one or more waivers of required courses and substitute other upper level Lubin courses or elective courses offered by Seidenberg or Dyson as per their interests.

Honor Societies

Beta Gamma Sigma

Beta Gamma Sigma is the premier national honor society in business. Membership in Beta Gamma Sigma is the highest national scholastic recognition that a student in business can receive in an undergraduate or graduate program at a school accredited by the AACSB International – The Association to Advance Collegiate Schools of Business. The first national honor society in business, Beta Gamma Sigma was the result of a merger of three separate societies established to honor academic achievement in business at the University of Wisconsin, University of Illinois, and the University of California. To be eligible for membership in Beta Gamma Sigma, students must rank in the upper 10 percent of their junior class, the upper 10 percent of their senior class, or the upper 20 percent of students graduating from a master's degree program. In addition, Lubin undergraduates must have a minimum cumulative GPA of 3.50. Membership is by invitation only and students are inducted into Beta Gamma Sigma at an Induction Ceremony held on their home campus in late April or May.

Beta Alpha Psi

Beta Alpha Psi is an honorary organization for Financial Information students and professionals. The primary objective of Beta Alpha Psi is to encourage and give recognition to scholastic and professional excellence in the business information field. This includes promoting the study and practice of accounting, finance and information systems; providing opportunities for self-development, service and association among members, and practicing professionals; and encouraging a sense of ethical, social

and public responsibility. The Pace Iota Lambda Chapter of Beta Alpha Psi was installed on the New York City campus in April 1998. It brings excellent students and business professionals together and fosters professional and social development by sponsoring activities that enhance the educational experience and broaden the perspective of each member. The Pace chapter has earned "Superior Chapter" status nationally each year since its inception. Membership is open to students majoring in accounting, finance and information systems. To be eligible, undergraduate students must have a B average overall and a B average in all advanced courses in their major. Graduate students must have an overall B average in their graduate courses.

Alpha Iota Delta

The Pi Upsilon Chapter of Alpha Iota Delta, the national honor society in the decision sciences, recognizes juniors and seniors in all majors who have excelled in quantitative courses. To qualify for membership, undergraduate students must complete MGT 355 with a grade of B+ or higher and three other decision science courses and have a minimum cumulative GPA of 3.50. A statement of support from a full-time faculty member is also required.

Professional Student Organizations

Through the Office of Student Development and Campus Activities on each campus, the University offers a wide range of social activities and organizations. Professional student organizations such as the Association of Latino Professionals in Finance and Accounting (ALPHA), Pace University Marketing Association (PUMA), Pace Advertising Club, Pace Investment Club, the National Association of Black Accountants (NABA), and Pace Hospitality and Tourism Association (HATA) provide excellent opportunities for Lubin students to network with business and accounting professionals, and to develop leadership and social skills. Interested students should consult the Office of Student Development and Campus Activities websites (New York City campus and Pleasantville campus) for a complete list of student organizations available on each campus.

BBA Program

Objectives

Within the context of the Lubin School's mission, the goal of the bachelor of business administration (BBA) program is to prepare students for successful business careers in a global economy. This is achieved by providing students with the knowledge, skills and experiences needed to meet the challenges and opportunities of a global business market characterized by complexity, uncertainty, and diversity.

Specifically, the BBA Program strives to:

- provide a strong foundation in the arts and sciences through which students gain an appreciation and understanding of the humanities, behavioral sciences, social sciences, fine arts and natural sciences;
- provide the fundamental concepts and theory of business practice and specialized study in a business discipline;
- develop effective oral and written communication skills;
- develop the ability to think critically, analyze problems quantitatively, and use computer technology to solve business problems;
- develop an awareness and understanding of the global context in which business operates;
- develop an understanding of the ethical and social issues that are a concern to the business community;
- prepare students to become responsible and contributing members of the community.

In addition to using their undergraduate experience to build successful careers in business, Lubin graduates are well prepared for careers in government, education, healthcare, and other fields. In addition, they often use their well-recognized undergraduate degree as a stepping stone to continuing their education through graduate study, particularly in business and law.

Curriculum Management and Assessment of Learning Outcomes

As part of its commitment to quality, the Lubin School of Business has an ongoing curriculum management process to track students' accomplishment of program-related learning goals. These educational goals go beyond the subject matter of individual courses and develop students' skills and abilities to succeed in the business world. The learning goals fall into two broad categories: general education and management-specific education.

General education includes goals relate to critical thinking, problem-solving and decision making; effective written and oral communication; quantitative reasoning; global perspectives; social responsibility and civic engagement and interpersonal skills. Management-specific goals relate to business skills students learn in their courses, which prepare students for careers in business with a solid set of professional competencies.

To continually improve our programs, Lubin faculty uses the knowledge gleaned through various assessments and develops course materials, faculty workshops and interventions to provide optimal experiences and opportunities for our students.

Curriculum Overview

The Lubin BBA program is organized to provide each student with fundamental study in the arts and sciences (University Core Curriculum), core study in business, a major program of study, and the opportunity to develop individual interests and talents through the selection of elective courses or a professional concentration. The BBA Program requires 128 credits, except for the BBA in Public Accounting, which requires 150 credits. Students in the 5-year Combined BBA/MBA or BBA/MS programs will complete a total of 150-155 credits of undergraduate and graduate courses. A minimum of 53 credits must be completed in the liberal arts and sciences, which is required in the University Core.

International Focus

A strong international business focus is integrated into the BBA curriculum in which students are required to complete at least one international business course in their major. Please refer to the outline of course requirements for each major program for more information.

Technology-Enhanced Learning

Students are required to use Blackboard Internet technology for their business courses. Blackboard provides a virtual classroom environment in which students and faculty can access course materials over the Internet at anytime from anywhere. This enhances the traditional classroom learning experience and facilitates online learning.

Majors

Depending upon individual academic and career interests, a student may select either a business major that is highly structured and incorporates an intensive specialization, as in the case of public accounting, or one that has more flexible requirements and offers the opportunity to take more elective courses. Students often use their open elective credits to pursue a second major or a minor concentration or to explore the wide range of courses offered through the other college or schools of the University.

Minors

Business students may select a minor in a business or a non-business field, if they wish. Minors are offered in all the business disciplines and specialized minors are offered in such areas as Arts and Entertainment Management, Entrepreneurship, Law, Fashion Marketing, Sports Marketing, Special Events Marketing and Business Analytics. Students can also enhance their academic preparation by declaring a minor in other areas such as computer science, computer information technology and many liberal arts areas including: digital design, foreign languages, economics, history, mathematics, nonprofit studies and political science. An interdisciplinary Pre-Law minor is also available for students considering law school. Interested students should consult the Lubin School Minors section and the Dyson College of Arts and Sciences and the Seidenberg School of Computer Science and Information Systems sections of the catalog for specific requirements. A Business Minor is also offered for non-business majors.

University Core Curriculum Requirements - Lubin Majors

For Lubin School Business Majors- *Effective with the Entering Class of Fall 2013*

The University Core Curriculum is required for all Pace undergraduate students. It is designed to promote active learning, student success, and faculty-student interaction. The University Core Curriculum for Lubin business majors requires a minimum of 53 credits in the liberal arts and sciences. The Business Analytics (BA) major requires MAT 131, a 4 credit course, which increases the University Core requirement to 54 credits.

The University Core requirements are grouped into two Core areas: Foundation Requirements (19-28 credits) and Areas of Knowledge (25 credits). For a complete listing of the University Core requirements, please see the University Core Curriculum Section of this Catalog or visit the University Core web site by clicking [here](#). Indicated below are specific courses that Lubin majors are required to take to fulfill Core areas as well as other important information on the University Core requirements.

Foundation Requirements

Lubin majors are required to fulfill all the Foundation Requirements in English, public speaking, laboratory science and second language proficiency as outlined in the University Core website. In addition, Lubin majors are required to take MAT 104 Finite Mathematics to fulfill the Core requirement in Mathematics and CIS 101 Introduction to Computing or TS 105 Computers for Human Empowerment to fulfill the Core requirement in Computing. (*TS 105 also satisfies the Civic Engagement requirement.*)

Lubin Foundation Requirement in Quantitative Reasoning: Lubin majors need a strong quantitative background and quantitative reasoning skills in order to be prepared for upper level study in business and to meet the challenges of an increasingly complex and data-driven global business environment. Therefore, Lubin students are required to take the following additional courses in mathematics and economics: ECO 105, ECO 106, MAT 111 or MAT 131, and MAT 117. These courses constitute the Lubin Foundation Requirement in Quantitative Reasoning. All courses are applied to the Areas of Knowledge section of the University Core and should be completed within the first two years of study. ECO 105, ECO 106 and MAT 111/131 are applied as an In-depth Sequence in Quantitative Reasoning, which means that each course replaces one course from each of the three AOK Core areas indicated below. MAT 117 is applied to AOK– HSN. The following is a complete list of the courses required for the

Lubin Foundation Requirement in Quantitative Reasoning with information on how each is applied to the AOK Areas of the University Core.

- ECO 105 Principles of Economics: Macroeconomics (3 credits). Satisfies one course in Western Heritage- WH (AOK 2).
- ECO 106 Principles of Economics: Microeconomics (3 credits). Satisfies one course in World Traditions and Culture- WTC (AOK 3).
- MAT 111 Elementary Calculus I (3 credits), or MAT 131 Calculus I (4 credits). Marketing and General Business majors will take one elective course in mathematics or economics (3 credits) instead of MAT 111. Satisfies one course in Humanistic and Creative Expression- HCE (AOK4).
- MAT 117 Elementary Statistics (4 credits) satisfies one course for Analysis of Human, Social and Natural Phenomena - HSN (AOK 5).

Marketing, Management (except Business Analytics) and General Business majors are not required to take MAT 111 or MAT 131 and therefore will take a mathematics or economics elective course instead. The following courses in mathematics may not be taken to fulfill this requirement: MAT 100, MAT 102, MAT 103/103A, MAT 130, MAT 134 and MAT 234.

Areas of Knowledge

The Areas of Knowledge (AOK) Section of the University Core allows students flexibility and choice in selecting courses to fulfill the four AOK Core areas. As indicated above, Lubin majors qualify for an In-depth Sequence in Quantitative Reasoning (ECO 105, ECO 106, and MAT 111 or MAT 131) and are also required to complete MAT 117, which is applied to AOK HSN (AOK 5).

Therefore, they are required to complete only ONE course from each of the four AOK areas for a total of 12 credits in the AOK Core areas. Students may select any courses coded in the catalog or Class Schedule as satisfying a specific AOK Area to fulfill the AOK requirements. Some Lubin majors may require specific courses to fulfill University Core requirements. These courses are listed under the specific major in the catalog and on the Major Program worksheet. In selecting courses to fulfill the Areas of Knowledge, Lubin students are required to comply with the following:

- Only two courses with the same disciplinary prefix may be taken to fulfill the 25 credit Areas of Knowledge Core Requirement.
- Additional courses in mathematics or economics may not be taken to satisfy the AOK areas.
- The In-depth Sequence University Core option may not be used to satisfy Areas of Knowledge requirements. As indicated above, Lubin students already qualify for an In-depth Sequence in Quantitative Reasoning and are therefore not eligible to do a second In-depth Sequence as part of the University Core.

Other Required University Core Learning Experiences:

Lubin majors who enter Pace with fewer than 25 transfer credits are required to complete all the University Core requirements including the three Core Learning Experiences listed below. These requirements may be fulfilled by taking courses that also satisfy any requirement for the BBA degree including: University Core, Business Core, Major, Liberal Arts and Sciences Elective or Open Elective. Courses that satisfy these Core Learning Experiences are identified in the Class Schedule and Catalog Course descriptions with the attribute indicated below next to each requirement.

- One Civic Engagement and Public Values Course (CE) (formerly AOK 1)
- One Learning Community (LC) (To be taken within the first three semesters of study.)
- Two Writing Enhanced Courses (WE) (These are in addition to the three Foundation English courses.)

For more information, students should consult their major worksheet as well as the section on the University Core in the catalog and the Core website, accessible from www.pace.edu in the A-Z index under "C."

For Lubin Transfer Students and Students Enrolled in Adult Degree Programs

Transfer students and Lubin students enrolled in the BBA General Business major must complete a minimum of 53 credits in the Liberal Arts and Sciences. They are required to complete the University Core Foundation Requirements, one course in Civic Engagement and Public Values, and the Lubin Foundation Requirement in Quantitative Reasoning. The remaining credits may be taken as liberal arts and sciences electives. Transfer students and students in adult degree programs in the professional schools, with the exception of the School of Education, may take one culture course offered by the modern languages and cultures department to fulfill the second language requirement.

For purposes of determining the appropriate University Core Curriculum requirements for students who come to Pace with transfer credits, a transfer student is defined as one who successfully completes (grade of "C" or better) a minimum of 25 college-level credits prior to his or her attendance at Pace University. Thus, students with fewer than 25 transfer credits will be required to take the entire University Core except if they are enrolled in an adult degree bachelor's program.

Business Core Curriculum Requirements

Students seeking a Bachelor of Business Administration (BBA) degree must complete in the Business Core Curriculum:

Requirements

Business Core Curriculum Requirements

BUS 101	Contemporary Business Practice	3
ACC 203	Financial Accounting	4
ACC 204	Managerial Accounting	4
MGT 150	Managerial and Organizational Concepts	3
MAR 201	Principles of Marketing	3
LAW 150	Business Law I	3
FIN 260	Financial Management	3
MGT 226	Business Analytics	3
MGT 490	Business Strategy	3

NOTE: BUS 101 is intended to expose business majors to contemporary business issues early in their college careers. BUS 101 is required as part of the Business Core for all students (with the exception of Public Accounting majors). Transfer students and continuing students changing their major to business will be exempt from BUS 101, if they have completed 45 credits or more toward the B.B.A. degree at the time of admission to the Lubin School. Students who are exempt from BUS 101 will take an additional three credits of Open Electives.

Total Credit Hours: 29

Planning Your Lubin Education

Sequencing of Courses in the BBA Program

Study in the first two years, or 64 credits, of the Lubin BBA program has been designed to give students an essential grounding in broad-based liberal arts and sciences courses as required in the University Core Curriculum. Business students must complete most of their liberal arts courses and all of their Core requirements in ENG 110 (unless exempt), ENG 120, economics, mathematics, public speaking, computing, and statistics during their first 64 credits. The junior and senior years are devoted mainly to Business Core, Major requirements and Open Electives. The business course numbering system will help students select their courses in the proper sequence.

Business Course Numbering System

In order to improve the sequencing of the business courses and to provide students with guidance as to when they should take their business requirements, the Lubin School has a four-tier course numbering system. The course numbers correspond to class standing, which is determined by the number of credits completed at each level as indicated in the Four-tier Business Course Numbering System. Students are to follow this sequence in registering for business courses.

Four-tier Business Course Numbering System

Course Number	Class Standing
100-199	Freshman (0-31 credits)
200-299	Sophomore (32-63 credits)
300-399	Junior (64-95 credits)
400-499	Senior (96 credits and above)

Prerequisite Policy

Prerequisites are one or more requirements, including class standing, that must be satisfied before a course may be taken. The prerequisites for each course, where applicable, are listed in the online class schedule for each semester. Completing all prerequisites before taking a course is important for academic success. The prerequisite course teaches specific materials that are essential for success in higher level courses. Students without the proper prerequisites generally will not be prepared for the course and consequently may encounter academic difficulty. Student registrations are checked randomly prior to the beginning of each semester, and those students who do not have the proper prerequisites are withdrawn from classes.

Resources for Students

Pace University has a growing national reputation for offering students opportunity, teaching and learning based on research, civic involvement, an international perspective, and measurable outcomes. The university is proud of its personal approach to

education. Lubin students are highly motivated individuals seeking to improve their lives, and the School's programs offer flexibility, accessibility, and convenience. A variety of academic resources are available on all campuses to help students realize their academic goals.

Lubin Office of Undergraduate Academic Advisement

The Lubin Office of Undergraduate Academic Advisement, located on both campuses, is a resource for Lubin students throughout their academic careers. Business majors (sophomores and transfer students) are assigned both a Lubin professional staff adviser and a faculty mentor in their major to guide them throughout their academic careers. Students who are initially undecided about their major are assigned a faculty mentor when they declare their major. The services of the advisement office are especially useful for students seeking general information regarding degree requirements and specific advice on such academic matters as selecting or changing major, transferring credits, withdrawing from a course and any other academic concerns or problems. The offices are also centers for information on Lubin activities and for referral to other University offices and departments. The Lubin Advisement Offices are located on the New York City campus (Section G, fourth floor, West Wing, One Pace Plaza Building) and on the Pleasantville campus (Goldstein Academic Center, first floor). For additional information, please click here.

Pre-Law Advising

Law schools do not prescribe particular undergraduate programs as preparation for admission, but students should become aware of entrance requirements at specific schools they seek to enter. Admission to law school generally requires a competitive grade point average, as well as satisfactory performance on the Law School Admission Test (LSAT).

Students seeking to gain a better understanding of the legal system or in preparation for a career in law, are encouraged to pursue either the Law or the Pre-Law minor, which are outlined in the Lubin section on minors.

Pre-law Advisers are available within the Legal Studies department on each campus for consultation with students considering a legal career.

Pre-Law Advisers: The following Legal Studies faculty are registered with the Law School Admission Council (LSAC) and available to provide guidance and advice on the Law School application process and answer questions about legal careers: New York City Campus: Professor Frank Colella (fcolella@pace.edu); Westchester Campus: Professor Roy J. Girasa (rgirasa@pace.edu),

UNV 101: First Year Seminar

All new full-time freshmen are required to take UNV 101 First Year Seminar: Introduction to University Life. This one credit seminar is taken in the first semester and introduces new first year students to Pace University services and resources and helps them to make a successful transition from high school to college. Freshmen receive individual guidance and assistance from their UNV 101 professor and peer leader and learn important skills such as time management, decision making, and effective study techniques that help to promote academic success. Lubin freshmen work with experienced Lubin faculty and staff who serve as both their UNV 101 Professor and academic adviser for the entire first year. They also work with an upper class business major who is their UNV 101 peer leader and provides assistance and support from a student perspective and helps students to become involved with various student activities and organizations. Emphasis is also placed on helping freshmen, especially those who have not yet declared a major, to explore various major programs and related careers. UNV 101 is a pass/fail course and may be used to satisfy one credit of open elective.

The Lubin Homepage

Visit the Lubin Homepage (www.pace.edu/lubin) for upcoming special events, student activities, organizational meetings, career workshops, academic information sessions, and other events of interest.

The Lubin Listserv

All Lubin students are connected automatically to the Lubin Listserv when they enroll in the Lubin School. Be sure to stay connected throughout your Lubin career. The Lubin Listserv gives Lubin students access to information, news, and other opportunities. The Lubin listserv is one way that Lubin students can:

- Learn about what is happening at Lubin and Pace that is of particular interest to Lubin students;
- Receive weekly updates of events and activities being sponsored by the Lubin professional student organizations;
- Find out about scholarships, grants, and other opportunities;
- Keep up-to-date on the latest information regarding business career seminars, career fairs, internship opportunities and other special events;
- Find out about special programs such as the Executive and Entrepreneur in Residence Programs;
- Receive invitations to networking events where they will have opportunities meet executives working in their chosen field.

Special Programs and Events

Lubin Pace Path

The Lubin Pace Path (LPP) is a dynamic co-curricular program. It provides a uniquely integrated educational experience in and out of the classroom that incorporates professional work in fields related to students' academic and career goals. The LPP builds on Pace's outstanding internship program, which is the largest in the New York Metropolitan area, and Lubin's experience in integrating real world practical experiences into the classroom.

Beginning with the Fall 2013 entering class, all Lubin students enrolled on the Pleasantville campus will be required to complete all components of the Lubin Pace Path as a requirement for graduation. Effective Fall 2017, BUS 255 will be required on the New York City campus. Completion of the professional experiences for LPP is currently optional on the New York City campus. This structured and integrated approach to educating students for careers in business will enable Lubin students to have career relevant professional experiences while pursuing their business degree and be prepared to enter the workforce upon graduation. The LPP includes the following three requirements:

1. **One Career Course:** All students will take BUS 255, Professional Planning and Practice for Internships and Careers, a one-credit course dedicated to professional skills development focusing on career preparation through interpersonal communication, resume development, interviewing skills, professional behavior, networking and excellence in job performance.
2. **Professional Behavior Standards** are promoted and practiced in all Lubin classes.
3. **Two Required Professional Experiences:** Students are required to complete two Professional Experiences. One must be an approved on or off campus internship or on-campus work experience. Please note that a minimum 2.5 GPA is required for BUS 294 and a 3.0 GPA and Junior standing (64 credits completed) is required for the 3-credit Lubin internship courses. Students may choose to fulfill the second professional experience by completing one of the following:
 - LPP Qualifying Course. These are courses offered by Lubin departments which provide students with hands on practical experience and are usually in the students' major field.
 - LPP qualifying co-curricular activity. These may include leadership roles in student organizations, professional competitions, and other project based activities or similar programs.
 - Second internship on or off campus or on-campus work experience.

Business Honors Program

The Business Honors Program (BHP) at Pace University uniquely prepares our most outstanding undergraduate students for leadership roles in global business. Through a special partnership with Pace University's Pforzheimer Honors College, business majors on both our New York City and Westchester campuses who are admitted into the Pforzheimer Honors College are automatically enrolled in the BHP. Students pursue an innovative cross-functional curriculum to build critical competencies and apply knowledge across business disciplines (accounting, finance, law, management, and marketing) and other academic areas. In addition, they are able to hone their leadership skills through specially-designed international field studies, service learning engagements, and advanced seminars. Students' core education is enhanced with speakers and briefings, professional networking events, hands-on skill-building workshops, and opportunities for executive mentoring. BHP students complete a capstone year-long honors thesis experience working one-on-one with a faculty mentor in their major area and customized towards their particular interests and career objectives. Students who graduate from Pforzheimer Honors College and the Business Honors Program receive special recognition at the Lubin Awards Ceremonies and in the Commencement Program. Completion of the BHP requirements will satisfy all the course requirements for Pforzheimer Honors College. For more information about the BHP, please go to www.pace.edu/lubin/bhp.

Executive and Entrepreneur in Residence Programs

The Lubin Executive in Residence Program and Entrepreneur in Residence Program provide students with a unique opportunity to meet face-to-face with leaders of industry and entrepreneurs. Top corporate executives interact with Lubin students and faculty, both in the classroom and in informal settings.

Annual Lubin Awards and Beta Gamma Sigma Induction Ceremonies

The Annual Lubin Awards Ceremonies are held every May on the New York City and Pleasantville campuses to recognize the accomplishments of outstanding graduates of each major program, graduates receiving Latin baccalaureate honors, transfer students graduating with distinction, and Beta Gamma Sigma inductees. In addition to the academic department awards, graduating students are recognized for their leadership and contributions to co-curricular activities as recipients of the Lubin Alumni Association Award and other special awards given by the Lubin academic departments. The annual Beta Gamma Sigma Induction

Ceremony is combined with the Lubin Awards Ceremony on the Pleasantville campus, and a separate Beta Gamma Sigma Induction Ceremony is held on the New York City campus in late April or early May.

Lubin For-credit Internship Program

Lubin students have an opportunity to earn academic credit for approved Internships. Students with strong academic records who have a minimum CGPA of 3.00 may apply to undertake a carefully planned work experience, under the supervision of a faculty adviser that will demonstrate the practical application of their classroom learning. Internship credit courses are offered in accounting, finance, law, management, management science (QBA), hospitality and tourism management, international management, marketing, and taxation for students who have achieved junior standing and have completed at least the first course in the discipline. Students are generally awarded 3 credits for an internship in their major, which may be used to satisfy a major concentration or major elective requirement. It may also be taken as an Open Elective.

Students in their sophomore year who have completed BUS 101 and have a minimum CGPA of 2.50 are eligible to take BUS 294 Business Internship for one credit. Students are responsible for finding their own internships either through the Career Services Office or other contacts. Students are required to obtain approval to undertake a credit-bearing internship from the Lubin Office of Undergraduate Advisement and the Lubin academic department offering the course. Students may apply a maximum of 6 credits earned through internship courses to their degree and only 3 credits toward their major or minor requirements. For more information and to apply for a Lubin internship credit course, please visit the Lubin For-credit Internship web site:

www.pace.edu/lubin/internshipcredit.

Accounting Winter Co-op Program

The Accounting department offers students in the 5-year combined BBA/MBA Program in Public Accounting a unique opportunity to combine a full-time winter co-op at a major CPA firm with an accelerated semester of full-time study during the Spring semester. The Full-time winter co-op will begin the first week in January and run through mid-March. The exact dates will vary depending upon the New Year's Holiday and the Pace academic calendar. The accelerated Spring Term B semester will begin in mid-March and last until the end of the spring semester, usually 8 weeks.

The Big Four and other participating accounting firms prefer to offer the co-op program during the busy season, from January to March. This program will allow Pace students to participate in the co-op program and still complete their combined degree in five years. Students participating in the Accounting Winter Co-op program are paid.

This program is open to students in the BBA/MBA program in Public Accounting on either campus who have a minimum GPA of 3.3. It is designed for the spring semester of their fourth year at Pace. Students must work closely with their Lubin adviser if they plan on participating in the program since the sequence of courses is critical. International BBA/BBA students on an F-1 visa may participate in the Accounting Winter Co-op and will need to meet with an International Student Adviser to make sure that other conditions related to their F-1 status are met.

Students in the BBA Public Accounting major and in other Combined Programs may apply for a Winter Co-op, but they will have to plan to take a Leave of Absence for the Spring semester and take courses in the Summer Sessions in order to complete the 150 credits required for graduation in 5 years. This option is not open to international students on an F-1 visa. Interested students should contact a Lubin Academic Adviser for more information.

Early in the fall semester of their fourth year, eligible students can apply for the full-time Accounting Winter Co-op through Career Services. Once accepted, students will work with their Lubin adviser to plan their spring schedule. Students must maintain a full-time status of 12 credits in the accelerated program. Classes run four days a week with both day and evening sessions on the New York City Campus and are available to students on the Westchester Campus via video conference. Courses offered in the accelerated spring semester are:

ACC 394 Accounting Internship (1 credit)

TAX 311 Federal Income Tax II (3 credits)

ACC 620 Accounting Entities (3 credits)

ACC 635 Advanced Auditing Practice (2 credits)

MBA 648 Managerial Finance (3 credits)

International Exchanges and Study Abroad Opportunities

International Field Study Courses

The Lubin School offers short-term international field study courses for credit that give students the opportunity to experience another culture and to observe foreign government, education, and commerce firsthand. Students participating in international field studies have recently traveled to Argentina, Brazil, Belgium, Chile, China, Denmark, England, France, India, Ireland, Italy, Japan,

Malaysia, Qatar, Russia, Singapore, Sweden, Tanzania, UAE, and Vietnam. (See Center for Global Business Programs for more information.)

Worldwide Study Abroad Opportunities

Lubin students may study abroad for up to one year at one of many overseas institutions affiliated with Pace University. For a current list of options along with information and assistance with the application process, interested students should contact the Study Abroad Office located on each campus. The Lubin School also has exchange partnerships with the following schools: BI Norwegian Business School (Norway); EM Strasbourg Business School (France); Hong Kong Baptist University (China); IESEG (France); Lingnan University (China); MICEFA (France); Nova School of Business and Economics (Portugal); PUC-Rio (Brazil); Regent's University (England); Sophia University, Tokyo (Japan); SRH Hochschule Berlin (Germany); University of Adelaide (Australia); University College of Cork (Ireland); Universidad Europea de Madrid (Spain); University of Mannheim (Germany); Paris School of Business (France); Universidad del Pacifico (Chile); Universidad Pontificia de Comillas (Spain); University of Technology, Sydney (Australia); and Zurich University of Applied Sciences (Switzerland).

Lubin Centers

Center for Global Business Programs

The mission of the Center for Global Business Programs is to enhance the global capabilities of Lubin students and faculty by providing high-quality academic and professional experiences, facilitating learning, and supporting applied research in the global environment.

Custom Programs

The Center for Global Business Programs provides international and domestic institutions an opportunity to differentiate their offerings through a New York City-based module. Institutions chose from a variety of international programs that fit their needs and provide their students with an "only in New York" experience. Custom programs range from a few weeks to a full academic year and are offered during all semesters, including the summer. The Center delivers a dynamic New York City experience that includes company visits and cultural events.

International Field Study Courses

International field study courses provide students with the opportunity to gain international academic experience. Along with pre-trip classroom sessions, students travel abroad for up to two weeks, participating in corporate visits, meetings with governmental leaders and roundtable workshops with globally recognized academics. Destinations include countries throughout Europe, Asia, South America, and Africa.

International Travel Scholarships

The Center for Global Business Programs offers scholarships to eligible Lubin students who are enrolled in international field study courses or semester study abroad. These scholarships are made available through the Figueroa Family Fund and the Nancy and Gene Celentano Fund, and are awarded during the fall and spring semesters. To date, the Center has awarded over \$778,000 in scholarships to eligible students based upon demonstrated need and academic achievement.

Center for Excellence in Financial Reporting

The mission of the Center for Excellence in Financial Reporting is to encourage continuous improvements in financial reporting for the benefit of the investing public. The Center stimulates discussion about current issues in financial reporting – in the broadest sense of the term - through conferences and other gatherings, as well as other activities aimed at identifying best practices and promoting enhancements in reporting. The Center provides commentary and analysis on financial reporting matters, with the goal of identifying ways to meet investor needs in a cost-effective manner.

Leslie F. Seidman, former Chairman of the Financial Accounting Standards Board, is the Executive Director of the Center. She is a guest lecturer and mentor to advanced accounting students at Lubin, as well as a consultant to faculty on relevant research and curricular topics. She speaks at industry forums and serves as an ambassador to other organizations in the field on behalf of the Lubin School of Business.

Center for Global Governance, Reporting and Regulation

The Center for Global Governance, Reporting and Regulation (CGGRR) sponsors research and discussion on the development and implementation of global financial reporting standards, regulatory compliance and governance. It also offers programs to develop proficiencies and expertise in these areas, and hosts conferences and events on relevant topics featuring leaders in these fields.

The Center was originated as the Center for the Study of International Accounting Standards, and evolved into its current iteration as a natural progression. Reporting standards alone are not sufficient in the current global business environment; governance and regulatory compliance are essential in international business.

The CGGRR offers the Certified Compliance Regulatory Professional (CCRP®) regulatory certification program. This program was created as a joint venture with the Association of International Bank Auditors (AIBA), the exclusive partner in offering this certificate program with the Lubin School of Business. The CGGRR has also developed other offerings, including corporate "boot camps" as well as "distance learning" modules. More information about the CGGRR is available at <http://www.pace.edu/lubin/departments-and-research-centers/center-for-global-governance-reporting-and-regulation>

Entrepreneurship Lab

The Entrepreneurship Lab (eLab), which was launched in February 2012, is a collaborative workspace designed to bring together students from all of Pace's schools and colleges in order to promote cross-disciplinary problem solving, experiential learning and the development of an entrepreneurial mindset. It is staffed by highly motivated personnel and offers a variety of technology resources, including high-performance computers, sophisticated software, a professional video studio, a surface computer, and 3D printers; as well as a wide variety of desktop, laptop and tablet computers. The Entrepreneurship Lab's dedicated facilities include a private meeting room, a collaborative work studio, casual work space, and a classroom.

In addition, the Entrepreneurship Lab organizes a wide variety of events and activities. These include competitions, such as the Pitch Contest, Business Plan Competition and Mobile App Design Contest, as well as social and networking events with guest speakers, workshops and mentoring programs. The eLab has space for students to launch and manage a new venture, and serves as a 'home base' for those wishing to explore entrepreneurship. For more information about the eLab, please visit www.pace.edu/elab.

Small Business Development Center

The Small Business Development Center (SBDC) was established at Pace University in October of 1986 as an integral part of the Lubin School's economic development program. Jointly funded by Pace University, the U.S. Small Business Administration, the Research Foundation of the State University of New York and private donors, the Pace SBDC's mission is to provide in-depth and confidential one-on-one business advisement, training and research, all at no cost, to help small business owners and aspiring entrepreneurs launch or grow their business.

Now a part of Lubin's Management and Management Science Department, in addition to its traditional offerings, the SBDC services are closely aligned with those of the Entrepreneurship Lab (eLab). Since inception, the SBDC has provided over 133,000 hours of direct management and technical assistance, via one-on-one counseling, to more than 16,000 entrepreneurs and small business owners. In addition, it has also sponsored well in excess of 500 workshops attended by 17,000 attendees, and documented almost \$170,000,000 of funding and investment, which led to the creation or retention of almost 7,000 jobs.

Technology Enhanced Instructional Facilities

Computer and Internet Resources

Pace University's PACENet connects all buildings on all campuses and offers a high-speed link to the Internet as well as other internal University resources. Wired and wireless network access is available in the dormitories, library, student union, classrooms, and other locations throughout the university. Computer labs, called Computer Resource Centers (CRCs) are open access rooms dedicated to student coursework and faculty research. CRCs on each campus offer a host of services including Web access, e-mail accounts, and self-paced documentation. CRCs are supported, day and evening, by full-time staff and part-time student consultants.

Smart Classrooms

All labs and classrooms have full access to the Internet. Classrooms are equipped with computers and interfaces for students to plug their laptops in when doing class presentations.

Accounting Labs

Accounting Labs are located on the New York City and Pleasantville campuses, and are used to supplement accounting course instruction and by accounting students to complete their course assignments. The labs are equipped with the latest accounting software and have scheduled open hours, which allow students to use them when not in use for classes or tutoring sessions. In Pleasantville, the EY Accounting lab is staffed by peer tutors who provide assistance in the foundation and upper-level accounting courses by working either individually or in small group tutorials with the students. In New York, similar peer tutoring is provided in most accounting subjects through the Learning Center at the Center for Academic Excellence.

Global Portfolio Analysis Center (G-PACT)

The Global Portfolio Analysis Center (G-PACT) is a fully equipped computer classroom on the New York City Campus that provides students with the software and other technology to support their finance courses. It contains 30 PCs, equipped with various statistical and analytical software and a Trans-Lux 64 character LED Jet and a 12 lines x 32 Character Datawall for up-to-date Stock and News Information. The G-PACT room is used for many finance courses including FIN 357 Student Managed Investment Portfolio, where students manage an actual portfolio sponsored by Pace; FIN 340/FIN 667 Valuation of the Firm, which are securities valuation courses; FIN 325 Data Analysis in Finance; and FIN 657, Financial Econometrics for Risk Modeling an increasingly important area for finance professionals. Through the G-PACT room, students have access to Wharton Research Data Services, where they can access Compustat, CRSP, Global Insight, Audit Analytics, First Call, Morningstar Direct and other cutting-edge financial databases. In addition, there are nine Bloomberg terminals for use by students for course-related assignments or self-directed learning.

Marketing Labs

Marketing and Consumer Behavior Lab

State-of-the-art Marketing Labs, located on the New York City and Pleasantville campuses, are equipped with the latest computer equipment and software, including Adobe Photoshop and the full Microsoft software collection. The Marketing Labs enable students to be on the cutting edge of computer technology and are used extensively by the Brand Marketing Team on the New York City campus and the Ad Team on the Pleasantville campus to prepare professional quality materials for the annual American Advertising Federation's National Student Advertising Competition and by PUMA (Pace University Marketing Association) students participating in the American Marketing Association International Collegiate Competition. In addition, the Pace New York Ad Club uses the lab's state-of-the-art video equipment to aid in its work on behalf of clients that engage it to develop real world marketing and advertising campaigns.

Interactive and Direct Marketing (IDM) Lab

The IDM Lab is a student-run and managed direct and interactive marketing agency on both the Pleasantville and New York City campuses. Students learn to apply classroom theory to achieve client goals. Under the supervision of marketing faculty, internships are available to qualified undergraduate and graduate students who work on real time, real life client marketing challenges. Students also compete in an International Direct and Interactive Marketing Collegiate ECHO plan development challenge sponsored Marketing Edge (www.marketedge.org), formerly by the Direct Marketing Educational Foundation. Labs are equipped with state of the art computers, specialized market research tools and software. The IDM Lab sponsors guest speakers at regularly scheduled events on career development and marketing opportunities. For more information, please contact the IDM Lab website: www.pace.edu/idmlab.

Degree Programs

Accounting

Combined BBA/MBA and BBA/MS Degree Programs - CPA Qualifying

Combined Degree Programs

The Accounting department in conjunction with the Finance and Legal Studies and Taxation departments offers three accelerated Combined Bachelor's /Master's degree programs for highly qualified students who wish to prepare for the public accounting profession and earn both the BBA and either the MBA or MS degree in less time than is normally required. The first is the BBA/MBA Program in Public Accounting in which students earn both the BBA and MBA in Public Accounting. The two BBA/MS programs combine the BBA in Public Accounting with either the MS in Financial Management or the MS in Taxation. All three Combined Bachelor's/Master's programs are registered with the New York State Education Department as meeting the 150-credit hour education requirements for CPA licensure. These programs also meet the educational requirements for admission to the CPA examination in most other states. Full-time students will be able to complete the requirements for any of the three Combined Degree Programs in five years, or four years with additional summer study.

Admission Requirements

Admission to the Combined BBA/MBA or BBA/MS Programs originates at the undergraduate level. Candidates may be admitted conditionally to the program directly from high school. In order to qualify for direct admission, candidates are required to have a minimum high school average of 90% and a combined SAT score of 1150 or an equivalent score on the ACT. Students wishing to transfer into the program from another college or university must have achieved at least a 3.20 CGPA at their previous school, in addition to the other admission requirements. All transfer students will be required to fulfill a residency requirement of at least 32 credits at the undergraduate level. Continuing students applying to change their major to one of the Combined Programs are required to have at least a 3.20 CGPA for 30 credits completed at Pace University. Admission to the Master's program requires a minimum CGPA of 3.20 for all undergraduate course work completed at Pace, a 3.00 GPA for all Pace Accounting courses and a 520 score on the Graduate Management Admission Test (GMAT). Students with a final overall Pace GPA of 3.50 or higher in the BBA program are exempt from the GMAT requirement.

Conferring of Degrees

Students will be awarded both the BBA and MBA or MS upon completion of the Combined Program. A student who does not finish the MBA or MS requirements may apply any graduate credits earned toward completion of a BBA program.

Combined BBA/MBA Program in Public Accounting

The Combined BBA/MBA Program in Public Accounting provides students with an excellent preparation for the CPA Profession through specialized study in accounting within the broader context of global strategy, global markets and data-driven decision making. Students benefit from taking additional graduate courses required as part of the MBA Core that develop their managerial and decision-making skills and provide a global perspective for the study of accounting. In addition, students also take two courses in another business discipline at the graduate level to satisfy their Breadth Elective requirements, giving them an opportunity to focus in a second business area.

Undergraduate BBA Requirements (104 Credits)

University Core (53 Credits)

Lubin majors are required to complete the Foundation Requirements including MAT 104, and CIS 101 or TS 105. The four courses (13 credits) required as part of the Lubin Foundation Requirement in Quantitative Reasoning are applied to the University Core Areas of Knowledge (AOK) requirement as an In-depth Sequence in Quantitative Reasoning, and MAT 117 satisfies one course in AOK- HSN (AOK5). Therefore, Lubin majors are required to complete only one course from each of the four Areas of Knowledge.

(See University Core Requirements for Lubin Students for more details)

Lubin Foundation Requirement in Quantitative Reasoning (13 Credits)

The Lubin Foundation Requirement in Quantitative Reasoning is made up of the four courses (13 credits) in mathematics and economics listed below. All courses are applied to University Core as indicated above.

ECO 105	Principles of Economics: Macroeconomics	3
ECO 106	Principles of Economics: Microeconomics	3
MAT 111	Elementary Calculus I	3
MAT 117	Elementary Statistics	4

(See Lubin Foundation Requirement in Quantitative Reasoning for more details)

Business Core (14 Credits)

ACC 203	Financial Accounting	4
---------	----------------------	---

ACC 204	Managerial Accounting	4
LAW 150	Business Law I	3
MGT 150	Managerial and Organizational Concepts	3

(See Business Core Requirements for more details. MAR 201, FIN 260, MGT 226, and MGT 490 are satisfied in the MBA portion of the Program.)

Major Requirements (15 Credits)

ACC 203	Financial Accounting	4
ACC 204	Managerial Accounting	4
ACC 301	Intermediate Accounting I	4
ACC 302	Intermediate Accounting II	4
ACC 319	Cost Accounting	4
ACC 375	Accounting Information Systems	3

(ACC 203 and ACC 204 (8 credits) are applied toward the Business Core.)

Auxiliary Courses (13 Credits)

CIS 122L	Advanced Spreadsheet Skills - Test Prep	3
LAW 360	Advanced Business Law	4
TAX 250	Federal Income Taxation I	3
TAX 311	Federal Income Taxation II	3

Open Electives (9 Credits)

Includes UNV 101 (1 credit) for all first-year students.

Graduate MBA Requirements (47-48 Credits)

Business Writing Proficiency Requirement: Satisfactory performance as demonstrated with a score of 4.5 or higher on the Analytical Writing Assessment (AWA) portion of the GMAT. A student whose grade on the AWA demonstrates weakness in writing is required to complete and pass a seven-week, pass/fail course in Business Communications (BUS 043).

MBA Prerequisite Course (0-1 Credit)

BUS 043	Business Writing	1
---------	------------------	---

CPA Review Courses: (Non-credit) Required

ACC 060A	CPA Review - Financial Accounting Reporting
ACC 060B	CPA Review - Auditing and Attestation

Foundation Courses (12 Credits)

MBA 642	Marketing Management	3
MBA 646	Business Analytics for Decision Making	3
MBA 647	Decision Modeling for Management	3
MBA 648	Managerial Finance	3

Professional Core Courses (9 Credits)

MBA 670	Organizational Behavior and Leadership	3
MBA 672	Managerial Economics for Decision Making	3
MBA 674	Globalization, The New Economy and Ethics	3

Required Specialization Courses (11 Credits)

ACC 620	Accounting Entities	3
ACC 632	Auditing	3
ACC 635	Advanced Auditing Practices	2
ACC 649	Contemporary Accounting Issues	3

Specialization Electives (6 Credits)

Choose two of the following courses

ACC 638	Forensic Accounting and Fraud Examination	3
ACC 675	International Accounting	3
ACC 681	Financial Reporting and Capital Markets	3
ACC 692Q	Research Project	3
TAX 612	Taxation of Entities for Accountants	3

Breadth Electives (6 Credits)

Select two graduate 600 level courses from a discipline outside of Accounting offered by the Lubin School. MBA 676 and MBA 678 may also be taken to satisfy this requirement. MBA 640 and MBA 644 may not be taken since they duplicate ACC 203 - ACC 204 and ECO 105 - ECO 106 completed as a part of the BBA Requirements.

Capstone Course (3 Credits)

MBA 688 Business Strategy and Stakeholder Responsibility

3

Total Credit Hours: 151-152**Combined BBA Public Accounting/MS Financial Management Program**

The Combined BBA Public Accounting/MS Financial Management Program is intended for students planning careers in accounting with a focus on financial management. It provides students with the coursework required to become a CPA and combines this preparation with an in-depth study of financial management. Students graduate with a strong background in both accounting and financial management and are well prepared for careers as financial managers and to advance to leadership positions in global corporations and financial institutions. In addition, students will cover a substantial amount of the material required to prepare them for the Chartered Financial Analyst (CFA) designation. The program gives students a thorough understanding of financial and managerial accounting, taxes, capital budgeting, cash flow valuation, risk management, capital structure, dividend policy, mergers and acquisitions and more.

Undergraduate BBA Requirements (113 Credits)**University Core (53 Credits)**

Lubin majors are required to complete the Foundation Requirements including MAT 104, and CIS 101 or TS 105. The four courses (13 credits) required as part of the Lubin Foundation Requirement in Quantitative Reasoning are applied to the University Core Areas of Knowledge (AOK) requirement as an In-depth Sequence in Quantitative Reasoning, and MAT 117 satisfies one course in AOK- HSN (AOK5). Therefore, Lubin majors are required to complete only one course from each of the four Areas of Knowledge.

(See University Core Requirements for Lubin Students for more details)

Lubin Foundation Requirement in Quantitative Reasoning (13 Credits)

The Lubin Foundation Requirement in Quantitative Reasoning is made up of the four courses (13 credits) in mathematics and economics listed below. All courses are applied to University Core as indicated above.

ECO 105	Principles of Economics: Macroeconomics	3
ECO 106	Principles of Economics: Microeconomics	3
MAT 111	Elementary Calculus I	3
MAT 117	Elementary Statistics	4

(See Lubin Foundation Requirement in Quantitative Reasoning for more details)

Business Core (20 Credits)

ACC 203	Financial Accounting	4
ACC 204	Managerial Accounting	4
LAW 150	Business Law I	3
FIN 260	Financial Management	3
MAR 201	Principles of Marketing	3
MGT 150	Managerial and Organizational Concepts	3

(See Business Core Requirements for more details. MGT 226 and MGT 490 are satisfied in the MS portion of the program.)

Major Requirements (15 Credits)

ACC 203	Financial Accounting	4
ACC 204	Managerial Accounting	4
ACC 301	Intermediate Accounting I	4
ACC 302	Intermediate Accounting II	4
ACC 319	Cost Accounting	4
ACC 375	Accounting Information Systems	3

(ACC 203 and ACC 204 (8 credits) are applied toward the Business Core.)

Auxiliary Courses (16 Credits)

CIS 122L	Advanced Spreadsheet Skills - Test Prep	3
FIN 320	Corporate Finance	3
LAW 360	Advanced Business Law	4
TAX 250	Federal Income Taxation I	3
TAX 311	Federal Income Taxation II	3

Open Electives (9 Credits)

Includes UNV 101 (1 credit) for all first-year students

Graduate MS Requirements (41- 42 Credits)

Business Writing Proficiency Requirement: Satisfactory performance as demonstrated with a score of 4.5 or higher on the Analytical Writing Assessment (AWA) portion of the GMAT. A student whose grade on the AWA demonstrates weakness in writing is required to complete and pass a seven-week, pass/fail course in Business Communications (BUS 043).

MS Prerequisite Course (3- 4 Credits)

BUS 043	Business Writing	1
MBA 646	Business Analytics for Decision Making	3

CPA Review Courses: (Non-credit) Required

ACC 060A	CPA Review - Financial Accounting Reporting
ACC 060B	CPA Review - Auditing and Attestation

Graduate Public Accounting Courses (11 Credits)

ACC 620	Accounting Entities	3

Capstone Course (3 Credits)

MBA 688	Business Strategy and Stakeholder Responsibility	3
---------	--	---

Total Credit Hours: 154-155

Combined BBA Public Accounting/MS Taxation Program

The Combined BBA Public Accounting/MS Taxation Program is intended for students planning careers in accounting with a focus on tax and for others who require an in-depth understanding of both financial accounting rules and federal tax law. The accounting coursework provides a thorough understanding of how financial information is used by management, the government, and the public. In the MS part of the program, students learn how to quantify risk and predict shifts in the tax environments that affect industry. This Combined Program prepares students to become successful CPAs and provides them with the additional knowledge and tax skills necessary to succeed in a competitive business environment.

Undergraduate BBA Requirements (106 Credits)

University Core (53 Credits)

Lubin majors are required to complete the Foundation Requirements including MAT 104, and CIS 101 or TS 105. The four courses (13 credits) required as part of the Lubin Foundation Requirement in Quantitative Reasoning are applied to the University Core Areas of Knowledge (AOK) requirement as an In-depth Sequence in Quantitative Reasoning, and MAT 117 satisfies one course in AOK- HSN (AOK5). Therefore, Lubin majors are required to complete only one course from each of the four Areas of Knowledge.

Total Credit Hours: 150-151

Public Accounting Major

Bachelor of Business Administration

The major in Public Accounting is intended to prepare students for careers as public accountants in business, government and the nonprofit sector. It is registered with the New York State Education Department as meeting the 150-credit hour education requirements for CPA licensure. Students are qualified to take the CPA Exam after completing 120 credits including all accounting course requirements through ACC 461 Auditing I and at least one course in taxation (TAX 310 Federal Income Taxation I). Students are encouraged to use their business and open elective credits to specialize or minor in another business area or declare a second business major.

Admission Requirements

Students may be admitted to the BBA in Public Accounting major either as freshmen or transfer students provided all the normal requirements for admission to Pace University and the Lubin School of Business are met. In order to continue in or join the public accounting major in the junior and senior years, students will be required to have a minimum CGPA of 2.5. Students who do not meet this academic standard will be required to change their major to another program better suited to their academic talents and interests.

Requirements

University Core (53 Credits)

Lubin majors are required to complete the Foundation Requirements including MAT 104, and CIS 101 or TS 105. The four courses (13 credits) required as part of the Lubin Foundation Requirement in Quantitative Reasoning are applied to the University Core Areas of Knowledge (AOK) requirement as an In-depth Sequence in Quantitative Reasoning, and MAT 117 satisfies one course in AOK- HSN (AOK5). Therefore, Lubin majors are required to complete only one course from each of the four Areas of Knowledge.

(See University Core Requirements for Lubin Students for more details)

Lubin Foundation Requirement in Quantitative Reasoning (13 credits)

The Lubin Foundation Requirement in Quantitative Reasoning is made up of the four courses (13 credits) in mathematics and economics listed below. All courses are applied to University Core as indicated above.

ECO 105	Principles of Economics: Macroeconomics	3
ECO 106	Principles of Economics: Microeconomics	3
MAT 111	Elementary Calculus I	3
MAT 117	Elementary Statistics	4

(See Lubin Foundation Requirement in Quantitative Reasoning for more details)

Business Core (26 Credits)

ACC 203	Financial Accounting	4
ACC 204	Managerial Accounting	4
FIN 260	Financial Management	3
LAW 150	Business Law I	3
MAR 201	Principles of Marketing	3
MGT 150	Managerial and Organizational Concepts	3
MGT 226	Business Analytics	3
MGT 490	Business Strategy	3

See Business Core Requirements for more details.

Major Requirements (31 Credits)

ACC 203	Financial Accounting	4
ACC 204	Managerial Accounting	4
ACC 301	Intermediate Accounting I	4
ACC 302	Intermediate Accounting II	4
ACC 319	Cost Accounting	4
ACC 333	Advanced Accounting	4
ACC 375	Accounting Information Systems	3
ACC 461	Auditing I	3
ACC 462	Auditing II	3
ACC 470	Accounting Research Project	3
	OR	
ACC 495	Business Honors Program Senior Thesis in Accounting	3
	Accounting Elective	3

(ACC 203 and ACC 204 (8 credits) are applied toward the Business Core.)

Auxiliary Courses (13 Credits)

CIS 122L	Advanced Spreadsheet Skills - Test Prep	3
LAW 360	Advanced Business Law	4
TAX 250	Federal Income Taxation I	3
TAX 311	Federal Income Taxation II	3

CPA Review Courses: (Non-credit) Required

ACC 040A	CPA Review - Financial Accounting Reporting
ACC 040B	CPA Review - Auditing and Attestation

Business Electives (12 Credits)

Students may take courses from any business discipline (except Accounting), Economics, Computer Information Technology (CIT) and Computer Science to satisfy this requirement.

Open Electives (15 Credits)

Includes UNV 101 (1 credit) for first-year students.

Total Credit Hours: 150

Accounting Major- BBA

The Accounting major provides students with a broad-based course of study in accounting and an opportunity to concentrate in either forensic accounting or internal auditing, which are two areas of accounting that are in high demand. Upon successful completion of either concentration, students will have the educational background required to seek professional certifications such as Certified Fraud Examiner (CFE), Certified Management Accountant (CMA) or Certified Internal Auditor (CIA). Students may also choose instead to customize their program of study by selecting additional course work in areas such as taxation, law, finance, information systems and management or other fields of interest to them.

BBA Accounting majors – Forensic Accounting Concentration will also have the educational background required to take the Certified Public Accountant (CPA) Exam upon completion of 120 credits including all required courses in accounting and taxation. Students pursuing the Internal Auditing Concentration or Open Elective Option will need to complete one additional course in external auditing (ACC 461 Auditing I) in order to qualify to take the CPA Exam. Graduates of the BBA Accounting major will be required to take additional college level courses in order to satisfy the 150-credit hour educational requirements for CPA licensure in New York State and most other states. Students interested in pursuing a career in public accounting should also consider enrolling in one of the following public accounting programs, which satisfy the 150-credit hour educational requirements for CPA licensure: BBA Public Accounting, Combined BBA/MBA Public Accounting, Combined BBA Public Accounting/MS Financial Management or BBA Public Accounting/MS Taxation.

Accounting Major - Forensic Accounting

The Forensic Accounting Concentration provides specialized training in the field of fraud examination and prevention. Students will take specialized courses in forensic accounting which will give them the knowledge and skills necessary to pursue a career as a forensic accountant.

Forensic accounting is one of the fast growing sectors in the accounting profession. Forensic accountants specialize in investigation, litigation, prevention, and reporting of financial fraud. Their functions include, but are not limited to, preventing white-collar crime, tracking terrorist funding, exposing tax evasion, keeping a company compliant with laws, and discovering purposeful misrepresentation of financial statements and other securities fraud.

Successful completion of the program will prepare students to pursue exciting opportunities in the field of forensic accounting. Students will also have the educational foundation to seek professional certifications including the Certified Fraud Examiner (CFE), Certified Management Accountant (CMA), Certified Internal Auditor (CIA), and Certified Public Accountant (CPA). Students interested in pursuing CPA licensure will be required to take additional college level courses in order to satisfy the 150-credit hour requirement for CPA licensure in New York State and most other states.

Requirements

University Core (53 Credits)

Lubin majors are required to complete the Foundation Requirements including MAT 104, and CIS 101 or TS 105. The four courses (13 credits) required as part of the Lubin Foundation Requirement in Quantitative Reasoning are applied to the University Core Areas of Knowledge (AOK) requirement as an In-depth Sequence in Quantitative Reasoning, and MAT 117 satisfies one course in AOK- HSN (AOK5). Therefore, Lubin majors are required to complete only one course from each of the four Areas of Knowledge.

(See University Core Requirements for Lubin Students for more details)

Lubin Foundation Requirement in Quantitative Reasoning (13 Credits)

The Lubin Foundation Requirement in Quantitative Reasoning is made up of the four courses (13 credits) in mathematics and economics listed below. All courses are applied to University Core as indicated above.

ECO 105	Principles of Economics: Macroeconomics	3
ECO 106	Principles of Economics: Microeconomics	3
MAT 111	Elementary Calculus I	3
MAT 117	Elementary Statistics	4

(See Lubin Foundation Requirement in Quantitative Reasoning for more details)

Business Core (29 Credits)

BUS 101	Contemporary Business Practice	3

ACC 204	Managerial Accounting	4
ACC 301	Intermediate Accounting I	4
ACC 302	Intermediate Accounting II	4
ACC 319	Cost Accounting	4
ACC 333	Advanced Accounting	4
ACC 375	Accounting Information Systems	3

(ACC 203 and ACC 204 (8 credits) are applied toward the Business Core.)

Auxiliary Courses (6 Credits)

CIS 122L	Advanced Spreadsheet Skills - Test Prep	3
TAX 250	Federal Income Taxation I	3

Forensic Accounting Concentration Requirements (13 credits)

ACC 366	Forensic Accounting	3
ACC 368	Enterprise Risk Management I	3
ACC 461	Auditing I	3
CIT 251	Computer Security Overview	4

Open Electives (8 Credits)

Includes UNV 101 (1 credit) for first-year students.

Total Credit Hours: 128

Accounting Major, BBA - Internal Auditing

The Internal Auditing concentration provides students with the specialized courses in internal auditing that will give them the knowledge and skills needed to pursue a career as an internal auditor.

Internal auditors help organizations accomplish their objectives by evaluating and improving the effectiveness of the control and governance processes and providing assurance and consulting to add value and improve the organizations' operations. Internal auditors are in high demand by all types of organizations including commercial businesses, not-for-profit organizations such as hospitals and schools, and federal and local governments.

Successful completion of the BBA Accounting major with an Internal Auditing concentration will prepare students for this fast growing career sector of accounting. Graduates of this program will have the educational foundation needed for professional certification as a Certified Internal Auditor (CIA). With a solid foundation in general accounting education, students can also qualify for other related professional exams including the Certified Fraud Examiner (CFE), and Certified Management Accountant (CMA).

Requirements

University Core (53 Credits)

Lubin majors are required to complete the Foundation Requirements including MAT 104, and CIS 101 or TS 105. The four courses (13 credits) required as part of the Lubin Foundation Requirement in Quantitative Reasoning are applied to the University Core Areas of Knowledge (AOK) requirement as an In-depth Sequence in Quantitative Reasoning, and MAT 117 satisfies one course in AOK- HSN (AOK5). Therefore, Lubin majors are required to complete only one course from each of the four Areas of Knowledge.

(See University Core Requirements for Lubin Students for more details)

Lubin Foundation Requirement in Quantitative Reasoning (13 Credits)

The Lubin Foundation Requirement in Quantitative Reasoning is made up of the four courses (13 credits) in mathematics and economics listed below. All courses are applied to University Core as indicated above.

ECO 105	Principles of Economics: Macroeconomics	3
ECO 106	Principles of Economics: Microeconomics	3
MAT 111	Elementary Calculus I	3
MAT 117	Elementary Statistics	4

(See Lubin Foundation Requirement in Quantitative Reasoning for more details)

TAX 250	Federal Income Taxation I	3

Open Electives (9 Credits)

Includes UNV 101 (1 credit) for first-year students.

Total Credit Hours: 128

Accounting Major, BBA-Open Elective Option

Students who do not wish to choose one of the specialized concentrations will take an additional 12 credits of Open Electives and one additional course in Business Law, either LAW 360 Advanced Business Law (4 credits) or LAW 312 Business Law II (3 credits). This option will give students an opportunity to customize their program of study by selecting additional course work in areas such as taxation, law, finance, information systems and management or other fields of interest to them. It will also be a good option for transfer students who have completed courses at other colleges and universities prior to enrolling at Pace and adult students who have earned college credit for work experience or other prior learning through the Pace Experiential Learning Assessment (ELA).

Requirements

University Core (53 Credits)

Lubin majors are required to complete the Foundation Requirements including MAT 104, and CIS 101 or TS 105. The four courses (13 credits) required as part of the Lubin Foundation Requirement in Quantitative Reasoning are applied to the University Core Areas of Knowledge (AOK) requirement as an In-depth Sequence in Quantitative Reasoning, and MAT 117 satisfies one course in AOK- HSN (AOK5). Therefore, Lubin majors are required to complete only one course from each of the four Areas of Knowledge.

Information Systems

Information Systems Major, BBA

Bachelor of Business Administration

The major in Information Systems is predicated on the belief that information is an essential decision-making resource for all organizations. The Information Systems major is designed to develop the student's ability to understand and develop computer-based information systems that provide accurate, timely, consistent and integrated data for effective management. It is also intended to prepare students for careers in telecommunications, database administration, internet technologies, and systems analysis and design.

Requirements

University Core (53 Credits)

Lubin majors are required to complete the Foundation Requirements including MAT 104, and CIS 101 or TS 105. The four courses (13 credits) required as part of the Lubin Foundation Requirement in Quantitative Reasoning are applied to the University Core Areas of Knowledge (AOK) requirement as an In-depth Sequence in Quantitative Reasoning, and MAT 117 satisfies one course in AOK- HSN (AOK5). Therefore, Lubin majors are required to complete only one course from each of the four Areas of Knowledge.

(See University Core Requirements for Lubin Students for more details)

Lubin Foundation Requirement in Quantitative Reasoning (13 Credits)

The Lubin Foundation Requirement in Quantitative Reasoning is made up of the four courses (13 credits) in mathematics and economics listed below. All courses are applied to University Core as indicated above.

ECO 105	Principles of Economics: Macroeconomics	3
ECO 106	Principles of Economics: Microeconomics	3
MAT 111	Elementary Calculus I	3
MAT 117	Elementary Statistics	4

(CIS 101 (3 credits) is applied toward University Core).

Open Electives (22 Credits)

Includes UNV 101 (1 credit) for first-year students.

Total Credit Hours: 128

Management

Bachelor of Business Administration

The Management major is intended for students who want a flexible curriculum and opportunity to specialize in one of five concentrations: Arts and Entertainment Management, Business Management, Entrepreneurship, Health Care Management, Hospitality and Tourism Management and Human Resources Management. Through formal and systematic study of management, students will learn methods of directing and motivating group efforts toward achieving an organization's primary objective, the optimal allocation of resources. It will provide students with the managerial context within which to develop a concentration and to prepare for careers in a variety of corporate and other organizational settings.

Students are required to choose ONE of the SIX concentrations. Only one concentration may be officially declared, although students may take additional management courses as open electives.

Management Major, BBA - Arts and Entertainment Management (NYC)

The Arts and Entertainment Management concentration prepares students for careers in theatre companies, museums, dance companies, art galleries, talent representation and management companies, and television production firms, as well as related support services. Students learn how to analyze and respond as managers to such environmental factors as changing laws, economic challenges, technological changes, union activities, cultural issues, and domestic and international trends in arts and entertainment. Further, Lubin leverages its New York City connections to bring award-winning, directors, producers, and entertainment managers into the classroom.

Requirements

University Core (53 Credits)

Lubin majors are required to complete the Foundation Requirements including MAT 104, and CIS 101 or TS 105. The four courses (13 credits) required as part of the Lubin Foundation Requirement in Quantitative Reasoning are applied to the University Core Areas of Knowledge (AOK) requirement as an In-depth Sequence in Quantitative Reasoning, and MAT 117 satisfies one course in AOK- HSN (AOK5). Therefore, Lubin majors are required to complete only one course from each of the four Areas of Knowledge.

(See University Core Requirements for Lubin Students for more details)

Lubin Foundation Requirement in Quantitative Reasoning (13 Credits)

The Lubin Foundation Requirement in Quantitative Reasoning is made up of the four courses (13 credits) in mathematics and economics listed below. All courses are applied to University Core as indicated above.

ECO 105	Principles of Economics: Macroeconomics	3
ECO 106	Principles of Economics: Microeconomics	3
MAT 117	Elementary Statistics	4
	One Elective Course in Mathematics or Economics	3 Credits

(See Lubin Foundation Requirement in Quantitative Reasoning for more details)

Business Core (29 Credits)

BUS 101	Contemporary Business Practice	3
ACC 203	Financial Accounting	4
ACC 204	Managerial Accounting	4
FIN 260	Financial Management	3
LAW 150	Business Law I	3
MAR 201	Principles of Marketing	3
MGT 150	Managerial and Organizational Concepts	3
MGT 226	Business Analytics	3
MGT 490	Business Strategy	3

(See Business Core Requirements for more details.)

Major Requirements (21 Credits)

MGT 150	Managerial and Organizational Concepts	3
MGT 222	Organizational Behavior	3
MGT 226	Business Analytics	3
MGT 490	Business Strategy	3

(MGT 150, MGT 226, and MGT 490 (9 credits) are applied to the Business Core.)

Arts and Entertainment Management Concentration (18 Credits)

Required Concentration Courses (9 Credits)

MGT 235	Arts and Entertainment Management	3
---------	-----------------------------------	---

MGT 370	Managing Creativity	3
MGT 470	Entertainment Management Seminar	3

Required International Management Course (3 Credits)

Select ONE course from the following:

MGT 240	International Management	3
MGT 341	Comparative Management Systems	3
MGT 342	The Human Dimension in International Management	3
MGT 347	International Management Field Study	3

Elective Concentration Courses (9 Credits)

9 Credits of 300-Level Electives are required. Select TWO courses from Group A and ONLY ONE course from Group B, **OR** select THREE courses from Group A:

Group A Electives

MGT 312	Event Management	3
MGT 365	Managerial Negotiations	3
MGT 370	Managing Creativity	3
MGT 371	Managing Entertainment Projects	3
MGT 372	Managing Stakeholder Relationships in the Arts	3
MGT 373	Technology Innovation and the Arts	3
MGT 374	New Venture Creation for the Arts and Entertainment Industry	3
MGT 375	Management in the Business of Music	3
MGT 394A	Management Internship	0 - 6

Group B Electives

MAR 221	Fundamentals of Advertising and Promotion	3
MAR 363	Special Events Marketing for Arts, Entertainment and Sports	3
MAR 366	Sports Sponsorship	3
LAW 317	Sports and Entertainment Law	3

Open Electives (25 Credits)

Includes UNV 101 (1 credit) for first-year students.

Total Credit Hours: 128**Management Major, BBA - Business Management Concentration (NYC and PLV)**

The Business Management concentration gives students the flexibility to select from a wide array of management and related business courses to build a concentration which is tailored to their individual academic and career interests. Students are required to take at least two general management courses as part of Group I and two courses may be selected from Group II, which allows for specialization in a specific management or related business area. One course in International Management is also required.

Requirements**University Core (53 Credits)**

Lubin majors are required to complete the Foundation Requirements including MAT 104, and CIS 101 or TS 105. The four courses (13 credits) required as part of the Lubin Foundation Requirement in Quantitative Reasoning are applied to the University Core Areas of Knowledge (AOK) requirement as an In-depth Sequence in Quantitative Reasoning, and MAT 117 satisfies one course in AOK- HSN (AOK5). Therefore, Lubin majors are required to complete only one course from each of the four Areas of Knowledge.

(See University Core Requirements for Lubin Students for more details)

Lubin Foundation Requirement in Quantitative Reasoning (13 Credits)

The Lubin Foundation Requirement in Quantitative Reasoning is made up of the four courses (13 credits) in mathematics and economics listed below. All courses are applied to University Core as indicated above.

ECO 105	Principles of Economics: Macroeconomics	3
ECO 106	Principles of Economics: Microeconomics	3
MAT 117	Elementary Statistics	4
	One Elective Course in Mathematics or Economics	3 Credits

(See Lubin Foundation Requirement in Quantitative Reasoning for more details)

Business Core (29 Credits)

BUS 101	Contemporary Business Practice	3
ACC 203	Financial Accounting	4

ACC 204	Managerial Accounting	4
FIN 260	Financial Management	3
LAW 150	Business Law I	3
MAR 201	Principles of Marketing	3
MGT 150	Managerial and Organizational Concepts	3
MGT 226	Business Analytics	3
MGT 490	Business Strategy	3

(See Business Core Requirements for more details.)

Major Requirements (18 Credits)

MGT 150	Managerial and Organizational Concepts	3
MGT 226	Business Analytics	3
MGT 490	Business Strategy	3
MGT 222	Organizational Behavior	3

(MGT 150, MGT 226, and MGT 490 (9 credits) are applied to the Business Core.)

Business Management Concentration (15 Credits)

Required International Management Course (3 Credits)

Select ONE course from the following:

MGT 240	International Management	3
MGT 341	Comparative Management Systems	3
MGT 342	The Human Dimension in International Management	3
MGT 347	International Management Field Study	3

Elective Concentration Courses (12 Credits)

Select at least TWO courses (6 credits) from Group I.

The remaining TWO courses (6 credits) may be taken from Group I or Group II.

Group I: General Management Courses

MGT 216	Venture Initiation and Entrepreneurship	3
MGT 262	Human Resources Management	3
MGT 330	Business and Society	3
MGT 357	Project Management for Business	3
MGT 364	Organizational Theory and Development	3
MGT 365	Managerial Negotiations	3
MGT 366	Leadership Principles and Practice	3

MGT 240 if not used to satisfy International Management Course requirement.

Group II: Specialized Business Courses

MGT 208	Travel and Tourism Management	3
MGT 307	Hotel Management	3
MGT 309	Restaurant and Foodservices Management	3
MGT 312	Event Management	3
MGT 315	Small Business Management	3
MGT 353	Predictive Analytics	3
MGT 394A	Management Internship	0 - 6
FIN 352	Risk Management	3
LAW 310	Employment Law	3
LAW 318	Intellectual Property Law	3
MAR 331	Managerial Marketing	3
MGT 343	International Management Environments: Asia	3
	OR	
MGT 344	International Management Environments: Latin America	3
	OR	
MGT 345	International Management Environments: Europe	3

MGT 341, MGT 342, or MGT 347 if not used to satisfy International Management Course Requirement.

Only one of the International Management Environments courses listed above (MGT 343, MGT 344 or MGT 345) maybe applied to the Business Management Concentration.

MGT 208 satisfies Civic Engagement (CE) requirement.

MGT 312, MGT 343 and MGT 353 are offered on New York City Campus only.

Open Electives (28 Credits)

Includes UNV 101 (1 credit) for first-year students.

Total Credit Hours: 128

Management Major, BBA - Entrepreneurship Concentration (NYC and PLV)

The Entrepreneurship concentration prepares students for careers in entrepreneurship and small business. It focuses on providing students with the skills that they will need to initiate and manage business ventures, including developing new products, drafting a business plan, and forming and running a family business. Other topics covered are financial management, marketing, and human resource management in a small business setting. Students will also learn to analyze consumer and business trends and to use this information in planning and developing a new business venture.

Requirements**University Core (53 Credits)**

Lubin majors are required to complete the Foundation Requirements including MAT 104, and CIS 101 or TS 105. The four courses (13 credits) required as part of the Lubin Foundation Requirement in Quantitative Reasoning are applied to the University Core Areas of Knowledge (AOK) requirement as an In-depth Sequence in Quantitative Reasoning, and MAT 117 satisfies one course in AOK- HSN (AOK5). Therefore, Lubin majors are required to complete only one course from each of the four Areas of Knowledge.

(See University Core Requirements for Lubin Students for more details)

Lubin Foundation Requirement in Quantitative Reasoning (13 Credits)

The Lubin Foundation Requirement in Quantitative Reasoning is made up of the four courses (13 credits) in mathematics and economics listed below. All courses are applied to University Core as indicated above.

ECO 105	Principles of Economics: Macroeconomics	3
ECO 106	Principles of Economics: Microeconomics	3
MAT 117	Elementary Statistics	4
	One Elective Course in Mathematics or Economics	3 Credits

(See Lubin Foundation Requirement in Quantitative Reasoning for more details)

Business Core (29 Credits)

BUS 101	Contemporary Business Practice	3
ACC 203	Financial Accounting	4
ACC 204	Managerial Accounting	4
FIN 260	Financial Management	3
LAW 150	Business Law I	3
MAR 201	Principles of Marketing	3
MGT 150	Managerial and Organizational Concepts	3
MGT 226	Business Analytics	3
MGT 490	Business Strategy	3

(See Business Core Requirements for more details.)

Major Requirements (18 Credits)

MGT 150	Managerial and Organizational Concepts	3
MGT 226	Business Analytics	3
MGT 490	Business Strategy	3
MGT 222	Organizational Behavior	3

(MGT 150, 226 and 490 (9 credits) are applied to the Business Core.)

Entrepreneurship Concentration (15 credits)**Required Concentration Courses (12 Credits)**

MGT 216	Venture Initiation and Entrepreneurship	3
MGT 319	International Entrepreneurship	3
MGT 416	Business Plan Development	3
MAR 431	New Product Development	3

Elective Concentration Course (3 Credits)

Select ONE course from the following:

MGT 309	Restaurant and Foodservices Management	3
---------	--	---

MGT 315	Small Business Management	3
MGT 317	Human Capital in Entrepreneurship	3
MGT 320	Entrepreneurial Implementation	3
MGT 365	Managerial Negotiations	3
MGT 370	Managing Creativity	3
MGT 394A	Management Internship	0 - 6
MAR 222	Marketing Research	3
MAR 332	Selling and Sales Management	3
MAR 343	Direct Marketing	3
LAW 310	Employment Law	3
LAW 318	Intellectual Property Law	3

Open Electives (28 Credits)

Includes UNV 101 (1 credit) for first-year students.

Total Credit Hours: 128

Management Major, BBA - Hospitality and Tourism Management Concentration (NYC and PLV)

The Hospitality and Tourism Management concentration prepares students for management careers in the hospitality and tourism industry. Students acquire skills in the areas of hotel, restaurant, and tourism management; business management; accounting; cost control and analysis; law; human resources; strategy; and e-commerce. They also learn how to analyze and respond as managers to changing laws; union activities; cultural, social, and environmental issues; and domestic and international trends in the hospitality and tourism industry as a whole. Since Hospitality and Tourism Management is a specialized area of study, the requirements for this concentration are more extensive than those for the other management areas. Students pursuing this program on the Pleasantville campus may be required to take upper level courses on the New York City campus to complete the program.

Requirements

University Core (53 Credits)

Lubin majors are required to complete the Foundation Requirements including MAT 104, and CIS 101 or TS 105. The four courses (13 credits) required as part of the Lubin Foundation Requirement in Quantitative Reasoning are applied to the University Core Areas of Knowledge (AOK) requirement as an In-depth Sequence in Quantitative Reasoning, and MAT 117 satisfies one course in AOK- HSN (AOK5). Therefore, Lubin majors are required to complete only one course from each of the four Areas of Knowledge.

(See University Core Requirements for Lubin Students for more details)

Lubin Foundation Requirement in Quantitative Reasoning (13 Credits)

The Lubin Foundation Requirement in Quantitative Reasoning is made up of the four courses (13 credits) in mathematics and economics listed below. All courses are applied to University Core as indicated above.

ECO 105	Principles of Economics: Macroeconomics	3
ECO 106	Principles of Economics: Microeconomics	3
MAT 117	Elementary Statistics	4
	One Elective Course in Mathematics or Economics	3 Credits

(See Lubin Foundation Requirement in Quantitative Reasoning for more details)

Business Core (29 Credits)

BUS 101	Contemporary Business Practice	3

Open Electives (28 Credits)

Includes UNV 101 (1 credit) for first-year students.

Total Credit Hours: 128

International Management

International Management Major, BBA

Bachelor of Business Administration

The International Management major prepares students for the global world of business through specialized study in a region of the world. Students are required to concentrate in one of the following regions: Region I Asia (p. 291), Region II Europe (p. 292), or Region III Latin America (p. 292). The choice of region will determine the appropriate international management environments course, as well as the courses to be taken to fulfill the foreign language and culture requirement. International Management majors are also encouraged to participate in a study abroad program or field study course related to their regional focus in order to experience first hand the culture, language, and business practices of their region of interest.

Regional Concentration

Each Regional Concentration requires a total of 15-21 credits, including 6-12 credits in one regional language, 6 credits in the region's culture and history, and a 3-credit international management environments course. These credits are applied toward the University Core and major requirements as indicated in the outline of the degree requirements below. Students are required to demonstrate proficiency at the intermediate level in one language from those approved for their regional concentration. Where appropriate, a second language of the region may be added on an exception basis with the approval of the International Management Program Chair or the Undergraduate Management Program Chair, in consultation with the Department of Modern Languages and Cultures. Students are encouraged to use courses required for their regional concentration to complete a minor in a language or one of the following interdisciplinary areas offered by Dyson College: East Asian Studies, Latin American Studies, French Studies, or Italian Studies.

Language Exemption for International Students

International students who completed their secondary education in a country where English was not the language of instruction and are fluent in their native language may choose to fulfill their language requirement by studying a second language associated with their regional concentration. They may also qualify for an exemption of the language requirement if their native language is related to their regional area. Students who qualify for the exemption will be required to take 6 credits in history or culture courses for their regional concentration and will satisfy the 128 credit graduation requirement by taking 6 additional credits in any liberal arts and sciences electives.

Requirements

University Core (53 Credits)

Lubin majors are required to complete the Foundation Requirements including MAT 104, and CIS 101 or TS 105. The four courses (13 credits) required as part of the Lubin Foundation Requirement in Quantitative Reasoning are applied to the University Core Areas of Knowledge (AOK) requirement as an In-depth Sequence in Quantitative Reasoning, and MAT 117 satisfies one course in AOK- HSN (AOK5). Therefore, Lubin majors are required to complete only one course from each of the four Areas of Knowledge.

(See University Core Requirements for Lubin Students for more details)

Lubin Foundation Requirement in Quantitative Reasoning (13 Credits)

The Lubin Foundation Requirement in Quantitative Reasoning is made up of the four courses (13 credits) in mathematics and economics listed below. All courses are applied to University Core as indicated above.

ECO 105	Principles of Economics: Macroeconomics	3
ECO 106	Principles of Economics: Microeconomics	3
MAT 117	Elementary Statistics	4
	One Elective Course in Mathematics or Economics	3 Credits

(See Lubin Foundation Requirement in Quantitative Reasoning for more details)

Regional Language Requirement (6-12 Credits)

Students are required to demonstrate proficiency at the intermediate level in one language related to their Regional Concentration in one of the following regions: Asia, Europe or Latin America. The number of courses required will depend upon the student's background in the language selected. Students beginning at the 101 level will be required to take 4 courses (12 credits) in one language and those beginning at the 280 level would normally be required to take 2 courses (6 credits) in one language. Two courses (6 credits) satisfy the Second Language Proficiency requirement in the University Core.

Regional Culture Requirement (6 Credits)

Two courses in history or culture related to Regional Concentration. Select two courses from the list of approved courses for Regional Concentration selected. ONE course may be applied to Areas of Knowledge requirements in the University Core.

Business Core (29 Credits)

BUS 101	Contemporary Business Practice	3
---------	--------------------------------	---

ACC 203	Financial Accounting	4
ACC 204	Managerial Accounting	4
FIN 260	Financial Management	3
LAW 150	Business Law I	3
MAR 201	Principles of Marketing	3
MGT 150	Managerial and Organizational Concepts	3
MGT 226	Business Analytics	3
MGT 490	Business Strategy	3

(See Business Core Requirements for more details.)

Major Requirements (15 Credits)

MGT 150	Managerial and Organizational Concepts	3
MGT 222	Organizational Behavior	3
MGT 226	Business Analytics	3
MGT 240	International Management	3
MGT 341	Comparative Management Systems	3
MGT 490	Business Strategy	3

(MGT 150, MGT 226 and MGT 490 (9 credits) are applied to the Business Core.)

International Management Environments Course (3 Credits)

Select ONE of the following courses related to Regional Concentration:

MGT 343	International Management Environments: Asia	3
MGT 344	International Management Environments: Latin America	3
MGT 345	International Management Environments: Europe	3

International Management Major Elective (3 Credits)

Select ONE of the following courses:

LAW 325	International Business Law	3
MGT 342	The Human Dimension in International Management	3
MGT 347	International Management Field Study	3
MGT 349	International Management Seminar	3

(MGT 347 must be related to Regional Concentration.)

Career Concentration (6 Credits)

Select two courses (6 credits) from one of the career concentrations listed (p. 293) or design a customized concentration with assistance of the International Management or Undergraduate Management Program Chair.

Open Electives (19-25 Credits)

Includes UNV 101 (1 credit) for first-year students.

Total Credit Hours: 128

International Management Region I: Asia (NYC)

Requirements

Region I: Asia

MGT 343	International Management Environments: Asia	3
---------	---	---

MGT 343 will be offered in NYC every Fall semester.

Language and Culture Requirement (12-18 Credits)

Chinese or Japanese Language	6-12
------------------------------	------

Students are required to demonstrate proficiency at the intermediate level in either Chinese or Japanese. Students who begin their language study at the 101 level will be required to complete four courses (12 credits). Those who begin at the 280 level or above will be required to complete two courses (6 credits) and will take an additional 6 credits in Open Electives.

TWO Courses in Asian History or Culture (6 Credits) from the following list:

All courses satisfy AOK: World Traditions and Cultures. (WTC, AOK 3)

ART 220	Art History: Aspects of Asian Art	3
HIS 131	The Asian World: A Historical Survey	3
HIS 241	Modern China	3
HIS 242	Modern Japan	3

HIS 296B	Topic: Modern East Asia in Film	3
HIS 296Y	Topic: History of Non-Violent Activism in Modern Asia	3
INT 296	Topics in Interdisciplinary	6
JPN 154	Topic: Modern Japanese Literature and Film in English Translation	3
	One Chinese or Japanese Language Course at the intermediate level or above	3

Other courses may be taken with the approval of the International Management or Undergraduate Management Program Chair.

International Management Region II: Europe (NYC and PLV)

Requirements

Region II: Europe

MGT 345	International Management Environments: Europe	3
---------	---	---

MGT 345 is offered in NYC every Spring and in PLV every three semesters: Spring 2015, Fall 2016 and Spring 2018.

Language and Culture Requirement (12-18 Credits)

French, Spanish, Italian, or Russian Language	6-12
---	------

Students are required to demonstrate proficiency at the intermediate level in one of the languages associated with the region. Students who begin their language study at the 101 level will be required to complete four courses (12 credits). Those who begin their language at the 280 level or above will be required to take a minimum of two courses (6 credits) and will take an additional 6 credits in Open Electives.

TWO courses in European History or Culture (6 Credits) from the following list:

All courses satisfy AOK: Western Heritage. (WH, AOK 2)

ART 206	Art History: Renaissance Art in Italy	3
FRE 150	Travel Course to France	6
FRE 154F	Topic: The French Speaking World in Film	3
FRE 154W	Topic: The Second Sex: Images of Women in Literature and Film	3
HIS 104	History of Western Civilization 1815 to Present	3
HIS 114	The European Experience: All Themes	3
HIS 207	Europe Since World War I	3
HIS 210	Germany and Central Europe Since 1848	3
HIS 213	Modern Russia	3
HIS 281	European Women and Social Change	3
HIS 296E	Topic: Tolstoy, Turks and Taliban: Russia's "Orient"	3
HIS 297K	Topic: Europe in the Enlightenment and Revolutionary Era	3
INT 196V	Revolutions in Modern French Thought: Philosophical and Literary Perspectives	6
INT 297H	A United States of Europe?	6
INT 297S	Travel Course: Splendors of Spain: Art and Culture	3
ITA 150	Travel Course to Italy	6
ITA 154	Topics from Italian Literature in Translation	3
	One regional language course at the intermediate level or above	

Other courses may be taken with the approval of the International Management or Undergraduate Management Program Chair.

International Management Region III: Latin America (NYC and PLV)

Requirements

Region III: Latin America

MGT 344	International Management Environments: Latin America	3
---------	--	---

MGT 344 is offered in NYC every Spring and in PLV every three semesters: Fall 2014, Spring 2016 and Fall 2017.

Language and Culture Requirement (12-18 Credits)

Spanish language	6-12
------------------	------

Students are required to demonstrate proficiency at the intermediate level in Spanish. Students who begin their study of language at the 101 level will be required to complete four courses (12 credits). Those who begin their language at the 280 level or above will be required to take a minimum of two courses (6 credits). They will take an additional 6 credits in Open Electives.

TWO courses in Latin American History or Culture (6 Credits) from the following list:

All courses satisfy AOK: World Traditions and Cultures. (WTC, AOK 3)

HIS 133	Latin America: The Colonial Era	3
HIS 134	Modern Latin America	3
HIS 231	Latin America: Century of Social Change and Revolution	3
HIS 234	South American Colossus: The History of Modern Brazil	3
HIS 243	Service and Study in Latin America	3
INT 296L	Mexico, NAFTA, and the Spanish Caribbean as Seen Through History and Literature	6
INT 296D	Costa Rica: Environment, Culture and Creative Expression	6
INT 296R	Literature and Culture of Ireland	6
LAS 150	Modern Latin American Divas: Female Political, Social and Cultural Leadership in the Republican Era	6
LAS 250	History and Environmental Policy: The Case of the South American Rain Forest	3

One Spanish language course at the intermediate level or above

Other courses may be taken with the approval of the International Management or Undergraduate Management Program Chair.

International Management - Career Concentration

Students are required to take two courses (6 credits) of upper level courses in one of the Career Concentrations listed below.

1. Economics

ECO 230	Intermediate Macroeconomics	3
ECO 238	Money and Banking	3
ECO 356	Immigration and Discrimination: Men and Women in the Labor Force	3
ECO 359	Political Economy of Developing Nations	3
ECO 360	International Economics	3
ECO 362	Economic Growth and Development	3
ECO 364	Comparative Economic Systems	3

2. Entrepreneurship

MGT 216	Venture Initiation and Entrepreneurship	3
MGT 315	Small Business Management	3
MGT 319	International Entrepreneurship	3
MGT 394A	Management Internship	0 - 6
MGT 416	Business Plan Development	3
MAR 431	New Product Development	3

3. Finance

FIN 350	Global Money and Capital Markets	3
FIN 351	Principles of Investment	3
FIN 356	Options, Futures and Swaps	3
FIN 358	International Finance	3
FIN 360	International Finance Field Study	3
FIN 394	Finance Internship	0 - 6

4. Hospitality and Tourism Management

MGT 208	Travel and Tourism Management	3
MGT 307	Hotel Management	3
MGT 309	Restaurant and Foodservices Management	3

5. Human Resources Management

LAW 310	Employment Law	3
MGT 262	Human Resources Management	3
MGT 342	The Human Dimension in International Management	3
MGT 363	Training and Development	3
MGT 394A	Management Internship	0 - 6
MGT 462	Advanced Human Resources Management Applications	3

6. Marketing

MAR 351	International Marketing	3
---------	-------------------------	---

MAR 352	International Advertising and Promotion	3
MAR 356	International Marketing Field Study	3
MAR 357	International Field Study New York Metro Area	3
MAR 394	Marketing Internship	0 - 6
MAR 452	Export and Import Policies and Practices	3

7. Customized Career Concentration

Students may also work with their adviser to select related upper level courses from other disciplines to develop a career concentration that meets their individual career interests. The concentration must be approved in advance by the student's Lubin adviser and the Chair or Undergraduate Program Chair of the Management and Management Science Department.

Business Analytics

Business Analytics, BBA (NYC)

Bachelor of Business Administration

The Business Analytics (BA) major provides mathematically talented students with cutting-edge, hands-on training in analytical tools and business decision modeling that are in high demand by employers today. The interdisciplinary major consists of courses in data analysis, information technology, quantitative modeling, providing comprehensive training in analytical techniques and software tools. Business Analytics major is STEM-approved, offering international students the ability to work for a longer period without immediate need of sponsorship.

Requirements

University Core (54 Credits)

Lubin majors are required to complete the Foundation Requirements including MAT 104, and CIS 101 or TS 105. The four courses (14 credits) required as part of the Lubin Foundation Requirement in Quantitative Reasoning are applied to the University Core Areas of Knowledge (AOK) requirement as an In-depth Sequence in Quantitative Reasoning, and MAT 117 satisfies one course in AOK- HSN (AOK5). Therefore, Lubin majors are required to complete only one course from each of the four Areas of Knowledge. BA majors take MAT 131 which increases the number of University Core courses to 54 credits.

(See University Core Requirements for Lubin Students for more details)

Lubin Foundation Requirement in Quantitative Reasoning (14 Credits)

The Lubin Foundation Requirement in Quantitative Reasoning is made up of the four courses (14 credits) in mathematics and economics listed below. All courses are applied to University Core as indicated above.

ECO 105	Principles of Economics: Macroeconomics	3
ECO 106	Principles of Economics: Microeconomics	3
MAT 131	Calculus I	4
MAT 117	Elementary Statistics	4

(See Lubin Foundation Requirement in Quantitative Reasoning for more details)

Business Core (29 Credits)

BUS 101	Contemporary Business Practice	3
ACC 203	Financial Accounting	4
ACC 204	Managerial Accounting	4
FIN 260	Financial Management	3
LAW 150	Business Law I	3
MAR 201	Principles of Marketing	3
MGT 150	Managerial and Organizational Concepts	3
MGT 226	Business Analytics	3
MGT 490	Business Strategy	3

(See Business Core Requirements for more details)

Major Requirements (27 Credits)

MGT 150	Managerial and Organizational Concepts	3
MGT 226	Business Analytics	3
MGT 490	Business Strategy	3
	International Course in a Business Discipline	3
MGT 350	Operations and Supply Chain Management	3
MGT 353	Predictive Analytics	3
MGT 356	Simulation and Risk Analysis	3
MGT 386	Optimization Models	3
CIS 122L	Advanced Spreadsheet Skills - Test Prep	3

(MGT 150, MGT 226 and MGT 490 (9 credits) are applied to the Business Core.)

Choose ONE of the following two courses

CIS 143	Introduction to SQL for Business	2
MGT 227	Introduction to SQL for Business	2

Choose ONE of the following two courses

CIT 201	Introduction to Programming Using Python	3
MGT 351	Introduction to Programming for Data Science	3

Choose ONE of the following two courses

CIT 348	Data Mining	4
MGT 388	Data Mining for Business	4

Business Analytics Electives (6 credits)

Choose TWO from the following

ACC 375	Accounting Information Systems	3
FIN 325	Data Analysis in Finance	3
MGT 357	Project Management for Business	3
MAR 368	Visual Analytics	3
MAT 132	Calculus II	4
MAT 218	Intermediate Statistics	3
MAT 238	Linear Algebra	4

Open Electives (12-13 Credits)

Includes UNV 101 (1 credit) for first-year students.

Total Credit Hours: 128

Marketing

Bachelor of Business Administration

The purpose of the Marketing major is to provide students with an understanding of the marketing process and enable them to develop skills in product planning, distribution, pricing, promotion, and related marketing activities. Building on a broad-based marketing core curriculum, students have the opportunity to concentrate in one of three areas: Advertising and Integrative Marketing Communications (IMC), Global Marketing Management or Sports Marketing. All marketing majors or students considering a major in marketing should consult with their Lubin adviser or Marketing Department Chair or Undergraduate Program Chair for advisement before beginning their junior year.

Students are required to choose ONE of the THREE Concentrations. Only one may be officially declared, although students may take additional marketing courses as open electives.

Marketing Major, BBA - Advertising and Integrated Marketing Communications (IMC) Concentration

The Advertising and IMC Concentration prepares students for careers in advertising and integrated marketing communications, account management, marketing analysis and research, product or brand management, product planning, customer analysis, promotion management, social and traditional media, public relations and Internet marketing.

Requirements

University Core (53 Credits)

Lubin majors are required to complete the Foundation Requirements including MAT 104, and CIS 101 or TS 105. The four courses (13 credits) required as part of the Lubin Foundation Requirement in Quantitative Reasoning are applied to the University Core Areas of Knowledge (AOK) requirement as an In-depth Sequence in Quantitative Reasoning, and MAT 117 satisfies one course in AOK- HSN (AOK5). Therefore, Lubin majors are required to complete only one course from each of the four Areas of Knowledge.

(See University Core Requirements for Lubin Students for more details)

Lubin Foundation Requirement in Quantitative Reasoning (13 Credits)

The Lubin Foundation Requirement in Quantitative Reasoning is made up of the four courses (13 credits) in mathematics and economics listed below. All courses are applied to University Core as indicated above.

ECO 105	Principles of Economics: Macroeconomics	3
ECO 106	Principles of Economics: Microeconomics	3
MAT 117	Elementary Statistics	4
	One Elective Course in Mathematics or Economics	3 Credits

(See Lubin Foundation Requirement in Quantitative Reasoning for more details)

Business Core (29 Credits)

BUS 101	Contemporary Business Practice	3
ACC 203	Financial Accounting	4
ACC 204	Managerial Accounting	4

Marketing Core (9 Credits)

MAR 201	Principles of Marketing	3
MAR 222	Marketing Research	3
MAR 499	Advanced Marketing Management	3

(MAR 201 (3 credits) is applied toward the Business Core).

Advertising and Integrated Marketing Communications (IMC) Concentration (18 credits)

Required Concentration Courses (9 Credits)

MAR 221	Fundamentals of Advertising and Promotion	3
MAR 345	Media Planning and Buying	3

Choose ONE of the following two courses:

MAR 223	Consumer Behavior	3
MAR 331	Managerial Marketing	3

Required International Marketing Course (3 Credits)

Select ONE course from the following:

MAR 351	International Marketing	3
MAR 352	International Advertising and Promotion	3
MAR 356	International Marketing Field Study	3
MAR 357	International Field Study New York Metro Area	3
MAR 459	International Marketing Seminar	3

Senior Advertising Requirement (6 Credits)

Choose ONE of the following two options:

MAR 346	Ad Team I - Brand Engagement Research, Strategy and Marketing Communication to Activate Brand Change	3
MAR 348	Ad Team II - The Brand Pitch The Plan and Presentation to Win New Business OR	3
MAR 445	Advertising and Communications Strategy and Marketing Elective	3 3

Open Electives (22 Credits)

Includes UNV 101 (1 credit) for first-year students.

Total Credit Hours: 128**Marketing Major, BBA- Global Marketing Management Concentration**

The Global Marketing Management Concentration provides students a solid foundation in managerial marketing. This concentration gives students the skills and knowledge to pursue careers in digital and traditional marketing areas such as interactive and direct marketing, special event planning, product and brand management, product planning and development, merchandising, professional selling and sales management, marketing research, customer relationship management, and services marketing.

Requirements**University Core (53 Credits)**

Lubin majors are required to complete the Foundation Requirements outlined on p. including MAT 104, and CIS 101 or TS 105. The four courses (13 credits) required as part of the Lubin Foundation Requirement in Quantitative Reasoning are applied to the University Core Areas of Knowledge (AOK) requirement as an In-depth Sequence in Quantitative Reasoning, and MAT 117 satisfies one course in AOK- HSN (AOK5). Therefore, Lubin majors are required to complete only one course from each of the four Areas of Knowledge.

(See University Core Requirements for Lubin Students for more details.)

Lubin Foundation Requirement in Quantitative Reasoning (13 Credits)

The Lubin Foundation Requirement in Quantitative Reasoning is made up of the four courses (13 credits) in mathematics and economics listed below. All courses are applied to University Core as indicated above.

ECO 105	Principles of Economics: Macroeconomics	3
ECO 106	Principles of Economics: Microeconomics	3
MAT 117	Elementary Statistics	4
	One Elective Course in Mathematics or Economics	3 Credits

(See Lubin Foundation Requirement in Quantitative Reasoning for more details)

Business Core (29 Credits)

BUS 101	Contemporary Business Practice	3
ACC 203	Financial Accounting	4
ACC 204	Managerial Accounting	4
FIN 260	Financial Management	3
LAW 150	Business Law I	3

ACC 366	Forensic Accounting	3
ACC 375	Accounting Information Systems	3

ACC 347 or ACC 301 is prerequisite for ACC 375.

Total Credit Hours: 120

General Business Major, BBA

Bachelor of Business Administration

The General Business major is intended for adult students who are already established in their careers and are returning to school to complete a BBA degree. It can be completed on a full or part-time basis. Most of the classes are offered on campus, although students may take online classes when they are offered to fulfill their requirements. It provides students with flexibility within the University Core and in the design of a business concentration, which can be tailored to meet individual academic and career interests. With the guidance of a Lubin academic adviser, students develop a 12-credit career concentration in one of the approved business areas or in an interdisciplinary area, which may include related course work from outside the business school. All students are also required to complete one course in an international business subject, which can be in the same discipline as the concentration or another business area. The following University Core and Business Core courses may not be applied toward the concentration: ACC 203, ACC 204, CIS 101, ECO 105, ECO106, FIN 260, LAW 101, MAR 201, MGT 150, MGT 226, MGT 490. Students are required to meet with a professional Lubin academic adviser in the Lubin Office of Undergraduate Academic Advisement either prior to enrolling in the General Business major or during their first semester of study.

Earning Credit for Prior Learning

Students who have accumulated considerable knowledge as a result of their work experience or other opportunities for learning outside of a formal academic setting may be eligible to receive college credits for their experiential learning. Students interested in exploring this option should meet with a Lubin professional academic adviser to determine if they are eligible to participate in the Experiential Learning Assessment (ELA) process. Students who are recommended to participate in ELA process will be given approval to register for the two-credit Prior Learning Assessment Seminar (INT 196B). This course will guide the student in the writing of a portfolio that will be submitted for evaluation to the appropriate Pace academic department to determine whether college-level learning is demonstrated and academic credit can be awarded. Students may apply a maximum of 36 credits earned through the ELA process toward the General Business major. Credit may also be earned through CLEP (College Level Examination Program) and other recognized college-level examinations. For further information about the ELA process, CLEP, and other prior learning assessment options, please contact Adult and Continuing Education in the Office of Undergraduate Admission.

Career Concentrations

Required Courses

Accounting

ACC 301, ACC 302

Finance

FIN 351

Information Systems

CIT 211, CIT 312

Law

LAW 312 or LAW 360

Management

MGT 222

Marketing

MAR 222

Interdisciplinary*

*Requirements will vary depending upon areas selected for interdisciplinary concentration.

Requirements

University Core (53 Credits)

Lubin majors are required to complete the Foundation Requirements including MAT 104, and CIS 101 or TS 105. The four courses (13 credits) required as part of the Lubin Foundation Requirement in Quantitative Reasoning are applied to the University Core.

(See University Core Curriculum Requirements for Lubin Students for more details.)

Lubin Foundation Requirement in Quantitative Reasoning (13 Credits)

ECO 105	Principles of Economics: Macroeconomics	3
ECO 106	Principles of Economics: Microeconomics	3
MAT 117	Elementary Statistics	4
	One Elective Course in Mathematics or Economics	3 Credits

(See Lubin Foundation Requirement in Quantitative Reasoning for more details)

Business Core (29 Credits)

BUS 101	Contemporary Business Practice	3
ACC 203	Financial Accounting	4
ACC 204	Managerial Accounting	4
FIN 260	Financial Management	3
LAW 150	Business Law I	3
MAR 201	Principles of Marketing	3
MGT 150	Managerial and Organizational Concepts	3
MGT 226	Business Analytics	3
MGT 490	Business Strategy	3

(See Business Core Requirements for more details.)

Major Requirements (15 Credits)

One International Course in a Business Discipline	3
Career Concentration	12

Open Electives (23-26 Credits)

Total Credit Hours: 120

Note: BUS 101 Contemporary Business Practice is waived for students who receive 45 credits or more toward the BBA degree for courses completed at other colleges or universities, through successful performance on recognized college-level examinations such as CLEP, and the experiential learning assessment process. General Business majors who are not required to take BUS 101 will take an additional three credits of Open Electives.

Minors

Students with sufficient open elective credits in their major program may wish to minor in an academic area of special interest. The Lubin School of Business offers the following minors. Some minors, as noted, are restricted to Lubin majors or to students majoring in specified non-business areas.

Policy on Lubin Specialized Minors

Minors in specialized business areas such as Arts and Entertainment Management, Sports Marketing, and Entrepreneurship may be taken by Lubin students with a major in the same general discipline as the minor. Students will be required to complete all the requirements for the minor and take at least 12 credits in courses which are over and above the requirements for the major. This is in addition to complying with University policy, which requires completion of at least one-half of the coursework for a minor at Pace and a minimum overall GPA of 2.00 for all courses required for a minor. In instances where there is an overlap of one or two courses with the major, students will be required to substitute other appropriate courses as approved by the Department or Undergraduate Program Chair to satisfy the 12-credit requirement. The first Business Core course required for the minor (e.g. MGT 150, MAR 201, FIN 260) may be counted toward fulfilling both the major and minor requirements.

(This policy does not apply to the following Lubin minors which may be taken only by students majoring in areas outside of the minor field: Accounting Minor, Finance Minor, Management Minor, Marketing Minor and Business Analytics (BA) Minor.)

Accounting Minor

The Accounting minor is designed to enable non-accounting Lubin majors to achieve a level of competency in accounting that will enhance their major program and broaden their career preparation.

Required Courses (14-16 Credits)

ACC 301	Intermediate Accounting I	4
ACC 302	Intermediate Accounting II	4

Select TWO courses from the following:

ACC 305	Internal Auditing I	3
ACC 306	Internal Auditing II	3
ACC 319	Cost Accounting	4
ACC 333	Advanced Accounting	4
ACC 354	International Accounting	3
ACC 366	Forensic Accounting	3
ACC 375	Accounting Information Systems	3
ACC 461	Auditing I	3

Prerequisites: ACC 203, ACC 204, ECO 105, ECO 106, Statistics (MAT 117 or MAT 134 or MAT 234), and Calculus (MAT 111 or MAT 131)

Total Credit Hours: 14-16

Arts and Entertainment Management Minor (NYC)

New York City is one of the world's great epicenters for arts and entertainment. If your goal is to work in these industries, the Arts and Entertainment Management minor is an excellent way to boost your competitiveness in this field. This minor is designed for students with an interest in pursuing a career in the arts or entertainment industries. It is open to students in any major, but is particularly suited to performing arts students who want to learn the business side of the industry; media and communication students who want to develop industry-specific business skills; and business majors who want to learn more about this particular set of industries. The program leverages our New York City location as one of the arts and entertainment capitals of the world.

Required Courses (6 Credits)

MGT 235	Arts and Entertainment Management	3
---------	-----------------------------------	---

Select one of the following courses:

BUS 101	Contemporary Business Practice	3
MAR 201	Principles of Marketing	3
MGT 150	Managerial and Organizational Concepts	3

Elective Courses (9 credits)

9 Credits of 300-level Electives are required. Select TWO courses from Group A and ONLY ONE course from Group B, **OR** select THREE courses from Group A:

Group A Electives

MGT 312	Event Management	3
MGT 365	Managerial Negotiations	3
MGT 370	Managing Creativity	3
MGT 371	Managing Entertainment Projects	3
MGT 372	Managing Stakeholder Relationships in the Arts	3
MGT 373	Technology Innovation and the Arts	3
MGT 374	New Venture Creation for the Arts and Entertainment Industry	3
MGT 375	Management in the Business of Music	3
MGT 394A	Management Internship	0 - 6

Group B Electives

MAR 221	Fundamentals of Advertising and Promotion	3
MAR 363	Special Events Marketing for Arts, Entertainment and Sports	3
MAR 366	Sports Sponsorship	3
LAW 317	Sports and Entertainment Law	3

Total Credit Hours: 15

Business Analytics (BA) Minor (NYC)

The Business Analytics minor is designed to enable non-BA majors to achieve competency in quantitative modeling and data analysis that will enhance their career preparation. This minor will provide students with the tools and skills needed to use quantitative data effectively in making business decisions in any field.

Required Courses (14 Credits)

MGT 226	Business Analytics	3
---------	--------------------	---

Choose ONE of the following courses

CIS 143	Introduction to SQL for Business	2
MGT 227	Introduction to SQL for Business	2
CIT 241	Database Management	4

Select any TWO courses from the following:

CIT 201	Introduction to Programming Using Python	3
MGT 351	Introduction to Programming for Data Science	3
CIT 348	Data Mining	4
MGT 388	Data Mining for Business	4
MGT 350	Operations and Supply Chain Management	3
MGT 353	Predictive Analytics	3
MGT 356	Simulation and Risk Analysis	3
MGT 386	Optimization Models	3

For CIT 201 and CIT 348, must take sections designated for Lubin students.

Elective Course

Select any ONE course from the following:

One from the above MGT/CIT courses, which have not already been selected		
ACC 375	Accounting Information Systems	3
CS 325	Introduction to Data Mining	4
CS 387	Database Design	4
CIT 346	Database Programming	4
ECO 385	Econometrics: Models and Organizations	3
FIN 325	Data Analysis in Finance	3
MGT 357	Project Management for Business	3
MAR 368	Visual Analytics	3
MAT 218	Intermediate Statistics	3
MAT 222	Applied Multivariable Statistical Methods	3

Total Credit Hours: 14

Business Minor for Non-Business Students

This minor may be taken in conjunction with any non-business major. The list of subjects may be extended or substitutions may be made depending on the student's interests. Upper-sophomore standing (completion of 48 college credits) is a prerequisite for MAR 201 and MGT 150. Students successfully completing this minor with a minimum grade of "B" in each course will satisfy the foundation courses in accounting and economics required for the MBA at Pace University and many other institutions.

Not Open to Lubin Majors.

Required Courses (30 Credits)

ACC 203	Financial Accounting	4
ACC 204	Managerial Accounting	4
CIS 101	Introduction to Computing	3
ECO 105	Principles of Economics: Macroeconomics	3
ECO 106	Principles of Economics: Microeconomics	3
MAT 104	Finite Mathematics	3
MAT 117	Elementary Statistics	4
MAR 201	Principles of Marketing	3
MGT 150	Managerial and Organizational Concepts	3

Total Credit Hours: 30

Tax Minor

The Tax Minor is designed for students interested in the challenging and rewarding field of taxation. While it is open to all students, it is very well suited for accounting majors in the 150-credit BBA Public Accounting major, which is a CPA qualifying program. The Tax Minor provides CPA majors with an area of study related to their accounting major and prepares them for careers in tax accounting, an area where many CPAs specialize.

Required Courses (9 Credits)

TAX 250	Federal Income Taxation I	3
TAX 311	Federal Income Taxation II	3
TAX 315	Federal Tax Practice, Procedure and Research	3

Tax Elective Courses (6 Credits)

Select TWO courses from the following:

TAX 313	Federal Corporate Taxation	3
TAX 314	Federal Taxation of Flow-Through Entities	3
TAX 327	State and Local Taxation	3
TAX 328	International Taxation	3
TAX 394	Taxation Internship	0 - 6

Total Credit Hours: 15

Digital Marketing Minor

Description

The digital marketing minor exposes students to the evolving digital marketing environment with an introduction to both online marketing and information technology. Taking courses in both the Lubin School of Business and the Seidenberg School of Computer Science and Information Systems, students can tailor their degree to their specialized interests in visual analytics, web authoring, cybersecurity, design thinking and/or emerging technologies. The digital marketing minor requires 9 credits in marketing and/or information systems covering topics such as search engine optimization, social media, mobile technologies, data science, visual analytics and ecommerce.

Degree Requirements

Required Courses 9 credits

MAR 201	Principles of Marketing	3
MAR 375	Social Media in Marketing	3
MAR 349	Strategic Internet Marketing	3

Select any TWO from the list below 6-8 Credits

MAR 368	Visual Analytics	3
MAR 221	Fundamentals of Advertising and Promotion	3
MAR 349	Strategic Internet Marketing	3
CIT 231	Web Authoring and Digital Media	4
CIT 221	Global Networking Technology	4
CIT 241	Database Management	4
CIT 251	Computer Security Overview	4
CIS 102Y	Topics: Design Thinking and Innovation	3

Entrepreneurship Minor

This minor prepares students for careers in entrepreneurship and small business. It focuses on providing students with the skills that they will need to initiate and manage business ventures, including developing business concepts and investigating the feasibility of those ideas.

Required Courses (6-9 Credits)

BUS 101	Contemporary Business Practice	3
MGT 150	Managerial and Organizational Concepts	3
MGT 216	Venture Initiation and Entrepreneurship	3

(BUS 101 is required for non-Lubin majors only.)

Elective Courses (9 Credits)

Select THREE courses from the following:

MGT 315	Small Business Management	3
MGT 317	Human Capital in Entrepreneurship	3
MGT 319	International Entrepreneurship	3
MGT 320	Entrepreneurial Implementation	3
MGT 365	Managerial Negotiations	3

Total Credit Hours: 15-18

Fashion Marketing Minor

The fashion industry has seen considerable growth in all segments of the retail industry from mass market to luxury and designer retailers. With this in mind, students will explore the core marketing activities surrounding the world of fashion. Students will learn marketing principles, practices, and policies used by fashion manufacturers, wholesalers, and retailers.

Required Courses (9 Credits)

MAR 201	Principles of Marketing	3
MAR 361	Retail Management	3
MAR 365	Fashion Marketing	3

Marketing Electives (6 Credits)

Select TWO courses from the following:

MAR 221	Fundamentals of Advertising and Promotion	3
MAR 223	Consumer Behavior	3
MAR 332	Selling and Sales Management	3
MAR 362	Retail Buying and Visual Merchandising	3
MAR 363	Special Events Marketing for Arts, Entertainment and Sports	3
MAR 394	Marketing Internship	0 - 6

Total Credit Hours: 15

Finance Minor

The Finance minor is intended to provide non-finance majors with a specialization in finance which will complement their major coursework. It is open only to non-finance Lubin majors and students enrolled in the following non-business majors: information systems, computer science, economics, and mathematics.

Required Courses (15 Credits)

FIN 260	Financial Management	3
FIN 320	Corporate Finance	3
FIN 351	Principles of Investment	3
FIN 358	International Finance	3

Note: Economics majors may substitute ECO 360, ECO 362, or ECO 364 for FIN 358.

Select ONE course from the following:

Any 300 level Finance course not listed above

ECO 238	Money and Banking	3
ECO 240	Quantitative Analysis and Forecasting	4
ECO 325	Money and Capital Markets	3
ECO 327	Economics of Financial Institutions	3
CIT 312	Introduction to Programming I	4
CIT 221	Global Networking Technology	4
MGT 356	Simulation and Risk Analysis	3
MAT 255	Numerical Methods	3

Prerequisites: ACC 203, ACC 204, ECO 105, ECO 106, Statistics (MAT 117 or MAT 134 or MAT 234), and Calculus (MAT 111 or MAT 131)

Total Credit Hours: 15

Hotel and Tourism Management Minor

New York City is one of the top global destination for hospitality (restaurants and hotels) and tourism. In 2001 the City hosted 33 million tourists and in 2018 the City hosted 62.8 million tourists. All of the industries related to hospitality and tourism need managers, accountants, marketing, legal, and financial professionals. Students will find this minor is ideal for using their knowledge and skills in an exciting, dynamic field, internationally and domestically.

Required Course (3 credits)

MGT 208	Travel and Tourism Management	3
---------	-------------------------------	---

Business Course (3 credits)

Choose one course:

BUS 101	Contemporary Business Practice	3
	OR	
MGT 150	Managerial and Organizational Concepts	3

Minor Electives (9 credits)

Choose three courses (nine credits):

MGT 306	Service Management	3
MGT 308	Travel and Tourism Management	3
MGT 309	Restaurant and Foodservices Management	3
MGT 311	Hospitality and Tourism Technology and Design	3
MGT 312	Event Management	3
MGT 313	Cruise Industry Management	3
MGT 393	Hospitality and Tourism Management Internship	3
LAW 316	Legal Environment of Hospitality and Tourism	3

Total Credit Hours: 15

Internal Auditing Minor

Since Sarbanes-Oxley, the demand for internal auditors has expanded. As a result, internal auditors are in high demand and the field of internal auditing is one of the top five growing professions.

Students in this minor will learn the fundamental role of internal auditing in a free-market environment and the importance of that role to corporate governance. They will develop audit judgment and an ethical framework to guide actions; understand the client's business environment and how to apply the risk assessment model to each audit; and master advanced audit techniques that simulate the real world. Specific attention is also given to concepts surrounding the auditing of information systems, privacy and security issues, and fraud auditing.

The Internal Auditing minor is open to accounting majors and is an attractive option for other Lubin business majors and students majoring in fields such as information systems and economics.

Required Courses (20-21 Credits)

ACC 203	Financial Accounting	4
ACC 204	Managerial Accounting	4
ACC 305	Internal Auditing I	3
ACC 306	Internal Auditing II	3
ACC 366	Forensic Accounting	3
ACC 375	Accounting Information Systems	3
	OR	
CIT 342	Systems Analysis and Design	4

NOTE: Accounting majors must take CIT 342; non-accounting majors must take ACC 375.

Total Credit Hours: 20-21

Law Minor

The Law minor emphasizes the study of legal cases and systems and is intended for both business and non-business students who wish additional concentrated study in law. Students may begin their studies with Law 101, Business Law I, or with Law 214, Introduction to Law and the American Legal System. The courses offered in this minor help students to develop rigorous critical thinking and advanced communication skills. Admission to law school generally requires a high grade point average, as well as satisfactory performance on the Law School Admission Test (LSAT). While law schools usually do not prescribe any one particular undergraduate course of study for admission, students should obtain information on the specific admission requirements for the schools that they plan to attend. Legal Studies faculty members are available to advise students considering a legal career.

Required Courses (3 Credits)

Select ONE course from the following:

LAW 150	Business Law I	3
LAW 214	Introduction to Law and the American Legal System	3

Elective Courses (12 Credits)

Select FOUR courses from the following:

LAW 245	Mock Trial Seminar	3
LAW 303	Constitutional Law	3
LAW 310	Employment Law	3
LAW 312	Business Law II	3
LAW 316	Legal Environment of Hospitality and Tourism	3
LAW 317	Sports and Entertainment Law	3
LAW 318	Intellectual Property Law	3
LAW 320	Digital Media Law	3
LAW 322	Marketing Law	3
LAW 325	International Business Law	3
LAW 360	Advanced Business Law	4
LAW 394	Law Internship	0 - 6
LAW 396	Special Topics in Law	3
CRJ 305	Criminal Law	3
TAX 250	Federal Income Taxation I	3

Note: LAW 101 is a prerequisite for LAW 312 and LAW 360.

Pre-Law Advisers: The following Legal Studies faculty are registered with the Law School Admission Council (LSAC) and available to provide guidance and advice on the Law School application process and answer questions about legal careers: New York City Campus: Professor Frank Colella (fcolella@pace.edu); Westchester Campus: Professor Roy J. Girasa (rgirasa@pace.edu)

Total Credit Hours: 15

Pre-Law Minor

This interdisciplinary Pre-Law minor is intended for all undergraduate students considering a legal career. Through study in law as well as many liberal arts subjects, students develop critical thinking and communication skills, and an awareness of ethical considerations that are important for success in the study of law and in the legal profession. Admission to law school generally requires a high grade point average, as well as satisfactory performance on the Law School Admission Test (LSAT). While law schools usually do not prescribe any one particular undergraduate course of study for admission, students should obtain information on the specific admission requirements for the schools that they plan to attend. Legal Studies faculty members are available to advise students considering a legal career. For list of Pre-Law Advisers, click [here](#).

Required Courses (15 Credits)

Select ONE course from the following:

LAW 150	Business Law I	3
LAW 214	Introduction to Law and the American Legal System	3

Select ONE course from four of the areas listed below:

Business Law

LAW 245	Mock Trial Seminar	3
---------	--------------------	---

LAW 310	Employment Law	3
LAW 312	Business Law II	3
LAW 316	Legal Environment of Hospitality and Tourism	3
LAW 317	Sports and Entertainment Law	3
LAW 318	Intellectual Property Law	3
LAW 320	Digital Media Law	3
LAW 322	Marketing Law	3
LAW 325	International Business Law	3
LAW 360	Advanced Business Law	4
LAW 396	Special Topics in Law	3

Note: LAW 150 is a prerequisite for LAW 312 and LAW 360.

Constitutional Law or History

LAW 303	Constitutional Law	3
HIS 260	Constitutional History of the United States	3

Communications

COM 119	Organizational Communication	3
SPE 203	Persuasive Speaking	3

Logic

PHI 152	Critical Thinking	3
PHI 253	Logic	3

Ethics

PHI 115	Normative Ethics: Contemporary Moral Problems	3
PHI 121	Ethics in the Workplace	3

History/Politics

HIS 113F	The American Experience: The American Constitution and the Presidency	3
POL 111	American Government and Political Institutions	3
HIS 215	American Social and Cultural History	3
HIS 216	History of Human Rights	3
HIS 264	History of the American Presidency 1900 - Present	3

Note: HIS 264 offered on the Pleasantville campus only.

Total Credit Hours: 15

Management Minor

The Management minor is designed to give non-management majors exposure to management topics useful for career preparation in a variety of organizational settings. By selecting suitable electives in consultation with an adviser, students can explore topics such as human resources management, hospitality and tourism management, entrepreneurship, or international management.

Required Courses (6 Credits)

MGT 150	Managerial and Organizational Concepts	3
MGT 222	Organizational Behavior	3

Elective Courses (9 credits)

Select any THREE Management elective courses.

Note: Business majors may not apply MGT 226 and MGT 490, which are required as part of the Business Core, to the Management Minor.

Total Credit Hours: 15

Marketing Minor

The Marketing minor allows non-marketing majors to explore topics in various marketing fields. Through the selection of appropriate electives, students can explore a variety of topics, including international marketing, advertising, fashion marketing, sports marketing, or marketing management.

Required Courses (3 Credits)

MAR 201	Principles of Marketing	3
---------	-------------------------	---

Elective Courses (12 Credits)

Select any FOUR Marketing Courses

Total Credit Hours: 15

Special Events Marketing Minor

The minor in Special Events Marketing provides students with specialized knowledge and a broad background in marketing that will prepare them for careers in special events marketing and planning. The minor is open to non-marketing majors in Lubin as well as to Dyson majors and other non-business students.

Required Courses (12 Credits)

MAR 201	Principles of Marketing	3
MAR 221	Fundamentals of Advertising and Promotion	3
MAR 342	Public Relations	3
MAR 363	Special Events Marketing for Arts, Entertainment and Sports	3

Marketing Elective (3 Credits)

Select ONE course from the following:

The courses listed below are recommended. Other marketing courses may be taken to satisfy this requirement.

MAR 222	Marketing Research	3
MAR 343	Direct Marketing	3
MAR 349	Strategic Internet Marketing	3
MAR 394	Marketing Internship	0 - 6

Total Credit Hours: 15

Professional Selling and Sales Management Minor

This minor will prepare students to initiate customer relationships, approach customers, deliver sales presentations, as well as be prepared to utilize sales methodologies appropriate for direct interaction with customers, team selling, and various activities that support the sale of goods and services.

Required Courses (12 Credits)

MAR 201	Principles of Marketing	3
MAR 223	Consumer Behavior	3
MAR 332	Selling and Sales Management	3
MAR 343	Direct Marketing	3

Marketing Elective (3 Credits)

Select ONE course from the following:

MAR 331	Managerial Marketing	3
MAR 342	Public Relations	3
MAR 344	Customer Relationship Management	3
MAR 394	Marketing Internship	0 - 6

Total Credit Hours: 15

Sports Marketing Minor

The Sports Marketing Minor is designed to provide students with the skills and tools needed to succeed in the global sports industry. Students will be introduced to the business of sports from a strategic marketing perspective, both in the classroom and through internships.

Required Courses (9 Credits)

MAR 201	Principles of Marketing	3
MAR 364	Sports Marketing	3
MAR 366	Sports Sponsorship	3

Elective Courses (6 Credits)

Select TWO courses from the following:

MAR 221	Fundamentals of Advertising and Promotion	3
MAR 331	Managerial Marketing	3
MAR 332	Selling and Sales Management	3
MAR 342	Public Relations	3
MAR 343	Direct Marketing	3
MAR 351	International Marketing	3
MAR 363	Special Events Marketing for Arts, Entertainment and Sports	3
LAW 317	Sports and Entertainment Law	3
MAR 394	Marketing Internship	0 - 6
MGT 216	Venture Initiation and Entrepreneurship	3
MGT 365	Managerial Negotiations	3
MGT 371	Managing Entertainment Projects	3

LAW 371, MGT 216, MGT 365 and MGT 371 require non Marketing courses as prerequisites. Consult Schedule Explorer for specific courses.

Total Credit Hours: 15

Certificate Programs in Business

The Lubin School of Business offers a number of certificate programs for students whose educational objectives can best be met by short-term concentrated study in business.

Admission Requirements: The certificate programs are open to non-degree adult students only. Admission to the certificate programs in business, with the exception of the certificate program in general business, requires junior standing (the completion of 64 college credits) or the equivalent. Completion of ENG 110-120 or the equivalent is a prerequisite for all certificate programs in business. Some certificate programs require students to also meet specific course prerequisite requirements. In special cases, prerequisites may be waived for students who have equivalent knowledge or preparation.

Transfer Credits: Students may transfer only one course (excluding ENG 110-120) completed with a grade of "C" or better to a certificate program. The acceptance of transfer credit for a specific certificate program is determined by the appropriate Lubin department

Requirements: Students are required to complete all course requirements for the certificate chosen and achieve a minimum cumulative GPA of 2.00 in order to receive a certificate. Application for the certificate should be made to the Office of Student Assistance (OSA) prior to completion of the program. In general, courses completed for a business certificate program may be applied to a BBA degree program in a related area.

Academic Advisement: Students who have questions about the certificate programs or need assistance in determining whether they qualify for admission should contact the Lubin Office of Undergraduate Academic Advisement located on the New York City and Pleasantville campuses.

Certificate Programs are offered in the following business areas:

Basic Accounting Certificate

Required Courses (20 credits)

ACC 203	Financial Accounting	4
ACC 204	Managerial Accounting	4
ACC 301	Intermediate Accounting I	4
ACC 302	Intermediate Accounting II	4
ACC 319	Cost Accounting	4

Total Credit Hours: 20

Gainful Employment Disclosure for students in an approved non-degree certificate program.

General Business Certificate

Required Courses (19 credits)

ACC 203	Financial Accounting	4
CIS 101	Introduction to Computing	3
ECO 105	Principles of Economics: Macroeconomics	3
LAW 101	Business Law I	3
MAR 201	Principles of Marketing	3
MGT 150	Managerial and Organizational Concepts	3

Prerequisite: MAT 103 or the equivalent. Upper sophomore standing (completion of 45 college credits) or a minimum of three years of relevant work experience is a prerequisite for MAR 201 and MGT 150.

Total Credit Hours: 19

Human Resources Management Certificate

Required Courses (15 credits)

MGT 150	Managerial and Organizational Concepts	3
---------	--	---

Select FOUR courses (12 credits) from the following:

LAW 310	Employment Law	3
MGT 222	Organizational Behavior	3
MGT 262	Human Resources Management	3
MGT 363	Training and Development	3
MGT 364	Organizational Theory and Development	3
MGT 366	Leadership Principles and Practice	3

Total Credit Hours: 15

Seidenberg School of Computer Science and Information Systems

Administration

For up-to-date information about Seidenberg School administrative and advising staff, please visit the School's Contact page.

Accreditation and Affiliation

The faculty within the school are active members of the Association for Computing Machinery (ACM) and the Institute of Electrical and Electronics Engineers, Inc. (IEEE). The school sponsors a chapter of the Upsilon Pi Epsilon (UPE) Honor Society for the Computing and Information Disciplines.

The Bachelor of Science program in Computer Science is accredited by the Computing Accreditation Commission (CAC) of ABET, Inc., www.abet.org

Pace University is a designated National Center of Academic Excellence (CAE) in Cyber Defense Education by the National Security Agency (NSA) and the Department of Homeland Security (DHS). The CAE-CDE program is intended to reduce vulnerabilities in the national information infrastructure by promoting higher education in cybersecurity and by producing a growing number of professionals with information assurance expertise in various disciplines. When available, students attending CAE-CDE schools are eligible for scholarships and grants through the Department of Defense Information Assurance Scholarship Program (IASP) and the Federal Cyber Service Scholarship for Service Program (SFS).

Learn more about the Seidenberg School's Awards, Accreditation, and Memberships.

Mission: Seidenberg School of Computer Science and Information Systems

The Seidenberg School of Computer Science and Information Systems aspires to innovative leadership in preparing men and women for excellence in professional work, lifelong learning and responsible participation in a new and dynamic information age. The school does this through a broad spectrum of educational and research programs on campuses in New York City and Westchester County, and at other locations with corporate partners from the local and global community.

The school has a unique role: it provides professional education in the computing disciplines, supporting education for programs in the other schools, general education for all students, and continuing education. Because change characterizes information technology, programs build upon a strong foundation in the arts and sciences, and emphasize competency in the theory and methodology of the computing disciplines. At the same time, programs are responsive to the rapid pace of technological development.

The school was founded in 1983 in creative response to the educational challenge and opportunity inherent in emerging disciplines, and is characterized by its core values:

- Excellent teaching that is informed by scholarship, professional practice and community service,
- The integration of theory and practice in teaching and scholarly activity,
- Currency in new technology and its application,
- Creative programs and partnerships with the local and global community,
- Attentiveness to professional and social responsibility.

The school values diversity and welcomes qualified students of various experiences and origins, whether regional, national, or international. It provides excellent service to students both within and outside the classroom. It uses the power of technology to offer broad opportunity to students and to enable them to achieve excellence. Throughout its programs and services, the Seidenberg School of Computer Science and Information Systems consistently recognizes that information technologies are tools for the empowerment of people.

Objectives of Seidenberg Programs

Consistent with the Pace tradition, the Seidenberg School seeks to integrate theory and practice in its programs and research. The design, development, analysis, application, and management of current computing systems comprise the broad spectrum over which the Seidenberg School creates, interprets, criticizes, and applies knowledge with strict attention to academic standards. Change characterizes information technology; of particular importance, therefore, is the development of competency in the foundation and methodologies of the discipline, in order to enable ongoing learning and effective response to change.

The Seidenberg School is dedicated to the service of people of all ages of every race and culture through educational programs that develop skills, enhance individual and community effectiveness, extend knowledge, and enhance critical understanding of the culture. The educational process is undertaken with concern for the development of personal, professional, and social responsibility.

The Seidenberg School offers undergraduate programs in Computer Science (BS and BA), Information Systems (BS), Information Technology (BS), and Professional Computer Studies (BS). Graduates of all programs are prepared for a variety of professional positions, including those in cybersecurity, software development, robotics, artificial intelligence, mobile app development, UX/IX, and a number of specialized positions that would depend upon the student's concentration and elective choices. In addition to these majors, the Seidenberg School offers minors in Computer Science, Information Technology, and Information Assurance for the Criminal Justice System.

The BS program in Computer Science is a professional program that is accredited by the Computing Accreditation Commission (CAC) of ABET. The curriculum is based upon programming languages, algorithms and data structures, computer organization and architecture, operating systems, the Internet computing, and theoretical foundations. It includes advanced work in various areas including software engineering, security, operating systems, compilers, artificial intelligence, graphics, mobile computing, web computing and data mining. Program requirements include the liberal arts core and other academic requirements that specifically apply to the Bachelor of Science degree.

The BS program provides excellent preparation for graduate study in computer science or for professional placement. The BA program in computer science shares the computer science core with the BS program and is structured in a way that allows more program diversity for the student who wishes to pursue a minor in information technology, Web media, information assurance for the criminal justice system, business or one of the arts and sciences.

The BS program in Information Systems is designed to provide the student with current technical skills and knowledge of those information systems concepts that remain constant in the face of technological change, as well as detailed awareness of a cohesive body of knowledge to prepare students to function effectively as an IS professional in the IS environment. The continual appearance of new and increasingly powerful software tools for applications development, as well as the availability of low-cost hardware, has created new organizational approaches to building computer information systems.

The Seidenberg School of Computer Science and Information Systems has responded to the growing market for competent information technology (IT) professionals by developing the BS in Information Technology. First offered in fall 2010, this rapidly growing program is characterized by flexibility, hands-on practical projects, and a real-world internship option. The program allows students to combine an area of personal interest with a solid foundation in IT in preparation for careers that are satisfying, financially rewarding and in demand.

The BS in Professional Computer Studies has been developed for those computer professionals with considerable on-the-job experience who would benefit from having a baccalaureate degree in computing and would most likely be interested in pursuing a master's degree in a computer-related field once the undergraduate requirements are completed. This degree program supplements the regular baccalaureate offerings in computer science, information systems, and information technology.

The BS in Professional Technology Studies is an online accelerated degree program designed to prepare students for successful professional careers in a global economy in the midst of rapid technological change. There are two concentrations from which to choose: Telecommunications and Computer Forensics. The Telecommunications concentration is primarily for individuals already working within the telecommunications industry. Computer Forensics is for those interested in preparing to enter this in-demand field. The BS program in professional technology studies is an innovative, online accelerated degree program for adults who have experience in the workplace and an AS or AA degree or the equivalent (64 credits).

All of the Seidenberg programs are supported by a broad range of state-of-the-art computer facilities. They are complemented by fully equipped PC and Mac laboratories. Academic Computing laboratories are located at several sites throughout the University. Peer consultants offer individual assistance to students using lab equipment and software.

Degree Programs

Business Administration in Information Systems

(See Lubin School of Business Section)

Computer Science Major B.A.

Bachelor of Arts

University Core

(See University Core Curriculum section (p. 137))

University Core (44-53 credits)

Seidenberg majors are required to complete the MAT 131 and CS 121 from the Foundation Requirements, and are required to complete two courses from each of the four Areas of Knowledge.

Computing Core

22-26 Credits**

** Students must earn a grade of "C" or better in each prerequisite course to take subsequent CS courses.

CS 121	Computer Programming I	4
CS 113	Mathematical Structures for Computer Science	4
CS 122	Computer Programming II	4
CS 232	Computer Organization	4
CS 241	Data Structures and Algorithms	4
CS 271	Fundamentals of UNIX and C Programming	2

*CS 121 is shared with the University Core

Advanced Required Courses

8 Credits

CS 242	Algorithms and Computing Theory	4
CS 488	Computer Networks and the Internet	4

Advanced Electives

8 Credits

CS	Advanced Electives in CS	8
----	--------------------------	---

Mathematics

12 Credits*

MAT 131	Calculus I	4
MAT 132	Calculus II	4
MAT 234	Introduction to Probability and Statistical Analysis	4

* MAT 131 is shared with the University Core.

Minor (15 – 19)

MINOR COURSES: Students in the BA/CS program will enhance their major with a minor or concentration offered by Pace University. For the purpose of illustration, we detail minors in Information Technology, Computer Information Technology and Information Assurance for the Criminal Justice System (cybersecurity). Other minors may be selected from one of the many disciplines within another Pace School. For example, the Digital Design minor, Economics minor etc can be satisfied by the required courses as approved by the relevant school. Once the minor requirement is fulfilled, the completion of 120 credits can be satisfied through elective courses.

Sample Minors for the BA in Computer Science

Seidenberg BA CS students can take a minor from within the Seidenberg School, for example Computer Information Technology (15-16 credits) or Information Assurance in the Criminal Justice System (19 credits).

For the CIT minor, students can take either Option 1 (4 CIT courses) or Option 2 (a blend of CIS civic engagement courses and CIT courses).

The minor in Information Assurance in the Criminal Justice System is a pathway to a career in cybersecurity.

Other popular minors within other Pace schools for BA CS students include Digital Design, Mathematics, Economics, Marketing and General Business.

Computer Information Technology Minor

Select three of the following

CIT 211	Introduction to Computer Systems	4
CIT 221	Global Networking Technology	4
CIT 231	Web Authoring and Digital Media	4
CIT 241	Database Management	4
CIT 251	Computer Security Overview	4

Information Assurance for the Criminal Justice System Minor

CRJ 150	Introduction to Criminal Justice	3
CRJ 247	Introduction to Private Security	3
CRJ 346	Terrorism and Society	3
CIT 251	Computer Security Overview	4
CIT 352	Network and Internet Security	3
CIT 354	Computer Forensics	3

Web Media Minor

CIT 221	Global Networking Technology	4
CIT 231	Web Authoring and Digital Media	4
CIT 251	Computer Security Overview	4
CIT 336	Web Scripting	4

Open Electives

1-18 Credits

UNV 101	First-Year Seminar: Introduction to University Community	1
---------	--	---

UNV 101 Freshmen Seminar is required for all new freshmen.

Total Credit Hours: 120

**Note: ENG 105 C&D, MAT 100, and MAT 103 cannot be used towards the 120 credits for graduation*

Computer Science Major B.S.

Bachelor of Science

University Core

(See University Core Curriculum section (p. 137))

Students have to complete the foundation requirements classes MAT 131 and CS 121, as well as one Lab Science course in BIO 101, CHE 111, PHY 111, or ENV 222. Seidenberg majors are also required to complete two courses from each of the four Areas of Knowledge, one of which must be MAT 234.

Computing Core

21 Credits

CS 113	Mathematical Structures for Computer Science	4
CS 121	Computer Programming I	4
CS 122	Computer Programming II	4
CS 232	Computer Organization	4
CS 241	Data Structures and Algorithms	4
CS 271	Fundamentals of UNIX and C Programming	2
CS 312	Research Methods in Computers and Society	3

*CS 121 is shared with the University Core

Advanced Required Courses

24 Credits

CS 242	Algorithms and Computing Theory	4
CS 331	Security in Computing	4
CS 361	Programming Languages and Implementation	4
CS 371	Operating Systems and Architecture	4
CS 389	Software Engineering	4
CS 488	Computer Networks and the Internet	4

Advanced Electives

8 Credits

Students can take 2-3 Advanced Elective courses for a total of 8 credits.

CS	Advanced Electives in CS	8
----	--------------------------	---

Mathematics

12 Credits

MAT 131	Calculus I	4
MAT 132	Calculus II	4
MAT 234	Introduction to Probability and Statistical Analysis	4

*MAT 131 and MAT 234 are shared with the University Core.

Science and Technology

4 Credits

Science	CHE 112 PHY 112 BIO 102	4
---------	-------------------------	---

Free Electives

3-11 Credits

UNV 101	First-Year Seminar: Introduction to University Community	1
---------	--	---

UNV 101 Freshmen Seminar is required for all new freshmen.

Total Credit Hours: 120

*Note: ENG 105 C&D, MAT 100, and MAT 103 cannot be used towards the 120 credits for graduation

Information Systems Major BS

Bachelor of Science

University Core

(See University Core Curriculum section (p. 137))

Required foundation courses include MAT 111 and CIS 101. Seidenberg majors are required to complete two courses from each of the four Areas of Knowledge, including MAT 234 and ECO 106.

Information Systems Core

32 Credits

CIT 211	Introduction to Computer Systems	4
CIT 221	Global Networking Technology	4
CIT 241	Database Management	4
CIT 312	Introduction to Programming I	4
CIT 314	Introduction to Programming II	4
CIT 322	Distributed Computing	4
CIT 342	Systems Analysis and Design	4
CIT 481	Capstone in Information Technology OR	4
CIT 471	Information Technology Internship	4

Electives

11- 12 Credits

The student will select three (3) of the following courses by advisement:

CIT 231	Web Authoring and Digital Media	4
CIT 251	Computer Security Overview	4
CIT 316	Visual Basic Programming	4
CIT 332	Multimedia and User Interface Design	4
CIT 336	Web Scripting	4
CIT 344	Project Management	4
CIT 346	Database Programming	4
CIT 348	Data Mining	4
CIT 352	Network and Internet Security	3
CIT 354	Computer Forensics	3
CIT 356	Operating Systems Concepts	4

Mathematics

4 Credits

CS 113	Mathematical Structures for Computer Science	4
MAT 111	Elementary Calculus I	3
MAT 234	Introduction to Probability and Statistical Analysis	4

MAT 111 and MAT 234 are shared with the University Core.

IS Environment

17 Credits

ACC 203	Financial Accounting	4
ACC 204	Managerial Accounting	4
ECO 105	Principles of Economics: Macroeconomics	3
MGT 150	Managerial and Organizational Concepts	3
MAR 201	Principles of Marketing	3

Electives

2-12 Credits

UNV 101	First-Year Seminar: Introduction to University Community	1
---------	--	---

UNV 101 Freshmen Seminar is required for all new freshmen.

Total Credit Hours: 120

** Note: ENG 105 C&D, MAT 100, and MAT 103 cannot be used towards the 120 credits for graduation.*

Information Systems Major BBA

(See Lubin School Of Business Section)

Information Technology Major BS

Bachelor of Science

University Core

(See University Core Curriculum section (p. 137))

To fulfil the BS in IT's foundation requirements, students must take MAT 104 and CIT 110. Seidenberg majors are required to complete two courses from each of the four Areas of Knowledge, including MAT 117.

IT Foundation

24-27 Credits

CIT 110	Introduction to Information Technology	3
CIT 211	Introduction to Computer Systems	4
CIT 221	Global Networking Technology	4
CIT 231	Web Authoring and Digital Media	4
CIT 241	Database Management	4
CIT 251	Computer Security Overview	4
CIT 481	Capstone in Information Technology	4
	OR	
CIT 471	Information Technology Internship	4

IT Career Focus Areas

10 -12 Credits

Choose one focus area with a minimum of 3 courses.

Security Focus

CIT 312	Introduction to Programming I	4
CIT 352	Network and Internet Security	3
CIT 354	Computer Forensics	3
CIT 356	Operating Systems Concepts	4

Software Development Focus

CS 113	Mathematical Structures for Computer Science	4
CIT 312	Introduction to Programming I	4
CIT 314	Introduction to Programming II	4
CIT 342	Systems Analysis and Design	4

Web and Digital Media Focus

CIT 322	Distributed Computing	4
CIT 332	Multimedia and User Interface Design	4
CIT 344	Project Management	4

Networking Focus

CIT 312	Introduction to Programming I	4
CIT 322	Distributed Computing	4
CIT 352	Network and Internet Security	3

Information Management Focus

CIT 342	Systems Analysis and Design	4
CIT 344	Project Management	4
CIT 346	Database Programming	4
CIT 348	Data Mining	4

Computer Forensics Focus

CIT 361	Forensic Investigation, Acquisition, and Analysis of Digital Evidence	4
CIT 363	Computer Forensics, Cyber Law and Evidence Admissibility	4
CIT 365	Mobile Device Forensics	4

Interdisciplinary Focus – (9)

Design a 3-course sequence from any discipline, with the approval of the department chair, totaling a minimum of 9 credits. See example below.

Criminal Justice

CRJ 150	Introduction to Criminal Justice	3
CRJ 247	Introduction to Private Security	3
CRJ 346	Terrorism and Society	3

Management Science

MGT 355	Management Science and Production Management Concepts	3
MGT 356	Simulation and Risk Analysis	3
MGT 456	Advanced Operations Research Models	3

Free Electives

19-30 Credits

UNV 101	First-Year Seminar: Introduction to University Community	1
---------	--	---

UNV 101 Freshmen Seminar is required for all new freshmen.

Total Credit Hours: 120

**Note: ENG 105 C&D, MAT 100, and MAT 103 cannot be used towards the 120 credits for graduation .*

Professional Computer Studies Major BS

Bachelor of Science

The BS in Professional Computer Studies is offered by the Seidenberg School of Computer Science and Information Systems with supporting services provided by Pace University's Adult & Continuing Education office. This office has traditionally been responsible for lending support to the adult undergraduate student and for evaluating life experience for academic credit.

Students enrolling in the program will be permitted to convert their practical experience into Experiential Learning (ELA) credits. ELA credits can be applied to both the computer studies concentration and elective components of the curriculum. The application of ELA credits will be determined by Seidenberg faculty with the assistance of the Adult & Continuing Education office.

University Core

(See University Core Curriculum (p. 137) section)

Students have to complete a foundation of one approved math course and one approved computing foundation course.

Computing Concentration

24 Credits

(At Least 12 credits have to be taken at Pace)

Electives

44 Credits

UNV 101

First-Year Seminar: Introduction to University Community

1

Total Credit Hours: 120

**Note: ENG 105 C&D, MAT 100, and MAT 103 cannot be used towards the 120 credits for graduation.*

Professional Technology Studies, BS

Bachelor of Science

The BS in Professional Technology Studies is an accelerated degree program designed to prepare students for successful professional careers in a global economy in the midst of rapid technological change. It incorporates a concentration in either Web and Digital Media or Computer Forensics with courses in the liberal arts and sciences. The program is for adults who have experience in the workplace and an AS or AA degree or the equivalent (64 credits).

The BS in professional technology studies is offered through the Seidenberg School of Computer Science and Information Systems and supported by Pace University's Division of Adult Enrollment Services. This division has traditionally been responsible for lending support to the adult undergraduate student, evaluating prior college-level credit, and evaluating life experience for academic credit.

Web and Digital Media Concentration (120)

Transfer Credits (56-64)

Required Major Courses:

9 courses

IT Foundation (35)

5 courses

CIT 211	Introduction to Computer Systems	4
CIT 221	Global Networking Technology	4
CIT 231	Web Authoring and Digital Media	4
CIT 241	Database Management	4
CIT 251	Computer Security Overview	4

Career Focus: Web and Digital Media

4 courses

CIT 332	Multimedia and User Interface Design	4
CIT 334	Technical Writing	4
CIT 336	Web Scripting	4
MAR 349	Strategic Internet Marketing	3

Liberal Arts and Science Electives (21-29)

Subtotal: 120

Computer Forensics Concentration (120)

Program takes 2 1/2 years to complete and is comprised of seven 12-week terms.

This program is offered through the iPace Online Degree Completion program. This degree from Pace's Seidenberg School of Computer Sciences and Information Systems offers a concentration in Computer Forensics.

Transfer Credits (56-64)

Computer Forensic Courses – (56)

AIT 103	Online Seminar	1
CIS 101	Introduction to Computing	3

School of Education

General Information: School of Education

Administration - School of Education

Harriet R. Feldman, PhD, RN, FAAN, Interim Dean
 Peter McDermott, PhD, Department Chair and Professor of Education
 Clarissa Cylich, MBA, Assistant Dean Budget and Finance
 Erika Altolaquirre, BS, Interim Executive Director of Assessment and Planning
 Desiree Narciso, BBA, Director of Marketing and Communications
 Linda Guyette, MFA, Director for Student Success, Westchester
 Sydney Andino-Briglall, BA, Assistant Director for Student Success, NYC
 Lynn Deluca, MA, Director of School Partnerships, NYC
 Bill Kovari, Director of Educational Technology and Certification Officer

Accreditation and Affiliations - School of Education

The following School of Education programs are nationally recognized by the national professional associations listed:

- Teaching Adolescents Biology National Science Teachers Association
- Teaching Adolescents Chemistry National Science Teachers Association
- Teaching Adolescents Earth Science National Science Teachers Association
- Teaching Adolescents English National Council of Teachers of English
- Teaching Adolescents Mathematics National Council of Teachers of Mathematics
- Teaching Adolescents Physics National Science Teachers Association
- Teaching Adolescents Social Studies National Council for Social Studies
- Teaching Children (Childhood Education) Association for Childhood Education International

All Pace School of Education teacher certification programs are registered with and approved by the New York State Education Department. The Pace University School of Education is accredited by the Council for the Accreditation of Educator Preparation (CAEP). Pace University is also Middle States Accredited.

Vision Statement: School of Education

Making Education Public

The more we discuss education publicly, the better opportunities our schools can create for our children. Education and opportunity are inherently intertwined. We believe that our public schools directly shape our society for generations to come. An inclusive society demands inclusive public schools. At Pace University, we prepare inclusive teachers to systematically honor the unique learning needs of every child, the unique gifts of every community, and the unique potential of education to transform a family's future. And it all starts with *making education public*.

Mission and Conceptual Framework: School of Education

The mission of the School of Education is to affect quality teaching and learning in public and private early childhood, childhood, secondary, and non-school settings by preparing educators who are reflective professionals who promote social justice, create caring classroom and school communities, and enable all students to be successful learners.

The School of Education believes that a fundamental aim in education is to nurture the development and growth of human potential within a democratic community. Therefore, we prepare graduates of our programs to be:

- **reflective professionals who**
- **promote social justice,**
- **create caring classroom and school communities and**
- **enable all students to be successful learners.**

These themes form the conceptual framework for the outcomes of the School of Education Programs and guide every aspect of preparing educators for K-12 settings through planning, assessment and evaluation at both candidate and program levels.

As **reflective professionals**, our candidates learn to appreciate the continuity between theory and practice, and seek an understanding of themselves in relation to others as part of an evolving historical process. Our candidates are expected to take multiple perspectives, and to become self-conscious about their own learning. At Pace, we understand that reflective practice is the

lens through which teacher educators and candidates see our professional lives. The reflective process is promoted through class discussions, course readings and assignments, case studies, field experiences, self-assessment, and student teaching.

To become professionals who **promote justice**, our candidates learn to address justice and equity in the following areas: protection under the law, distribution and use of material and other resources and access to opportunities within and among nations. As we understand it, justice also implies a balance between the rights of individuals and the needs of society. Through challenging coursework and varied field experiences our candidates are provided with multiple opportunities to recognize injustice and to learn how they can promote justice both within and without their classrooms.

Caring classrooms and school communities are seen as places where an "ethic of care" is developed and as places for instructional excellence. At Pace, we draw on our own experience of working in a caring community among faculty, staff, and candidates to model and nurture our candidates by coming to know, respect, and learn from one another. We see our classrooms as places where mutual respect and learning provides candidates with a framework for future practice.

Our fourth theme is both the culminating framework element for all our programs and the ultimate goal of our School of Education. **Enabling all students to be successful learners** conveys our awareness of the diversity within American schools and our respect for each student's prior experience and personal background. When we say **successful learners** we refer to students who develop active habits of questioning and inquiry; who are self-initiating problem posers and problem solvers; who seek to construct deep understandings about complex situations, based on prior knowledge; and who obtain the knowledge, skills, and dispositions to succeed in an ever-changing world. We expect our graduates to facilitate their students' application of multiple alternative strategies for coping with novel situations and enhance their ability to make connections across different experiences, events, information and time periods, and to reflect on their own learning processes.

The School of Education is charged with the responsibility of preparing educators who will embrace and promote teaching and learning as lifelong priorities. Through the work of our faculty and graduates, equipped with sound and rigorous knowledge, skills, dispositions, and a rich practice base, we can prepare professional educators who exemplify these themes.

School-Based Experiences and Centers for Professional Development

The Pace School of Education uses a unique design for providing school-based experiences for candidates through school partnerships called Centers for Professional Development. Candidates begin to spend time in the public schools of New York City or Westchester County with their first education course, TCH 201. At the point of admission to the School, candidates become part of a cohort group (typically 8-12 students per cohort) assigned to a Center for Professional Development (CPD) where they will have all of their school-based "field experiences," including student teaching. Each Center is in a public school serving a diverse population, responsive to our conceptual framework and in keeping with our vision of what it means to become a teacher prepared at Pace University. In the Childhood program, candidates are assigned to two mentor teachers, one who teaches students in grades 1-3 and one who teaches students in grades 4-6. In the Adolescent program, candidates are assigned to one mentor teacher who teaches students in grades 7-9 and one who teaches students in grades 10-12. Candidates return to the same school for at least four semesters, until they graduate, gradually increasing both the time they spend in the CPD and the responsibilities they undertake.

A Pace clinical faculty member is assigned to each CPD cohort and remains on-site in the school with the candidates until they complete the program, acting as a liaison between the candidates and their mentor teachers, between the cohort and their Pace education course professors, and between the CPD and the School of Education. Coursework links directly to these field experiences through readings, assignments, and class discussions; and teaching faculty and clinical faculty work together to help candidates apply the theories of learning and teaching to school practice. Teaching faculty assign experiences for candidates to complete in the CPD and design rubrics and checklists that the clinical faculty use to assess the candidates' knowledge, skills, and dispositions. Teaching faculty visit the CPD sites and meet with the mentor teachers at least once during each semester.

In addition to structured field experiences linked to courses and student teaching, there are many other opportunities for students to spend extensive time in school settings doing meaningful work. Many of these opportunities also provide candidates with financial support for their study.

Center for Urban Education

The Center for Urban Education has programs to assist under-served people of all ages. Since 1986, CUE has been dedicated to improving the lives of low-income, first generation, college-bound students and new immigrant youth by offering educational opportunities.

CUE's programs include:

- **Teacher Opportunity Corps (TOC)** – A personalized mentoring program that supports the retention and professional development of future teachers studying at Pace University. The program supports the preparation of teacher candidates to become classroom educators and leaders who enable and empower students to learn and achieve, regardless of perceived limitations of abilities or environment, and celebrate the dynamic relationship between schools, families and communities to ensure the promise and integrity of students' aspirations.
- **Liberty Partnerships Program (LPP)** – The Liberty Partnerships Program at Pace University's School of Education is committed to opening a world of opportunity to approximately 250 high school students from under-resourced schools and

communities in New York City. By providing a broad range of academic support services, workforce preparation, family engagement, enrichment activities, mentorship and college counseling, LPP makes success a reality for high school students identified as at-risk for academic failure, and allows these students to develop the skills necessary to fulfill their goal of attending college.

- Upward Bound Program (UBP) – The Upward Bound (UB) program, based in the School of Education, is an academic program designed to generate and enhance the skills and motivation necessary for success not only in high school, but in higher education as well. The Upward Bound program is part of the US Department of Education’s TRIO program, which is a set of federally-funded college opportunity programs for students from disadvantaged backgrounds.

School of Education Facilities

The School of Education occupies Buchsbaum House on the Pleasantville campus, as well as the 11th floor at 163 William Street on the New York City campus.

On the Pleasantville campus, Buchsbaum House contains staff, faculty and department offices, a video conferencing room, computer stations and resource materials for lesson plan preparation, and a classroom.

The New York City faculty and staff are located on the 11th floor of 163 William Street.

Academic Policy

Entry into the School of Education

Upon acceptance to Pace University, students who indicate their interest in teacher preparation become designated as Pre-Teach students. In their first semester, students take a special section of UNV 101: Introduction to the Pace Community, taught by a staff member from the School of Education. In the Pre-Teach phase of the programs, students also complete two or three Education courses.

Before students advance into the Teach phase of the program and take any additional courses from the School of Education, they must apply and be formally admitted to the School. Students apply to the School of Education during the semester in which they have completed their 45 credits, including TCH 201. School of Education faculty and staff assist students with all aspects of the application. Once accepted, students become designated as Teaching Candidates.

All applicants must receive a positive recommendation from the TCH 201 professor to be eligible for formal admission to the School of Education.

Consistent with its mission and motto of *Opportunitas*, Pace University provides prospective teachers with multiple paths, assessments and support for meeting the high standards of entry into the School of Education. Students are required to meet the Program Admission Requirements outlined below. However, students who may not meet one or more of the admission requirements are provided with a variety of alternative ways to demonstrate that they meet or exceed the program entrance criteria. Students who do not meet the requirements for full admission but who do meet conditional entry requirements will complete a Competency Contract outlining an Action Plan for demonstrating competence in any knowledge-base or skill identified as below criteria. For example, if an applicant receives a grade below B- in ENG 110, the applicant will be provided with a variety of options to meet this standard. These options would include demonstrating the knowledge or skill through a) portfolio, b) examination, c) some other means detailed in the Action Plan, or d) earn a grade of B- or better in ENG 120.

Additional individual assistance in meeting entrance standards is available through Pre-Teach courses and seminars and through the University Center for Academic Excellence and the School of Education Office of Student Support Services. Applicants may be admitted conditionally to the School of Education for one semester. Applicants who do not meet all standards for full admission by the end of that semester will have their academic record reviewed by the Student Affairs Committee with the potential outcome that they will not be allowed to continue in the School of Education.

Admission Criteria Summary

Most education majors file a formal application to the School of Education in the second semester of their sophomore year, upon completion of approximately 45 credits, including TCH 201. Students who have completed less than 45 credits should contact the Director of Student Support Services before filing the application. The specific deadline for filing the application will vary from year to year, but typically the application period closes at the end of February of the sophomore year.

Internal and external transfer students who transfer into the School of Education as juniors must file a formal application for transfer students at the end of their first semester, typically no later than December 1. Students who transfer into the School of Education as sophomores will file the application during the regularly scheduled application period in the spring semester.

Any student who fails to file a completed application by the stated deadline will not be allowed to continue in the School of Education, unless the Student Affairs Committee determines that there were extenuating circumstances preventing the student from meeting the deadline. It is the student’s responsibility for completing the application by the stated deadline.

What's Included in the Application

A completed application includes the following items:

- The **Formal Application** with all indicated areas completed and the application signed;
- A typed, double-spaced "**Statement of Intent**" of no more than 300 words, that is both spell-checked and edited, in which the student makes clear why he or she wants to become a teacher;
- **Two Letters of Recommendation** from Dyson or TCH professors. Transfer students may ask professors from their transfer institution to complete the recommendation form;
- **Pace Transcripts** printed out from the student's Pace portal. Transfer students must also include transcripts from their transfer institution. Student copies are acceptable.

Where to Submit the Application

Completed applications may be submitted to the Office of Student Support Services in Pleasantville or NYC anytime during the application period but no later than the posted application deadline. All supporting documents must be submitted at this time. Incomplete applications will not be accepted.

Questions

Any questions regarding the application process should be directed to the Office of Student Support Services in Pleasantville or NYC in advance of the application deadline.

Transfer Students

To be eligible for admission to Pace University as an education major, the transfer student must have a minimum cumulative GPA of 2.85 from the transfer institution(s). Education majors at Pace move through the program as a "cohort," with specific education courses offered only in specific semesters. Once the Transfer Credit Evaluation form has been completed and the transfer student's total transfer credits have been tallied, the transfer student will be placed in a freshman, sophomore or junior level cohort, defined as below:

- Freshman: 0-32 credits
- Sophomore: 33-64 credits
- Junior: 65-96 credits

A transfer student within six credits of the next cohort level may petition to be placed in the higher cohort, with a written plan demonstrating how the credit deficiencies will be met by the end of the junior year. This plan will be reviewed by the Director of Student Support Services and a determination made.

Transfer students with less than a 2.85 cumulative GPA from the transfer institution(s) are encouraged to pursue Core requirements as an "Undecided" major at Pace. If the transfer student is successful at raising their grade point in the first or subsequent semesters at Pace, the student may apply for permission to declare an Education major.

The School of Education recommends that students transferring to Pace with significantly more than 65 credits complete an undergraduate major in Liberal Arts & Sciences (for those who ultimately want to get certified in Childhood Education) or the subject area (e.g., Math, English, etc.) for those who want certification in Adolescent Education. Once the undergraduate degree is earned, the student may then apply for admission to the Masters of Science for Teachers (MST) program. This route delays certification until the graduate level and eliminates the expense of additional undergraduate semesters while meeting a state requirement for earning a Master's degree.

Academic Standing Regulations

Professional Behaviors and Dispositions

As a School preparing future educators, we have specific expectations for the professional dispositions and behaviors exhibited by our teaching candidates both in and out of the classroom. In addition to consistently meeting our academic standards, we require all of our teaching candidates to meet the professional standards outlined below in order to be admitted to the School of Education and to remain in good standing. We believe that these standards are essential to good teaching, and work to promote them in ourselves as well as our candidates. The professional standards are as follows:

- Teacher candidates must exhibit a respect for the opinions and feelings of others, and value diversity of thoughts and ideas.
- Teacher candidates must take responsibility for their own actions, and recognize the value of intrinsic motivation for themselves and others.
- Teacher candidates must commit to the creation of a positive learning environment for themselves and those around them.
- Teacher candidates must be thoughtful and responsive communicators, both in speaking and listening roles.

- Teacher candidates must exhibit promptness, consistent attendance and follow-through in relation to School of Education and field-work requirements and procedures.
- Teacher candidates must exhibit an openness and receptivity to constructive criticism and feedback.
- Teacher candidates must use discretion, and respect the confidentiality of their peers, as well as any children with whom they might be working.
- Teacher candidates must present themselves in ways that positively reflect Pace University and the School of Education, and that are consistent with the School's commitment to social justice and caring classrooms.

Due to the tremendous responsibility with which teachers are entrusted, we believe that our students meet high academic as well as dispositional standards. Failure to meet these standards may result in either failure to be admitted to or dismissal from the School.

Maintaining Good Standing in The School of Education

Once admitted to the School of Education, the applicant is considered a candidate for teacher certification and is, therefore, subsequently referred to as a candidate. To remain in good standing and progress through a School of Education program, a candidate must maintain a QPA of at least 3.0, must earn a grade of B or higher in each education course, and must meet the disposition and performance expectations of the School.

Summary of Criteria For Program Continuation, Completion, and Eligibility for Teacher Certification

Once admitted, teacher candidates must continue to demonstrate success in each of the essential aspects of the teacher preparation program:

- understanding the theories presented in coursework;
- practicing teaching skills during fieldwork in the Centers for Professional Development (CPD);
- demonstrating the knowledge base of the program in course work and examinations; and
- evidencing the dispositions required for teaching.

While successful teachers merge theoretical understandings and skills of practice in their classrooms daily, candidates preparing to be teachers must sometimes demonstrate their knowledge and skills separately. It is possible to be successful in coursework and not in fieldwork, or the reverse, or to be successful in both but not demonstrate the dispositions required to teach. Since teachers must be strong in knowledge, skills and dispositions, candidates who are permitted to continue in the program must demonstrate their abilities in educational theory and practice as well as their content knowledge in the liberal arts and their certification area(s). In student teaching, the components of content knowledge, educational theory, practice and appropriate dispositions are combined. Successful completion of student teaching and passing scores on the New York State Teacher Certification Examinations (NYSTCE) are required before a candidate is eligible for certification.

1. **Success in coursework is defined as:**
 - An overall QPA of 3.0.
 - A grade of B or better in each education course.
 - A QPA of 3.0 in the academic major/concentration.
2. **Success in fieldwork is defined as:**
 - A grade of P (passing) from the CPD clinical faculty member. A grade of P in the CPD means that candidates have met all of the applicable CPD performance indicators at a level of competent (2) or exceeds expectations (3) for that semester.
3. **Success in student teaching is defined as:**
 - Meeting the performance indicators for student teaching throughout the semester as defined on the assessment matrix.
 - A grade of P in student teaching.
 - A positive recommendation from both the Pace Supervisor and the Mentor Teacher.
 - A passing capstone project as defined in the guidelines.
4. **Success with the NYSTCE is defined by the scores established by New York State** on the following tests:
 - Teacher Performance Assessment (EdTPA),
 - Educating All Students Test (EAS), and
 - Content Specialty Test(s) (CST) in the certificate field(s).

Student Teaching Capstone Requirement

All candidates must successfully complete a capstone project as part of the teacher preparation program. The portfolio requirements will be introduced to the candidates early in the program, and the project itself will be due prior to program completion. Rubrics defining successful completion of the capstone are available in the SOE capstone guidelines document.

Academic Probation and Dismissal Policy

Once admitted to the School of Education, the applicant is considered a candidate for teacher certification. To remain in good standing and progress through a School of Education program, a candidate must maintain the same standards as those for admission throughout the program.

Prior to admission to the School of Education (SOE), University probation and dismissal policies apply. Upon admission to the School of Education the following probation policy applies:

SOE candidates will be placed on probation when:

- The candidate's overall QPA falls below 3.0.
- The candidate's QPA falls below 3.0 in the major (Dyson concentration or SOE major(s)).
- The candidate receives a grade below "B" in any education course.

In the first semester that a candidate is placed on academic warning, he or she is required to meet with an adviser to develop an Action Plan to return to good standing. Probationary status may include restrictions on the type or number of courses that the candidate will be allowed to register for, and/or referral to the Center for Academic Excellence, or other support centers, for academic skill development. A candidate may also be required to retake courses. At the end of the academic warning period, the candidate must either achieve the academic requirements or show significant academic improvement in order to continue in the School of Education.

If students at the candidate level fail to achieve the required QPA or grades after the academic warning period, they may not continue in the School of Education. Candidates may appeal their dismissal from the School of Education by sending a written appeal to the Associate Dean of the School of Education no later than two weeks from the receipt of written notification of removal from the School of Education. Students may not continue in the School of Education if they fail to meet the academic requirements for more than two semesters (consecutive or nonconsecutive). Candidates who are not allowed to continue in a School of Education program must transfer to another Pace school or college. If the academic record of the candidate prohibits another Pace school or college from accepting the student, then the student may be dismissed from the University.

Advising

The School of Education Office of Student Support Services assists candidates in achieving their educational and professional goals by providing group and individualized academic advisement. A candidate seeking information and advice about program and degree options, course schedules, transfer credits, teacher certification requirements, or academic concerns is encouraged to contact the Office of Student Support Services on his or her campus at:

New York City

163 William St, 11th floor
(212) 618-6957

Pleasantville

Buchsbaum House
(914) 773-3571

During the fall semester of freshman year, all first year students who enter Pace indicating an interest in teaching are assigned to a designated education section of UNV 101, taught by School of Education staff.

Students will continue to receive group advisement, information about careers in teaching, and assistance with the New York State teacher examination and certification process. Upon formal admission to the School of Education in the sophomore year, candidates in NY are assigned a faculty adviser who continues to provide academic and professional advisement and mentoring throughout the program. Candidates on the PLV campus will continue to work with the Director of Student Support Services through completion of their program. Candidates must meet with their adviser at least once each semester to review their academic progress, plan course schedules, and discuss professional plans.

Student Organizations

Future Educators Association

FEA is an organization whose purpose is to unite all students who are interested in education as a profession. Our objective is to assure that those students interested in education can belong to an organization that is tailored to the profession by providing beneficial workshops like Project Learning Tree, and guest speakers discussing up-to-date educational information, skills, and strategies that are necessary to become a successful educator. The FEA is open to undergraduate students on our Pleasantville campus and meets on Mondays during the fall and spring semesters from 12:15-1:15pm in Miller 15A. You can read more about FEA here.

Pi Lambda Theta

Pi Lambda Theta (PLT) is an International Honor and Professional Association in Education. Their purpose is to recognize individuals of superior scholastic achievement and high potential for professional leadership, and to stimulate independent thinking educators who can ask critical questions to improve educational decision making. Members of PLT must have a minimum QPA of 3.7 and are either seniors or graduate students obtaining a degree in education. Student member dues are \$27 per year.

For more information about PLT, contact Faculty Advisor Dr. Jeanine Defalco (jdefalco@pace.edu).

Program Majors

There are four majors to choose from for individuals who seek to work in schools:

Childhood Education (New York City & Westchester): This program is for students interested in elementary schools (grades 1-6). Childhood Education majors also complete a 30-credit concentration in Pace's Dyson College of Arts and Sciences in Biology, English, History, or Mathematics on either campus. Candidates who are interested in a concentration in Spanish can do so on the New York campus only. Candidates will be involved in a rich variety of clinical field experiences throughout the program which culminates in a five-day student teaching internship during the spring semester of senior year. This course of study results in a Bachelor's of Science in Childhood Education and, upon completion of certification exams, will result in a single certification to teach children in elementary schools, grades 1-6, in New York State.

Early Childhood Education (New York City & Westchester): This program is for students interested in teaching young children in day care centers, preschools, and public schools (birth - grade 2). Early Childhood Education majors also complete a 30-credit concentration in Pace's Dyson College of Arts and Sciences in Biology, English, History, or Mathematics on either campus. Candidates who are interested in a concentration in Spanish can do so on the New York campus only. Candidates will be involved in a rich variety of clinical field experiences throughout the program which culminates in a five-day student teaching internship during the spring semester of senior year. This course of study results in a Bachelor's of Science in Early Childhood Education and, upon completion of certification exams, will result in a single certification to teach young children, birth through grades 2, in New York State.

Early Childhood/Childhood Education (New York City & Westchester): This program is for students interested in teaching children in day care centers, preschools, and public schools (birth - grade 6). Early Childhood Education/Childhood Education majors also complete a 30-credit concentration in Pace's Dyson College of Arts and Sciences in Biology, English, History, or Mathematics on either campus. Candidates who are interested in a concentration in Spanish can do so on the New York campus only. Candidates will be involved in a rich variety of clinical field experiences throughout the program which culminates in a five-day student teaching internship during the spring semester of senior year. This course of study results in a Bachelor's of Science in Early Childhood/Childhood Education and, upon completion of certification exams, will result in two certifications in both Early Childhood and Childhood Education allowing them to teach children, birth through grades 6 in New York state.

Adolescent Education (New York City & Westchester): This program is for students interested in teaching youth in secondary schools (high schools, junior high school, or middle schools, grades 7-12). Adolescent Education majors complete a concentration in Pace's Dyson College of Arts and Sciences in Biology, Chemistry, English, Mathematics, or History on either campus. Candidates who are interested in teaching Spanish can complete their concentration courses on the New York campus only. Candidates will be involved in a rich variety of clinical field experiences throughout the program which culminates in a five-day student teaching internship during the semester of senior year. This course of study results in a Bachelor's of Science in Adolescent Education for the specific concentration area and, upon completion of certification exams, will result in a single certification to teach youth in secondary schools, grades 7-12, for that content area in New York state.

State Certification Options

Pace University programs lead to two different levels of New York State teaching certificates, the Initial Certificate and the Professional Certificate. An Initial Certificate is the minimal certificate required to teach in public schools in the State of New York. The academic requirements for the Initial Certificate are met through all Pace teacher preparation programs. To continue to teach in New York, a student must ultimately obtain a Professional Certificate. One advantage of Pace's Combined Degree Program is that it meets the academic requirements for both the Initial and the Professional Certificate. Additional information regarding New York State Teaching Certificates including time limits and specific criteria can be obtained at www.nysed.gov. For information on certificate requirements in another state, students should contact the teacher certification bureau for that state. Pace programs meet the academic requirements for certification in most other states, especially those states that are, like New York, members of the Interstate Certification Compact.

New York State regulations in effect at the printing of this catalog require that all newly certified teachers complete a master's degree within five years of obtaining the Initial Certificate. Pace University offers two routes to the master's degree. Students may opt to complete the Combined Degree, completing the undergraduate and graduate programs simultaneously in five years, or they may qualify for Initial certification requirements in four years through the undergraduate program, begin teaching, and complete the master's degree part-time while teaching.

New York State Certification Examinations

New York State requires that candidates for all teaching certificates successfully complete New York State Teacher Certification Examinations (NYSTCE). Candidates will be required to pass the following exams for initial certification:

- the Teacher Performance Assessment (EdTPA),
- the Educating All Students Test (EAS),
- the Content Specialty Test(s) (CST) for each certificate area(s) sought.

Pace University integrates information about, and preparation for, these examinations throughout each of our programs. Students seeking certification in other states are required to pass examinations specified by that state. For information on certificate requirements in another state, students should contact the teacher certification bureau for that state.

Additional Certificates & Extensions

Additional teaching certificates and extensions allow the holder of a certificate to teach an additional student population, grade, or subject. Each certificate or extension requires additional coursework, field-based experiences and/or certification examination(s). Within Pace University programs, students can become eligible for the following specialty certificates and extensions:

- Bilingual Education Certificate
- TESOL Education Certificate
- Middle Level Education Extension to Grades 5-6
- Middle Level Education Extension to Grades 7-9

Bilingual Education Certificate:

The Advanced Certificate in Bilingual Education Extension is designed to prepare candidates with the knowledge to teach general and subject-specific content in another language at all grade levels. Pace University's Advanced Certificate in Bilingual Education program, offered on both our New York City and Westchester campuses, leads to the Professional Bilingual Education Extension certificate. The Bilingual Extension allows holders to teach in bilingual settings and have their bilingual instruction count for English Language Learners (ELL) services. Applicants for a NYS bilingual education extension to their certificate must have their initial teaching certification and already possess oral and written language proficiency in both English and the native language of instruction. Students will complete field-based experiences in bilingual classrooms.

TESOL Education Certificate:

The TESOL program at the Pace University School of Education provides certified educators with knowledge of the multifaceted approach to teaching English language learners (ELLs), an increasing student population that requires a specialized study of language and literacy development, and differentiated instruction for students at all grade levels. TESOL is a growing field for both ESL teachers and general education and content area teachers with promising career opportunities domestically and internationally. Candidates who successfully complete the certificate will be certified to teach English to speakers of other languages in grades Pre-K–12.

Middle School Education Extension:

Childhood education candidates can be recommended for a Middle School Generalist Certificate after completion of TCH 455 and TCH 456. Adolescent education candidates who are eligible for or hold certificates in teaching biology, chemistry, earth science, English, mathematics, physics, or social studies (grades 7 through 12) can be recommended for a Middle School subject-specific certificate after completion of TCH 455 and TCH 456. All middle level extensions require field-based work in middle-level classrooms and the appropriate certification examination(s).

Education Programs

Early Childhood-Childhood Education Major

Early Childhood/Childhood Education (New York City & Westchester): This program is for students interested in teaching children in day care centers, preschools, and public schools (birth - grade 6). Early Childhood Education/Childhood Education majors also complete a 30-credit concentration in Pace's Dyson College of Arts and Sciences in Biology, English, History, or Mathematics on either campus. Candidates who are interested in a concentration in Spanish can do so on the New York campus only. Candidates will be involved in a rich variety of clinical field experiences throughout the program which culminates in a five-day student teaching internship during the spring semester of senior year. This course of study results in a Bachelor's of Science in Early Childhood/Childhood Education and, upon completion of certification exams, will result in two certifications in both Early Childhood and Childhood Education allowing them to teach children, birth through grades 6 in New York state.

Early Childhood-Childhood Education Major with Concentration in Biology

Bachelor of Science (PLV & NYC)

Requirements

University Core – (60 credits)

Foundation Requirements (30 credits)

ENG 110	Composition	3
ENG 120	Critical Writing	4
ENG 201	Writing in the Disciplines	3 - 4
COM 200	Public Speaking	3
CIS 101	Introduction to Computing	3
MAT 102	Mathematics for Life	3 - 4
	OR	
MAT 109A	Principles of Mathematics I	3
UNV 101	First-Year Seminar: Introduction to University Community	1
	Second Language Proficiency (CHI, FRE, ITA, JPN, RUS, or SPA)	6

UNIV 101 is waived for transfer students.

Students are asked to take wither MAT 101 or 109A.

Area of Knowledge (AOK) (21 credits)

Civic Engagement

TCH 201	Education I: Understanding Schools	3
---------	------------------------------------	---

HCE: Humanistic and Creative Expression

TCH 212	Understanding the Potential of the Humanities & Creative Arts in Children's Education & Development	3
---------	---	---

HSN: Analysis of Human, Social Natural, Phenomena

SCI 101	The Planet Earth	3
SCI 130	Elements of Environmental Science	3
SCI 145	Environmental Geology	3

Students make take 1 of the courses listed or any other non-lab science related to physical science in order to complete this requirement.

In Depth Sequence and Concentration

This may include – 200, 300, 400 level courses in concentration area; math concentration – may include 100 level courses. Three (3) courses are required in total.

WH: Western Heritage

HIS 111	American Civilization to 1877	3
---------	-------------------------------	---

WTC: World Traditions and Cultures

LIT 211C	Early World Literature: The Search for Truth and Meaning	3
	OR	
LIT 211Z	World Mythologies	3

One Additional AOK from the above.

HIS 367	History and Geography of New York	3
---------	-----------------------------------	---

Additional Requirements

All concentration areas have 30 credits concentration that can include the AOK and Dyson core. For those students in the Biology Concentration, 17 additional credits are required beyond those outlined here. Students are also expected to take MAT 260.

Early Childhood/ Childhood Education Major Requirements

TCH 201	Education I: Understanding Schools	3
TCH 211A	Child Abuse and Violence Prevention	
TCH 211D	DASA- Harassment, Bullying, Cyberbullying and Discrimination in Schools, Prevention & Intervention	
TCH 212	Understanding the Potential of the Humanities & Creative Arts in Children's Education & Development	3
TCH 215	Curriculum and Teaching - Secondary Schools	4
TCH 301	Education II: Understanding Learning and Teaching	3
TCH 310	Emergent and Early Literacy	4
TCH 350	Mathematic Methods: An Integrated Approach	4
TCH 410	Literacy II: Teaching Fluent Readers	4
TCH 420	Science Methods: An Integrated Approach	4
TCH 440	Social Science Methods: An Integrated Approach	4
TCH 452	Language Acquisition and English Learning	3
TCH 475	Special Education in Secondary Settings	3
TCH 498	Supervised Student Teaching and Seminar	8

Please note that additional requirements include:

TCH 204	Childhood Development in the Context of Families (requires 10 hours of fieldwork for family/home early child dev assignment) Please note: This course is substituted for TCH 203 Understanding Development course for dual cert only	
TCH 208	Health, Wellness, and Movement in Elementary Education	
TCH 306	Creating Developmentally Appropriate Learning Experiences and Learning Environments in Early Childhood	
TCH 307	Early Childhood Arts, Humanities, Music, and Play: Processes and Practices	
TCH 309	Understanding Assessment and Evaluation	
TCH 312	Fieldwork I in Early Childhood Settings (kindergarten)	
TCH 414	Student Teaching in Early Childhood Settings– (grade 1-2 for 8 weeks)	
TCH 415	Student Teaching Seminar in Early Childhood Settings	
TCH 417	Fieldwork III in Childhood Settings (must include grade 1-2)	
TCH 417	Student Teaching Seminar in Childhood Classrooms	
TCH 421	Observing, Recording, and Assessing Development and Learning in Young Children	

Electives

As needed to meet required total credits for degree (after all other requirements are met).

Required Learning Community Experience**Civic Engagement Requirement**

TCH 201	Education I: Understanding Schools	3
---------	------------------------------------	---

Writing Enhanced Courses Requirements

TCH 201	Education I: Understanding Schools and	3
TCH 452	Language Acquisition and English Learning	3

Total Credit Hours: 128**Additional Certifications and Pathways you might wish to be aware of and eligible for:**

- Middle School Extension – take additional 6 credits of TCH 455 and TCH 456.
- Bilingual Advanced certifications and TESOL certifications - take minimum of 6 credits in LOTE to be eligible for additional coursework.
- Combined Degree Programs to earn a Master's in Special Education, Literacy, and Educational Technology where courses begin spring of senior year.

Early Childhood-Childhood Education Major with Concentration in English

Bachelor of Science (PLV & NYC)

Total Credit Hours: 128

Additional Certifications and Pathways you might wish to be aware of and eligible for:

- Middle School Extension – take additional 6 credits of TCH 455 and TCH 456.
- Bilingual Advanced certifications and TESOL certifications - take minimum of 6 credits in LOTE to be eligible for additional coursework.
- Combined Degree Programs to earn a Master's in Special Education, Literacy, and Educational Technology where courses begin spring of senior year.

Early Childhood-Childhood Education Major with Concentration in Mathematics

Bachelor of Science (PLV & NYC)

Requirements

University Core – (60 credits)

Foundation Requirements (30 credits)

ENG 110	Composition	3
ENG 120	Critical Writing	4
ENG 201	Writing in the Disciplines	3 - 4
COM 200	Public Speaking	3
CIS 101	Introduction to Computing	3
MAT 102	Mathematics for Life	3 - 4
	OR	
MAT 109A	Principles of Mathematics I	3
UNV 101	First-Year Seminar: Introduction to University Community	1
	Second Language Proficiency (CHI, FRE, ITA, JPN, RUS, or SPA)	6

UNIV 101 is waived for transfer students.

Students are asked to take wither MAT 101 or 109A.

Area of Knowledge (AOK) (21 credits)

Civic Engagement

TCH 201	Education I: Understanding Schools	3
---------	------------------------------------	---

HCE: Humanistic and Creative Expression

TCH 212	Understanding the Potential of the Humanities & Creative Arts in Children's Education & Development	3
---------	---	---

HSN: Analysis of Human, Social Natural, Phenomena

SCI 101	The Planet Earth	3
SCI 130	Elements of Environmental Science	3
SCI 145	Environmental Geology	3

Students make take 1 of the courses listed or any other non-lab science related to physical science in order to complete this requirement.

In Depth Sequence and Concentration

This may include – 200, 300, 400 level courses in concentration area; math concentration – may include 100 level courses. Three (3) courses are required in total.

WH: Western Heritage

HIS 111	American Civilization to 1877	3
---------	-------------------------------	---

WTC: World Traditions and Cultures

LIT 211C	Early World Literature: The Search for Truth and Meaning	3
	OR	
LIT 211Z	World Mythologies	3

One Additional AOK from the above.

HIS 367	History and Geography of New York	3
---------	-----------------------------------	---

Additional Requirements

All concentration areas have 30 credits concentration that can include the AOK and Dyson core. For those students in the Mathematics Concentration, 15 additional credits are required beyond those outlined here. Students are also expected to take MAT 260.

Early Childhood/ Childhood Education Major Requirements

TCH 201	Education I: Understanding Schools	3
TCH 211A	Child Abuse and Violence Prevention	
TCH 211D	DASA- Harassment, Bullying, Cyberbullying and Discrimination in Schools, Prevention & Intervention	

TCH 212	Understanding the Potential of the Humanities & Creative Arts in Children's Education & Development	3
TCH 215	Curriculum and Teaching - Secondary Schools	4
TCH 301	Education II: Understanding Learning and Teaching	3
TCH 310	Emergent and Early Literacy	4
TCH 350	Mathematic Methods: An Integrated Approach	4
TCH 410	Literacy II: Teaching Fluent Readers	4
TCH 420	Science Methods: An Integrated Approach	4
TCH 440	Social Science Methods: An Integrated Approach	4
TCH 452	Language Acquisition and English Learning	3
TCH 475	Special Education in Secondary Settings	3
TCH 498	Supervised Student Teaching and Seminar	8

Please note that additional requirements include:

TCH 204	Childhood Development in the Context of Families (requires 10 hours of fieldwork for family/home early child dev assignment) Please note: This course is substituted for TCH 203 Understanding Development course for dual cert only
TCH 208	Health, Wellness, and Movement in Elementary Education
TCH 306	Creating Developmentally Appropriate Learning Experiences and Learning Environments in Early Childhood
TCH 307	Early Childhood Arts, Humanities, Music, and Play: Processes and Practices
TCH 309	Understanding Assessment and Evaluation
TCH 312	Fieldwork I in Early Childhood Settings (kindergarten)
TCH 414	Student Teaching in Early Childhood Settings– (grade 1-2 for 8 weeks)
TCH 415	Student Teaching Seminar in Early Childhood Settings
TCH 417	Fieldwork III in Childhood Settings (must include grade 1-2)
TCH 417	Student Teaching Seminar in Childhood Classrooms
TCH 421	Observing, Recording, and Assessing Development and Learning in Young Children

Electives

As needed to meet required total credits for degree (after all other requirements are met).

Required Learning Community Experience

Civic Engagement Requirement

TCH 201	Education I: Understanding Schools	3
---------	------------------------------------	---

Writing Enhanced Courses Requirements

TCH 201	Education I: Understanding Schools and	3
TCH 452	Language Acquisition and English Learning	3

Total Credit Hours: 128

Additional Certifications and Pathways you might wish to be aware of and eligible for:

- Middle School Extension – take additional 6 credits of TCH 455 and TCH 456.
- Bilingual Advanced certifications and TESOL certifications - take minimum of 6 credits in LOTE to be eligible for additional coursework.
- Combined Degree Programs to earn a Master's in Special Education, Literacy, and Educational Technology where courses begin spring of senior year.

Early Childhood Education Major

Early Childhood Education (New York City & Westchester): This program is for students interested in teaching young children in day care centers, preschools, and public schools (birth - grade 2). Early Childhood Education majors also complete a 30-credit concentration in Pace's Dyson College of Arts and Sciences in Biology, English, History, or Mathematics on either campus. Candidates who are interested in a concentration in Spanish can do so on the New York campus only. Candidates will be involved in a rich variety of clinical field experiences throughout the program which culminates in a five-day student teaching internship during the spring semester of senior year. This course of study results in a Bachelor's of Science in Early Childhood Education and, upon completion of certification exams, will result in a single certification to teach young children, birth through grades 2, in New York State.

Early Childhood Education Major with Concentration in Biology

Bachelor of Science (PLV & NYC)

Requirements

University Core – (60 credits)

Foundation Requirements (30 credits)

ENG 110	Composition	3

Adolescent Education Major

Bachelor of Science (PLV & NYC)

Students preparing to teach children in middle or high school complete a **specialized concentration and major at Pace University**. Adolescent students concentrate in the subject area they want to teach, plus they complete a major in Adolescent Education. Each of our Adolescent Programs is nationally recognized, and all of our adolescent programs lead to a Bachelor's Degree (BS) and the Initial Teaching Certificate in Adolescent Education (Grades 7-12).

- Biology
- Chemistry
- English
- History (a history program major yields Social Studies certification)
- Mathematics
- Spanish (NYC campus only) **Please Note:** For teaching candidates, the University Core second language requirement must be met by TWO courses in the same language. This requirement may also be met by courses in American Sign Language.

Adolescent Education Major in Teaching Biology

HSN Analysis of Human, Social and Natural Phenomena (formerly AOK 5)

SCI 120	History and Philosophy of Science	3
---------	-----------------------------------	---

Biology Content Area Requirements (42 credits)

CHE 112	General Chemistry II	4
CHE 223	Organic Chemistry I	5
CHE 224	Organic Chemistry II	5
BIO 102	General Biology II	4
BIO 210	Ecology	4
BIO 231	Genetics	4
BIO 251	Principles of Human Anatomy	4
BIO 264	Microbiology	4
BIO 327	Cellular Biochemistry	4
BIO 335	Molecular and Cellular Biology	4
BIO 399Z	Topics: Evolutionary Biology	3

Adolescent Program Requirements (36-39 credits)

TCH 201	Education I: Understanding Schools	3
TCH 211A	Child Abuse and Violence Prevention	
TCH 211D	DASA- Harassment, Bullying, Cyberbullying and Discrimination in Schools, Prevention & Intervention	

TCH 215	Curriculum and Teaching - Secondary Schools	4
TCH 301	Education II: Understanding Learning and Teaching	3
TCH 412	Literacy Instruction in the Secondary School	3
TCH 452	Language Acquisition and English Learning	3
TCH 475	Special Education in Secondary Settings	3
TCH 495	Student Teaching and Seminar in the Adolescent Classroom	8

*Please note the following courses are also required:

TCH 203: Understanding Development: Childhood and Adolescence in Context (3 credits)

TCH 309: Understanding Assessment and Evaluation (3 credits)

TCH 316: Fieldwork 1: Experiences in Adolescent Settings (0-1 credit)

TCH 317: Fieldwork 2: Experiences in Adolescent Settings (0-1 credit)

TCH 418: Fieldwork 3: Experiences in Adolescent Settings (0-1 credit)

TCH 419: Student Teaching Seminar in Adolescent Setting (2 credits)

Content Area Methods - Choose One

TCH 426	Teaching English to Adolescents	4
	OR	
TCH 427	Adolescent to Teaching World Languages to Adolescent	4
	OR	
TCH 428	Teaching Mathematics to Adolescents	4
	OR	
TCH 429	Teaching Science to Adolescents	4
	OR	
TCH 430	Teaching Social Studies to Adolescents	4

Total Credit Hours: 120-123

Adolescent Education Major in Teaching Chemistry

Bachelor of Science (PLV & NYC)

Requirements

University Core

Foundation Requirements (31-32 credits)

ENG 110	Composition	3
ENG 120	Critical Writing	4
ENG 201	Writing in the Disciplines	3 - 4
COM 200	Public Speaking	3
	Second Language Proficiency (CHI, FRE, ITA, JPN, RUS, or SPA)	6
MAT 131	Calculus I	4
CS 121	Computer Programming I	4
	OR	
CIS 101	Introduction to Computing and	3
CHE 111	General Chemistry I	4
UNV 101	First-Year Seminar: Introduction to University Community	1

Areas Of Knowledge (AOK) - (15 credits)

WH: Western Heritage (formerly AOK 2)

3 credits from approved list for AOK 2/WH.

WTC: World Traditions and Cultures (formerly AOK 3)

3 credits from approved list for AOK 3/WTC.

HCE: Humanistic and Creative Expression (formerly AOK 4)

3 credits from approved list for AOK 4/HCE.

HSN: Analysis of Human, Social, and Natural Phenomena (formerly AOK 5)

SCI 120	History and Philosophy of Science	3
---------	-----------------------------------	---

Chemistry Content Area Requirements (46 credits)

BIO 101	General Biology I	4
CHE 221	Analytical Methods and Techniques	4
CHE 223	Organic Chemistry I	5
CHE 223R	Organic Chemistry I Recitation	
CHE 224	Organic Chemistry II	5
CHE 224R	Organic Chemistry II Recitation	
CHE 301	Physical Chemistry I: Thermodynamics	4
CHE 326	Biochemistry	4
CHE 331	Instrumental Analysis	4
MAT 132	Calculus II	4
PHY 111	General Physics I	4
PHY 112	General Physics II	4

Adolescent Education Major Requirements (36-39 credits)

TCH 201	Education I: Understanding Schools	3
TCH 211A	Child Abuse and Violence Prevention	
TCH 211D	DASA- Harassment, Bullying, Cyberbullying and Discrimination in Schools, Prevention & Intervention	
TCH 215	Curriculum and Teaching - Secondary Schools	4
TCH 301	Education II: Understanding Learning and Teaching	3
TCH 412	Literacy Instruction in the Secondary School	3
TCH 452	Language Acquisition and English Learning	3
TCH 475	Special Education in Secondary Settings	3
TCH 495	Student Teaching and Seminar in the Adolescent Classroom	8

*Please note the following courses are also required:

TCH 203: Understanding Development: Childhood & Adolescence in Context (3 credits)

TCH 309: Understanding Assessment and Evaluation (3 credits)

TCH 316: Fieldwork 1: Experiences in Adolescent Setting (0-1 credit)

TCH 317: Fieldwork 2: Experiences in Adolescent Settings (0-1 credit)

TCH 418: Fieldwork 3: Experiences in Adolescent Setting (0-1 credit)

TCH 419 Student Teaching Seminar in Adolescent Settings (2 credits)

Content Area Methods - Choose One

TCH 426	Teaching English to Adolescents	4
	OR	
TCH 427	Adolescent to Teaching World Languages to Adolescent	4
	OR	
TCH 428	Teaching Mathematics to Adolescents	4
	OR	
TCH 429	Teaching Science to Adolescents	4
	OR	
TCH 430	Teaching Social Studies to Adolescents	4

Total Credit Hours: 125-128

Students completing this program are also eligible for General Science Certification.

Adolescent Education Major in Teaching English

Bachelor of Science (PLV & NYC)

Requirements

University Core – (60 credits)

Foundation Requirements (31 credits)

ENG 110	Composition	3
ENG 120	Critical Writing	4
ENG 201	Writing in the Disciplines	3 - 4
COM 200	Public Speaking	3
	Second Language Proficiency (CHI, FRE, ITA, JPN, RUS, or SPA)	6
BIO 123	Biology and Contemporary Society	4
	or	
	Laboratory Science	
UNV 101	First-Year Seminar: Introduction to University Community	1
CIS 101	Introduction to Computing	3

MAT: (as determined by proficiency test)

Areas Of Knowledge (AOK) - (15 credit minimum)

ONE additional course from any of the AOK areas listed.

WH: Western Heritage (formerly AOK 2) (3)

LIT 211	Literature I	3
	OR	
LIT 212	Topics in Literature	3

WTC: World Traditions and Cultures (formerly AOK 3) (3)

LIT 211	Literature I	3
	OR	
LIT 212	Topics in Literature	3

See approved courses for AOK 3/WTC.

HCE: Humanistic and Creative Expressions (formerly AOK 4) (3)

LIT 211	Literature I	3
	OR	
LIT 212	Topics in Literature	3

See approved courses for AOK 4/HCE.

HSN: Analysis of Human, Social and Natural Phenomena (formerly AOK 5)(3)

ENG 396F	Language and Gender	3
----------	---------------------	---

Any approved course for AOK 5/HSN. Suggested ENG 396F Language or appropriate substitute

Content Area Concentration (27)

ENG 304	Growth of the English Language	3
ENG 306	Writing for the Professions	3
	OR	
ENG 307	Creative Writing: Fiction	3
	OR	
ENG 308	Creative Writing: Poetry	3
	OR	
ENG 309	Creative Nonfiction	3
	OR	
ENG 322	Advanced Writing	3
	OR	
ENG 324	Writing of Fiction	3
LIT 132	Introduction to Literary Studies	3
LIT 301	Young Adult Literature	3
LIT 212E	American Literature II	3
LIT 211E	American Literature I	3
LIT 360	Shakespeare on Film	3

	OR	
LIT 362	Shakespeare	3
	OR	
LIT 363	Shakespeare: Before 1600	3
LIT 499	Senior Year Experience: Culture, Creativity, Communication	3
	TWO Additional literature courses that address diversity and/or cultural pluralism	6
ENG 308	Creative Writing: Poetry	3
Adolescent Education Major Requirements (36-39 credits)		
TCH 201	Education I: Understanding Schools	3
TCH 211A	Child Abuse and Violence Prevention	
TCH 211D	DASA- Harassment, Bullying, Cyberbullying and Discrimination in Schools, Prevention & Intervention	
TCH 215	Curriculum and Teaching - Secondary Schools	4
TCH 301	Education II: Understanding Learning and Teaching	3
TCH 323	Methods and Models of Teaching Adolescents	4
TCH 412	Literacy Instruction in the Secondary School	3
TCH 426	Teaching English to Adolescents	4
TCH 452	Language Acquisition and English Learning	3
TCH 475	Special Education in Secondary Settings	3
TCH 495	Student Teaching and Seminar in the Adolescent Classroom	8

*Please note the following courses are also required:

TCH 203: Understanding Development: Childhood & Adolescence in Context (3 credits)

TCH 309: Understanding Assessment and Evaluation (3 credits)

TCH 316: Fieldwork 1: Experiences in Adolescent Settings (0-1 credit)

TCH 317: Fieldwork 2: Experiences in Adolescent Settings (0-1 credit)

TCH 418: Fieldwork 3: Experiences in Adolescent Settings (0-1 credit)

TCH 419: Student Teaching Seminar in Adolescent Setting (2 credits)

Content Area Methods - Choose One

TCH 426	Teaching English to Adolescents	4
	OR	
TCH 427	Adolescent to Teaching World Languages to Adolescent	4
	OR	
TCH 428	Teaching Mathematics to Adolescents	4
	OR	
TCH 429	Teaching Science to Adolescents	4
	OR	
TCH 430	Teaching Social Studies to Adolescents	4

Total Credit Hours: 120

Adolescent Education Major in Teaching History

(For certification in Social Studies)

Bachelor of Science (PLV & NYC)

Requirements

University Core – (60)

Foundation Requirements (31 credits)

ENG 110	Composition	3
ENG 120	Critical Writing	4
ENG 201	Writing in the Disciplines	3 - 4
COM 200	Public Speaking	3
	Second Language Proficiency (CHI, FRE, ITA, JPN, RUS, or SPA)	6
	OR	
CIS 101	Introduction to Computing and	3
BIO 123	Biology and Contemporary Society	4
	OR	
	Laboratory Science	
UNV 101	First-Year Seminar: Introduction to University Community	1

MAT: (as determined by proficiency test)

Areas Of Knowledge (AOK) (minimum 15 credits)

POL 111	American Government and Political Institutions	3
	OR	
POL 114	Introduction to International Relations	3
	OR	
POL 118	State and Local Government	3

ONE additional course from any of the listed AOKs in POL SCI:

WH: Western Heritage (formerly AOK 2) (3)

HIS 111	American Civilization to 1877	3
---------	-------------------------------	---

WTC: World Traditions and Cultures (formerly AOK 3)(3)

ANT 101	Introduction to Anthropology	3
	OR	
ANT 108	Global Culture and Local Identities	3
	OR	
PSY 112	Introduction to Psychology	4
	OR	
PSY 215	Psychology of Cultural Diversity	3

or equivalent approved course (must meet NCSS regulations)

HCE: Humanistic and Creative Expressions (formerly AOK 4) (3)

ART 102	Art History: Ancient through Gothic Art	3
	OR	
ART 103	Art History: Renaissance through Modern Art	3

HSN: Analysis of Human, Social, and Natural Phenomena (formerly AOK 5) (3)

ENV 110	Nature and Culture: A Study in Connections	3
	OR	
ENV 111	Environmental Studies: Economic, Ethical and Political Perspectives	3
	OR	
ENV 112	Environmental Studies - Basic Issues	3
	OR	
ENV 226	Environmental Anthropology	3
	OR	
	other approved ENV course	

Content Area Concentration (36 credits)

ECO 105	Principles of Economics: Macroeconomics	3
ECO 106	Principles of Economics: Microeconomics	3
HIS 107	World Civilization I	3
HIS 108	World History After 1650	3
HIS 112	American Civilization Since 1877	3
HIS 367	History and Geography of New York	3
HIS 380	Seminar on Historiography	3
HIS 499	Senior Year Experience in History	3

Choose From The Following Courses:

HIS 264	History of the American Presidency 1900 - Present	3
	OR

	OR	
HIS 207	Europe Since World War I	3
	OR	
HIS 210	Germany and Central Europe Since 1848	3
	OR	
HIS 213	Modern Russia	3
	OR	
HIS 225	The World of the Middle Ages: Byzantium	3
	OR	
HIS 226	The World of the Middle Ages: The West	3
	OR	
HIS 281	European Women and Social Change	3

Adolescent Education Major Requirements (36-39 Credits)

TCH 201	Education I: Understanding Schools	3
TCH 211A	Child Abuse and Violence Prevention	

TCH 211D	DASA- Harassment, Bullying, Cyberbullying and Discrimination in Schools, Prevention & Intervention	
TCH 215	Curriculum and Teaching - Secondary Schools	4
TCH 301	Education II: Understanding Learning and Teaching	3
TCH 412	Literacy Instruction in the Secondary School	3
TCH 426	Teaching English to Adolescents	4
TCH 428	Teaching Mathematics to Adolescents	4
TCH 427	Adolescent to Teaching World Languages to Adolescent	4
TCH 429	Teaching Science to Adolescents	4
TCH 430	Teaching Social Studies to Adolescents	4
TCH 430	Teaching Social Studies to Adolescents	4
TCH 475	Special Education in Secondary Settings	3
TCH 495	Student Teaching and Seminar in the Adolescent Classroom	8

*Please note the following courses are also required:

TCH 203: Understanding Development: Childhood and Adolescence in Context (3 credits)

TCH 309: Understanding Assessment and Evaluation (3 credits)

TCH 316: Fieldwork 1: Experiences in Adolescent Settings (0-1 credit)

TCH 317: Fieldwork 2: Experiences in Adolescent Settings (0-1 credit)

TCH 418: Fieldwork 3: Experiences in Adolescent Settings (0-1 credit)

TCH 419: Student Teaching Seminar in Adolescent Settings (2 credits)

Content Area Methods - Choose One

TCH 426	Teaching English to Adolescents	4
	OR	
TCH 427	Adolescent to Teaching World Languages to Adolescent	4
	OR	
TCH 428	Teaching Mathematics to Adolescents	4
	OR	
TCH 429	Teaching Science to Adolescents	4
	OR	
TCH 430	Teaching Social Studies to Adolescents	4

Total Credit Hours: 120-121

Note: To earn a second major in History, candidates must take six (6) additional credits as follows:

- one (1) European History course, as listed in Content Area Concentration section; and
- one (1) 200- or 300-level History course from any area.

Adolescent Education Major in Teaching Mathematics

Bachelor of Science (PLV & NYC)

Requirements

University Core: (60 credits)

Foundation Requirements (31 credits)

ENG 110	Composition	3
ENG 120	Critical Writing	4
ENG 201	Writing in the Disciplines	3 - 4
COM 200	Public Speaking	3
	Second Language Proficiency (CHI, FRE, ITA, JPN, RUS, or SPA)	6
MAT 131	Calculus I	4
CIS 101	Introduction to Computing	3
BIO 123	Biology and Contemporary Society	4
UNV 101	First-Year Seminar: Introduction to University Community	1

Areas Of Knowledge (AOK) (16 credits)

WH: Western Heritage (formerly AOK 2) (3)

3-credit course from approved list for AOK 2/WH.

WTC: World Traditions and Cultures (formerly AOK 3)(3)

3 credit course from approved AOK 3.

HCE: Humanistic and Creative Expressions (formerly AOK 4)(3)

3-credit course from approved list for AOK 4.

HSN: Analysis of Human, Social, and Natural Phenomena (formerly AOK 5)

PHI 253	Logic	3
---------	-------	---

Mathematics Concentration Requirements (35 credits)

MAT 132	Calculus II	4
MAT 137	Introduction to Discrete Mathematics	4
MAT 236	Multivariable Calculus	4
MAT 238	Linear Algebra	4
MAT 253	Differential Equations	4
MAT 260	History of Mathematics	3
MAT 301	Algebraic Structures	3
MAT 303	Modern Geometry	3
MAT 305	Complex Variables	3
MAT 400	Mathematics: Connections, Communications, Research	3

And one of the following:

MAT 305	Complex Variables	3
	OR	
MAT 311	Real Analysis	3

Adolescent Education Major Requirements (36-39 credits)

TCH 201	Education I: Understanding Schools	3
TCH 211A	Child Abuse and Violence Prevention	
TCH 211D	DASA- Harassment, Bullying, Cyberbullying and Discrimination in Schools, Prevention & Intervention	
TCH 215	Curriculum and Teaching - Secondary Schools	4
TCH 301	Education II: Understanding Learning and Teaching	3
TCH 412	Literacy Instruction in the Secondary School	3
TCH 426	Teaching English to Adolescents	4

TCH 452	Language Acquisition and English Learning	3
TCH 475	Special Education in Secondary Settings	3
TCH 495	Student Teaching and Seminar in the Adolescent Classroom	8

Please note the following courses are also required:

TCH 203: Understanding Development; Childhood & Adolescence in Context (3 credits)

TCH 309: Understanding Assessment and Evaluation (3 credits)

TCH 316: Fieldwork 1: Experiences in Adolescent Settings (0-1 credit)

TCH 317: Fieldwork 2: Experiences in Adolescent Settings (0-1 credit)

TCH 418: Fieldwork 3: Experiences in Adolescent Settings (0-1 credit)

TCH 419: Student Teaching Seminar in Adolescent Setting (2 credits)

Content Area Methods - Choose One

TCH 426	Teaching English to Adolescents	4
	OR	
TCH 427	Adolescent to Teaching World Languages to Adolescent	4
	OR	
TCH 428	Teaching Mathematics to Adolescents	4
	OR	
TCH 429	Teaching Science to Adolescents	4
	OR	
TCH 430	Teaching Social Studies to Adolescents	4

Total Credit Hours: 120-121

Note: All candidates who complete this program are eligible to apply for a second major in Mathematics.

Adolescent Education Major in Teaching Spanish

Bachelor of Science (NYC campus only)

Requirements

University Core: (60 credits)

Foundation Requirements (31 credits)

ENG 110	Composition	3
ENG 120	Critical Writing	4
ENG 201	Writing in the Disciplines	3 - 4
COM 200	Public Speaking	3
	Second Language Proficiency (CHI, FRE, ITA, JPN, RUS, or SPA)	6
TS 105	Computers for Human Empowerment	4
	OR	
CIS 101	Introduction to Computing	3
	and	
BIO 123	Biology and Contemporary Society	4
UNV 101	First-Year Seminar: Introduction to University Community	1
MAT		4

(MAT as determined by proficiency test)

Areas Of Knowledge (AOK) (15 credits)

While meeting the AOK 2 (WH), 3 (WT), and 4 (HCE) requirements, at least one course must be from HIS (or INT from a historical perspective), at least one from ART, and at least one course from a philosophical or social science perspective (drawn from PHI, RES, INT, POL, ANT, SOC, ENV, SCI, or ECO).

WH: Western Heritage (formerly AOK 2) (3)

SPA 283	Intermediate Spanish Conversation	3
	OR	
SPA 284	Intermediate Spanish Composition	3

See approved list for AOK 2/WH.

WTC: World Traditions and Cultures (formerly AOK 3)(3)

3 credit course from approved AOK 3/WTC.

HCE: Humanistic and Creative Expressions (formerly AOK 4)(3)

3 credit course from approved list for AOK 4/HCE.

HSN: Analysis of Human, Social, and Natural Phenomena (formerly AOK 5)

PSY 303	Adolescent Psychology	3
---------	-----------------------	---

3 credit course from approved list for AOK 5/HSN.

Spanish Concentration Requirements (at least 21 credits)

Spanish Language

Select SEVEN (7) Spanish language courses from among the below choices:

SPA 101	Elementary College Spanish I	3
SPA 102	Elementary College Spanish II	3
SPA 263	Spanish for Native Speakers	3
SPA 264	Spanish for Native Speakers II	3
SPA 280	Intensive Review of Spanish	3
SPA 281	Intermediate Spanish I	3
SPA 282	Intermediate Spanish II	3
SPA 283	Intermediate Spanish Conversation	3
SPA 284	Intermediate Spanish Composition	3
SPA 301	Spanish Conversation, Diction, and Phonetics	3
SPA 302	Advanced Spanish Composition	3
SPA 303	Advanced Oral and Written Expression	3
SPA 304	Spanish Translation, Interpretation, and Conversation	3

Spanish Culture & Literature

Select THREE (3) Spanish culture, literature, and history courses from among these choices:

SPA 310	Introduction to Spanish Culture	3
SPA 311	Introduction to Latin American Culture	3
SPA 316	Masterpieces of Spanish Literature I	3
SPA 317	Masterpieces of Spanish Literature II	3
SPA 319	Masterpieces of Spanish American Literature I	3
SPA 320	Masterpieces of Spanish American Literature II: Dictatorships	3
SPA 321	Literature and Culture of Puerto Rico and the Caribbean	3
SPA 323	Modern Latin American Prose	3
SPA 332	Golden Age Literature in Spain	3
SPA 337	Twentieth Century Spanish Literature	3
SPA 344	The Short Story and Essay in Spanish America	3
SPA 345	Latin American Theatre	3
SPA 346	Hispanic Literature and Culture in the United States	3
SPA 347	The Culture of Mexico	3
SPA 380	Spanish Seminar	3
SPA 381	Magical Realism in the Literature and Film of Latin America and the Caribbean	3
SPA 480	Tradition and Change in Latin America: Contemporary Culture in Latin America	3

Adolescent Education Major Requirements (36-39 credits)

TCH 201	Education I: Understanding Schools	3
TCH 211A	Child Abuse and Violence Prevention	
TCH 211D	DASA- Harassment, Bullying, Cyberbullying and Discrimination in Schools, Prevention & Intervention	
TCH 215	Curriculum and Teaching - Secondary Schools	4
TCH 301	Education II: Understanding Learning and Teaching	3
TCH 323	Methods and Models of Teaching Adolescents	4
TCH 412	Literacy Instruction in the Secondary School	3
TCH 427	Adolescent to Teaching World Languages to Adolescent	4
TCH 452	Language Acquisition and English Learning	3
TCH 475	Special Education in Secondary Settings	3
TCH 495	Student Teaching and Seminar in the Adolescent Classroom	8

*Please note the following courses are also required:

TCH 203: Understanding Development: Childhood & Adolescence in Context (3 credits)

TCH 309: Understanding Assessment and Evaluation (3 credits)

TCH 316: Fieldwork 1: Experiences in Adolescent Settings (0-1 credit)

TCH 317: Fieldwork 2: Experiences in Adolescent Settings (0-1 credit)

TCH 418: Fieldwork 3: Experiences in Adolescent Settings (0-1 credit)

TCH 419: Student Teaching Seminar in Adolescent Settings (2 credits)

Content Area Methods - Choose One

TCH 426	Teaching English to Adolescents	4
	OR	
TCH 427	Adolescent to Teaching World Languages to Adolescent	4
	OR	
TCH 428	Teaching Mathematics to Adolescents	4
	OR	
TCH 429	Teaching Science to Adolescents	4
	OR	
TCH 430	Teaching Social Studies to Adolescents	4

Total Credit Hours: 120

Childhood Education Major

Bachelor of Science (PLV & NYC)

The Childhood Education major prepares candidates for certification to teach in grades 1-6. Combined-degree programs prepare candidates for certification to teach additional grades, levels, or subjects depending on the selection of program. Candidates with interests in additional certificates or extensions should contact an adviser in the School of Education for program specifics. Honors program option worksheets are available in School of Education offices.

Major in childhood education with required concentration in ONE of the following:

- Biology (p. 370)
- English (p. 372)
- History (p. 374) (a history program major yields Social Studies certification)
- LOTE (p. 376) (Spanish - NYC only)
- Mathematics (p. 378)

Testing-Out of Classes and Waivers

Students may test out of selected courses including ENG 110, TS 105/CIS 101 or a language requirement. Students should discuss these options with their advisers. UNV 101 requirements are waived for all transfer students.

Note: For teaching candidates, University Core second language requirements must be met by two courses in the same language. This requirement may also be met by courses in American Sign Language.

Childhood Education Major with Concentration in Biology

Bachelor of Science (PLV & NYC)

Requirements

University Core – (60 credits)

Foundation Requirements (30 credits)

CIS 101	Introduction to Computing	3
UNV 101	First-Year Seminar: Introduction to University Community	1
MAT 109A	Principles of Mathematics I	3
ENG 110	Composition	3
BIO 123	Biology and Contemporary Society	4
ENG 120	Critical Writing	4
COM 200	Public Speaking	3
ENG 201	Writing in the Disciplines	3 - 4
	Second Language Proficiency (CHI, FRE, ITA, JPN, RUS, or SPA)	6

MAT 109A: or higher (based on placement score or c- in MAT 103).

UNV 101: waived for transfer students

Areas Of Knowledge (AOK) (21 Credits)

ONE additional course from any AOK area listed. Additional AOK: HIS 367

WH: Western Heritage

HIS 111	American Civilization to 1877	3
---------	-------------------------------	---

WT: World Traditions and Cultures

LIT 211C	Early World Literature: The Search for Truth and Meaning	3
	OR	
LIT 211Z	World Mythologies	3

HCE: Humanistic and Creative Expression

TCH 212	Understanding the Potential of the Humanities & Creative Arts in Children's Education & Development	3
---------	---	---

HSN: Analysis of Human, Social and Natural Phenomena

SCI 101	The Planet Earth	3
SCI 130	Elements of Environmental Science	3
SCI 145	Environmental Geology	3

Students make take 1 of the courses listed or any other non-lab science related to physical science in order to complete this requirement.

Additional AOK: HIS 367

In-Depth Sequence and Concentration

MAT 109B (exempt if Foundations Math was Calculus or higher).

Three courses total are required. Students may select 200, 300, 400 level courses in concentration area; math concentration – may include 100 level courses.

Childhood Major Requirements

TCH 201	Education I: Understanding Schools	3
TCH 211A	Child Abuse and Violence Prevention	
TCH 211D	DASA- Harassment, Bullying, Cyberbullying and Discrimination in Schools, Prevention & Intervention	
TCH 212	Understanding the Potential of the Humanities & Creative Arts in Children's Education & Development	3
TCH 215	Curriculum and Teaching - Secondary Schools	4
TCH 301	Education II: Understanding Learning and Teaching	3
TCH 310	Emergent and Early Literacy	4
TCH 350	Mathematic Methods: An Integrated Approach	4
TCH 410	Literacy II: Teaching Fluent Readers	4
TCH 420	Science Methods: An Integrated Approach	4
TCH 440	Social Science Methods: An Integrated Approach	4
TCH 452	Language Acquisition and English Learning	3
TCH 475	Special Education in Secondary Settings	3
TCH 498	Supervised Student Teaching and Seminar	8

Please note that additional requirements include:

TCH 203	Understanding Development: Childhood and Adolescence in Context
TCH 208	Health, Wellness, and Movement in Elementary Education
TCH 309	Understanding Assessment and Evaluation
TCH 314	Fieldwork I in Childhood Settings
TCH 315	Fieldwork II in Childhood Settings
TCH 416	Fieldwork III in Childhood Settings
TCH 417	Student Teaching Seminar in Childhood Settings

Electives

As needed to meet required total credits for degree (after all of the requirements are met).

Required Learning Community Experience

Civic Engagement Requirement

TCH 201	Education I: Understanding Schools	3
---------	------------------------------------	---

Learning Community (LC) Requirement

Students must take one (1) learning community course.

One (1) Learning Community Course

Writing Enhanced Courses Requirements

TCH 201	Education I: Understanding Schools and	3
TCH 452	Language Acquisition and English Learning and	3
HIS 367	History and Geography of New York	3

Total Credit Hours: 120

Additional Certifications and Pathways you might wish to be aware of and eligible for:

- Middle School Extension – take additional 6 credits of TCH 455 and TCH 456. To be eligible certification in grades 7-9 via the Middle School Extension, concentration must include courses with content in each of the following areas: Calculus, Geometry, Linear Algebra, Logic, Probability, and Statistics.

- Bilingual Advanced certifications and TESOL certifications - take minimum of 6 credits in LOTE to be eligible for additional coursework.
- Combined Degree Programs to earn a Master's in Special Education, Literacy, and Educational Technology where courses begin spring of senior year.

Childhood Education Major with Concentration in English

Bachelor of Science (PLV & NYC)

Requirements

University Core: (60 credits)

Foundation Requirements (30 credits)

UNV 101	First-Year Seminar: Introduction to University Community	1
CIS 101	Introduction to Computing	3
MAT 109A	Principles of Mathematics I	3
ENG 110	Composition	3
ENG 120	Critical Writing	4
BIO 123	Biology and Contemporary Society	4
COM 200	Public Speaking	3
ENG 201	Writing in the Disciplines	3 - 4
	Second Language Proficiency (CHI, FRE, ITA, JPN, RUS, or SPA)	6

MAT 109A: or higher (based on placement score or C- in MAT 103)

UNV 101: waived for transfer students

Areas Of Knowledge (AOK) (21 credits)

ONE additional course from AOK areas listed.

WH: Western Heritage

HIS 111	American Civilization to 1877	3
---------	-------------------------------	---

WTC: World Traditions and Cultures

LIT 211C	Early World Literature: The Search for Truth and Meaning	3
	OR	
LIT 211Z	World Mythologies	3

HCE: Humanistic and Creative Expression

TCH 212	Understanding the Potential of the Humanities & Creative Arts in Children's Education & Development	3
---------	---	---

HSN: Analysis of Human, Social, and Natural Phenomena

SCI 101	The Planet Earth	3
SCI 130	Elements of Environmental Science	3
SCI 145	Environmental Geology	3

Students make take 1 of the courses listed or any other non-lab science related to physical science in order to complete this requirement.

Additional AOK: HIS 367

In-Depth Sequence and Concentration

LIT 238	Introduction to Children's Literature	3
LIT 301	Young Adult Literature	3

MAT 109B (exempt if Foundations Math was Calculus or higher).

Three courses total are required. Students may select 200, 300, 400 level courses in concentration area; math concentration – may include 100 level courses. Students may select one additional course beyond those listed for the English Concentration.

Childhood Major Requirements

TCH 201	Education I: Understanding Schools	3
TCH 211A	Child Abuse and Violence Prevention	
TCH 211D	DASA- Harassment, Bullying, Cyberbullying and Discrimination in Schools, Prevention & Intervention

Required Learning Community Experience

Requirements

Learning Community (LC) Requirement

ONE Learning Community Course

Program includes the below.

ENG 201	Writing in the Disciplines	3 - 4
TCH 201	Education I: Understanding Schools	3

Total Credit Hours: 120-123

Testing-Out of Classes and Waivers

Students may test out of selected courses including ENG 110, CIS 101 or a language requirement. Language majors wishing to test out of a language requirement may wish to take a CLEP exam for credits toward the language certification minimum of 30 credits. Students should discuss these options with their advisor. UNV 101 requirements are waived for all transfer students.

Continuing and Professional Education

General Information

A place where adults get help moving onward and upward. Pace University's Continuing and Professional Education (CPE) gives you the power to transform your life and achieve your educational goals and career dreams. Whether you are looking to enhance your skills in your current position, contemplating a career change, updating your resume, or opening your mind to something you have always dreamed of learning, we have the courses, certificates, adult online degree programs (iPace) and professional training opportunities for you. Courses are offered in three convenient locations (Midtown Manhattan, Downtown NYC, and Westchester) and online. If you are looking for something more in your personal or professional life, look no further than Pace CPE and begin your educational journey today.

Earn your college degree with iPace. Each iPace program features the flexibility of online learning with the same accredited Pace University degree that employers know and respect. All programs are online, with the exception of the Nursing degree, which is a blend of online classes and in-person sessions. To apply, or for more information about admission, transfer credits, or financial aid, visit www.pace.edu/iPace, or call (800) 874-7223.

You may view all CPE certificate and professional development programs at <http://www.pace.edu/CPE>. You may register online or call (888) 561-7223. Our counselors are ready to answer your questions and provide the help and advice you need.
