

\*\*\*\*\*

The Society of Fellows of Dyson College is the premier honors organization in the college. The Society fosters undergraduate scholarship in the arts and sciences by providing enriching experiences for students with outstanding academic ability. Membership in the Society of Fellows of Dyson College affords students an unparalleled opportunity to develop their intellect and display their talents in a variety of settings.

Each fall the Society hosts an off-site weekend retreat where students, faculty, and alumni share in a lively debate on a chosen topic in a casual setting. At the Society's Annual Meeting, held in early spring, students present scholarly research and artistic projects. The official journal of the Society, *Transactions*, was created for the purpose of publishing outstanding work written by Pace University students under the sponsorship of a Fellow or member of the Faculty. New members are recognized at the annual Initiation Ceremony held at the end of the Spring Term. The Society is governed by an Executive Board, chaired by the Dean of Dyson College.
