## Academic Policies and General Regulations

- Academic Integrity Code (p. 12)
- Affirmative Action Policy (p. 12)
- Change of Pace University Graduate Program (p. 12)
- Courses (p. 13)
- Disruption of Normal Academic Progress (p. 17)
- Emergency Closings and Other Changes in Class Schedules (p. 21)
- Graduate Grades and Academic Standing (p. 22)
- Graduation Policies, Honors, and Awards (p. 24)
- Immunization Compliance (p. 25)
- Information for Students with Disabilities (p. 27)
- Multiple Degrees (Internal Transfer) (p. 28)
- Records (p. 28)
- Registration Policies (p. 32)
- Transfer Credits and Residency (p. 38)

## Academic Integrity Code

Students are required to be honest and ethical in satisfying their academic assignments and requirements. Academic integrity requires that, except as may be authorized by the instructor, a student must demonstrate independent intellectual and academic achievements. Therefore, when a student uses or relies upon an idea or material obtained from another source, proper credit or attribution must be given. A failure to give credit or attribution to ideas or material obtained from an outside source is plagiarism. Plagiarism is strictly forbidden. Every student is responsible for giving the proper credit or attribution for any quotation, idea, data, or other material obtained from another source that is presented (whether orally or in writing) in the student's papers, reports, submissions, examinations, presentations and the like.

Individual schools and programs may have adopted additional standards of academic integrity. Therefore, students are responsible for familiarizing themselves with the academic integrity policies of the University as well as of the individual schools and programs in which they are enrolled. A student who fails to comply with the standards of academic integrity is subject to disciplinary actions such as, but not limited to, a reduction in the grade for the assignment or the course, a failing grade in the assignment or the course, suspension and/or dismissal from the University. A PDF of the Pace University Academic Integrity Code (<https://www.pace.edu/sites/default/files/files/student-handbook/pace-university-academic-integrity-code.pdf>) can be found online through the Student Handbook (<https://www.pace.edu/student-handbook/>) under the *Policies and Procedures* section.

## Affirmative Action Policy

### Affirmative Action Policy Statement

The Affirmative Action Policy of Pace University is adopted pursuant to its commitment to the principles of equal opportunity for all minorities and women, which specifically pledges the university to a policy of nondiscrimination toward any person in employment or in any of its programs because of race, color, religion, disability, national or ethnic origin, sexual orientation, veteran status, age, sex, or marital status. Pace University admits, and will continue to admit, qualified students of any race, color, religion, disability, national or ethnic origin, sexual orientation, veteran status, age, sex, or marital status, to all rights, privileges, programs and activities generally accorded or made available to students at the school. It does not and will not discriminate on the basis of race, color, religion, disability, national or ethnic origin, sexual orientation, veteran status, age, sex, or marital status in employment, in administration of its educational policies, admissions policies, scholarship and loan programs, athletic, and other school-administered programs.

## Change of Pace University Graduate Program

The University recognizes that some graduate students may wish to change schools or programs at some point in their studies. Those wishing to do so must meet the admissions requirements of the school and program that they wish to enter and comply with the appropriate change procedure as follows:

To change a concentration/track within a school, students are required complete an online Change of Major application which can be found on this webpage (<https://www.pace.edu/registrar/forms/>). If changing a school or program students must apply through the Office of Graduate Admissions. If the change of school or program is **approved**, only courses with a "B" or better will be accepted in the student's new program and only the credits will be counted.

# Courses

English is the medium of instruction for Pace University programs and courses

- Auditors (Alumni) (p. 13)
- Auditors (Students) (p. 13)
- Canceled Courses (p. 13)
- Class Admission (p. 14)
- Class Attendance Policy (p. 14)
- Class Examinations (p. 14)
- Conflict Examinations (p. 14)
- Course Numbers (p. 14)
- Course Restrictions (p. 14)
- Course Sequencing (p. 15)
- Course Waivers (p. 14)
- Deferred Examinations (p. 15)
- Designated Lecture Section (p. 15)
- Independent Study (p. 15)
- Intersession Courses (p. 15)
- Lab/Lecture Courses (p. 15)
- Out-of Division Courses (p. 15)
- Out-of Major Courses (p. 15)
- Prerequisite Policy (p. 16)
- Program Load (p. 16)
- Religious Beliefs and Attendance (p. 16)
- Textbook Information (p. 16)
- Undergraduates in Graduate Courses (p. 16)
- Video Conference Courses (p. 16)

## Auditors (Alumni)

Alumni of Pace University programs are eligible to audit certain undergraduate and graduate classes, subject to the approval of the instructor and to space limitations. Alumni may take one course per term on an audit basis. Tuition and the general institution fee are waived. The graduate is responsible for any course fees; such as, lab fees, clinical fees or special course fees. Students must have the necessary background of prerequisites for admission to courses. Interested alumni should file an Alumni Auditor Application at [www.pace.edu/paperless](http://www.pace.edu/paperless) (<https://www.pace.edu/registrar/forms/#A>) on the first day of the desired semester. The University reserves the right to restrict particular courses at any and all campuses.

Undergraduate alumni must have earned a Pace University bachelor's degree and may audit undergraduate courses only. Undergraduate associate degree and certificate recipients do not qualify for the Alumni Audit Program. Graduate alumni, master degree, doctoral degree, and post-master certificate recipients of Pace University may audit selected graduate and undergraduate courses.

Courses taken through the Alumni Audit Program will be recorded on a student's transcript with a grade of AUD and will carry no grade points towards a GPA calculation of any kind.

## Auditors (Students)

A student may enroll in a class as an auditor; however full tuition is paid to audit, while no grade or credit for the course is received. The student's transcript will be annotated with a grade of AUD. Students applying for an audit elective must complete the appropriate form(s) on the Office of the Registrar page (<https://www.pace.edu/registrar/forms/#r>) within the first two weeks of a regular semester and within the first week of a summer session.

## Canceled Courses

Courses and/or sections of courses may be cancelled by the University at its discretion.

## Class Admission

Admittance to courses listed in the semester class schedule shall be subject to the current admission policy of Pace University. Receipt of the semester class schedule or University catalog does not imply acceptance of new or former students who do not meet current academic standards. A student may not enter a class unless proper registration procedures have been followed. Students may register without special permission through the Late Registration period. After this date, registration is not guaranteed, after this date, registration is not guaranteed, and will require appropriate signatures and will require the completion of the Registration Action form which can be found on Registrar Form webpage (<https://www.pace.edu/registrar/forms/>).

## Class Attendance Policy

Classroom instruction provides an educational experience that allows students to benefit from the guidance and abilities of the instructor, as well as the exchange of values and ideas among others in the class. For that reason, class attendance is important. Each instructor is authorized to establish a class attendance policy for his or her course in a manner that recognizes the occasional circumstance preventing a student from attending class while also ensuring the maintenance of educational standards and the likelihood that the student will meet course requirements. Classroom attendance is also important for students receiving financial aid or scholarship awards from Pace as non-attendance could result in loss of this financial support and being administratively dropped from the course.

## Class Examinations

Students who have two (2) scheduled final exams at the same time or more than two (2) exams on the same day may apply to take one of these exams on a separate date. The student must file an application with the department for the course they wish to take as a conflict exam.

## Conflict Examinations

Students who have two (2) scheduled final exams at the same time or more than two (2) exams on the same day may apply to take one of these exams on a different date. The student must file an application with the departmental secretary for the course they wish to take as a conflict exam. Students with concerns about the scheduling of a midterm or final exam should consult with their instructor, department chairperson, and/or advisor for any questions.

## Course Numbers

Each course has a subject, a course number and a title. The numeric value represents the academic level of the course, namely undergraduate, graduate, doctoral or Law. The University's course numbering system is as follows:

Number	Course Type
000-099	Adult and Continuing Education and Zero Credits
100-499	Undergraduate courses
500-999	Graduate/Doctoral/Law

## Course Restrictions

Independent Study, Unscheduled Tutorials, and other courses are restricted from Web registration as noted in the class schedule. Students may request entry to these courses, and, if approved, register after their registration appointment time register after their registration appointment time by completing the Registration Action form which can be found on Registrar Form webpage (<https://www.pace.edu/registrar/forms/>) to receive the appropriate departmental signatures from their advisor on their home campus. Approval is not guaranteed.

## Course Waivers

A student unable to take courses required by their major because they are ineligible to participate may resolve the difficulty in one of the following ways:

- The student may seek a waiver to substitute another course for the one that presents the difficulty.
- The student may seek a waiver to fulfill these requirements with equivalent work done independently. He or she must obtain a waiver of the requirement(s) from the department in which the course is offered, and should then proceed to register as described above for independent study. The 3.00 QPA requirement also applies to students taking an independent study under these circumstances, and a waiver should only be considered on an exception basis. The student's transcript will show credit received for independent study, not for the required course. The "Application for Waiver or Substitution" must be approved by the Assistant/Associate Dean of the school in which the student is matriculated.

## Course Sequencing

Students should normally complete preliminary skills and basic courses before proceeding to advanced courses. Students must complete all prerequisites before enrolling in a course. Students who have not met the prerequisites may be required to withdraw from classes at the start of the semester. Adherence to prerequisites is an important part of good education. The prerequisite course teaches materials that the faculty assume are known by all students entering an advanced course. This knowledge will not be taught during the advanced course. Students without proper prerequisites will not be prepared for certain aspects of the course and may impede the learning process of students who are properly prepared.

## Deferred Examinations

### (Absence from a Final Exam)

Students are permitted to take a deferred examination with the approval of their instructor for compelling reasons only, such as illness, emergencies, or other exceptional circumstances. Students who have sufficient reason to request a deferred examination are required to complete a Deferred Examination Application Form from the Faculty Center at [facultycenter@pace.edu](mailto:facultycenter@pace.edu) and have it approved by their instructor. If the instructor is not available, students should contact the Department Chair. After obtaining the necessary approval, students must then pay the required fee of \$35.00 for one exam or \$50.00 for two or more exams.

## Designated Lecture Section

A designated lecture is a class with 60 or more enrolled students.

## Independent Study

The independent scholar will work under the direct supervision of a faculty member specifically qualified in the area of the student's interest. The area proposed for independent study need not be drawn from fields already offered in the curriculum, provided it constitutes a reasonable supplement to work already undertaken.

A student considering registering for independent study should consult with the appropriate department chair and/or the faculty member with whom he or she is interested in working. Independent Study Application should be completed by the student in consultation with the proposed supervising instructor. The student and instructor should agree on the description of the project and on the method of appraisal and grading, number of contact hours, due date, etc. The completed application should then be submitted for approval to the department chairperson and Assistant/Associate Dean of the school in which the independent study is undertaken.

After the application has been approved, the student submits the application to their advisor to process the course registration. Students must complete registration for independent study by the second week of the semester.

## Intersession Courses

Courses are offered during the month of January, May, and August on a limited basis. Intersession courses run anywhere from two weeks to four weeks long, and a student may take a maximum of four credits in any single intersession term.

## Lab/Lecture Courses

Some lecture courses require a lab component, which will be listed as a separate class with its own CRN number in the semester class schedule. The CRN numbers for both the lecture class and the lab component must be used during registration in order to be registered for the class.

## Out-of Division Courses

Students who wish to register for Out-of Division courses are required to complete the Registration Action form which can be found on Registrar Form webpage (<https://www.pace.edu/registrar/forms/>). The form will be forwarded to their advisor on their home campus for approval. Graduate students may register for undergraduate courses without approval. An undergraduate student must request written permission from Assistant/Associate Dean of the graduate course in order to register.

## Out-of Major Courses

Certain courses are offered for specific majors only. A student may request written permission to register for an Out-of Major course by completing the Registration Action form which can be found on the Registrar webpage (<https://www.pace.edu/registrar/forms/>). The form will be forwarded to the Chairperson of the department offering the course. If approved, the Office of the Registrar will be notified and the student will be registered. Once registered the student will be notified of the registration.

## Prerequisite Policy

Before registering for a course, students should verify that they satisfy all prerequisites. Students who do not satisfy the prerequisites for a course will generally not be allowed to continue in the course. Waivers of prerequisites may be granted by the appropriate academic department for substantive reasons. Students who have taken courses at another college or university should have these courses evaluated before registering for courses in the same discipline at Pace.

## Program Load

Students are advised to assume credit and course loads that consider the time and energy demands required for their studies in addition to those imposed by employment and other responsibilities. For example, students engaged in full-time employment are advised to limit their program of study to two courses during the Fall and Spring semesters and one course in each summer session. Generally, it is recommended that full-time students take no more than 12 credit hours during each of Fall and Spring semesters.

All international students studying at Pace University on student visas are required to enroll in a full-time program each Fall and Spring semester in order to comply with the regulations of the U. S. Immigration Service.

For information on the length of time required to complete a particular graduate program, consult Pace University website (<https://www.pace.edu/>) for the degree requirements.

See Tuition Assistance Programs (<https://www.pace.edu/student-accounts/new-york-state-aid-and-outside-scholarships/>) for program load requirements for this form of financial aid.

## Religious Beliefs and Attendance

Pace University offers reasonable accommodation of students' religious beliefs. No person shall be expelled from or be refused admission as a student to Pace University for the reason that they are unable, because of their genuine and sincere religious beliefs, to register for or attend classes or to participate in any examination, course or work requirements on a particular day or days. Any student at Pace University who is unable, because of their religious beliefs, to attend classes on a particular day or days shall, because of such absence on the particular day or days, be excused from any examination or any course or work requirements. It shall be the responsibility of the student who must be absent to provide reasonable advance notice to the faculty member teaching the course or the appropriate administrative official. It shall be the responsibility of the faculty and of the administrative officials of Pace University to make available to each student who is absent from school with appropriate advance notice because of their religious beliefs, a reasonable equivalent opportunity to register for classes or make up any examination, course or work requirements which they missed because of such absence on any particular day or days. No fees of any kind shall be charged by Pace University for making available to the said student such equivalent opportunity.

If registration, classes, examinations, course or work requirements are held on Friday after 4:00 p.m. or on Saturday, similar or makeup classes, examinations, course or work requirements or opportunity to register shall be made available on other days, where it is reasonable and practicable to do so. No special fees shall be charged to the student for these classes, examinations, course or work requirements or registration held on other days.

In effectuating the provisions of this section, it shall be the duty of the faculty and the administrative officials of Pace University to exercise the fullest measure of good faith. However, a reasonable make-up opportunity need not necessarily be the one preferred by or most convenient for the student. No adverse or prejudicial effects shall result to any student because of his or her availing themselves of the provisions of this section.

## Textbook Information

To view textbook information, logon to Blackboard through the Pace Portal at <https://portal.pace.edu>.

## Undergraduates in Graduate Courses

Pace undergraduate students in their junior and senior years who have a minimum cumulative quality point average of 3.00/3.25 (depending on the college/school in which the course is to be taken) may petition to register for a graduate course for which they have the prerequisites. Students must receive written permission from the chair or dean (depending on the program) of the department offering the graduate course. A maximum of two courses (6–8 credits) may be counted toward both the undergraduate and a graduate degree. However, the quality points earned in the course(s) will be calculated only in the student's undergraduate QPA.

## Video Conference Courses

Pace University's Video Conference Network allows simultaneous instruction at different sites. The technology used by the faculty includes video cameras, TV monitors, sound equipment, and electronic presentation technology.

Pace University utilizes Zoom for online courses. Zoom is a full-featured secure video communication service for online/blended classrooms. It's easy to use and only requires a connection to the internet, a web-browser, or your cell phone. Users can join Zoom meetings via desktops, mobile devices, telephones, and video-conferencing room systems.

## Disruption of Normal Academic Progress

- Leave of Absence (p. 17)
- Probation and Academic Dismissal (p. 20)
- Resumption of Studies (p. 20)

## Leave of Absence

Students who wish to pause their academic studies with the intention of returning to Pace must submit a Leave of Absence (<https://www.pace.edu/registrar/forms/#leave-of-absence-form>). A leave of absence requested during a term will result in the withdrawal from all coursework for the given term. "W" grades will be assigned for each course, and the student's record will be updated to reflect the leave of absence. The standard length of a leave is one academic semester or a maximum of one full academic year (Fall and Spring).

A student must meet the following requirements to qualify for a Leave of Absence:

- Be a degree-seeking undergraduate, graduate, or doctoral student.
- Be academically eligible to enroll (i.e., not academically suspended or dismissed).
- Submit a Leave of Absence (<https://www.pace.edu/registrar/forms/#leave-of-absence-form>) request.
- Complete the Leave of Absence (<https://www.pace.edu/registrar/forms/#leave-of-absence-form>) application in its entirety, including all required approvals and any required documentation.

Pace offers a Leave of Absence for the following reasons:

- Academic
- Financial Hardship
- Internship/Work Commitments
- Medical (includes physical, mental, emotional, psychological health)
- Military
- Other (includes students who must care for a member of their household or family)
  
- Benefits of Leave of Absence (p. 17)
- Impacts of Leave of Absence (p. 17)
- Types of Leave of Absence (p. 18)
- Timeline for Leave of Absence (p. 19)
- Student Billing/Tuition Responsibility (p. 19)
- Financial Aid Consideration (p. 19)
- International Students (p. 20)

## Benefits of Leave of Absence

- In most situations, students do not need to re-apply for admission to the University. However, some programs/majors require re-application in some form, and students are responsible for understanding those requirements.
- Degree requirements for the student's declared major will not change unless required by the academic program, New York State Education Department, or accrediting bodies.
- The student's academic record is updated to reflect the pause in studies, to Pace.
- Students must complete a Resumption of Studies application (<https://www.pace.edu/registrar/forms/#resumption-of-studies-form>) to initiate their return.

## Impacts of Leave of Absence

Taking a leave of absence may have the following impacts on students:

- Delays in Graduation
- Financial Aid/Scholarship eligibility could be impacted
- Loan Repayments may be required if a student is not registered in courses.

- Off-Sequence (or cohort-based programs)
- Satisfactory Academic Progress
- Residents who take a Leave of Absence for any reason are required to cancel their housing and move out. Resident students are held to the Housing Cancellation Policy (part of the Housing Agreement students are required to complete and submit before moving into assigned housing).
- Students taking a leave of absence in a given term are withdrawn from **all** courses for which they are registered.

## Types of Leave of Absence

- Leave of Absence - Academic (p. 18)
- Leave of Absence - Financial Hardship (p. 18)
- Leave of Absence - Medical (p. 18)
- Leave of Absence - Military (p. 18)
- Leave of Absence - Work Commitments (p. 19)
- Leave of Absence - Other (p. 19)

## Leave of Absence - Academic

This leave type is meant for students pursuing academic endeavors at another institution. Prior approval is required to ensure academic credits transfer back to Pace correctly. This includes taking courses or conducting research at a different institution. If the student completed coursework at another institution, official transcripts should be submitted to Pace when applying for Resumption of Studies to complete the student's academic record.

An LOA is not required for students taking summer courses at another institution but students will need pre-approval of courses taken away from Pace. Most study abroad programs do not require a leave of absence, however, it is important to check with your major department and the Study Abroad office prior to committing to any study abroad program. Please see the permission to enroll in another institution policy (<https://catalog.pace.edu/undergraduate/academic/academic-policies-general-regulations/courses/permission-enroll-course-another-institution/>) for more information.

## Leave of Absence - Financial Hardship

Students experiencing financial hardship should first contact the Financial Aid and Student Accounts offices for a consultation on their unique situation.

## Leave of Absence - Medical

A student can request a Medical Leave of Absence (using this form) (<https://dynamicforms.ngwebsolutions.com/casAuthentication.ashx?InstID=57994da6-efb-423a-968b-511e303229f2&targetURL=https%3a%2f%2fdynamicforms.ngwebsolutions.com%2fSubmit%2fStart%2f449ca731-fe7b-4bfc-b4f9-028bbf5f976f>) for a period (up to two consecutive full semesters - *or longer at the institution's discretion*) and will be able to follow the same degree requirements as the year they were first admitted. Additionally, in most instances, students granted a Medical Leave of Absence must complete a Resumption of Studies (<https://www.pace.edu/registrar/forms/#resumption-of-studies-form>) to resume their program of study and they should work closely with their academic advisor and major department to be clear about the courses available to them upon their return to assure a smooth transition back to Pace.

In requesting this leave, students must submit a note from their healthcare provider using the following template indicating the student is under their care and that a Medical Leave of Absence is necessary for their recovery/treatment. Please note, students are not required to submit detailed medical information in this letter from their medical provider for purposes of requesting a leave of absence for medical reasons. The template for the letter can be found below.

### Sample Doctor's Note for Medical Leave of Absence

## Leave of Absence - Military

The Military Leave of Absence applies to United States active duty, reserve duty, National Guard, or military veterans needing a leave of absence due to their military service. Students are required to submit proper documentation (orders, training, etc.) with their Leave of Absence request.

Students who access this leave will be readmitted to the same program they were enrolled in when they last attended the University. To be readmitted, students must give written notice to the Office of the Registrar of their intent to resume their studies no later than three years after completion of the military service or two years after recovering from a service-related injury or illness. Students who do not submit a notification of intent to resume their studies within the required time may not be eligible for readmission under this Policy but may be eligible under the University's Leave of Absence

(<https://catalog.pace.edu/undergraduate/academic/academic-policies-general-regulations/leave-of-absence/>) and Resumption of Studies Policies for non-military students. Students must submit military documentation of their posting to process their leave.

## Leave of Absence - Other

In the instances where none of the other leave types are appropriate, students can request a Leave of Absence (<https://www.pace.edu/registrar/forms/#leave-of-absence-form>) - Other type. This would include students requesting leave to care for a family member or member of their household or personal reasons.

## Leave of Absence - Work Commitments

Students pursuing internships or employment commitments can submit a Leave of Absence (<https://www.pace.edu/registrar/forms/#leave-of-absence-form>) - Internship/Work Commitment

## Timeline for Leave of Absence

Students requesting any leave of absence must submit the appropriate request form (<https://www.pace.edu/registrar/forms/#leave-of-absence-form>) with the Office of the Registrar during the semester for which the leave is requested. Students may also submit a leave of absence (<https://www.pace.edu/registrar/forms/#leave-of-absence-form>) for a future semester.

*Submitting the leave request **before** the add/drop deadline:*

If a student is already enrolled for the semester that the leave is requested, they must drop all courses. If they do not, their courses will be dropped upon the approval of the leave. Students typically have the first two weeks of a semester to drop their courses without financial obligations.

*Submitting the leave request **after** the add/drop period of a semester.*

If a leave is requested after the start of the term, the student can withdraw from their coursework. If a student does not withdraw themselves, their courses will be withdrawn upon approval of the leave. Withdrawal will result in "W" grades for all registered courses on the student's transcript.

## Student Billing/Tuition Responsibility

All students are subject to university tuition cancellation policies (<https://catalog.pace.edu/undergraduate/general-university/tuition-fees/tuition-cancellation-policy/>) and schedules (<https://catalog.pace.edu/undergraduate/general-university/tuition-fees/tuition-cancellation-schedule/>). After the 5th week of most fall and spring courses, students are 100% liable for tuition.

## Financial Aid Consideration

An important criterion for Federal Aid eligibility is maintaining satisfactory academic progress. Receiving W grades can have a negative impact on a student's completion rate and overall academic progress. Consequently, this should be considered and discussed with the Financial Aid department prior to submitting a leave of absence. Students on a leave of absence are withdrawn from the University for the purpose of Financial Aid.

Consequently, loan repayment obligations may be triggered. Students should speak to a representative of the Financial Aid Office for more detailed information about their financial aid status during a leave of absence before submitting a Leave of Absence.

Visit Financial Aid withdrawal policy (<https://www.pace.edu/financial-aid/policies-and-procedures/return-title-iv-funds-and-withdrawal-policy/>) for more information on how withdrawals may impact a student's financial aid.

Ordinarily, Pace-funded merit awards will be restored upon a student's resumption of studies after an approved leave of absence in accordance with the this Leave of Absence Policy provided:

1. All other requirements for such a merit aid are satisfied.
2. The student resumes his or her studies by the date identified and approved in the Leave of Absence Application. (<https://www.pace.edu/registrar/forms/#leave-of-absence-form>)

If a student does not resume their studies on or before the date identified and approved in the Leave of Absence, Pace-funded merit awards may be excluded from future financial aid awards, however, student may appeal for reinstatement of the awards. For more information, please visit: Request for Undergraduate Merit Scholarship Reinstatement after a Leave of Absence. (<https://helpdesk.pace.edu/TDClient/213/Portal/Requests/ServiceDet/?ID=10543>)

## International Students

International students should know that immigration regulations may prohibit those granted a Leave of Absence from maintaining their visa status.

The University is legally obligated to report a leave of absence for any reason by a student with an F-1 to the Department of Homeland Security. Students with a F-1 visa who take a leave of absence may not remain in the United States during the leave unless the reason for leave is an illness and/or ongoing treatments that prevent the student from returning to his or her home country and appropriate documentation from a treating physician in the United States has been sent directly to International Students and Scholars (ISS) Office. (<https://www.pace.edu/iss/>)

Students with an F-1 visa contemplating a leave of absence must first consult with an advisor in the ISS (<https://www.pace.edu/iss/>) Office and again when they apply to resume their studies after a leave of absence.

## Probation and Academic Dismissal

University students are expected to maintain good academic standing. The University considers a cumulative quality point average of "B" (CQPA) of 3.0 (Graduate Only) to be evidence of good academic standing, but specific college/schools or programs may have higher requirements. Please contact school or program administrator for specific program definition of satisfactory progress. Students are generally allowed one semester on probation to improve their academic performance and to raise their CQPA. However, students with serious or continuing deficiencies will be academically dismissed from the University. Please consult individual programs sections of this catalog for additional information.

Students who are academically dismissed from the University are allowed one appeal. Student appeals are made directly to the respective college/school. Please contact school or program administrator for the appropriate reinstatement procedure.

## Resumption of Study

In order to resume their enrollment at Pace University after an interruption due to, among other reasons, a leave of absence pursuant to the Leave of Absence Policy or leave due to a medical reason, dismissals due to unsatisfactory academic performance, dismissals or suspensions due to disciplinary issues and, in certain circumstances, withdrawals, students must file a Resumption of Studies Application with the Office of the Registrar.<sup>1,2</sup>

## Procedure

In order to resume their studies at the University, at least three weeks prior to the commencement of the semester in which they wish to resume their studies, subject to the exceptions identified below, students must:<sup>3</sup>

- Apply to resume their studies on their home campus.
- Complete the online Resumption of Studies Application (<https://www.pace.edu/registrar/forms/>).
- Once completed the Resumption of Studies Application will be forwarded for approval to the chair of the department in which the student's major is housed, or the assistant or associate dean of the school or college in which the student is enrolled, or the student's academic advisor. Approval given to resume studies may be subject to certain conditions.
- Arrange for official transcripts from any university or college attended since the student's last enrollment at Pace University to be sent to the Office of the Registrar at the University. (As stated in the Leave of Absence Policy, transfer credits for courses taken elsewhere during the leave of absence must be approved in advance by Pace University; otherwise, they may not be accepted by the University.)
- Once approved the completed Resumption of Studies Application with the signature of approval will be forwarded to the Office of the Registrar.
- Clear all "holds" on the student's account, including, without limitation, payment of all past due balances.
- Provide whatever additional documentation or approvals the University may request.
- Students are required to confer with an academic advisor before registering for any courses.

## Exceptions to Procedure

In addition to any exceptions in the letter granting a leave of absence due to a medical reason applicable to students applying to resume their studies after the leave of absence due to a medical reason, the procedure described directly above is subject to the following exceptions:

- One semester prior to the semester in which they wish to resume their studies, students in the School of Education, the College of Health Professions and the Physician Assistant Program must submit their completed Resumption of Studies Application to the Dean of the School of Education and Dean of the College of Health Professions, respectively, prior to submitting it to the Office of the Registrar.
- International students who intend to resume their studies must first confer with a representative of the International Students and Scholars Office at least one semester prior to the semester in which they wish to resume their studies.

## Degree Requirements and Graduation Date

Ordinarily, the degree requirements applicable to the student's declared major will not change due to the interruption of the student's studies. Nevertheless, there are circumstances when the degree requirements or program offerings will change while the student is on a leave of absence, e.g., requirements of the New York State Education Department, accrediting agencies or applicable law.

The time within which a student is required to complete the degree requirements ordinarily will not change because of a leave of absence, although the graduation date may change. For example, a student who is required to complete the degree requirements within eight semesters is scheduled to graduate in May 2026 takes a leave of absence in the Spring 2025 semester. Because of the one-semester absence, the student's graduation date may be postponed one semester until December 2026 at which time he or she will have been enrolled for eight semesters. However, a student's graduation date may be postponed in excess of the number of semesters they were on a leave of absence if the student is enrolled in a program with required course sequences and the prerequisite courses are not offered every semester.

Students should check with their academic advisor when resuming their studies about the consequences, if any, of the interruption of their studies on degree requirements and graduation date.

## Financial Aid

Students interested in financial aid should speak to a representative in the Financial Aid Office about whether they are eligible for financial aid upon their resumption of studies.

Ordinarily, Pace-funded merit awards will be restored upon a student's resumption of studies after a leave of absence in accordance with the Leave of Absence Policy provided

1. all other requirements for such merit aid are satisfied, and
2. the student resumes his or her studies by the date identified and approved in the Leave of Absence Application.

If a student does not resume his or her studies on or before the date identified and approved in the Leave of Absence Application or obtain an extension of the leave of absence if the student is eligible for one, Pace-funded merit awards may be excluded from future financial aid awards. Pace-funded merit awards are not restored for students resuming their studies after a leave of absence due to a dismissal for academic reasons or a dismissal or suspension for disciplinary reasons. (Related information about the reinstatement of Pace-funded merit awards may be found in the *Reinstatement of Pace-funded Merit Award Following a Leave of Absence due to a medical reason.*)

- <sup>1</sup> Information about a leave of absence due to military service and resumption of studies may be found in the Leave of Absence - Military.
- <sup>2</sup> This Resumption of Studies Policy is not applicable to students who interrupted their enrollment at Pace University, whether or not pursuant to the Leave of Absence Policy and now wish to enroll in the Pace Online program. For information about the Pace Online program, including eligibility criteria, please contact [paceonline@pace.edu](mailto:paceonline@pace.edu).
- <sup>3</sup> Students resuming their studies after a leave of absence - medical must consult and comply with the terms and conditions for resuming their studies set forth in the letter granting them a leave of absence due to a medical reason. If there is a conflict between this Resumption of Studies Policy and the terms and conditions in the letter, the letter supersedes the conflicting portions of this Policy. Students should contact the University Registrar for clarification about any conflicts as well as for complete information about the procedure for resuming their studies after a leave of absence due to medical reason.

## Emergency Closings and Other Changes in Class Schedules, Course Modalities, Instructors, Class Locations, and Other Aspects of University Programs, Services and Activities

Occasionally, the University is confronted by the need to close or otherwise modify its programs, support services and student activities because of inclement weather or other reasons beyond the University's control. Closings are normally announced through the major radio stations in New York City and Westchester County and often appear on their Web sites. In addition, students can also check the Pace University home page, and/or call the Pace Events Phone (PEP) for school closing information.

- New York City - (212) 346-1953
- Pleasantville/White Plains - (914) 773-3398

Closings are also posted on the University's website at [www.pace.edu](http://www.pace.edu) (<https://www.pace.edu>) and are sent via text message and email for those who sign up for Emergency Notifications at Pace Emergency Alerts (<https://www.pace.edu/security-emergency-management/emergency-alerts/>).

Although classes are planned to commence and conclude on the dates indicated in the academic calendar, via the modalities (in person, remote, hybrid) and with the instructors listed in Class Schedules and elsewhere on the University's Website, publications and announcements, unforeseen circumstances may necessitate adjustment to class schedules and extension of time for completion of class assignments, and/or modification of teaching modalities, course instructors, location of classes, and modalities for delivering academic support services and student activities. Examples

of such circumstances may include the risk of exposure to communicable diseases within or in the area surrounding the University, government emergency directives and/or actions, strikes, termination of contracts or cessation of services by vendors, faculty illness, malfunction of University equipment (including computers), unavailability of particular University facilities occasioned by loss of access to or damage to the premises, repairs or other causes, and school closings because of inclement weather. The University shall not be responsible for the refund of any tuition or fees in the event of any such occurrence or for failure of a class or academic support services or student activities, to be completed on the date originally scheduled or via the original modality, or with the original faculty or staff member or in the original location. Nor shall the University be liable for any consequential damages as a result of such a changes.

## Graduate Grades and Academic Standing

- Grading System (p. 22)
- Quality Point System (p. 22)
- Change of Grade (p. 23)
- Grade Appeal Process (p. 23)
- Repeat Grades (p. 24)

## Grading System

A letter grade is awarded as a measure of student performance only by the faculty member assigned to a particular course and section. The spectrum of letter grades ranges from "A" through "C" and "F"; in addition, certain plus and minus refinements to the letter grades are available to allow faculty greater flexibility in the measurement of student performance. Specific grading policies are established by the instructor in a given course. Each letter grade translates into quality points as cited below. The quality point average (QPA) is obtained by dividing the total number of quality points by the number of credits attempted at Pace, including a grade of "F", but not grades of "W", "K", "P", "SAT", "UNS", or "AUD". A QPA of 3.00 is necessary for graduation.

Grade	Description	Quantitative
A, A-	Excellent	90-100%
B+, B, B-	Good	80-89%
C+, C	Satisfactory	70-79%
F	Failing	0-69%
K	Grade Pending <sup>1</sup>	None
P	Pass (Pass/Fail Course)	None
W	Authorized Withdrawal	None
I	Work Incomplete becomes F-if not made up within 6 weeks	None
I-F	Unauthorized withdrawal-not eligible to make up work	0-69%
SAT	Satisfactory	None
UNS	Unsatisfactory	None
AUD	Auditor-No credit granted for course	None

<sup>1</sup> In specific courses (usually courses that continue the following semester) or in special circumstances, with the permission of the dean, a grade of K (pending) may be assigned. This extension may not exceed one year from the end of the semester in which the K grade is assigned.

## Quality Point System

Each letter grade translates into a numerical equivalent as cited below. The quality point average (QPA) is obtained by dividing the total number of quality points by the number of credits attempted at Pace, including a grade of "F", but not grades of "W", "K", "P", "SAT", "UNS", or "AUD". A QPA of 3.00 is necessary for graduation for graduate students.

Grade	Quality Points
A	4
A-	3.7
B+	3.3
B	3
B-	2.7
C+	2.3

C	2
F	0
I-F	0

## Non-Quantitative Grades

Grade	Description	Quantitative
K	Grade Pending	None
P	Pass (Pass/Fail Course)	None
W	Authorized Withdrawal	None
I	Work Incomplete becomes F if not made up within six weeks	None
SAT	Satisfactory	None
UNS	Unsatisfactory	None
AUD	Auditor - No credit granted for course	None

### I Incomplete

Used at the discretion of the instructor due to absence from final examination or when required course assignments are not completed. "I" becomes a failure and a grade of "F" is assigned to the course unless removed within six weeks after the conclusion of the semester; students with an "F" grade will not be allowed to progress further in the program. If, however, in the judgment of the instructor of the course, deficiencies are so extensive that they cannot be made up within the allotted time period of six weeks, a grade of "F" will be assigned immediately at the end of the semester.

### P Pass

Assigned in certain designated courses, students receive credits, when applicable, but no quality points are assigned.

### K in Progress, grade pending

In specific courses (usually courses that continue the following semester) or in special circumstances, with the permission of the dean, a grade of K (pending) may be assigned. This extension may not exceed one year from the end of the semester in which the K grade is assigned.

## Change of Grade

No grade will be changed beyond six months after the end of the semester in which the course was taken. No grade will be changed or recomputed nor will withdrawals be permitted after a degree has been awarded.

## Grade Appeal Process

As a general principle, the instructor has sole authority to establish standards of performance and to exercise judgments on the quality of student performance, but in a manner that reflects reasonable and generally acceptable academic requirements. Grades assigned in this fashion are final except as the instructor may wish to review them. No faculty member, administrator, or other individual may substitute his or her judgment of the student's performance for the reasonable judgment of the instructor.

Students who believe that a final grade received in a course was not determined in a manner consistent with the principle described above may challenge that grade by first arranging, within a reasonable period of time (approximately 10 school days from the time that the student knew or should have known of the final course grade), to meet informally with the instructor to establish a clear understanding of the method by which the grade was determined. Every effort should be made to resolve the matter at the level of the instructor and the student. Students who have difficulty arranging a meeting with the instructor should consult the department chairperson.

If after meeting with the instructor, the student wishes to continue the grade challenge, the student may appeal in writing (with copies to the instructor and the dean of the school) within a reasonable period of time to the chairperson of the department that offers the course in question. The statement should clearly state the basis for questioning the grade received in the course. It should be noted that if the chairperson is the instructor, the appeal is to the dean of the school.

The chairperson's decision to have a grade reviewed or not is final. If the chairperson decides that the method by which the student's grade was determined was not proper, the chairperson will apprise the instructor of the basis for questioning the grade and request that the instructor review the grade. If the instructor, for any reason, does not review the grade, the chairperson will request that at least one other faculty member qualified to teach the course in question review the grade. In the process of such a review, the faculty member(s) is (are) authorized to assign a grade change and may, if necessary, require additional examination of the student's performance as a basis for the grade change.

Students may, at any point in this appeal process, solicit the advice and assistance of an individual faculty or staff member. This individual's authority in these matters is limited to mediating the relationship between the student and the instructor and/or chairperson.

## Repeat Grades

Grades earned in courses that are repeated are averaged in the same manner as that described under the heading "Graduate Grading System" and all grades remain on the transcript. A student may request, however, on a one-time basis, that the repeat passing grade for a course in which the grade of "F" (or "I-F") was originally received be the only grade for the course averaged in the calculation of the QPA. However, both grades (the original "F" or "I-F" and the repeat grade) will be shown on the transcript. Transcripts will be footnoted to indicate that the QPA has been recomputed. Students wishing to apply for re-computation of their GPA must complete the paperless form (<https://appsrv.pace.edu/osa/programs/forms/recomputeGrade.cfm>). (Specific departments may not allow repeat grades.) Re-computation is not allowed once the degree has been awarded.

## Graduation Policies, Honors, and Awards

### University Policy of Awarding Degrees

#### Double Major/Dual Degree Policy

The New York State Department of Education states the conferral of two associate, baccalaureate, graduate, and professional degrees should be reserved to recognize that a student has competencies in **two essentially different areas**.

A student with a strong academic record, generally a 3.00 or higher cumulative GPA, may elect to take a second major with the approval of the department chair of the second major and the dean or associate or vice dean of the college/school of the first major.

- **Awarding of Degrees with the Same Classification is not Permitted**

The New York State Department of Education does not permit Pace University to confer two Associate in Arts, Associate in Science, Bachelors of Arts, Bachelor of Fine Arts, Bachelors of Science, Bachelor of Business Administration within the same school, or any combination of these degrees.

The New York State Department of Education does not permit Pace University to confer two different Masters degrees, i.e. Masters of Business Administration or Master of Science degrees, Master of Arts degrees, etc. within the same school, or any combination of these degrees.

- **Double Major**

If the student selects two majors with the same degree (AA, AAS, BA, BS, or BBA), regardless of college/school, then the requirements for both majors need to be fulfilled. In addition, students may potentially fulfill the requirements for both majors without exceeding 128 credits, depending upon the two baccalaureate majors selected.

- **Dual Degree**

If the student selects two majors that are different degrees (i.e., dual degrees, e.g., BBA marketing and BA speech communication, JD), then in addition to fulfilling all course requirements for both, a minimum of 32 credits is required to be completed beyond the requirements for the first degree or a minimum total of at least 160 credits for both degrees.

**Requirements for Graduation** - Certain time limits are set for completion of all degree requirements:

Event	Deadline
Doctoral Programs (6 years for advanced level Psy.D. students)	10 years
Master's Program (7 years for part-time students in M.S.Ed.)	5 years
Advanced Professional Certificate Program	3 years

Under extenuating circumstances, a request for extension of time may be submitted for consideration by the department chair or Dean of the School, dependent on departmental policies.

To qualify for a degree or certificate, each student is required to meet the course requirements of their program of study and satisfy a minimum number of approved courses in residence at the University. In addition, the student must obtain a cumulative quality point average of at least 3.00 to graduate.

See individual schools in this catalog for specific requirements appropriate to each degree program.

**Commencement** - Commencement exercises are scheduled once a year, every May. Degree recipients in December, or students who are expected to complete their degree requirements in May or August of the same year, are eligible to participate in commencement exercises in May.

# Immunization Compliance

- Measles, Mumps, and Rubella (p. 25)
- Meningococcal Meningitis Disease (p. 26)

## Measles, Mumps, and Rubella

Students\* born on or after January 31, 1957, and enrolled for six credits or more in one semester, are required by New York State Public Health Law § 2165 ([https://www.health.ny.gov/prevention/immunization/handbook/section\\_1\\_requirements.htm](https://www.health.ny.gov/prevention/immunization/handbook/section_1_requirements.htm)) to provide Pace University with proof of immunity to measles, mumps, and rubella within thirty days of the first scheduled day of classes in the first semester in which they are enrolled:

**Proof of Immunity.** There are several forms of acceptable proof of immunity, but only one form of proof of immunity for each disease is required.

*Measles.* Proof of immunity to measles may be established by one of the following forms of immunity:

- The student must submit proof of two doses of live measles vaccine: the first dose given no more than four days prior to the student's first birthday and the second at least twenty-eight days after the first dose; or
- The student must submit serological proof of immunity to measles. This means the demonstration of measles antibodies through a blood test performed by an approved medical laboratory; or
- The student must submit a statement from the diagnosing physician, physician assistant or nurse practitioner that the student has had measles disease; or
- The student must submit proof of honorable discharge from the armed services within ten years from the date of application to the University. The proof of honorable discharge shall qualify as a certificate enabling a student to attend the institution pending actual receipt of immunization records from the armed services; or
- If a student is unable to access his/her immunization record from a health care provider or previous school, documentation that proves the student attended primary or secondary school in the United States after 1980 will be sufficient proof that the student received one dose of live measles vaccine. If this option is used, the second dose of measles vaccine must have been administered within one year of attendance at the University.

*Mumps.* Proof of immunity to mumps may be established by one of the following forms of proof of immunity;

- The student must submit proof of one dose of live mumps vaccine given no more than four days prior to the student's first birthday; or
- The student must submit serological proof of immunity to mumps. This means the demonstration of mumps antibodies through a blood test performed by an approved medical laboratory; or
- The student must submit a statement from the diagnosing physician, physician assistant, or nurse practitioner that the student has had mumps disease; or
- The student must submit proof of honorable discharge from the armed services within ten years from the date of application to the University. The proof of honorable discharge shall qualify as a certificate enabling a student to attend the University pending actual receipt of immunization records from the armed services.

*Rubella.* Proof of immunity to rubella may be established by one of the following forms of proof of immunity:

- The student must submit proof of one dose of live rubella vaccine given no more than four days prior to the student's first birthday; or
- The student must submit serological proof of immunity to rubella. This means the demonstration of rubella antibodies through a blood test performed by an approved medical laboratory; or
- The student must submit proof of honorable discharge from the armed services within ten years from the date of application to the University. The proof of honorable discharge shall qualify as a certificate enabling a student to attend the University pending actual receipt of immunization records from the armed services.

Beginning on the thirty-first day after classes begin, students who failed to provide one form of proof of immunity as described above for each disease will not be permitted to continue their attendance at the University\*\*. Attendance means the physical presence of the student at the University. Thus, students who fail to provide one form of proof of immunity for each disease by the thirty-day deadline will not be permitted, for example, to be on campus, or attend classes or any other curricular or extracurricular events, or be present in University housing. The time period may be extended to forty-five days if a student is from out of state or from another country and can show a good faith effort to comply with the requirements above of New York State Public Health Law § 2165 ([https://www.health.ny.gov/prevention/immunization/handbook/section\\_1\\_requirements.htm](https://www.health.ny.gov/prevention/immunization/handbook/section_1_requirements.htm)), or when a disease outbreak occurs. If an extension is granted by the University, students who have not complied with New York State Public Health Law § 2165 ([https://www.health.ny.gov/prevention/immunization/handbook/section\\_1\\_requirements.htm](https://www.health.ny.gov/prevention/immunization/handbook/section_1_requirements.htm)) by the forty-fifth day will not be permitted to continue their attendance at the University beginning on the forty-sixth day after classes began.

Students who are restricted from in-person presence/attendance due to non-compliance are responsible for all charges incurred during the semester up to the date they are administratively withdrawn.

Students who do not provide one form of immunity for each disease as identified above within thirty days but are enrolled only in online courses, will be permitted to continue their online courses but will not be permitted for any reason to be on campus, or attend classes or any other curricular or extracurricular events, or be present in University housing.

## Exemptions from Immunization Requirements

There are circumstances under which a student may be exempt from immunization requirements.

### Medical Exemption

If a licensed physician, physician assistant, or nurse practitioner, or licensed midwife caring for a pregnant student, certifies in writing that the student has a health condition which is a valid contraindication to receiving a specific vaccine, then a permanent or temporary (for resolvable conditions such as pregnancy) exemption from the immunization requirements may be granted by the University. The certification must specify those immunizations which may be detrimental and the length of time they may be detrimental. In the event of an outbreak of measles, mumps or rubella, medically exempt individuals may be excluded from classes and other curricular and extracurricular events, University housing, and/or campus in order to protect them from exposure.

### Religious Exemption

A student may be exempt from vaccination if, in the opinion of the University, the student or the parent or guardian of a student less than eighteen years old holds genuine and sincere religious beliefs which are contrary to the practice of immunization. The student requesting exemption from the immunization requirements may or may not be a member of an established religious organization. Requests for exemptions must be in writing and signed by the student if eighteen years of age or older, or the student's parent or guardian if the student is under eighteen. The University may, in its sole discretion, require documents that support the request for a religious exemption. In the event of an outbreak of measles, mumps or rubella, religiously exempt individuals may be excluded from classes and other curricular and extracurricular events, University housing, and/or campus in order to protect them from exposure.

\* As defined by PHL Section 2165 (1)(b) ([https://www.health.ny.gov/prevention/immunization/handbook/section\\_1\\_requirements.htm](https://www.health.ny.gov/prevention/immunization/handbook/section_1_requirements.htm)) and 10 NYCRR Subpart 66-2.1(b) ([https://www.health.ny.gov/prevention/immunization/handbook/section\\_9\\_appendices/appendix\\_a/nycrr/title\\_10/section\\_66-2\\_1.htm](https://www.health.ny.gov/prevention/immunization/handbook/section_9_appendices/appendix_a/nycrr/title_10/section_66-2_1.htm)), "student" means any person born on or after January 1, 1957, who is registered to attend or attends classes at an institution, whether full-time or part-time, in a degree granting institution. "Part-time student" means a student enrolled for at least six, but less than 12 semester hours, or the equivalent per semester or at least four but less than eight semester hours per quarter. "Full-time student" means a student enrolled for 12 or more semester hours or the equivalent per semester, or 8 or more semester hours per quarter. It does not exclude students who are not in a degree/certificate program.

\*\* Students are no longer administratively withdrawn. They lose access to campus. Student's who are not compliant will have their campus access restricted/revoked.

## Meningococcal Meningitis Disease

Students of any age who are registered to attend classes and are enrolled for six credits or more in one semester are required by New York State Public Health Law § 2167 to satisfy one of the following two options within thirty days of the first scheduled day of classes in the first semester in which they are enrolled:

- Certificate of immunization for meningococcal meningitis disease; or
- A response to receipt of meningococcal meningitis disease and vaccine information provided by Pace University and signed by the student or, if the student is under eighteen years of age, by the student's parent or guardian; **and one of the following two options:**
  - Self-reported or parent recall of meningococcal meningitis immunization within the past ten years; or
  - An acknowledgement of meningococcal meningitis disease risks and refusal of meningococcal meningitis immunization signed by the student or, if the student is under eighteen years of age, by the student's parent or guardian.

Beginning on the thirty-first day after classes began, students who failed to satisfy one of the two options described above will not be permitted to continue their attendance at the University and will be administratively withdrawn. Attendance means the physical presence of the student at the University. Thus, students who fail to satisfy one of the two options by the thirty-day deadline will not be permitted, for example, to be on campus, or attend classes or any other curricular or extracurricular events, or be present in University housing. The time period may be extended to sixty days if a student can show a good faith effort to comply with the requirements above of New York State Public Health Law § 2167. If an extension is granted by the University, students who have not satisfied one of the two options above within sixty days will not be permitted to continue their attendance at the University beginning on the sixty-first day after classes began.

Students who are administratively withdrawn are responsible for all charges incurred during the semester up to the date they are administratively withdrawn. In addition, students will receive a withdrawal grade ("W") for each course in which they are enrolled on the date they are administratively withdrawn.

Students who do not satisfy one of the two options described above within thirty days but are enrolled only in online courses, will not be administratively withdrawn from the University. Such students will be permitted to continue their online courses but will not be permitted for any reason to be on campus, or attend classes or any other curricular or extracurricular events, or be present in University housing.

## Information for Students with Disabilities

- The same rigorous standards for admission apply to students with and without a disability. In order to support the continued success of students with disabilities, the University prohibits discrimination on the basis of disability and is committed to ensuring equal access for students with disabilities to its facilities, programs, and activities. The University's commitment to equal educational opportunities for students with disabilities includes providing reasonable accommodations for the needs of students with disabilities.

Please visit the Student Accessibility Services webpage (<https://www.pace.edu/counseling/student-accessibility-services/>) for more information.

- Disabilities and Accommodations (p. 27)
- Request for Accommodations (p. 27)
- Confidentiality (p. 28)
- Complaints of Disability Discrimination (p. 28)

## Disabilities and Accommodations

Federal law, including the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, as well as state and local laws prohibit institutions of higher education from discriminating against students with disabilities. The Americans with Disabilities Act defines an individual with a disability as a person who has a physical or mental impairment which substantially limits one or more major life activities of the individual, has a record of such an impairment, or is regarded as having an impairment.

Students with, among others, visual, hearing and mobility impairments, psychological disorders (including, but not limited to, specific learning disabilities, organic brain syndrome, attention deficient disorder, emotional or mental illness), and chronic health disorders such as diabetes, heart disease, and HIV infection (whether asymptomatic or symptomatic) may be disabled and therefore eligible for a reasonable accommodation. Each student diagnosed with a particular disability will have a different level of functioning even within the same disability category. Further, compensation skills will also vary from one student to another and in the same student over time. Therefore, accommodations are determined on a case-by-case basis according to a student's documented needs, guidelines suggested by federal and state law, and criteria developed by the University.

Identifying and implementing a reasonable accommodation for a student with a disability is an interactive process that includes shared responsibility between the University and the student. Accommodations include adjustments to make the campus, residential housing, transportation and parking accessible, academic adjustments or modifications, and auxiliary aids and services. Examples of academic adjustments that may be made available to eligible students include priority registration, substitution of one course for another, a leave of absence, and extended time to complete an assignment or test. Auxiliary aids and services that may be provided to eligible students include, for example, note takers, recording devices, sign language interpreters, and computers equipped with voice recognition or other adaptive software.

The University is required to provide a reasonable accommodation; it is not required to provide the specific accommodation requested by the student.

In providing accommodations, the University is not required to lower or effect substantial modifications to essential requirements or to make modifications that would fundamentally alter the nature of the service, program or activity. Thus, for example, although the University may be required to provide extended time within which to complete a test, it is not required to change the substantive content of the test. Personal attendants, individually prescribed devices, readers for personal use or study, wheelchairs, hearing aids, and other devices or services of a personal nature are the responsibility of the student, not the University. Finally, the University is not required to make modifications or provide auxiliary aids or services that would result in an undue burden on the University.

Funding for auxiliary aids and services may be available from certain state agencies such as, for example, the New York State Office of Vocational and Educational Services for Individuals with Disability. For those auxiliary aids and services that are likely to be funded by a state agency, the University may require the student to apply to the agency for funding. The University may provide assistance with the application for funding.

## Request for an Accommodation

To request an accommodation for a qualifying disability, a student must self-identify and register with the Student Accessibility Services for his or her campus. The Student Accessibility Services is housed in the Counseling Center on both the New York City and Pleasantville campuses. The Student Accessibility Services for the New York City campus may be contacted at 212-346-1526 or 156 William Street, 8th Floor. The Office of Disability Services for the Westchester campuses may be contacted at 914-773-3710 or the Administration Center, 861 Bedford Road, Pleasantville. Notifying other University offices, faculty or staff does not constitute giving notice to the University of a request for an accommodation. No one, including faculty, is authorized to evaluate the need and arrange for an accommodation except the Student Accessibility Services staff. Moreover, no one, including faculty, is authorized to contact the Student Accessibility Services on behalf of a student.

It is the student's responsibility to request an accommodation. Because some accommodations may take considerable time to arrange, students are urged to contact the Student Accessibility Services in order to request an accommodation as soon as possible after receiving notice of admission to

the University. Untimely requests may result in delay, substitution, or an inability to provide an accommodation. If a request for an accommodation is submitted late, the Student Accessibility Services will, nevertheless, make every reasonable effort to process the request for an accommodation.

Before an accommodation will be provided, the student may be required to submit medical and/or other diagnostic information concerning the student's impairments and limitations. If the information provided is unclear or incomplete, the student may be required to provide additional information or participate in further evaluations. The Student Accessibility Services will, in conjunction with others as may be appropriate, evaluate the information provided by the student and health care providers; refer the student for additional testing and evaluation as may be necessary; make recommendations for the accommodations to be provided to the student; and, assist in arranging for the implementation of the accommodation to be provided.

If a student experiences difficulties with the implementation of the accommodation or, if after it has been implemented, a student has concerns that the expected results of the accommodation are not being met, the student must promptly notify the Student Accessibility Services. The Student Accessibility Services will, as may be appropriate, endeavor to remedy the situation. If a student disagrees with the accommodation recommended by the Office of Disability Services, he or she should promptly appeal the recommendation to the Assistant Dean for Community Standards and Compliance at 914-773-3168.

Faculty members who have concerns about a reasonable accommodation recommended by the Student Accessibility Services for his or her class, should contact the Student Accessibility Services on the appropriate campus.

Depending on the nature of the disability and the accommodation provided, a student may be required periodically to submit medical and/or diagnostic information demonstrating the current status of the disability and/or to renew the request for an accommodation.

Any questions about the services offered by the University to students with disabilities or the procedures for requesting an accommodation should be directed to the Student Accessibility Services for the New York City campus at 212-346-1199 or for the Westchester campuses at 914-773-3710.

## Confidentiality

The information and documents provided to the University in support of a student's request for an accommodation shall be maintained as confidential. Individually identifiable information will not be disclosed except as may be required or permitted by law or pursuant to a release signed by the student.

## Complaints of Disability Discrimination

If a student has concerns that he or she has been discriminated against because of a disability, he or she should contact the University's Affirmative Action Officer at 212-346-1310 or 914-773-3856.

## Additional Services Offered by the Counseling Center

The University's Counseling Center offers psychological services to all students. To make an appointment, call the Counseling Center at 212-346-1526 or 914-773-3710.

## Multiple Degrees (Internal Transfer)

Students may apply appropriate credits from one Pace graduate degree to another with the written **approval** of the new program's Assistant/Associate Dean; such credits must have been completed with a minimum grade of "B". New York State Department of Education does not permit Pace University to confer two different Masters degrees within the same school, i.e. Masters of Business Administration or Master of Science degrees, Master of Arts degrees, etc. or any combination of these degrees. No Pace graduate degrees can be earned with fewer than 24 credits distinct to that degree earned in residence at Pace University.

## Records

### Transcripts of Records Policy

In accordance with the Federal Family Educational Rights & Privacy Act (FERPA) of 1974 and subsequent amendments, official academic transcripts cannot be released without the written consent of a student or alumnus. Pace University has contracted with the **National Student Clearinghouse** to handle all official transcript requests for current students, former students and alumni. Students may submit their request online via the Clearinghouse website at [www.getmytranscript.com](http://www.getmytranscript.com) (<http://www.getmytranscript.com>) or through the Pace Portal (<https://portal5login.pace.edu/cas-web/login/?service=https%3A%2F%2Fportal5.pace.edu%2Fportal%2Fportal%2Flogin>). There is no fee assessed for unofficial academic transcripts which can be obtained via Pace Portal. Official Academic Transcripts are assessed a fee of \$7.25 per copy.

Official academic transcripts are sent directly via mail as hard copy or electronic delivery to the entity identified on their request. Please note, official academic transcripts sent via hard copy mail to students are marked *Official Transcript Given to Student in a Sealed Envelope*. The University accepts no responsibility for the accuracy of an unofficial academic transcript after it has been printed.

## Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act ("FERPA") is a federal law designed to protect the privacy of a student's education records, establish a student's right to access and review his or her education records, provide guidelines for the correction of inaccurate and misleading information that may be contained in those education records, and create a right to file complaints about alleged FERPA violations with the Department of Education.

Once a student reaches 18 years of age or attends a postsecondary institution, the rights created by FERPA transfer from the student's parents to the student. These rights include:

- The right to have access to and review his or her education records maintained by the postsecondary institution.
- The right to seek amendment of his or her education records that contain inaccurate and misleading information.
- The right to limit the disclosure of personally identifiable information in his or her education record.
- The right to file a complaint about alleged FERPA violations with the Family Policy Compliance Office of the Department of Education.

FERPA protects personally identifiable information in a student's education records. Education records are defined under FERPA as those records, files, data, video and audio tapes, handwritten notes and other material that contain information that is directly related to a student and maintained by Pace University or a party acting for the University. There are exceptions, however, to the definition of education records. For example, the term education record does not include:

- Records kept in the sole possession of the maker, used only as a personal memory aid, and are not accessible or revealed to any other person except a temporary substitute for the maker of the records.
- Records of the Safety and Security Department of the University.
- Records relating to a student's employment with the University.
- Records maintained by a physician, psychiatrist, psychologist, and other health care professionals in connection with treatment of a student.
- Records created or received by the University after a student is no longer in attendance and that are not directly related to the student's attendance at the University.
- Grades on peer-graded papers before they are collected and recorded by the instructor.

Personally identifiable information includes, but is not limited to:

- The student's name.
- The name of the student's parents or other family members.
- The address of the student or the student's family.
- The student's social security number or student identification number.
- Other indirect identifiers, such as the student's date of birth, place of birth, and mother's maiden name.
- Any information that alone, or in combination with other information, is linkable to a specific student that would allow a reasonable person who does not have knowledge of the relevant circumstances to identify the student with reasonable certainty.

### Access to and Review of Education Records

Under FERPA, a student has the right to have access to and review his or her education records with the exception of the following records:

1. information contained in an education record concerning students other than the student whose education record is being accessed;
2. financial records, including any information those records contain, of the student's parents; and
3. confidential letters and statements of recommendation placed in the student's education records after January 1, 1975 provided the student has waived his or her right to review those letters, and confidential letters and statements of recommendation placed in the student's education records before January 1, 1975 and used only for the purpose for which they were specifically intended. (In order to waive the right to review confidential letters and statements of recommendation in a student's education record, the student must submit a completed and signed Waiver of Right to Review Confidential Letters and Statements of Recommendation form to the Office of the Registrar.)

Any student who wishes to access and review his or her education records must submit a dated written request to the custodian of the record, e.g., the Office of the Registrar, a department chair, a program director, a faculty member. No later than 45 days after receiving the student's request, the custodian will make arrangements for the student to review his or her education records. A representative of the University may be present during the inspection, and the student may be required to present valid photo identification before accessing the records.

### Amendment of Education Records

Under FERPA, a student who believes information in his or her education records is inaccurate, misleading, or in violation of the student's privacy rights recognized by FERPA, has the right to request that the records be amended. The right to seek amendment of an education record does not include changes to a grade unless the grade assigned was inaccurately recorded, an opinion, or a substantive decision made by the University about the student.

To request an amendment, the student must submit a written request to the custodian of the record. The request should clearly identify the portion of the record the student seeks to have amended and specify the reasons for the requested amendment. If the custodian of the record determines the information contained in the record is inaccurate, misleading, or in violation of the student's privacy rights recognized by FERPA, the custodian will amend the record and notify the student of the amendment in writing.

If the custodian determines an amendment of the student's education record is not warranted because it is not inaccurate, misleading or in violation of the student's privacy rights recognized by FERPA, the custodian will inform the student in writing of the decision not to amend and will also inform the student of his or her right to a hearing on the matter. The student's written request for a hearing must be received by the dean for students of the student's home campus within 30 calendar days of the date of the custodian's decision denying an amendment, and the hearing shall be held within a reasonable time thereafter. Within 5 business days after receiving the student's written request for a hearing, the dean for students or his or her designee will appoint a hearing officer to review the matter. The hearing officer must be a University representative with no direct interest in the outcome of the matter.

The hearing officer shall, in his or her sole discretion, determine whether, under the circumstances, the hearing should be conducted in-person or by telephone. The hearing officer shall provide the student and the custodian of the education record at issue with reasonable notice of the date, time, and place of the hearing if it is to be in-person and the date and time if it is to be conducted by telephone. The student and the custodian shall each have the opportunity to present evidence at the hearing in support of their respective positions. The student may, at his or her own expense, be assisted or represented by one or more individuals, including an attorney, of the student's choice.

Within a reasonable time after the hearing, the hearing officer will notify the student and the custodian of the record in writing of the hearing officer's decision. The hearing officer's decision must be based solely on the evidence presented at the hearing and must include a summary of the evidence and the reasons for the decision. If the hearing officer determines the information contained in the record is inaccurate, misleading, or in violation of the student's privacy rights recognized by FERPA, the record will be amended. However, if the hearing officer determines the information is not inaccurate, misleading, or otherwise in violation of the student's privacy rights recognized by FERPA, the education record will not be amended and the student has the right to place a statement in his or her record commenting on the contested information and explaining why he or she disagrees with the hearing officer's decision.

## Disclosure of Education Records to Third Parties

Absent an exception under FERPA, the University must obtain a student's prior written consent before it discloses personally identifiable information from a student's education records to a third party. In order to authorize the disclosure of personally identifiable information from his or her education records to a third party, a student must complete, sign and date the Authorization to Disclose Information from Education Records form and submit it to the custodian of the record from which the disclosure is to be made.

FERPA provides a number of exceptions, however, that allow the University to disclose information from a student's education record without the student's consent. Circumstances under which the University may disclose personally identifiable information from a student's education records without obtaining the student's consent, include, but are not limited to, the following:

- To University officials with a legitimate educational interest in the personally identifiable information to be disclosed. A University official includes, without limitation, faculty; officers; administrators; administrative assistants and clerical staff; safety and security staff; trustees; attorneys; auditors; health care providers; members (including student members) of University-sponsored committees and disciplinary boards; student employees assisting other University officials in performing their duties and responsibilities for the University; and a contractor, volunteer or other party to whom the University has outsourced University services or functions. A University official has a legitimate educational interest in the personally identifiable information to be disclosed if the official needs to review the education record in order to fulfill his or her professional duties and responsibilities for the University.
- To officials of another school in which the student seeks or intends to enroll.
- To the parents of a tax-dependent student as defined in section 152 of the Internal Revenue Code of 1986.
- In connection with the student's request for or receipt of financial aid if the information is necessary to determine the eligibility, amount or conditions of the aid, or to enforce the terms and conditions of the aid.
- In connection with a health or safety emergency if knowledge of the personally identifiable information is necessary to protect the health or safety of the student or other individuals.
- To the parents of a student under the age of 21 at the time of disclosure, and the disclosure concerns the student's violation of a federal, state or local law or University policy regarding the use or possession of alcohol or a controlled substance, provided the University has determined the student has committed a disciplinary violation with respect to the use or possession, and the disclosure does not conflict with any state law that prohibits such disclosure.
- Directory information (see discussion below of directory information).
- To comply with a judicial order or lawfully issued subpoena.
- To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense concerning the final results of a disciplinary hearing with respect to the alleged crime.
- The final results of a disciplinary proceeding related to a crime of violence or non-forcible sex offense may be released to any third party if the student who is the alleged perpetrator is found to have violated the University's policies. Disclosure under this exception is limited to the name

of the student perpetrator, the violation committed, and any sanction imposed. The disclosure shall not include the name of any other student, including the victim or a witness, without the prior written consent of the other student.

- To authorized representatives of the Comptroller General of the United States, the Attorney General of the United States, the U.S. Secretary of Education, and state and local educational authorities for audit or evaluation of federal or state supported education programs, or for the enforcement of or compliance with federal legal requirements that relate to those programs.
- To organizations conducting studies for or on behalf of the University for the purposes of administering predictive tests or student aid programs, or improving instruction.
- To accrediting organizations to carry out their accrediting functions.

## Directory Information

FERPA permits the University to disclose directory information to the public without obtaining the student's prior written consent. Directory information is defined by FERPA as information contained in a student's education record that would not generally be considered harmful or an invasion of privacy if disclosed. The University has defined directory information more specifically as:

- Student's name
- Campus telephone number
- Campus address
- University e-mail address
- Date of birth
- College or school in which the student is enrolled
- Program and/or field of study
- Enrollment status, e.g., undergraduate or graduate student, full-time, part-time, not enrolled, graduated
- School attended immediately prior to enrolling at the University
- Dates of attendance
- Degrees and honors
- Awards received
- The weight and height of members of athletic teams

Students may "opt out" of directory information and request that directory information, as defined above, be withheld, in whole or in part, and released only with the student's prior written authorization. Students who wish to opt-out of some or all of the directory information must complete and sign a Request to Opt-out of Directory Information form and submit it to the Office of the Registrar on or before September 30 of each year. (Students who transfer to the University in the spring semester or return to the University in the spring semester after a leave of absence must submit a completed and signed Request to Opt-out of Directory Information form to the Office of the Registrar on or before February 15.) Students who wish to revoke their previous request to opt-out of some or all of the directory information must submit a completed and signed Request for Revocation of Opt-out of Directory Information form to the Office of the Registrar.

## Complaints of Alleged Failures to Comply with FERPA

A student who believes his or her FERPA rights have been violated or that the University has failed to comply with the requirements of FERPA has the right to file a complaint with the federal office that administers FERPA. Complaints should be addressed to:

Family Policy Compliance Office  
US Department of Education  
400 Maryland Ave, SW  
Washington, DC 20202-5901  
Phone: 202-260-3887

## Additional Information About FERPA

The following U.S. Department of Education publications provide additional information for students and parents about FERPA: Frequently Asked Questions About FERPA, Disclosure of Information from Education Records to Parents of Students Attending Postsecondary Institutions, and FERPA General Guidance for Students.

## Forms

The following forms can be found at [www.pace.edu/registrar/forms](http://www.pace.edu/registrar/forms) (<https://www.pace.edu/registrar/forms/>):

- Authorization to Disclose Information from Education Records
- Request to Opt-out of Directory Information
- Request for Revocation of Opt-out of Directory Information

- Waiver of Right to Review Confidential Letters and Statements of Recommendation Revocation of Waiver of Right to Review Confidential Letters and Statements of Recommendation

## Registration Policies

- Advisement (p. 32)
- Closed Classes (p. 32)
- Full-Time Status (p. 32)
- Holds (p. 33)
- Late Registration Fee (p. 33)
- Leave of Absence (p. 33)
- Maintenance of Matriculation (p. 36)
- Open Classes (p. 36)
- Registration Appointment Time (p. 37)
- Resumption of Study (p. 37)
- Student Enrollment Status (per semester) (p. 37)
- Time Conflict (p. 37)
- Withdrawal Policy (p. 37)

## Advisement

Academic advisement concerning programs of study, courses, and relationship of graduate work to career goals is available to all matriculated students. It is strongly recommended that students meet with their advisor prior to registration. Doctoral students should consult with the director of the doctoral program for academic advisement.

## Closed Classes

Up through the first seven calendar days of a typical Fall, Spring, or Summer term, students may enter a closed class that has not reached room capacity only with permission of one of the following following by using the online **Registration Action Form - Add a Closed Class** found on this page (<https://www.pace.edu/registrar/forms/>):

- the department chair,
- the assistant/associate dean, or
- the advising office of the school/college in which the course is offered.

After this time, the student needs the permission of the instructor and one of the following:

- the department chair,
- the assistant/associate dean, or
- the academic advising office<sup>1</sup> of the school/college in which the course is offered.

Permission from the Instructor and the assistant/associate dean is not guaranteed, and the University may reserve the right to decline any attempts at registration after the late registration period has ended for any given semester.

<sup>1</sup> For non-degree seeking student, your advisor may be found in the Office of Graduate Admission.

## Full-Time Status

Students are considered full-time if they satisfy one of the following:

- They are enrolled for a minimum of 9 credit hours per semester at Pace.
- They are registered in a full-time academic internship as verified by the department.
- They are working full time on a dissertation and are maintaining matriculation.

In special cases, preparation for examinations, non-credit or remedial courses, practice teaching, clinical practice, research or other academic activities may be substituted for part of the credit requirement if approved by the school as part of an appropriate plan of study for the student. Students following such a plan, must apply to the chair of their department for full-time certification.

It should be noted that in some instances financial aid and/or housing eligibility may require enrollment in a minimum of 12 credits or the equivalent per semester. Students interested in maintaining such eligibility should consult the Financial Aid Office (<https://www.pace.edu/financial-aid/>) and/or the Student Affairs (<https://www.pace.edu/student-affairs/about-us/>).

## Holds

Students who have registration holds cannot register for courses; they can only drop/withdrawal courses by completing a Registration Action Form which can be found on the Registrar Forms webpage (<https://www.pace.edu/registrar/forms/>). Holds are placed on students' files by various departments. In the event that a hold is indicated, the student should contact the appropriate department for instructions on how to clear it. Students should refer to their Pace Portal (<https://portal5login.pace.edu/cas-web/login/?service=https%3A%2F%2Fportal5.pace.edu%2Fportal%2Flogin>) account for a current listing of holds.

## Late Registration Fee

The time period starting on the day after full-tuition is due for the Fall, Spring, or Summer session term, where any initial registrations by continuing students registration **will result in a late registration fee** (please consult academic calendar for tuition due dates). New students will not incur a late registration fee.

## Leave of Absence

Students who wish to pause their academic studies with the intention of returning to Pace must submit a Leave of Absence (<https://www.pace.edu/registrar/forms/#leave-of-absence-form>). A leave of absence requested during a term will result in the withdrawal from all coursework for the given term. "W" grades will be assigned for each course, and the student's record will be updated to reflect the leave of absence. The standard length of a leave is one academic semester or a maximum of one full academic year (Fall and Spring).

A student must meet the following requirements to qualify for a Leave of Absence:

- Be a degree-seeking undergraduate, graduate, or doctoral student.
- Be academically eligible to enroll (i.e., not academically suspended or dismissed).
- Submit a Leave of Absence (<https://www.pace.edu/registrar/forms/#leave-of-absence-form>) request.
- Complete the Leave of Absence (<https://www.pace.edu/registrar/forms/#leave-of-absence-form>) application in its entirety, including all required approvals and any required documentation.

Pace offers a Leave of Absence for the following reasons:

- Academic
- Financial Hardship
- Internship/Work Commitments
- Medical (includes physical, mental, emotional, psychological health)
- Military
- Other (includes students who must care for a member of their household or family)
  - Benefits of Leave of Absence (p. 33)
  - Impacts of Leave of Absence (p. 34)
  - Types of Leave of Absence (p. 34)
  - Timeline for Leave of Absence (p. 35)
  - Student Billing/Tuition Responsibility (p. 35)
  - Financial Aid Consideration (p. 35)
  - International Students (p. 36)

## Benefits of Leave of Absence

- In most situations, students do not need to re-apply for admission to the University. However, some programs/majors require re-application in some form, and students are responsible for understanding those requirements.
- Degree requirements for the student's declared major will not change unless required by the academic program, New York State Education Department, or accrediting bodies.
- The student's academic record is updated to reflect the pause in studies, to Pace.
- Students must complete a Resumption of Studies application (<https://www.pace.edu/registrar/forms/#resumption-of-studies-form>) to initiate their return.

## Impacts of Leave of Absence

Taking a leave of absence may have the following impacts on students:

- Delays in Graduation
- Financial Aid/Scholarship eligibility could be impacted
- Loan Repayments may be required if a student is not registered in courses.
- Off-Sequence (or cohort-based programs)
- Satisfactory Academic Progress
- Residents who take a Leave of Absence for any reason are required to cancel their housing and move out. Resident students are held to the Housing Cancellation Policy (part of the Housing Agreement students are required to complete and submit before moving into assigned housing).
- Students taking a leave of absence in a given term are withdrawn from **all** courses for which they are registered.

## Types of Leave of Absence

- Leave of Absence - Academic (p. 34)
- Leave of Absence - Financial Hardship (p. 34)
- Leave of Absence - Medical (p. 34)
- Leave of Absence - Military (p. 35)
- Leave of Absence - Work Commitments (p. 35)
- Leave of Absence - Other (p. 35)

## Leave of Absence - Academic

This leave type is meant for students pursuing academic endeavors at another institution. Prior approval is required to ensure academic credits transfer back to Pace correctly. This includes taking courses or conducting research at a different institution. If the student completed coursework at another institution, official transcripts should be submitted to Pace when applying for Resumption of Studies to complete the student's academic record.

An LOA is not required for students taking summer courses at another institution but students will need pre-approval of courses taken away from Pace. Most study abroad programs do not require a leave of absence, however, it is important to check with your major department and the Study Abroad office prior to committing to any study abroad program. Please see the permission to enroll in another institution policy (<https://catalog.pace.edu/undergraduate/academic/academic-policies-general-regulations/courses/permission-enroll-course-another-institution/>) for more information.

## Leave of Absence - Financial Hardship

Students experiencing financial hardship should first contact the Financial Aid and Student Accounts offices for a consultation on their unique situation.

## Leave of Absence - Medical

A student can request a Medical Leave of Absence (using this form) (<https://dynamicforms.ngwebsolutions.com/casAuthentication.ashx?InstID=57994da6-efb-423a-968b-511e303229f2&targetURL=https%3a%2f%2fdynamicforms.ngwebsolutions.com%2fSubmit%2fStart%2f449ca731-fe7b-4bfc-b4f9-028bbf5f976f>) for a period (up to two consecutive full semesters - *or longer at the institution's discretion*) and will be able to follow the same degree requirements as the year they were first admitted. Additionally, in most instances, students granted a Medical Leave of Absence must complete a Resumption of Studies (<https://www.pace.edu/registrar/forms/#resumption-of-studies-form>) to resume their program of study and they should work closely with their academic advisor and major department to be clear about the courses available to them upon their return to assure a smooth transition back to Pace.

In requesting this leave, students must submit a note from their healthcare provider using the following template indicating the student is under their care and that a Medical Leave of Absence is necessary for their recovery/treatment. Please note, students are not required to submit detailed medical information in this letter from their medical provider for purposes of requesting a leave of absence for medical reasons. The template for the letter can be found below.

### Sample Doctor's Note for Medical Leave of Absence

## Leave of Absence - Military

The Military Leave of Absence applies to United States active duty, reserve duty, National Guard, or military veterans needing a leave of absence due to their military service. Students are required to submit proper documentation (orders, training, etc.) with their Leave of Absence request.

Students who access this leave will be readmitted to the same program they were enrolled in when they last attended the University. To be readmitted, students must give written notice to the Office of the Registrar of their intent to resume their studies no later than three years after completion of the military service or two years after recovering from a service-related injury or illness. Students who do not submit a notification of intent to resume their studies within the required time may not be eligible for readmission under this Policy but may be eligible under the University's Leave of Absence (<https://catalog.pace.edu/undergraduate/academic/academic-policies-general-regulations/leave-of-absence/>) and Resumption of Studies Policies for non-military students. Students must submit military documentation of their posting to process their leave.

## Leave of Absence - Work Commitments

Students pursuing internships or employment commitments can submit a Leave of Absence (<https://www.pace.edu/registrar/forms/#leave-of-absence-form>) - Internship/Work Commitment

## Leave of Absence - Other

In the instances where none of the other leave types are appropriate, students can request a Leave of Absence (<https://www.pace.edu/registrar/forms/#leave-of-absence-form>) - Other type. This would include students requesting leave to care for a family member or member of their household or personal reasons.

## Timeline for Leave of Absence

Students requesting any leave of absence must submit the appropriate request form (<https://www.pace.edu/registrar/forms/#leave-of-absence-form>) with the Office of the Registrar during the semester for which the leave is requested. Students may also submit a leave of absence (<https://www.pace.edu/registrar/forms/#leave-of-absence-form>) for a future semester.

*Submitting the leave request **before** the add/drop deadline:*

If a student is already enrolled for the semester that the leave is requested, they must drop all courses. If they do not, their courses will be dropped upon the approval of the leave. Students typically have the first two weeks of a semester to drop their courses without financial obligations.

*Submitting the leave request **after** the add/drop period of a semester:*

If a leave is requested after the start of the term, the student can withdraw from their coursework. If a student does not withdraw themselves, their courses will be withdrawn upon approval of the leave. Withdrawal will result in "W" grades for all registered courses on the student's transcript.

## Student Billing/Tuition Responsibility

All students are subject to university tuition cancellation policies (<https://catalog.pace.edu/undergraduate/general-university/tuition-fees/tuition-cancellation-policy/>) and schedules (<https://catalog.pace.edu/undergraduate/general-university/tuition-fees/tuition-cancellation-schedule/>). After the 5th week of most fall and spring courses, students are 100% liable for tuition.

## Financial Aid Consideration

An important criterion for Federal Aid eligibility is maintaining satisfactory academic progress. Receiving W grades can have a negative impact on a student's completion rate and overall academic progress. Consequently, this should be considered and discussed with the Financial Aid department prior to submitting a leave of absence. Students on a leave of absence are withdrawn from the University for the purpose of Financial Aid.

Consequently, loan repayment obligations may be triggered. Students should speak to a representative of the Financial Aid Office for more detailed information about their financial aid status during a leave of absence before submitting a Leave of Absence.

Visit Financial Aid withdrawal policy (<https://www.pace.edu/financial-aid/policies-and-procedures/return-title-iv-funds-and-withdrawal-policy/>) for more information on how withdrawals may impact a student's financial aid.

Ordinarily, Pace-funded merit awards will be restored upon a student's resumption of studies after an approved leave of absence in accordance with the this Leave of Absence Policy provided:

1. All other requirements for such a merit aid are satisfied.
2. The student resumes his or her studies by the date identified and approved in the Leave of Absence Application. (<https://www.pace.edu/registrar/forms/#leave-of-absence-form>)

If a student does not resume their studies on or before the date identified and approved in the Leave of Absence, Pace-funded merit awards may be excluded from future financial aid awards, however, student may appeal for reinstatement of the awards. For more information, please visit: Request for Undergraduate Merit Scholarship Reinstatement after a Leave of Absence. (<https://helpdesk.pace.edu/TDClient/213/Portal/Requests/ServiceDet/?ID=10543>)

## International Students

International students should know that immigration regulations may prohibit those granted a Leave of Absence from maintaining their visa status.

The University is legally obligated to report a leave of absence for any reason by a student with an F-1 to the Department of Homeland Security. Students with a F-1 visa who take a leave of absence may not remain in the United States during the leave unless the reason for leave is an illness and/or ongoing treatments that prevent the student from returning to his or her home country and appropriate documentation from a treating physician in the United States has been sent directly to International Students and Scholars (ISS) Office. (<https://www.pace.edu/iss/>)

Students with an F-1 visa contemplating a leave of absence must first consult with an advisor in the ISS (<https://www.pace.edu/iss/>) Office and again when they apply to resume their studies after a leave of absence.

## Maintenance of Matriculation

### Graduate Students:

Graduate students who have received permission from their department for an extension on program completion have the option to Maintain Matriculation for a **maximum of 2 semesters**, which will allow them to receive continued access to University benefits listed below as detailed in the University Catalogue, and students who neglect to Maintain Matriculation by the due date as stated on the Maintaining Matriculation form (<https://appsrv.pace.edu/osa/programs/forms/matriculation.cfm>) will be subject to the **late registration fee of \$200 (subject to change)**.

### Doctoral Students:

Doctoral students are required to submit Maintaining Matriculation form for each major semester (Fall and Spring) that they are pursuing a degree but are not enrolled in any credit-bearing courses. This is a degree requirement, as detailed in the University Catalogue, and students who neglect to Maintain Matriculation by the due date as stated on the Maintaining Matriculation form (<https://appsrv.pace.edu/osa/programs/forms/matriculation.cfm>) will be subject to the **late registration fee of \$200 (subject to change)**.

*Students are encouraged to meet with their advisors to determine the appropriate action to take, and to find out which section is applicable to their program.*

### Students who Maintain Matriculation will have access to the following University benefits:

- Access to their Pace E-mail Account
- Access to the Library
- Access to all University Facilities
- Access to Classes and/or Zoom
- The option to defer Student Loans

To apply students can find the online Maintaining Matriculation application here (<https://appsrv.pace.edu/osa/programs/forms/matriculation.cfm>).

## Open Classes

Up through the first seven calendar days of a typical Fall, Spring, or Summer term, students may register in via their Pace Portal or completing a Registration Action Form which can found on the Registrar Forms webpage (<https://www.pace.edu/registrar/forms/>). During the eighth through fourteenth day of a typical Fall or Spring term, the student needs permission of the instructor, chairperson, and academic advisor. After the fourteenth day, or the seventh day of a typical Summer term, the student needs permission of the instructor and the assistant/associate dean or the academic advising office of the school or college in which the student is enrolled, provided there is ample seating capacity remaining in the course. Permission from the instructor and the assistant/associate dean is not guaranteed, and the University may reserve the right to decline any attempts at registration after the late registration period has ended for any given term.

## Registration Appointment Time

The first day in which a student may register for a given semester, via their Pace Portal account or completing a Registration Action Form which can found on the Registrar Forms webpage (<https://www.pace.edu/registrar/forms/>). The registration appointment time is determined by a student's classification.

## Resumption of Study

Students who discontinue study/or have not been in attendance for one or more semesters (not including the summer session) and have not maintained matriculation must file an online Application for Resumption of Study through the Office of the Registrar webpage (<https://www.pace.edu/registrar/forms/>). The form needs to complete at least three months before the opening of the semester to receive Academic approval in time for registration. International Students resuming their studies will need to review Pace's procedures on how to resume studies (<https://www.pace.edu/iss/maintaining-lawful-f1-j1-status/leave-of-absence-resumption-of-studies/>). The student will be notified in writing when/if the request for resumption of studies has been approved.

In general, the requirements for graduation are listed in the active catalog when the student originally enrolled. If a student interrupts studies for a period of three years or more, the student must comply with the requirements of the catalog in effect when the semester study is resumed. In addition, only courses completed within the previous five years may be applied to the resuming student's degree program. To meet graduation requirements beyond three-year limit students must obtain an Official authorization from their Academic Advisor or Dean of School enrolled outlining date of completion, courses, and program degree requirements.

To apply: The online Resumption of Studies application is available here (<https://www.pace.edu/registrar/forms/>). Students who do not have an active Pace Portal Account may locate the form at the bottom of the page (<https://www.pace.edu/registrar/forms/>).

For additional information on Resumption of Studies policies visit this page (<https://catalog.pace.edu/undergraduate/academic/academic-policies-general-regulations/disruption-normal-academic-progress/resumption-studies/>).

## Student Enrollment Status (per semester)

A graduate student who is taking anywhere from 1 to 8 credits is considered a part-time student, whereby a graduate student who is taking 9 or more credits at Pace is considered a full-time student.

## Time Conflict

A student may request permission to register for a course that overlaps in time with another course. The signatures of both the instructor of the new desired course and the Assistant/Associate Dean of the school/college of the student's major are required. The student may by completing a Registration Action Form which can found on the Registrar Forms webpage (<https://www.pace.edu/registrar/forms/>).

## Withdrawal Policy

Students receive no credit for courses they discontinue. Withdrawal after the second week of class in a 14- or 15-week semester or its equivalent will result in a grade of "W" which will not affect the student's GPA. Withdrawals are permitted prior to the dates indicated:

<b>Term Length:</b>	<b>Withdrawal Without Permission End of:</b>	<b>Withdrawal With Permission During the:</b>
Regular 14/15/16 semester	8th week of class	9th and 10th week of class
Two-track (7 Weeks)	2nd week of class	3rd week of class
One-week term	4th day of class	5th day of class
Two-week term	1st week of class	8th - 9th day of class
Three-week term	12th day of class	13th - 16th day of class
Four-week term	2nd week of class	15th – 19th day of class
Five-week term	19th day of class	20th – 26th day of class
Six-week term	3rd week of class	4th week of class
Six-weekend modules	2nd week of class	15th – 19th day of class
Intensive weekend	1st day of class	2nd day of class
Seven-week class	26th day of class	27th – 33rd day of class
Eight-week class	4th week of class	5th week of class
Nine-week term	33rd day of class	34th – 40th day of class
Ten-week term	5th week of class	6th week of class
Eleven-week term	40th day of class	41st – 47th day of class

Twelve-week term	6th week of class	7th week of class
Thirteen-week term	47th day of class	48th – 54th day of class

A “Withdraw With Permission”, requires the permission of the instructor of the course and the Assistant/Associate Dean of the school in which the student is matriculated. Students who do not withdraw online or file for withdrawal with the University within these times will continue to be registered for the course(s) and will be assigned an “F” in the course(s) affected if they have not completed the requirements of the course(s). Under exceptional circumstances, a student may withdraw without academic penalty from a class after the established time limit, but only with permission from the school that administers the student’s academic major, in consultation with the school from which the course originates. Withdrawals are not permitted after a degree has been awarded. Please consult the most current undergraduate/graduate catalog for complete information regarding University policies and regulations.

Note: It is the student’s responsibility to withdraw from courses he or she has registered for. Failure to officially withdraw will result in tuition liability. Students may withdraw online through the Pace Portal (<https://portal5login.pace.edu/cas-web/login/?service=https%3A%2F%2Fportal5.pace.edu%2Fc%2Fportal%2Flogin>) or by filing with the Office of the Registrar. Non-attendance of classes, informing the instructor of withdrawal, or stopping payment on a check does not constitute official withdrawal and does not relieve the student of their financial obligation, or entitle the student to a refund. A student who registers and does not attend class remains fully responsible for all financial obligations.

## Transfer Credits and Residency

Each candidate must satisfy the residency requirement of Pace University in order to qualify for an advanced degree. For each graduate degree at Pace, students are required to complete a minimum of thirty (30) graduate credits in residency at the University.

Graduate courses from other graduate institutions may apply toward any master’s degree or doctoral degree, subject to the aforementioned residency requirement and approval of the department. A maximum of two graduate courses (minimum total of six credits) from another institution may be applied towards the master’s degree with the exception of the M.S. in Education offered by the Department of Psychology where different criteria apply. The New York State Department of Education requires that Pace University consider grades earned for Study Abroad as if they were grades earned in residence. This pertains only to courses taken at those institutions with which the University has consortia and contractual agreements.

## About Pace University

Ranked the #1 private, four-year college in the nation for upward economic mobility by Harvard University's Opportunity Insights, Pace University provides a transformative education for its diverse students - academically, professionally, and socioeconomically.

Pace prepares students to become leaders in their fields by providing an education that combines exceptional academics with real-world experiences including internships, research, clinicals, civic engagement, and study abroad.

Founded as a one-room accounting school in 1906, Pace has grown to three campuses in New York City and Westchester County, New York, and enrolls more than 13,000 students in bachelor's, master's, and doctoral programs in more than 150 majors and programs. Its seven schools and colleges—the College of Health Professions, Dyson College of Arts and Sciences, Elisabeth Haub School of Law, Lubin School of Business, Sands College of Performing Arts, School of Education, and Seidenberg School of Computer Science and Information Systems—offer a variety of courses in business, health care, computer science, humanities, education, science, law, the arts, and more.

At the core of a Pace education is a strong foundation in the liberal arts and sciences with an emphasis on the combination of theory and practice. More than 50 cutting-edge centers, institutes, labs, and clinics, including the NYC Design Factory, Entrepreneurship Lab, Environmental Policy Clinic, Cybersecurity Education and Research Lab, Immigration Justice Clinic, and Health Care Simulation Labs serve as a training ground for future leaders. One of the fastest-growing and most competitive programs at the University is the performing arts, with the Pace School of Performing Arts for undergraduates ranked among the top programs in the country and The Actors Studio Drama School for graduates recognized by many as the home of the Emmy Award-winning television show *Inside the Actors Studio*. The University's environmental law program has long been recognized as a leading program and was ranked #1 by U.S. News & World Report in 2019.

Pace combines the benefits and resources of a large university with the personalized attention and focus associated with a small college, with an average class size of only 20 students and a 14:1 student to faculty ratio. Academic experiences at Pace emphasize teaching from both a practical and theoretical perspective, drawing on the expertise of full-time and adjunct faculty members who balance academic preparation with professional experience to bring a unique dynamic to the classroom. Research is a cornerstone of the Pace educational experience and in FY2018, Pace received more than \$8.9 million in research grant funding. Our faculty's commitment to intellectual discourse and research is surpassed only by their desire to help students realize their dreams.

The University's signature program, the Pace Path is an individualized plan for each student that leverages Pace's emphasis on experiential learning to support strong academics while incorporating customized goal-setting and dedicated mentoring and advising. Pace University has one of the largest internship programs of any college in the New York metropolitan area. Last year, Pace students engaged in more than 7,000 internships, co-ops, field

experiences, and clinicals with more than 1,000 different employers. Over the years, more than 3,000 alumni have reached top executive positions at their companies. PayScale.com ranks Pace among the top 10% of private US colleges that provide the best return on tuition investment.

With three campuses located in and around New York City, Pace offers students a diverse selection of living and learning experiences. The New York City Campus in Lower Manhattan, recently renovated with ultramodern facilities, collaborative learning spaces, and residence halls, is within walking distance to Wall Street, South Street Seaport, and the Brooklyn Bridge, and a subway ride from all that the city has to offer. The Pleasantville Campus in Westchester County, only an hour by train from New York City, offers students the traditional suburban collegiate setting with state-of-the-art renovations on a 200-acre bucolic campus and 14 NCAA Division II teams. The White Plains Campus, home to the Elisabeth Haub School of Law, is situated in the heart of White Plains' buzzing suburban sprawl. These three strategic locations are regularly cited as a top reason why students choose to attend Pace University.

Pace is a university whose resources have played an essential role in the realization of individual dreams of achievement, and whose mission is voiced in the motto: *Opportunitas*.

## Mission

Our mission is *Opportunitas*. Pace University provides to its undergraduates a powerful combination of knowledge in the professions, real-world experience, and a rigorous liberal arts curriculum, giving them the skills and habits of mind to realize their full potential. We impart to our graduate students a deep knowledge of their discipline and connection to its community. This unique approach has been firmly rooted since our founding and is essential to preparing our graduates to be innovative thinkers who will make positive contributions to the world of the future.

## Vision

We educate those who aspire to excellence and leadership in their professions, their lives, and their communities. Through teaching, scholarship, and creative pursuits, our faculty foster a vibrant environment of knowledge creation and application. Faculty engage students in shared discovery and are committed to guiding students in their education, providing them with a strong foundation for leading meaningful and productive lives.

We embrace a culture of quality improvement and shared values to ensure an informed, responsive, caring, and effective community empowered to build and sustain a great University. Together, faculty, administrators, and staff pursue innovation in academic programs and administrative services. We operate with integrity, following through on our commitments to students and each other, holding ourselves accountable for our decisions and actions. We embody an ethos of respect for, and celebration of, our diversity, creating an inclusive and welcoming environment where every person is encouraged to freely and respectfully contribute to the life of the University.

## Accreditation and Membership

Pace University is chartered by the Regents of the State of New York and is accredited by:

The Middle States Commission on Higher Education  
3624 Market Street  
Philadelphia, PA 19104  
(267-284-5000)

The Middle States Commission on Higher Education is an institutional accrediting agency recognized by the U.S. Secretary of Education and the Council for Higher Education Accreditation. All Pace University degree programs are registered with the New York State Education Department.

The Bachelor's Degree Program in Chemistry is certified by the American Chemical Society. The Doctor of Psychology in School – Clinical Child Psychology Degree (Psy.D.) is accredited by the American Psychological Association. The Clinical Mental Health Counseling, MS (PLV) and the Counselor Education and Supervision, PhD (PLV) are accredited by the Council for Accreditation of Counseling and Related Educational Programs (CA-CREP). The Bachelor of Science in computer science is accredited by the Computing Accreditation Commission (CAC) of ABET, Inc. The baccalaureate degree in nursing, master's degree in nursing, and Doctor of Nursing Practice are accredited by the Commission on Collegiate Nursing Education (CCNE). The Physician Assistant Program is accredited by the Accreditation Review Commission on Education for the Physician Assistant (ARC-PA). The Graduate Program in Communication Sciences and Disorders is has been granted candidacy status by the Council on Academic Accreditation (CAA) of American Speech-Language-Hearing Association (ASHA). The Master of Science in Nutrition and Dietetics has been granted candidacy status by the Accreditation Council for Education in Nutrition and Dietetics (ACEND). The Lubin School of Business is accredited for both business and accounting by the Association to Advance Collegiate Schools of Business (AACSB International). The School of Education is accredited by the Council for the Accreditation of Educator Preparation (CAEP). The School of Law is accredited by the American Bar Association through its Council of the Section of Legal Education and Admissions to the Bar Association.

**Pace University is an institutional member of the following organizations:**

- The American Council on Education (ACE)
- Association of American Colleges and Universities (AAC&U)
- Association of Governing Boards (AGB)

- Campus Compact New York
- Coalition of Urban and Metropolitan Universities (CUMU)
- College Board
- Commission on Independent Colleges and Universities in New York (CICU)
- Council for Higher Education Accreditation (CHEA)
- Council of Independent Colleges (CIC)
- Council for Opportunity in Education (COE)
- Council on Undergraduate Research (CUR)
- National Association of Independent Colleges and Universities (NAICU)
- National Center for Faculty Development and Diversity (NCFDD)
- Project Pericles
- Reacting Consortium
- The Science Coalition
- University Professional and Continuing Education Association (UPCEA)

**Following is a list of accrediting agencies with whom individuals may address complaints:**

**New York State Education Department**

Address complaints to:

New York State Education Department

Office of College and University Evaluation

EBA Room 969

89 Washington Avenue

Albany, New York 12234

Phone: (518) 474-1551

Fax: (518) 486-2779

Visit the Office of College and University Evaluation website for more information at <http://www.highered.nysed.gov/ocue/spr/COMPLAINTFORMINFO.html>.

**Middle States Commission on Higher Education**

Address all complaints to:

Complaints

Middle States Commission on Higher Education

3624 Market Street, Second Floor West

Philadelphia, PA 19104-2680

Phone: (267) 284-5000

Visit the Middle States website for more information at <https://www.msche.org/>.

**Accreditation Council for Education in Nutrition and Dietetics of the Academy of Nutrition and Dietetics**

Address complaints to:

120 South Riverside Plaza, Suite 2190

Chicago, IL 60606-6995

Phone: (312) 899-0040 ext. 5400

Email: [acend@eatright.org](mailto:acend@eatright.org)

Visit the ACEND website for more information at <https://www.eatright.org/>.

**Accreditation Review Commission on Education for the Physician Assistant (ARC-PA)**

Address complaints to:

Executive Director, ARC-PA

12000 Findley Road, Suite 150

Johns Creek, GA, 30097

Concerns may be attached to an email.

Phone: (770) 476-1224

Visit the ARC-PA website for more information at <http://www.arc-pa.org/frequently-asked-questions> (<http://www.arc-pa.org/frequently-asked-questions/>).

**American Bar Association (ABA)**

Address complaints to:

Office of the Consultant on Legal Education to the ABA

321 N. Clark Street, 21st Floor

Chicago, IL 60654-7598

Phone: (312) 988-6738

89 Washington Avenue

Albany, NY 12234

Phone: (518) 474-1551

Email: [IHEauthorize@nysed.gov](mailto:IHEauthorize@nysed.gov)

## Marketing Arrangements and Partnerships

Pace partners with several third-party organizations which provide marketing, recruitment and some educational services:

**AllCampus.** Pace Online partners with AllCampus to provide marketing, student recruitment, and lead generation for several online master degrees and, degree completion programs. AllCampus refers prospective students to Pace. All admissions, and academic program decisions are made by Pace.

**Kaplan International Pathways** provides marketing and student recruitment services to prospective students outside the United States. Kaplan refers prospective students to Pace. Kaplan may assist students in ensuring their application is complete, and may advise students on non-academic matters (i.e., travel, finding living arrangements, adapting to life as a student in the U.S.). Pace makes all admissions decisions, and determines the criteria under which students are admitted. Pace provides all academic programming. Kaplan and Pace together set the curriculum for the Pathways Program.

**International Agents.** Pace University uses a network of independent recruiters to augment its pipeline of prospective international students. The University selects, evaluates and trains independent recruiters in a variety of countries so they can present Pace as one of the options available to their clients who want to travel abroad to earn a degree. Recruiters help Pace build brand awareness and provide access to markets that are often remote and unfamiliar. Recruiters help prospective students by providing information about the application process to colleges and universities outside their home countries. They may also provide services such as pre-departure briefings, English language classes, standardized test prep, flight and accommodation bookings, and career guidance and job placement services upon the student's return home. Independent recruiters wishing to represent Pace must apply and sign an agreement (see attached application and agreement). Recruiters do not admit or deny students who have applied to Pace and they do not prepare any Visa related materials. Pace University began the practice of working with independent recruiters in the Spring of 2011 and has since added 60+ other agencies marketing in over 50+ countries.

## Degree Offerings

- Associate in Arts (AA)
- Associate in Science (AS)
- Bachelor of Arts (BA)
- Bachelor of Business Administration (BBA)
- Bachelor of Fine Arts (BFA)
- Bachelor of Science (BS)
- Bachelor of Science in Nursing (BSN)

## Graduate Admissions

- 3-Year Degree / Bridge Program (p. 44)
- Application Deadlines (p. 45)
- Application Process (p. 47)
- Apply Now (p. 49)
- Non-Degree Applicants (p. 50)
- English Proficiency Examination Requirements (p. 51)

## 3-Year Degree / Bridge Program

Applicants who have earned an accredited three year bachelor's degree from the following countries will be considered:

Australia, Canada, Bangladesh, New Zealand, Pakistan, Bhutan, Nepal, South Africa, Sri Lanka, India, and European countries that are a part of the Bologna Process (<http://www.ehea.info/>).

Please note: Applicants from countries not listed will need to submit an accredited four year bachelor's degree for admission.

Please see the links below for information for the Seidenberg School of Computer Science and Information Systems and the Lubin School of Business:

## Seidenberg School of Computer Science and Information Systems

Pace University's Seidenberg School of Computer Science and Information Systems will consider applicants who have earned a three year bachelor's from the selected countries (listed above) eligible for graduate admission to all degrees. **The GRE is required for admission.**

Successful candidates can begin their advanced degree studies upon enrollment and are not required to enroll in a bridge program consisting of additional undergraduate course work. Applicants should use the regular online application for Graduate Applicants - Masters Program.

## Lubin School of Business

Pace University's Lubin School of Business will consider applicants who have earned a three year bachelor's from the select countries (listed above) eligible for graduate admission to all degrees with the exception of the MBA/MS degrees in Accounting.

Students with three year degrees wishing to apply to an Accounting program will need to complete our Lubin Bridge Program.

### Lubin Bridge Program

Any international student whose undergraduate degree is not equivalent to a four year U.S. baccalaureate and who has not completed a master's degree may seek admission by means of the Bridge Program for International Students. The purpose of the program is to provide supplementary coursework to those students with strong academic records who are judged capable of successfully completing a graduate certificate or the MBA/MS so that they meet the four year equivalency requirement for graduate study. Applicants should use the regular online for Graduate Applicants - Masters Programs. **The GMAT or GRE is required for Admission.**

Once the applicant's eligibility for the Bridge Program for International Students has been determined, a course of study of up to 30 credits designed to remedy the applicant's academic deficiencies and to prepare the applicant for the graduate program will be outlined. Up to 15 credits of post-baccalaureate course work taken by the applicant either abroad or in the U.S. may be applied toward the 30 credit bridge requirement as determined by the Office of Graduate Admission in conjunction with the Lubin School of Business.

## Additional Bridge Program Information

If a student is admitted to the program, a Bridge Program Agreement and Bridge Program Course Outline describing the required pre-masters course work will be sent with the letter of acceptance. The admitted student is required to sign and return the Bridge Program Agreement as a condition of acceptance and is bound by the requirements stipulated.

Upon completion of the Bridge Program, students with a grade point average of 3.0 will be permitted to continue on in the graduate program; those with less than a 3.0 will be dismissed without appeal.

Please contact the Office of Graduate Admission for more information regarding the Bridge Programs:

## Application Deadlines

Please see the application deadlines by term clicking on the appropriate links below:

### Spring Term (January Start) Deadline

#### Dyson College of Arts & Sciences

- All graduate programs<sup>1</sup>: Domestic Students- December 1st; International Students- October 1st

<sup>1</sup> Please note: The following programs do not enroll in the spring semester: MA in Management for Public Safety and Homeland Professionals, MSEd., PsyD., PhD in Mental Health Counseling, and the Actors Studio Drama School.

## College of Health Professions

- Accelerated Bachelor of Science in Nursing - Westchester Campus only: Deadline for completed applications: September 15th.
- Adult Acute Care NP CGS: August 1
- Physician Assistant Studies Completion Program, MS- Please see the Physician Assistant website (<https://www.pace.edu/college-health-professions/physician-assistant-masters-degree-completion-program/>) for details.
- The following programs do not enroll in the spring semester: DNP, PhD in Nursing, MS programs in Nursing, and the Physician Assistant Studies, MS.

## Lubin School of Business

- MBA and MS Programs: Domestic Students- December 1st; International Students- October 1st
- The Executive MBA and Masters in Finance for Professionals (MFP) does not enroll in the spring semester.

## School of Education

- All graduate programs: Domestic Students- December 1st; International Students- October 1st

## Seidenberg School of Computer Science & Information System

- All MS programs: Domestic Students - December 1st; International Students - October 1st
- Computer Science, PhD: applications will be accepted until the cohort is full.

## Fall Term (September Start) Deadline

### Dyson College of Arts & Sciences

- MSEd or PsyD: All Students: January 1st
- Mental Health Counseling, PhD: February 15th
- Clinical Psychology (Health Emphasis), PhD: Preference given to applications received on or before January 1st; Applicants will be accepted until class is filled.
- School Psychology, PhD: Preference given to applications received on or before January 1st; Applicants will be accepted until class is filled.
- Management for Public Safety and Homeland Security Professionals, MA: Domestic Students only - August 1st
- The Actors Studio Drama School: Priority deadline: March 1st (or until the class is filled). Please see the Actors Studio Drama School website (<https://www.pace.edu/dyson/departments/actors-studio-drama-school/apply-audition/>) for application and audition information.
- All other Dyson programs not listed above: Domestic Students - August 1st; International Students - June 1st

## College of Health Professions

- Physician Assistant, MS (Westchester Campus): March 31. Please see the Physician Assistant website (<https://www.pace.edu/college-health-professions/pa-pleasantville-admissions/>) for application details.
- Accelerated Bachelor of Science, Nursing Program (NYC Campus): February 1st
- Family Nurse Practitioner, MS & CGS: March 1st
- MS in AGACNP and DNP: Applications completed by March 1st will receive priority consideration. Applications received after March 1st will be reviewed on a space-available basis through April 15th, or until classes are filled. Admission is highly competitive.
- Nutrition and Dietetics, MS: March 1st (or until the class is filled)
- Occupational Therapy, MS: March 1st. Please see the department website (<https://www.pace.edu/college-health-professions/ot-admissions/>) for application details.
- Psychiatric Mental Health Nurse Practitioner, MS: March 1st (or until the class has been filled)
- Communication Sciences and Disorders, MS: April 1st. Please see the department website (<https://www.pace.edu/college-health-professions/csd-graduate-admission-requirements/>) for application details.
- Nursing, PhD: April 1st (or until the class is filled)

Please note: The following programs do not enroll in the fall semester: Adult Acute Care NP CGS and Physician Assistant Master's Degree Completion Program, MS.

**Note:** The Accelerated Bachelor of Science in Nursing enrolls on the New York City campus only for the Fall semester. Class size is limited to 64 students. The DNP programs for FNP's and Acute Care Adult NP's are limited to 24 students each.

## Lubin School of Business

- All graduate programs: Domestic Students- August 1st; International Students- June 1st

**Note:** Executive MBA, Masters in Finance for Professionals (MFP) and Executive Doctor of Professional Studies programs - Please see the Lubin School Executive Education website (<https://www.pace.edu/lubin/lubin-academic-programs/executive-education/>) for additional application information.

## School of Education

- All graduate programs: Domestic Students- August 1st; International Students - June 1st

## Seidenberg School of Computer Science & Information System

- All MS programs: Domestic Students - August 1st; International Students - June 1st
- Computer Science, PhD: Applications will be accepted until the cohort is full.

## Summer Session I & II Deadlines

### Dyson College of Arts & Sciences

- All graduate programs<sup>1</sup>: Domestic Students- May 1st; International Students- March 1st

<sup>1</sup> The following programs do not enroll in the summer semesters: MA in Management for Public Safety and Homeland Professionals, MEd., PsyD., PhD in Mental Health Counseling, and the Actors Studio Drama School.

## College of Health Professions

- Physician Assistant Studies, MS – Domestic, *NYC Students only* – August 1st of the previous year. Program starts with Summer II session. Please see the Physician Assistant website for application details.
- Domestic students only.
- All other programs do not enroll students in the summer semester.

## Lubin School of Business

- All MBA and MS programs: Domestic Students- May 1st; International Students- March 1st.
- Please note: The following programs do not enroll in the summer semesters: Executive MBA and the Masters of Finance for Professionals (MFP).

## School of Education

- All graduate programs: Domestic Students- May 1st; International Students- March 1st.

## Seidenberg School of Computer Science & Information System

- All MS Programs<sup>1</sup>: Domestic Students- May 1st; International Students- March 1st

<sup>1</sup> The following programs do not enroll in the summer semesters: DPS and the PhD in Computer Science.

## Application Process

Applicants to Pace University graduate degree and certificate programs must hold a bachelor's degree from an accredited college or university if post-secondary education was completed in the United States. Applicants who are currently in their senior year at an undergraduate institution may apply for admission, but acceptance will be contingent upon receipt of a final transcript indicating all senior year grades and receipt of the bachelor's degree. Applicants who have attended institutions outside of the U.S. must hold a degree equivalent to a U.S. bachelor's degree.

International applicants who hold a 3-year Bachelor's degree that is not equivalent to a U.S. 4-year Bachelor's degree, please review information and requirements (<https://www.pace.edu/admission-and-aid/graduate-admission/how-apply/masters-programs/toefl-ielts-pearson-pte/>). (<https://www.pace.edu/admission-and-aid/graduate-admission/how-apply/masters-programs/3-year-degreebridge-program/>)

If you are interested in taking graduate-level courses at Pace but are not ready to enroll in a full degree program, please visit our Non-Degree Applicants web page (<https://www.pace.edu/admission-and-aid/graduate-admission/how-apply/masters-programs/non-degree-applicants/>). If you are currently enrolled in a graduate program at another institution and are interested in taking courses at Pace, please visit our Visiting Applicants web page.

To review graduate application requirements and information, please see the links below:

## Checklist for Application

Below is a checklist of the documents required for a completed application:

1. **Application**
  - a. Our graduate applications vary by program and student type. To access the correct application, visit our Apply Today (<https://www.pace.edu/admission-aid/graduate-admission/graduates/apply-to-pace-university/>) page and make your selection based on your student type.
2. **Application Fee (\$70, non-refundable)**
  - a. If you complete the online application you will pay the fee online with a credit card.
3. **Two Letters of Recommendation**
  - a. Letters should be from academic or professional references that can knowledgeably comment on your ability to successfully complete graduate study.
  - b. Please note that **three letters of recommendation** are required for the PsyD in School-Clinical Child Psychology, the MEd in School Psychology, and the MEd in Bilingual School Psychology.
  - c. Applicants to the MS in Human Resource Management program who are requesting a waiver of the GMAT/GRE based on work experience are required to submit one letter of recommendation from their employer verifying the dates of employment and the work performed.
  - d. Applicants to the PhD in Mental Health Counseling program must submit three letters of recommendation, two of which must be academic in nature, indicating your potential for achievement in doctoral study and potential to complete doctoral work and/or counseling skills. The letters of recommendation should address your intellectual ability, written and communication skills, maturity, initiative/independence, and creativity/originality.
4. **Resume**
  - a. A resume or typewritten outline describing at least the past five years of your employment history and any significant community, professional, or college extracurricular activities.
  - b. Include recognitions and achievements (e.g. licenses, publications, and awards).
5. **Personal Statement**
  - a. Send a typewritten essay explaining to the Graduate Admission Committee why you would like to pursue the program of graduate study you have chosen. Additional information regarding your academic performance, as well as professional experience, may also be included in the supplement.
6. **All Official Transcripts**
  - Transcripts from every accredited college or university attended (not just the degree granting institution) must be sent either to Pace University, directly from the academic institution, or forwarded by the applicant in sealed envelopes from the academic institution.
  - Transcripts are considered official only if they are sent directly to Pace University from the educational institution of origin, or forwarded by
    - any NACES (<https://www.naces.org/>)-accredited credential evaluator (preferred),
    - the student's Ministry of Education,
    - a U.S. consular officer, or
    - an EducationUSA (<https://educationusa.state.gov/>) adviser
    - the The Institute of Foreign Credential Services (<http://www.ifcsevals.com/>)
7. **Photocopies, facsimiles, and notarized copies of academic records are not considered official and will not be accepted.** Academic records issued in a language other than English are required to be translated and attested to by the institution of origin or a Pace-approved translation agency accredited through NACES.
8. **International Students**
  - a. International applicants will need to submit TOEFL, IELTS or Pearson PTE academic scores. For more information visit our TOEFL/IELTS/Pearson PTE Requirements page. (<https://www.pace.edu/admission-and-aid/graduate-admission/how-apply/masters-programs/toefl-ielts-pearson-pte/>)
  - b. Proof of Citizenship from a country where English is the official language, i.e. Antigua, Australia, Bahamas, Barbuda, Belize, Bermuda, Botswana, British Virgin Isles, Cameroon, Cayman Islands, Canada, Christmas Island, Cocos, Cooks Islands, Dominica, England, Fiji, Ghana, Grenada, Grenadines, Guam, Guyana, Ireland, Isle of Man, Jamaica, Keeling Island, Kiribati, Lesotho, Liberia, Marshall Islands, Mauritius, Micronesia, Montserrat, N. Marianas, Nevis, New Zealand, Nigeria, Norfolk Island, Papua New Guinea, Scotland, Sierra Leone, South Africa, St. Christopher, St. Helena, St. Kitts, St. Lucia, St. Vincent, Swaziland, Tanzania, Trinidad and Tobago, Uganda, United Kingdom, Virgin Islands, Zambia

### Additional Requirements

In addition, GRE/GMAT/MAT exam scores and/or pre-requisites and other application requirements may apply.

## Lubin School of Business Requirements

For Lubin School of Business applicants:

- If you have a cumulative GPA of 3.0 or above for all of your undergraduate work, and you hold a bachelors degree from an accredited institution, you will be considered for admission to any MBA or MS program without submitting a GMAT or GRE score.

- If you are applying for the MS Financial Management, MS Financial Risk Management and MS Investment Management and have passed Level 1 of the CFA exam or Level 1 of FRM exam, you may request a waiver of the GMAT or GRE.
- If you are applying for the MS in Human Resources Management and have a minimum of three years of human resources experience in a managerial position, you may request a waiver of the GMAT or GRE. Résumé will be required supported by letters of recommendation.
- If you are applying for the MS in Taxation and are currently a CPA, CMA, or have been admitted to the bar, you may request a waiver of the GMAT or GRE.
- If you are an MBA applicant who already holds a business-related master's or doctoral degree, you may request a waiver of the GMAT or GRE.
- Applicants to the MS in Accounting program must have a prior undergraduate or graduate degree in business.

## Dyson College of Arts and Sciences Requirements

For Dyson College of Arts and Sciences applicants:

- A GRE score for the MA in Psychology is optional.
- A general GRE score, no more than five years old, is required for the MEd in School Psychology, PsyD in School/ Clinical Child Psychology, PhD program in Clinical Psychology (Health Care Emphasis), PhD in School Psychology and the PhD in Mental Health Counseling. While not mandated for initial admission, the Psychology subject exam may later be required of candidates in the MEd. PhD and PsyD programs.
- MA in Media and Communication Arts applicants must submit a portfolio containing samples of their prior work (for example: press releases, advertisements, presentations, writing samples, etc.).
- Three letters of recommendation are required for the MEd in School Psychology, PsyD in School/Clinical Child Psychology, PhD in Clinical Psychology (Health Care Emphasis) and PhD in School Psychology programs.

## School of Education Requirements

For School of Education applicants:

- The School of Education applies a holistic approach to application review in which a degree candidate's quantitative and qualitative factors are evaluated for admission eligibility. Standardized test scores will not have more significance than any other application requirements.

## Sands College of Performing Arts

For Sands College of Performing Arts applicants:

Sands College of Performing Arts offers a Master of Fine Arts in Acting, Directing and Playwriting. In addition to completing a standard graduate application, applicants to this program will be required to submit additional materials, such as headshots, portfolios, and/or writing samples dependent upon the applicants chosen track. Once all the materials are reviewed, candidates will be invited to audition.

For detailed information on the application and audition process for this unique program, please visit the The Sands College of Performing Arts (<https://www.pace.edu/dyson/departments/actors-studio-drama-school/apply-and-audition/>).

## Testing Codes

For the GRE/GMAT/TOEFL the Testing Code for Pace's New York City Campus is 2635; for Westchester campus the code is 2685.

## Mailing Address

Regardless of the campus you are applying to, materials should be sent to the Office of Graduate Admission at the following location:

Pace University  
Graduate Admission Office  
Graduate Application Processing Center  
One Pace Plaza  
New York, NY 10038

## Apply Now

The fastest way to apply is through our web application. To apply online, visit our Apply Today page Apply Now (<https://www.pace.edu/apply-now/>) to access the appropriate application for your program and student type.

Graduate Assistantship applications may be submitted online or you may apply via paper application. Paper applications are below and the graduate assistantship application is found within.

### Non-degree or Visiting Applicants

If you are applying as a non-degree or visiting applicant, use these links to access our short application forms.

## Non-Degree Applicant

### Visiting Grad Student

Pace admits students of any race, color, and national or ethnic origin.

### REQUIREMENTS FOR SANDS COLLEGE OF PERFORMING ARTS

Sands College of Performing Arts offers a Master of Fine Arts in Acting, Directing and Playwriting. In addition to completing a standard graduate application, applicants to this program will be required to submit additional materials, such as headshots, portfolios, and/or writing samples dependent upon the applicants chosen track. Once all the materials are reviewed, candidates will be invited to audition or interview. For detailed information on the application process for this unique program, please visit the Sands College of Performing Arts Graduate website (<https://www.pace.edu/sands/why-sands/graduate-opportunities/>).

## Non-Degree Applicants

If you are interested in taking graduate-level courses at Pace, but are not ready to enroll in a full degree program, you may be eligible to take up to 6 graduate credits as a non-degree seeking student.

Courses are offered to individuals who qualify by virtue of previous education or professional experience. You can browse course offerings, by semester, through the online course schedule. To apply, please complete the Graduate Non-Degree Application.

Schedule an appointment with the Office of Graduate Admission (see locations below). Bring your transcript indicating conferral of your bachelor's degree along with the completed application.

If you have any questions or concerns, please contact the Office of Graduate Admission for the campus to which you are applying.

### Office of Graduate Admission

One Pace Plaza  
New York, NY 10038  
(212) 346-1531  
[graduateadmission@pace.edu](mailto:graduateadmission@pace.edu)

### Office of Graduate Admission

Vineyard House  
861 Bedford Road  
Pleasantville, NY 10570  
(914) 422-4283  
[graduateadmission@pace.edu](mailto:graduateadmission@pace.edu)

## Visiting Degree Applicants

A student currently in good standing in a comparable graduate program at another institution may apply to take traditional in-class or online courses within a Pace University graduate program. Applicants accepted as Visiting Students may take a maximum of two courses in a Pace graduate program.

**Step 1.** Access the Pace class schedule to see what courses are available.

- Under *Choose Term* select the term in which you wish to enroll
- Under *Level* select Graduate
- Under *Choose Subject* select the class(es) that interest you
- Use the *Choose Campus* menu to find online courses, or if you specifically want to attend our NYC or Westchester campus
- Click on the Search button and the results will appear
- For any particular course listed, you can access details - including prerequisites - using the "More Info" link on the right

**Step 2:** Download the PDF of the Visiting Student Application.

- Complete the application and note in which course(s) you wish to enroll
- Mail the application to either of the Offices of Graduate Admission listed below

Registration for courses is on a space-available basis and the courses must be completed in the semester or summer session for which the visiting student applied.

If you have any questions or concerns, please contact the Office of Graduate Admission for the campus to which you are applying.

861 Bedford Road  
Pleasantville, NY 10570  
(914) 422-4283  
graduateadmission@pace.edu

## English Proficiency Examination Requirements

Students who earned a bachelor's degree in a country where English is not the official language and for whom English is not their first language must submit official scores from one of the following tests that are no more than two years old: TOEFL, International English Language Testing System (IELTS), Pearson PTE, Kaplan PTE, or Duolingo English Test.

### Requirements

The following scores are sufficient to demonstrate the requisite proficiency in English for admission directly into Pace's academic programs:

If you are applying to programs within the **School of Education** or the **Dyson College of Arts and Sciences (except for the MA in Media and Communication Arts)**:

- TOEFL scores of 88 (Internet-based version).
- TOEFL scores of 9.5 (TOEFL® Essentials™)
- IELTS score of 7.0
- Pearson PTE score of 60
- Duolingo score of 115

If you are applying to programs within the **College of Health Professions** or the **MA in Media and Communication Arts**:

- TOEFL scores of 100 (Internet-based version)
- TOEFL scores of 10.5 (TOEFL® Essentials™)
- IELTS score of 7.5
- Pearson PTE score of 68
- Duolingo score of 130

If you are applying to programs within the **Lubin School of Business**:

- TOEFL scores of 80 (Internet-based version)
- TOEFL scores of 8.5 (TOEFL® Essentials™)
- IELTS score of 6.5
- Pearson PTE score of 52
- Duolingo score of 115

If you are applying to programs within the **Seidenberg School of Computer Science & Information Systems**:

- TOEFL scores of 78 (Internet-based version)
- TOEFL scores of 8.5 (TOEFL® Essentials™)
- IELTS score of 6.5
- Pearson PTE score of 52
- Duolingo score of 115

Pace University accepts TOEFL® Essentials™, MyBest™ scores for the TOEFL iBT® test, in addition to TOEFL iBT scores from a single test date.

The TOEFL codes for Pace University are as follows:

Westchester Campus: **2644**

New York City Campus: **2635**

If your TOEFL or IELTS scores are below the minimums stated above or Admission determines that you need additional English language preparation to be a fully matriculated student, you could be a candidate for the Pace University Global Pathways program. Once you submit your application, the Admission Committee will advise you about being admitted into this program.

### **Additional Information**

All accepted students are required to take University Placement Exams prior to registration. Students may be restricted to intensive English course work for at least one semester, which may extend the length of time and cost of completing a degree.

The Admission Committee may require additional testing if there are concerns about your ability to read, write, and speak English sufficiently to meet the demands of your intended curriculum, based on the materials you submitted as part of your application or on written or verbal communications with you after you submitted your application.

## Tuition and Fees

#### ***Tuition and Fees subject to change***

**Note:** Pace University reserves the right to change tuition, fees, and room and board rates. When determining financial aid packages, we take into consideration the total cost of attendance, which includes fees not paid to Pace such as books, spending money, and transportation costs.

## How to Make a Payment

**Pace University no longer accepts debit/credit cards in-person, by mail, fax, or over the phone for payment of Tuition, Housing, Meal Plan and fees. However, debit/credit cards can be used to pay online through TouchNet/PayPath via [www.Pace.edu/Pay](http://www.Pace.edu/Pay) (<http://www.Pace.edu/Pay/>).**

TouchNet is an independent third party contractor who accepts payments to the student account and charges a non-refundable convenience fee based on the amount charged. Credit/Debit card payments will incur a fee of 2.85% which is assessed by TouchNet and not Pace. The convenience fee is paid in full to and retained by TouchNet. The University does not receive any of this fee. The charge for the convenience fee will appear separately from the payment on your card statement. There will be no charge for online payments using your checking or savings account.

To make a debit/credit card payment, visit [www.Pace.edu/Pay](http://www.Pace.edu/Pay) (<http://www.Pace.edu/Pay/>) or login to your Pace Portal using your Pace credentials, click on the Student Tab, and click on Registration, Grades and Tuition Schedule. Then, click on Pay Your Bill / Payment Plans and follow the steps to make payment.

### 1. Online

In Pace Portal, students can make payment under "Registration and Grades", "Pay Bill / Payment Plans". You will have the option of paying by webcheck or credit card. Pace accepts Visa, MasterCard, American Express, and Discover/Novus through PayPath, a service provided through TouchNet™. Parents and other authorized users can make payment by web check or credit card via the Payment Portal. If you wish to pay in monthly installments, you must enroll through the Payment Portal.

For a tutorial on how to pay your bill online, please click [here](http://www.pace.edu/pay) or visit <http://www.pace.edu/pay> (<http://www.pace.edu/pay/>).

### 2. By Mail

Payment may be made via check or money order. Please include your Student ID number and make your check or money order payable to Pace University and send to:

Pace University  
Payment Processing Center  
161 William St, 8th Floor  
New York, NY 10038

### 3. International Payments

Pace University has partnered with Flywire for international payments. This services provides students and their families a cost effective and convenient method of making payments to Pace in foreign currencies.

Flywire allows you to:

- a. Pay from any country and any bank
- b. Save money on bank fees and ensure your payment is received in full
- c. Obtain excellent foreign exchange rates with a best rate guarantee
- d. Receive piece of mind with 24x7 multilingual customer support
- e. Track your payment from start to finish

To make your payment, please visit: [www.pace.flywire.com](http://www.pace.flywire.com) (<https://payment.flywire.com/pay/payment/>). For questions about making a payment with Flywire, you can email [support@flywire.com](mailto:support@flywire.com) (<https://help.flywire.com/hc/en-us/>).

## Payment Options

Please Note: All students are bound by the payment due date, whether or not a University bill is received. Semester charges and payment information are available through your MyPace Portal account.

### Full Payment for Fall 2024 Semester

Payment is due on the officially designated payment date shown below or at the time of registration:

- **Graduate:** August 1 or day of registration if after August 1
- **Undergraduate:** August 1 or day of registration if after August 1

### Full Payment for Spring 2025 Semester

Payment is due on the officially designated payment date shown below or at the time of registration:

- **Graduate:** January 4, 2025 or day of registration if after January 4, 2025
- **Undergraduate:** January 4, 2025 or day of registration if after January 4, 2025

## Monthly Payment Plan

Pace University offers Payment Plans for each semester (Fall, Spring, and Summer.) Students may enroll in the payment plan through Pace Portal (<https://portal.pace.edu>) or follow the path from the Billing and Payment webpage (<https://www.pace.edu/pay/>).

## Financial Aid/Loan Recipients

Validated Financial Aid Awards or approved Loans may appear on your invoice. If there is a discrepancy or aid is missing, call or visit the Financial Aid Office as soon as possible: (877) 672-1830, option 1.

## Special Course Fees

Special course fees are listed in the Course Schedule (<https://www.pace.edu/registrar/academic-scheduling/class-schedule/>) with the specific course, if applicable.

## General Institution Fee (GIF)

Pace University assesses a General Institutional Fee (GIF) to cover costs associated with ancillary services provided to students which are not covered by tuition:

- advisement
- registration
- tutoring at the Learning Commons
- library services
- co-op and career services
- inter-campus transportation
- safety and security

- parking
- athletic activities

Many institutions charge similar fees or assess separate fees for the aforementioned services. Pace University has consolidated the cost of these services into one concise fee.

## University Health Care Fee

The Health Care fee supports the existence of the University Health Care Unit that are located on the New York City and Pleasantville Campuses. These on-campus facilities are staffed by nurse practitioners - registered nurses who have received training in diagnosing and treating illness, and prescribing medications and other treatments. The UHCU is available to all Pace students, regardless of their ability to pay or health insurance coverage or whether or not the student chooses to make use of these facilities. This fee also supports some of the services offered by our Counseling and Personal Development Centers on both campuses.

## Technology Fee

Pace University assesses a Technology Fee to ensure students have access to the latest instructional technology resources available. All revenue generated from the technology fee goes directly towards funding instructional technology initiatives that are focused on enhancing the student learning experience. A committee comprised of students and faculty will vote to determine which discretionary initiatives receive funding each year, with annual reports to be provided to the Pace Community.

## Graduate Courses Taken by Undergraduates

Students who are enrolled in a combined degree program are treated as undergraduate students through the end of the semester (Fall, Spring, or Summer) in which they earn 120-128 credits toward their degree, and then are treated as graduate students beginning with the first semester after the semester in which they achieve 128 credits toward the degree. They are assessed the prevailing undergraduate or graduate tuition rate where appropriate. Undergraduate students who are not enrolled in a combined degree program and who are advised to enroll in a graduate course (resulting in a 12-18 credit load) will be charged the prevailing undergraduate flat-rate tuition. Please be reminded that non-combined-degree undergraduate students may only have a maximum of six (6) graduate credits applied to their undergraduate degree.

## Important Notes

- Students in arrears to the University may not be permitted to register for either credit bearing or non-credit bearing continuing education courses until their prior balance is paid in full. Payments received for new enrollments will be applied to any outstanding balance due Pace University.
- In all cases students must contact their campus Student Accounts office via email, help desk, mail, or telephone to communicate their intention to attend whether or not a payment is due or a bill has been received.
- **Personal checks:** Personal checks are accepted in payment of tuition and fees. A charge of \$20.00 is assessed for each check returned unpaid by the bank. The University reserves the right to exclude students from using personal checks, and may require a student to pay by certified check or money order if an account is more than 90 days in arrears.
- **Credit cards and Webchecks:** Credit cards (Visa, MasterCard, American Express, and Discover/Novus) are accepted for payment. Credit cards may be used to pay in full the semester charges, less validated Financial Aid. Credit card payments can only be made online at [www.pace.edu/pay](http://www.pace.edu/pay) (<http://www.pace.edu/pay/>) and are subject to a 2.85% service fee through TouchNet. If late fees apply, they will be charged to the student's account. The University reserves the right to exclude students from paying by credit card and may require a student to pay by certified check or money order. Students may also pay via WebCheck through their Pace Portal. A personal checking or savings account from a U.S. financial institution is required. A student will need the account number and the routing number of the financial institution in order to process a WebCheck payment.
- **Delinquency of Outstanding Balances:** Delinquent outstanding balances, including those from installment payment plans, are subject to collection by the University or, at the University's option, its designated agent. Late charges and interest may be added to a delinquent outstanding balance. In addition, the actual collection expenses, including attorneys' fees, if any, incurred by the University will be added to the delinquent outstanding balance. **The amount of the actual collection expenses and fees may exceed 50 percent of the delinquent outstanding balance (including any late charges and interest).**

Any student who has a delinquent outstanding balance is not eligible to enroll at the University. The University will not provide diplomas to any student with a delinquent outstanding balance. A delinquent outstanding balance will be reported to all national credit bureaus and may significantly and adversely affect the student's credit history. The University may pursue legal action to recover the amount of the delinquent outstanding balance plus any late charges, interest, actual collection expenses, court costs, and attorneys' fees.

## Student Refunds

Students may be eligible to receive a refund, in accordance with Title IV regulations, when payments posted to their student account exceeds the cost of tuition, fees, dorm, meal charges and any other allowable ancillary charges, as authorized by the student and/or parent. Payments may include disbursed financial aid (including scholarships and loans), check payments, and other payments resulting in a credit balance.

In addition, federal financial aid recipients who cease attending classes for a term, but do not officially withdraw, will be deemed to have unofficially withdrawn and will have a portion of their federal aid cancelled after the close of the term when their failure to complete their courses is recorded.

It is important to note that all charges and cancellations are based upon tuition commitments for the full semester. The effective date of withdrawal and cancellation, if any, will be the date when formal application is filed with the Student Accounts (notification to the instructor is not sufficient) or withdrawal via the Portal at [portal.pace.edu](https://portal.pace.edu) (<https://portal5login.pace.edu/cas-web/login/?service=https%3A%2F%2Fportal5.pace.edu%2Fportal%2Flogin>). In the case of withdrawal by mail, the official postmarked date of the correspondence will be the effective date of withdrawal.

Students registered for a monthly payment plan are responsible for completing all payments if a balance exists after cancellation of tuition.

**Application, technology, general i**

## Cancellation Because of Business Transfer

Students leaving the area during the first eight weeks of class because of a **permanent** business transfer may receive a prorated refund of all the semester's tuition and special course fees, provided they submit a tuition appeal in accordance with policy. Written substantiation from the employer must accompany the request for a refund. **A change of employer, work responsibility, hours, or required business travel does not qualify as a business transfer.**

**Note:** Students who are financial aid recipients and receive a cancellation due to a business transfer are subject to financial aid review and possible aid adjustment.

## Cancellation Because of Military Service

To comply with the new Department of Defense policy, Pace University will return any unearned TA funds on a prorated basis through at least the 60% portion of the period for which the funds were provided. TA funds are earned proportionally during an enrollment period, with unearned funds returned based upon when a student stops attending. These funds are returned to the military Service branch.

Cancellation because of Military Service: Any student required to discontinue attending classes because of induction into or activation in the U.S. military service (i.e. National Guard or Reserve activation or periods of Active Duty for Training) may be eligible for a complete refund of all tuition and fees, if orders to report for active duty are received within the first two weeks of class. Thereafter students may choose either a prorated refund or an application of full credit of tuition and fees to future enrollment. Once Student receives notice of call-up, they need to immediately inform their Professors, Advisors and Pace University's Veteran Services Office.

## Financial Aid Refund and Repayment Policy

When a student who is receiving financial aid withdraws from or drops classes for any reason, the resulting refund, credit, or cancellation of tuition, fees, dormitory charges, or meal plan charges must be credited first to the financial aid programs from which the student was receiving funds for that semester. The amount credited to each financial aid program is determined by the type of aid received, the number of credits the student had before and after the drop or withdrawal, the length of time the student was enrolled, and the amount of any adjustment to charges.

Please note that to officially withdraw from classes, a student must withdraw online at the Pace Portal (<https://portal5login.pace.edu/cas-web/login/?service=https%3A%2F%2Fportal5.pace.edu%2Fportal%2Flogin>) or file for withdrawal with the Office of the Registrar (<https://www.pace.edu/registrar/faq/#registration>). Students should consult with their advisor.

## Federal Financial Aid Recipients Who Withdraw From All Classes

Federal Title IV financial aid includes: Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (SEOG), Federal Perkins Loan, Federal Direct Stafford Loans, and Federal Direct PLUS Loans (Parent Loans for Undergraduate Students or Graduate PLUS loans). For students who withdraw from all classes for a semester, federal regulations require that the Financial Aid Office perform the Return to Title IV Funds calculation.

If the student has withdrawn within the first 60 percent of the semester, the student is considered to have "earned" the portion of disburseable Title IV funds equal to the ratio of the number of days the student was enrolled to the number of days in the semester. The calculation will require the return of all federal aid that exceeds the "earned" portion. The amount of aid returned to each program is dictated by the federal calculation.

The Return to Title IV Funds calculation also determines the amount of awarded but not yet disbursed aid, if any, that can be credited to the student's account. Students may not apply for additional federal aid after withdrawing from all classes.

If a return of funds is required, it must be distributed to the various financial aid programs in the following order prescribed by law:

1. Federal Unsubsidized Direct Stafford Loan
2. Federal Subsidized Direct Stafford Loan
3. Federal Perkins Loan
4. Federal Direct PLUS Loan (for parents or graduate students)
5. Federal Pell Grant
6. SEOG (Federal Supplemental Educational Opportunity Grant)

**Note:** In certain circumstances a student may be required to repay a portion of a refund back to the federal government.

## Federal Financial Aid Recipients Who Withdraw Below Six Credits (Note: The procedure varies by program.)

*Federal Work Study (FWS)* – A student working under the FWS program who drops or withdraws below six credits must stop working immediately because he/she no longer meets the federal guidelines for FWS.

*Pell Grant* – A Pell Grant Award is determined by the student's Effective Family Contribution and enrollment status. Pell awards may be adjusted for changes in enrollment that occur during the first 4 weeks of a semester.

*Federal Supplemental Educational Opportunity Grant (SEOG)* – If a student receives a refund, credit, or cancellation of any institutional charges and SEOG has been disbursed to the student's account, an adjustment may be required as a result of the change in Cost of Attendance. If the grant has yet to be disbursed, eligibility may change.

*Federal Perkins Loans, Direct Stafford Loans, and Plus Loans* – If a student receives a refund, credit, or cancellation of any institutional charges and a loan has been disbursed to the student's account, an adjustment may be required. If a loan has yet to be disbursed, loan eligibility may change. In addition, any undisbursed second disbursement of a Direct Stafford Loan or Direct PLUS Loan must be cancelled.

*All Federal Aid* – Students may not apply for or be awarded additional federal aid after withdrawing below six credits.

## Recipients of Pace University Scholarships and Grants Who Withdraw From Any Classes

If a student withdraws from any classes and receives a refund, credit, or cancellation of tuition, fees, dormitory charges, or meal plan charges, any University aid the student has received that is applicable to the reduced charges will be adjusted if the withdrawal resulted in the student being enrolled in fewer than the minimum required number of credits for the type(s) of aid received. Most University scholarships and awards are applicable to tuition; other types of University aid are applicable to other combinations of charges. The amount of each type of aid reduced will equal the ratio of the reduced charges to the original charges.

## Recipients of New York State TAP and Other State Grant Programs Who Withdraw

New York State regulations govern the reduction or cancellation of TAP in cases where students withdraw or drop classes. New York State TAP and most other state grant programs are applicable only to tuition. If a student withdraws and receives a refund, credit, or cancellation of tuition and/or fees, New York State awards must be reduced to ensure that the award amount does not exceed the remaining applicable charges. In addition, other adjustments may be necessary. The student should contact the

**institution, university health care, student activity fee, and non-course fees are not refundable.**

## Tuition Cancellation Schedule

### Time of Withdrawal

**Note:** Weeks are counted as seven calendar days and count from the first day of the semester or term. **The application, technology, general institution, student activity, and university health care fees are non-refundable.**

Week	% Cancellation

## Athletics and Recreation

Pace University views athletics and recreation as an integral part of the educational experience. The athletics program is designed to bring students together through participation in a variety of varsity, intramural, club, and recreational sports while serving as a focal point for all students, faculty, staff, and alumni. As with other non-academic activities, athletic activities add another dimension to university life.

Intercollegiate and intramural sports give students of Pace University a chance to compete at many levels of ability and interest. There are currently 14 varsity teams, a spirit squad made up of cheerleading, dance, and pep band, club men's soccer, club co-ed golf, and a wide variety of intramural sports.

The 75,000 square-foot, \$17 million Ann and Alfred Goldstein Health, Fitness and Recreation Center has been a recognizable landmark of the Pace community since its opening in 2002. The multipurpose, state-of-the-art facility, located on the Pleasantville campus, includes a 2,400 seat arena, an eight lane natatorium, a walking/jogging track, a weight room, an aerobics room, an athletic training facility, locker rooms, and a health care center.

Also, in collaboration with the university, the athletics department recently completed construction of four new facilities. Pace Stadium, a new multipurpose field with lights, Field Turf and 1,100 seats for football, women's soccer, men's lacrosse, and women's lacrosse opened in the fall of 2015. Peter X. Finnerty Field, home of our baseball and field hockey teams, now has Field Turf and lights and a new softball field was also built on the Pleasantville campus. In the spring of 2016, the 14,010 square foot, multi-million dollar Joseph R. Ianniello Field House officially opened, providing

Pace student-athletes with a state of the art facility that includes a new strength and conditioning center, locker rooms and a sports medicine component.

Pace University maintains a successful intercollegiate program for students who qualify under the rules of the university, NCAA, and Northeast-10 Conference. Men's intercollegiate varsity sports include basketball, baseball, cross country, lacrosse, football, and swimming and diving. Women participate in basketball, cross country, field hockey, lacrosse, soccer, softball, swimming and diving, and volleyball. The co-ed spirit-squad also provides opportunities with the pep band, and cheer and dance teams. Pace University competes at the NCAA Division II level, with membership in the Northeast-10 Conference (NE10).

In the fall, the Setters begin the school year with six teams competing. The Pace football program has put together great success in recent years, tallying a 13-7 record in their last two seasons. In 2019, the Setters had 12 all-conference selections. The women's volleyball squad has won the NE10 Championship twice since joining the conference and has competed in the NCAA Division II Championship eight times overall. The women's soccer program was started in 1997 and recently put together its most successful season in 2019. The Setters earned their first-ever national ranking that year, while also setting a new school record for regular-season wins (11). They have had more than 30 All-Conference players, as well as 19 All-Region selections along with an All-American selection in 2014. Men's and women's cross country compete against some of the most talented Division I and II programs in the East Region at various meets. Field Hockey is the newest program at Pace. In only their fourth year in 2018, the Setters won the Northeast-10 Conference Regular Season championship with a 13-0 record before advancing all the way to the NCAA Division II National Semifinals. Pace finished the year as the top-ranked team in the East Region.

During the winter season, the men's and women's basketball teams play their home games at the Goldstein Health, Fitness, and Recreation Center on the Pleasantville campus. The women's team advanced to the NCAA Division II Elite Eight in 2001 and the Sweet 16 in 2011. The men's squad, which was ranked nationally in 2019 for the first time in more than 20 years, won their first NCAA tournament game in 2002 and was an NCAA Tournament participant in 2007. The swimming and diving teams compete in the competitive NE10, and have had eight divers and a pair of women's swimmers earn berths in the NCAA Division II national qualifiers in recent years.

The baseball team has won at least 29 games in five of the last nine seasons and earned a bid to the NCAA Division II Tournament in 2013. In addition, the baseball program has had a number of its players selected in the Major League Baseball Draft and go on to play professionally. The men's lacrosse program completed one of their most successful seasons in 2019, registering the second-most wins in program history (13). Pace also qualified for the NCAA tournament for the first time in 2017, finishing the season ranked No. 5 in the country. In only its fifth full season, the women's lacrosse team qualified for its fourth consecutive NE10 Tournament in 2021 and finished with a No. 19 national ranking. In addition, both lacrosse teams play in one of the top Division II conferences in the country, which has featured multiple National Champions in the last decade. Finally, the softball team has become one of the top programs in the NE10, qualifying for the NCAA Tournament in two of the last five seasons, and winning the NE10 Championship in 2016.

The Athletic Department embraces its role in the area of recreation and wellness and its impact on student life. The Pleasantville campus has more than 52,000 student visits and the New York City campus has 42,000 visits for fitness and wellness per year, with approximately 1,980 participants in intramurals in Pleasantville and more than 350 in New York City. Health and Wellness credit and noncredit courses are offered on both campuses. The addition of turf athletic facilities with lighting provides growth in participation of students in intramurals on the Pleasantville campus. Co-ed leagues are currently offered for: Outdoor soccer, outdoor flag football, indoor soccer, softball, ultimate frisbee, handball, futsal, dodgeball, whiffle ball, volleyball, basketball and badminton.

For all information regarding Pace University Athletics (<http://paceathletics.com>) and follow @PaceUAthletics on Twitter (<https://twitter.com/PaceUAthletics/>).

## Campus Services

- Campus Dining Services (p. 65)
- Identification Cards (p. 66)
- Security (p. 66)
- University Health Care (p. 68)

## Campus Dining Services

Pace University Dining Services offers a variety of locations, programs, and services to make students' dining experience exceptional. Whether on the New York City or the Westchester campuses, students have the flexibility to choose where, when, and what they would like to purchase.

There are great locations on the New York City and Pleasantville campuses - each serving a different purpose. For those grabbing something to go on the New York City Campus, there is a licensed Starbucks store serving baked goods, bottled beverages, and their famous coffee. All campuses offer full-service fare as students may try one of the cafés or eateries, which offer a large variety of salad bars; made-to-order Boar's Head deli sandwiches; hot off the grill burgers, chicken breasts, veggie burgers, and more as well as grab-and-go items, cook-to-order stations; pizza and pastas, made to order sushi, Latin cuisine, smoothie station, and other traditional entrees.

Monthly fun promotions spice up the menu. More details are available on the Pace Dining Services Web site for each campus at: <https://www.pace.edu/auxiliary-services/campus-dining> (<https://www.pace.edu/auxiliary-services/campus-dining/>). All residential graduate students at the Westchester and New York City campuses are required to participate in a level of the University's mandatory Dining Plan. Please refer to the Housing Occupancy Agreement and Campus Dining brochure for resident and full-time commuters or visit the Meal Plan Information web page on <http://www.pace.edu/auxiliary-services/campus-dining-meal-plans> (<https://www.pace.edu/auxiliary-services/campus-dining/meal-plans/>) for various buy-in levels and requirements.

All part-time students are invited to choose a dining plan of interest. Take a look at our Campus Dining website and choose the plan that best suits your needs. To sign up visit the meal plan office on either the Pleasantville or New York City campus or visit <http://www.pace.edu/auxiliary-services/campus-dining-meal-plans> (<https://www.pace.edu/auxiliary-services/campus-dining/meal-plans/>). For more information call:

- New York City, One Pace Plaza, 1st floor, (212) 346-1015
- Pleasantville, Kessel Campus Center, (914) 773-3763

## Identification Cards

University policy requires that a valid Pace University Identification Card be worn on all campuses. ID cards must be presented for access to the Pleasantville, White Plains and New York City Campuses at all times. This ID card serves all of your on-campus needs. It will access your meal plan, flex dollars, printing, resident hall, many campus activities, and more.

The One Card (<https://www.pace.edu/auxiliary-services/one-card/>) (ID Offices) are located at:

### **New York City**

One Pace Plaza, B-Level  
(212) 346-1015

### **White Plains**

Aloysia Hall  
(914) 422-4138

### **Pleasantville**

Paton House - ground level, next to the Health Center  
(914) 773-3830

For more information, please visit the Auxiliary Services webpage <https://www.pace.edu/auxiliary-services> (<https://www.pace.edu/auxiliary-services/>).

A student will keep the same ID card for his or her entire Pace career. A \$25.00 fee is charged for replacement cards. The Office of Student Accounts will accept payment for this fee by check or money order (payable to Pace University.)

## Security

Pace University Safety and Security works diligently to provide a safe and secure environment for our students so that their pursuit of higher education can be their top priority. The University provides a 24 hours a day, 365 day per year security presence on each campus. All security personnel are professionally trained and strive to create and maintain a safe campus environment for students, faculty, staff and visitors. Safety protocols include, but are not limited to; security patrols, card access readers, closed circuit cameras, emergency call boxes, security escorts and the PaceSafe app. All members of the Safety and Security team are committed to our students' success and take great pride in their accomplishments while at pace and upon graduation.

For more information on the Safety & Security office and the services offered visit our website (<https://www.pace.edu/security-emergency-management/>).

### **Additional Security Information**

- Parking at the Westchester Campuses (p. 67)
- Security Services (p. 67)

## **Parking at the Westchester Campuses**

Parking is only available on the Pleasantville and Elisabeth Haub Law campuses. All students, faculty, staff, contract employees and visitors must display a valid parking permit or temporary hang tag and are obligated to adhere to the University's parking regulations at all times while on campus.

Parking is limited and obtaining a parking permit does not guarantee the availability or location of a parking space. The responsibility for finding a legal parking space rests with the motor vehicle operator. Lack of space is not a valid reason for violating Pace University's parking regulations.

To request a parking permit or review campus parking regulations visit the Pace University Parking Portal ([https://pace.t2hosted.com/cmnl/auth\\_ext.aspx](https://pace.t2hosted.com/cmnl/auth_ext.aspx)).

Parking is not available on the New York City campus. Limited meter parking and private parking lots are located nearby for a fee.

Questions about parking and traffic at Pace University may be directed to [traffic@pace.edu](mailto:traffic@pace.edu).

## **Security Services**

The Office of Safety and Security provides a 24 hours a day, 365 day per year security presence on each campus. Additional Security services include:

**Automotive Assistance** – Pace Security will assist any person on the Pleasantville or Haub Law campuses who needs a battery boost or who is locked out of their vehicle. Be prepared to provide personal identification, show evidence of ownership of the vehicle, and read and sign a waiver form.

**Crime Reporting and Prevention** - Consistent with legal requirements, members of the Pace Community will be advised on a timely basis regarding the occurrence of crimes on campus. Special security notices are prepared in the event that a crime is committed on campus, and distributed to the community. These notices provide the facts related to the incident, and alert members of our community to prevent future incidents from occurring. Incidents can be reported by contacting campus security or utilizing the PaceSafe app.

**ID Cards and Access** - In order to maintain a safe campus environment please report a stolen or lost Pace ID immediately to a Pace Security office or Pace ID office. If you need a new card, visit a Pace ID office.

**Lost and Found Property** - The Office of Safety and Security maintains lost and founds across all three campuses. To claim lost property, be prepared to present your Pace ID or any government-issued photo ID.

**Security Escorts** - The Office of Safety and Security provides a walking escort service between any two points on campus 24/7. To request an escort, please contact the security office on the appropriate campus. Please allow up to 15 minutes for the escort guard to arrive and request that they show a Pace University ID.

## University Health Care

University Health Care offers a full range of primary health care services to Pace University students, faculty, staff, alumni, and their families. UHC is staffed by certified Advance Practice Registered Nurses (APRNs), who provide evidence-based, patient centered health care to our campus community in a professional and compassionate manner, and other allied health professionals (certified Medical Assistants). UHC provides a needed service to the Pace community while also providing nursing and physician assistant students excellent real world experiences.

The University Health Service Fee in conjunction with your health insurance will cover UHC office visits for sickness and accidents. UHC is able to bill your insurance directly. Diagnostic tests and procedures may incur additional charges.

Services available for students, faculty, staff, alumni, and their families include:

- Health education
- Diagnosis and treatment of illnesses such as sore throat, cough or other infections
- Health assessment with complete physical examinations
- Women's health care, contraception, GYN
- PrEP, PEP, STI/HIV testing and treatment
- Immunizations/vaccinations (Influenza and other)
- Phlebotomy/blood work
- Prescribe/Medication refill except for controlled substances
- Over the counter medication dispensary with in-person visit
- COVID-19 testing for symptomatic cases only
- Referral to specialists
- First aid for minor injuries

Visit our webpage at: [www.pace.edu/uhc](http://www.pace.edu/uhc) (<http://www.pace.edu/uhc/>)

Locations:

Pleasantville Campus:  
Paton House, Ground Floor  
861 Bedford Road  
Pleasantville, New York 10570  
(914) 773-3760

Hours of Operation:  
Mon - Friday (9-5PM)

New York Campus:  
1PP, 6th Floor East  
New York 10038  
(212) 346-1600

Hours of Operation:  
Mon - Friday (8-6PM)

Urgent Walk-ins are welcome depending on staffing. Appointments are preferred.

Students may schedule appointments by calling the office or on-line scheduling via the secure patient portal.

## Student Affairs

### Dean for Students Office

The Dean for Students has a key role in shaping the personality and environment of the University by engaging the entire Pace community in collaborative opportunities, community building, and strategic planning. In addition, the office plays an important role in communicating the interests and concerns of the students to the academic and administrative leadership. The Office of the Dean for Students is responsible for many areas of student life including residential life and housing, student engagement, counseling services, wellbeing programs, student conduct, and more. The Office also oversees administration of the University's Guiding Principles of Conduct (<https://www.pace.edu/student-handbook/university-policies-disciplinary-and-grievance-procedures/guiding-principles-of/>) which outline the community standards, policies, and community values that have been established for the well-being of our campus community. Students may arrange to meet with the Dean for Students on their home campus by calling

to make an appointment in advance. Students who have questions pertaining to any academic issues should first contact their academic advisor, followed by the academic Dean of their program of study.

## Center For Student Engagement

While much of the college experience takes place inside the classroom, the Center for Student Engagement promote the integral part that occurs outside the classroom through co-curricular activities. Students are encouraged to define their campus experience by creating new organizations, participating in programs, creating new events, and reflecting on their experience. On the Pleasantville and the NYC campus, our team strives to support students by providing opportunities for the enhancement of academic, cultural, social, and recreational aspects of student life. Every student has the opportunity to become involved on campus. From student organizations to events, social justice programs to leadership opportunities and programs, we are always searching for new ways to support our students as they define their campus and community. The Annual Leadership Conference and other workshops and programs provide opportunities for students to hone their skills and learn with peers. We also plan Orientation and Welcome Event programs for new students.

As advocates of student empowerment, we provide resources, guidance, and support to enhance student achievement and personal development. Opportunities to participate in student governance, leadership training, cultural events, and a wide array of diverse student organizations abound for all interested Pace University students. The Centers also collaborate with other offices and departments in hosting many University traditions and events including Student Orientation, Convocation, Homecoming and Family Weekend, Senior Celebrations and much more.

All clubs and organizations, including Fraternity/Sorority Life, are advised by the Center. Home to more than 100 student organizations between the two campuses, the Center assist student leaders with club advisement, new club development and resource assistance and serve as a conduit for all the clubs' programming needs. Through the Center for Student Engagement, students can connect with student government representatives, and leaders of other student organizations. Students may turn to the Center for event planning consultation, leadership workshops, involvement opportunities, campus posting services, and student event promotions.

Contact Information for both campuses:

NYC: <http://www.pace.edu/student-engagement/nyc> (<http://www.pace.edu/student-engagement/nyc/>) or email at [nycstudentengagement@pace.edu](mailto:nycstudentengagement@pace.edu)

PLV: <http://www.pace.edu/student-engagement/westchester> (<http://www.pace.edu/student-engagement/westchester/>) or email at [plvstudentengagement@pace.edu](mailto:plvstudentengagement@pace.edu)

## Counseling Services

The Counseling Center at Pace University's New York City and Westchester campuses is here to help you address any personal, academic, or work problems you may have. We are here to help you manage the stressors and challenges that can arise during this time and support you as you achieve your goals and enhance your personal growth. Our services are confidential and available to members of the Pace Community. In order to achieve these goals, the Counseling Center provides the following services:

- Individual Consultation and Evaluation
- Individual and Group counseling
- Crisis Intervention and After-Hours Emergencies
- Alcohol and Other Drug Assessments
- Consultation Outreach and Community Wellness Programming
- Consultation and Referral Services

We invite you to explore their website at [www.pace.edu/counseling](http://www.pace.edu/counseling) (<http://www.pace.edu/counseling/>) and take advantage of the many services and resources of your Counseling Center.

## Residential Life and University Housing Operations

The University Housing Operations staff, and the Offices for Residential Life, are committed to providing services, facilities, programs, and support that complement your academic development and promote your personal and social development. All Housing and Residential Life staff members

are trained in areas of student development and crisis management, as well as the daily management of residential facilities. As adults, students are expected to accept the responsibilities of community membership while enjoying its privileges.

Living on campus, whether in New York City or suburban Westchester county, can be the most exciting experience of a young person's life -- and having a place to call "home" adds a sense of safety and belonging. Our residential facilities give Pace students that satisfaction. All rooms are furnished with a standard twin bed, desk, chair, dresser, wardrobe or closet, and window blinds. Some suites have living room furniture and townhouses will have dining room furniture as well as a variety of appliances. Residence halls are equipped high-speed wired and limited wireless Internet access, at no additional cost.

#### **General Facts:**

- At Pace University, approximately 2,400 students live on campus in New York City, with another 1,400 residing on campus in Pleasantville.
- All buildings on the city campus house some first year students (15 Beekman is nearly all first year students). In Pleasantville most first year students will be placed in Alumni Hall. Pace may in some instances place students in temporary occupancy rooms (double rooms as triples, or triple rooms as quads) to start off the year.
- Graduate students are housed whenever possible with other graduate students, in the smallest occupancy rooms available at the time that assignments are made
- Students who apply for the Fall semester by the priority deadline (May 1st) are asked to complete an online request process to indicate their preferred building and to request each other as roommates (building requests cannot be guaranteed, but reciprocal roommate requests among students who are guaranteed housing will be honored).
- To apply for housing, student need to complete and submit a Housing Application along with a \$400 housing deposit and a \$100 security deposit to Student Accounts.
- We offer housing for graduate students on both campuses. Our graduate population will be placed with our returning and transfer students.

## **THE UNIVERSITY HOUSING OPERATIONS STAFF**

University Housing Operations ([housing@pace.edu](mailto:housing@pace.edu)) manages student on-boarding to housing, including applications, room assignments, and housing related fees. Students applying for housing, whether as new students or as returning students, will work with the Operations staff to complete their applications, receive their assignments, and coordinate their arrival. Operations staff will communicate with new students who are applying for housing, from the time they submit their housing deposit, to the time of their arrival on campus.

The Operations staff also serves as the liaison to the facilities staff, working with them to ensure the quality of our residential facilities. Students may submit work orders (see your Resident Assistant for help with this process) for most facilities related issues in their room, but they may also contact the Operations staff for assistance with unique or more serious situations.

## **THE OFFICE FOR RESIDENTIAL LIFE STAFF**

Community living is a valuable experience that provides opportunities and rewards that will last a lifetime. Exposure to new people, ideas, cultures and ways of thinking create an environment ripe for growth and learning. At Pace, our residential life program is centered in the belief that community living is an integral part of the total educational experience. The staff is committed to providing facilities, programs, and services that complement your academic development and promote your personal and social development.

Students are viewed as whole individuals working toward integration with others and enjoying the privileges of community membership, while accepting its inherent responsibilities. Our program, policies, expectations, and guidelines are designed with your safety and welfare in mind. Your involvement in the community is the key to making the residence halls places where you:

- Meet other students and establish relationships that will enhance your Pace experience
- Successfully live together through peer interaction and learning, complementing your academic program
- Assume responsibility and accountability for your own lives and living environments
- Develop friendships and relationships that are respectful, civil and mutually satisfying
- Participate in educational and social programs through our residential curriculum
- Develop skills through participation in experiences that will enhance your Pace experience and prepare you to contribute as members of outside communities

The Office for Residential Life and Housing is led by a team of dedicated individuals whose commitment is to support the academic endeavors of each of our residents while offering meaningful challenges that encourage their personal growth. Please visit your RA or your Residence Director should you need any assistance during your stay in Housing.

## **The Jeanette and Morris Kessel Student Center**

The Jeanette and Morris Kessel Student Center in Pleasantville is the living room of the campus providing relaxation and social interaction, opportunities for education and exchange of thought, and services for Pace University students, staff, faculty, and our community.

The Kessel Student Center creates an environment that fosters and expands the feeling of community on the Pace University Pleasantville campus. The Kessel Student Center is a core component of student life and activity on campus as a popular spot for a variety of entertainment, dining, and student conference rooms. The Gottesman Room on the ground floor level, the Butcher Suite and Multipurpose Room on the upper level, are multi-use rooms for dining, lectures, and special events. A wide terrace with a lawn sloping to the Choate Pond is the setting for barbecues, rallies, receptions, and other special events.

The multi-level structure, offers dining, lounges, event spaces, bookstore, and several offices whose mission includes supporting and educating students.

## Graduate Financial Aid

**Furthering your education means expanding your career. We'll help you get there.**

Pace University offers our graduate students a variety of options to help finance their education. In addition to scholarships and student loans, Pace also contributes with work-study programs, graduate assistantships and teaching assistantships.

## Graduate Assistantships

Graduate Assistantships are available to students who have shown academic accomplishment, skills, and related experience. Both full and part-time assistantships (in research and/or administrative positions) are available to qualified students. Assistantship recipients receive Tuition Reimbursement and a stipend. Amounts awarded depend on whether the student is a full time or half time assistant. Assistantships are given on a per-semester basis.

To be considered, students should file the Graduate Assistantship application, which is available in the application for admission. Assistantships are awarded by the academic department through which the student is admitted. Due to the limited number of positions available, assistantships are very competitive. Students must meet QPA as well as enrollment requirements to be eligible. Once selected, students complete the paperless process by accepting their Graduate Assistantship position and completing new hire paperwork with Human Resources (if required). Students cannot have a graduate scholarship and graduate assistantship.

## Federal Work-Study

Federal Work Study (FWS) is a program that allows students to earn money for educational expenses by working part-time. FWS eligibility is based on financial need and availability of funding.

Students receiving Federal Work Study awards may be employed on campus by Pace University. Most of the students approved for Federal Work Study can be placed in jobs, but it is the student's responsibility to research job openings and to successfully obtain a position. Students interested in on-campus employment should visit Pace University's Human Resources Department's Careers at Pace (<https://www.pace.edu/human-resources/employment-pace/student-employment-applying-on-campus-jobs/>) site on the web for links to the application system and instructions.

A student's work hours are based on financial need, class schedule and the needs of the hiring department. Students are paid at least the current federal minimum wage.

## Student Loans

### Federal Direct Unsubsidized Loans

Graduate students may borrow Federal Direct Unsubsidized loans while they complete their program of study. Interest accumulates upon disbursement. Students should pay this interest while they are in school. Students may receive unsubsidized loans regardless of financial need.

Graduate students may borrow a maximum of \$20,500 per academic year in unsubsidized loans. Students are given up to or more than 10 years to pay back all loans.

Students must be enrolled in a minimum of 6 credits to be eligible for federal loans. For more information about interest rates and Direct loans, visit <https://studentaid.gov>.

### Graduate/Professional Direct PLUS Loan

Full- or part-time graduate students can borrow money equal to their cost of attendance minus other estimated financial assistance. Applicants must demonstrate they do not have adverse credit history.

The first payment on a Direct PLUS Loan is due 6 months after the student graduates or no longer enrolls. Many different payment plans are available with repayment terms starting at 10 years and ranging to 30 years. Students must have a FAFSA (Free Application for Federal Student Aid) on file in order to apply and they must complete the Graduate PLUS Loan Application. The application is available online on the forms section of the Financial Aid page. More information about this loan can be found on the Direct PLUS Loans for Graduate Students website (<https://www.studentaid.gov>).

## Alternative Loans

For students who do not qualify for financial aid or who need additional help financing their education, there are alternative bank loan options. An alternative loan is a private loan in the student's name, which, depending on the applicant's credit worthiness, may require a co-signer. Students may borrow up to their Cost of Attendance (COA) minus any other accepted aid. We strongly advise students to apply for these loans at least 30 days prior to the billing due date. For additional information on Alternative loans you may utilize Pace University's ELM Select page (<https://www.elmselect.com/v4/school/853/program-select/>) to review a historical list of lender options available at <http://elmselect.com> (<http://elmselect.com/>)

**Pace University does not endorse any particular lender. Be sure to read all financial terms before signing for a private loan.**

## Student Solutions Center

The Solution Centers, located on the New York City, Pleasantville, and White Plains (Law) campuses at the locations below, provide students with a single, centralized place to go for all questions about Financial Aid, and Student Billing. Appointments are required and can be scheduled using our QLess (<https://www.pace.edu/qless/#queues>) system.

### Financial Aid Solution Center Hours of Operation

Monday-Friday: 9:00 AM - 5:00 PM

### Pace University Financial Aid Office

#### New York City Campus

161 William Street - 8th Floor  
New York, NY 10038  
Phone: (877) 672-1830  
Fax: (212) 346-1750

#### Westchester Campus

861 Bedford Road  
Administration Building  
Pleasantville, NY 10560  
Phone: (877) 672-1830  
Fax: (914) 989-8471

#### White Plains (Law) Campus

78 North Broadway  
Aloysia Hall, First Floor  
White Plains, NY 10603  
(877) 672-1830  
(914) 989-8776

*Pace University is committed to achieving full equal opportunity in all aspects of University life. Pursuant to this commitment, the University does not discriminate on the basis of sex, race, age, ethnicity, marital status, national origin, sexual orientation, religion, disability, or veteran status.*

## Scholarships

### President's and Dean's Scholarship Awards

Available to: Full- and part-time, matriculated students demonstrating exceptional scholastic ability. Full-time students awarded the scholarship must be enrolled in a minimum of 9 credits each fall and spring semester. Part-time students must be enrolled in a minimum of 6 credits each fall and spring semester to be considered eligible. International students must be enrolled in a minimum of 9 credits each fall and spring semester for eligibility.

Award amount: Awards range from \$3,200 - \$7,380 per academic year depending on college, program, and academic standing.

Application Process: An application for the President's and Dean's scholarship is not required. Your application for admission serves as your application for the scholarship. Applicants are notified of their award in their acceptance packet.

## Division of Diversity Equity and Inclusion

### Office of Multicultural Affairs

New York City Campus

The Office of Multicultural Affairs (ōMA) views multiculturalism in the broadest sense. Our lens goes beyond race/ethnicity/nationality, to include the cultures of gender, gender identity, poverty, violence, differing abilities and aging.

At the core of the Office of Multicultural Affairs (ōMA) mission is the commitment to provide opportunities and venues for Pace University and external communities to examine, discuss, debate, collaborate and develop partnerships around themes that perpetuate (un)checked power, privilege, marginalization and social injustices.

To that end, ōMA sponsors programs and initiatives that include, but are not limited to:

- Anti-Racism Education & Workshops
- Social Justice Themed Panel Discussions and Symposia
- Civic Engagement / Volunteerism
- Mentoring [Shades Women of Color Collective—and—ALMA: A Community of Black & Latino/x Men]
- Scholarly Endeavors
- Domestic Travel for Diversity, Social Justice & Equity

ōMA is additionally committed towards cultivating artistic expressions and creative interactions by sponsoring workshops and programs in the arts. Pleasantville Campus

The Pleasantville Office of Multicultural Affairs (ōMA) aims to promote a productive and educational work environment that fosters and values equality, respect, education and fairness. To this end, ōMA seeks to provide services and programs that will instill university-wide appreciation for diverse perspectives and backgrounds regardless of race, gender, class, culture, sexual orientation, religion, age, or ability.

The Office of Multicultural Affairs supports various university diversity initiatives on diversity and provides training and educational opportunities for students, faculty, and staff.

LGBTQA Centers (<https://www.pace.edu/lgbtqa-center/>)

Offices of Sexual and Interpersonal Wellness (<https://www.pace.edu/sexual-wellness/office-sexual-and-interpersonal-wellness/>)

## Information Technology Services (ITS)

Information Technology Services (ITS) supports Pace University's core academic mission through the effective use of information technology for Teaching & Learning, Research, and to enhance the student experience. ITS provides students, faculty, and staff with resources and access to University-wide computing, mobility, data, video, and voice network services; wired and wireless access (residence halls, classrooms, and common spaces); as well as access to a suite of online services. Students can find current information on the ITS website (<https://www.pace.edu/its/>) and on the Student IT Resources (<https://www.pace.edu/its/it-services-and-support/students-resources/>) page.

IT services such as the Pace University Pace Mobile App (<https://www.pace.edu/its/its-service-areas/mobile-services/mypace-mobile-app/>), Pace Portal (<https://portal.pace.edu/>) (the self-service portal for students), Learning Management System (<https://www.pace.edu/its/teaching-and-learning/classes/>), web conferencing (Zoom) (<https://pace.zoom.us>), ePortfolios (<https://eportfolio.pace.edu/>), and student email (<https://email.pace.edu/>) are available. Each residence hall room is equipped with wired and wireless connections to allow students high-speed access to the Internet.

To fully participate in any course, Pace University students must be familiar with and use information technology resources, including but not limited to the Learning Management System, online web conferencing (Zoom), and Pace University email. While Pace does not currently require students to own personal computers, tablet devices, or smartphones, it is strongly encouraged that students have sufficient access to a web-enabled device that allows for the viewing, creation, and editing of course content for the duration of the course semester. Students who take classes offered entirely in an online format or a hybrid format will be required to have access to an appropriate device to participate in class sessions. In addition, many programs/courses require additional peripherals such as a webcam/microphone. Information about purchasing recommendations (<https://www.pace.edu/its/it-services-and-support/computing-software-and-hardware/supported-hardware/>) and discounts (<https://www.pace.edu/its/its-service-areas/computing-software-and-hardware/discounts/>) are available on the ITS website. ITS provides limited support of student-owned computers for supported hardware and software on both the Westchester and New York City campuses. Access to some Pace University online systems utilize MultiFactor authentication, which requires use of a smartphone application.

Computer Resource Centers/ Tech Zones, located on the New York City and Pleasantville campuses, are general-use computing facilities equipped with PCs, Macs, self-service printing, and peripherals such as scanners. Common software applications that students need to succeed at Pace are provided for use in these facilities.

All users of university technology resources are expected to abide by the Appropriate Use Policy for Information Technology (<https://www.pace.edu/its/about-its/policies/it-appropriate-use-policy/>) and other key university technology policies (<https://www.pace.edu/its/about-its/it-policies/>).

### HELP & SUPPORT

Log on to the ITS Help Desk webpage (<https://www.pace.edu/its/account-access-and-help/its-help-desk/>) for details and hours of operation.

### ITS HELP DESK CONTACT INFORMATION

**Phone:** 914-773-3333

**Email:** [pacehelpdesk@pace.edu](mailto:pacehelpdesk@pace.edu)

**Web:** <http://help.pace.edu> (<http://help.pace.edu/>)

## Library

The Pace University Library is an exciting place for scholarship, community, collaboration, service, and research. The library is an information hub and a campus crossroads for the academic and social activities that take place on our campuses. Our Library is a multi-campus system comprised of the new Beekman Library on the NYC campus, the Mortola Library in Pleasantville and the Law Library, which operates under the Law School Administration in White Plains.

The Library offers users a wide array of resources and services including access to over 120 research databases (from on or off-campus,) print and e-books, resource sharing partnerships with local area libraries and consortia, and comprehensive interlibrary loan services for materials not owned by the Pace Library. The Library supports students, faculty, and staff in their research needs through in-person and remote research support, as well as in-person and online (synchronous and asynchronous) Information Literacy and research skills instruction.

For a complete description of library resources and services, please explore the Pace University Library website and we welcome you to contact staff members and librarians at the Pace Library locations directly with any questions that you might have.

Please visit our webpage <http://library.pace.edu> ([https://libguides.pace.edu/?group\\_id=6678](https://libguides.pace.edu/?group_id=6678)).

## Office of Development and Alumni Relations

The Office of Development and Alumni Relations provides information, volunteer opportunities, programs, and support for more than 161,000 alumni worldwide through the Pace University Alumni Association (<https://www.alumni.pace.edu/alumni-association/>). Upon completion of the degree, all Pace graduates are automatic members of the Alumni Association. The Association provides a space to continue to build community and give back to the University as an alumnus. The Office of Development and Alumni Relations also oversees fundraising efforts to support key initiatives, like scholarships and capital improvements, at the University, as well as developing events and programs that help our alumni reconnect with each other and their alma mater. Many alumni participate in student programs as guest speakers or mentors and are actively involved in career networking. Alumni can join committees and create programming for fellow alumni. Our graduates often assist Pace students in obtaining internships at their companies and help recruit the next generation of students by acting as key ambassadors for the University within their network.

Supporting Pace is a time-honored tradition, and every year the Pace Community—including alumni, parents, friends, faculty/staff, and students—contributes gifts of all sizes. The Pace Annual Fund enhances the student experience, providing valuable opportunities for students and financial assistance to ensure that a Pace education is available to all qualified students. For more information, visit [www.pace.edu/givetopace](http://www.pace.edu/givetopace) (<http://www.pace.edu/givetopace/>).

Our office begins this engagement by encouraging current students to volunteer as ambassadors and make their Class Gift to leave their class legacy upon graduation. Current students who are interested in joining the Student Alumni Association program or assisting with the Class Gift campaign, donor thank-a-thons, or bringing alumni to campus should contact our office at [pacealum@pace.edu](mailto:pacealum@pace.edu).

The Pace Network, a free, secure alumni service available via the alumni home page, helps keep these connections strong after graduation and enables alumni to share information with each other. It offers a searchable online alumni directory, alumni events calendar, online Class Notes, and more. For more information about our programs and services, please email [pacealum@pace.edu](mailto:pacealum@pace.edu) or call 1-877-825-8664

## Veterans Information

The Veteran Services team remains committed to providing Veterans, Service Members, and their eligible dependents, a seamless transition in all facets of their assimilation to Pace University, specifically in ensuring their GI Bill®/VA educational benefits are processed, through the U.S. Department of Veteran Affairs, in a prompt and proper manner.

Veteran Services processes multiple GI Bill® educational benefits including but not limited to CH 33 Post 9/11, CH 31 Vocational Rehabilitation, CH 35 Dependents, CH 30 Montgomery, and CH's 1606 and 1607 Selected Reserves. In addition Pace accepts and processes Tuition Assistance Vouchers for Active/Reserve Duty Servicemembers. For those individuals who have CH 33 benefits at their disposal it is strongly advised that one applies 4-6- weeks in advance of the start of their first semester by visiting the GI BILL's® (<http://www.benefits.va.gov/gibill/>) website and accessing the AVA (Ask VA). Please record the "confirmation number" that will be issued at the conclusion of the application for future reference. Student Veteran beneficiaries interested in applying to Pace University, who would like to know how their specific benefit will be utilized beforehand, are encouraged to email [veteranaffairs@pace.edu](mailto:veteranaffairs@pace.edu).

Pace is a proud participating institution of the Yellow Ribbon Program. Under this program's agreement CH 33 Post 9/11 recipients who meet the 100% level of coverage as determined by the Department of Veteran Affairs, having aggregated at least thirty-six months of active duty service post-the-year 2001 and veterans who are not on active duty/title 10 status, will automatically qualify and receive funds that may cover one's tuition/fees charges in full. For those student veterans who are not 100% covered or no longer have the GI BILL® at their disposal, should they qualify, Pace offers a Veterans 50% Tuition Scholarship. Please visit our website for information on Pace's 50% Veterans Tuition Scholarship and Yellow Ribbon Program (<https://www.pace.edu/veterans/current-students/understanding-awards-and-benefits/>).

It is the sole responsibility of the student veteran GI BILL® / VA educational benefit recipient to notify Veteran Services EACH semester they wish to utilize their GI BILL / VA educational benefits. As soon as the Student Veteran beneficiary is officially registered for courses and has finalized their upcoming semester's course schedule, they must submit their request using the online form (<https://appsrv.pace.edu/osa/>) to use their benefits by logging in and completing the electronic "Veterans Request for Enrollment Certification" form. First term students must also upload and submit a copy of the first page of their designated GI BILL® Certificate of Eligibility and when applicable a copy of their member-4 DD-214 in the form's designated section. All students regardless of veteran benefit status are encouraged to complete a FASFA (<https://fafsa.ed.gov/>) (<https://studentaid.gov/h/apply-for-aid/fafsa/>)).

Please Note: making any change(s) to one's enrollment status in the form of adding/dropping course(s) after the start of a term/semester, especially after each term's add/drop deadline may result in the student veteran GI BILL® / VA educational benefit recipient incurring financial liability. Should a student make a change after they have already requested the use of their benefits, they must re-complete the paperless "Veterans Request for Enrollment Certification" form (<https://appsrv.pace.edu/osa/>) as a "Re-cert/Amended Certification" request type.

Pace gladly accepts military Joint Service Transcripts (JST). Students are encouraged to have their JST sent electronically delivered (<https://jst.doded.mil/jst/>) to Pace for a transfer credit evaluation.

## Career Services

Career Services' mission is to help every student find a great job and build the foundation of a successful career - no matter who they are, who they know, or what their major is. Visit the Career Services webpage for more detailed information.

### OVERVIEW

**Career Counseling** - Our professional counselors are available to meet with you to define your career goals and create a plan of action to get you there. We'll help you identify career paths related to your major, create/update your resume, develop your job search strategy and everything in between!

**Career Assessment** - Online career assessment tools and inventories are available to help students make informed career decisions.

**Career Panels/Seminars** - Successful alumni and industry professionals come to campus and connect with us virtually to discuss career paths in a wide variety of fields. Panelists describe their careers, current trends, and offer suggestions in preparation for the competitive job market.

**Counselor Facilitated Workshops** - In just a few sessions, you can learn how to ace your interview, write a resume that stands out, job search and branding strategies and more.

**Technology to help you get ahead** - *Resume Worded* is a 24x7 online career platform that gives you instant tailored feedback on your resume and LinkedIn profile. Powered by AI, the platform gives you actionable steps to optimize your resume & LinkedIn so you get more opportunities and interviews. *Big Interview* our innovative interview prep tool that takes you step-by-step through the formula for building job-winning answers to the most common and challenging interview questions.

**Job & Internship Fairs** - - Don't miss our amazing Job & Internship Fairs! Held throughout the year, they are specialized to meet your needs.

**Recruiting Events** - Take advantage of the many opportunities to network with employers looking to hire Pace students for internships and full-time jobs. Connect with employers at career fairs, employer spotlights, industry panels, experiential learning labs, and employer site road trips.

**Practice Interviews** - Need help interviewing? We'll practice with you! Make an appointment with a Career Counselor. It's a great way to practice before the real thing. Also check with the Career Services Office for more information about our workshops and virtual practice platform Big Interview.

**Job and Internship Postings** - Handshake is your destination for jobs, internships, career fair information, and much more! To get started, log into Handshake (<https://pace.joinhandshake.com/login/>) with your Pace credentials and set up a profile.

**Virtual Career Center** - - We recommend starting your career exploration, planning, and preparation early - the sooner you begin, the more opportunity you will have to explore and test-drive career options, build skills, and gain relevant experience for your career goals. Visit [careerservices.pace.edu](http://careerservices.pace.edu) (<http://careerservices.pace.edu/>) to access our resources 24/7. To make it easier for you, we have created a 3-step process:

Step 1. Find your Community

Step 2. Plan and Prepare

Step 3. Connect and Apply

**Student On-Campus Employment** - Need to apply for an on-campus job? Visit Pace's Human Resources career's website at: <https://careers.pace.edu> (<https://careers.pace.edu/>).

### INTERNSHIP PROGRAM

The Internship Program enables students to combine academic study with paid and unpaid internships that directly relate to career interests while they pursue their degrees. Students in all majors can explore careers through hands-on experience in a variety of settings from government and

nonprofit organizations to Fortune 500 companies. Positions are available part-time during the school year and full-time or part-time during the summer.

Benefits of an Internship Experience:

- Integrate classroom learning with on-the-job experience
- Potentially earn a salary to help defray education expenses
- Acquire pre-professional work experience and skills
- Develop confidence and professionalism
- Test interests and goals
- Improve opportunities for post-graduate employment
- Build a competitive resume

## College of Health Professions

Established in 2010, the College of Health Professions (CHP) at Pace University offers a broad range of programs at the bachelor, master's, and doctoral levels. It is the College's goal to create innovative and complex programs that reflect the changing landscape of the health care system. These programs are designed to prepare graduates for impactful careers in health care practice, health-related research, or as educators, and equip graduates to work in health policy and global health fields. Students in clinical programs receive hands-on training in the College's interprofessional Center of Excellence in Healthcare Simulation and have the opportunity to apply their developing skills in real-world settings at many of the regions' leading clinical facilities.

The College is currently comprised of several growing and important areas of study, which include Nursing, Physician Assistant, Communication Sciences and Disorders, Health Science, Occupational Therapy, Health Informatics, Public Health, and Nutrition and Dietetics.

## Accreditation

### ACCREDITED PROGRAM INFORMATION

#### Communication Sciences and Disorders, MS

The Masters of Science in Speech-Language Pathology program (residential) at Pace University is accredited by the Council on Academic Accreditation in Audiology and Speech-Language Pathology of the American Speech-Language-Hearing Association, 2200 Research Boulevard, #310, Rockville, MD 20850, (800) 498-2071 or (301) 296-5700. Visit the CAA website for more information (<https://caa.asha.org/>).

#### NURSING

The baccalaureate degree in Nursing, master's degree in Nursing, Certificate of Advanced Graduate Studies, and Doctor of Nursing Practice at Pace University are accredited by:

The Commission on Collegiate Nursing Education

665 K Street, NW, Suite 750

Washington, DC 20001

202-887-6791

[aacnursing.org/CCNE \(https://www.aacnursing.org/ccne-accreditation/\)](https://www.aacnursing.org/ccne-accreditation/)

All Lienhard School of Nursing programs: Bachelor of Science, Nursing; Accelerated Bachelor of Science in Nursing; Adult-Gerontology Acute Care Nurse Practitioner; Family Nurse Practitioner; Psychiatric Mental Health Nurse Practitioner; Doctor of Nursing Practice; and PhD in Nursing are recognized by the New York State Education Department Office of the Professions (<https://www.op.nysed.gov>).

#### Nutrition and Dietetics, MS

This two year, full-time coordinated Masters of Science in Nutrition and Dietetics program has been registered by the New York State Education Department (NYSED) and has been granted full accreditation by the Accreditation Council for Education in Nutrition and Dietetics (ACEND®) (<https://www.eatrightpro.org/acend/>). The program received 7-year initial accreditation in January 2022. The next onsite visit from ACEND® will be scheduled within academic year 2027-2028.

Graduates of the program will receive the verification statement required to sit for the Registered Dietician Nutritionist (RDN) credentialing exam.

ACEND® is the accrediting agency for education programs preparing students for careers as registered dietitian nutritionists or nutrition and dietetics technicians, registered. ACEND® can be contacted at:

120 South Riverside Plaza

Suite 2190

Chicago, IL 60606-6995

Phone: (800) 877-1600 ext. 5400

## Occupational Therapy, MS

The MSOT Program has been registered by the New York State Education Department (NYSED) and has been granted **full accreditation** by the **Accreditation Council for Occupational Therapy Education (ACOTE)**. The MSOT program received 7-year initial accreditation in August 2021. The next onsite visit from ACOTE will be scheduled within academic year 2027-2028.

The entry-level occupational therapy master's degree program is accredited by:

The Accreditation Council for Occupational Therapy Education (ACOTE) of the American Occupational Therapy Association (AOTA)  
7501 Wisconsin Avenue, Suite 510E  
Bethesda, MD 20814  
Phone number: (301) 652-AOTA  
Accreditation Council for Occupational Therapy Education (ACOTE) website

Graduates of the program will be eligible to sit for the national certification examination for the occupational therapist administered by the National Board for Certification in Occupational Therapy (NBCOT). After successful completion of this exam, the individual will be an Occupational Therapist, Registered (OTR). In addition, all states require licensure in order to practice; however, state licenses are usually based on the results of the NBCOT Certification Examination. Note that a felony conviction may affect a graduate's ability to sit for the NBCOT certification examination or attain state licensure.

## PACE UNIVERSITY-LENOX HILL HOSPITAL PHYSICIAN ASSISTANT NYC

At its September 2023 meeting, the Accreditation Review Commission on Education for the Physician Assistant, Inc. (ARC-PA) placed the Pace University–Lenox Hill Hospital Physician Assistant Program-NYC sponsored by Pace University on Accreditation Probation status until its next review in September 2025.

Probation accreditation is a temporary accreditation status initially of not less than two years. However, that period may be extended by the ARC-PA for up to an additional two years if the ARC-PA finds that the program is making substantial progress toward meeting all applicable standards but requires additional time to come into full compliance. Probation accreditation status is granted, at the sole discretion of the ARC-PA, when a program holding an accreditation status of Accreditation - Provisional or Accreditation - Continued does not, in the judgment of the ARC-PA, meet the Standards or when the capability of the program to provide an acceptable educational experience for its students is threatened.

Once placed on probation, a program that fails to comply with accreditation requirements in a timely manner, as specified by the ARC-PA, may be scheduled for a focused site visit and is subject to having its accreditation withdrawn.

Specific questions regarding the Program and its plans should be directed to the Program Director and/or the appropriate institutional official(s). The program's accreditation history can be viewed on the ARC-PA website (<https://www.arc-pa.org/wp-content/uploads/2023/12/Accreditation-History-Pace-U.-Lenox-Hill-108.pdf>).

## PHYSICIAN ASSISTANT PLEASANTVILLE

The Accreditation Review Commission on Education for the Physician Assistant, Inc. (ARC-PA) has granted **Accreditation-Continued** status to the **Pace University Physician Assistant Program-Pleasantville** sponsored by Pace University. Accreditation-Continued is an accreditation status granted when a currently accredited program is in compliance with the ARC-PA Standards.

Accreditation remains in effect until the program closes or withdraws from the accreditation process or until accreditation is withdrawn for failure to comply with the Standards. The approximate date for the next validation review of the program by the ARC-PA will be **March 2032**. The review date is contingent upon continued compliance with the Accreditation Standards and ARC-PA policy.

The program's accreditation history can be viewed on the ARC-PA website (<http://www.arc-pa.org/accreditation-history-pace-university-pleasantville/>).

## Brief History

### College of Health Professions

Established in 2010, the College of Health Professions (CHP) at Pace University offers programs at the bachelor's, master's, and doctoral level that are designed to prepare students for impactful careers in health care practice and health-related research. It is the college's goal to create innovative and complex programs that reflect the changing landscape of the health care system.

At CHP, students receive hands-on clinical training and have the opportunity to gain experience by applying their developing skills in real world settings at many of the regions' clinical facilities.

The college is currently made up of several growing and important areas of study, which include nursing, physician assistant, communication sciences and disorders, health informatics, occupational therapy, public health, and nutrition and dietetics.

### Communication Sciences and Disorders, MS

Enter the dynamic field of communication sciences and disorders in one the world's greatest multi-cultural hubs. Our graduate-level, professional degree will offer you an exciting host of opportunities to further your knowledge and enable you to emerge fully prepared to truly make a difference as a speech-language pathologist.

The master of science program in Speech-Language Pathology (residential) at Pace University is accredited by the Council on Academic Accreditation in Audiology and Speech-Language Pathology of the American Speech-Language-Hearing Association, 2200 Research Boulevard, #310, Rockville, MD 20850, (800) 498-2071 or (301) 296-5700.

Facilities include an on-site Speech and Hearing Center, audiology test suite, and technology-rich speech lab with state-of-the-art equipment. Graduates from the master's program will be eligible for American Speech-Language-Hearing Association (ASHA) certification. Graduates of the program are prepared to sit for the PRAXIS examination in speech-language pathology.

### Lienhard School of Nursing

The Lienhard School of Nursing is named for the late Gustav O. Lienhard, Pace alumnus and honorary trustee of the University. Nursing was first established at Pace in 1966 with the introduction of a pre-professional program at the Pleasantville campus. By 1971, nursing was offered at the New York City campus and the Undergraduate School of Nursing was founded. Responding to community needs, the first professional bachelor of science nursing program was established in 1973. At the same time, the Graduate School of Nursing, formerly associated with the New York Medical College, became an official school of the University. In keeping with the current organizational structure of the various schools within the University, the Graduate and Undergraduate Schools of Nursing were unified in 1979 into the Lienhard School of Nursing.

### Nutrition and Dietetics, MS

The Nutrition and Dietetics program is designed to prepare students for a career in nutrition and dietetics as registered dietitians (RD). Our program blends didactic learning with supervised practice to help students meet the knowledge and skill requirements of RDs as defined by the Accreditation Council for Education in Nutrition and Dietetics (ACEND). The program was built with major nutritional challenges of today's world in mind—rising rates of overweight and obesity and their related comorbidities, a growing focus on sustainability and local food, an environment replete with unhealthful foods, a culture of convenience that has dented the family meal tradition, and socio-economic inequality that has left many Americans hungry.

## Occupational Therapy, MS

The hybrid MSOT program at Pace University College of Health Professions, Pleasantville Campus was established in 2019. It is a weekday graduate program designed to be delivered in a blended format combining online and face-to-face classroom instruction. The program is accredited by the Accreditation Council for Occupational Therapy Education (ACOTE) of the American Occupational Therapy Association (AOTA), located at 6116 Executive Boulevard, Suite 200, North Bethesda, MD 20852-4929. Phone number: (301) 652-AOTA. ACOTE Website . The MSOT program accepted the first cohort of students in September 2019.

## Pace University-Lenox Hill Hospital Physician Assistant Program NYC

The PA program's inception in 1995 was a unique arrangement between Lenox Hill Hospital, an employer of 70 PAs, and Pace University's Department of Biological Sciences, which had a strong allied health component. Lenox Hill Hospital now employs approximately 165 PAs – more than double the number from 1995. In 2010, the PA Program relocated from Pace University's Department of Biological Sciences into the College of Health Professions. Learn more about the history of the PA program (<http://www.pace.edu/college-health-professions/history-pa-program/>), including key dates in the program's history.

## Physician Assistant Program - Pleasantville

The Pace University Physician Assistant Program - Pleasantville is a rigorous course of study leading to a Master of Science. Students integrate courses in basic science, pharmacology, clinical medicine, and behavioral health, as well as unique courses providing a comprehensive approach to patient care and practice in underserved settings. The program welcomed its inaugural class in Fall 2017.

# College of Health Professions Centers

The College of Health Professions has many centers that support the academic mission of the College.

- Center of Excellence in Healthcare Simulation (<https://catalog.pace.edu/graduate/schools/college-health-professions/center-excellence-healthcare-simulation/>)

- Physician Assistant Programs (p. 92)
- Certificate of Graduate Studies Programs (p. 96)

## Doctoral Degree Programs

- Doctor of Nursing Practice Program, DNP (p. 83)
- Doctor of Philosophy in Nursing Program, PhD (p. 84)

## Doctor of Nursing Practice Program, DNP

Campus: Online

### Program Information (online\*)

It's a fact: a Doctor of Nursing Practice (DNP) from Pace University's College of Health Professions provides the innovative learning opportunities you need to become a clinical leader in advanced nursing and primary health care. Our post-master's program has been specially designed to allow you to accelerate your career trajectory while evolving your current practice. As you advance, you will forge lasting relationships with fellow students – all while building new knowledge under the supportive guidance of mentors and faculty alike.

The accelerated, online program is designed for masters prepared AGACNP, FNP, or PMHNP providers looking to advance their knowledge and skills to the highest level of clinical nursing practice. The program's flexibility ensures you will be able to earn your degree around your current professional and personal commitments.

**Additional opportunities for students in the program include:**

- Completing an evidence-based clinical practice improvement DNP project under the mentorship of a DNP program faculty member
- Attending the AANP Health Policy Conference
- Lobbying on Capitol Hill

### DNP Bridge Program

Pace's DNP program has an option for **adult-primary care, pediatric, geriatric, and women's health master's prepared nurse practitioners**, who wish to obtain FNP, AGACNP, or PMHNP certification along with the DNP degree. If you are interested in this option, you will need to meet with the program director who will conduct a gap analysis to determine what additional clinical courses will be required.

### Clinical Partnerships

Our graduate programs partner with New York's premier hospitals and healthcare organizations to share their expertise while creating unparalleled clinical experiences for our students. Students are immersed in evidence-based practice throughout their program. As a result, our graduates are prepared to be leaders in both academic and healthcare settings.

\*Asynchronous and synchronous didactic content. Students are required to come to campus once per semester. Date to be determined.

## Doctor of Philosophy in Nursing Program, PhD

**Campus:** Westchester

The PhD in Nursing program is designed to be a research-intensive experience. Program graduates develop new nursing science, serve as leaders of the profession, and educate the next generation of nurses.

Pace's innovative PhD in Nursing program is the only one in the mid-Hudson region.

## Adult-Gerontology Acute Care Nurse Practitioner Program, AGACNP

Campus: NYC

### Graduate Program Information

Pace's **Adult-Gerontology Acute Care Nurse Practitioner** (AGACNP) program is a 49-credit master of science program for registered nurses with a bachelor of science degree in Nursing and one year of acute care/inpatient nursing experience.

This program will prepare you to move into a well-paid career delivering health care in the context of adults/older adults in an acute care setting within a primary health care framework.

- **Flexible programming to meet your needs** — A unique blend of online and on-campus classes, and individually precepted clinical practicum hours.
- Our AGACNP program will prepare you to deliver **evidence-based, equitable person-centered, primary health care** to individuals within the context of the acute care setting.
- The program meets the American Nurses Credentialing Center (ANCC) and the American Association of Critical-Care Nurses (AACN) requirements for **Adult Gerontology Acute Care Nurse Practitioner Certification**
- Pace offers a certificate of advanced graduate study (<https://catalog.pace.edu/graduate/schools/college-health-professions/curriculum-information/certificate-graduate-studies-programs/adult-acute-care-nurse-practitioner-aacnp/>) for master's prepared nurses who wish to pursue adult gerontology acute care nurse practitioner studies, as well as nurse practitioners who wish to expand their practice through adult gerontology acute care nurse practitioner education and certification (credits determined by a gap analysis).

## Communication Sciences and Disorders, MS

Campus: NYC

The Pace University Master of Science in Communication Sciences and Disorders (CSD) is a full-time, 5-semester program (2 years plus one summer). Sixty-credits of academic and clinical coursework and 400 hours of clinical practicum are required to graduate from the program. Twenty-five of these clinical practicum hours are observational and 50 hours can be obtained at the undergraduate level. Students have access to Pace and CSD facilities, which include an on-site Speech, Language, and Hearing Center (<https://www.pace.edu/college-health-professions/departments/communication-sciences-and-disorders/speech-language-hearing-center/>) with an, audiology test suite and speech lab with state-of-the-art equipment. The clinical practicum experience includes three semesters in-house and two semesters at an external placement.

The Communication Sciences and Disorders, MS program at Pace will prepare graduates to sit for the Speech-Language Pathology PRAXIS examination.

Graduates will be eligible for American Speech-Language-Hearing Association (ASHA) (<https://www.asha.org/>) certification as well as other relevant local and state credentials upon graduation. Passing the Praxis examination is a required component for obtaining certification to practice speech-language pathology by ASHA and most states.

The typical program of study is delineated in the table below:

Course	Title	Credits
<b>First Year</b>		
<b>Fall</b>		
CSD 601	Writing and Critical Thinking in Communication Sciences and Disorders	1
CSD 642	Advanced Phonologic/Articulation Disorders	3
CSD 658	Advanced Diagnostics in Speech-Language Pathology	3
CSD 659	Advanced Child Language Disorders	3
CSD 661	Clinical Practicum I: Diagnostic In-House	3
CSD 670	Neuroscience for Communication Sciences and Disorders	3
<b>Credits</b>		<b>16</b>
<b>Spring</b>		
CSD 602	Cultural Humility in Clinical Practice	1
CSD 652	Communication Disorders: Autism	3
CSD 655	Adult Language Disorders	3
CSD 661A	Clinical Practicum I: Pediatric In-House	3
CSD 665	Advanced Diagnostic in Speech Language Pathology II	3
CSD 680	Applied Research for Communication Science and Disorders	3
<b>Credits</b>		<b>16</b>
<b>Summer</b>		
CSD 653	Fluency Disorders	3
CSD 661B	Clinical Practicum I: Clinic Placement	3
CSD 663	Introduction to Augmentative Alternative Communication	3
<b>Credits</b>		<b>9</b>
<b>Second Year</b>		
<b>Fall</b>		
CSD 654	Disorders of Voice and Resonance	3
CSD 656	Motor Speech Disorders	3
CSD 660	Dysphagia	3
CSD 662	Clinical Practicum II (External Placement)	2
<b>Credits</b>		<b>11</b>
<b>Spring</b>		
CSD 674	Professional Issues and Counseling in Speech-Language Pathology	3
CSD 671	Audiologic Rehabilitation	3
CSD 662A	Clinical Practicum II (External Placement)	2
<b>Credits</b>		<b>8</b>
<b>Total Credits</b>		<b>60</b>

**Note:** Upon successful completion of the courses outlined and passing of the comprehensive exam, students will have completed the requirements for their degree.

# Family Nurse Practitioner Program, FNP

Campus: NYC, Westchester

## Advance your practice with our renowned MS-FNP program

Pace's Family Nurse Practitioner program offers a 49-credit master of science degree. Make a positive impact on families and communities as an advanced practice nurse. Go beyond the traditional nurses' role, and graduate as a highly-skilled practitioner able to treat patients in hospitals, clinical settings, and private practices.

This allows you to complete the MS-FNP and begin practice as a Family Nurse Practitioner.

- A unique blend of online and on-campus classes, and individually precepted clinical practicum hours in diverse healthcare settings.
- A leader in the field - Pace's FNP was one of the first programs of its kind to focus on family and primary healthcare and prepare you for the FNP role.
- Our FNP program will prepare you to deliver evidence-based, equitable person-centered, primary healthcare to individuals within the context of family and community.
- This program meets requirements for the Family Nurse Practitioner Certification for both the American Nurses Credentialing Center (ANCC) and the American Association of Nurse Practitioners (AANP) certifying organizations.
- Pace offers a certificate of advanced graduate study (

The MS-FNP is offered on both the New York City and Pleasantville campuses.

Code	Title	Credits
<b>Nursing Common Core</b>		
NURS 811	Foundations for Advanced Practice Nursing	3
NURS 812	Systems-Based Practice for Advanced Nursing	3
NURS 813	Advanced Nursing in Primary Health Care	3
NURS 814	Scholarly Inquiry in Evidence-Based Advanced Nursing Practice	3
NURS 640	Advanced Physical Assessment Across the Lifespan	3
NURS 681	Pathophysiology For Advanced Practice Nursing	3
NURS 682	Clinical Pharmacology for Prescribing Advanced Practice Nursing	3
<b>Family Nurse Practitioner Specialization</b>		
NURS 642	Diagnostic Reasoning for Family Nurse Practitioners	3
NURS 721	Advanced Theory and Practice I for Family Nurse Practitioners	7
NURS 722	Advanced Theory and Practice II for Family Nurse Practitioners	6
NURS 723	Advanced Theory and Practice III for Family Nurse Practitioners	6
NURS 724	Advanced Theory and Practice IV for Family Nurse Practitioners	6
<b>Total Credits</b>		<b>49</b>

Conferral of master's degree after 49 Credits and a minimum of 760 supervised clinical practicum hours across the family population foci.

## Health Informatics, MS

Campus: Online

### Be a part of the future of health care

The master's degree in Health Informatics (MSHI) is an exceptional interdisciplinary program situated at the intersection of healthcare, data, and technology designed for those currently working in healthcare, who have analytical roles outside of healthcare, and who may be looking to change careers.

The fully online program is asynchronous and is ideal for those working full time, having many responsibilities, or who have non-traditional schedules. The 30-credit program (10 three-credit courses) is aligned with the seven foundational domains of applied health informatics and can be completed in as little as five semesters. Each semester, students take one analytics class, taught through the Seidenberg School of Computer

Science and Information Systems, and one course on health informatics administration, taught through the College of Health Professions. In their 5th semester, students are enrolled in a capstone course and will complete 120 hours of practical experience at a site of their choosing.

You'll be prepared to work at top institutions in the field, including Memorial Sloan Kettering, NewYork-Presbyterian, Columbia Medical Center, and New York University, as well as major pharmaceutical companies, including Pfizer, Regeneron, and Bayer, or health technology companies such as Twill, Quartet Health, and Noom.

Code	Title	Credits
<b>Required Courses</b>		<b>30</b>
HINF 610	Healthcare Environments and Delivery Systems	3

IS 678	Location Analytics and Web GIS	3
IS 680	Data Science I: Introduction to Data Science and Visualization	3
<b>Program Credit Total</b>		<b>30</b>

## Master of Public Health, MPH

The Master of Public Health (MPH) at Pace University develops the next generation of innovative global public health leaders who are committed to the pursuit of health equity. MPH students complete a unique and specialized concentration, Global Health Equity, providing them with the skills they will need to partner effectively with communities in the design, implementation, and assessment of evidence-based interventions that aim to improve population health.

The MPH is 42-credit program that may be completed on a full or part-time basis. The program is delivered in a hybrid format, blending online and in-person instruction. The multidisciplinary and interprofessional competency-based curriculum draws on faculty expertise from across the College of Health Professions and the Dyson College of Arts and Sciences. The curriculum includes the foundational public health disciplines, concentration courses focused on global health equity, an applied practice experience, and a culminating capstone course that will integrate learning across the curriculum.

Graduates are prepared to enter fulfilling careers in state and county health departments, federal health agencies, institutions of higher education, community-based organizations, charitable foundations, and the private sector as health equity advisors, program managers, health policy analysts, health educators, research coordinators, academic or foundation researchers, and health agency staff members.

Code	Title	Credits

## Occupational Therapy, MSOT

**Campus:** Westchester, Online

The Master of Science in Occupational Therapy (MSOT) at Pace University College of Health Professions is a hybrid, weekday program designed to prepare competent and ethical occupational therapy practitioners who maximize clients' quality of life and occupation engagement through technology, evidence-based, client-centered, and inter-professional practice.

The curriculum is delivered using a blended method combining both online and face-to-face instructions. Students can complete the program within 28 months with a total of 70 credits of didactic coursework and fieldwork components. Students are engaged in two levels of clinical fieldwork, Level I and Level II. There are three Level I Fieldworks that are associated with three practice courses in pediatrics, mental health, and physical dysfunction. Level II fieldwork consists of 24 weeks of full-time experiences in two different practice settings.

Code	Title	Credits
<b>Required Courses</b>		
OTH 500	Occupational Therapy Theory and Occupation Analysis	5
OTH 505	Occupation Engagement Across the Life Span	3
OTH 510	Applied Neuroscience for Occupational Therapy	3

## Psychiatric Mental Health Nurse Practitioner Program, PMHNP

**Campus:** Online

The **Psychiatric Mental Health Nurse Practitioner (PMHNP)**, is a 49-credit master of science program for registered nurses with a bachelor of science degree in Nursing and one year of psychiatric mental health nursing experience.

The Lienhard School of Nursing uses a primary health care and lifespan focus to prepare students for advanced practice in psychiatric mental health nursing. Students are prepared to practice in various settings including communities, private practice, institutional settings, substance abuse settings, and shelters. The program provides health promotion, disease prevention, assessment, and treatment of psychiatric diseases and disorders across the lifespan, with particular attention to health disparities and the care of vulnerable populations. Strategies used will include, but are not limited to, treatment, medication management, case management, individual, family, and group therapy.

- A unique blend of online synchronous classes and asynchronous coursework, and individually precepted clinical practicum hours in diverse psychiatric mental health care settings\*.
- Our PMHNP program will prepare you to deliver evidence-based, equitable person-centered, primary healthcare to individuals within the context of family and community.
- This program meets requirements for the Psychiatric Mental Health Nurse Practitioner Certification for both the American Nurses Credentialing Center (ANCC) and the American Association of Nurse Practitioners (AANP) certifying organizations.
- Pace offers a certificate of advanced graduate study for master's-prepared nurses who wish to pursue psychiatric mental health nurse practitioner studies, as well as nurse practitioners who wish to expand their practice through psychiatric mental health nurse practitioner education and certification (credits determined by a gap analysis).

\*Asynchronous and synchronous didactic content. Students are required to come to campus up to two times per semester. Dates to be determined.

## Physician Assistant Programs

Pace University is a private university in the New York Metropolitan area. Pace has a growing national reputation for offering students opportunity, teaching, and learning based on research, civic involvement, an international perspective, and measurable outcomes. Pace University offers a wide range of academic and professional programs at the graduate and undergraduate levels.

**The Pace University Physician Assistant Program- Pleasantville** offers students from diverse backgrounds a rigorous course of study designed to prepare them for future roles as compassionate, ethical primary care providers in a wide variety of clinical settings. Building upon the core competencies of the physician assistant profession, this curriculum exposes students to an interdisciplinary didactic and clinical curriculum.

Students learn the process of critical thinking, a skill fundamental to the assessment, diagnosis, and treatment of illnesses.

This primary care program spans 27 months and includes 66 credits of didactic education and 36 credits of clinical education. The total program includes eight required clinical clerkships plus one elective. The program is 102 credits leading to a degree in Masters of Science in Physician Assistant Studies. The average cohort size is 40 students.

**The Pace University-Lenox Hill Hospital Physician Assistant (PA) Program** is an intensive 26-month program that prepares you to become a practicing physician assistant - examining patients, ordering diagnostic tests, prescribing medications, and developing treatment strategies.

- Excel in a highly competitive and rapidly growing field. Graduates of our program have a 5-year aggregate pass rate on the National Certification Exam (PANACE) for first-time takers that is consistently higher than the national average.
- Integrated curriculum and innovative advanced degrees. The PA program offers an integrated curriculum that takes a holistic approach to healthcare. Preclinical training exposes students to multiple disciplines simultaneously, so the learning experience is analogous to the manner in which they will practice.

**The Master's in Physician Assistant Completion Program** consists of 30 credits including four courses (12 credits) of study in a distance-learning format. These courses will cover content areas not previously covered in bachelor degree programs which may now be incorporated in current MSPAS curriculum.

## Certificate of Graduate Studies Programs

- Adult-Gerontology Acute Care Nurse Practitioner, AGACNP Certificate (p. 96)
- Family Nurse Practitioner, FNP Certificate (p. 96)
- Nursing Education Certificate Of Advanced Graduate Studies (CAGS) (p. 97)
- Psychiatric Mental Health Nurse Practitioner, PMHNP Certificate (p. 97)

## Adult-Gerontology Acute Care Nurse Practitioner, AGACNP Certificate

Campus: NYC

The Adult-Gerontology Acute Care Nurse Practitioner (AGACNP) Certificate of Advanced Graduate Studies program is for the master's-prepared nurse practitioner with certification in another specialty, or a master's-prepared nurse who wishes to become an adult-gerontology acute care nurse practitioner. One year of acute care/inpatient experience is required. Credits are determined by gap analysis.

New York City Campus Only

### Certificate Requirements

Credits determined by gap analysis.

Applicants with pre-licensure master of nursing degrees may be required to take additional courses from the graduate nursing common core curriculum to meet all program requirements, if equivalent coursework was not completed in their prior masters program.

Code	Title	Credits
NURS 640	Advanced Physical Assessment Across the Lifespan <sup>1</sup>	3
NURS 644	Diagnostic Reasoning for Adult-Gerontology Acute Care Nurse Practitioners	3
NURS 681	Pathophysiology For Advanced Practice Nursing <sup>1</sup>	3
NURS 682	Clinical Pharmacology for Prescribing Advanced Practice Nursing <sup>1</sup>	3
NURS 741	Advanced Theory and Practice I for Adult-Gerontology Acute Care Nurse Practitioner	7
NURS 742	Advanced Theory and Practice II for Adult-Gerontology Acute Care Nurse Practitioner	6
NURS 743	Advanced Theory and Practice III for Adult-Gerontology Acute Care Nurse Practitioner	6
NURS 744	Advanced Theory and Practice IV for Adult-Gerontology Acute Care Nurse Practitioner	6
<b>Total Credits</b>		<b>37</b>

\* Total clinical hours: 760

<sup>1</sup> Required for all non-nurse practitioners enrolled in CAGS. Credit for NURS 682 and NURS 640 will only be accepted if the courses were finished within two years of starting clinical practice. If a student's original Advanced Pharmacology and/or Advanced Physical Assessment courses were completed more than two years before clinical placements, they must exhibit clinical proficiency through a test-out option.

## Family Nurse Practitioner, FNP Certificate

The Family Nurse Practitioner (FNP) Certificate of Advanced Graduate Studies program is for the master's-prepared nurse practitioner with certification in another specialty, or a master's-prepared nurse who wishes to become a family nurse practitioner. Credits are determined by a gap analysis.

### Certificate Requirements

Credits determined by gap analysis.

Applicants with pre-licensure master of nursing degrees may be required to take additional courses from the graduate nursing common core curriculum to meet all program requirements, if equivalent coursework was not completed in their prior masters program.

NURS 721	Advanced Theory and Practice I for Family Nurse Practitioners	7

NURS 722	Advanced Theory and Practice II for Family Nurse Practitioners	6
NURS 723	Advanced Theory and Practice III for Family Nurse Practitioners	6
NURS 724	Advanced Theory and Practice IV for Family Nurse Practitioners	6
<b>Total Credits</b>		<b>37</b>

**Total clinical hours:** 760

<sup>1</sup> Required for all non-nurse practitioners enrolled in CAGS. Credit for NURS 682 and NURS 640 will only be accepted if the courses were finished within two years of starting clinical practice. If a student's original Advanced Pharmacology and/or Advanced Physical Assessment courses were completed more than two years before clinical placements, they must exhibit clinical proficiency through a test-out option.

## Nursing Education Certificate Of Advanced Graduate Studies (CAGS)

**Campus:** Online

The online Nursing Education Certificate is for masters-prepared nurses seeking to work in educational roles in colleges and universities and is designed to develop nurses as teachers, leaders, and role models. The certificate requires the completion of nine credits of online coursework, including 110 practicum hours specific to the nurse educator role.

These courses align with the NLN Core Competencies for Academic Nurse Educators, providing foundational knowledge needed for those pursuing faculty positions.

### Nursing Education Courses

Code	Title	Credits
NURS 754	Teaching and Learning in Academic Settings <sup>1</sup>	3
NURS 755	Curriculum Theory, Design, and Evaluation	3
NURS 756	Academic Nursing Education Practicum	3
<b>Total Credits</b>		<b>9</b>

<sup>1</sup> Graduates of Pace University's Doctor of Nursing Practice program may substitute NURS 840 Teaching and Learning for Advanced Practice Nursing for NURS 754.

## Psychiatric Mental Health Nurse Practitioner, PMHNP Certificate

The Psychiatric Mental Health Nurse Practitioner (PMHNP) Certificate of Advanced Graduate Studies program is for the master's-prepared nurse practitioner with certification in another specialty, or a master's-prepared nurse who wishes to become a psychiatric mental health nurse practitioner.

One year of psychiatric mental health nursing is required.

Credits are determined by gap analysis.

### Certificate requirements

Courses determined by gap-analysis.

Applicants with pre-licensure master of nursing degrees may be required to take additional courses from the graduate nursing common core curriculum to meet all program requirements, if equivalent coursework was not completed in their prior masters program.

Code	Title	Credits
NURS 629	Psychopharmacology in Advanced Practice Psychiatric Nursing	3
NURS 640	Advanced Physical Assessment Across the Lifespan <sup>1</sup>	3
NURS 681	Pathophysiology For Advanced Practice Nursing <sup>1</sup>	3
NURS 682	Clinical Pharmacology for Prescribing Advanced Practice Nursing <sup>1</sup>	3
NURS 648	Diagnostic Reasoning for Psychiatric-Mental Health Nurse Practitioners	3
NURS 781	Advanced Theory and Practice I for Psychiatric-Mental Health Nurse Practitioners	4
NURS 782	Advanced Theory and Practice II for Psychiatric-Mental Health Nurse Practitioners	6
NURS 783	Advanced Theory and Practice III for Psychiatric-Mental Health Nurse Practitioners	6
NURS 784	Advanced Theory and Practice IV for Psychiatric-Mental Health Nurse Practitioners	6
<b>Total Credits</b>		<b>37</b>

**Total Clinical Hours: 760**

<sup>1</sup> Required for all non-nurse practitioners enrolled in CAGS. Credit for NURS 682 and NURS 640 will only be accepted if the courses were finished within two years of starting clinical practice. If a student's original Advanced Pharmacology and/or Advanced Physical Assessment courses were completed more than two years before clinical placements, they must exhibit clinical proficiency through a test-out option.

## Expected Learning Outcomes

- Expected Student Learning Outcomes of the Nursing Master's Program and the DNP Program (<https://catalog.pace.edu/graduate/schools/college-health-professions/expected-student-learning-outcomes-nursing-masters-program-dnp-program/>)
- Expected Learning Outcomes of the Occupational Therapy Program (<https://catalog.pace.edu/graduate/schools/college-health-professions/expected-learning-outcomes-occupational-therapy-program/>)
- Expected Student Learning Outcome of the Pace University Lenox Hill Hospital Physician Assistant Program (<https://catalog.pace.edu/graduate/schools/college-health-professions/expected-student-learning-pace-university-lenox-hill-hospital-physician-assistant-program/>)
- Expected Student Learning Outcomes of the PhD in Nursing Program (<https://catalog.pace.edu/graduate/schools/college-health-professions/expected-student-learning-outcomes-phd-nursing-program/>)
- Expected Learning Outcomes of the Physician Assistant Program-Pleasantville (<https://catalog.pace.edu/graduate/schools/college-health-professions/expected-learning-outcomes-physician-assistant-program-pleasantville/>)
- Criteria for Program Progression for Communication, Sciences, and Disorders (<https://catalog.pace.edu/graduate/schools/college-health-professions/expected-student-learning-outcomes-criteria-for-program-progression-for-communication-sciences-and-disorders/>)

## Goals

- Goals of the Lenox Hill Hospital Physician Assistant Program (<https://catalog.pace.edu/graduate/schools/college-health-professions/goals-lenox-hill-hospital-physician-assistant-program/>)

- Goals of the Physician Assistant Program Pleasantville (<https://catalog.pace.edu/graduate/schools/college-health-professions/goals-of-the-physician-assistant-program-pleasantville/>)

## Health Requirements Nursing

### Clinical Courses: Clinical Placement Clearance Requirements

Prior to the commencement of a clinical placement, students must complete the health clearance process. In order to ensure that all health standards have been met prior to the commencement of a clinical placement, the health clearance process begins as early as six months prior to the commencement of the placement.

Only if the completed health clearance process demonstrates to the satisfaction of the Lienhard School of Nursing and any applicable clinical agency that all requisite health standards have been met, will the student be permitted to commence the clinical placement.

**Clearance requirements for clinical courses include, but are not limited to, the following:**

- Health clearance
- Proof of a current registered professional nurse license issued by the New York State Education Department and a current unrestricted registration. The registration must remain current and unrestricted until the student's degree is conferred.
- Cardiopulmonary resuscitation certification (CPR), including use of the automated external defibrillator (AED).
- Mandatory training.
- Clinical agency requirements may include such things as drug screening, criminal background check, respirator mask fit test, student interview, and facility orientation. Failure to satisfy the clinical agency's requirements may result in removal of the student from the clinical agency, reassignment to another clinical agency, and subsequent delay in program progression and completion.

## Health Clearance

Prior to the commencement of a clinical placement, students must complete the health clearance process. In order to ensure that all health standards have been met prior to the commencement of a clinical placement, the health clearance process begins as early as six months prior to the commencement of the placement. Only if the completed health clearance process demonstrates to the satisfaction of the Lienhard School of Nursing and any applicable clinical agency that all requisite health standards have been met, will the student be permitted to commence the clinical placement.

**The health clearance process consists of completing**

1. the Annual Health Assessment Form (to be completed annually);
2. the forms pertaining to titer tests and immunizations (required only once);
3. any supplemental forms required by the agency(s) at which the clinical component of a course will be conducted; and
4. provide evidence of an annual influenza immunization.

For the fall semester, the health clearance process must be completed by May 1; and by August 1 for the spring semester, unless otherwise instructed.

The required health forms are posted in the LSN Classes Community, and it is the student's responsibility to obtain these forms, complete them, and submit them as directed. Students are required to upload and manage the required documents to an account they will subscribe to with American Databank. Separate instructions on how to open and upload the documents are posted in the LSN Classes Community. The registration of students who do not complete the health clearance process as required will be voided, and tuition cancellations, if any, will be made in accordance with the University's *Tuition Cancellation Policy*.

Health clearance must be maintained throughout the semester in which the student is enrolled in a clinical course. Students must notify the clinical faculty member and the course coordinator of any health condition that occurs during the semester that, if it had been detected during the health clearance process, would have resulted in the student being denied health clearance. In such cases, the student will not be permitted to commence a clinical placement until he or she has been cleared to do so.

In addition to the health clearance required to commence a clinical placement, all students must, as required by New York State law, be immunized against measles, mumps, and rubella. The registration of students who do not provide proof of the required immunization to the University will be voided. Clinical agencies may require additional immunizations before students are cleared to commence a clinical placement. Students are urged to keep copies of all health forms for their personal records.

## Criminal Background Check and Drug Screenings

There are various laws, standards, and employer policies that require all employees, volunteers, and students working in or assigned to a clinical site to undergo a criminal background check and/or drug screening. Therefore, in order to comply with these requirements, clinical agencies may require students, at their own cost, to complete a criminal background check and/or drug screen prior to commencing a clinical placement. Based on the clinical agency requirement, the student either will be directed to the agency to complete the agency's required background check and/or drug screening, or the student will complete the background check and/or drug screening through EXXAT.

For further details about criminal background checks and drug screenings requirements, students should contact the program director.

Soon after admission but before the start of the first semester, master's and Doctor of Nursing Practice (DNP) students in the Lienhard School of Nursing must provide evidence they are currently licensed by the New York State Education Department as a registered professional nurse and have a current unrestricted registration. Doctor of Philosophy (PhD) in Nursing students must provide evidence that they are licensed by the New York State Education Department as a registered professional nurse by the completion of their first year of study. Every student's registration must remain current and unrestricted until the student's degree is conferred. Information about New York State licensing requirements for a registered professional nurse (<http://www.op.nysed.gov/prof/nurse/nursing.htm>) may be found on the NYSED Office of the Professions website.

In addition, prior to attending a clinical course, graduate students must provide evidence they are currently licensed as a registered professional nurse and have a current unrestricted registration from any state in which a clinical site at which they have been placed is located.

Doctor of Nursing Practice students (DNP) must provide evidence they certified as a nurse practitioner by the New York State Education Department and have a current unrestricted registration by the completion of their first year of study. Every DNP student's nurse practitioner certification must remain current and unrestricted until the student's degree is conferred. Information about New York State certification for nurse practitioners (<http://www.op.nysed.gov/prof/nurse/nursing.htm>) may be found on the NYSED Office of the Professions website.

## Mandatory Training

In order to participate in clinical placements Lienhard School of Nursing graduate students must have completed the following training.

- Occupational safety and health measures to reduce the transmission of bloodborne pathogens.
- The protection and disclosure of protected health information as defined by the federal Health Insurance Portability and Accountability Act (HIPAA).
- Practices and controls to prevent the transmission of the human immunodeficiency virus (HIV) and the Hepatitis B virus.
- Identification and reporting of child abuse and maltreatment.

Further, a clinical agency may require students to participate in additional training before permitting them to commence a clinical placement. Questions about mandatory training should be addressed to the Lienhard School of Nursing Office of Academic Affairs.

**Please refer to the Lienhard School of Nursing Department of Graduate Studies Student Handbook for additional information including liability insurance, dress code, required equipment, attendance at clinical sessions, etc.**

## Nursing Honor Society

Omega Delta is Pace University's chapter of Sigma Theta Tau International Honor Society of Nursing. The purposes of Sigma Theta Tau are to recognize the development of leadership qualities; foster high professional standards; encourage creative work, and strengthen commitment on the part of individuals to the ideas and purposes of the profession of nursing.

Candidates for membership are selected on the basis of superior scholastic achievement. Undergraduates halfway through the program, in the upper 35% of their class, or graduate students a quarter of the way through the Master's program, with a 3.5 GPA or higher are eligible. Outstanding community leaders in nursing are also eligible. Student standing is reviewed by the individual school's chapter Faculty Counselor and eligible students are invited in writing to consider membership.

For further information on Sigma Theta Tau International, please visit [www.nursingsociety.org](http://www.nursingsociety.org) (<http://www.nursingsociety.org>).

For additional information, email Dr. Stephanie Allen ( [sallen@pace.edu](mailto:sallen@pace.edu)), chapter president.

## Overview of Program Offerings

Designed to prepare students for careers in the health care system, CHP programs combine academic education with supervised clinical experience in hospitals and community agencies. Students are encouraged to take full advantage of the educational opportunities available to them as members of the University community.

### College of Health Professions Graduate Nursing Programs

#### Master of Science degree, Specialization

- Adult-Gerontology Acute Care Nurse Practitioner, MS (AGACNP)
- Family Nurse Practitioner, MS (FNP)
- Psychiatric Mental Health Nurse Practitioner, MS (PMHNP)

#### Certificate of Advanced Graduate Studies

- Adult-Gerontology Acute Care Nurse Practitioner Program, (AGACNP)
- Family Nurse Practitioner Program (FNP)
- Nurse Education (NE)
- Psychiatric Mental Health Nurse Practitioner Program (PMHNP)

#### Doctoral (post-master's)

- DNP Bridge Program
- Doctor of Nursing Practice Program (DNP)
- Doctor of Philosophy in Nursing Program (PhD)

The programs are described in greater detail in this catalog.

## MASTER OF SCIENCE IN COMMUNICATION SCIENCES AND DISORDERS

The Pace University Master of Science in Communication Sciences and Disorders (CSD) program is full-time and 5-semester (2-years plus one summer). Sixty credits of academic and clinical coursework and 400 hours of clinical practicum are required to graduate from the program. Students have access to Pace and CSD facilities, which include an on-site Speech, Language, and Hearing Center, audiology test suite, and speech lab with state-of-the-art equipment. The clinical practicum experience includes three semesters in-house and two semesters at an external placement.

The mission of the CSD program is to prepare highly competent speech-language pathologists who support mastery of necessary skills for students to lead rewarding, intellectually, and civically engaged lives. Graduates from this program will be eligible for American Speech-Language-Hearing Association (ASHA) certification as well as other relevant local and state credentials upon graduation.

## Master of Science in Nutrition and Dietetics

This is a two-year, full-time coordinated Master of Science in Nutrition and Dietetics program, located on the Pleasantville campus, that offers students the unique opportunity to simultaneously complete both a master's degree and the 1200 hours of didactic and supervised practice (internship) requirements needed to sit for the Registered Dietitian-Nutritionist (RDN) exam.

The RD (also known as RDN) is the most widely recognized national and international credential for practice in the field of nutrition and dietetics. The RD qualifies students for employment in a variety of food and nutrition-related positions. Beginning in 2024, the Commission on Dietetic Registration (CDR), the credentialing organization for RDs, will require a master's degree for entry-level practice in dietetics, also known as Registered Dietitian-Nutritionist (RDN). Graduates of Pace's Nutrition and Dietetics, MS program may immediately sit for the CDR examination.

## Master of Science in Occupational Therapy

The Master of Science in Occupational Therapy (MSOT) is a graduate degree program designed to prepare competent and ethical occupational therapy practitioners who maximize clients' quality of life and occupation engagement through technology, evidence-based, client-centered, and interprofessional practice.

The MSOT program is a hybrid weekday program. Its curriculum is delivered using a blended method combining both online and face-to-face instructions. Students can complete the program within 28 months with a total of 70 credits of didactic coursework and fieldwork components. Students are engaged in two levels of clinical fieldwork, Level I and Level II. There are three Level I Fieldworks that are associated with three practice courses: Pediatrics, Mental Health, and Physical Dysfunction. Level II fieldwork consists of 24 weeks of full-time experience in two different practice settings.

### **Pace University-Lenox Hill Hospital Physician Assistant - New York**

The **Pace University - Lenox Hill Hospital Physician Assistant Program** is a rigorous master of science program that fully integrates the educational components of the two institutions. Prior to admission you must have completed a bachelor's degree and meet admission criteria. Upon successful completion of the program, students are awarded a Master of Science in Physician Assistant Studies (MSPAS) degree from Pace University and a certificate of completion from Lenox Hill Hospital. Graduates are eligible to sit for the Physician Assistant National Certifying Examination (PANCE).

### **Physician Assistant Master's Degree Completion (Online)**

Pace also offers an online master's completion program open to PA graduates with a bachelor's degree and current PA certification. This completion program provides the additional coursework needed to obtain a master's degree.

### **Physician Assistant Program - Pleasantville**

This program offers students from diverse backgrounds a rigorous course of study designed to prepare them for future roles as compassionate, ethical, primary care providers in a wide variety of clinical settings. Building upon the core competencies of the physician assistant profession, this curriculum exposes students to an interdisciplinary didactic and clinical curriculum. Students learn the process of critical thinking, a skill fundamental to the assessment, diagnosis, and treatment of illnesses. This primary care program spans 27 months and includes 66 credits of didactic education and 36 credits of clinical education. The total program includes eight required clinical clerkships plus one elective. The program is 102 credits leading to a degree in Master of Science in Physician Assistant Studies.

## **Student Handbooks**

Information concerning academic standards and the probation and dismissal policies (including the procedure for appealing a dismissal) may be found in the individual handbooks for each CHP program. To ensure that you have the most up-to-date information, please contact your academic advisor, the chair of the department, or program director/specialty track coordinator.

## **Clinical Laboratory and practicum**

College of Health Professions students must adhere to the attendance policy for clinical laboratory and practicum. It is the student's responsibility to notify the clinical faculty member if they are absent. Absences are subject to the program's Clinical Attendance Policy (see program handbooks). Transportation to all off-campus learning experiences is the responsibility of the student.

## **University Health Care**

University Health Care (UHC) offers a full range of primary health care services to Pace University students, faculty, and staff. UHC is staffed by certified nurse practitioners, also known as advance practice registered nurses (APRN), who provide evidence-based, patient centered health care to our campus community in a professional and compassionate manner. UHC provides a needed service to the Pace community while also providing nursing students excellent, real-world experiences.

The University Health Service Fee, in conjunction with your health insurance, will cover UHC office visits. UHC is able to bill your insurance directly. Diagnostic tests and procedures may incur additional charges.

Services available for students, faculty, and staff include:

- Diagnosis and treatment of common illnesses such as sore throat, cough, or other infections and more
- Skin rashes
- COVID-19 PCR testing
- Immunizations (MMR, HepB, HPV, etc.)
- Flu vaccines (during Flu season only)
- Health assessment with complete physical examinations
- Nursing and PA students clinical clearance and annual physical examination
- Women's health care
- Prescribing/refilling medication, except for controlled substances
- Ordering labs and radiology tests
- Management of chronic health problems such as high blood pressure

- Follow-up visits
- Referral to specialty care

## **LOCATIONS**

### **Pleasantville Campus**

Paton House – Ground Floor  
861 Bedford Road  
Pleasantville, NY 10570  
Phone: (914) 773-3760

#### **HOURS OF OPERATION**

Monday - Friday, 8:15 a.m. – 5:00 p.m.

Closed Weekends

Hours can be subject to change.

In the event of an emergency please contact security: (914) 773-3400

### **New York Campus**

161 William Street  
2nd Floor, Room 212  
New York, NY 10038  
Phone: (212) 346-1600

#### **HOURS OF OPERATION**

In-person Services

\*By appointment only. No walk-in services.

Monday - Friday, 8:15 a.m. – 5:00 p.m.

Closed Weekends

To schedule an appointment with a UHC provider, please call (212) 346-1600.

Hours can be subject to change.

In the event of an emergency please contact security: (212) 346-1800.

Students may schedule appointments by calling the office or schedule online via the secure patient portal that can be accessed from the University Health Care (<https://www.pace.edu/college-health-professions/life-chp/university-health-care/>) webpage.

# **Vision, Mission, and Philosophies**

## **College of Health Professions**

### **Vision**

The College is recognized for its innovative leadership in education, practice, scholarship, and service to improve health and the health professions.

### **Mission**

The College's mission is to educate and challenge diverse students for the health professions to be leaders, innovators and lifelong learners who will positively impact local, national, and global health.

### **Core Values**

The core values of the College of Health Professions are:

- Commitment to quality care
- Cultural competence
- Innovation
- Integrity
- Interprofessional Collaboration
- Scholarship

## Communication Sciences and Disorders, MS

### Mission

The mission of the graduate program in Communication Sciences and Disorders (CSD) is to prepare highly competent speech-language pathologists that support mastery of necessary skills for students to lead rewarding, intellectually, and civically engaged lives. This mission requires that students develop abilities in written and oral communication, critical and analytic thinking, synthesize information from various sources, evidence-based decision making, leadership, and the importance of context for understanding issues, essential in an increasingly diverse and global world. By nature, the CSD profession requires the student to embody these skills as well as perspective taking, the ability to collaborate with health professionals in various disciplines, and the ability to connect theory to practical experience. Graduates from this program will be eligible for American Speech-Language-Hearing Association (ASHA) certification as well as other relevant local and state credentials upon graduation.

## Lienhard School of Nursing

### Vision

The Lienhard School of Nursing will lead nursing education through the advancement of evidence-based practice and scholarship in primary health care.

### Mission

The Lienhard School of Nursing is an inclusive learning environment that prepares diverse nurse leaders in evidence-based, equitable, person-centered, primary health care by integrating an innovative pedagogy with interprofessional partnerships, scholarship, and practice to improve health and wellness for all persons and populations.

### Core Values

- Equitable, person-centered care
- Evidence-based practice
- Primary health care

### Philosophy

Informed by our rich legacy, the Lienhard School of Nursing ensures health equity by preparing diverse nurses to provide safe, high-quality, person-centered nursing care that is grounded in an evidence-based framework of primary health care.

## Nutrition and Dietetics, MS

### Mission

The mission of the coordinated Master of Science in Nutrition and Dietetics is to educate and challenge diverse students to become entry-level dietitian-nutritionists to serve as responsible practitioners, leaders, innovator and lifelong learners and to make positive impacts on the nutrition outcomes of the public.

## Occupational Therapy, MS

### Mission

To prepare competent and ethical occupational therapy practitioners who maximize clients' quality of life and occupation engagement through technology, evidence-based, client-centered, and interprofessional practice.

### Vision

To empower its graduates to become lifelong learners and influential leaders in the profession locally, nationally, and globally.

## Pace University-Lenox Hill Hospital Department of Physician Assistant Studies

### Vision

The Pace University-Lenox Hill Hospital Physician Assistant program will prepare lifelong learners to succeed within the rapidly changing health care landscape who are committed to becoming leaders in the PA profession and community.

### Mission

The mission of the Pace University-Lenox Hill Hospital Physician Assistant program is to graduate physician assistants with the requisite knowledge and skills necessary to function in diverse settings. The program develops leaders committed to professionalism and community engagement.

# Physician Assistant-Pleasantville

## Philosophy

To educate a diverse student body, including veterans, in an academically rigorous program, with an emphasis on cultural sensitivity and special populations.

## Mission

The mission of the Pace University, College of Health Professions, and Physician Assistant Studies Program - Pleasantville is to educate a diverse graduate student body providing an academically rigorous learning environment that promotes the intellectual, personal, and professional growth of our students. The faculty and staff will imbue these qualities and facilitate the development of a learning community that supports the training of quality physician assistants with attributes including lifelong learning, service orientation, and an emphasis on primary care. The faculty, staff and students will demonstrate the knowledge, attitudes, and understanding to function in diverse communities, populations and settings, and to treat all patients with dignity, respect, and compassion.

## Vision

To foster a quality academic environment where students and faculty are stimulated to excel by an educational process that provides our post-graduate learners with the necessary academic, clinical, professional, interpersonal, and technical skills to function competently, confidently, compassionately, and efficiently as culturally sensitive primary care medical providers.

## Message from the Dean

If you are considering a graduate degree program, you have already made the most important decision – to invest in yourself. A graduate degree from Pace University's Dyson College of Arts and Sciences will give you the competitive advantage you need to advance your career.

Our professors are widely known in their fields as scholars and practitioners and take an active role in keeping our curriculum current with the needs of today's industry. They bring direct experience into the classroom and use innovation in teaching. You will join a community of scholars and a vast network of contacts in your chosen field including our alumni, who stay well connected.

Our facilities are top-notch, from the state-of-the-art Communications Center, where we have produced award-winning documentaries, and the newly renovated science laboratories where students conduct environmental and biological research, to the Thomas J. McShane Center for Psychological Services, where our PsyD students observe patient care.

Always responsive to the needs of the marketplace, we are proud to have just launched the new Master of Science in Applied Quantitative Economic Analysis and Policy, and our newest doctoral program, the PhD in School Psychology, will launch in fall 2021.

At Dyson, you will find a dynamic graduate school experience that is personally enriching and scholarly as well as grounded in practice. We want to help you achieve your success as defined by you.

**Tresmaine R. Grimes, PhD**

Dean, Dyson College of Arts and Sciences and School of Education

## Administration: Dyson College of Arts and Sciences

**Tresmaine R. Grimes, PhD**, Dean, Dyson College of Arts and Sciences and School of Education

**Richard B. Schlesinger, BA, MS, PhD**, Senior Associate Dean for Academic Affairs and Research

**Bette Kirschstein, PhD**, Senior Associate Dean for Academic Affairs

**Charlotte Becket, MFA**, Associate Dean for Academic Affairs

**Stanley Brian Jones, MA**, Assistant Dean for Diversity

## Graduate Faculty: Dyson College of Arts and Sciences

Visit Dyson's webpage to view a list of faculty (<https://www.pace.edu/dyson/sections/meet-faculty/>).

## Academic Centers and Institutes: Dyson Graduate Programs

**Center for Applied Ethics:** A forum where advances in professional work and science confront the values mirrored in the humanities and described in social science.

**The Center for Community Action & Research (CCAR):** A program of the Dyson College of Arts and Sciences that supports the development of community-based learning courses for the Core Curriculum and research on the pedagogy of community-based learning. The Center also sponsors educational forums and civic engagement opportunities on issues of social responsibility, democracy, and global citizenship.

**Center for East Asian Studies:** Sponsors curricula and faculty development in Far Eastern and other cross-cultural studies.

**Center for Religious Studies:** Offers scholarly lectures and discussions on world religious thought and practice.

**Center for Undergraduate Research Experiences (CURES):** Provides leadership, coordination and support to student-faculty research collaborations, grant-funded research projects and programs, and opportunities for service-based internships.

**The Confucius Institute:** This institute at Pace University (Pace CI) functions as a center for language instruction, cultural immersion, teacher training, scholarship, and testing. It works closely with Dyson College's Graduate Publishing program as well as undergraduate programs in English, Modern Languages and Cultures, and East Asia Studies.

**The Dyson Children's Institute:** Sponsors projects that focus on improving the lives of children, particularly in Westchester County.

**The Dyson College Institute for Sustainability and the Environment (DCISE):** Established to address major issues in sustainability, resilience, the growing urbanization of the 21st century and the impact of these changes on the global environment, through multidisciplinary programs encompassing research, policy-making, education and building greater community awareness and consensus on how to manage these issues. This institute serves as a home to the Academy for Applied Environmental Studies, the Environmental Consortium of Colleges & Universities, and the Nature Center (formerly known as the Environmental Center).

- **Academy for Applied Environmental Studies:** Its mission of this Academy is to advance the understanding of the mutually enhancing relationship between nature and society through interdisciplinary pedagogy, scholarship, policy development, and service
- **Environmental Consortium of Colleges & Universities:** Pace University is the founding and host institution for the Consortium, a model for ecosystem-based collaboration. The mission of the Consortium is to harness higher education's intellectual and physical resources to advance regional, ecosystem-based environmental research, teaching, and learning with a special emphasis on the greater Hudson-Mohawk River Watershed.
- **Nature Center:** An educational center dedicated to guiding people of all ages to a lifestyle which is in close harmony with our natural environment and serves as a resource to Pace and the outside community. This center emphasizes Pace's commitment to a philosophy of environmental education and provides students with opportunities for hands-on field studies.
- **The Pace Institute for Environmental and Regional Studies (PIERS):** Provides leadership in the study of the complex interrelationships between human culture and nature, with special emphasis on the Hudson River bioregion and its diverse ecological, social, and cultural values.

**The Haskins Laboratories:** A scientific research center dedicated to exchanging ideas, fostering collaborations and forging partnerships across the sciences. It produces ground-breaking research that enhances our understanding of parasitic disease and reveals new ways to improve human health across the world.

**Institute of Latin American Service and Studies:** Develops innovative Latin American curricula and organizes service learning trips.

**Michaelian Institute for Public Policy and Management:** Provides research and training in the public and nonprofit sectors.

**The Straus Thinking and Learning Center:** Serves as an integral component of the Dyson College of Arts and Sciences' mission to provide all Pace students with a general education that fosters a community of learners among faculty and students. The Center assists faculty in developing innovative educational experiences that incorporate interactive learning methodologies; focus on student learning outcomes; foster critical thinking skills; and link content, pedagogy, competencies, collaborative learning, and reflection.

**The Thomas J. McShane Center for Psychological Services:** Offers a broad range of psychological services to community residents and referred Pace students.

**Web 2.0 Interdisciplinary Informatics Institute (WEB III):** A virtual research institute to examine evolving rules and norms guiding Web 2.0 technologies in professional and civic contexts.

## Mission Statement: Dyson College of Arts and Sciences

Through innovative teaching, a collaborative student-faculty learning environment, and an inclusive community of student and faculty scholars, Dyson College of Arts and Sciences fully engages students in learning in the liberal arts. Dyson College provides students majoring in the arts and sciences the depth and breadth they need to continue their studies at the graduate and professional levels or find employment in their field. Dyson offers all students a supportive environment in which to develop the liberal arts skills needed to succeed professionally and lead rewarding, intellectually and civically engaged lives.

These vital skills needed for success include written and oral communications; critical thinking; leadership; creative analytic thinking that perceives connections among broadly based ideas; and a deeper understanding of global issues and diverse national and international cultures.

Dyson College's learning philosophy results in graduates who can think analytically and creatively, understand ideas and issues contextually, communicate effectively, act responsibly in their community, and lead confidently in today's global workplace.

## Degree Objectives: Dyson College of Arts and Sciences

### Objectives of Graduate Degree Programs of Dyson College of Arts and Sciences

The graduate degree programs at Pace University's Dyson College of Arts and Sciences are focused on developing professionals who have the knowledge, competence, and flexibility to succeed in today's demanding work environment.

To prepare for the challenging task of pursuing and advancing in careers in an evolving society, graduate students in master and doctoral level programs are offered a blend of disciplined course work, hands-on experience, and exposure to the latest developments in their field. To ensure that career goals are achieved, students are offered a wide array of career development and placement services.

Moreover, to accommodate students who are employed full time, graduate classes usually are scheduled in the evening and meet once weekly during the fall and spring semesters and twice weekly in the summer.

## Academic Standards and Policies: Dyson Graduate Programs

In accordance with the guidelines established by the Dyson Graduate Council's Academic Standards Committee, all Dyson graduate students are required to maintain a QPA of 3.0 or higher (cumulative and depending on department and degree requirements in specific required courses) in order to be considered in good academic standing. Students whose QPA (as cited above) falls below 3.0 will be placed on Academic Probation.

A student on Academic Probation will receive a letter from the department chair or program director; however, probation is not contingent upon this letter. It is the student's responsibility if in academic jeopardy to reach out to the department chair or program director for guidance and additional details. Any student whose QPA falls below 3.0 (cumulative and depending on department and degree requirements) is not fulfilling program requirements.

Students with a QPA below 3.0 who have a timely "hold" placed on their registration must make an appointment with their department chair or will be unable to register.

### Academic Probation Policy

Once placed on Academic Probation, students are required to meet specific conditions in order to continue their enrollment and raise their QPA to meet department standards and requirements. These conditions will be outlined in a letter from the department chair or program director. A student on Academic Probation who does not meet these conditions is subject to immediate dismissal from the program.

### Dismissal Policy

Dismissal notifications are sent directly to students.

### Appeals Policy

If a student appeals his or her dismissal, the student's academic history will be reviewed by the appropriate Dyson Graduate Appeals Committee. This committee either will allow the student to be re-instated to the program with conditions or may uphold the dismissal as final.

Note that these academic policies and procedures are subject to change. A student in academic jeopardy should immediately contact his/her department chair or program director for guidance.

## Dyson Graduate Programs

- Masters of Arts (p. 110)
- Master of Public Administration Program (p. 114)
- Masters of Science (p. 118)
- Doctoral Programs (p. 126)
- Graduate Certificate Programs (p. 134)

## Masters of Arts

- Communications and Digital Media, MA (p. 110)
- Online MA in Homeland Security (p. 111)
- Psychology, MA (p. 112)

## Communications and Digital Media, MA

**Campus:** Online

The Dyson College of Arts and Sciences Media, Communications and Visual Arts department offers a 36-credit hour online Master of Arts (M.A.) in Communications and Digital Media. (<https://online.pace.edu/graduate-programs/ma-communications-digital-media/>) The program includes 16 hours of required courses and 20 hours of elective courses.

Students in the MA in CDM program are required to complete either a [thesis](#) or [internship](#). Students must complete at least 20 hours of coursework and receive approval from the Program Director before beginning the thesis or internship.

## Prerequisites

Admission requirements include Bachelor's degree; strong writing, verbal, and interpersonal skills; articulation of reasons supporting the decision to attend a graduate media communication arts program; academic/professional references, and knowledge of basic computer skills.

\* This program was originally titled Media and Communication Arts. It was updated to Communications and Digital Media in the 2020-2021 academic catalog on January 6, 2021.

Requirements include an approved thesis or internship (MCA 693).

## Online MA in Homeland Security

**Campus:** Online

With the unfortunate rise of terrorist attacks around the globe coupled with unforeseen natural and manmade disasters, skilled homeland security professionals are in high demand (<https://online.pace.edu/articles/homeland-security/what-can-you-do-masters-in-homeland-security/>). Offered by the Pace University Dyson College of Arts and Sciences, the online MA in Homeland Security prepares students to effectively respond to and recover from natural and man-made disasters and mitigate the impact of terrorist attacks. By combining essential leadership and management skills with in-depth knowledge of homeland security strategies, the program equips students with the tools required to help keep the nation safe.

Ideally located just blocks from the World Trade Center, Pace University's Manhattan campus is a hub for the study of homeland security. Our online students benefit from the same rigorous curriculum and access to resources as our on-campus students, and have the opportunity to study subjects including:

- Public sector management
- Public sector strategic planning and budgeting
- U.S. Constitution and ethical issues
- Policy analysis and program evaluation
- International human rights
- Intelligence gathering strategies
- Technology and critical infrastructure protection
- Public health issues for homeland security leaders
- Psychology and terrorism

Code	Title	Credits
<b>Required Core Courses</b>		<b>12</b>
CRJ 600	Online Student Seminar for HS	0
CRJ 601	Introduction to Homeland Security	3
CRJ 602	Public Sector Management	3

IT 666	Information Security Management	3

<sup>1</sup> In order to complete the degree, students will present a paper dealing with a current issue in homeland security, utilizing research and critical thinking to propose a solution.

## Psychology, MA

**Campus:** NYC

This 36-credit hour Master of Arts program provides graduate students with a general academic foundation in the field of psychology and fills a gap in the training and changing professional preparation in human service organizations. It also may be suited to those who may seek to further their study at the doctoral level. The program offers a wide variety of required and elective courses that provide students with the skills and resources needed to examine and understand the broader context of a person's life – family, school, work groups, and other significant systems.

Students who want to gain knowledge, skills, and research experience in specific areas of psychology may choose one of three research tracks within the MA program. The research tracks are:

- **Behavioral and Social Sciences Research:** Students develop knowledge, skills, and experience in behavioral and social sciences research.
- **Global Psychology Research:** Students focus on application of research skills to international/global settings including non- governmental organizations, the United Nations, and other settings that focus on international and cross-cultural research.
- **Industrial and Organizational Psychology Research:** Students gain a comprehensive and macroscopic view of industrial and organizational psychology, and acquire knowledge and develop skills associated with the effective management of individuals and groups.

Note. 1. **We are currently not accepting students to research tracks.** 2) All program academic standing requirements are defined in the NYC Psychology Department Graduate Program Catalog.

PSY 682	Personnel Psychology	3
Capstone: Choose one (1) of the following:		
PSY 691	Practicum in Psychology	3
PSY 699	M.A. Thesis	Prerequisite: PSY 615; PSY 616 may be taken concurrently 3

<sup>1</sup> In addition to the following courses students are required to enroll in PSY 698 Professional Seminar (MA in Psychology Program) (0 credits). PSY 615-616 is a year-long sequence. Both courses have a zero-credit lab component.

<sup>2</sup> Other psychology courses as approved by the Director of the MA in Psychology program or the Chair of the Psychology Department

<sup>3</sup> Students who enroll in one of three research tracks will take the same required core courses listed above (24 credits). In addition, they will complete the following specific set of courses in their chosen track. (**Note. We are currently not accepting students to tracks.**)

## Master of Public Administration Program

- Dual Degree Accelerated Program in MPA/Juris Doctor (p. 114)
- Master of Public Administration (MPA) (p. 114)
- Educational Leadership-School District Business Leader, MEd & Master's in Public Administration (MPA) (p. 116)

## Dual Degree Accelerated Program in MPA/Juris Doctor

**Campus:** NYC, Westchester

Pace University's Department of Public Administration and School of Law together make available to qualified students a dual-degree accelerated program intended to enhance career possibilities in law, government, public interest organizations, health care, and related fields. The reciprocal acceptance of course credits by each school enables students to complete the requirements for both degrees in four years rather than the usual five years were each degree pursued separately. Students must make separate application to both programs and gain independent admission to both before pursuing the joint program. Interested MPA students must submit their applications prior to the completion of 12 MPA credits. The exact course of study will be determined after joint consultation with an accepted student's MPA and law school advisors.

*For more information interested MPA students should see the Public Administration Department chair or program manager.*

## Master of Public Administration (MPA)

**Campus:** NYC, Westchester, Online

This 42-credit MPA program in Public Administration is designed to prepare students to obtain public and nonprofit positions. Full-time students can complete course work in two years and part-time students typically in four years. The program consists of required core courses, track/specialization courses, and elective courses. Students can complete the MPA program in NYC, White Plains and online.

Through its multi-pronged curriculum, MPA graduates qualify for positions that require strong analytical and administrative skills, management expertise, and in-depth knowledge in specific policy areas. Additionally, Pace University's close interaction with local government agencies, healthcare entities, and national and international nonprofit organizations provides a unique work-study program for students in their specialized fields. Students choose one of three tracks:

- Government (p. 115)
- Nonprofit Management (p. 115)
- Health Care Administration (p. 115)

## Program Requirements for All Three Tracks

Code	Title	Credits

# Educational Leadership-School District Business Leader, MEd & Master's in Public Administration (MPA)

Campus: Online

## About

The ever-changing demands on our public schools require administrative leaders who can successfully manage the vital business functions for success and sustainability. The Pace University School District Business Leader online program prepares flexible, visionary and reflective school business leaders with the skills necessary to create and sustain financial and operational functions within a school district to help ensure the quality of learning for all students. Instruction is online and participants will work with a cohort of peers within a professional network.

## For

The **MEd in Educational Leadership-School District Business Leader & Masters in Public Administration** degree track is for professionals who want to help shape public education by taking on non-instructional leadership positions to successfully manage public schools' various business functions. Candidates who do not currently hold a master's degree will be required to take this 60-credit track to earn an MEd in Educational Leadership and an MPA in Public Administration, with both degrees awarded at the end of the program. The degree coursework, together with a 600-hour internship and successful completion of the required New York State certification exam, will qualify successful candidates for New York State certification as a School District Business Leader.

## How You Learn

The online program was developed by the School of Education faculty at Pace University and is offered in partnership with the Putnam/Northern Westchester BOCES Center for Educational Leadership. The **MEd in Educational Leadership-School District Business Leader & Masters in Public Administration** program, which is offered online, requires active involvement and provides ongoing feedback to support student learning and skill development. There are multiple opportunities for group interaction through weekly synchronous sessions. Students will be part of an online learning community who shares similar interests and career goals.

## Career Outcomes

The role of a School District Business Leader is becoming increasingly important in a new era of unprecedented public scrutiny and calls for accountability in the management of our schools and the resources to educate our youth. Both tracks of this program will prepare graduates for New York State certification as a School District Business Leader. Career possibilities include roles in certificated positions such as Assistant Superintendent for Business.

## Schedule and Tuition

For more information about admission requirements, tuition, and the program schedule, please contact Thomas P. Higgins Jr., EdD, Educational Leadership Program Coordinator in Westchester, at (914) 773-3780 or [thiggins@pace.edu](mailto:thiggins@pace.edu)

## Masters of Science

- Applied Quantitative Economic Analysis and Policy Administration, MS (p. 118)
- Biochemistry and Molecular Biology, MS (p. 119)
- Environmental Science and Policy, MS (p. 119)
- Forensic Science, MS (p. 120)
- Mental Health Counseling, MS (p. 121)
- Publishing, MS (p. 122)
- School Psychology, MS Ed (p. 123)
- School Psychology with a Specialization in Bilingual School Psychology, MS Ed (p. 125)

## Applied Quantitative Economic Analysis and Policy, MS

Campus: NYC

The Department of Economics-NY at Pace University offers the Masters of Science Degree in Applied Quantitative Economic Analysis and Policy (AQEAP). It uses In-person-, On-line-, and Hybrid formats to make all courses readily available to Full-time and Part-time graduate students, both domestic and international. The mission of the Masters of Science Degree program is to provide advanced training in applied economics with a special emphasis on data analytics and economic policy analysis. The program is also STEM designated to enable international students the opportunity to obtain OPT status and work for three years in the U.S. It offers hands-on training in quantitative reasoning tools, problem solving, and policy analysis. We seek students who have undergraduate backgrounds in economics, the social sciences, mathematics, computer science, and health care. The goal of the program relates to the academic priorities and strategic objectives of Dyson College of Arts and Sciences and Pace University as it reflects the school's and the university's learning philosophy of fostering analytical and creative thinking that is combined with real-life experience. These cutting-edge skills are in high demand, potentially lucrative and are rewarding on the personal level. The program's mission echoes Pace University's strategic objective of preparing our graduates to become professionals in the field of economics and make positive contributions to the world of the future as economists, analysts, business leaders, and economic educators.

The program builds on the Economics Department's success in the National Federal Reserve Challenge, a competition that tests undergraduate college students' knowledge of the US economy, central banking and monetary policy. The Pace University team has the distinction of winning the first place award five times in the national competitions in Washington D.C. We are also ranked in both second and third place in the National Fiscal Challenge in Washington, DC. The Economics Department has also distinguished itself by creating a unique emphasis on research for both undergraduate and graduate students. While in the program, our students regularly present their research findings at the Eastern Economics Association, the Worldwide Council of Undergraduate Research, the Dyson Society of Fellows, and the Economics Scholars Program of the Federal Reserve Bank of Dallas. All our students do not just study economics; they also do economics.

The Economics Department has a outstanding, diverse faculty, consisting of highly recognized educators, researchers, and practitioners. The faculty has experience in specializations which include: Public Policy Economics, Health Economics, Managerial Economics, Economics of Innovation, Labor Economics, Environmental Economics, Financial Economics, and Economics of Development.

## Biochemistry and Molecular Biology, MS

**Campus:** NYC

The 34-credit MS program in Biochemistry and Molecular Biology (MSBMB) offers students a professional development graduate degree with enhanced capability and competitiveness in career-related biochemistry, molecular biology, and health-related fields. This is a thesis-based graduate program that contains training in ethical and regulatory issues, a requirement of all new Federal grant applicants. The curriculum emphasizes technological applications and is designed to provide students with a strong grounding in running a research laboratory.

In addition to Pace University's research opportunities, students have the opportunity to do their research in the Department of Neuronal Cell Signaling at Cornell-Weil Medical School or have an international experience at the University of Technology, Sydney, Australia.

The program can be completed in one year.

Prerequisites for this program include a Bachelor's degree in Biochemistry, Biology, Chemistry, or a related field. Applicants who haven't completed such a major may be required to complete some or all of the following courses:

- 2 semesters of General Chemistry,
- 2 semesters of General Biology,
- 2 semesters of Organic Chemistry,
- 2 semesters of General Physics,
- 2 semesters of Calculus,
- 2 semesters of Physical Chemistry,
- either 2 semesters of Biochemistry or 1 semester of Biochemistry and
- 1 semester of Molecular Biology.

Code	Title	Credits

BMB 630	Bioinformatics, Genomics and Proteomics	4
BMB 640	Physical Biochemistry	4
<b>Total Credits</b>		<b>34</b>

## Environmental Science and Policy, MS

**Campus:** Westchester

This 36 (thesis) or 39-credit (non-thesis) program in Environmental Science and Policy is an integrated curriculum of science, policy and law, communication skills, and professional advocacy. Students choose one of three tracks: science, policy, or public administration, depending on career aspirations. The program consists of required core courses, track courses, and elective courses. It is offered on Pace's Pleasantville campus and can be completed in two academic years or four semesters of full-time study. The degree prepares students to pursue further advanced degrees or immediate employment in government, not-for-profit, or corporate sectors in the fields of conservation, sustainability, water quality, air quality, environmental justice, and climate change. Faculty connections and professional partners are made available to students for internship and potential employment opportunities.

## Forensic Science, MS

Campus: NYC

This 40-credit science-based program in Forensic Science offered on Pace's New York City campus can be completed in two years of full time study.

Successful candidates have undergraduate majors in bio-chemistry, biology, chemistry, forensic science or a pre-med platform. This major prepares students for immediate careers in forensic labs and makes available to them connections to various employment opportunities.

## Prerequisites

Undergraduate prerequisites can be completed upon acceptance into this graduate program with the approval of Department Chair. For more information contact the Graduate Admission Office.

Code	Title	Credits
<b>Required Courses</b>		
FOR 531	Forensic Microscopy	3
FOR 537	Forensic Biology	4
FOR 610	Professional Issues in Forensic Science	4

## Mental Health Counseling, MS

**Campus:** Westchester

This 60-credit program in Mental Health Counseling provides students with a strong foundation in clinical counseling and specialized knowledge in groundbreaking research and prepares graduates to become licensed practitioners in mental health counseling with specialties and emphases on areas ranging from loss and grief counseling, substance abuse, post-traumatic stress and resilience, and positive psychology. The curriculum emphasizes hands-on skills development using role-playing and group exercise, as well as interview techniques, research methods, and internships.

Graduates of this program are eligible for New York State certification in mental health counseling and are prepared for a variety of professional counseling positions as well as advanced training in specific theoretical approaches and training at the doctoral level.

This program also provides the foundational credits for students considering careers in higher education advisement or who might wish to move on to a doctoral program.

### Prerequisites

Admission requirements include a Bachelor's degree in psychology or a related field. Applicants who haven't completed such a major may be required to complete General Psychology and Social Psychology prior to beginning graduate study.

Degree requirements include 16 required core courses and 4 elective courses. Close advisement from the Program Manager and Field Placement Coordinator are necessary for this program as courses typically require completion of prerequisite courses in a strict specified order and additionally require passing grades of "B" or better and department approval.

Code	Title	Credits

**Required Thesis:**

All students must write a thesis to fulfill the requirements of the degree. Thesis topics may evolve from participation in a graduate seminar or from an internship experience and should be an examination of a publishing topic that has been of particular interest to the student.

Note, too, that any student who has completed all coursework (core and elective) and is solely working on the required thesis must register for Maintenance of Matriculation each semester until graduation.

## School Psychology, MS Ed

**Campus:** NYC

This M.S. Ed. degree program in School Psychology trains students to provide psycho-educational services in the school setting. Students receive course and field work in assessment, consultation, and intervention and are trained to provide assessment and diagnostic services for individual children and adolescents, design and implement school research and evaluation projects, and offer assistance to teachers and other educational professionals.

Course work is offered in psychological foundation areas as well as in the professional practice of psychology. Courses are taken on Pace University's New York City campus in lower Manhattan, and practicum work occurs on campus in the Thomas J. McShane Center for Psychological Services as well as in school districts throughout the New York City metropolitan area. Field work begins with experiential activities and extends to formal training opportunities in the McShane Center and metropolitan area school districts. This program includes a final school psychology internship, typically in a school district in the metropolitan area.

Details about specific deadlines and the distributed internship are in the department's Graduate Catalog (<http://dysoncollege.uberflip.com/i/1289111-graduate-psychology-nyc-program-catalogue-2020-21/0/>).

## Graduate Program Curriculum (69 credits)

### M.S. Ed. Program Requirements

This three-year program requires the completion of 69 credit hours of coursework, a practicum and an internship. All M.S. Ed. students are required to complete a minimum of 1,200 clock hours of supervised school psychology internship field work (as approved by the director of field training); at least 600 clock hours must be completed in a school setting. Changes are anticipated in this program, primarily regarding field work requirements, so for updated information applicants should consult the program director. Additional information about the program appears in the New York City Psychology Department's Graduate Catalog.

## School Psychology with a Specialization in Bilingual School Psychology, MS Ed

**Campus:** NYC

This M.S. Ed. program offers qualified bilingual students enrolling in the M.S. Ed. program in School Psychology the opportunity to complete additional course work and practicum experiences required to be eligible for the Bilingual Education Extension (PPS/ADMIN) to the New York State teaching certificate in School Psychology.

Students who elect to complete the Bilingual Specialization receive training that enables them to provide school psychological services to children in both monolingual and bilingual settings. Additional course work focuses more intensively on the theory and practice of bilingual/multicultural education and methods of providing psychological services in the target language. Students receive integrated training from psychology and speech and language faculty in the area of bilingual language development and disorders. Students entering the PsyD program with advanced standing may also obtain the experiences needed to apply for the New York State Bilingual School Psychology certificate. Typically this requires enrolling in PSY 750B Bilingual School-Clinical Child Psychology I Internship and Seminar and PSY 751B Bilingual School Clinical Child Psychology II in addition to fulfilling the other Bilingual School Psychology Specialization requirements.

### Requirements for the Specialization Program in Bilingual School Psychology

#### Program Prerequisites

In addition to having met prerequisites for the M.S. Ed. Program in School Psychology, students enrolled in the Bilingual Specialization Program must have courses or show competencies in principles and problems in education and curriculum development or methods of teaching and instruction and meet the following requirements:

#### Bilingual Specialization Requirements

Students must successfully complete all prerequisites and requirements for the M.S. Ed. program in School Psychology but with the following modifications and additions:

#### Field Work Requirements

Students must enroll in the following Internship Seminar Sequence that includes a minimum of 1200 clock hours of supervised field work of which a minimum of 600 clock hours must be completed in a school setting which provides opportunity for the delivery of bilingual school psychological services. It is expected that this training experience will devote at least 30% of the time to working with bilingual populations:

Code	Title	Credits

PSY 750B	Bilingual School-Clinical Child Psychology I Internship and Seminar	1
<b>Additional Coursework</b>		
PSY 703A	Practice: Limiting Bias in the Assessment of the Bilingual Child	1
PSY 709A	Counseling the Culturally Different: Implications for Bilingual Psychological Service Provision	1
PSY 741	Communication, Language, and the Bilingual Child in the Classroom	1
PSY 745	Bilingual Language Development and Disorders	3
PSY 876	Multicultural and Gender Intervention Issues	3

**Total Credits: 78**

## Doctoral Programs

- Clinical Psychology (Health Care Emphasis) (p. 126)
- Mental Health Counseling, PhD (p. 127)
- School-Clinical Child Psychology, PsyD (p. 128)
- School Psychology, PhD (p. 132)

## Clinical Psychology (Health Care Emphasis)

**Campus:** NYC, Westchester

The 101-credit PhD in Clinical Psychology (Health Care Emphasis) program prepares students for scientific, academic, and clinical careers. The program is aligned with the Boulder training model, underscoring the reciprocal relationship between research and practice. Empirical research guides clinical practice, while applied practice experiences influence research questions. This relatively new program admitted its first cohort in the fall of 2019. We are currently preparing self-study documents as we will be seeking accreditation from the Commission on Accreditation (CoA) of the American Psychological Association (APA) as a clinical program. Our program prepares students to be aware of and sensitive to issues of individual differences, diversity, and disparities in health service delivery, as in assessment and psychotherapy. Understanding the roles of context and culture in research and practice is imperative. While adhering to the scientist-practitioner model, education and training in the PhD Program underscores the importance of developing listening skills from multiple perspectives attending to both content and process, with appreciation for multiple theories and techniques. Thorough training in clinical psychology is augmented by training in health psychology and public health systems involved in preventing disease and promoting health.

The PhD in Clinical Psychology (Health Care Emphasis) program develops competencies that integrate scientific study with pre-professional coursework and field training. An enroute master's degree is awarded upon completion of a thesis at the end of the second year of study, and program graduates will have completed all pre-doctoral academic and internship requirements needed to be admitted to the New York State Licensing Examination for the professional practice of psychology. The program requires 101 credit hours of study, a qualifying examination after the first year, a comprehensive examination, typically during the third or fourth year, and completion of a doctoral dissertation.

The first four years involve on-campus study as well as externships. In the initial semester, a practicum supplements coursework in Clinical Interviewing that helps refine skills. In the following four semesters, practicum experiences include supervised clinical experiences at the Thomas J. McShane Center for Psychological Services at Pace University. Experiences include intake interviewing, psychotherapy, and (upon adequate preparedness/training), diagnostic assessment. Students will devote eight hours per week in further practicum experience during their second year of the program. This may be in the field, in health-service delivery settings approved by the Director of Field Training (and Program Committee), in which direct supervision is offered by a licensed psychologist. The McShane Center for Psychological Services may also serve as a site for this initial practicum experience (with approval of the Directors of the McShane Center and the Program Committee).

## Mental Health Counseling, PhD

Campus: Westchester

This program is designed to train mental health counselors in advanced clinical and supervisory skills, prepare counselors to conduct research that will further the profession's knowledge base, and foster the next generation of leaders who will be teachers and advocates for the mental health counseling profession across the country.

### Application requirements include:

- An earned Master's degree in mental health counseling with a curriculum equivalent to that in Pace University's 60-credit graduate Master of Science program in Mental Health Counseling.
- Earned Graduate-level GPA of 3.6 or higher.
- Met one of the following permit/licensure requirements:

- Be eligible for New York State limited permit in mental health counseling in New York State.
- Has obtained a limited permit in New York State.
- Be licensed in mental health counseling in New York State.
- Be licensed in mental health counseling in a state other than New York.
- Submitted letters of recommendation, personal statement, official academic transcripts, and GRE scores taken within the previous five years, with preference given to mean GRE scores at the 600-650 level.

Students who substantially meet the above requirements will be invited to an interview with the departmental admission screening committee.

This three-year program requires the completion of 45 credits of coursework, passage at the conclusion of the first year of a written qualifying examination for advancement to candidacy for the PhD, and the successful completion of a doctoral dissertation as described below.

## School-Clinical Child Psychology, PsyD

This Combined-Integrated program is accredited by the American Psychological Association. It was last accredited in 2024 for a maximum of ten-year period.

Office of Program Consultation and Accreditation, American Psychological Association  
750 First Street NE  
Washington, DC 20002-4242  
Tel: 202-336-5979

This doctoral program in School-Clinical Child Psychology carefully integrates field experience with academic preparation within a practitioner-scholar training model. Students are trained in psychological foundations, assessment and evaluation techniques, remediation and intervention procedures, and program evaluation and research. The goal of the program is to prepare professional psychologists as health service providers with expertise in school and clinical psychology. Research methodology and theoretical academic subjects are essential parts of the program, but emphasis is placed on professional preparation. Graduates are uniquely prepared to provide clinical and education expertise and consultation in order to best serve children and families across a variety of systems of service delivery.

Program graduates will have completed all pre-doctoral academic and internship requirements needed for admission to the New York State Licensing Examination for the professional practice of psychology.

Graduates typically have been awarded the Master of Science in Education in School Psychology (or equivalent program in school psychology) and recommended for New York State certification in School Psychology. This program is fully accredited by the American Psychological Association (APA) as a combined-integrated school-clinical program and is approved by the National Association of School Psychologists. All information about this program and related ones may be found in the Graduate Catalog of the University's New York City Psychology Department.

Prior to receiving the doctoral degree in school-clinical child psychology, students must first complete a master's degree in school psychology or have been awarded state or national school psychology certification. Sixty-nine hours of the first three years of study in the doctoral program generally correspond to the M.S. Ed. in School Psychology at Pace University. Applicants with graduate credits from other institutions may enter the program but this prior work will be evaluated for transfer credit on a course-by-course basis only after acceptance into the doctoral program.

#### Program Prerequisites:

- Background preparation in abnormal psychology, developmental psychology, experimental psychology, general psychology, learning, personality theory, and statistics.
- Courses or demonstrated competencies in principles and problems in education and curriculum development or methods of teaching and instruction.
- Psychology prerequisite preparation must be completed prior to entering the program. Students can complete some prerequisites (e.g., education) after admission.

#### Full-Time or Part-Time Study and Residency Requirement:

Students may undertake the program on a full-time or part-time basis, but the program must be completed within ten years, and a minimum of three years of residency at Pace University is required, including one year of full-time study. Class hours permit field work and generally allow for limited part-time employment in the first four years of study. Whenever possible, paid internships are arranged in order to help alleviate the financial expense involved.

#### Program Elements:

The program requires 111 credit hours of study, a Qualifying Examination after the first year, a Comprehensive Examination typically during the third year, a School and Clinical Child Psychology distributed internship typically in the third and fourth years, a full-time internship typically in the fifth year, and a doctoral project. Details about specific deadlines and the distributed internship are in the department's Graduate Catalog (<http://dysoncollege.uberflip.com/i/1504026-psychology-graduate-programs-catalog-2023-24/0/>).

## school-clinical child psychology, PSYD Program Curriculum

Prior to receiving the doctoral degree in school-clinical child psychology, students must first complete a master's degree in school psychology or have been awarded state or national psychology certification. Sixty-nine hours of the first three years of study in the doctoral program generally correspond to the M.S. Ed. in School Psychology at Pace University. Applicants with graduate credits from other institutions may enter the program but this prior work will be evaluated for transfer credit on a course-by-course basis only after acceptance into the doctoral program.

PSY 703A	Practice: Limiting Bias in the Assessment of the Bilingual Child	1

<sup>1</sup> Elective choices must include either PSY874 or PSY829.

## School Psychology, PhD

Campus: NYC

The PhD in School Psychology program (NYC Campus) was approved in 2019 and enrolled the first cohort of students in Fall 2021. The PhD in School Psychology program is designed to provide education and training in school psychology within a scientist-practitioner model. Striving for excellence as a professional training program, it is fully intended that this new PhD program will attain contingent accreditation status, and ultimately, full American Psychological Association (APA) accreditation status.

PhD School Psychology program students must first complete a master's degree in school psychology, or have been awarded state or national school psychology certification, and sixty-nine hours of the first three years of study in the doctoral program generally correspond to the MEd in School Psychology at Pace University. Students may enter the program with graduate work from other institutions; the prior graduate work is evaluated for transfer credit on a course-by-course basis after acceptance into the doctoral program.

Students from New York State approved School Psychology programs receive 45 transfer credits toward the PhD and are required to pass the comprehensive examination and complete all fourth and fifth year courses, plus any master's level courses they are lacking, at Pace University. Typically, no transfer credit is granted for third- or fourth-year courses and also PSY713 & PSY715. Usually, courses taken over five years prior to student program admission are not granted transfer credit. Transcript evaluation occurs after program admission and matriculation.

Course	Title	Credits
<b>First Year</b>		
<b>Fall</b>		
PSY 501	Introduction to School-Clinical Child Psychology I: Professional Attitudes and Behavior	0
PSY 704	Advanced Developmental Psychology	3
PSY 705	Research Seminar	1

<b>Credits</b>		<b>17</b>

**Summer**

At the end of the first year, students are required to take a Qualifying Examination which they must pass in order to proceed to the second year of study. Students who have received transfer credit for first year courses are required to pass the qualifying examination(s) for corresponding courses. Students are permitted to take this examination a maximum of two times in order to pass six of the ten required areas of preparations. All areas must be passed prior to enrolling in the third year of the program.

**Credits** **0**

**Second Year****Fall**

During this second year students must review their academic progress with program advisors. At the end of this second year, upon completion of at least 42 graduate hours in the program, they are eligible to apply for New York State School Psychology Internship Certificate. Candidates who wish to acquire school psychology certification in states other than New York should consult with program advisors.

PSY 509A	Practicum in Psychological Services: Psychotherapy	0

## **Overview of the Lubin School of Business**

A nationally ranked leader in business education, the Lubin School of Business offers an extensive array of programs at the bachelor's, master's, and doctoral degree levels. A hallmark of a Lubin undergraduate education is its focus on experience-based learning that blends theory with practical applications and provides students with opportunities to gain real world professional business experience through our nationally recognized internship program, which is the largest in the New York Metropolitan area. Courses are offered during the day, evening, and online in order to meet the scheduling needs of our diverse student body. In addition to our BBA programs, qualified undergraduate students may pursue an accelerated combined BBA/MBA or BBA/MS program for CPA Preparation.

With its ideal campus locations in downtown Manhattan, in the heart of the world's financial center, and in suburban Westchester County, near the headquarters of major multinational corporations, the Lubin School of Business ensures that students at all stages of their careers receive a comprehensive and personalized educational experience that prepares them for success in a global business environment. The Lubin School of Business is committed to continuous improvement and innovation, and our graduates are prepared to become leaders in their chosen fields and ready to manage in a constantly changing global marketplace.

## **Accreditation and Affiliation: Lubin School of Business**

The Lubin School's bachelor's, master's, and doctoral degree programs in business and bachelor's and master's degree programs in accounting are accredited by AACSB International - The Association to Advance Collegiate Schools of Business, the premier accrediting organization for business schools in the world. Fewer than two percent of the business schools internationally have both business and accounting accreditation from AACSB International. A complete listing of Pace University's accreditation, memberships, and affiliations (<https://www.pace.edu/accreditation-and-membership/>) can be found online.

## **Statement of Mission and Values: Lubin School of Business**

### **Mission**

The mission of the Lubin School of Business is to provide its students with exceptional experience-based learning that blends business theory with practical applications to prepare its graduates for successful professional careers in the global business environment. As part of this mission, our faculty conducts and disseminates scholarship that contributes to professional practice, academic theory, and student learning.

The Lubin School is student-centered with strong faculty engagement and outreach to alumni and prospective employers as well as those constituencies who can help empower student success. Lubin prepares its graduates to be ready, able, and confident in their chosen disciplines,

multidisciplinary in their approach to problem solving, global in their business perspective, grounded in action, trained in outcomes, effective in their professions, ethically aware, and socially responsible.

Our mission is to achieve a competitive advantage through the diversity of ideas, backgrounds, and cultures represented by students and faculty from over 100 different countries and by focusing our teaching and scholarship on the challenges of managing and leading businesses in a constantly changing global marketplace. Lubin's student-centered educational experience features the integration of theory with practice, teaching excellence, small classes, a personalized learning environment, innovative programming, the use of technology to enhance learning in concert with strong linkages to the New York and global business communities.

## Values

With baccalaureate, master's, and doctoral programs on campuses in New York City and Westchester County, the Lubin School provides a distinctive and personalized educational experience that reflects the traditions upon which Pace University was founded in 1906 to prepare students for careers in business. Today, the faculty, staff, students and alumni share and are energized by the following values:

- Enabling students to achieve their full potential
- Teaching excellence in small classes
- Applied scholarship and research
- Practical experience in and out of the classroom
- Innovative, market-centered programs
- Close faculty and student interaction
- Engagement with the New York business community
- Global perspective and integration
- Commitment to research
- Collegiality and respect among students, faculty and staff
- Appreciation of diversity in population and perspective
- Multidisciplinary perspective
- Integrity, ethics and social responsibility
- Student-centered administrative systems
- Use of technology to enhance learning

## Graduate Student Advisement and Student Development

The mission of the Office of Graduate Academic Advisement and Student Development is to offer support to the Lubin School of Business' students, faculty and administration through collaboration, innovative programs, and meaningful services. This office is designed to facilitate the development of each student's academic, professional, and social goals and is dedicated to disseminating knowledge and information that cultivates student success.

Lubin's Office of Graduate Academic Advisement & Student Development offers full-time advisement to students from Orientation through Commencement. They offer advice, support, and advocacy for all academic and administrative issues. This office also serves as the center of Graduate Student life in managing and supporting a wide range of student organizations, designed to advance student's academic success, professional networks and social experience.

The office is located on the New York City campus in One Pace Plaza, 4th floor - Section E. For additional information, please call (212) 618-6550, email [lubinadviseNY@pace.edu](mailto:lubinadviseNY@pace.edu) ([gradadviseny@pace.edu](mailto:gradadviseny@pace.edu)) or visit the Lubin Graduate Advisement webpage (<https://www.pace.edu/lubin/lubin-academic-programs/graduate-programs/graduate-advisement/>).

## Academic Policies

To view information regarding the Lubin School of Business' academic policies, please visit the Lubin Graduate Advisement webpage (<https://www.pace.edu/lubin/lubin-academic-programs/graduate-programs/graduate-advisement/student-resources/>). You may also contact advisement by calling (212) 618-6440 or via email at [gradadviseny@pace.edu](mailto:gradadviseny@pace.edu).

## International Exchanges and Study Abroad Opportunities

### International Field Study Courses

The Lubin School of Business offers faculty-led international field study courses that are credit-bearing and provide students the opportunity to experience another culture and to observe foreign government, education, and commerce firsthand. Students participating in international field studies have traveled to Brazil, Belgium, China, Denmark, England, France, India, Ireland, Italy, Japan, Russia, Mexico, and Sweden.

## Special Programs and Events

### Executive in Residence and Dean's Roundtable Programs

The Lubin Executive in Residence Program and the Dean's Roundtable provide students with a unique opportunity to meet face-to-face with entrepreneurs and leaders of industry from around the world. Top corporate executives and Pace alumni interact with Lubin students and faculty, both in the classroom and in informal settings.

### Annual Lubin Awards and Beta Gamma Sigma Induction Ceremonies

The Annual Lubin Awards and Beta Gamma Sigma Induction Ceremonies are held every May on the New York City and Pleasantville campuses to recognize the accomplishments of outstanding graduates of each major program, graduates receiving Latin baccalaureate honors, transfer students graduating with distinction, and students being inducted into Beta Gamma Sigma. In addition to the academic department awards, graduating students are recognized for their leadership and contributions to co-curricular activities as recipients of the Lubin Alumni Association Award and other special awards given by the Lubin academic departments.

## Lubin Centers

- Center for Global Business Programs (p. 145)
- Center for Sustainable Business (p. 145)
- Small Business Development Center (p. 146)
- Pace Entrepreneurship Studio (p. 146)

## Center for Global Business Programs

The mission of the Center for Global Business Programs is to enhance the global capabilities of Lubin students and faculty by providing high-quality academic and professional experiences, facilitating learning, and supporting applied research in the global environment.

### Custom Programs

The Center for Global Business Programs provides international and domestic institutions an opportunity to differentiate their offerings through a New York City-based module. Institutions choose from a variety of international programs that fit their needs and provide their students with an "only in New York" experience. Custom programs range from a few weeks to a full academic year and are offered during all semesters, including the summer. The Center delivers a dynamic New York City experience that includes company visits and cultural events.

### International Field Study Courses

International field study courses provide students with the opportunity to gain international academic experience. Along with pre-trip classroom sessions, students travel abroad for up to two weeks, participating in corporate visits, meetings with governmental leaders and roundtable workshops with globally recognized academics. Destinations include countries throughout Europe, Asia, South America, and Africa.

### International Travel Scholarships

The Center for Global Business Programs offers scholarships to Lubin students who are enrolled in international field study courses or semester study abroad. These scholarships are made available through the Figueroa Family Fund and the Nancy and Gene Celentano Fund, and are awarded during the fall and spring semesters. To date, the Center has awarded over \$945,700 in scholarships to eligible students based upon demonstrated need and academic achievement.

## Center for Sustainable Business

The Lubin Center for Sustainable Business (CSB)

Enterprises of all sizes and sectors globally are striving to operate as Sustainable Businesses, creating long-term value by advancing Environmental, Social and Governance (ESG) stewardship, business purpose and profitability hand-in-hand.

As a means of preparing students, alumni, the community, and other key stakeholders for a job market of the future and providing responsible businesses with workers and leaders who understand that advancing ESG principles and profitability goes hand-in-hand, the Pace University Lubin School of Business launched the Lubin CSB.

#### [The Lubin CSB Mission](#)

The Lubin CSB engages its stakeholders with a networked *knowledge-hub* and *learning-platform* that explores, teaches, and champions sustainable businesses that advance a responsible and inclusive business-purpose that strives to simultaneously achieve environmental stewardship, social responsibility, institutional governance and sustainable profits.

### The Lubin CSB Strategy

Informed by a learning, research, and service platform-based mission, the Lubin CSB strategy is to equip, enable, and empower students, alumni, faculty, influencers, businesses, and communities to help them understand, influence, transform, and lead this global sustainable-business movement.

Headquartered steps from Wall Street in the Financial District on the New York City campus of Pace University, the Lubin CSB carries out this strategy by co-creating, co-delivering, and facilitating ESG-related academic degree programs, non-degree certificate and badge programs, continuing professional education, executive education, research, public events, job-skills training, and community service.

## Small Business Development Center

The Small Business Development Center (SBDC) was established at Pace University in October of 1986 as an integral part of the Lubin School's economic development programs, and is jointly funded by Pace University, the U.S. Small Business Administration and the Research Foundation of the State University of New York. The Pace SBDC's mission is to provide in-depth and confidential one-to-one business advisement, training and research to help small business owners and aspiring entrepreneurs grow or launch their business venture, all at no cost to our clients. From helping access financing to targeted marketing strategies to identifying contract opportunities and business certifications, our experienced and New York State-certified business advisors have the expertise to help your business reach its full potential. Visit the Pace SBDC to arrange a free session (<https://www.pacesbdc.org/>) with a business advisor and for more information.

## Pace Entrepreneurship Studio

The Pace Entrepreneurship Studio (PES) supports young and promising entrepreneurs with the assistance of international leaders and professionals. PES supports new startups, from ideation to funding and from conception to operation. PES' mission is to establish and foster student and alumni innovation and expose and develop new entrepreneurial opportunities. Through the Studio students, faculty, and alumni are connected to international leaders and business professionals who can help them take their startups to the next level. PES provides abridged access to venture capital through special and professional sessions with the PES team and leaders from the New York City ecosystem.

For more information, visit the Pace Entrepreneurship Studio's website (<https://www.pace.edu/lubin/life-lubin/centers/pace-entrepreneurship-studio/>).

## Technology Enhanced Instructional Facilities

### Computer and Internet Resources

All campus buildings offer high-speed Internet as well as access to other internal University resources. Wired and wireless network access is available in the residence halls, library, student center, classrooms, and other locations throughout the University. Computer labs such as the Tech Zone in New York City and Computer Resource Centers (CRC) in Pleasantville are open access rooms dedicated to student coursework and faculty research. These labs offer a host of services including Web access, specialized software, and printing. The Tech Zone and CRC are supported, day and evening, by full-time staff and part-time student consultants.

### Smart Classrooms

All labs and classrooms have full access to the Internet. Classrooms are equipped with computers and interfaces for students to plug their laptops in when doing class presentations.

### Accounting Labs

Accounting Labs are located in New York City and Pleasantville, and are used to supplement accounting course instruction and by accounting students to complete their course assignments. The labs are equipped with the latest accounting software and have scheduled open hours, which allow students to use them when not in use for classes or tutoring sessions. In Pleasantville, the Accounting lab is staffed by peer tutors who provide assistance in the foundation and upper-level accounting courses by working in small group tutorials with the students. In New York, similar peer tutoring is provided in most accounting subjects through the Office of Learning Commons (<https://www.pace.edu/learning-commons/>).

### Marketing Labs

State-of-the-art Marketing Labs, located in New York City and Pleasantville, are equipped with the latest computer equipment and software, and desktop publishing. The Marketing Labs enable students to be on the cutting edge of marketing technology and are used extensively by the Ad Teams in preparation for the annual American Advertising Federation's National Student Advertising Competition.

The Interactive and Direct Marketing Lab is a one-of-a-kind, Pace exclusive, student-run direct and interactive marketing agency, which offers internships to juniors, seniors and graduate students.

## Arts and Entertainment Management, MBA

Campus: NYC

Our MBA in Arts and Entertainment Management prepare students for managerial leadership positions in a variety of arts and entertainment fields, including media and television and the performing arts of dance, music and theater, and such venues as theater companies, museums, dance companies, contemporary and classical music organizations, art galleries, talent representation and management companies, and television production. Our coverage of the disciplines of accounting, finance, and marketing along with our industry-specific content assures a match of competencies for managing and sustaining businesses in the field of arts and entertainment management.

Across the nation, there are few arts and entertainment programs from business schools, fewer that offer an MBA, and even fewer that offer a program from an AACSB-accredited program, the premier business accrediting body. In New York State, we are one of two such programs. In New York City, we are the only one.

# Business Administration, MBA/Law, Juris Doctor, JD

Campus: NYC, Westchester

## COMBINED DEGREE PROGRAM

The Elisabeth Haub School of Law and the Lubin School of Business offer a combined program of study in law and graduate-level business administration. Students acquire an education in both law and business administration in a closely integrated course of study in the two fields. Upon satisfactory completion of the required course of study, they are awarded both MBA and JD degrees.

The MBA/JD combined program enables a full-time student to complete the requirements for both degrees in four years rather than the five years required if each degree is pursued separately. Full-time students may commence their studies at either the Lubin School of Business or the Elisabeth Haub School of Law.

The JD portion of the program is offered at the Elisabeth Haub School of Law in Westchester and the MBA portion at the New York City Campus for all MBA concentrations except accounting, which may be taken in either New York City or Westchester.

Students admitted to the MBA/JD program are assigned advisers in each school to help them in the selection of courses and definition of their career objectives. The reciprocal recognition of courses by each school is essential to the combined program. Therefore, students in the program must receive prior approval from the appropriate dean for any course proposed to be taken in the other school. Business school students will receive a Program Analysis Sheet (PAS) that outlines their specific degree requirements.

## ADMISSION REQUIREMENTS

Applicants must meet the independent admission requirements of each school in order to be admitted to the combined program. Admission to either the School of Law or the Lubin School of Business does not guarantee admission to the other school.

Students who begin in the MBA program must apply to and be accepted by the School of Law by the end of their first year of full-time business study or by the end of their second year of part-time study.

Students who begin in the Law School must apply and be accepted by the Lubin School of Business no later than during the fourth semester of law study (if in the three-year program) or no later than during the fifth semester of law study (if in the four-year program).

Once a student in either the School of Law or the Lubin School of Business has been admitted to the other school, the student should notify the Associate Dean for Academic Affairs in the School of Law and the Director of Academic Advisement or Associate Dean of the Lubin School of Business of his or her intention to participate in the program.

## CONFERRING OF DEGREES

The total number of credits required in the Lubin School varies based on the student's previous coursework. Upon satisfactory completion of the required course of study, candidates are awarded both MBA and JD degrees.

# Business Analytics, MBA

Campus: NYC

Your Lubin MBA in Business Analytics gives you the technical edge for a satisfying analytical career in:

- Data analytics
- Financial engineering
- Risk management
- Marketing research
- Management consulting

## Accounting, MS

Campus: NYC, Westchester, Online

### (A) Foundation Core

Foundation courses may be waived based on coursework completed at an accredited institution according to the following criteria:

- Completion of 2 directly related undergraduate courses of at least 3 credits within 6 years of initial enrollment with at least a 'B.'
- Completion of one directly related graduate course of 3 or more credits within 6 years of initial enrollment with at least a 'B.'
- Completion of 15 or more undergraduate credits in a discipline specific to the course to be waived with an average of at least a 'B.'

Code	Title	Credits
MBA 804	Financial Accounting for Managers	3
MBA 802	Business Economics for Decision-Making	3
MBA 810	Business Analytics and Statistics	3
MBA 808	Creating Value Through Finance	3
TAX 503	Fundamental Concepts of Taxation	2
TAX 504	Sales and Exchanges of Property	2
LAWG 610	Business Law for CPA Majors	4
<b>General Business Credits Without Waivers</b>		<b>20</b>

### (B) Accounting Specialization Courses

Waiver and/or substitution may be granted based upon transcript review. Some of the guidelines are listed below:

- An accounting information system course with at least a B is required to waive ACC 662 Modeling of Accounting Information Systems.
- Two cost/managerial accounting courses with at least a B are required to waive ACC 613 Accounting for Planning and Control.
- Two intermediate financial accounting courses with at least a B are required to waive ACC 615 Financial Reporting I.
- Intermediate Accounting II from an AACSB accredited business school with at least a B is required to waive ACC 618 Financial Reporting II.
- Other waivers are determined by the Accounting Department.

Code	Title	Credits
ACC 662	Modeling of Accounting Information Systems <sup>1</sup>	3
ACC 613	Accounting for Planning and Control <sup>1</sup>	4
ACC 615	Financial Reporting I <sup>1</sup>	3
ACC 618	Financial Reporting II <sup>1</sup>	3

TAX 625	Tax Practice, Procedure and Research	3
FIN 647	Advanced Corporate Finance	3

## (D) Breadth Elective

Code	Title	Credits
IS 522	Advanced Spreadsheet Skills (Optional)	3

## Program Information

A minimum of 30 resident credits ( $A + B + C \geq 30$ ) and 24 credits in accounting and tax courses ( $B + C \geq 24$ ) at Pace are required to receive the MS in Accounting degree.

Students can take waived or substituted courses at their option, although these courses are not required for graduation. If a student takes courses that have been substituted, the required substitutions from section C must still be taken. Students can also complete the MS in Accounting degree program online (<https://online.pace.edu/graduate-programs/ms-in-accounting/>).

## Arts & Entertainment Management, MS

Campus: NYC

This degree will provide you with the communication, management, and leadership knowledge and skills to work behind the scenes in theatre companies, museums, dance companies, contemporary and classical music organizations, art galleries, talent representation and management companies, and television production firms. You will also have the opportunity to visit headquarters of entertainment companies.

Lubin's Master's in Arts and Entertainment Management is one of only two AACSB-accredited programs (<http://www.aacsb.edu/>) in New York State.

Code	Title	Credits
<b>Required Courses (15 credits)</b>		
MBA 814	Leading and Managing Teams	3
MGT 620	Arts and Entertainment Management	3

TAX 652	Taxation of Securities and Financial Instruments
TAX 653	Seminar in Taxation
TAX 659	Advanced Corporate Income Tax II
<b>Total Credits</b>	<b>30-40</b>

## Doctoral Programs

Doctor of Professional Studies, Executive Doctoral Program, DPS (p. 162)

### Doctor of Professional Studies, Executive Doctoral Program, DPS

Campus: NYC

The Doctor of Professional Studies (DPS) distinguishes itself from a traditional PhD in business. It is uniquely designed for accomplished executives who seek the advanced knowledge, skills, and perspectives of doctoral education without interrupting their careers. Earning a doctoral degree in business empowers you to advance in senior management, initiate a consulting practice, or launch an academic career. The program is hybrid, requiring on-campus attendance on 10 Fridays, allowing you to continue your full-time career and compensation while earning a doctorate in 3-5 years.

Qualified applicants must have at least 10 years of professional experience and an MBA or similar master's degree from an accredited institution.

All doctoral seminars are delivered in a blended learning format in which students attend class sessions on five Fridays of the semester and participate continuously in weekly online discussion forums.

In addition to 10 doctoral seminars and 6 independent study courses, the program requires 3 electives that expand your knowledge and enhance your skill within a concentration (finance, management, or marketing).

Below is a typical sequence of courses. For course descriptions, visit <http://www.pace.edu/lubin/dpscourses> (<http://www.pace.edu/lubin/dpscourses/>)

Code	Title	Credits
<b>Foundation and Research Seminars</b>		
DPS 805	Doctoral Foundation Seminar in Management	3

## Faculty

### Accounting - Full-Time Faculty

Arnold L. Berman, Professor; Emeritus; LL.M., New York University School of Law; CPA  
 Roberta J. Cable, Professor; Ph.D., Columbia University; CMA  
 Kam C. Chan, Distinguished Professor; Ernst and Young Scholar, PhD, University of South Carolina  
 Myojung Cho, Associate Professor; Ph.D., University of Maryland  
 Feiqi Huang Assistant Professor, Ph.D., Rutgers, The State University of New Jersey  
 Kwang-Hyun Chung, Professor; Ph.D., Baruch College, City University of New York  
 Bairj Donabedian, Associate Professor; Ph.D., Columbia University  
 Samir M. El-Gazzar, KPMG Professor of Accounting; Ph.D., Baruch College, City University of New York  
 Barbara R. Farrell, Professor; Ed.D., Columbia University; CPA  
 Patricia Healy, Associate Professor, Undergraduate Program Chair; M.B.A., Rutgers University; CPA, CMA  
 Rudolph A. Jacob, Professor, Graduate Program Chair; Ph.D., New York University  
 Picheng Lee, Professor; Ph.D., Rutgers University  
 Chunyan Li, Associate Professor; Ph.D., Rutgers University  
 Steven Mezzio, Clinical Associate Professor of Accounting; M.S., University of Miami; CPA, CIA  
 Susanne O'Callaghan, Professor, Anthony Pustorino Scholar; Ph.D., University of Cincinnati; CIA  
 Mary Ellen Oliverio, Professor Emeritus; Ph.D., Columbia University; CPA  
 Raymond Reisig, Assistant Professor; M.B.A., Pace University; CPA, CFE  
 Kaustav Sen, Professor; Ph.D., Rutgers University  
 Charles Y. Tang, Professor; Department Chair; Ph.D., Baruch College, City University of New York  
 Michael Ulinski, Assistant Professor; Emeritus; Ph.D., New York University; CPA  
 Ping Wang, Associate Professor; Ph.D., Baruch College, City University of New York  
 Robert P. Zwicker, Assistant Professor; Ed.D., University of Bridgeport; CPA

### Finance and Economics - Full-Time Faculty

Niso Abuaf, Clinical Professor; Ph.D., University of Chicago  
 Marcus Braga Alves, Associate Professor; PH.D., University of Pittsburgh  
 Burcin Col, Associate Professor of Finance; Ph.D., McGill University  
 Ronald Filante, Associate Professor; Ph.D., Purdue University  
 Natalia Gershun, Associate Professor, Undergraduate Program Chair, New York City Campus; Ph.D., Columbia University  
 Elena Goldman, Professor; Ph.D., Rutgers, The State University of New Jersey  
 Aron Gottesman, Professor, Department Chair; Ph.D., York University  
 Iuliana Ismailescu, Associate Professor; Ph.D., University of Massachusetts  
 Padma Kadiyala, Professor; Ph.D., Ohio State University  
 Edmund Mantell, Professor; Ph.D., Wharton School, University of Pennsylvania  
 Matthew R. Morey, Professor, New York Stock Exchange Scholar; Ph.D., University of California at Irvine  
 Jouahn Nam, Associate Professor; Ph.D., Georgia State University  
 Joseph T. Salerno, Professor Emeritus; Ph.D., Rutgers University  
 Michael Szenberg, Professor Emeritus; Ph.D., City University of New York  
 P. V. Viswanath, Professor; Director, Global Portfolio Analysis Center; Graduate Program Chair; Ph.D., University of Chicago  
 Berry K. Wilson, Associate Professor Emeritus; Ph.D., New York University  
 Kevin J. Wynne, Professor, Academic Director, Masters in Finance for Professionals; Undergraduate Program Chair, Pleasantville Campus; Ph.D., Fordham University  
 Mingming Zhou, Associate Professor, Ph.D., Rensselaer Polytechnic Institute, USA

### Legal Studies and Taxation - Full-Time Faculty

Walter G. Antognini, Associate Professor, Graduate Program Chair; J.D., LL.M., New York University; CPA; Chair, Lubin Faculty Council  
 Vincent R. Barrella, Professor, Department Chair; J.D., Fordham University; LL.M., New York University; CPA  
 Philip Cohen, Professor; LL.M., New York University Law School  
 Frank Collela, Clinical Assistant Professor; LL.M., New York University Law School  
 Mark Fichtenbaum, Clinical Assistant Professor; LL.M., New York University  
 Rosario J. Girasa, Distinguished Professor; JD, New York University; ML.A., Johns Hopkins University; Ph.D., Fordham University  
 Jessica Magaldi, Associate Professor; Director, Continuous Improvement, Associate Dept. Chair, New York City Campus; J.D., New York University  
 Robert S. Wiener, Associate Professor; J.D., New York University

### Management and Management Science - Full-Time Faculty

Uzoamaka P. Anakwe, Associate Professor; Ph.D, Drexel University

Bruce Bachenheimer, Clinical Professor; Director, Entrepreneurship Lab; M.B.A., Australian Graduate School of Management  
 Daniel M. Baugher, Professor; Chair, Graduate Programs; Ph.D., Rutgers University  
 Narendra C. Bhandari, Professor Emeritus; Ph.D., University of Georgia  
 Vasanthakumar N. Bhat, Associate Professor Emeritus; Ph.D., Yale University  
 John C. Byrne, Professor Emeritus; Ph.D., Stevens Institute of Technology  
 E. Susanna Cahn, Professor; Director, Business Honors Program, Pleasantville Campus; Ph.D., Columbia University  
 John C. Carter, Professor; Ph.D., Columbia University  
 Andrew O. Coggins, Clinical Professor; Associate Director, Business Honors Program; Ph.D., Virginia Polytechnic Institute & State University  
 Robert Dennehy, Professor Emeritus; Ph.D., New York University  
 Pritta Dutta, Assistant Professor; Ph.D., Isenberg School of Management, University of Massachusetts Amherst  
 Alan B. Eisner, Professor Emeritus; Associate Dean & Director of Graduate Programs; Ph.D., New York University  
 Julia Eisenberg, Associate Professor; Ph.D., Rutgers University

## Sands College of Performing Arts

Sands College of Performing Arts' mission is to foster a visionary and diverse community of dedicated practitioners, bold leaders, and inspirational changemakers. We cultivate individuality, equity, diversity, inclusion, and belonging. We nurture a community of courageous and empathetic artists. We are a community that is constantly reflecting, engaging, and taking action as we evolve as artists and world citizens.

Please visit our homepage for further information about us (<https://www.pace.edu/dyson/departments/sands-college-of-performing-arts/about-us/>).

## Actors Studio Drama School - Acting, Directing, and Playwriting, MFA

Campus: NYC

The curriculum of this MFA program is designed and supervised in cooperation with the leadership of the Actors Studio. A three-year program with three track options, it provides common and specialized courses to meet the needs of actors, directors, and playwrights individually and in collaboration as a repertory group. In the first year, students are immersed in learning acting methodology and language, as well as training in their individual craft. In the second year, students are introduced to unique collaborative training that encompasses the three disciplines. In the third year, the three groups apply their knowledge and work together as an ensemble to create and perform in a professionally produced Repertory Season that is presented to the industry and the public. This program, moreover, offers workshops on auditioning, creating a strong resume, taking a great head shot, effective self-promotion, building industrial networks, and finding job opportunities.

Updated: November 28, 2023

### GRADUATE PROGRAM CURRICULUM (CREDITS VARY PER TRACK)

#### Year 1: Fall & Spring - An Actor Prepares

The program begins with Orientation Week, during which students are introduced to the communal world of the theater in an informal introduction by teachers to the program's philosophy, process and intentions. In these first classes, the students encounter another unique feature of the program: setting out on a side-by-side journey—as actors, directors and playwrights together—learning the common language that will enable them to collaborate productively, harmoniously, and seamlessly.

It is during this first week that the ensemble nature of the Actors Studio process will emerge.

Code	Title	Credits
<b>Required Combined Courses: Actors, Directors, &amp; Playwrights Together</b>		
THR 501	Basic Technique 1	6
THR 503	Theater History 1	3
THR 505	Workshop 1	3

<i>Actors</i>		
THR 533	Movement 1 - West African Dance	3
THR 534	Movement 2 - West African Dance	3
<i>Directors</i>		
THR 521	Voice and Speech 1.1	3
THR 522	Voice and Speech 1.2	3
THR 531	Movement 1 - Improvisational Movement	3
THR 532	Movement 2 - Improvisational Movement	3
THR 533	Movement 1 - West African Dance	3
THR 534	Movement 2 - West African Dance	3
THR 523	General American Speech I <sup>2</sup>	3
THR 534	Movement 2 - West African Dance <sup>2</sup>	3
<i>Playwrights</i>		
THR 521	Voice and Speech 1.1	3
THR 522	Voice and Speech 1.2	3
THR 531	Movement 1 - Improvisational Movement	3
THR 532	Movement 2 - Improvisational Movement	3
THR 533	Movement 1 - West African Dance	3
THR 534	Movement 2 - West African Dance	3
THR 523	General American Speech I <sup>3</sup>	3
THR 524	General American Speech II <sup>3</sup>	3
<b>Total Credits</b>		<b>134-168</b>

<sup>1</sup> For selected actors only.

<sup>2</sup> For selected directors only.

<sup>3</sup> For selected playwrights only.

## Year 2: Fall & Spring - Building A Character

Armed with the technical fundamentals to be used for the rest of their educational and professional careers, students move from preparation of their instrument (themselves) to preparation of the role.

Code	Title	Credits
<b>Required Combined Courses: Actors, Directors, &amp; Playwrights Together</b>		
THR 601	Scene Work 1	6
THR 603	Theater History 3	3
THR 602	Scene Work 2	6
<b>Required Individual Group Courses</b>		
Select one of the following groups:		12-26
<i>Actors</i>		
THR 621	Voice and Speech 2.1	3
THR 622	Voice and Speech 2.2	3
THR 635	Improvisational Movement 3	3
THR 636	Improvisational Movement 4	3
THR 623	General American Speech III <sup>1</sup>	3
THR 624	General American Speech IV <sup>1</sup>	3
<i>Directors</i>		
THR 661	Playwrights and Directors Unit 1	4

THR 662	Playwrights and Directors Unit 2	4
THR 641	Directing 1	8
THR 642	Directing 2	8
THR 681	Principles of Design - Creative Collaboration 1	3
THR 682	Principles of Design - Creative Collaboration 2	3

THR 662	Playwrights and Directors Unit 2	4
THR 681	Principles of Design - Creative Collaboration 1	3
THR 682	Principles of Design - Creative Collaboration 2	3
THR 651	Playwriting 3	6
THR 652	Playwriting 4	6
<b>Optional Elective Courses by Group</b>		<b>0-24</b>
Select one of the following groups:		
<i>Actors</i>		
THR 633	Movement 3 Ballroom Dance	3
THR 634	Movement 4 Ballroom Dance	3
THR 681	Principles of Design - Creative Collaboration 1	3
THR 682	Principles of Design - Creative Collaboration 2	3
<i>Directors</i>		
THR 621	Voice and Speech 2.1	3
THR 622	Voice and Speech 2.2	3
THR 633	Movement 3 Ballroom Dance	3
THR 634	Movement 4 Ballroom Dance	3
THR 635	Improvisational Movement 3	3
THR 636	Improvisational Movement 4	3
THR 623	General American Speech III <sup>2</sup>	3
THR 624	General American Speech IV <sup>2</sup>	3
<i>Playwrights</i>		
THR 621	Voice and Speech 2.1	3
THR 622	Voice and Speech 2.2	3
THR 633	Movement 3 Ballroom Dance	3
THR 634	Movement 4 Ballroom Dance	3
THR 635	Improvisational Movement 3	3
THR 636	Improvisational Movement 4	3
THR 681	Principles of Design - Creative Collaboration 1	3
THR 682	Principles of Design - Creative Collaboration 2	3
THR 623	General American Speech III <sup>3</sup>	3
THR 624	General American Speech IV <sup>3</sup>	3
<b>Total Credits</b>		<b>167-205</b>

<sup>1</sup> For selected actors only.

<sup>2</sup> For selected directors only.

<sup>3</sup> For selected playwrights only.

### Year 3: Fall & Spring - Creating a Role

This year's focus is the formation of all the students into a repertory group. While continuing with their common and specialized courses, students will develop and collaborate on the dramatic material that will be presented: a weekly series of scenes, one-act plays, and if possible full-length plays, some written by program playwrights and all of them directed by program directors and acted by program actors.

Code	Title	Credits
<b>Required Combined Courses: Actors, Directors, &amp; Playwrights Together</b>		
THR 701	Process Lab I	4

THR 702 Process Lab 2 4

**Required Individual Group Courses**

Select one of the following groups: 14-32

*Actors*

THR 703	Scene Work 3	4
THR 721	Voice and Speech 3.1	3
THR 711	Classics, Period and Style I	4
THR 735	Improviseational Movement 5	3
THR 704	Scene Work 4	4
THR 722	Voice and Speech 3.2	3
THR 712	Classics, Period and Style II	4
THR 736	Improviseational Movement 6	3
THR 707	Audition Techniques I	2
THR 708	Audition Techniques II	2

*Directors*

THR 741	Directing 3	4
THR 783	Applied Stage Design 1	3
THR 742	Directing 4	4
THR 784	Applied Stage Design 2	3

*Playwrights*

THR 751	Playwriting 5	4
THR 752	Playwriting 6	4
THR 761	Film and TV Writing Workshop I	4
THR 762	Film and TV Writing Workshop II	4

**Optional Elective Courses by Group**

Select one of the following groups: 0-24

*Actors*

THR 741	Directing 3	4
---------	-------------	---

*Directors*

THR 721	Voice and Speech 3.1	3
THR 711	Classics, Period and Style I	4
THR 735	Improviseational Movement 5	3
THR 722	Voice and Speech 3.2	3
THR 712	Classics, Period and Style II	4
THR 736	Improviseational Movement 6	3
THR 707	Audition Techniques I	2
THR 708	Audition Techniques II	2

*Playwrights*

THR 721	Voice and Speech 3.1	3
THR 711	Classics, Period and Style I	4
THR 722	Voice and Speech 3.2	3
THR 712	Classics, Period and Style II	4
THR 736	Improviseational Movement 6	3
THR 707	Audition Techniques I	2
THR 708	Audition Techniques II	2
THR 741	Directing 3	4

**Total Credits**

**137-179**

**Total Required Credits**

Actors: 102-115

Directors: 107

Playwrights: 95

## **Optional Elective Credits**

Actors: 0-19

Directors: 0-72

Playwrights: 0-79

Director, MS Program in Software Development and Engineering

#### INFORMATION TECHNOLOGY DEPARTMENT

Dr. Yegin Genc

Information Technology Department Chair

Dr. Li-Chiou Chen  
Director, MS Program in Cybersecurity

Professor Jonathan Lee  
Director, MS Program in Information Systems

Dr. Zhan Zhang  
Director, MS Program in Human Centered Design

## Accreditation and Affiliation

The faculty within the school are active members of the Association for Computing Machinery (ACM) and the Institute of Electrical and Electronics Engineers, Inc. (IEEE). The school sponsors a chapter of the Upsilon Pi Epsilon (UPE) Honor Society for the Computing and Information Disciplines.

The bachelor of science in Computer Science is accredited by the Computing Accreditation Commission (CAC) of ABET, Inc., [www.abet.org](http://www.abet.org) (<http://www.abet.org>)

Pace University is a designated National Center of Academic Excellence (CAE) in Cyber Defense Education by the National Security Agency (NSA) and the Department of Homeland Security (DHS). The program is intended to reduce vulnerabilities in the national information infrastructure by promoting higher education in cybersecurity and producing a growing number of professionals with expertise in various cybersecurity and information assurance disciplines. When available, students attending CAE schools are eligible for scholarships and grants through the Department of Defense Information Assurance Scholarship Program (IASP) and the Federal Cyber Service Scholarship for Service Program (SFS).

Pace University is part of the Design Factory Global Network (<https://www.pace.edu/seidenberg/faculty-and-research/centers-and-labs/nyc-design-factory/>), a consortium of innovation hubs at universities around the world. Through this network, student teams work together on global issues in international, interdisciplinary teams utilizing the principles of design thinking.

## Mission: Seidenberg School of Computer Science and Information Systems

The Seidenberg School of Computer Science and Information Systems prepares students for active participation and leadership in the digital space. Campuses in New York City and Westchester County, both hubs of information technology, combine with unique travel possibilities to provide a range of educational and research opportunities. Relationships with corporate partners allow students to put their education into practice almost immediately, with internships, jobs, and mentorships.

While encouraging lifelong learning among its own students, Seidenberg supports programs in other schools, ensuring all Pace students have an up-to-date, functional understanding of the latest advances. Programs build upon a foundation in the arts and sciences, and emphasize competency in theory and methodology. At the same time, classes are designed and regularly updated to reflect the rapid pace of technological development.

Since its founding in 1983, the school has been at the forefront of the tech field and is characterized by its core values:

- Excellent teaching that is informed by scholarship, professional practice, and community service,
- The integration of theory and practice in teaching and scholarly activity,
- Currency in new technology and its application,
- Creative programs and partnerships with the local and global community,
- Attentiveness to professional and social responsibility.

Seidenberg believes that a technology education should be available and accessible to everyone. All qualified students, regardless of background or experience, are welcomed as valued members of the school, and provided with personalized opportunities to achieve excellence. Throughout its programs and services, the Seidenberg School of Computer Science and Information Systems recognizes that information technologies are tools for the empowerment of people.

## Objectives of Seidenberg Programs

Consistent with the Pace tradition, the Seidenberg School seeks to integrate theory and practice in its programs and research. The design, development, analysis, application, and management of current computing systems comprise the broad spectrum over which Seidenberg creates, interprets, criticizes, and applies knowledge, with strict attention to academic standards. Competency in foundation and methodologies allow for lifelong learning and effective response to the change inherent in the technology field.

The Seidenberg School is dedicated to serving students of all ages and backgrounds through educational programs that develop skills, enhance individual and community effectiveness, extend knowledge, and encourage critical understanding of culture. Personal, professional, and social responsibility are core considerations for every student.

## Graduate Degree Programs

- Masters of Science Programs (p. 174)
- Doctoral Programs (p. 184)
- Graduate Certificate Programs (p. 185)

## Masters of Science Programs

- Computer Science, MS (p. 174)
- Cybersecurity, MS (p. 175)
- Data Science, MS (p. 176)
- Health Informatics, MS (p. 87)
- Human Centered Design, MS (p. 177)

## Computer Science, MS

**Campus:** NYC, Online

The 30-credit Computer Science, MS is built on a core of algorithms and computing theory, internet and web computing, grid and cloud computing, and database systems. Students preparing to keep ahead of the latest technologies in their current careers or change focus to a new field can complete the program online or opt for an on-campus experience.

### MS in Computer Science

The MS in Computer Science is a 30-credit program.

---

#### Bridge Course

Entering students with limited or no previous background in computer science or programming are required to take CS 505 Introduction to Computer Science with Java. This course DOES NOT count toward the degree, however grades earned are computed into the student's QPA.

Code	Title	Credits
CS 505	Introduction to Computer Science with Java	4
<b>Total Credits</b>		<b>4</b>

#### Core Requirements (12-15 Credits)

Code	Title	Credits
CS 604	Computer Systems and Concepts <sup>1</sup>	3
CS 608	Algorithms and Computing Theory	3
CS 610	Introduction to Parallel Computing	3
CS 612	Concepts and Structures in Internet Computing	3
CS 623	Database Management Systems	3

<sup>1</sup> Course is required for students whose performance in the Computer Organization and Operating Systems courses are less than the grade of "B" as evidenced on their transcripts.

#### Electives (9-15 Credits)

Students will choose courses from the current Computer Science academic catalog for a total of 9-15 credits. These can be any 600-799 level course, including:

CS 627 Artificial Intelligence

CS 641 Mobile Web Content and Development

CS 671 Computer Vision

CS 675 Introduction to Data Science

CS 677 Machine Learning

See the full list of over 20 electives here (<https://catalog.pace.edu/graduate/courses-a-z/cs/>).

Students can take up to 1 non-CS graduate level Seidenberg or Lubin MBA Foundation courses as an elective, with approval of an Academic Advisor or the Department Chair.

### Capstone Project (3 credits) or capstone thesis (6 credits)

Students are required to select one of the following options: the Computer Science Project (3 credits - last semester) or Computer Science Thesis (6 credits, last 2 semesters). Pursuing a Thesis requires the student to work on a research project under the supervision of a professor.

Code	Title	Credits
<i>Capstone Project (3 Credits, taken in last semester)</i>		
CS 691	Computer Science Capstone Project	3
<i>Capstone Thesis (6 Credits, taken in last two semesters)</i>		
CS 693	Thesis I	3
CS 694	Thesis II	3

## Cybersecurity, MS

**Campus:** NYC, Online

Pace University's MS in Cybersecurity will train you for the tech workforce of the future, where you can join a growing set of highly skilled cyber warriors that serve and protect people and their data. In a world that is becoming more and more connected, the need for dedicated cybersecurity experts is growing every day. With a master's degree in cybersecurity (<https://www.pace.edu/seidenberg/cybersecurity/>), you will be in the perfect position to join the ranks of security professionals who work to defend individuals, businesses, government, and not-for-profit organizations from hackers, phishing scams, data theft, and more. Students can choose to complete this program on-campus or online.

Code	Title	Credits
<b>Bridge Courses</b>		
CS 601C	Computational Statistics	
IS 612	Introduction to Coding	
IS 632	Business Data Communications	
or IS 656	Networks: Routing & Switching	
<b>Core Requirements</b>		
CYB 611	Introduction to Cybersecurity	3
CYB 613	Operating Systems Theory and Administration	3
CYB 621	Information Security Management	3
CYB 623	Network Security and Defense	3
CYB 625	Ethical Hacking and Penetration Testing	3
<b>Concentration Electives</b>		
See concentration electives below.		3-12
<b>Capstone</b>		
CYB 691	Cybersecurity Capstone Project	3
<b>Total Credits:</b>		<b>30</b>

## Concentration Electives

### General Concentration

Students should work with their academic advisor to select individual courses from the current academic schedule to take as electives, provided the prerequisites have been met. Students can also select electives to satisfy either one of the concentrations below.

**Four Courses/12 Credits**

## Cyber Operation Concentration

Code	Title	Credits
IT 670	Mobile Forensics Investigation	3
CS 608	Algorithms and Computing Theory	3
CYB 633	Malware Analysis and Reverse Engineering	3
Elective Course		3
<b>Total Credits</b>		<b>12</b>

## Cybersecurity Leadership Concentration

Code	Title	Credits
IS 642	Information Security Planning and Policy: NIST Standards	3
IS 643	Information Security Auditing and Risk Management:ISO Standards	3
IS 644	Business Continuity & Disaster	3
Elective Course		3
<b>Total Credits</b>		<b>12</b>

## Data Science, MS

**Campus:** NYC, Online

Pace University's Master of Science in Data Science teaches students how to apply data science methods to different fields of interest. As a student, you'll have the opportunity to conduct original research across a broad range of topics, working directly with expert faculty and industry professionals. You'll gain the skills needed to use analytical programming languages, data science tools and applications, and, importantly, you'll learn how to create knowledge from data. Knowledge based on facts is essential to successful decision-making in business, government, and even as individuals.

During your studies in the program, you'll become familiar with both the underlying theory and practical techniques necessary to succeed in data science. Moreover, you'll learn the ethical issues relevant to the design and execution of research studies. The program also integrates a research seminar so you will be aware of the latest advances in data science.

Code	Title	Credits
<b>Bridge Courses</b>		
Required if no previous background or coursework in database management or python programming; courses will count toward electives.		
CS 623	Database Management Systems	3
CS 661	Python Programming	3
<b>Core Courses (18 Credits)</b>		
CS 660	Mathematical Foundations of Analytics	3
CS 673	Scalable Databases	3
CS 675	Introduction to Data Science	3
CS 619	Data Mining	3
CS 677	Machine Learning	3
CS 676	Algorithms for Data Science	3
<b>Data Science Capstone Module (6 Credits)</b>		
CS 667	Practical Data Science <sup>1</sup>	3
CS 668	Analytics Capstone Project	3
<b>Electives (6 Credits)</b>		
Choose two courses (6 credits) with advising consultation. Three credits must be in Computer Science Courses.		
Bridge courses, if taken, will count as electives.		
<b>Total Credits</b>		<b>30</b>

<sup>1</sup> Student must complete all Core Courses prior to taking this course.

## Health Informatics, MS

Campus: Online

### Be a part of the future of health care

The master's degree in Health Informatics (MSHI) is an exceptional interdisciplinary program situated at the intersection of healthcare, data, and technology designed for those currently working in healthcare, who have analytical roles outside of healthcare, and who may be looking to change careers.

The fully online program is asynchronous and is ideal for those working full time, having many responsibilities, or who have non-traditional schedules. The 30-credit program (10 three-credit courses) is aligned with the seven foundational domains of applied health informatics and can be completed in as little as five semesters. Each semester, students take one analytics class, taught through the Seidenberg School of Computer Science and Information Systems, and one course on health informatics administration, taught through the College of Health Professions. In their 5th semester, students are enrolled in a capstone course and will complete 120 hours of practical experience at a site of their choosing.

You'll be prepared to work at top institutions in the field, including Memorial Sloan Kettering, NewYork-Presbyterian, Columbia Medical Center, and New York University, as well as major pharmaceutical companies, including Pfizer, Regeneron, and Bayer, or health technology companies such as Twill, Quartet Health, and Noom.

Code	Title	Credits
<b>Required Courses</b>		<b>30</b>
HINF 610	Healthcare Environments and Delivery Systems	3
HINF 615	Ethics, Privacy, and Security	3
HINF 630	Clinical Systems A	3
HINF 635	Clinical Systems B	3
HINF 691	Evidence-Based Practice and Research for Health Informatics	3
IS 613	Database Management Systems	3
IS 638	Introduction to User Experience Design	3
IS 669	Big Data and Information Systems	3
IS 678	Location Analytics and Web GIS	3
IS 680	Data Science I: Introduction to Data Science and Visualization	3
<b>Program Credit Total</b>		<b>30</b>

## Human Centered Design, MS

Campus: NYC

Human-centered design exists at the intersection of computer science, information systems, cognitive science, and interaction design. That makes it the perfect program for creative students looking to dip into technology, and for tech lovers to learn about design. This brand new degree has been developed to offer the latest in theory, concepts, and best practices in the UX/IX landscape. With this degree, you will equip yourself with the skills and expertise to become a practitioner, researcher, and leader in the next generation of human-computer interfaces.

Code	Title	Credits
<b>Required Foundation Courses</b>		<b>18</b>
IS 638	Introduction to User Experience Design	3
CS 659	Introduction to Human Computer Interaction	3
IS 628	Research Methods for User Experience	3
CS 663	Human Factors and Usability Metrics	3
IS 630	Prototyping and User Experience	3
HCD 691	User Experience (UX) Capstone Project <sup>1</sup>	3
or CS 665	Product Development Project	

<sup>1</sup> Students may choose to take both HCD 691 and CS 665. If a student opts to take both courses, then one of the two will be counted as an elective.

Code	Title	Credits
<b>Development Concentration Electives <sup>2</sup></b>		<b>12</b>
CS 639	Mobile Application Development	3
CS 641	Mobile Web Content and Development	3
IS 612	Introduction to Coding	3
IS 623	Information Systems Design and Development	3
IS 629	Programming User Interfaces	3
IS 680	Data Science I: Introduction to Data Science and Visualization	3
<b>Design and Evaluation Concentration Electives <sup>2</sup></b>		<b>12</b>
IS 617	Information Systems Principles	3
IS 627	Visual Design for Technology	3
IS 676	Foundations of Social and Mobile Technologies	3
IS 679	Cognitive Science and Technology	3
IS 685	Ethical Issues in Artificial Intelligence	3
IS 687	Social and Collaborative Computing	3
IS 689	Human-AI Interaction	3
IS 690E	Topic: Information Architecture	3
IS 690J	Topics: Virtual and Immersive Experience Design	3

<sup>2</sup> Students may take electives from both concentrations and are not required to choose one concentration over another.

---

Code	Title	Credits
<b>Total Program Credits</b>		<b>30</b>

## Information Systems, MS

Campus: NYC

Global companies gain a competitive advantage through the methods they use to collect, process, transmit, and disseminate data and information. For now and the foreseeable future, the fastest-growing jobs in our economy come from the field of Information Systems. The skills, knowledge, and talents of IS personnel separate great companies from their competitors. A 30-credit Pace Master of Science in Information Systems prepares you to deliver these advantages. You'll benefit whether you are new to Information Systems or if you have an undergraduate degree in the field.

The program's foundation and core programs consist of offerings in systems design and development, project management, organizational structure, networks and telecommunications, and relevant topics associated with software, hardware, and telecommunications infrastructure.

After completion of foundation and core coursework, you will select a 9-credit knowledge area of specialization in either Database Management, Data Science, Business Intelligence, User Experience, Health Information Systems, and Security and Information Assurance. The program culminates in a capstone project that integrates all you have learned while pursuing your degree.

### Required Courses

Code	Title	Credits
<b>Foundation Courses <sup>1</sup></b>		
IS 612	Introduction to Coding	3
IS 613	Database Management Systems	3
IS 617	Information Systems Principles	3
IS 623	Information Systems Design and Development	3
IS 632	Business Data Communications	3
<b>Capstone</b>		
IS 692	Research Project Seminar	3

<sup>1</sup> Courses for students who have limited or no previous background in the field of Information Systems. These courses are required unless specifically waived by the Department Chair. Waived courses must be replaced with an elective course.

## Concentrations

Students have the option to select a concentration or fulfill the remainder of their credits through individual elective courses. Students may review the concentrations from the Master of Science Information Systems Curriculum Catalog (<https://catalog.pace.edu/graduate/courses-a-z/is/>). Suggested options include:

### Database Management Concentration

Code	Title	Credits
IS 664	Database Programming	3
IS 667	Database Design and Development of Web Applications	3
IS 669	Big Data and Information Systems	3

### Data Science Concentration

Code	Title	Credits
Select three of the following:		
IS 669	Big Data and Information Systems	3
IS 678	Location Analytics and Web GIS	3
IS 680	Data Science I: Introduction to Data Science and Visualization	3
IS 682	Data Science II: Data Mining Algorithms and Applications	3
IS 684	Web Mining	3

### Business Intelligence Concentration

Code	Title	Credits
Select three of the following:		
IS 637	Information Systems Project and Change Management	3
IS 664	Database Programming	3
IS 675	Customer Relationship Management: Process and Technologies	3
IS 678	Location Analytics and Web GIS	3

### User Experience Concentration

Code	Title	Credits
Select three of the following:		
IS 627	Visual Design for Technology	
IS 628	Research Methods for User Experience	
IS 638	Introduction to User Experience Design	
IS 690E	Topic: Information Architecture	

### Health Information Systems Concentration

Code	Title	Credits
<b>Public Administration Courses</b>		
PAA 665	Seminar in Health Services Management	3
Select one of the following:		
PAA 602	Organization Theory and Management	
PAA 604	Budgeting and Financial Analysis	
PAA 650	The United States Health Care System	
PAA 652	Health Policy Studies	
PAA 661	Hospital and Health Services Administration	
PAA 662	Health Planning	
PAA 666	Health Care Economics	

### Information Systems Course

Code	Title	Credits
Select one of the following:		
IS 637	Information Systems Project and Change Management	
IS 668	Foundation of Geographic Information Systems	
IS 672	Healthcare Innovation and Technology: Industry Trends, Challenges and Opportunities	
IS 674	Digital Health Technologies	
IS 680	Data Science I: Introduction to Data Science and Visualization	

**Security and Information Assurance Concentration**

*Prerequisite:* Please discuss with your advisor which course(s) are required.

Code	Title	Credits
Select three of the following:		
IT 603	Overview of Information Security	3
IS 641	Information Security and Controls	3
IT 660	Network Security	3
IT 662	Web and Internet Security	3
IT 664	Computer and Internet Forensics	3

**Electives \***

Students who elect not to pursue a concentration should consult with their Academic Advisor to select individual elective courses from the Master of Science Information Systems Curriculum Catalog and the current academic schedule, provided prerequisites for the courses have been met.

Code	Title	Credits
IS 639	Information Systems Planning and Policy	3
IS 647	Legal Issues in Information Systems	3
IS 668	Foundation of Geographic Information Systems	3
IS 676	Foundations of Social and Mobile Technologies	3
IS 680	Data Science I: Introduction to Data Science and Visualization	3

\*Students can take up to two (2) graduate level (non-Information Systems) Seidenberg or Lubin foundation courses as an elective, with approval of an Academic Advisor or Department Chair.

**Total Credits: 30**

# Information Technology, MS

**Campus:** Online

As the Internet continues to impact business and society globally, the demand for professionals with the ability to understand, develop, and apply Internet technology will continue to grow. A 30 credit Pace Master of Science in Information Technology online degree (<https://online.pace.edu/graduate-programs/ms-information-technology/>) gives you the skills and knowledge to lead businesses as they face dynamic challenges.

A highly accessible and supportive faculty share their expertise with you in Java Enterprise Edition technology, Web server technology, e-commerce technology, cyber/Web security, and many other areas.

After fulfilling core requirements, you will embark on a curriculum that requires a concentration in cybersecurity, and then complete a 3-credit capstone project.

Entering students need not hold an undergraduate degree in a computer-related discipline or have experience in the concentration. You will complete your degree completely online.

**Core requirements (9 credits)**

Code	Title	Credits
<b>Core Requirements (9 Credits)</b>		
<b>Required Course:</b>		
IT 603	Overview of Information Security	3
<b>Select two from the following courses:</b>		
The other two remaining courses may also be taken and will be applied as electives.		
IT 605	Database Management Systems	3
IT 607	Systems Development and Project Management	3
IT 610	Web Development with Contents Management Systems	3
IS 612	Introduction to Coding	3

## Concentrations

### CyberSecurity Concentration (12 Credits)

Code	Title	Credits
<b>Concentration Courses</b>		
Select four of the following courses:		
IT 660	Network Security	3
IT 662	Web and Internet Security	3
IT 664	Computer and Internet Forensics	3
IT 666	Information Security Management	3
IT 670	Mobile Forensics Investigation	3
Students who have not taken IT 612 as a required course may apply this course to the Cybersecurity Concentration.		

### Network Administration Concentration (12 Credits)

Code	Title	Credits
IS 650	Telecommunications Management	3
IT 640	Introduction to Cloud Computing Technology	3
IS 656	Networks: Routing & Switching	0-3
IT 660	Network Security	3

## ELECTIVES (6 CREDITS)

Students should consult with their Academic Advisor when choosing individual courses from the current academic catalog to fulfill elective credits. Courses can be chosen provided the prerequisites are met. Students may take IT electives or any Seidenberg graduate course or graduate Lubin MBA/MGT/MAR course for which they have completed any prerequisite course and obtained the department chair's approval.

### Capstone (3 Credits)

Code	Title	Credits
IT 691	Capstone Project	3

**Total degree (30 Credits)**

# Software Development & Engineering, MS

**Campus:** NYC, Online

This program is one of the very few graduate programs in Software Development and Engineering in the entire New York City area, and it can be completed on-campus or online. This advanced program provides you with the opportunity to focus on the application of engineering principles to the development process and is distinguished by a rigorous, in-depth study of the problems of managing, designing, developing, delivering, and maintaining large software systems.

Students completing the MS in Software Development and Engineering program will be prepared to sit for the exam leading to the Certified Software Development Associate (CSDA) credential developed by the Computing Society of the IEEE, the world's leading organization of computing professionals. Students who successfully pass this exam will enter the field, or continue their careers, with both an impressive degree and a highly coveted certification; a powerful combination for professional advancement.

All incoming students are required to have an undergraduate or graduate degree in computer science or related experience.

Although competency in programming is required for admission into the program, any student lacking knowledge of the object-oriented paradigm will be required to take SE 602 Fundamental Computer Science I with Java. Credits taken for the preparatory course do not count toward the degree. However, the grade earned is computed into the student's GPA.

Code	Title	Credits
<b>Preparatory Courses</b>		
SE 602	Fundamental Computer Science I with Java	(4)
<b>Core Requirements</b>		
SE 616	Introduction to Software Engineering	4
SE 673	Software Design Methodologies	4
SE 675	Requirements Engineering	3
SE 677	Software Reliability & Quality Assurance	3

SE 679	Contemporary Software Engineering Theory and Practice	4
<b>Recommended Electives</b>		
Select 12 credits of the following:		12
<i>Software Engineering Electives</i>		
SE 700	Independent Study in Software Engineering	
SE 741	Formal Software Development	
SE 765	Distributed Software Development	
SE 770	Software Risk Management	
<i>Other Electives</i>		
IS 637	Information Systems Project and Change Management	
IS 639	Information Systems Planning and Policy	
CS 639	Mobile Application Development	
CS 653	Cryptography and Computer Security	
IT 660	Network Security	
IT 662	Web and Internet Security	
<b>Capstone</b>		
Select six credits from the following options:		6
<i>Option 1</i>		
SE 000	SE-Advanced Elective	
SE 785	Software Engineering Studio	
<i>Option 2</i>		
SE 701	Software Development Thesis I	
SE 702	Software Development Thesis II	
<i>Option 3</i>		
SE 000	SE-Advanced Elective	
IEEE 000	IEEE Certification <sup>1</sup>	
<b>Total Credits</b>		<b>36</b>

<sup>1</sup> IEEE Certification is equivalent to 3 credits of graduate-level coursework.

## Telecommunications Systems and Networks, MS

Campus: NYC

In an increasingly interconnected world, telecommunications professionals need both a strong foundation and the skills and knowledge to foster innovation. No program provides a greater understanding of the field of telecommunications than the 36-credit Pace Master of Science in Telecommunications Systems and Networks.

Specifically designed to offer students a comprehensive and multifaceted education in computer networking and telecommunications, this curriculum covers all the significant aspects including technology, management, and policy. It emphasizes current and emerging Internet-related technologies and applications. The broad nature of the program is ideal for those who wish to enter the field of telecommunications, or current professionals looking for that edge to stay ahead in this ever-changing industry.

### Bridge Courses (0-7 Credits)

An entering student with limited or no previous background in the field of computer science or programming may be required to take up to 7 credits of prerequisite bridge coursework. A student with a baccalaureate in computer science should be able to waive these prerequisites. For others, some or all of the following courses may be required. Bridge courses do NOT count toward total required credits.

Code	Title	Credits
CS 505	Introduction to Computer Science with Java	4
CS 604	Computer Systems and Concepts	3

## Program Requirements (36 Credits)

Code	Title	Credits
<b>Core Requirements (27 Credits)</b>		
CS 607	Simulation and Computer Network Analysis	3
CS 633	Data Communications and Networks	3
CS 634	Computer Networking and the Internet	3
CS 636	Optical Communications and Networks	3
CS 637	Wireless Communications	3
CS 654	Security in Computer Networking	3
IS 650	Telecommunications Management	3
IS 652	Telecommunications Policy and Environment	3
IS 654	Cases in Telecommunication Systems	3
<b>Electives (9 credits) <sup>1</sup></b>		
Elective I		3
Elective II		3
Elective III		3
<b>Total Credits</b>		<b>36</b>

<sup>1</sup> Electives may be selected from Seidenberg courses in the Computer Science (CS) and/or the Information Systems (IS) offerings. Students may choose individual courses from the current academic schedule to fulfill elective credits, provided prerequisites are met.

# Doctoral Programs

- Computer Science, PHD (p. 184)

## Computer Science, PHD

Campus: Westchester

With its selective application process and small cohort size, the PhD in Computer Science (<https://www.pace.edu/seidenberg/computer-science-phd/>) aims to cultivate advanced computing research scholars and leaders who will excel in both industry and academia. Students work closely with faculty experts to conduct original research in their chosen field. Research areas include artificial intelligence, robotics, machine learning, cybersecurity, data science, healthcare technology, biometrics, business process modeling, and educational approaches using emerging computing technologies.

Code	Title	Credits
<b>Advanced Requirements</b>		
CS 801	Advanced Algorithms	4
CS 816	Introduction to Big Data Analytics	4

CS 806	Dissertation Preparation	4
CS 806	Dissertation Preparation	4
CS 806	Dissertation Preparation	4
MM 803	Maintain Matriculation-CS PhD	0
<b>Total Credits:</b>		<b>44</b>

### QUALIFYING EXAM REQUIREMENT

Each student needs to pass three qualifying exams one of them should be in the area in which the student will write the dissertation. The student may take the qualifying exam embedded in a course without taking the course. If a student fails in a qualifying exam, he/she must retake it. If a student fails in a qualifying exam twice, he/she must leave the program. All qualifying exams must be passed by the end of the second year.

All students need to take the Advanced Algorithms qualifying exam and pass with a minimum grade of "B." Students who pass with a grade of "A" can count this exam toward the required three qualifying exams. Students who pass with a grade of "B" are not able to count this toward one of the required three qualifying exams.

## Graduate Certificate Programs

- Software Development and Engineering Certificate (p. 185)

### Software Development and Engineering Certificate

**Campus:** Online

The need continues for software developers who are knowledgeable and well prepared to meet the challenges of modern software development. Those unable to complete a full graduate program in software development and engineering may wish to elect the Advanced Certificate in Software Development and Engineering. The Computer Science Department has designed a four-course sequence to teach students the fundamentals of the software development and engineering process.

#### Certificate Requirements

Code	Title	Credits
<b>Course Requirements</b>		
SE 673	Software Design Methodologies	4
SE 675	Requirements Engineering	3
SE 677	Software Reliability & Quality Assurance	3
SE 000	Software Engineering-Two Electives	3
<b>Total Credits</b>		<b>13</b>

For those students with advanced preparation, other courses from the MS program may be substituted with the permission of the chair. Any student who wishes to pursue an MS in Software Development and Engineering after completing the certificate requirements will be sufficiently prepared to matriculate in the program, provided all other admission requirements are satisfied.

Gainful Employment Disclosure for students in an approved non-degree certificate program.

## General Information

### Administration

Tresmaine Grimes, PhD, Dean, Dyson College of Arts and Sciences and School of Education

Brian Evans, EdD, Associate Dean and Professor

Francine Falk-Ross, PhD, NYC Department Chair and Professor

Shobana Musti, PhD, Westchester Department Chair and Professor

Erika Altolaquirre, Executive Director, Administration and Accreditation

Desiree Narciso, Director of Marketing and Communications

Linda Guyette, Director for Certification Services

Ann Marie McGlynn, Director, Centralized Advisement

Joanna Lockspeiser, Academic Advisor, NYC

Jennifer Argenta, Director of School Partnerships, Westchester

Jill Weinberg, Director of School Partnerships, NYC

Cassandra Hyacinthe, Alternative Certification Program Officer, NYC

Elizabeth Luongo, Senior Staff Associate

## Accreditation and Affiliations

All Pace School of Education teacher certification programs are registered with and approved by the New York State Education Department. Pace University School of Education is a proud member of the Association for Advancing Quality in Educator Preparation (AAQEP). AAQEP is an accreditation organization for educator preparation programs founded in 2017 to promote the preparation of effective educators by way of innovative, outcomes-focused programs that engage education's toughest challenges, directly and in context. AAQEP's comprehensive standards for educator preparation examine and verify an institution's performance and level of excellence in program practices. Pace University is also Middle States Accredited.

## Vision Statement: Making Education Public

The more we discuss education publicly, the better opportunities our schools can create for our children. Education and opportunity are inherently intertwined. We believe that our public schools directly shape our society for generations to come. An inclusive society demands inclusive public schools. At Pace University, we prepare inclusive teachers to systematically honor the unique learning needs of every child, the unique gifts of every community, and the unique potential of education to transform a family's future. And it all starts with making education public.

## Mission and Conceptual Framework

The mission of the School of Education is to affect quality teaching and learning in public and private early childhood, childhood, secondary, and non-school settings by preparing educators who are reflective professionals who promote social justice, create caring classroom and school communities, and enable all students to be successful learners.

The School of Education believes that a fundamental aim in education is to nurture the development and growth of human potential within a democratic community. Therefore, we prepare graduates of our programs to be:

- Reflective professionals
- Who promote social justice
- Create caring classroom and school communities
- Enable all students to be successful learners

These themes form the conceptual framework for the outcomes of the School of Education Programs and guide every aspect of preparing educators for K-12 settings through planning, assessment, and evaluation at both candidate and program levels.

As **reflective professionals**, our candidates learn to appreciate the continuity between theory and practice and seek an understanding of themselves in relation to others as part of an evolving historical process. Our candidates are expected to take multiple perspectives and to become self-conscious about their own learning. At Pace, we understand that reflective practice is the lens through which teacher educators and candidates see our professional lives. The reflective process is promoted through class discussions, course readings and assignments, case studies, field experiences, self-assessment, and student teaching.

To become professionals who **promote justice**, our candidates learn to address justice and equity in the following areas: protection under the law, distribution and use of material and other resources, and access to opportunities within and among nations. As we understand it, justice also implies a balance between the rights of individuals and the needs of society. Through challenging coursework and varied field experiences our candidates are provided with multiple opportunities to recognize injustice and to learn how they can promote justice both within and without their classrooms.

**Caring classrooms and school communities** are seen as places where an "ethic of care" is developed and as places for instructional excellence. At Pace, we draw on our own experience of working in a caring community among faculty, staff, and candidates to model and nurture our candidates by coming to know, respect, and learn from one another. We see our classrooms as places where mutual respect and learning provide candidates with a framework for future practice.

Our fourth theme is both the culminating framework element for all our programs and the ultimate goal of our School of Education. **Enabling all students to be successful learners conveys** our awareness of the diversity within American schools and our respect for each student's prior experience and personal background. When we say **successful learners**, we refer to students who develop active habits of questioning and inquiry; who are self-initiating problem posers and problem solvers; who seek to construct deep understandings about complex situations, based on prior knowledge; and who obtain the knowledge, skills, and dispositions to succeed in an ever-changing world. We expect our graduates to facilitate their students' application of multiple alternative strategies for coping with novel situations and enhance their ability to make connections across different experiences, events, information, and time periods, and reflect on their own learning processes.

The School of Education is charged with the responsibility of preparing educators who will embrace and promote teaching and learning as lifelong priorities. Through the work of our faculty and graduates, equipped with sound and rigorous knowledge, skills, dispositions, and a rich practice base, we can prepare professional educators who exemplify these themes.

## School-Based Experiences: Fieldwork and Student Teaching

The Pace School of Education provides candidates with intensive school-based experiences for candidates through school partnerships. Structured field experiences are linked to every course in a program of study. Student teaching is a semester-long, full-time teaching experience.

Coursework links directly to these field experiences through readings, assignments, and class discussions; and teaching faculty and clinical faculty work together to help candidates apply the theories of learning and teaching to school practice. During the student teaching experience, a Pace clinical supervisor is assigned to each candidate. Clinical supervisors are members of the Pace University faculty or adjunct professors who have been assigned to observe, assess, and confer with the student teacher candidate and mentor teacher. The supervisor provides written and verbal feedback to the student teacher candidate.

Teaching faculty assign experiences for candidates to complete in fieldwork, student teaching, and design rubrics and checklists that the clinical faculty use to assess the candidates' knowledge, skills, and dispositions.

## School of Education Facilities

The School of Education occupies Buchsbaum House on the Pleasantville campus, as well as the 11th floor at 161 William Street on the New York City campus.

Both campuses contain staff, faculty, and department offices, a video conferencing room, classroom, and resource materials for lesson plan preparation.

## Academic Standing Regulations

### Academic standing regulations\*

#### Professional Behaviors and Dispositions

As a school preparing future educators, we have specific expectations for the professional dispositions and behaviors exhibited by our teaching candidates both in and out of the classroom. In addition to consistently meeting our academic standards, we require all of our teaching candidates to meet the professional standards outlined below in order to be admitted to the School of Education and to remain in good standing. We believe that these standards are essential to good teaching, and work to promote them in ourselves as well as our candidates. The professional standards are as follows:

- Teacher candidates must exhibit a respect for the opinions and feelings of others, and value diversity of thoughts and ideas.
- Teacher candidates must take responsibility for their own actions, and recognize the value of intrinsic motivation for themselves and others.
- Teacher candidates must commit to the creation of a positive learning environment for themselves and those around them.
- Teacher candidates must be thoughtful and responsive communicators, both in speaking and listening roles.
- Teacher candidates must exhibit promptness, consistent attendance and follow-through in relation to School of Education and field-work requirements and procedures.
- Teacher candidates must exhibit an openness and receptivity to constructive criticism and feedback.
- Teacher candidates must use discretion, and respect the confidentiality of their peers, as well as any children with whom they might be working.
- Teacher candidates must present themselves in ways that positively reflect Pace University and the School of Education, and that are consistent with the School's commitment to social justice and caring classrooms.

Due to the responsibility with which teachers are entrusted, we believe that our students meet high academic as well as dispositional standards. Failure to meet these standards may result in either failure to be admitted to the School or dismissal from the School.

## Maintaining Good Standing in the School of Education

Once admitted to the School of Education, the applicant is considered a candidate for teacher certification and is, therefore, subsequently referred to as a candidate. To remain in good standing and progress through a School of Education program, a candidate must maintain a QPA of at least 3.0, must earn a grade of B or higher in each education course, and must meet the disposition and performance expectations of the School.

## Summary of Criteria For Program Continuation, Completion, and Eligibility for Teacher Certification

Once admitted, teacher education candidates must continue to demonstrate success in each of the essential aspects of the teacher preparation program:

- understanding the theories presented in coursework;
- practicing teaching skills during fieldwork in the Centers for Professional Development (CPD);
- demonstrating the knowledge base of the program in course work and examinations; and
- evidencing the dispositions required for teaching.

While successful teachers merge theoretical understandings and skills of practice in their classrooms daily, candidates preparing to be teachers must sometimes demonstrate their knowledge and skills separately. It is possible to be successful in coursework and not in fieldwork, or the reverse, or to be successful in both but not demonstrate the dispositions required to teach. Since teachers must be strong in knowledge, skills, and dispositions, candidates who are permitted to continue in the program must demonstrate their abilities in educational theory and practice as well as their content knowledge in the liberal arts and their certification area(s). In student teaching, the components of content knowledge, educational theory, practice, and appropriate dispositions are combined. Successful completion of student teaching and passing scores on the New York State Teacher Certification Examinations (NYSTCE) are required before a candidate is eligible for certification.

### 1. Success in coursework is defined as:

- An overall QPA of 3.0.
- A grade of B or better in each education course.

### 2. Success in student teaching is defined as:

- Meeting the performance indicators for student teaching throughout the semester as defined on the assessment matrix.
- A grade of P in student teaching.
- A positive recommendation from both the Pace Supervisor and the Mentor Teacher.
- A passing capstone project as defined in the guidelines.

### 3. Success with the NYSTCE is defined by the scores established by New York State on the following exams:

- Educating All Students Test (EAS)
- Content Specialty Test (CST) in the certificate field(s).

## Grading Policy For MA in Higher Education Administration and Student Affairs

Students in the MA in Higher Education Administration and Student Affairs (HEASA) program must maintain an overall GPA of 3.0 throughout the duration of their studies. Students who drop below 3.0 will be placed on probation and will have one semester to raise their GPA. If the GPA is not above 3.0 after the probation semester, the student will be dismissed from the program with the option of an appeal. All appeals will be reviewed by the Program Director. Accepted appeals will allow the student another semester to raise their GPA. Rejected appeals will result in final dismissal from the program.

**\* For further information, and the most up to date academic standards, please visit the School of Education graduate policy webpage. (<https://www.pace.edu/school-of-education/life-soe/graduate-academic-policies/>)**

## Academic Probation and Dismissal Policy

Once admitted to the School of Education, the applicant is considered a candidate for teacher certification. To remain in good standing and progress through a School of Education program, a candidate admitted to School of Education must maintain throughout the program the same standards as those for admission.

Prior to admission to the School of Education, University probation and dismissal policies apply. Upon admission to the School of Education the following probation policy applies; candidates will be placed on probation when:

- The candidate's overall QPA falls below 3.0.
- The candidate receives a grade below "B" in any education course.

In the first semester that a candidate is placed on academic warning, he or she is required to meet with an adviser to develop an Action Plan to return to good standing. Probationary status may include restrictions on the type or number of courses that the candidate will be allowed to register for, and/or referral to the Center for Academic Excellence, or other support centers, for academic skill development. A candidate may also be required to retake courses. At the end of the academic warning period, the candidate must either achieve the academic requirements or show significant academic improvement in order to continue in the School of Education.

If students at the candidate level fail to achieve the required QPA or grades after the academic warning period, they may not continue in the School of Education. Candidates may appeal their dismissal from the School of Education by sending a written appeal to the Associate Dean of the School of Education no later than two weeks from the receipt of written notification of removal from the School of Education. Students may not continue in the School of Education if they fail to meet the academic requirements for more than two semesters (consecutive or nonconsecutive).

## Advisement

Academic advisement concerning programs of study, courses, and relationship of graduate work to career goals is available to all candidates. Upon admission, all candidates are assigned a faculty advisor. It is strongly recommended that candidates meet with their assigned faculty advisor prior to registration. Candidates who progress through the program without the advice of a faculty advisor run the risk of delaying their program completion.

## Career Services

At Pace, your academic learning is integrated with real-world experience through internships and case studies. Pace's relationships with the schools in the region bring you unparalleled opportunities to work in diverse educational settings.

Pace University's Office of Career Services offers a comprehensive array of services at no cost to students. Professional career counselors will help you define your goals, plot a career change, or develop job search strategies and interview skills. And these benefits are for life—alumni are always welcome to come back to Pace for personalized career assistance. Services include:

- Job-search databases and access to online job postings
- Hundreds of alumni career advisers and an instant network of great contacts
- Interviewing workshops
- Credential files
- Campus recruiting programs and career fairs
- Job referrals

**For further information, and the most up to date academic standards, please visit the School of Education graduate policy webpage. (<https://www.pace.edu/school-of-education/life-soe/graduate-academic-policies/>)**

## Student Organizations

### PI LAMBDA THETA

Pi Lambda Theta (PLT) is an International Honor and Professional Association in Education. Its purpose is to recognize individuals with superior scholastic achievement and a high potential for professional leadership and to stimulate independent thinking educators who can ask critical questions to improve educational decision making. Members of PLT must have a minimum QPA of 3.5 and are either seniors or graduate students obtaining a degree in education.

### KAPPA DELTA PI

KDP is an international honor society dedicated to building a community of educators committed to scholarship and excellence in education. Members value, and have pledged to cultivate and recognize, scholarly work and excellent practice in their locales. Pace University's chapter seeks to make a difference in our immediate neighborhood as members contribute their time and talents to programs they develop together. Through planning and directing educational and fundraising events, members experience professional growth and explore what it means to be a leader.

## State Certification Options

Pace University graduate programs lead to two different levels of New York State teaching certificates, the Initial certificate and the Professional certificate. The academic requirements for the Initial Certificate are met through all Pace teacher preparation programs. To continue to teach in New York, a student must ultimately obtain a Professional certificate.

Additional information regarding New York State Teaching Certificates, including time limits and specific criteria, can be obtained at [www.nysed.gov](http://www.nysed.gov) (<http://www.nysed.gov>). For information on certificate requirements in another state, students should contact the teacher certification bureau for that state. Pace programs meet the academic requirements for certification in most other states, especially those states that are, like New York, members of the Interstate Certification Compact.

Additional teaching certificates and extensions allow the holder of a certificate to teach an additional student population, grade, or subject. Each certificate or extension requires additional coursework, field-based experiences, and/or certification examination(s). Within Pace University programs, students can become eligible for the following specialty certificates and extensions:

- Bilingual Education Extension
- TESOL Education Extension
- Literacy Specialist Advanced Certificate
- Middle School Education Extension to Grades 5-6
- Middle School Education Extension to Grades 7-9
- Adolescent Special Education Advanced Certificate
- Childhood Special Education Advanced Certificate
- Early Childhood Extension

Please discuss additional certificates and extensions with your adviser or the Director of Certification Services.

New York State requires that candidates for all teaching certificates successfully complete New York State Teacher Certification Examinations (NYSTCE).

## **New York State Certification Examinations**

Candidates will be required to pass the following exams for Initial certification:

- the Educating All Students Test (EAS), and
- the Content Specialty Test (CST) for each certificate area sought.

Pace University integrates information about, and preparation for, these examinations throughout each of our programs, and has a variety of resources available on the School of Education certification website (<https://www.pace.edu/school-of-education/certification/>). Students seeking certification in other states are required to pass examinations specified by that state. Information is also available on each state's education department website.

## Graduate Degree Programs

- Masters of Science in Education (MSEd) (p. 192)
- Master of Science for Teachers (MST) (p. 200)
- Master of Science (MS) (p. 210)
- Master of Arts (MA) (p. 212)
- Advanced Certificates (p. 214)

## Masters of Science in Education (MSEd)

- Educational Leadership-School District Business Leader, MSEd (p. 192)
- Literacy Specialist and Special Education (Adolescent Track), MSEd (p. 193)
- Literacy Specialist and Special Education (Childhood Track), MSEd (p. 194)
- Literacy Specialist and TESOL, MSEd (p. 195)
- Literacy Specialist, MSEd (p. 196)
- Special Education, MSEd (p. 197)
- Teaching English as a New Language, MSEd (p. 198)

## Educational Leadership-School District Business Leader, MSEd

**Campus:** Online

### About

The ever-changing demands on our public schools require administrative leaders who can successfully manage the vital business functions for success and sustainability. The Pace University School District Business Leader online program prepares flexible, visionary and reflective school business leaders with the skills necessary to create and sustain financial and operational functions within a school district to help ensure the quality of learning for all students. Instruction is online and participants will work with a cohort of peers within a professional network.

This 36-credit program will lead to a master's degree in Educational leadership, specializing in School District Business Leadership. This program consists of a five-semester program (two academic years and a summer) and includes a 600-hour internship (six credits of the program). Candidates will be required to successfully complete the required New York State Certification Examination for School District Business Leader to earn State certification.

### For

Professionals who hold a master's degree (in education, business or other fields) and want to help shape public education by taking on non-instructional leadership positions to successfully manager public schools' various business functions.

### How You Learn

The online program was developed by the School of Education faculty at Pace University and is offered in partnership with the Putnam/Northern Westchester BOCES Center for Educational Leadership. The MSEd in Educational Leadership-School District Business Leader program, which is offered online, requires active involvement and provides ongoing feedback to support student learning and skill development. There are multiple opportunities for group interaction through weekly synchronous sessions. Students will be part of an online learning community who shares similar interests and career goals.

### Career Outcomes

The role of a School District Business Leader is becoming increasingly important in a new era of unprecedented public scrutiny and calls for accountability in the management of our schools and the resources to educate our youth. Both tracks of this program will prepare candidates and graduates for the challenges and requirements for New York State certification as a School District Business Leader. Career possibilities include roles in certificated positions such as Assistant Superintendent for Business.

### Schedule and Tuition

A new cohort of the School District Business Leader Program begins each Fall. Degree coursework will be completed over two years, in Fall, Spring, and Summer sessions. The Internship component, EEL 696 Internship and Seminar in Educational Administration, will be taken at 1.5 credits over four (four) semesters. Please consult the program coordinator or the School of Education Web site for more detailed information.

For more information about admission requirements, tuition, and the program schedule, please contact Thomas P. Higgins Jr., EdD, Educational Leadership Program Coordinator in Westchester, at (914) 773-3780 or thiggins@pace.edu

MSEd candidates must also complete the required DASA (Dignity for All Students Act) workshop. Course is offered at Pace (EDG 511D DASA-Harassment, Bullying, Cyberbullying and Discrimination in Schools, Prevention and Intervention)

## Literacy Specialist and Special Education (Adolescent Track), MSEd

The Dual Certification for Literacy and Special Education offered on the New York and Pleasantville campuses provides a program of teacher education to students in the fields of both content area literacy and special education. Classes are offered in Research, Differentiated Teaching Methods, Diagnosis and Assessment, Technological Integration, Writing and Media Production, and Literature. The 39-credit degree permits students to develop a solid level of competence in the field, grounded in teaching a diverse population of students with ranges in achievement competencies. Classes will be offered through face-to-face, hybrid, and online coursework in lecture, field experiences, and practica experiences.

The practica will take place in the final semester in which the candidates complete 50-hours in Literacy in Adolescent (in young adolescent and then high school level placements) tracks as was chosen, and also in 40 full-time days in the same track in Special Education. In some circumstances, the required practica can take place over two full semesters in after-school hours.

## Certification

## Literacy Specialist and TESOL, MEd

The Literacy Specialist and TESOL (Teaching English to Speakers of Other Languages) MEd is a dual degree program for certified teachers that seek to enhance their careers. With a focus on instruction and literacy development, this program is ideal for teachers with linguistically and culturally diverse classrooms. The Literacy Specialist and TESOL MEd connects language knowledge fundamentals with attention to cultural experiences, for today's globalized classroom.

### Program Overview

The Literacy and TESOL MEd, modeled after the current Literacy MEd and TESOL programs, integrates contemporary theory and practice in a variety of educational areas including language and literacy development, culturally responsive teaching, digital literacies, children and adolescent literature, as well as learning strategies for children who struggle to read or write.

### Field Experience

Literacy and TESOL students complete substantial fieldwork and mentored experiences that surpass state requirements. Candidates can choose from our faculty-led abroad courses in Italy, Ecuador, or Cuba as one of their required TESOL courses.

### Certification and Career Outcomes

Graduates leave Pace with the knowledge and skills to lead and meet the changing educational needs of their communities. Some career options include:

- Pre-K-12 English to Speakers of Other Languages and Literacy;
- Literacy/TESOL Coaches who assist teachers in developing curriculum that better serve student's cultural differences.

### Requirements

- New York State classroom teaching certificate (Initial or Professional)
- A bachelor's degree or higher from an accredited institution (official transcripts documenting degree must be submitted).
- A minimum cumulative GPA of 3.0 or equivalent.
- Submission and review of official transcripts from ALL institutions attended.
- Completion of the application process, including a personal statement, two letters of recommendation, and, in some cases, an admission interview.
- Twelve (12) credits of study in a language other than English or equivalent. Missing credits can be taken after admissions.

Course	Title	Credits
<b>First Year</b>		
<b>Fall I</b>

ED 691L	Student Teaching in the Childhood Literacy Classroom	3
ED 690	Teacher as Researcher	3
<b>Credits</b>		<b>9</b>
<b>Total Credits</b>		<b>36</b>

MEd Candidates MUST:

Have prior to admission: NYS certification, EAS, Child Abuse/School Violence Prevention & DASA)

Complete prior to graduation:

- Any course deficiencies identified at admissions. TESOL requires 12 credits of study in a language other than English or equivalent.
- Take CST in ESOL exam

Passing the exams is not a requirement for degree completion.

\* This is a 36 Credit Program.

## Literacy Specialist, MEd

Campus: Online

### For

Individuals with a teaching certificate in childhood or adolescent education who want to become certified literacy specialists.

### What You Learn

Graduates of this 30-credit hour online Literacy Specialist MEd program (<https://online.pace.edu/graduate-programs/msed-literacy-specialist/>) will gain an understanding of the interrelationships among language acquisition, cognitive and metacognitive processes, and literacy development; and develop strategies for working with teachers and students to support children with literacy needs at all levels of competencies.

## How You Learn

Effective January 2024, Literacy Specialist MEd is an all-grades certification (pre-k through 12). For the transition, previous certifications in Childhood and Adolescence will continue through January 2025. Courses are available online.

Your program culminates in a one-semester practicum with clinical and school experiences and a related teacher-as-researcher course project.

### Career Outcomes

Candidates who complete this program are eligible for an advanced or professional certificate in the teaching of literacy at all grade levels (pre-k through 12).

Code	Title	Credits
<b>Core Requirements</b>		
ED 650	Research/Theory in Developing Literacy	3

ED 691L	Student Teaching in the Childhood Literacy Classroom	3
<b>Total Credits</b>		<b>30</b>

Additional Requirements:

- Literacy Portfolio (Seminar Capstone)

Prior to Student Teaching, students must complete:

- Course Deficiencies, if applicable
- DASA workshop (if not previously completed) \_\_\_\_\_
- CST in Literacy 065

## Special Education, MEd

**Campus:** NYC, Westchester

### For

Certified childhood or adolescent teachers who want to become specialists in teaching students with disabilities.

### What You Learn

Become prepared to work with students who have disabilities. Deepen your knowledge about the characteristics of typical and atypical learners. Learn how to effectively use inclusive practices and differentiated instruction for students with special needs and learning styles.

### How You Learn

The 30-credit master's program is organized into three interrelated strands that integrate theory, technique, and practice in instruction and assessment.

The program culminates in a one-semester, full-time practicum in a classroom setting and a related, teacher-as-researcher course that includes an action research project.

### Career Outcomes

After completing the program, candidates are eligible for an initial or professional certificate in teaching students with disabilities.

# Teaching English as a New Language, MEd

**Campus:** NYC, Westchester

The Master of Science in Education (MEd) in Teaching English as a New Language prepares certified teachers to teach English Language Learners (ELLs) in grades Pre K-12. Candidates in the Teaching English as a New Language program gain the skills and knowledge necessary for today's linguistically and culturally diverse classrooms.

## PROGRAM OVERVIEW

Students will receive specialized study in multilingual language and literacy development, differentiated instruction, and culturally sustaining pedagogy approaches. This program is designed for certified teachers who want to deepen their understanding of working with linguistically and culturally diverse students who are identified as English language learners.

## FIELD EXPERIENCE

Fieldwork and practicum can primarily take place in the school setting where the teacher candidate works. There are a variety of electives to choose from, depending on interest. Candidates can also choose from our faculty-led abroad courses in Italy or Ecuador as one of their required TESOL courses.

## CERTIFICATION AND CAREER OUTCOMES

In New York state, there is a high demand for teachers who are dually certified in TESOL and/or bilingual education, as the number of students who are both multilingual and multicultural continues to grow. Candidates who successfully complete the program and meet the requirements will lead to certification in ESOL (English Speakers of Other Languages) Pre-K through 12 settings. The School of Education has a high placement rate with partner schools for graduates in this field.

## REQUIREMENTS

- New York State classroom teaching certificate (Initial or Professional)
- A bachelor's degree or higher from an accredited institution (official transcripts documenting degree must be submitted).
- A minimum cumulative GPA of 3.0 or equivalent.
- Submission and review of official transcripts from ALL institutions attended.
- Completion of the application process, including a personal statement and two letters of recommendation.
- Twelve (12) credits of study in a language other than English or equivalent. Missing credits can be taken after admissions.

## Adolescent and Adolescent Special Education, MST

**Campus:** Westchester

### For

Career changers and non-education degree holders who want to become dually certified teachers of adolescent subject-specific content and students with disabilities who will also address the needs of those who are culturally and linguistically diverse.

### What You Learn

This 39-credit program provides a focused exploration into the organization of schools, the different ways that students learn, and the adaptation of teaching methods to meet the needs of secondary students with and without disabilities in inclusive and self-contained settings.

### How You Learn

This program provides an engaging blend of general education theory, pedagogy and practice with clinically-enhanced experiences.

### Career Outcomes

Completion of the MST in Adolescent and Adolescent Special Education will lead to the NYS Initial certificate in adolescent education in a content area, adolescent special education generalist, and an adolescent special education content area specialist.

### additional certification testing requirements

In addition to the required New York State Certification Examinations, candidates in this program will be required to take a Content Specialty Test (CST) in Teaching Students with Disabilities and a CST Multi-subject Test (7-12).

## Adolescent General Education, MST

**Campus:** NYC, Westchester

The MST in Adolescent Education program prepares candidates to teach subject-specific content to all adolescent students, including students with disabilities and those who are culturally and linguistically diverse.

Candidates will engage in a 30-credit program that provides content and practices appropriate to inclusive classrooms and provides candidates with clinically-enhanced experiences throughout the program. This program will lead to certification in adolescent education in a content area.

The program will include a total of 100 hours of fieldwork, in addition to one (1) semester student teaching.

## Childhood Education and Bilingual Education, MST

Campus: NYC, Westchester

## About

The Master of Science for Teachers (MST) in Childhood and Bilingual Education is a 48-credit program which prepares candidates with bilingual and second language teaching methodologies to educate children in grades 1–6. Differentiated instruction is emphasized, and technology is incorporated into all aspects of the program to successfully provide standards-based, practical education to all students at the elementary level.

## Program Overview

Every MST candidate enrolled in our program is challenged to reflect on his or her prior notions about schools, classrooms, teaching, and learning. Candidates learn the theories, strategies, and methods for teaching in a bilingual setting, apply sociolinguistic knowledge contexts and language development to instruction and experience a range of fieldwork experiences under the guidance of supervisors, faculty and mentor-teachers. Study abroad courses can be substituted for Bilingual courses or core requirements with approval.

## Field Experience

Students will complete 100 hours of fieldwork that follows a clinically-rich model, integrated with intensive coursework, in collaboration with partner schools. Student teaching will be completed in childhood classrooms, as well as practicum experience in Bilingual.

## Certification and Career Outcomes

Graduates who pass the New York State Certification Exams will become certified to teach Childhood grades 1-6 with a Bilingual Extension. Career options include teaching in dual language or bilingual programs and provide support to English language learners.

## Childhood Education and TESOL, MST

### Graduate Program Information

The Master of Science for Teachers (MST) in Childhood Education and TESOL program prepares candidates to teach children in grades 1–6, in addition to becoming certified to teach English to Speakers of Other Languages. Students gain knowledge to successfully combine the teaching of both general education and specialized study of language development as well as differentiated instruction methods to English language learners.

## Program Overview

Every MST candidate enrolled in our program is challenged to reflect on his or her prior notions about schools, classrooms, teaching, and learning. Candidates learn the theories, strategies, and methods for teaching English Learners, apply sociolinguistic knowledge contexts and language development to instruction and experience a range of fieldwork experiences under the guidance of supervisors, faculty, and mentor-teachers. Study abroad courses can be substituted for TESOL courses or core requirements with approval.

## Field Experience

Students will complete 100 hours of fieldwork that follows a clinically-rich model, integrated with intensive coursework, in collaboration with partner schools. Student teaching will be completed in childhood classrooms, as well as practicum experience in TESOL.

## Certification and Career Outcomes

Graduates who pass the New York State Certification Exams will become certified to teach Childhood grades 1-6 and TESOL Education in grades Pre K-12. Career options include Childhood teachers who provide support to English Language Learners (ELL) in general education classes, or as English as a New Language (ENL) teachers who provide push-in, pull-out or stand-alone instruction for ELLs.

### Prior to student teaching in Childhood students must complete:

- 100 hours of fieldwork through coursework
- Workshops on child abuse/school violence prevention (TCH 211A), anti-bullying (DASA) (TCH 211D)
- Any Course deficiencies identified at admissions.
- Take the CST in Childhood
- Additionally, Childhood candidates also have to pass the EAS for certification.

### For ESOL Certification, candidates must:

- Complete an additional 60 hours of fieldwork working with ELL-identified or bilingual students.
- Have 12 credits of study in a language other than English or equivalent. Deficiencies must be completed prior to recommendation for certification.
- Take and pass the CST in ESOL exam, to be completed prior to the practicum

## Childhood Education, MST

Campus: NYC, Westchester

## For

Career changers and college graduates who want to teach, but do not have an undergraduate degree in education.

## What You Learn

The pedagogical knowledge, skills, and dispositions necessary to become a successful classroom teacher in general childhood (grades 1–6) classrooms.

## How You Learn

This 36-credit program provides a focused exploration into the organization of schools, the different ways that students learn, and the adaptation of teaching methods to meet the needs of individual students.

There is a common 15-credit core and a 15-credit specialty track. Students conclude with a 6-credit capstone experience that includes:

- A one-semester, full-time student-teaching experience
- A research course
- A capstone project

## Career Outcomes

After completing the program and passing the New York State Teacher Certification Exams, candidates are eligible for initial teaching certification in Childhood Education in New York State.

## Early Childhood Education, MST

**Campus:** Online

Gain the knowledge to support the learning and development of young children from birth to 2nd grade. Engage in coursework that focuses on practices that address the cultural, emotional, developmental, and linguistic needs of young children in the classroom, at home, in community settings, and through partnerships with families.

The Early Childhood Education program's in-depth and clinically rich field experiences will prepare you for success as a certified early childhood teacher (birth–second grade). This includes 100 hours of fieldwork hours targeted toward the three developmental age groups of early childhood. Additionally, you will complete a full-time internship for 14 weeks in pre-school, kindergarten, or first/second grade with an accompanying student teaching seminar (ED 714).

This program will prepare you to take on the many roles in early childhood, including classroom teachers, developmental specialists, home visitors, and family support professionals.

ED 712	Developmentally Appropriate Early Childhood Assessment Practices	3
<b>Total Credits</b>		<b>33</b>

In addition to the 100 clock hours of fieldwork, students will complete a full-time internship for 14 weeks in Preschool, Kindergarten, OR First / Second Grade with an accompanying student teaching seminar (ED 714).

## Early Childhood and Special Education, MST

**Campus:** Online

### For

Career-changers and candidates who want to teach in early childhood (birth–grade 2) developmental and/or educational settings.

### What You Learn

This program will prepare candidates to take on the many different roles in early childhood, including classroom teachers, developmental specialists, home visitors, and family support professionals.

### How You Learn

In the Early Childhood and Special Education program, candidates will become knowledgeable and prepared to support the learning and development of all young children (birth–grade 2), including those who are culturally, linguistically, and ability-diverse in classroom, home, and community settings, through partnerships with families. Candidates will engage in coursework that blends content and practices, which are traditionally a part of early childhood general education and early childhood special education programs. Candidates will be required to participate in clinically rich experiences throughout the program, including four intensive internship/student teaching experiences.

### Career Outcomes

Completion of this program will lead to New York State Certification in Early Childhood Education (birth–grade 2) and Students with Disabilities (birth–grade 2).

## Teach Performing Arts Theatre, MST

**Campus:** NYC, Westchester

If the theatre arts (dance, theatre, music) is your passion and the stage energizes you, take that next step and bring it to the classroom. Learn to use music, dance, and the theatre arts for children's personal and creative expression as well as for disciplinary-based learning. In New York state, the job market is consistent as the performing arts are a required subject area for high school graduation, requiring performing arts teachers in all school districts. This 34-credit program can be completed in under two years and meets all NYS Education Department's requirements to become certified to teach Theatre Arts to Pre-K-grade 12.

Immerse yourself in coursework with clinically rich field experience in theory and methods for teaching the performing arts in PreK-12 school settings. Study ways PreK-12 children can create, perform, and respond to the performing arts with their social and cultural communities and school curricula. Inclusive classroom practices are learned so that all children, regardless of their abilities, will obtain personal satisfaction and appreciation for the performing arts through self-expression and learning.

<b>Total Credits</b>		<b>34-35</b>

PRIOR TO STUDENT TEACHING, STUDENTS MUST DO THE FOLLOWING:

- Complete 100 hours of classroom observations
- Complete workshop on child abuse/violence prevention (EDG 511A)
- Complete DASA workshop (EDG 511D)
- Complete course deficiencies (where applicable)
- Take CST Theater Arts

PRIOR TO BEING RECOMMENDED FOR CERTIFICATION, STUDENTS MUST SUCCESSFULLY COMPLETE ALL COURSEWORK AND THE FOLLOWING:

- EAS (Educating All Students)
- CST in Theater Arts

## Teaching English to Speakers of Other Languages (TESOL), MST

Campus: NYC, Westchester

Candidates in the TESOL program at the Pace University will gain the skills and knowledge necessary for today's linguistically and culturally diverse classrooms. They will receive a specialized study in multilingual language and literacy development, differentiated instruction, and culturally-responsive pedagogy. TESOL is a growing field with promising career opportunities domestically and internationally. Candidates who successfully complete the program and meet requirements will be certified to teach in English as a New Language (ENL) programs in Pre-K through 12 settings.

### For

Career changers and college graduates who want to teach but do not have an undergraduate degree in education.

### What You Learn

This 30-credit program provides a focused exploration of the theory, research and methods for teaching ELLs. Candidates will acquire an awareness and understanding of the sociocultural and sociolinguistic issues that impact the acquisition of English as an additional language among students. A one-semester full-time student-teaching experience rounds out the intensive study for TESOL certification.

### Career Outcomes

Candidates who successfully complete the program and pass the New York State Teacher Certification Exams will be certified to teach English to speakers of other languages in all grade levels from Pre K-12. They can work as ENL (English as a New Language) teachers by supporting ELLs in push-in, pull-out or stand-alone classrooms.

### Prerequisites/Admission Requirements

Candidates for MST in TESOL must have a bachelor's degree or higher from an accredited institution, with a minimum GPA of 3.0. (Upon the recommendation of the director of Student Support Services, candidates whose GPA is less than 3.0 may be admitted on a conditional basis, provided that it is determined that the candidate has the necessary knowledge and skills to complete the program successfully). Candidates will submit official undergraduate transcripts documenting completion of requirements for the liberal arts and sciences; a major or concentration in the liberal arts and sciences; and at least 12 semester hours or the equivalent of study of a language other than English (LOTE). Individuals who lack the required LOTE college-level coursework may earn credits after admission by exams such as CLEP or by taking courses.

### Visual Arts, MST

Campus: NYC, Westchester

If you have a passion for inspiring creativity in young minds and education, the MST in Teaching Visual Arts is for you. This 34-credit program can be completed in under two years and meets all NYS Education Department’s requirements to teach visual arts to grades Pre-K through 12th grade.

Immerse yourself in coursework with renowned faculty and clinically rich field experience in the visual arts. Refine your own artistic skills as you learn how to identify a creative spark within your students. Study sound theories and effective practices for teaching the Visual Arts so that all children can learn self-expression about themselves and others in the world around them. Teaching practices are expanded to include inclusive classroom settings and learning styles.

This program will prepare you to take on the many roles in teaching visual arts, including Visual Arts Teachers.

## Master of Science (MS)

Master of Science (MS)

- Educational Studies, MS (p. 210)
- TESOL International, MS (p. 210)

## Educational Studies, MS

The MS in Educational Studies is intended for students seeking a deeper understanding of educational theories and practices without teacher certification. This program may appeal to those actively involved in social service agencies, such as program developers and administrators, individuals involved in publishing, and those with a general interest in education. It may also attract students interested in international education and those planning to pursue a doctoral degree where an educationally related master's is a prerequisite. The courses identified in the Educational Studies degree are drawn from various programs within the School of Education, including Childhood and Adolescent Education, Early Childhood Education, Literacy Education, Special Education, TESOL, and Higher Education. This program requires meeting Pace University admissions policies for graduate studies. **NYSED requirements for teaching do not apply to this program.**

## TESOL International, MS

The Master of Science for Teaching English to Speakers of Other Languages (TESOL) International is a 30-credit program that prepares teachers of English who want to work in international settings or with adult learners in the US. Students learn the theories, strategies, and methods for teaching English to create engaging learning environments. Special emphasis is given to the teaching of writing and the use of technology for today's globalized classrooms. Students have a range of fieldwork experiences and hands-on practice teaching under the guidance of supervisors, faculty, and mentor-teachers.

## Program Overview and Fieldwork

This course of study integrates core (foundational) courses in education, TESOL core courses that cover theories, language acquisition and linguistics, TESOL methods, and electives. This program has been designed so that students can have a practicum experience teaching in New York City or Westchester. The MS in TESOL International can be combined with Pace University's Global Pathways Program, which integrates academic English development with graduate study.

## Career Outcomes

Candidates who successfully complete the program will have the skills and knowledge to teach ESL to adults domestically and internationally. Sample career opportunities include:

- ESL (English as a Second Language) Teachers at colleges or community-based organizations, in the United States.
- Teach EFL (English as a Foreign Language) in a variety of classroom environments internationally.

# Master of Arts (MA)

Higher Education Administration And Student Affairs (p. 212)

## Higher Education Administration and Student Affairs

Campus: Online

### ABOUT

Graduates of this 30-credit, fully online program will be well-prepared to address the growing challenges that universities face such as the need to balance cost efficiency and student outcomes and increasing pressure to develop rigorous assessment strategies. In their studies, they will gain confidence in their ability to meet performance objectives set forth by accreditation and government bodies.

Online MA in Higher Education Administration and Student Affairs (MA HEASA) (<https://online.pace.edu/graduate-programs/ma-higher-education-administration-student-affairs/>) students critically analyze the historical and social forces affecting underrepresented populations in higher education in order to develop an inclusive academic culture. The organizational decision-making responsibilities these professionals will be responsible for balance student engagement, retention, and operational efficiency. Graduates have the opportunity to develop their skills to fulfill these institutional needs and requirements with care and consideration for a large population of learners and educators.

### FOR

No matter your location or professional background, MA HEASA students share one goal: to build future higher education leaders.

The program welcomes students seeking to enter the field, and bring a unique viewpoint to its challenges and opportunities. It is also well-suited for current higher education professionals who wish to expand their knowledge and advance their careers. Students from all backgrounds will have opportunities to examine the structures and fields within higher education and learn strategies for engaging and retaining students.

### GRADING POLICY

Students in the MA in Higher Education Administration and Student Affairs (HEASA) program must maintain an overall GPA of 3.0 throughout the duration of their studies. Students who drop below 3.0 will be placed on probation and will have one semester to raise their GPA. If the GPA is not above 3.0 after the probation semester, the student will be dismissed from the program with the option of an appeal. All appeals will be reviewed by the Program Director. Accepted appeals will allow the student another semester to raise their GPA. Rejected appeals will result in final dismissal from the program.

<b>Total Credits</b>		<b>30</b>

\*\*The Capstone Seminar is a 14 week long course and must be taken in the last semester of study.

### GRADING POLICY

Students in the MA in Higher Education Administration and Student Affairs (HEASA) program must maintain an overall GPA of 3.0 throughout the duration of their studies. Students who drop below 3.0 will be placed on probation and will have one semester to raise their GPA. If the GPA is not above 3.0 after the probation semester, the student will be dismissed from the program with the option of an appeal. All appeals will be reviewed by the

Program Director. Accepted appeals will allow the student another semester to raise their GPA. Rejected appeals will result in final dismissal from the program.

## Advanced Certificates

- Adolescent Special Education Certificate (p. 214)
- Bilingual Education Certificate (p. 214)
- Childhood Special Education Certificate (p. 215)
- Early Childhood Extension Certification (p. 215)
- Integrated Instruction for Literacy and Technology (p. 215)
- Literacy Specialist Certificate (p. 216)
- Middle School Extension Certificate (p. 216)
- Teaching English to Speakers of Other Languages (TESOL) Certificate (p. 217)
- School District Business Leader Certificate (p. 218)

## Adolescent Special Education Certificate

**Campus:** NYC, Westchester

This 18-credit post-master's program prepares teachers of adolescents to educate all students in inclusive secondary classes. It enables teachers with secondary certification in a content area (e.g., social studies, math, English, science) to obtain New York State Certification as a Secondary Special Education Generalist with Content Area Specialist extension. Pace University is one of the few universities in New York to offer the courses required for this additional, and highly desirable, certification.

### Certificate Requirements

ED 679	Practicum in Special Education	3
<b>Total Credits</b>		<b>18</b>

Gainful Employment Disclosure for students in an approved non-degree certificate program.

## Bilingual Education Certificate

**Campus:** NYC, Westchester

### Certificate Program Information

This 15-credit program leads to initial and professional Bilingual Education Extension, which allows the holder to teach in bilingual settings and support ELL students.

### Admission Requirements

Candidates must have a bachelor's degree or higher from an accredited institution, undergraduate GPA of 3.0 or above, and an Initial or Permanent/Professional teaching certificate as a classroom teacher (or completed the requirements for an initial classroom teaching certificate, or comparable certificate from another state). Candidates must already possess oral and written language proficiency in both English and the language of instruction (Refer to the language proficiency requirements for all candidates and non-native speakers of English). Please visit the School of Education (<https://www.pace.edu/school-of-education/>) site for additional language proficiency requirements for candidates.

## Early Childhood Extension Certification

**Campus:** NYC, Westchester

Students who are New York State certified teachers in Childhood 1-6 can get the Early Childhood Extension by completing two Early Childhood development courses and the CST Multi-Subject: Teachers of Early Childhood (Birth–Grade 2) exam (211/212/245). Apply for this extension through your individual pathway.

You must hold a valid Childhood (1-6) NYS Teacher Certification. If you complete the Early Childhood Extension courses at Pace AND hold a Pace Childhood degree, we can enter a recommendation for the extension via Approved Teacher Pathway.

### CERTIFICATE REQUIREMENTS

ED 706	Creating Responsive Early Childhood Environments	3
ED 712	Developmentally Appropriate Early Childhood Assessment Practices	3
or ED 655A	Early Literacy Development in Culturally and Linguistically Diverse Settings	

## Integrated Instruction for Literacy and Technology

**Campus:** NYC, Westchester

This 9-credit, post-baccalaureate program prepares teachers to gain expertise in the integration of literacy and educational technology, including the new literacies. Candidates will gain an understanding of the new tools, resources, and higher cognitive and meta-cognitive processes that contribute to literacy development. They will learn to develop strategies for working with children who have language and learning disabilities.

- DASA workshop (if not previously completed) \_\_\_\_\_
- CST in Literacy 065

## Middle School Extension Certificate

**Campus:** Westchester

### Certificate Program Information

Childhood teachers may pursue certification in a particular subject area (i.e. English, history, math, science and social studies) in grades 7-9, while adolescent teachers will extend their certification to grades 5 and 6. Candidates will develop critical understanding of the middle school child within the context of communities and popular youth culture. This inquiry-based program also includes methods for differentiated instruction, integrating technology and media, literacy strategies linked to the Common Core Standards, as well as strategies for middle school classroom management

### Program of Study

Intended for childhood and adolescent teachers with initial certification, this 6-credit program enables teachers to extend their certification with coursework that focuses specifically on the developmental needs of middle school students.

### Admission Requirements

Adolescent Education majors who are willing to take two additional education courses and who take and pass the Content Specialty Test (CST) in their subject area, are eligible for the Middle School Extension to also teach that subject in grades 5-6.

Childhood Education majors must also have 30-credits in a subject area to be taught (i.e. Biology, English, etc.) to be eligible for the Middle School Extension. Students who take two additional courses and take and pass the Content Specialty Test (CST) in the subject area, are eligible for a certificate extension to teach that subject area in Grades 7-9.

## Teaching English to Speakers of Other Languages (TESOL) Certificate

Campus: NYC, Westchester

### Program Overview

The TESOL program at the Pace University School of Education provides certified educators with knowledge of the multifaceted approach to teaching English language learners (ELLs), an increasing student population that requires a specialized study of language and literacy development, and differentiated instruction for students at all grade levels. TESOL is a growing field for general education, special education, and content area teachers, as many schools prefer to hire teachers with multiple certifications who can better serve the needs of students who are learning English. Candidates who successfully complete the program and meet requirements will be certified to teach in English as a New Language (ENL) programs in Pre-K through 12 settings.

### Program of Study

This 15-credit certificate program provides a focused exploration of the theory, research, and methods for teaching English language learners. Candidates will acquire an awareness and understanding of the sociocultural and sociolinguistic issues that impact the acquisition of English as an additional language among students. Candidates successfully completing this advanced certificate program will be able to provide differentiated instruction and create culturally-responsive environments for diverse classrooms.

### Admission Requirements

This program is only for candidates who already possess a New York state teaching certificate (ie Childhood, Adolescent, or Special Education). Candidates must have a bachelor's degree or higher from an accredited institution, with a minimum GPA of 3.0. (Upon the recommendation of the dean, graduate faculty admissions committee, or the director of Student Support Services, candidates whose GPA is less than 3.0 may be admitted on a conditional basis, provided that it is determined that the candidate has the necessary knowledge and skills to complete the program successfully). Candidates will submit official undergraduate transcripts documenting completion of requirements for the liberal arts and sciences; a major or concentration in the liberal arts and sciences; and at least 12 semester hours or the equivalent of study of a language other than English (LOTE). Individuals who lack the required LOTE college-level credits may obtain credit by examination through CLEP or any equivalent tests for up to 12 credits.

<b>Total Credits</b>		<b>15</b>

# School District Business Leader Certificate

**Campus:** Westchester

The ever-changing demands on our public schools require forward-thinking administrative leaders who can successfully manage vital business functions for success and sustainability. Our school district business leader program will prepare you to become a flexible, visionary, and reflective school business leader with the skills necessary to create and sustain financial and operational functions in order to help ensure the quality of learning for all students. This program is online and participants will work with a cohort of peers within a professional network.

The 24-credit School District Business Leader Certificate Program is for candidates who already hold a School District Leader (SDL) or School Building Leader (SBL) certificate and who wish to get the School District Business Leader (SDBL) certificate. It includes a 600-hour internship that takes place over four semesters in a school district business office. All courses are online. Each week there is a 1 ½ hour synchronous session.

---

## Certificate Requirements

Code	Title	Credits
<b>Course Requirements</b>

## Talent Development and Continuing Education

A place where adults get help moving onward and upward. Pace University's Continuing and Professional Education (CPE) gives you the power to transform your life and achieve your educational goals and career dreams. Whether you are looking to enhance your skills in your current position, contemplating a career change, updating your resume, or opening your mind to something you have always dreamed of learning, we have the courses, certificates and professional training opportunities for you. Courses are offered in three convenient locations (Midtown Manhattan, Downtown NYC, and Westchester) and online. If you are looking for something more in your personal or professional life, look no further than Pace CPE and begin your educational journey today.

You may view all CPE certificate and professional development programs at Continuing Education (<https://www.pace.edu/continuing-education/>). You may register online or call (888) 561-7223. Our counselors are ready to answer your questions and provide the help and advice you need.
